Reviewer Public Comments	Dear Contractor, we have accepted your utilization plan as noted, that the MWBE goal requirements have not been waived or lowered. Your firm is still required to meet the remaining 11% MWBE goal of this contract. Your firm has agreed to continue its efforts throughout the course of the contract to secure additional MWBE participation. We have provided you with a list of certified MWBEs, and the link to OGS previously approved construction vendors for your review and solicitation. Please not that self-performance of tasks on a project and MWBEs not providing the lowest quote for services or materials, are not acceptable justifications for lack of MWBE goal attainment. Please contact our office if you need further assistance. Thank you.
