**CONSTRUCTION WORK, HVAC WORK, AND ELECTRICAL WORK
PROVIDE ELECTRIC UPGRADE FOR FEEDERS, TRANSFORMERS,
AND SWITCHGEAR - SITEWIDE
GREEN HAVEN CORRECTIONAL FACILITY
ROUTE 216
STORMVILLE, NY**

February 27, 2013

NOTE: This Addendum forms a part of the Contract Documents. Insert it in the Project Manual.
Acknowledge receipt of this Addendum in the space provided on the Bid Form.

ELECTRICAL WORK DRAWINGS

1. Drawing EC0.00B, General Note 11.
ADD: Exception for trenching inside the perimeter wall, trenching may be barricaded with caution tape stretched across 1"x1" wooden stakes driven into the ground.
2. Drawing EP1.22A
ADD: Drawing Note 4. Electrical contractor shall submit a generator rigging plan to demonstrate how the existing Generator No. 1 & Generator No. 2 will be removed through the existing engine room. The plan shall include path of travel for the existing generators. Indicate methods to be used for moving the generators, include product data for rollers, dollies, or other special equipment required. The plan shall include actual bearing pressures to be imparted on the operating floor and locations and thickness of steel plating. If required, indicate size and locations of shoring posts to be installed in the basement. Original operating floor design live load is unknown. The generator rigging plan submittal shall be approved by the director's representative prior to moving the generators. Design live load for new floor beams is 300 PSF. See existing operating framing plan, S1.12. Existing engine room floor is a concrete reinforced 4 1/2" thick slab with a mud set quarry tile.

ELECTRICAL WORK SPECIFICATION

3. SECTION 014100-Regulatory Requirements, Paragraph 1.06.B.2
Change to read: Comply with the utility company requirements for the incoming electric service. Pay the utility company's charge in connection with the installation of the incoming service (An allowance for the utility company's charges is included in Section 012100). The utility company is NYSEG.

END OF ADDENDUM

James Dirolf, P.E.
Director of Design
