WEBCASTING

Indicate Webcasting Capabilities (GoTo, Skype, Etc.)	Webex, Skype, GoToMeeting
Indicate Special Considerations (if any) for Use of Technology by Authorized Users	PSI plans to extend the use of our suite of Webcasting tools to support the needs of the AUs in interviewing PSI candidates during the requisition process. Upon confirming the interview date and time with the candidate and requesting agency, PSI will initiate the webcast by scheduling the appointment within WebEx and distributing the meeting access details in advance to the relevant AU participants.
