

OGS Emergency Contractor List - 07/11/13

* This list is provided as a convenience to vendors for the NYS Office of General Services (OGS) and other government entities involved in disaster relief or reconstruction efforts. It consists of emergency contractors who are on the OGS Emergency Contractor List and are eligible to work on OGS projects in the counties affected by the NYS Flood. The firms have been approved from a vendor-responsibility standpoint. Their current MBE or WBE certification status is shown. Inclusion on the list does not imply endorsement of the firm by OGS. For OGS contracts, the existing procedures for contractors to submit subcontractors for vendor-responsibility review must be followed and a BDC 329 is required for approval and payment purposes.
