To All State Agencies and others authorized to use State Contracts:

Please be advised that Enterprise and Hertz are currently in the process of updating their online reservation systems to reflect the surcharge pricing established under the new Passenger Vehicle and Box Truck Rentals (Statewide) contracts.

The base rental rates currently displayed in the contractors' reservation systems are correct. However, certain surcharges continue to reflect pricing from the expired contracts. The contractors anticipate that it may take several weeks for the updated surcharge pricing to be fully implemented in their systems.

Authorized Users should refer to the **Price List and Service Summary** available on the current Award page, as well as the **How to Use Guidelines**, to verify the applicable contract rates and surcharges.
