This Utilization Plan has been Approved. Scroll down to view the details of the plan. Click the button to transfer some or all of the subcontract records to an existing contract. Once a record is transferred it cannot be transferred again. However if any subcontractors are not included in the transfer they will remain available for transfer. After the transfer process is complete a Linked Contract field will appear to provide quick access to the contract. Use the Linked Contract field to access the contract that subs were previously transferred to.

Reviewer Public Comments	<p>The Office of General Services MWBE Office does not grant MWBE waivers on the front-end of our contracts. The MWBE Office has accepted your Utilization Plan as noted, that the MWBE goal requirements have not been waived or lowered. Your firm has agreed to continue your efforts to meet the 30% requirement throughout the course of the contract. I have sent your firm a list of MWBEs that may be available, to participate on this project, and also the Good Faith Effort Guidelines for your review. Please note the following are not acceptable justifications for lack of goal attainment:</p> <ul style="list-style-type: none"> • Self-performance of tasks on a project • MWBEs not providing the lowest quote for materials or equipment needed for the project <p>Please contact our office throughout the course of the contract if you need assistance. Remember to document all efforts to meet the goals of the contract. Thank you.</p>
