All Contractors

PS903AA

Slade Industries Inc. D/B/A Slade Elevator

To All State Agencies and others authorized to use State Contracts:

This Contract Award Notification Update is being sent to notify of the updated licensing requirements for businesses and occupations that engage in design, construction, installation, inspection, testing, maintenance, alteration, service, and repair of elevators and other conveyances which came into effect January 1, 2022 (<https://dol.ny.gov/elevator-licensing-information>).

Contractors and their mechanics are required to hold all required licensing to provide the services under this Contract. As per Contract Section 2.18, *Staffing* "Contractor shall provide proof of any required licensing to Authorized Users with their Mini-Bid responses and upon request by the Authorized User any time during the term of the awarded Mini-Bid." The Authorized User may ask the Contractor to provide this proof directly and/or may check the New York State Department of Labor website for it.

Confirmation that a company has a Business License to Design, Construct, Maintain and Repair Elevators and Conveyances or to Inspect Elevators or Conveyances can be found through the Department of Labor via <https://data.ny.gov/Government-Finance/Business-License-to-Design-Construct-Maintain-and-/yh9c-99ih>.

Confirmation that an Individual has a License to Construct, Inspect, Maintain and Repair Elevators and Conveyances can be found through the Department of Labor via <https://data.ny.gov/Government-Finance/Individuals-License-to-Construct-Inspect-Maintain-/8542-7e9y>.

Please be aware that Contractors are not required to have an Elevator Inspection Contractor License to perform their duties under this Contract as such licensing relates to inspections performed as a QEI.

As a result of the above licensing legislation, Slade Industries Inc. D/B/A Slade Elevator's Contract has been suspended until such a time as proof of compliance has been received by OGS.

All other terms and conditions for this Award remain the same.
