Reviewer Public Comments	Your plan has been Accepted As Noted, that the MWBE goals have not been waived or lowered, your firm is still required to meet the 30% goal of the contract. All listed subcontractors and suppliers must also be approved by OGS Vendor Responsibility Unit, prior to participating in this project. Per our conversation your firm has agreed to continue its efforts to meet the remaining goal throughout the course of the contract. Also note self-performance of tasks on a project is not an acceptable justification for lack of goal attainment. Our office has provided your firm with a list of MWBEs for your review and solicitation, that may be available to participate. Please contact our office if you need assistance.
