Reviewer Public Comments	Your plan has been Accepted As Noted, that the MWBE goals have not been waived or lowered, your firm is still required to meet the 30% goal of the contract. All listed subcontractors and suppliers must also be approved by OGS Vendor Responsibility Unit prior to participating in this project. Per our conversation your firm has agreed to continue its efforts to meet remaining 5% goal throughout the course of the contract. Our office has provided you with a list of MWBEs to solicit for participation, please note that self-performance of tasks on a project, and MWBEs not providing the lowest quote for materials or services are not acceptable justifications for lack of MWBE goal attainment. If necessary, your firm can submit a request for a waiver at the end of the contract, along with supporting documentation of your efforts to increase MWBE participation throughout the course of the contact. Please contact our office if you need assistance. Thank you.
