Status: Open  
Estimated Cost: \$586,800

This Utilization Plan has been Approved. Scroll down to view the details of the plan. Click the button to transfer some or all of the subcontract records to an existing contract. Once a record is transferred it cannot be transferred again. However if any subcontractors are not included in the transfer they will remain available for transfer. After the transfer process is complete a Linked Contract field will appear to provide quick access to the contract. Use the Linked Contract field to access the contract that subs were previously transferred to.

Reviewer Public Comments	<b>Your plan has been accepted with the following conditions that the MWBE goals have not been waived or lowered. The listed non certified subs must be certified before the end of the contract to count for credit towards your goal attainment. You are still response to meet the goals if those firms are not granted MWBE certification. Also please note your listed subs/suppliers must be approved by OGS Vendor Responsibility Unit prior to participating in the project. Please contact our office if you need assistance.</b>
