Questions/Responses

Question:

Can bidders limit bids to regions in NY other than NYC and “No bid” NYC (and Boroughs) or do bidders have to bid all regions as noted on SE591 Unit Price Schedule excel spreadsheet/Regional map on page 81 of 86 of IFB?

Response:

Bidders must bid on all regions noted on the Unit Price Schedule. A successful bidder would be expected to provide office trailers in all regions as needed.
