NOTE: This Addendum forms a part of the Contract Documents. Insert it in the Project Manual.
Acknowledge receipt of this Addendum in the space provided on the Bid Form.

SPECIFICATION

1. SECTION 011000 SUMMARY OF WORK: Page 011000-1, Paragraph 1.02B: Change to read as follows:
 - “B. There are two (2) Existing Prefabricated Building Modular Sections currently on state owned trailers stored at Greene Correctional Facility. The Contractor will be responsible for removing and transferring the two (2) sections from state owned to private trailers and transporting them approximately one (1) mile through state owned property from the storage location to the project site, No highway permits are required. Also, the Contractor will be responsible for installing the two (2) sections onto the foundation. Before construction of the foundation begins, the Contractor shall verify the dimensions of the two (2) Existing Prefabricated Building Modular Sections and notify the Director’s Representative in writing of any discrepancies encountered. Coordinate with the Director’s Representative before all required work commences”

END OF ADDENDUM

James Dirolf, P.E.
Director of Design
