Estimated Cost: \$988,800

This Utilization Plan has been Approved. Scroll down to view the details of the plan. Click the button to transfer some or all of the subcontract records to an existing contract. Once a record is transferred it cannot be transferred again. However if any subcontractors are not included in the transfer they will remain available for transfer. After the transfer process is complete a Linked Contract field will appear to provide quick access to the contract. Use the Linked Contract field to access the contract that subs were previously transferred to.

Reviewer Public Comments	<p>We have accepted your plan as noted with the understanding that the MWBE Goal requirements have not been waived or lowered, you are still responsible to meet the 30% requirement of the contract. You have agreed to continue your efforts throughout the course of the contract to meet these requirements. Please remember to contact our office when you need assistance and to document all of your good faith efforts throughout the project. Below is the link to the Good Faith Effort Guidelines that must be followed. Please note that Self-performance of task on a project, and the MWBE sub/supplier not providing the lowest quote for materials or service is not an acceptable justification for lack of goal attainment. We will entertain your request for a waiver at the end of the project if your firm has exhausted all of your efforts to meet the goals and have documentation to support such.</p> <p>http://www.ogs.ny.gov/BU/DC/Docs/PDF/GoodFaithEfforts143Point8.pdf</p> <p>Thank you.</p>
Reviewer Private Comments	Subs/suppliers confirmed. Contractor must continue efforts to meet the goals no up front waiver will be accepted.
