Introduction

In 2014 OGS carried out a Solicitation after seeking input from the vendor community through a Request for Information (RFI) and Request for Comment (RFC), New York State (NYS) Procurement Services developed a new contracting model for IT procurement which is referenced herein as the “Umbrella Contract.” The Umbrella Contract enables an Authorized User to procure from specific Lots for Software, Hardware, Cloud, and Implementation Services. The procurements shall be competitive at the transactional level via Request for Quotations (RFQ) and will allow an Authorized User the ability to procure within any of the Lots or across Lots. All Contract holders will have the same terms and conditions for the duration of the Contract thus providing a fair and level playing field across the IT market place.

This Solicitation, as the first Periodic Recruitment for this contract suite, will establish additional Manufacturer Umbrella Contracts which will include common base terms and conditions, additional Lot-specific terms and conditions, and a How to Use document setting forth specific procedures for an Authorized User to acquire IT commodities and services (IT Products) under the Contracts.

In the event of an inconsistency in the Solicitation and its Appendices and Attachments, as the same may be clarified or amended during the Question and Answer process, precedence shall be given to those documents in the order indicated:

- (i) Appendix A, Standard Clauses for New York State Contracts (January 2014);
- (ii) The body of the Solicitation;
- (iii) Appendices B, C and D;
- (iv) Attachments.

Defined terms are identified with initial capital letters.

Important Notice to Potential Vendors

Receipt of this Solicitation does not indicate that the OGS has pre-determined your company's qualifications to receive a Contract award. Such determination will only be made after the evaluation of Vendor Submissions compared to the specific requirements contained in this Solicitation, including price reasonableness, Vendor Responsibility and any other requirements.

Vendor Submissions will undergo an initial administrative review for completeness. In order for the evaluation of a Vendor Submission to proceed beyond the initial administrative review, it must be complete. Required information, forms, signatures, etc., must be included. See Section 3: Vendor Submission for additional information.

A Vendor shall pay strict attention to the Vendor Submission date and time. To ensure compliance with Solicitation requirements, and to avoid possible disqualification, Vendors shall follow the format and instructions in Section 3: Vendor Submission.

Section 1. Contract Scope

1.1 OVERALL SCOPE

OGS seeks qualified and experienced Manufacturers of IT Products, to provide Vendor Submissions as outlined in this Solicitation. Future periodic recruitments will occur at the discretion of the State. Vendor Submissions may be submitted for all or any combination of Lots. The intent is to award multiple statewide Contracts, and to provide Authorized Users the ability to obtain various IT Products through a competitive (RFQ). This Solicitation outlines the terms and conditions, as well as the requirements a Vendor must comply with to be considered for Contract award.

While not required for Contract award, Vendors may designate Reseller(s) and are encouraged to name multiple Resellers. Where Contractors have 5 or more Resellers, Authorized Users may elect to engage in Manufacturer-specific RFQ's. Contractor shall be fully liable for Reseller performance and Reseller compliance with all Contract terms and conditions.

Attachment 11 How to Use the Manufacturer Umbrella Contract and Attachment 11A How to Use the Manufacturer Umbrella Contract – Cloud Solution, provide the Authorized User with instructions on how to use the Information Technology Umbrella Contract – Manufacturer Based (Statewide) Contract. Except as provided in Appendix B, all Authorized User transactions will require the development of an RFQ by an Authorized User which will be distributed to the awarded Contractors, and if applicable, their Resellers, in the applicable Lot in accordance with the Contractual terms. Contractors/Resellers will compete against each other by submitting Quotes to the Authorized User as directed in the RFQ. The winning Contractor/Reseller will enter into an Authorized User Agreement with the Authorized User. An award may be based on a Lowest Price or Best Value, as specified in the RFQ.

OGS reserves the right to not admit any individuals arriving later than 10 minutes after the start time of the Solicitation Conference.

Answers to all inquiries posed at the Solicitation Conference will be included in the written OGS response to Responses to Inquiries and will be posted in the NYS Contract Reporter. Only those answers provided in writing are official. All subsequent inquiries must then be submitted per the Solicitation Section "Inquiries and Proposed Solicitation Deviations."

A list of Solicitation Conference attendees will be posted to the OGS web after the conference.

At the discretion of OGS, materials may be posted to the OGS website for viewing or provided prior to the Solicitation Conference.

1.12 RESERVED

1.13 INQUIRIES, PROPOSED SOLICITATION DEVIATIONS AND EXTRANEIOUS TERMS

Vendors must use Attachment 6 – Inquiry and Solicitation Deviation Template to submit any questions, comments, Solicitation deviations and Extraneous Terms. Answers to all questions, comments, bid deviations and Extraneous Terms of a substantive nature will be provided to all prospective Vendors in the form of a question and answer document, which will be posted on the OGS website. Completed Attachment 6 – Inquiry and Solicitation Deviation Template shall be sent to PS_SW_ITF@ogs.ny.gov by the deadline stated in Section 1.9 Key Events and Dates.

Vendors are advised that OGS will not entertain any exceptions or deviations to Appendix A (New York State Standard Clauses). OGS will also not entertain exceptions or deviations to the Solicitation or Appendix B (22802 – Information Technology Umbrella Contract – Manufacturer Based (Statewide) General Specifications March 2017) that are of a material and substantive nature.

1.14 VENDOR DEBRIEFING

Pursuant to State Finance Law §163(9)(c), any unsuccessful Bidder may request a debriefing regarding the reasons that the Bid submitted by the Bidder was not selected for award. Requests for a debriefing must be made within 15 calendar days of notification by OGS that the Bid submitted by the Bidder was not selected for award. Requests should be submitted in writing to a designated contact identified in this Solicitation.

1.15 CONTRACT START DATE

OGS will award Contracts on a rolling basis. Vendor Submissions which do not require the submission of clarifying information or documentation from the Vendor will be awarded first. Vendor Submissions which require clarification will be awarded as issues are resolved.

1.16 CONTRACT TERM

The term of each Contract awarded as a result of this periodic recruitment shall commence upon execution of the Contract by OGS as evidenced by the date accompanying the OGS signature line, and shall end on November 29, 2020 unless terminated earlier in accordance with the Contract. The State reserves the right, at its sole discretion, to extend the term of these Contracts by an additional 5 years upon Contractor's agreement thereto.

For the purposes of the City of New York only, the Contract term shall extend 6 months beyond its termination date upon the then-existing terms and conditions. During the 6 month period, the definition of Authorized User shall be deemed to refer only to the City of New York. This extension is in addition to any other extensions available under the Contract.

1.17 DOWNSTREAM PROHIBITION

Any and all work from these Contracts that involves developing specifications, establishing a base for other applications, or otherwise gaining information that would give a Contractor an unfair competitive advantage in a future procurement may result in the Contractor being precluded from further work (downstream prohibition) due to conflicts of interest. Authorized User shall provide notification of any downstream prohibitions known at the time the RFQ is released. See State Finance Law §§ 163(2) and 163-a for additional information on the statutory prohibitions. Non-State agency Authorized Users may have additional statutory prohibitions.

1.18 JOINT VENTURES

Joint Ventures are not permitted as this is a Manufacturer based Contract.

Section 2. Vendor Qualifications

A Vendor is advised that the State's intent in listing the following requirements is to ensure that only qualified and reliable Vendors be considered for Contract award. A Vendor submitting a Vendor Submission shall have the burden of demonstrating to the State's satisfaction that it meets the qualifications and can perform the work in order to be considered for Contract award.

2.1 VENDOR ELIGIBILITY

Vendor must be a Manufacturer of Software, Hardware or Cloud in order to qualify for an award under Lots 1, 2 and 3. In order to qualify for an award for Lot 4, Vendor must qualify for an award under Lots 1, 2, or 3 of any combination thereof.

| Lot | Vendor Eligibility |
|-------|--------------------------------------------------------------------------------------|
| Lot 1 | Manufacturer - Software |
| Lot 2 | Manufacturer - Hardware |
| Lot 3 | Manufacturer - Cloud |
| Lot 4 | Vendors Providing Vendor Submissions for Lots 1, 2 or 3 (or any combination thereof) |

Please refer to Section 1.7 - Glossary for Manufacturer definitions specific to each Lot.

2.2 VERIFIABLE SALES

Vendor must demonstrate a minimum in verifiable sales to any Government Entity during the 18 months prior to the release of this Solicitation. The minimum required sales for each Lot are as follows:

| No. | Lot Description | Minimum Verifiable Sales Required |
|-----|-------------------------|-----------------------------------|
| 1 | Software | \$1,000,000.00 |
| 2 | Hardware | \$5,000,000.00 |
| 3 | Cloud | \$250,000.00 |
| 4 | Implementation Services | \$250,000.00 |

Vendor shall utilize Attachment 4 - Verifiable Sales, which summarizes the Government Entity, paid invoice date, paid invoice number, and qualifying invoice total. Each qualifying invoice detailing and highlighting the actual Products sold is required for verification purposes and must be provided in searchable PDF in the bid submission as per Section 3 Vendor Submission. The minimum number of invoices needed to meet requirements should be provided. Failure to comply with this submission requirement may result in disqualification of the proposal for non-responsiveness. **Each paid invoice must contain or be accompanied by the following information.**

- Lot Number – if the Products fall into different Lots, then the Lot must be written next to each Product.
- Manufacturer
- Government Entity name – provide proof that the customer is a Government Entity.
- Qualifying item description(s)
- Qualifying item amount(s)
- Qualifying SKU numbers – these must be written in if they are not already included on the Invoice.
- Paid Invoice date
- Paid Invoice number
- Qualifying invoice total – Example of qualifying invoice total:

| Lot 1 - Software | |
|--------------------|-------------------------------------|
| Paid Invoice Total | \$60,000 |
| Hardware | \$40,000 (Non-Qualifying) |
| Software | \$20,000 (Qualifying Invoice Total) |

Failure to provide this information may result in a request for Vendor clarification and may delay review of Vendor Submission and possibly result in a non-responsive finding.

For an invoice containing items which fall into different Lots, Vendor may use that invoice to meet the minimum sales for multiple Lots as long as (i) such invoice is identified and provided with each Lot submission, and (ii) the particular items on the invoice relating to the specific Lot are clearly identified. Where the invoice references a bundled item that includes one or more qualifying items, Vendor must submit a detailed breakdown of the amounts attributable to each item within the bundle as represented in the example above.

OGS may, in its sole discretion, request additional information regarding Attachment 4 – Verifiable Sales, including any information contained on the submitted invoices.

Vendors who hold other contracts with OGS may provide contract sales reports in lieu of invoices. OGS reserves the right to request invoices if OGS determines that the Contract sales reports are insufficient. Only sales made in any 12 month consecutive period during the 18 months prior to the release of this Solicitation will be evaluated.

If a Manufacturer has no verifiable sales to any Government Entity for a specific Lot of Products, but sells its Products through a Reseller or other provider (e.g. Contract Management Provider) to Government Entities, then that Manufacturer may use those Reseller or other provider invoices to demonstrate verifiable sales. In Attachment 4 – Verifiable Sales the Manufacturer will identify which Lot this relationship applies to, and attest they have no direct government sales and do not sell directly to Government Entities.

Paid invoices from a Manufacturer's authorized Reseller or other provider (e.g. Contract Management Provider) will be accepted only if the Manufacturer is identified on the paid invoice.

Attachment 4 – Verifiable Sales must be signed by the Manufacturer's Chief Financial Officer or equivalent, or their designee, who must attest that:

1. Sales meet the minimum Lot requirements;
2. Sales were to Government Entities;
3. All qualifying invoice totals have been paid and funds have been collected; and
4. Any detailed breakdown submitted with an invoice containing a bundled item is accurate.

All required information contained in verifiable sales documentation should be free of restrictions on confidentiality or claims of confidentiality. OGS will not enter into a Non-Disclosure Agreement (NDA) for Vendors who assert that information contained in their verifiable sales documentation is confidential.

2.3 MANUFACTURER'S PRICE LIST

For each Lot a Vendor is responding to, OGS reserves the right to require a Vendor to provide, as part demonstration of reasonableness of price, a Manufacturer's Price List that includes list pricing for each Lot Product. Failure to do so may result in delayed evaluation of the Vendor Submission.

Products offered must be available on at least one of the following types of nationally published price lists:

- Manufacturer's Suggested List Price (MSLP)
- Manufacturer's Suggested Retail Price (MSRP)
- Government Entity Price list
- Manufacturer's Commercial Price List
- Manufacturer's Online Store Pricing (would be acceptable, provided it contains the complete current list of Products and prices offered without web links)
- If a Manufacturer has no Nationally Published Price List for a specific Lot of Products, but sells its original equipment manufacturer Products through a Reseller or other provider (e.g. Contract Management Provider) to Government Entities, then that Manufacturer may use the Reseller's or other provider's Nationally Published Price List for the OEM Products.

If Products are not available through one of the types of nationally published price lists referenced, the Products shall not be offered under the Contract.

Vendor may offer Products from multiple Manufacturer's Price Lists. All pricelists included with the Vendor Submission must meet the following requirements:

1. A current copy of the Nationally Published Price List;
2. In its regularly published format detailing current list prices; and
3. Highlighting all Products the Vendor is offering.

In no event shall NYS Net Price in Attachment 1 - Price Pages exceed the Vendor's list price on their Manufacturer's Price List.

2.4 REASONABLENESS OF PRICE

NYS Net Pricing offered in Attachment 1 – Price Pages will be reviewed by OGS to assess reasonableness of price. Vendors are encouraged to offer their best possible pricing. Subject to OGS's reserved rights in the Solicitation, the Contract Price Lists referenced in Section 2.4.1 below will be accepted as documentation of reasonableness of price. Vendors should carefully read the instructions to Attachment 1 – Price Pages to be sure that all information requested therein is provided and that proposed pricing is equal to or better than the applicable price list referenced in Section 2.4.1 below.

OGS reserves the right to conduct additional research and request additional information to assess the reasonableness of pricing. If reasonableness of pricing is not demonstrated to OGS's satisfaction, the Vendor Submission may be deemed non-responsive and ineligible for Contract award. Additionally, OGS reserves the right to require the Vendor to lower its offered pricing to that which OGS has determined to be reasonable and to remove items from Vendor's pricelist for which pricing is determined not to be reasonable.

All required information contained in reasonableness of price documentation should be free of restrictions on confidentiality or claims of confidentiality. OGS will not enter into a Non-Disclosure Agreement (NDA) for Vendors who assert that information contained in their reasonableness of price documentation is confidential.

2.4.1 Acceptable Documentation of Reasonableness of Price

Acceptable documentation of reasonableness of price, in order of preference, is the following:

1. NYS Centralized Contract Price List
 - Contract must have been executed by NYS;
 - Contract Price List will be the most currently approved or the Price List in effect at Contract expiration;
 - If Contract has expired, the expiration date of the Contract shall be no more than 1 year prior to the date of this Solicitation release; and
 - Contract and Contract Price List (both in searchable PDF) will be included with Vendor Submission.
2. Federal Contract Price List
 - Contract must have been executed by the Government Entity;
 - Contract Price List will be the most currently approved or the Price List in effect at Contract expiration;
 - If Contract has expired, the expiration date of the Contract shall be no more than 1 year prior to the date of this Solicitation release; and
 - Contract and Contract Price List (both in searchable PDF) will be included with Vendor Submission.
3. Other NYS or Government Entity Contract Price List
 - Contract must have been executed by NYS or the Government Entity;
 - Contract Price List will be the most currently approved or the Price List in effect at Contract expiration;
 - If Contract has expired, the expiration date of the Contract shall be no more than 1 year prior to the date of this Solicitation release; and
 - Contract and Contract Price List (both in searchable PDF) will be included with Vendor Submission.
4. Paid Invoices from Government Entities
 - Paid invoices (amounts have been paid and funds have been collected) of Products from the same Lot (s) in response to this Solicitation;
 - Paid invoices are to be provided in searchable PDF;
 - Sufficient information to be included on the invoice to identify the qualifying Lot Product(s) including the following:
 - Government Entity,
 - Description of Qualifying Lot Product(s),

- Manufacturer Part Number (SKU), and
- Net price of each qualifying item;
- Invoice date must be no more than 6 months prior to the date of this Solicitation release; and
- All paid invoices will be included with Vendor Submission.

If a Manufacturer has no direct government Contract for a specific Lot of Products, but sells its Products through a Reseller or other provider (e.g. Contract Management Provider) to Government Entities, then that Manufacturer can establish Reasonableness of Price pursuant to this Section through the Government Entity Contract Price Lists and/or invoices of the Reseller/other provider. On Attachment 1 – Price Pages the Manufacturer will identify which Lot(s) this relationship applies to, attest they hold no direct government Contract and do not resell directly to Government Entities. The Manufacturer will provide the Reseller/other provider's Contract price list.

2.5 ATTACHMENT 1 - PRICE PAGES

Attachment 1 - Price Pages will be segmented by Lot. Vendor must submit its proposed Products using Attachment 1 – Price Pages (Microsoft Excel 2010 or newer). Failure to provide Attachment 1 – Price Pages as indicated may deem the Vendor Submission non-responsive and ineligible for Contract award. Vendor may only populate Attachment 1 – Price Pages with Products for which it is a Manufacturer. The following are Attachment 1 – Price Pages data elements:

- Product Name;
- Product Description;
- Product Category;
- Manufacturer Part Number (SKU);
- Indicate if SKU is a Product Bundle;

2.5.2 Discount Percentage

2.5.3 Where the NYS Net Price is based upon an approved GSA Supply Schedule then:

2.5.3.1 Associated Discounts

The Authorized Users shall be entitled to all associated discounts enumerated in the GSA supply schedule (including, but not limited to discounts for additional sites and volume discounts), as well as any other pricing or discount terms as are expressly enumerated in this NYS Contract or GSA schedule, when calculating the NYS Net Price.

2.5.6 Maintenance/Support Options

Maintenance/Support options, including a detailed description of each type of maintenance/support offering, (e.g. response time, 24 x 7 coverage, etc.) must be provided in Attachment 1 – Price Pages. The description must also include the Product for which the maintenance/support is being offered.

The breakout is to include at minimum: 1) Manufacturer, 2) Manufacturer's SKU, 3) full description, 4) list price, and 5) discount from list price for each of the Product Bundle components. Bundle components require reasonableness of price justification (see Section 2.4 above).

A Product Bundle is defined as "multiple Products combined for sale as a **single Product offering**" (see complete definition of Product Bundle in Section 1.7 – Glossary). A Product Bundle is not a selection of separate Product offerings (SKUs) that are combined together at the time of transaction. Vendors are encouraged to include all Product Bundles on their Attachment 1 – Price Pages at the time they submit their Vendor Submission.

2.5.8 Proprietary Maintenance/Support and Pre-Packaged Training Products

2.9 NEW YORK STATE VENDOR FILE REGISTRATION

Prior to being awarded a Contract pursuant to this Solicitation, the Vendor(s) and any designated authorized Resellers who accept payment directly from the State, must be registered in the New York State Vendor File (Vendor File) administered by OSC. This is a central registry for all vendors who do business with New York State Agencies and the registration must be initiated by a State Agency. Following the initial registration, a unique New York State ten-digit vendor identification number (Vendor ID) will be assigned to your company and Vendor IDs will be assigned to each of your authorized Resellers (if any) for usage on all future transactions with New York State. Additionally, the Vendor File enables vendors to use the Vendor Self-Service application to manage certain vendor information in one central location for all transactions related to the State of New York.

If Vendor is already registered in the Vendor File, the Vendor must enter the ten-digit Vendor ID on the first page of this Solicitation document. Authorized resellers already registered should list the ten-digit Vendor ID along with the authorized reseller information on Attachment 3 – Contractor and Reseller Information.

If the Vendor is not currently registered in the Vendor File, the Vendor must request assignment of a Vendor ID number from OGS. Complete the OSC Substitute W-9 Form http://osc.state.ny.us/vendors/forms/ac3237s_fe.pdf and submit the form to OGS in advance of your Vendor Submission.

Please send this document to the Designated Contacts in the Solicitation. In addition, if an authorized reseller(s) is to be used that does not have a Vendor ID, an OSC Substitute W-9 form http://osc.state.ny.us/vendors/forms/ac3237s_fe.pdf should be completed by each designated authorized Reseller and submitted to OGS. The OGS will initiate the vendor registration process for all Vendors and their authorized resellers. Once the process is initiated, registrants will receive an e-mail identifying their unique ten-digit Vendor ID and instructions on how to enroll in the online Vendor Self-Service application. For more information on the Vendor File please visit the following website: http://www.osc.state.ny.us/vendor_management.

2.10 NEW YORK STATE VENDOR RESPONSIBILITY QUESTIONNAIRE FOR-PROFIT BUSINESS ENTITY

OGS conducts a review of prospective Contractors (“Vendors”) to provide reasonable assurances that the Vendor is responsive and responsible. A For-Profit Business Entity Questionnaire (hereinafter “Questionnaire”) is used for non-construction Contracts and is designed to provide information to assess a Vendor’s responsibility to conduct business in New York based upon financial and organizational capacity, legal authority, business integrity, and past performance history. By submitting a Proposal, Vendor agrees to fully and accurately complete the Questionnaire. The Vendor acknowledges that the State’s execution of the Contract will be contingent upon the State’s determination that the Vendor is responsible, and that the State will be relying upon the Vendor’s responses to the Questionnaire, in addition to all other information the State may obtain from other sources, when making its responsibility determination.

OGS recommends each Vendor file the required Questionnaire online via the New York State VendRep System. To enroll in and use the VendRep System, please refer to the VendRep System Instructions and User Support for Vendors available at the Office of the State Comptroller’s (OSC) website, http://www.osc.state.ny.us/vendrep/vendor_index.htm or to enroll, go directly to the VendRep System online at <https://portal.osc.state.ny.us>.

Vendors must provide their New York State Vendor Identification Number when enrolling. For information on how to request assignment of a Vendor ID, see the NYS Vendor File Registration section. OSC provides direct support for the VendRep System through user assistance, documents, online help, and a help desk. The OSC Help Desk contact information is located at <http://www.osc.state.ny.us/portal/contactbuss.htm>.

Bidders opting to complete and submit the paper Questionnaire can access this form and associated definitions via the OSC website at: http://www.osc.state.ny.us/vendrep/forms_vendor.htm

In order to assist the State in determining the responsibility of the Vendor prior to Contract Award, the Vendor must complete and certify (or recertify) the Questionnaire no more than 6 months prior to the Vendor Submission due date. A Vendor's Questionnaire cannot be viewed by OGS until the Vendor has certified the Questionnaire. It is recommended that all Vendors become familiar with all of the requirements of the Questionnaire in advance of the Proposal opening to provide sufficient time to complete the Questionnaire.

The Vendor agrees that if it is awarded a Contract the following shall apply:

The Contractor shall at all times during the Contract term remain responsible. The Contractor agrees, if requested by the Commissioner or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

The Commissioner of OGS or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given Written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of OGS or her designee issues a written notice authorizing a resumption of performance under the Contract.

The Contractor agrees that if it is found by the State that the Contractor's responses to the Questionnaire were intentionally false or intentionally incomplete, on such finding, the Commissioner may terminate the Contract.

Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate OGS officials or staff, the Contract may be terminated by the Commissioner of OGS or her designee at the Contractor's expense where the Contractor is determined by the Commissioner of OGS or her designee to be non-responsible. In such event, the Commissioner of OGS or her designee may complete the Contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

In no case shall such termination of the Contract by the State be deemed a breach thereof, nor shall the State be liable for any damages for lost profits or otherwise, which may be sustained by the Contractor as a result of such termination.

2.11 TAX LAW §5-A

Section 5-a of the Tax Law requires certain Contractors awarded State Contracts for commodities, services and technology valued at more than \$100,000 to certify to the NYS Department of Taxation and Finance (DTF) that they are registered to collect New York State and local sales and compensating use taxes. The law applies to Contracts where the total amount of such Contractors' sales delivered into New York State are in excess of \$300,000 for the four quarterly periods immediately preceding the quarterly period in which the certification is made, and with respect to any affiliates and Subcontractors whose sales delivered into New York State exceeded \$300,000 for the four quarterly periods immediately preceding the quarterly period in which the certification is made.

A Contractor is required to file the completed and notarized Form ST-220-CA with OGS certifying that the Contractor filed the ST-220-TD with DTF. Note: DTF receives the completed Form ST-220-TD, not OGS. OGS ONLY receives the Form ST-220-CA. Form ST-220-CA must be filed with the Vendor Submission and submitted to the procuring covered Agency certifying that the Contractor filed the ST-220-TD with DTF. Contractor should complete and return the certification forms within 5 business days of request (if the forms are not completed and returned with Vendor Submission). Failure to make either of these filings may render a Contractor non-responsive and non-responsible. Contractor shall take the necessary steps to provide properly certified forms within a timely manner to ensure compliance with the law.

Website links to the Contractor certification forms and instructions are provided below. Form No. ST-220-TD must be filed with and returned directly to DTF and can be found at http://www.tax.ny.gov/pdf/current_forms/st/st220td_fill_in.pdf. Unless the information upon which the ST-220-TD is based changes, this form only needs to be filed once with DTF. If the information changes for the Contractor, its affiliate(s), or its subcontractor(s), a new Form No. ST-220-TD must be filed with DTF.

Form ST-220-CA must be submitted to OGS. This form provides the required certification that the Contractor filed the ST-220-TD with DTF. This form can be found at http://www.tax.ny.gov/pdf/current_forms/st/st220ca_fill_in.pdf.

Vendors may call DTF at (518) 485-2889 for any and all questions relating to Section 5-a of the Tax Law and relating to a company's registration status with the DTF. For additional information and frequently asked questions, please refer to the DTF website: <http://www.tax.ny.gov>.

2.12 TOLL FREE NUMBER

The State encourages Vendors to provide a toll-free telephone number for Authorized User usage. Contractor should staff this toll-free number at a minimum from 9:00 AM to 5:00 PM Monday through Friday Eastern Time, excluding New York State or federal holidays. The toll-free number should be set forth in Attachment 3 – Contractor and Reseller Information. This number is to be provided at no cost to the State.

2.13 DESIGNATED PERSONNEL

The Contractor will provide the following Designated Personnel for the duration of the Contract at no charge to the State. Information regarding the Designated Personnel is set forth in Attachment 3 – Contractor and Reseller Information. During the term of the Contract, Contractor must notify OGS within 5 business days if its Designated Personnel change, and provide interim contact personnel until the position is filled. Contractor may submit a Designated Personnel change electronically via e-mail per the instructions contained in Appendix C – Modification Procedure Form. The Designated Personnel must have the authority to act on behalf of the Contractor:

2.13.1 Account Manager

The Account Manager is responsible for the overall relationship with the State during the course of the Contract and shall act as the central point of contact.

2.13.2 Contract Administrator

The Sales Manager is responsible for the overall relationship with the Authorized Users for matters relating to RFQ's.

2.13.4 Billing Contact

The Billing Contact will become the single point of contact between the Contractor and the Authorized User for matters related to invoicing, billing and payment.

2.13.5 Emergency Contact

The Emergency Contact will be available 24 hours a day, 365 days per year for emergency procurements.

2.14 E-RATE

Authorized users who receive E-rate funding are encouraged to review Universal Service Fund rules and regulations to verify the applicability of this Contract to the E-rate program.

4.7 CONTRACTOR REQUIREMENTS AND PROCEDURES FOR PARTICIPATION BY NEW YORK STATE CERTIFIED MINORITY- AND WOMEN-OWNED BUSINESS ENTERPRISES AND EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITY GROUP MEMBERS AND WOMEN

I. New York State Law

Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations (“NYCRR”), the New York State Office of General Services (“OGS”) is required to promote opportunities for the maximum feasible participation of New York State-certified Minority- and Women-owned Business Enterprises (“MWBES”) and the employment of minority group members and women in the performance of OGS contracts.

II. General Provisions

- A. OGS is required to implement the provisions of New York State Executive Law Article 15-A and 5 NYCRR Parts 140-145 (“MWBE Regulations”) for all State contracts as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.
- B. The Contractor agrees, in addition to any other nondiscrimination provision of the Contract, and at no additional cost to OGS, to fully comply and cooperate with OGS in the implementation of New York State Executive Law Article 15-A and the regulations promulgated thereunder. These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for MWBEs. Contractor’s demonstration of “good faith efforts” pursuant to 5 NYCRR § 142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the “Human Rights Law”) or other applicable federal, State, or local laws.
- C. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, a finding of non-responsibility, breach of contract, withholding of funds, liquidated damages pursuant to clause IX of this section, and/or enforcement proceedings as allowed by the Contract and applicable law.

III. Equal Employment Opportunity (EEO)

- A. The provisions of Article 15-A of the Executive Law and the rules and regulations promulgated thereunder pertaining to equal employment opportunities for minority group members and women shall apply to all Contractors, and any subcontractors, awarded a subcontract over \$25,000 for labor, services, including legal, financial and other professional services, travel, supplies, equipment, materials, or any combination of the foregoing, to be performed for, or rendered or furnished to, the contracting State agency (the “Work”) except where the Work is for the beneficial use of the Contractor.
 - 1. Contractor and subcontractors shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability, or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff or termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) the performance of work or the provision of services or any other activity that is unrelated, separate, or distinct from the Contract; or (ii) employment outside New York State.
 - 2. By entering into this Contract, Contractor certifies that the text set forth in clause 12 of Appendix A, attached hereto and made a part hereof, is Contractor’s equal employment opportunity policy. In addition, Contractor agrees to comply with the Non-Discrimination Requirements set forth in clause 5 of Appendix A.
- B. Form EEO 100 - Staffing Plan. To ensure compliance with this section, the Contractor agrees to submit, or has submitted with the Bid, a staffing plan on Form EEO 100 to OGS to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and federal occupational categories.
- C. Form EEO 101 - Workforce Utilization Reporting Form (Commodities and Services) (“Form EEO-101-Commodities and Services”)
 - 1. The Contractor shall submit, and shall require each of its subcontractors to submit, a Form EEO-101-Commodities and Services to OGS to report the actual workforce utilized in the performance of the Contract by the specified categories listed including ethnic background, gender, and Federal occupational categories.

The Form EEO-101-Commodities and Services must be submitted electronically to OGS at EEO_CentCon@ogs.ny.gov on a quarterly basis during the term of the Contract by the 10th day of April, July, October, and January.

2. Separate forms shall be completed by Contractor and all subcontractors.
3. In limited instances, the Contractor or subcontractor may not be able to separate out the workforce utilized in the performance of the Contract from its total workforce. When a separation can be made, the Contractor or subcontractor shall submit the Form EEO-101-Commodities and Services and indicate that the information provided relates to the actual workforce utilized on the Contract. When the workforce to be utilized on the Contract cannot be separated out from the Contractor's or subcontractor's total workforce, the Contractor or subcontractor shall submit the Form EEO-101-Commodities and Services and indicate that the information provided is the Contractor's or subcontractor's total workforce during the subject time frame, not limited to work specifically performed under the Contract.

D. Contractor shall comply with the provisions of the Human Rights Law and all other State and federal statutory and constitutional non-discrimination provisions. Contractor and subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status, or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Note that with respect to Lot Number 3 Cloud only: OGS has conducted a comprehensive search and has determined that the Contract does not offer sufficient opportunities to set goals for participation by MWBEs as subcontractors, service providers and suppliers to the awarded Contractors. Contractors are, however, encouraged to make every good faith effort to promote and assist the participation of MWBEs for Lot 3, Cloud, who perform commercially useful functions on this Contract for the provision of services and materials.

The total Contract goal can be obtained by utilizing any combination of MBE and/or WBE participation for subcontracting and supplies acquired under the Contract.

- B. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the Contract goals established in clause IV-A hereof, Contractor should reference the directory of New York State Certified MWBEs found at the following internet address:
<https://ny.newnycontracts.com/FrontEnd/VendorSearchPublic.asp?TN=ny&XID=2528>. The MWBE Regulations are located at 5 NYCRR §§ 140 – 145. Questions regarding compliance with MWBE participation goals should be directed to the Designated Contacts within the OGS Office of Minority- and Women-Owned Business Enterprises. Additionally, following Contract execution, Contractor is encouraged to contact the Division of Minority and Women’s Business Development ((518) 292-5250; (212) 803-2414; or (716) 846-8200) to discuss additional methods of maximizing participation by MWBEs on the Contract.
- C. Contractor must document “good faith efforts” to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of the Contract (see clause VII below).

V. MWBE Utilization Plan

- A. In accordance with 5 NYCRR § 142.4, Bidders are required to submit a completed Utilization Plan on Form MWBE 100 with their bid.
- B. The Utilization Plan shall list the MWBEs the Bidder intends to use to perform the Contract, a description of the Contract scope of work the Bidder intends the MWBE to perform to meet the goals on the Contract, and the estimated or, if known, actual dollar amounts to be paid to an MWBE. By signing the Utilization Plan, the Bidder acknowledges that making false representations or including information evidencing a lack of good faith as part of, or in conjunction with, the submission of a Utilization Plan is prohibited by law and may result in penalties including, but not limited to, termination of a contract for cause, loss of eligibility to submit future bids, and/or withholding of payments. Any modifications or changes to the agreed participation by New York State Certified MWBEs after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to OGS.
- C. By entering into the Contract, Bidder/Contractor understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. When an MWBE is serving as a broker on the Contract, only 25 percent of all sums paid to a broker shall be deemed to represent the commercially useful function performed by the MWBE.
- D. OGS will review the submitted MWBE Utilization Plan and advise the Bidder of OGS acceptance or issue a notice of deficiency within 30 days of receipt.
- E. If a notice of deficiency is issued; Bidder agrees that it shall respond to the notice of deficiency, within 7 business days of receipt, by submitting to OGS a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by OGS to be inadequate, OGS shall notify the Bidder and direct the Bidder to submit, within 5 business days of notification by OGS, a request for a partial or total waiver of MWBE participation goals on Form BDC 333. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.
- F. OGS may disqualify a Vendors Submission as being non-responsive under the following circumstances:
- (a) If a Bidder fails to submit an MWBE Utilization Plan;
 - (b) If a Bidder fails to submit a written remedy to a notice of deficiency;

- (c) If a Bidder fails to submit a request for waiver; or
 - (d) If OGS determines that the Bidder has failed to document good faith efforts.
- G. If awarded a Contract, Contractor certifies that it will follow the submitted MWBE Utilization Plan for the performance of MWBEs on the Contract pursuant to the prescribed MWBE goals set forth in clause IV-A of this Section.
- H. Bidder/Contractor further agrees that a failure to submit and/or use such completed MWBE Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, OGS shall be entitled to any remedy provided herein, including but not limited to, a finding of Contractor non-responsiveness.

VI. Request for Waiver

- A. Prior to submission of a request for a partial or total waiver, Bidder/Contractor shall speak to the Designated Contacts of the OGS Office of Minority- and Women-Owned Business Enterprises for guidance.
- B. In accordance with 5 NYCRR § 142.7, a Bidder/Contractor who is able to document good faith efforts to meet the goal requirements, as set forth in clause VII below, may submit a request for a partial or total waiver on Form BDC 333, accompanied by supporting documentation. A Bidder may submit the request for waiver at the same time it submits its MWBE Utilization Plan. If a request for waiver is submitted with the MWBE Utilization Plan and is not accepted by OGS at that time, the provisions of clauses V(C), (D) & (E) will apply. If the documentation included with the Bidder's/Contractor's waiver request is complete, OGS shall evaluate the request and issue a written notice of acceptance or denial within twenty (20) business days of receipt.
- C. Contractor shall attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract award may be made at any time during the term of the Contract to OGS, but must be made no later than prior to the submission of a request for final payment on the Contract.
- D. If OGS, upon review of the MWBE Utilization Plan and Monthly MWBE Contractor Compliance Reports, determines that Contractor is failing or refusing to comply with the contract goals and no waiver has been issued in regards to such non-compliance, OGS may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within 7 business days of receipt. Such response may include a request for partial or total waiver of MWBE contract goals.

VII. Required Good Faith Efforts

In accordance with 5 NYCRR § 142.8, Contractors must document their good faith efforts toward utilizing MWBEs on the Contract. Evidence of required good faith efforts shall include, but not be limited to, the following:

1. A list of the general circulation, trade, and MWBE-oriented publications and dates of publications in which the Contractor solicited the participation of certified MWBEs as subcontractors/suppliers, copies of such solicitations, and any responses thereto.
2. A list of the certified MWBEs appearing in the Empire State Development ("ESD") MWBE directory that were solicited for this Contract. Provide proof of dates or copies of the solicitations and copies of the responses made by the certified MWBEs. Describe specific reasons that responding certified MWBEs were not selected.
3. Descriptions of the Contract documents/plans/specifications made available to certified MWBEs by the Contractor when soliciting their participation and steps taken to structure the scope of work for the purpose of subcontracting with, or obtaining supplies from, certified MWBEs.
4. A description of the negotiations between the Contractor and certified MWBEs for the purposes of complying with the MWBE goals of this Contract.
5. Dates of any pre-bid, pre-award, or other meetings attended by Contractor, if any, scheduled by OGS with certified MWBEs whom OGS determined were capable of fulfilling the MWBE goals set in the Contract.
6. Other information deemed relevant to the request.

VIII. Monthly MWBE Contractor Compliance Report

- A. In accordance with 5 NYCRR § 142.10, Contractor is required to report Monthly MWBE Contractor Compliance to OGS during the term of the Contract for the preceding month's activity, documenting progress made towards

achievement of the Contract MWBE goals. OGS requests that all Contractors use the New York State Contract System (“NYSCS”) to report subcontractor and supplier payments made by Contractor to MWBEs performing work under the Contract. The NYSCS may be accessed at <https://ny.newnycontracts.com/>. This is a New York State-based system that all State agencies and authorities will be implementing to ensure uniform contract compliance reporting throughout New York State.

- B. When a Contractor receives a payment from a State agency, it is the Contractor’s responsibility to pay its subcontractors and suppliers in a timely manner. On or after the first day of each month, the Contractor will receive an email or fax notification (“audit notice”) indicating that a representative of its company needs to log-in to the NYSCS to report the company’s MWBE subcontractor and supplier payments for the preceding month. The Contractor must also report when no payments have been made to a subcontractor or supplier in a particular month with entry of a zero dollar value in the NYSCS. Once subcontractor and supplier payments have been entered into the NYSCS, the subcontractor(s) and supplier(s) will receive an email or fax notification advising them to log into the NYSCS to confirm that they actually received the reported payments from the Contractor. It is the Contractor’s responsibility to educate its MWBE subcontractors and suppliers about the NYSCS and the need to confirm payments made to them in the NYSCS.
- C. To assist in the use of the NYSCS, OGS recommends that all Contractors and MWBE subcontractors and suppliers sign up for the following two webinar trainings offered through the NYSCS: “**Introduction to the System – Vendor training**” and “**Contract Compliance Reporting - Vendor Training**” to become familiar with the NYSCS. To view the training schedule and to register visit: <https://ny.newnycontracts.com/events.asp>
- D. As soon as possible after the Contract is approved, Contractor should visit <https://ny.newnycontracts.com> and click on “**Account Lookup**” to identify the Contractor’s account by company name. Contact information should be reviewed and updated if necessary by choosing “**Change Info.**” It is important that the staff member who is responsible for reporting payment information for the Contractor be listed as a user in the NYSCS. Users who are not already listed may be added through “**Request New User.**” When identifying the person responsible, please add “- **MWBE Contact**” after his or her last name (i.e., John Doe – MWBE Contact) to ensure that the correct person receives audit notices from the NYSCS. NYSCS Technical Support should be contacted for any technical support questions by clicking on the links for “**Contact Us & Support**” then “**Technical Support**” on the NYSCS website.
- E. If Contractor is unable to report MWBE Contractor Compliance via the NYSCS, Contractor must submit a Monthly MWBE Contractor Compliance Report on Form MWBE 102 to OGS, by the 10th day of each month during the term of the Contract, for the preceding month’s activity to: OGS MWBE Office, 29th Floor Corning Tower, Empire State Plaza, Albany, NY 12242. Phone: 518-486-9284; Fax: 518-486-9285.
- F. It is the Contractor’s responsibility to report subcontractor and supplier payments. Failure to respond to payment audits in a timely fashion through the NYSCS, or by paper to OGS, may jeopardize future payments pursuant to the MWBE liquidated damages provisions in clause IX below.

IX. Breach of Contract and Liquidated Damages

- A. Where OGS determines that the Contractor is not in compliance with the requirements of this Contract, and the Contractor refuses to comply with such requirements, or if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, the Contractor shall be obligated to pay liquidated damages to OGS.
- B. Such liquidated damages shall be calculated as an amount equaling the difference between:
 - 1. All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and
 - 2. All sums actually paid to MWBEs for work performed or materials supplied under the Contract.
- C. If OGS determines that Contractor is liable for liquidated damages and such identified sums have not been withheld by OGS, Contractor shall pay such liquidated damages to OGS within sixty (60) days after they are assessed. Provided, however, that if the Contractor has filed a complaint with the Director of the Division of Minority and Women’s Business Development pursuant to 5 NYCRR § 142.12, liquidated damages shall be payable only in the event of a determination adverse to the Contractor following the complaint process.

X. Fraud

Any suspicion of fraud, waste, or abuse involving the contracting or certification of MWBEs shall be immediately reported to ESD's Division of Minority and Women's Business Development at (855) 373-4692.

ALL FORMS ARE AVAILABLE AT: <https://www.ogs.ny.gov/MWBE/Forms.asp>

4.8 VENDOR SUBMISSION VALIDITY

A Vendor Submission shall be an effective offer, firm and irrevocable, for 180 days from the Submission opening date. A Vendor Submission shall continue to remain an effective offer, firm and irrevocable, subsequent to such 180 day period until withdrawal of the Vendor Submission in writing by the Vendor.

4.9 LIVING WAGE

An Authorized User subject to a local law establishing a "living wage", such as Section 6-109 of the New York City Administrative Code, is required to ensure that the Contractor sought to be hired complies with such local law. If the pay rate for a job title as set forth in Attachment 1 - Price Pages, is less than the local law "living wage" then Authorized User subject to such local law cannot use this Contract for such job title. Local laws, however, are not a term and condition of the OGS Contract.

4.10 PREVAILING WAGE RATES - PUBLIC WORKS AND BUILDING SERVICES CONTRACTS

Work being done under a resulting Authorized User Agreement may be subject to the prevailing wage rate provisions of the New York State Labor Law. Such work will be identified by the Authorized User within the RFQ. See "Prevailing Wage Rates – Public Works and Building Services Contracts" in Appendix B, Clause 10, OGS General Specifications.
