The bid security of all other bidders with checks will be returned as soon as possible after the low bidder has been determined.
- 5.3. Bid Bonds submitted as bid security will not be automatically returned to the Contractor. - 6.3. A late bid will be considered if: (1) its arrival at the place designated after the time specified can be shown by documentary or other proofs to be due to mishandling of the Office of General Services and (2) that absent such mishandling, the bid would have arrived timely. Delays in the mail or any other means of transmittal, including couriers or agents of the State, other than employees of the Office of General Services will not suffice to excuse late arrival.
- 6.4. A late bid not eligible for consideration will be returned unopened with notification of the reason for its refusal.

7. MODIFICATION OF BID

Bid modifications by amendment will only be considered on condition that: (1) the amendment arrives before the time specified, and at the place designated for receipt of bids, (2) the amendment is in writing and executed by a principal of the bidder firm, and (3) the bid, as amended, conforms in all respects with the Contract Documents.

- 8.2. Not more than 5 business days after the bid opening or a scheduled pre-award meeting which ever comes later, a low bidder may request the withdrawal of its bid based on a mistake. The request must be submitted via certified or registered mail to the address to which the bid was directed. The Contracting Officer may conduct or have conducted on his/her behalf a fact-finding proceeding to develop information concerning the request for withdrawal. A request for withdrawal of a bid made after the specified number of days allowed shall result in automatic forfeiture of the bid security.
- 8.3. Following a timely request for withdrawal of a bid, the bid security will be returned if the bidder establishes by credible evidence, including original documents when requested, the following:
- 8.3.1. An error, clerical as opposed to judgmental in nature and verifiable by written evidence, occurred in the computation of the bid,
- 8.3.2. The error constitutes either an unintentional and substantial computational error or an unintentional omission of a substantial quantity of labor and/or material from the final bid computation,
- 8.3.3. The absence of gross negligence in the preparation of the bid. For the purposes of this subparagraph, gross negligence may include,
- i) the apparent failure of a bidder to account for two (2) or more categories (divisions) of work,
 - ii) the use of multiple erroneous quotations from subcontractors or suppliers,
 - iii) submission to the Contracting Officer of a bid withdrawal request within the preceding six (6) months.
- 8.4. If the bidder fails to meet its burden of proof, the request to withdraw without penalty shall be denied and its bid security will be forfeited and become the property of the State. The decision of the Contracting Officer shall be final and conclusive.
- 8.5. Once a request to withdraw is made, the Bidder is ineligible for award. The Contracting Officer shall continue to progress the award process considering only the remaining bids.

9. DISQUALIFICATION

- 9.1. Any bid which fails to conform to the requirements of the Bidding and Contract Documents may be rejected.
- 9.2. The Commissioner may waive any informality or afford the bidder an opportunity to remedy any deficiency resulting from a minor informality or irregularity.

Address inquiries regarding labor law provisions to the Labor Department.
- 10.3. Anti-Discrimination Clause: Discrimination against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability, or marital status is prohibited.

11. OPENING OF BIDS

Bids will be opened as announced in the Advertisement for Bids.

12. DETERMINATION OF CONTRACTOR'S RESPONSIBILITY

- 12.1. The State Public Buildings Law requires that contracts for public work in the State of New York be awarded to the lowest responsible and reliable bidders as will best promote the public interest.
- 12.2. Each apparent low bidder (for competitively bid contracts of \$10,000 or more) and proposed subcontractor (for subcontract work of \$10,000 or more) will be required to submit a "New York State Vendor Responsibility Questionnaire For Profit Construction" (Form CCA-2) prior to contract award or subcontractor approval. This will assist the State in determining the responsibility and reliability of the vendor.

The Office of General Services recommends that vendors file the required CCA-2 form online via the New York State VendRep System. Use of this system requires that the vendor have a New York State Vendor Identification Number (Vendor ID). Please note that the Vendor ID is not the Taxpayer ID number.

All bidders are encouraged to obtain a Vendor ID *in advance of* the bid opening.

To obtain a Vendor ID, contact the Office of the State Comptroller (OSC) Help Desk at 866-370-4672 or 518-408-4672, or by e-mail at ciohelpdesk@osc.state.ny.us.

To enroll in and use the VendRep System, see the **VendRep System Information for Vendors** page at http://www.osc.state.ny.us/vendrep/info_vrsystem_vendor.htm or go directly to the VendRep System online at <https://portal.osc.state.ny.us>. For direct VendRep System user assistance, contact the OSC Help Desk; the help desk phone numbers and e-mail address are shown above.

Vendors opting to file a paper questionnaire can obtain the appropriate questionnaire from the VendRep website <http://www.osc.state.ny.us/vendrep>, or may telephone the OSC Help Desk.

- 12.3. After the bids are opened, the apparent low bidder shall complete and file the CCA-2 within five (5) days. Vendors using the online system may certify (or recertify) and file the CCA-2 electronically via the VendRep System (<https://portal.osc.state.ny.us>).
- 12.4. It is recommended that all bidders become familiar in advance with all of the requirements of the CCA-2. As mentioned in 12.2, all bidders are encouraged to obtain a Vendor ID in advance of the bid opening if they don't currently have one.
- 12.5. All bidders must submit a completed Offerer Disclosure of Prior Non-Responsibility Determinations (Form DCA-3) along with their Bid Form.
- 12.6. The determination of responsibility will include a review to ensure the Contractor has not knowingly and willfully violated the provisions of the Procurement Lobby Law or New York State Finance Law §139-j and §139-k.
- 12.7. New York State Finance Law §139-k (2) obligates a Governmental Entity to obtain specific information regarding prior non-responsibility determinations. This information must be collected in addition to the information that is separately obtained pursuant to State Finance Law §163(9). In accordance with State Finance Law §139-k, a Contractor must be asked to disclose whether there has been a finding of non-responsibility made within the previous four (4) years by any Governmental Entity due to: (a) a violation of State Finance Law §139-j or (b) the intentional provision of false or incomplete information to a Governmental Entity.

- 12.8. As part of its responsibility determination, State Finance Law §139-k(3) mandates consideration of whether a Contractor fails to timely disclose accurate or complete information regarding the above non-responsibility determination. In accordance with law, no procurement contract shall be awarded to any Contractor that fails to timely disclose accurate or complete information under this section, unless a finding is made that the award of the Procurement Contract to the Offerer is necessary to protect public property or public health safety, and that the Offerer is the only source capable of supplying the required Article of Procurement within the necessary time frame.

13. AWARD OF CONTRACT

- 13.1. The Contract may be awarded to the lowest responsible and reliable bidder as will best promote the public interest.
- 13.2. If alternates are included in the bidding documents, the State reserves the right to accept or reject any or all alternates. The State shall determine the lowest bid by adding to or deducting, from the Base Bid Amount of the bidders, the additive or deductive alternates, if any, that the State elects to accept after the opening of the bids. Alternates will be accepted in the order they are set forth in the contract documents.
- 13.3. The State reserves the right to reject any or all bids, and advertise for new bids, if in its opinion the best interest of the State will thereby be promoted. In the event that all bids are rejected, each bidder will be so notified.
- 13.4. A bidder may withdraw its bid if no award is made within forty-five (45) days after the receipt of bids. Under the Act, the Commissioner of the Office of General Services (OGS) will be developing a list (prohibited entities list) of “persons” who are engaged in “investment activities in Iran” (both are defined terms in the law). Pursuant to SFL § 165-a(3)(b), the initial list is expected to be issued no later than 120 days after the Act’s effective date, at which time it will be posted on the OGS website.

By submitting a bid in response to this solicitation or by assuming the responsibility of a Contract awarded hereunder, Bidder/Contractor (or any assignee) certifies that once the prohibited entities list is posted on the OGS website, it will not utilize on such Contract any subcontractor that is identified on the prohibited entities list.

During the term of the Contract, should OGS receive information that a person is in violation of the above-referenced certification, OGS will offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment which is in violation of the Act within 90 days after the determination of such violation, then OGS shall take such action as may be appropriate including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.
