results of the Online Bidding Event and the estimated value of the items awarded to each respective Awarded Supplier. Upon notification of award from the Buyer, the Awarded Supplier(s) is required to provide ACH or credit card information (“Preferred Transaction Fee Payment Method”). For Term Purchase contracts, the Transaction Fee is due within fifteen (15) days of the end of each month. In the event the resultant contract(s) are extended, the Transaction Fee shall reset for each extension and shall be calculated in accordance with Paragraph A of this Section, including any pro-rated total Transaction Fee collections based on the estimated value of the items being extended to each respective Awarded Supplier.

Supplier shall ensure this Transaction Fee is included in every price bid they submit before or during an Online Bidding Event. You further acknowledge any payment made under the resulting contract in which you were the winning bidder, whether or not such payment is made directly to you or a third party, will cause you to be immediately liable to EASi for the Transaction Fee. Because the Transaction Fee is INCLUDED in your pricing, a Transaction Fee shall not be delineated in your invoicing to the Buyer.

Please Review the following rules for participating in an Online Electronic Bid Event:

- I acknowledge that I will receive training and I am capable of bidding in the online event. If someone else is designated by me to bid in this event, I take responsibility for that bidder’s capabilities, will notify EASi, and I acknowledge that this Agreement will apply to the designated bidder.
- I understand that if I encounter any [difficulties in placing a bid](#) that I am to contact EASi via phone immediately and that, if necessary, EASi will assist me in placing a bid.
- I understand that [adequate time must be provided to EASi to assist me](#) and agree that EASi is not liable if I am unable to place a bid for any reason before the online bid closes.
- I understand that the Buyer reserves the right to [modify the bid configuration](#) during the live event, including, but not limited to the extension period, minimum bid decrement amounts, etc.
- I understand that the [official bid clock](#) is maintained by EASi’s server and due to Internet connection speeds the bid clock on my computer may vary. For this reason, it is important that I submit my bid with ample time remaining in the bid event to prevent late bids from being rejected due to the lag in connection speeds and clock times.
- I understand that in some cases, an electronic bid [might be re-opened](#) if technical issues prevented a bidder or bidders from placing bids.
- I understand that EASi is under [no obligation to re-open](#) a bid for a bidder to place a bid for any reason, particularly if a bidder does not contact EASi immediately after attempting to place a rejected bid.
- I understand that the Buyer has the [right to reject any and all bids](#) and that possessing the low bid does not necessarily guarantee that the low bidder will be awarded.
- I understand that EASi recommends I make the following [precautions](#) to avoid any technical issues during the Electronic Bid Event:
 - I should arrange for another computer to act as a [backup](#) in case something happens to my computer during the auction. I should log into <http://ra.eauctionservices.com> prior to the live auction and place test bids in the training auction using this backup computer to make sure it will function properly in case it needs to be used as a back up during the bid event.
 - I should make sure no [other programs](#) are running during the auction to prevent my computer from running slowly and not getting my bid submitted in time.
- I understand that [important changes](#) to the configuration of the Electronic Bid Event or terms of the bid may be made after this communication is sent and that I must review all Bid Manager messages, emails, calls, and bid notices on site broadcast messages sent from EASi and the Buyer carefully and diligently.
