Reviewer Public Comments	Your Plan has been Accepted as Noted, that the MWBE goals have not been waived or lowered, your firm is still required to meet the 30% goal of the contract. All listed subcontractors and suppliers must also be approved by OGS Vendor Responsibility Unit prior to participating in this project. Your request for a partial waiver of the goals assigned has been denied. Self-performance of tasks on a project is not an acceptable justification for lack of goal attainment. Per our conversation your firm has agreed to continue its efforts to meet the remaining goal throughout the course of the contract. Also note our office has provided your firm with a list of MWBEs for your review and solicitation, along with the list of firms who submitted their interest in participating in the project. Please contact our office if you need further assistance.
