Reviewer Public Comments	<p>Based on review of your utilization plan and the waiver details submitted, we cannot approve your utilization plan. Self-Performance of tasks on a project, and MWBE not submitting the lowest quote for work or materials are NOT an acceptable justification for lack of goal attainment. You will need to meet the remaining 5.32% requirement by the use of additional MWBEs in any combination. I have sent a list of MWBEs you can solicit to participate on this contract in an separate e-mail. Below is the link to the Good Faith Effort Guidelines. I have returned your utilization plan to allow you to make revisions. Please submit your revised plan by COB Monday, March 16, 2015 or your plan will be denied. Please contact me if you need further assistance.</p> <p>http://www.ogs.ny.gov/BU/DC/Docs/PDF/GoodFaithEfforts143Point8.pdf 3/16/15: We have accepted your plan as noted with the understanding that the MWBE Goal requirements have not been waived or lowered, you are still responsible to meet the 20% requirement of the contract. You have agreed to continue your efforts throughout the course of the contract. Please contact our office if you need assistance. Thank you.</p>

Goal & Waiver Summary

Goal Type	Goal	Plan	Status	\$ to Reach Goal	Waiver Status
MBE	9.00%	4.37%	-4.63% below goal	\$16,530	Waiver request saved
	With the narrow scope of the work and a low turnout of subcontractors, we have only been able to achieve this percentage.				
WBE	11.00%	10.31%	-0.69% below goal	\$2,472	Waiver request saved
	At this time and due to the narrow scope of work and a low subcontractor turn out this is amount we have been able to achieve.				
Total	20.00%	14.68%	-5.32% below goal	\$19,002	Waiver request saved
	At this time and given the narrow scope of the work, this is all we have been able to achieve to date. However, a good faith effort will be made to reach the 20% throughout the contract.
