

Disclaimer: The following summary information related to the Program Agreements under Contract PS67650 is provided for informational purposes. This summary information is believed to be substantially accurate, but is not guaranteed.

Please note: The resulting Contractor must furnish all quantities or dollar values actually ordered regardless of historical sales volumes. The actual value of the Contract resulting from this RFP is indeterminate and will depend upon the pricing of the award and the actual demand of Authorized Users. See "Estimated/Specific Quantity Contracts" and "Participation in Centralized Contracts" in Appendix B, General Specifications.
