4.17 Contractor Requirements and Procedures For Business Participation Opportunities For NYS Certified Minority- and Women-Owned Business Enterprises and Equal Employment Opportunities for Minority Group Members and Women

I. New York State Law

Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations (“NYCRR”), the New York State Office of General Services (“OGS”) is required to promote opportunities for the maximum feasible participation of New York State-certified Minority- and Women-owned Business Enterprises (“MWBES”) and the employment of minority group members and women in the performance of OGS contracts.

II. General Provisions

- A. OGS is required to implement the provisions of New York State Executive Law Article 15-A and 5 NYCRR Parts 140-145 (“MWBE Regulations”) for all State contracts as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.
- B. The Contractor agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to OGS, to fully comply and cooperate with OGS in the implementation of New York State Executive Law Article 15-A and the regulations promulgated thereunder. These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for MWBEs. Contractor’s demonstration of “good faith efforts” pursuant to 5 NYCRR §142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the “Human Rights Law”) or other applicable federal, State or local laws.
- C. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, a finding of non-responsibility, breach of contract, withholding of funds, liquidated damages pursuant to clause IX of this section, and/or enforcement proceedings as allowed by the Contract and applicable law.

III. Equal Employment Opportunity (EEO)

- A. The provisions of Article 15-A of the Executive Law and the rules and regulations promulgated thereunder pertaining to equal employment opportunities for minority group members and women shall apply to all Contractors, and any subcontractors, awarded a subcontract over \$25,000, for labor, services, including legal, financial and other professional services, travel, supplies, equipment, materials, or any combination of the foregoing, to be performed for, or rendered or furnished to, the contracting State agency (the “Work”) except where the Work is for the beneficial use of the Contractor.
1. Contractor and subcontractors shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation. This requirement does not apply to: (i) the performance of work or the provision of services or any other activity that is unrelated, separate or distinct from the Contract; or (ii) employment outside New York State.
 2. By entering into this Contract, Contractor certifies that the text set forth in clause 12 of Appendix A, attached hereto and made a part hereof, is Contractor’s equal employment opportunity policy. In addition, Contractor agrees to comply with the Non-Discrimination Requirements set forth in clause 5 of Appendix A.
- B. Form EEO 100 - Staffing Plan.
To ensure compliance with this section, the Contractor agrees to submit or has submitted with the Bid a staffing plan on Form EEO 100 to OGS to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and federal occupational categories.
- C. Form EEO 101 - Workforce Utilization Reporting Form (Commodities and Services) (“Form EEO-101-Commodities and Services”)
1. The Contractor shall submit, and shall require each of its subcontractors to submit, a Form EEO-101-Commodities and Services to OGS to report the actual workforce utilized in the performance of the Contract by the specified categories listed including ethnic background, gender, and Federal occupational categories. The Form EEO-101-Commodities and Services must be submitted electronically to OGS at EEO_CentCon@ogs.ny.gov on a quarterly basis during the term of the Contract by the 10th day of April, July, October, and January.
 2. Separate forms shall be completed by Contractor and any subcontractor.
 3. In limited instances, the Contractor or subcontractor may not be able to separate out the workforce utilized in the performance of the Contract from its total workforce. When a separation can be made, the Contractor or subcontractor shall submit the Form EEO-101-Commodities and Services and indicate that the information provided relates to the actual workforce utilized on the Contract. When the workforce to be utilized on the Contract cannot be separated out from the Contractor's or subcontractor's total workforce, the Contractor or subcontractor shall submit the Form EEO-101-Commodities and Services and indicate that the information provided is the Contractor's or subcontractor's total workforce during the subject time frame, not limited to work specifically performed under the Contract.
- D. Contractor shall comply with the provisions of the Human Rights Law, all other State and federal statutory and constitutional non-discrimination provisions. Contractor and subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

IV. Contract Goals

- A. OGS hereby establishes an overall goal of 30% for MWBE participation, 15% for Minority-Owned Business Enterprises (“MBE”) participation and 15% for Women-Owned Business Enterprises (“WBE”) participation (based

on the current availability of qualified MBEs and WBEs). The total Contract goal can be obtained by utilizing any combination of MBE and /or WBE participation for subcontracting and supplies acquired under the Contract.

- B. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the Contract goals established in clause IV-A hereof, Contractor should reference the directory of New York State Certified MWBEs found at the following internet address:
<https://ny.newnycontracts.com/FrontEnd/VendorSearchPublic.asp?TN=ny&XID=2528>. The MWBE Regulations are located at 5 NYCRR § 140 – 145. Questions regarding compliance with MWBE participation goals should be directed to the Designated Contacts within the OGS Office of Minority- and Women Owned Businesses Enterprises. Additionally, following Contract execution, Contractor is encouraged to contact the Division of Minority and Women’s Business Development ((518) 292-5250; (212) 803-2414; or (716) 846-8200) to discuss additional methods of maximizing participation by MWBEs on the Contract.
- C. Contractor must document “good faith efforts” to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of the Contract (see clause VII below).
- V. MWBE Utilization Plan
- A. In accordance with 5 NYCRR § 142.4, Bidders are required to submit a completed Utilization Plan on Form MWBE 100 with their bid.
- B. The Utilization Plan shall list the MWBEs the Bidder intends to use to perform the Contract, a description of the Contract scope of work the Bidder intends the MWBE to perform to meet the goals on the Contract, the estimated or, if known, actual dollar amounts to be paid to an MWBE. By signing the Utilization Plan, the Bidder acknowledges that making false representations or including information evidencing a lack of good faith as part of, or in conjunction with, the submission of a Utilization Plan is prohibited by law and may result in penalties including, but not limited to, termination of a contract for cause, loss of eligibility to submit future bids, and/or withholding of payments. Any modifications or changes to the agreed participation by New York State Certified MWBEs after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to OGS.
- C. By entering into the Contract, Bidder/Contractor understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. When an MWBE is serving as a broker on the Contract, only 25 percent of all sums paid to a broker shall be deemed to represent the commercially useful function performed by the MWBE
- D. OGS will review the submitted MWBE Utilization Plan and advise the Bidder of OGS acceptance or issue a notice of deficiency within 30 days of receipt.
- E. If a notice of deficiency is issued; Bidder agrees that it shall respond to the notice of deficiency, within seven (7) business days of receipt, by submitting to OGS a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by OGS to be inadequate, OGS shall notify the Bidder and direct the Bidder to submit, within five (5) business days of notification by OGS, a request for a partial or total waiver of MWBE participation goals on Form BDC 333. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.
- F. OGS may disqualify a Bidder’s bid/proposal as being non-responsive under the following circumstances:
- (a) If a Bidder fails to submit an MWBE Utilization Plan;
 - (b) If a Bidder fails to submit a written remedy to a notice of deficiency;
 - (c) If a Bidder fails to submit a request for waiver; or
 - (d) If OGS determines that the Bidder has failed to document good faith efforts.
- G. If awarded a Contract, Contractor certifies that it will follow the submitted MWBE Utilization Plan for the performance of MWBEs on the Contract pursuant to the prescribed MWBE goals set forth in clause IV-A of this Section.

H. Bidder/Contractor further agrees that a failure to submit and/or use such completed MWBE Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, OGS shall be entitled to any remedy provided herein, including but not limited to, a finding of Contractor non-responsiveness.

VI. Request for Waiver

- A. Prior to submission of a request for a partial or total waiver, Bidder/Contractor shall speak to the Designated Contacts of the OGS Office of Minority- and Women-Owned Business Enterprises for guidance.
- B. In accordance with 5 NYCRR § 142.7, a Bidder/Contractor who is able to document good faith efforts to meet the goal requirements, as set forth in clause VII below, may submit a request for a partial or total waiver on Form BDC 333, accompanied by supporting documentation. A Bidder may submit the request for waiver at the same time it submits its MWBE Utilization Plan. If a request for waiver is submitted with the MWBE Utilization Plan and is not accepted by OGS at that time, the provisions of clauses V(C), (D) & (E) will apply. If the documentation included with the Bidder's/Contractor's waiver request is complete, OGS shall evaluate the request and issue a written notice of acceptance or denial within twenty (20) business days of receipt.
- C. Contractor shall attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract award may be made at any time during the term of the Contract to OGS, but must be made no later than prior to the submission of a request for final payment on the Contract.
- D. If OGS, upon review of the MWBE Utilization Plan and Monthly MWBE Contractor Compliance Reports determines that Contractor is failing or refusing to comply with the contract goals and no waiver has been issued in regards to such non-compliance, OGS may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE contract goals.

VII. Required Good Faith Efforts

In accordance with 5 NYCRR § 142.8, Contractors must document their good faith efforts toward utilizing MWBEs on the Contract. Evidence of required good faith efforts shall include, but not be limited to, the following:

1. A list of the general circulation, trade and MWBE-oriented publications and dates of publications in which the Contractor solicited the participation of certified MWBEs as subcontractors/suppliers, copies of such solicitations and any responses thereto.
2. A list of the certified MWBEs appearing in the Empire State Development ("ESD") MWBE directory that were solicited for this Contract. Provide proof of dates or copies of the solicitations and copies of the responses made by the certified MWBEs. Describe specific reasons that responding certified MWBEs were not selected.
3. Descriptions of the Contract documents/plans/specifications made available to certified MWBEs by the Contractor when soliciting their participation and steps taken to structure the scope of work for the purpose of subcontracting with, or obtaining supplies from, certified MWBEs.
4. A description of the negotiations between the Contractor and certified MWBEs for the purposes of complying with the MWBE goals of this Contract.
5. Dates of any pre-bid, pre-award or other meetings attended by Contractor, if any, scheduled by OGS with certified MWBEs whom OGS determined were capable of fulfilling the MWBE goals set in the Contract.
6. Other information deemed relevant to the request.

VIII. Monthly MWBE Contractor Compliance Report

- A. In accordance with 5 NYCRR § 142.10, Contractor is required to report Monthly MWBE Contractor Compliance to OGS during the term of the Contract for the preceding month's activity, documenting progress made towards achievement of the Contract MWBE goals. OGS requests that all Contractors use the New York State Contract System ("NYSCS") to report subcontractor and supplier payments made by Contractor to MWBEs performing work under the Contract. The NYSCS may be accessed at <https://ny.newnycontracts.com/>. This is a New York State-based system that all State agencies and authorities will be implementing to ensure uniform contract compliance reporting throughout New York State.
- B. When a Contractor receives a payment from a State agency, it is the Contractor's responsibility to pay its subcontractors and suppliers in a timely manner. On or after the first day of each month, the Contractor will receive an email or fax notification ("audit notice") indicating that a representative of its company needs to log-in to the NYSCS to report the company's MWBE subcontractor and supplier payments for the preceding month. The Contractor must also report when no payments have been made to a subcontractor or supplier in a particular month with entry of a zero dollar value in the NYSCS. Once subcontractor and supplier payments have been entered into the NYSCS, the subcontractor(s) and supplier(s) will receive an email or fax notification advising them to log into the NYSCS to confirm that they actually received the reported payments from the Contractor. It is the Contractor's responsibility to educate its MWBE subcontractors and suppliers about the NYSCS and the need to confirm payments made to them in the NYSCS.
- C. To assist in the use of the NYSCS, OGS recommends that all Contractors and MWBE subcontractors and suppliers sign up for the following two webinar trainings offered through the NYSCS: "**Introduction to the System - Vendor training**" and "**Contract Compliance Reporting - Vendor Training**" to become familiar with the NYSCS. To view the training schedule and to register visit: <https://ny.newnycontracts.com/events.asp>
- D. As soon as possible after the Contract is approved, Contractor should visit <https://ny.newnycontracts.com> and click on "**Account Lookup**" to identify the Contractor's account by company name. Contact information should be reviewed and updated if necessary by choosing "**Change Info.**" It is important that the staff member who is responsible for reporting payment information for the Contractor be listed as a user in the NYSCS. Users who are not already listed may be added through "**Request New User.**" When identifying the person responsible, please add "**- MWBE Contact**" after his or her last name (i.e., John Doe – MWBE Contact) to ensure that the correct person receives audit notices from the NYSCS. NYSCS Technical Support should be contacted for any technical support questions by clicking on the links for "Contact Us & Support" then "Technical Support" on the NYSCS website.
- E. If Contractor is unable to report MWBE Contractor Compliance via the NYSCS, Contractor must submit a Monthly MWBE Contractor Compliance Report on Form MWBE 102 to OGS, by the 10th day of each month during the term of the Contract, for the preceding month's activity to: OGS MWBE Office, 29th floor Corning Tower, Empire State Plaza, Albany, NY 12242. Phone: 518-486-9284; Fax: 518-486-9285.
- F. It is the Contractor's responsibility to report subcontractor and supplier payments. Failure to respond to payment audits in a timely fashion through the NYSCS, or by paper to OGS, may jeopardize future payments pursuant to the MWBE liquidated damages clause in clause IX below.

IX. Breach of Contract and Liquidated Damages

- A. Where OGS determines that the Contractor is not in compliance with the requirements of this Contract, and the Contractor refuses to comply with such requirements, or if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, the Contractor shall be obligated to pay liquidated damages to OGS.
- B. Such liquidated damages shall be calculated as an amount equaling the difference between:
1. All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and
 2. All sums actually paid to MWBEs for work performed or materials supplied under the Contract.

C. If OGS determines that Contractor is liable for liquidated damages and such identified sums have not been withheld by OGS, Contractor shall pay such liquidated damages to OGS within sixty (60) days after they are assessed. Provided, however, that if the Contractor has filed a complaint with the Director of the Division of Minority and Women’s Business Development pursuant to 5 NYCRR § 142.12, liquidated damages shall be payable only in the event of a determination adverse to the Contractor following the complaint process.

X. Fraud

Any suspicion of fraud, waste, or abuse involving the contracting or certification of MWBEs shall be immediately reported to ESD’s Division of Minority and Women’s Business Development at (855) 373-4692.

ALL FORMS ARE AVAILABLE AT: <https://www.ogs.ny.gov/MWBE/Forms.asp>

18. Section 4.19 New York Statewide Financial System is deleted in its entirety and is replaced with the following language:

4.19 New York State Statewide Financial System

New York State is currently operating on an Enterprise Resource Planning (ERP) system, Oracle PeopleSoft software, referred to as the Statewide Financial System (SFS). SFS is currently on PeopleSoft Financials version 9.2. SFS supports requisition-to-payment processing and financial management functions.

The State is also implementing an eProcurement application that supports the requisitioning process for State Agencies to procure Products in SFS. This application provides catalog capabilities. Vendors with Centralized Contracts have the ability to provide a “hosted” or “punch-out” catalog that integrates with SFS and is available to Authorized Users via a centralized eMarketplace website. There are no fees required for a Contractor’s participation in the catalog site development or management. Upon completion and activation of an on-line catalog, State Agencies will process their orders through the SFS functionality and other Authorized Users can access the catalog site to fulfill orders directly.

The State is also implementing the PeopleSoft Inventory module in the near future to track inventory items within the item master table. Further information regarding business processes, interfaces, and file layouts may be found at: www.sfs.ny.gov and <http://www.osc.state.ny.us/agencies/guide/MyWebHelp/>.

19. Section 4.20 Electronic Workflow System is deleted in its entirety.

20. The following sections of Section 4 OGS Centralized Contract: Terms and Conditions have been renumbered as depicted in the following chart:

Current	Amended	Section Title
4.21	4.20	Non-State Agencies Participation in Centralized Contracts
4.22	4.21	Accessibility of Web-Based Information and Applications
4.23	4.22	Price Adjustments for OGS Centralized Contracts
4.24	4.23	Performance/Bid Bond and Letter Of Credit

21. Section 4.22 Price Adjustments for OGS Centralized Contracts is deleted in its entirety and replaced with the following:

Section 4.22 Price Adjustments for OGS Centralized Contracts

Pricing offered with the Vendor Submission shall be fixed for the first twelve (12) months of the Contract term. Commencing with the first anniversary date of the Contract Execution Date, and annually thereafter, the Contractor may update the pricelist to reflect Contractor price changes. Such price increases will only apply to the OGS Centralized Contracts and shall not be applied retroactively to Authorized User Agreements or any Mini-bids already submitted to an Authorized User.

Requests for price adjustments shall be submitted 30 days prior to the anniversary date of the Contract Execution Date and annually thereafter. Should the Contractor fail to make a request and submit supporting documentation to OGS Procurement Services within 90 days after the applicable anniversary date of the Contract Execution Date, the Contractor shall be deemed to have waived its right to any increase in price for that year. Requests from Contractor(s) for price increases at any other time will not be granted. The Contractor shall provide OGS with one electronic copy of the updated pricing. No Price updates will be granted to any Contractor who has outstanding Sales Reports, Proof of Insurance or any other documentation that is required under the Contract.

4.22.1 Price Decreases

Contractor shall be permitted to reduce their pricing any time during the contract term. Additionally, some price decreases shall be calculated in accordance with Appendix B, section 17, Pricing.

4.22.2 Price Increases

This section applies to pricing not Benchmarked to GSA Supply Schedule. Additionally, where pricing submitted for Services is not benchmarked to an approved GSA Supply Schedule:

a. Price Increase Requests: Commencing with the first anniversary date of the Contract Execution Date, and annually thereafter, the Contractor may request an increase in the pricing contained in Appendix D, Pricing Schedule by submitting an update request based on changes in pricing level as contained in Appendix C, Contract Modification Procedure to the OGS Contract Administrator.

(i) CPI Price Increase:

The Contractor may request a rate increase based upon fluctuations in the latest available National Consumer Price Index - All Urban Consumers (CPI-U), Not Seasonally Adjusted, U.S. City Average, All Items (Series Id: CUUR0000SA0, CUUS0000SA0); as published by the U.S. Department of Labor, Bureau of Labor Statistics, Washington, D.C. 20212. CPI-U data may be obtained at www.bls.gov.

The Contractor is solely responsible for notifying OGS Procurement Services that the Contractor wishes to receive the CPI rate change to submit a request for the adjusted rate on the applicable Contract Execution anniversary Date; and Contractor shall provide a copy of the index, a completed Appendix C - Contract Modification Procedure and other supporting documentation necessary to support the increase to OGS Procurement Services.

Price adjustments using the CPI involve changing the base payment by the percent change in the level of the CPI for the current year compared to the previous year. This is calculated by first determining the index point change between the two periods and then the percent change. The price adjustment shall be calculated as follows: Take the CPI value for the current period and subtract the CPI value for the previous period. The difference is then divided by the previous period CPI value and this result is then multiplied by 100 to equal the percent change which is the price adjustment value. This percentage change shall be applied to the next Contract year, upon notification from OGS Procurement Services.

The following example illustrates the computation of percent change:

CPI for current period	185.2
Less CPI for previous period	181.7
Equals index point change	3.5
Divided by previous period CPI	181.7
Equals	0.0192
Result multiplied by 100	<u>0.019 x 100</u>
Equals percent change	1.9

The “CPI for current period” shall be the index in effect at the time the Contract pricelist update request is received; “CPI for previous period” shall be the index in effect when the Contract pricelist was last updated. Increases are not cumulative. Price increases are limited to the prior year prices only.

With any price increase request, in addition to the requirements contained in Appendix C, the Contractor must certify in writing that the price change for the Product(s) is the same as or better than the pricing in its U.S. Commercial Price List, and that Contractor documents the request to the satisfaction of the State. Should the Contractor not have a U.S. Commercial Price List, it must include a copy of the government contract containing the job titles and rates that are to be adjusted. In no case may the pricing adjustment conflict with the Escalation Cap in section 4.23.2.b.

b. Escalation Cap: In a single year of the Contract, the maximum price increase for each individual item on contract shall not exceed the lesser of two (2%) percent of the Contractor’s current NYS pricing as found in the OGS Centralized Contract or the percent increase in the latest available National Consumer Price Index - All Urban Consumers (CPI-U), Not Seasonally Adjusted, U.S. City Average, All Items (Series Id: CUUR0000SA0, CUUS0000SA0); as published by the U.S. Department of Labor, Bureau of Labor Statistics, Washington, D.C. 20212. CPI-U data may be obtained at www.bls.gov.

c. Effective Date of Increase: Price increases shall be effective upon final approval by the State, and may not be posted on the pricelist prior to receipt of final approval.

4.22.3 GSA Benchmarked Pricing

Additionally, where the NYS Net Price is based upon an approved GSA Supply Schedule:

a. Associated Discounts: The State is entitled to all associated discounts enumerated in the GSA Supply Schedule (including, but not limited to, discounts for additional sites and volume discounts), as well as any other pricing or discount terms as are expressly enumerated in this NYS Contract or GSA schedule, when calculating the NYS Net Price.

b. Industrial Funding Fee: GSA pricing incorporates a sum referred to as the “GSA Industrial Funding Fee” (IFF). The NYS Net Price may be calculated by reducing the published GSA price, after the discounts, if any, set forth in paragraph (1) above, downward by the amount of the Industrial Funding Fee, currently set at 0.75%. Therefore, as an example, the NYS Net Price shall be calculated by multiplying 0.9925 times the GSA price.

c. Pricing Increase Requests: Commencing with the first anniversary date of the Contract Execution Date, and annually thereafter, the Contractor may request an increase in the pricing contained in the Centralized Contract by submitting an update request based on change in pricing level as contained in Appendix C, Contract Modification Procedure to the OGS Contract Administrator. With any price increase request, in addition to the requirements contained in Appendix C, the Contractor must certify in writing that the price change for the Services is the same as its pricing in its GSA Supply Schedule, and that Contractor documents the request to the satisfaction of the State.

d. Effective Date of Increase: Price increases shall be effective upon final approval by the State, and may not be posted by Contractor prior to receipt of final approval.

22. The following section of Section 4 OGS Centralized Contract: Terms and Conditions has been renumbered as depicted in the following chart:

Current	Amended	Section Title
4.24	4.23	Performance/Bid Bond and Letter Of Credit

23. Section 4.24 Use of Service-Disabled Veteran-Owned Business Enterprises in Contract Performance is inserted as follows:

4.24 Use of Service-Disabled Veteran-Owned Business Enterprises in Contract Performance

Article 17-B of the Executive Law enacted in 2014 acknowledges that Service-Disabled Veteran-Owned Businesses (SDVOBs) strongly contribute to the economies of the State and the nation. As defenders of our nation and in recognition of their economic activity in doing business in New York State, Contractors on this Contract for commodities, services or technology are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such partnering may be as subcontractors, suppliers, protégés or other supporting roles. SDVOBs can be readily identified on the directory of certified businesses at http://ogs.ny.gov/Core/docs/CertifiedNYS_SDVOB.pdf.

Contractors need to be aware that all Authorized Users of this Contract will be strongly encouraged to the maximum extent practical and consistent with legal requirements of the State Finance Law and the Executive Law to use responsible and responsive SDVOBs in purchasing and utilizing commodities, services and technology that are of equal quality and functionality to those that may be obtained from non-SDVOBs. Furthermore, Contractors are reminded that they must continue to utilize small, minority and women-owned businesses consistent with current State law.

Utilizing SDVOBs in State contracts will help create more private sector jobs, rebuild New York State’s infrastructure, and maximize economic activity to the mutual benefit of the contractor and its SDVOB partners. SDVOBs will promote the contractor’s optimal performance under the contract, thereby fully benefiting the public sector programs that are supported by associated public procurements.

Public procurements can drive and improve the State’s economic engine through promotion of the use of SDVOBs by its contractors. The State, therefore, expects Contractors to provide maximum assistance to SDVOBs in their contract performance. The potential participation by all kinds of SDVOBs will deliver great value to the State and its taxpayers.

24. Section 4.25 *Environmental Attributes and NYS Executive Order Number 4* is inserted as follows:

4.25 Environmental Attributes and NYS Executive Order Number 4

New York State is committed to environmental sustainability and endeavors to procure Products with reduced environmental impact. One example of this commitment may be found in Executive Order No. 4 (Establishing a State Green Procurement and Agency Sustainability Program), which imposes certain requirements on State Agencies, authorities, and public benefit corporations when procuring Products. More information on Executive Order No. 4, including specifications for offerings covered by this Contract, may be found at <https://www.ogs.ny.gov/greenny/>. State entities subject to Executive Order No. 4 are advised to become familiar with the specifications that have been developed in accordance with the Order, and to incorporate them, as applicable, when making purchases under this Contract.

25. The following sections of Section 4 *OGS Centralized Contract: Terms and Conditions* have been renumbered as depicted in the following chart:

Current	Amended	Section Title
4.25	4.26	Severability
4.26	4.27	Entire Agreement

26. Section 6.5.1(a) *Issue Escalation Plan* is inserted as follows:

As part of the Mini-Bid, the Authorized User may require the Contractor to develop and submit an issue escalation plan. The escalation plan should describe how the Contractor will manage any resulting Authorized User Agreement to ensure uninterrupted, high quality performance and overall contract effectiveness.

The plan must at a minimum:

- Detail action(s) to be taken to investigate any issues reported by an Authorized User;
- Describe the process used to monitor and investigate any issues identified by the Contractor, and to notify an Authorized User of any such issues identified by the Contractor;

- Describe how the Contractor will ensure an issue is addressed and resolved in a timely manner, and Authorized User Agreement terms and conditions, as well as any terms and conditions unique to an Authorized User Agreement, are met; and
- Include a depiction of the chain of command for purposes of escalation, including at each level of the chain, a named contact, specifying the contact's title, role, phone number and email address.

27. Contractor Responsibility

In conjunction with this Contract Extension Agreement, OGS conducts a review of Contractors to provide reasonable assurances that the Contractor is responsive and responsible. A For-Profit Business Entity Questionnaire (hereinafter "Questionnaire") is used for non-construction Contracts and is designed to provide information to assess a Contractor's responsibility to conduct business in New York based upon financial and organizational capacity, legal authority, business integrity, and past performance history. By submitting a Contract Amendment, Contractor agrees to fully and accurately complete the Questionnaire. The Contractor acknowledges that the State's execution of the Contract Amendment will be contingent upon the State's determination that the Contractor is responsible, and that the State will be relying upon the Contractor's responses to the Questionnaire, in addition to all other information the State may obtain from other sources, when making its responsibility determination.

OGS recommends each Contractor file the required Questionnaire online via the New York State VendRep System. To enroll in and use the VendRep System, please refer to the VendRep System Instructions and User Support for Vendors available at the Office of the State Comptroller's (OSC) website at <http://www.osc.state.ny.us/vendors/index.htm> or to enroll, go directly to the VendRep System online at <https://portal.osc.state.ny.us>.

Contractor must provide their New York State Vendor Identification Number when enrolling. For information on how to request assignment of a Vendor ID, see the *NYS Vendor File Registration* section. OSC provides direct support for the VendRep System through user assistance, documents, online help, and a help desk. The OSC Help Desk contact information is located at <http://www.osc.state.ny.us/portal/contactbuss.htm>. Contractor opting to complete and submit the paper questionnaire can access this form and associated definitions via the OSC website at http://www.osc.state.ny.us/vendrep/forms_vendor.htm.

In order to assist the State in determining the responsibility of the Contractor prior to executing the Contract Amendment, the Contractor must complete and certify (or recertify) the Questionnaire no more than six (6) months prior to the Contract Extension date. A Contractor's Questionnaire cannot be viewed by OGS until the Contractor has certified the Questionnaire. It is recommended that all Contractors become familiar with all of the requirements of the Questionnaire in advance of the Contract Extension to provide sufficient time to complete the Questionnaire.

28. Procurement Lobbying Law:

- By signing this Contract Extension Agreement, Contractor certifies that: a Government Entity has not made a finding of Non-Responsibility regarding the Contractor in the previous four years; a Government Entity has not terminated or withheld a Procurement Contract with the Contractor due to the intentional provision of false or incomplete information; and all information provided regarding State Finance Law §139-k is complete, true and accurate.
- By signing this Contract Extension Agreement, Contractor further affirms that it understands and agrees to comply with the procedures of OGS relative to permissible Contacts as required by State Finance Law § 139-j (3) and (6) (b).
- Summary of Policy and Prohibitions on Procurement Lobbying:

Pursuant to State Finance Law §139-j and 139-k, this Solicitation includes and imposes certain restrictions on communications between OGS and an Offerer/Bidder during the procurement process. An Offerer/Bidder is restricted from making contacts from the earliest notice of intent to solicit offers/Bids through final award and approval of the Procurement Contract by OGS and, if applicable, the Office of the State Comptroller ("restricted period") to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law §139-j (3) (a). Designated staff, as of the date hereof, were identified in the Contact Extension Agreement Cover

letter. OGS employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Offerer/Bidder pursuant to these two statutes.

Certain findings of Non-Responsibility can result in rejection for contract award and in the event of two findings within a four-year period; the Offerer/Bidder is debarred from obtaining governmental Procurement Contracts. Further information about these requirements can be found on the OGS website:

http://www.ogs.ny.gov/aboutOgs/regulations/defaultSFL_139j-k.asp

29. Severability

In the event that any one or more of the provisions of this Contract Extension Agreement shall for any reason be declared unenforceable under the laws or regulations in force, such provision will not have any effect on the validity of the remainder of this Contract Extension Agreement, which shall then be construed as if such unenforceable provision had never been written or was never contained in this Agreement.

30. Entire Agreement

The Contract, as amended, constitutes the entire agreement of the Parties with respect to the subject matter thereof, and any further amendment must also be in writing executed by authorized representatives of the Parties. Except as set forth in this Agreement, all terms and conditions of the Contract shall continue in full force and effect.

31. All Other Terms and Conditions of the Contract

Except as set forth in this Amendment, all terms and conditions of the Contract, as previously amended, shall continue in full force and effect.

AMENDMENT # 1 TO ORIGINAL CONTRACT # PB20240 (NEW CONTRACT # PB024AA)

THIS AMENDMENT # 1 (the “Amendment”) is made to Original Contract # PB20240 (New Contract # PB024AA) (the “Contract”) by and between the People of the State of New York, acting by and through the Commissioner of the Office of General Services (hereinafter “State” or “OGS”) with its principal place of business at 41st Floor, Corning Tower, The Governor Nelson A. Rockefeller Empire State Plaza, Albany, New York 12242 and InnoSoul, Inc. (“Contractor”) with its principal place of business at 24 Fairfield Avenue, Albany, NY 12205. OGS and Contractor are collectively referred to as the “Parties.”

WITNESSETH:

WHEREAS, OGS and Contractor are Parties to Original Contract number PB20240 (New Contract number PB024AA) through which Contractor is authorized to provide for the acquisition of Project Based Information Technology Consulting Services to Authorized Users; and

WHEREAS, the Parties wish to amend the Contract to revise the Contractor’s Contract number to facilitate conformity with new Statewide Financial System functionality; and

WHEREAS, the Parties wish to amend the Contract to delete Section 4.10.3 Subcontracting Between Lots as set forth below; and

WHEREAS, the Parties wish to amend the Contract to revise Section 4.16 Required Insurance pursuant to the terms set forth below.

NOW THEREFORE, in consideration of the mutual covenants herein contained, the Parties do hereby agree as follows:

1. Contract number PB20240 is hereby changed to PB024AA.
2. Section 4.10.3 Subcontracting Between Lots is hereby deleted in its entirety.
3. Section 4.16 Required Insurance is hereby deleted and replaced with the following Appendix H:

During the term of this Contract, the Contractor shall maintain in force, at its sole cost and expense, policies of insurance as required by this section. All insurance required by this section shall be written by companies that have an A.M. Best Company rating of “A-,” Class “VII” or better. In addition, companies writing insurance intended to comply with the requirements of this section should be licensed or authorized by the New York State Department of Financial Services to issue insurance in the State of New York. OGS may, in its sole discretion, accept policies of insurance written by a non-authorized carrier or carriers when certificates and/or other policy documents are accompanied by a completed Excess Lines Association of New York (ELANY) affidavit or other documents demonstrating the company’s strong financial rating. If, during the term of a policy, the carrier’s A.M. Best rating falls below “A-,” Class “VII”, the insurance must be replaced, on or before the renewal date of the policy, with insurance that meets the requirements above.

The Contractor shall provide proof of compliance with the requirements set forth in this section for Contract renewal and upon request.

The Contractor shall deliver to OGS evidence of the insurance required by this Contract in a form satisfactory to OGS. Policies must be written in accordance with the requirements of the paragraphs below, as applicable. While acceptance of insurance documentation shall not be unreasonably withheld, conditioned or delayed, acceptance and/or approval by OGS does not, and shall not be construed to, relieve the Contractor of any obligations, responsibilities or liabilities under this Contract.

The Contractor shall not take any action, or omit to take any action that would suspend or invalidate any of the required coverages during the term of the Contract.

A. General Conditions Applicable to Insurance. All policies of insurance required by this section shall comply with the following requirements:

- 1. Coverage Types and Policy Limits.** The types of coverage and policy limits required from the Contractor are specified in Paragraph B *Insurance Requirements* below.
- 2. Policy Forms.** Except as otherwise specifically provided herein, or agreed to in the Contract, all policies of insurance required by this section shall be written on an occurrence basis.
- 3. Certificates of Insurance/Notices.** The Contractor shall provide OGS with a Certificate or Certificates of Insurance, in a form satisfactory to OGS as detailed below (e.g., an ACORD certificate), after renewal or upon request. Certificates shall reference the award number and shall name The New York State Office of General Services, Procurement Services, 38th Floor, Corning Tower, Empire State Plaza, Albany, New York 12242 as the certificate holder.

Certificates of Insurance shall:

- Be in the form acceptable to OGS and in accordance with the New York State Insurance Law (e.g., an ACORD certificate);
- Disclose any deductible, self-insured retention, aggregate limit or exclusion to the policy that materially changes the coverage required by this Contract;
- Refer to this Contract by award number;
- Be signed by an authorized representative of the referenced insurance carriers; and
- Contain the following language in the Description of Operations / Locations / Vehicles section: The People of the State of New York, the New York State Office of General Services, any entity authorized by law or regulation to use the Contract and their officers, agents, and employees are included as an additional insured on endorsement CG 20 10 11 85 (or endorsements that provide equivalent coverage, such as the combination of CG 20 10 04 13 (covering ongoing operations) and CG 20 37 04 13 (covering completed operations)), and General liability coverage is provided on the current edition of Commercial General Liability Coverage Form CG 00 01 (or a form that provides equivalent coverage). Additional insured protection afforded is on a primary and non-contributory basis. A waiver of subrogation is granted in favor of the additional insureds.

Only original documents (certificates of insurance and any endorsements and other attachments) or electronic versions of the same that can be directly traced back to the insurer, agent or broker via e-mail distribution or similar means will be accepted.

OGS generally requires Contractors to submit only certificates of insurance and additional insured endorsements, although OGS reserves the right to request other proof of insurance. Contractors are requested to refrain from submitting entire insurance policies, unless specifically requested by OGS. If an entire insurance policy is submitted but not requested, OGS shall not be obligated to review and shall not be chargeable with knowledge of its contents. In addition, submission of an entire insurance policy not requested by OGS does not constitute proof of compliance with the insurance requirements and does not discharge Contractors from submitting the requested insurance documentation.

- 4. Primary Coverage.** All insurance policies shall provide that the required coverage shall be primary and non-contributory to other insurance available to the People of the State of New York, the New York State Office of General Services, any entity authorized by law or regulation to use the Contract and their officers, agents, and employees. Any other insurance maintained by the People of the State of New York, the New York State Office of General Services, any entity authorized by law or regulation to use the Contract and their officers, agents, and employees shall be excess of and shall not contribute with the Contractor's insurance.

- 5. Breach for Lack of Proof of Coverage.** The failure to comply with the requirements of this section at any time during the term of the Contract shall be considered a breach of the terms of the Contract and shall allow the People of the State of New York, the New York State Office of General Services, any entity authorized by law or regulation to use the Contract and their officers, agents, and employees to avail themselves of all remedies available under the Contract or at law or in equity.
- 6. Self-Insured Retention/Deductibles.** Certificates of Insurance must indicate the applicable deductibles/self-insured retentions for each listed policy. Deductibles or self-insured retentions above \$100,000.00 are subject to approval from OGS. Such approval shall not be unreasonably withheld, conditioned or delayed. The Contractor shall be solely responsible for all claim expenses and loss payments within the deductibles or self-insured retentions. If the Contractor is providing the required insurance through self-insurance, evidence of the financial capacity to support the self-insurance program along with a description of that program, including, but not limited to, information regarding the use of a third-party administrator shall be provided upon request.
- 7. Subcontractors.** Prior to the commencement of any work by a Subcontractor, the Contractor shall require such Subcontractor to procure policies of insurance as required by this section and maintain the same in force during the term of any work performed by that Subcontractor.
- 8. Waiver of Subrogation.** For the Commercial General Liability Insurance and Business Automobile Liability Insurance required below, the Contractor shall cause to be included in each of its policies insuring against loss, damage or destruction by fire or other insured casualty a waiver of the insurer's right of subrogation against OGS, or, if such waiver is unobtainable (i) an express agreement that such policy shall not be invalidated if Contractor waives or has waived before the casualty, the right of recovery against OGS or (ii) any other form of permission for the release of OGS. A Waiver of Subrogation Endorsement shall be provided upon request. A blanket Waiver of Subrogation Endorsement evidencing such coverage is also acceptable.
- 9. Additional Insured.** For the Commercial General Liability Insurance and Business Automobile Liability Insurance required below, the Contractor shall cause to be included in each of its policies ISO form CG 20 10 11 85 (or a form or forms that provide equivalent coverage, such as the combination of CG 20 10 04 13 and CG 20 37 04 13) and form CA 20 48 10 13 (or a form or forms that provide equivalent coverage) naming as additional insureds: The People of the State of New York, the New York State Office of General Services, any entity authorized by law or regulation to use the Contract and their officers, agents, and employees. An Additional Insured Endorsement evidencing such coverage shall be provided to OGS after renewal and/or upon request. A blanket Additional Insured Endorsement evidencing such coverage is also acceptable. For Contractors who are self-insured, Contractor shall be obligated to defend and indemnify the above-named additional insureds with respect to Commercial General Liability and Business Automobile Liability, in the same manner that Contractor would have been required to pursuant to this section had Contractor obtained such insurance policies.

As clarification, "The People of the State of New York" means the State of New York and its subsidiary governmental entities. This is the name in which the State, as a governmental entity, enters into contracts, takes title to property, and initiates legal actions. Using the term "People" does not mean that the insurer is insuring all residents of New York State; rather, it means that the State government is being insured.

- 10. Excess/Umbrella Liability Policies.** Required insurance coverage limits may be provided through a combination of primary and excess/umbrella liability policies. If coverage limits are provided through excess/umbrella liability policies, then a Schedule of underlying insurance listing policy information for all underlying insurance policies (insurer, policy number, policy term, coverage and limits of insurance), including proof that the excess/umbrella insurance follows form must be provided after renewal and/or upon request.

11. Notice of Cancellation or Non-Renewal. Policies shall be written so as to include the requirements for notice of cancellation or non-renewal in accordance with the New York State Insurance Law. Within five (5) business days of receipt of any notice of cancellation or non-renewal of insurance, the Contractor shall provide OGS with a copy of any such notice received from an insurer together with proof of replacement coverage that complies with the insurance requirements of this Contract.

12. Policy Renewal/Expiration Upon policy renewal/expiration, evidence of renewal or replacement of coverage that complies with the insurance requirements set forth in this Contract shall be delivered to OGS. If, at any time during the term of this Contract, the coverage provisions and limits of the policies required herein do not meet the provisions and limits set forth in this Contract, or proof thereof is not provided to OGS, the Contractor shall immediately cease work. The Contractor shall not resume work until authorized to do so by OGS.

13. Deadlines for Providing Insurance Documents after Renewal or Upon Request. As set forth herein, certain insurance documents must be provided to the OGS Procurement Services contact identified in the Contract Award Notice after renewal or upon request. This requirement means that the Contractor shall provide the applicable insurance document to OGS as soon as possible but in no event later than the following time periods:

- For certificates of insurance: 5 business days
- For information on self-insurance or self-retention programs: 15 calendar days
- For other requested documentation evidencing coverage: 15 calendar days
- For additional insured and waiver of subrogation endorsements: 30 calendar days

Notwithstanding the foregoing, if the Contractor shall have promptly requested the insurance documents from its broker or insurer and shall have thereafter diligently taken all steps necessary to obtain such documents from its insurer and submit them to OGS, OGS shall extend the time period for a reasonable period under the circumstances, but in no event shall the extension exceed 30 calendar days.

1 Introduction

1.1 Overview and Purpose of This Contract

This Contract is executed by the New York State Office of General Services (OGS), a New York State (NYS) agency authorized by law to issue Centralized Contracts for use by NYS Agencies and other Authorized Users.

This Contract establishes Centralized Contracts with Vendors to provide Project Based Information Technology Consulting Services to NYS Authorized Users on a statewide basis.

The Centralized Contract establishes a set of standardized terms and conditions, guidelines, processes, and templates for the development, distribution, and award of deliverable-based and fixed-price information technology projects, at the transactional level, through a Mini-Bid process. The Contractor agrees to the terms and conditions set forth in this Centralized Contract and the Contractor is willing to provide such services as set forth herein to Authorized Users

The Centralized Contract sets forth a two-step process for each transaction. The first step is the establishment of the centralized contract, through a non-competitive periodic recruitment process. The second step will be competitive, based on the development of a specific project by an Authorized User in accordance with the contractual terms. Information Technology Project needs will be identified by an Authorized User, and documented in a Statement of Work (SOW). The project will then be distributed to Contractors based on specific Lot(s), via the Mini-Bid process. An award shall be based on best-value.

The Mini-Bid award will result in an Authorized User Agreement for Project Based Information Technology Consulting Services. Each Authorized User Agreement for Project Based Information Technology Consulting Services will be governed first by the terms and conditions specified in the OGS Centralized Contract and second by terms and conditions added to the Authorized User Mini-Bid. See Appendix B, section 28 regarding modification of Contract terms.

Services available under the resultant Contracts will be separated into three (3) distinct Lots. The lot(s) Contractor was awarded are identified in Appendix G, Contractor and OGS Information.

1.2 In-Scope Projects

Project Based Information Technology (IT) Consulting Services required by an Authorized User must be obtained via a Mini-Bid process under this Contract. The Authorized User shall issue a Mini-Bid with a SOW for the required Project Based IT Consulting Services. A Mini-Bid may include, but will not be limited to, projects requiring: analysis, data classification, design, development, testing, quality assurance, security and associated customized training for IT based applications.

Additional examples of in-scope projects include, but are not limited to:

- Technical architecture advisory services;
- Business analysis for project development;
- Proprietary software application development/customization, programming and integration;
- Data information management (including data migration, data conversion, data manipulation, data integration);

- Project management project support services - including, but not limited to; project management, project quality assurance and control, and Independent Verification & Validation (IV&V);
- Disaster recovery/business continuity and testing;
- Quality assurance;
- Continuity of operations planning (COOP);
- Data categorization; and
- Open-source software implementation.

1.3 Out-of-Scope Work

There are service offerings expressly excluded from the scope of these contracts. In many instances, such services and/or offerings are (or will be) covered by another OGS Centralized Contract.

Examples include:

- Staff augmentation services;
- Time and material services;
- Web hosting;
- Automated network monitoring or any other service provided principally through an automated process;
- Hardware maintenance and support;
- Software maintenance and support;
- Ongoing maintenance and support;
- Services priced on a per asset basis;
- Services priced on a contingency basis;
- Equipment maintenance;
- Prepackaged training courses;
- E-Learning;
- Managed services;
- Acquisition of equipment (hardware)
- Acquisition of software, either Commercial off-the-shelf (COTS) software or pre-existing software;
- Acquisition of non-consulting services, such as network provisioning, voice services (local, long-distance), or video bridging;
- Cloud based or “As a Service” offerings, including but not limited to SaaS, IaaS, PaaS, and XaaS;
- Any offering that is a combination of equipment, hardware, software, cloud or “as a service offerings”; and
- Consulting or other installation work which is considered Public Works is excluded from purchase under the scope of this Contract. Historically, the New York State Bureau of Public Works has maintained that installation, maintenance and repair of equipment attached to any wall, ceiling or floor or affixed by hard wiring or plumbing is public work. In contrast, installation of a piece of equipment which is portable or a “plug-in” free-standing unit would not be considered public work. Thus, this Contract does not authorize installation where the equipment becomes a permanent part of the building structure, or is otherwise incorporated into the fabric of the building (i.e. installation on a wall, ceiling or floor in a fixed location, or affixed by hard-wiring or plumbing). See Appendix A, Clause 6, Wage and Hours Provisions. For questions about whether a proposed work constitutes public work, please contact the New York State Department of Labor’s Bureau of Public Work District Office in a specific area. A listing of district

offices and contact information is available at
<http://www.labor.ny.gov/workerprotection/publicwork/PWContactUs.shtm>.

For the purposes of qualification #1 and #2 in each of the lots listed above, experience in either a Prime Contractor or Subcontractor role may be used to demonstrate compliance with the qualification.

For the purposes of qualification #3 in each of the lots listed above, subcontracting experience and subcontracts are specifically prohibited from being used to demonstrate compliance with the qualifications. Indefinite delivery, indefinite quantity (IDIQ) contracts shall not be used to demonstrate compliance with this qualification.

For the purposes of all qualifications listed in this section, contracts billed on a Time and Materials Basis (T & M) and certain fixed price contracts may be used. Only fixed price contracts which include a backup matrix setting forth hourly rates to support the fixed price or a fixed price contract which includes additional time and material rates can be used as price justification of a Government Contract. A Government Contract that does not meet these requirements can be used to establish minimum qualification # 3 for the specific Lot.

3.2 Reasonableness of Price

The Contractor demonstrated that all the New York maximum not to exceed rates are reasonable. In accordance with Appendix B, section 17, Pricing, Contractor shall notify OGS when it provides pricing for its consulting services upon the same or similar terms and conditions as that of this Contract at a lower price to a federal, state or local governmental entity.

3.3 New York State Vendor Responsibility

The Contractor shall at all times during the Contract term remain responsible. The Contractor agrees, if requested by the Commissioner of OGS or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

The Commissioner of OGS or his or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of OGS or his or her designee issues a written notice authorizing a resumption of performance under the Contract.

The Contractor agrees that if it is found by the State that the Contractor's responses to the Questionnaire were intentionally false or intentionally incomplete, on such finding, the Commissioner may terminate the Contract.

Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate OGS officials or staff, the Contract may be terminated by the Commissioner of OGS or his or her designee at the Contractor's expense where the Contractor is determined by the Commissioner of OGS or his or her designee to be non-responsible. In such event, the Commissioner of OGS or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

In no case shall such termination of the Contract by the State be deemed a breach thereof, nor shall the State be liable for any damages for lost profits or otherwise, which may be sustained by the Contractor as a result of such termination.

3.4 Tax Law Section 5-A

Section 5-a of the Tax Law, requires certain Contractors awarded State Contracts for commodities, services and technology valued at more than \$100,000 to certify to the NYS Department of Taxation and Finance (DTF) that they are registered to collect New York State and local sales and compensating use taxes. The law applies to Contracts where the total amount of such Contractors' sales delivered into New York State are in excess of \$300,000 for the four quarterly periods immediately preceding the quarterly period in which the certification is made, and with respect to any affiliates and subcontractors whose sales delivered into New York State exceeded \$300,000 for the four quarterly periods immediately preceding the quarterly period in which the certification is made.

A Vendor is required to file the completed and notarized Form ST-220-CA with OGS certifying that the Vendor filed the ST-220-TD with the NYS Department of Taxation and Finance (DTF). Please note that the NYS Department of Taxation and Finance should receive the completed Form ST-220-TD, not

OGS. OGS should only receive the Form ST-220-CA. Proposed Contractors should complete and return the certification forms within five (5) business days of request (if the forms are not completed and returned with Vendor Submission). Failure to make either of these filings may render a Vendor non-responsive and non-responsible. Each Vendor shall take the necessary steps to provide properly certified forms within a timely manner to ensure compliance with the law.

Website links to the Contractor certification forms and instructions are provided below. Form No. ST-220-TD must be filed with and returned directly to DTF and can be found at http://www.tax.ny.gov/pdf/current_forms/st/st220td_fill_in.pdf. Unless the information upon which the ST-220-TD is based changes, this form only needs to be filed once with DTF. If the information changes for the Contractor, its affiliate(s), or its subcontractor(s), a new Form No. ST-220-TD must be filed with DTF.

Form ST-220-CA must be submitted to OGS. This form provides the required certification that the Contractor filed the ST-220-TD with DTF. This form can be found at http://www.tax.ny.gov/pdf/current_forms/st/st220ca_fill_in.pdf.

Vendors may call DTF at 518-485-2889 for any and all questions relating to §5-a of the Tax Law and relating to a company's registration status with the DTF. For additional information and frequently asked questions, please refer to the DTF web site: <http://www.tax.ny.gov>.

I. Policy

It is the policy of OGS to provide Interested Parties, as that term is defined herein, with an opportunity to administratively resolve disputes related to OGS bid solicitations, contract awards or contract administration. Interested Parties are encouraged, but not required, to seek resolution of disputes through consultation with OGS staff through the Informal Dispute Resolution Process described herein, prior to filing a Formal Dispute. All Informal and Formal Disputes will be accorded full, impartial and timely consideration. OGS Dispute Resolution Procedures may be obtained by contacting the person identified in the Contract as a designated contact or through the OGS website (www.ogs.ny.gov).

II. Dispute Resolution Procedures

A. Informal Dispute Resolution Process

1. In the event there is a dispute under this Centralized Contract, the Contractor, OGS and Authorized User agree to exercise their best efforts to resolve the dispute as soon as possible. The Contractor, OGS and Authorized User shall, without delay, continue to perform their respective obligations under this Centralized Contract which are not affected by the dispute. Primary responsibility for resolving any dispute arising under this Centralized Contract shall rest with the Authorized User's Contractor Coordinators and the Contractor's Account Executive and the State & Local Government Regional General Manager.

In the event the Authorized User is dissatisfied with the Contractor's Products provided under this Centralized Contract, the Authorized User shall notify the Contractor in writing pursuant to the terms of the Contract. In the event the Contractor has any disputes with the Authorized User, the Contractor shall so notify the Authorized User in writing. If either party notifies the other of such dispute, the other party shall then make good faith efforts to solve the problem or settle the dispute amicably, including meeting with the party's representatives to attempt diligently to reach a satisfactory result through negotiation.

3. If negotiation between the Contractor and Authorized User fails to resolve any such dispute to the satisfaction of the parties within fourteen (14) business days or as otherwise agreed to by the Contractor and Authorized User, of such notice, then the matter shall be submitted to the State's Contract Administrator and the Contractor's senior executive officer representative. Such representatives shall meet in person and shall attempt in good faith to resolve the dispute within the next fourteen (14) business days or as otherwise agreed to by the parties. This meeting must be held before either party may seek any other method of dispute resolution, including judicial or governmental resolutions. Notwithstanding the foregoing, this section shall not be construed to prevent either party from seeking and obtaining temporary equitable remedies, including injunctive relief.

4. The Contractor shall extend the informal dispute resolution period for so long as the Authorized User continues to make reasonable efforts to cure the breach, except with respect to disputes about the breach of payment of fees or infringement of its or its licensors' intellectual property rights.

4.17 Contractor Requirements And Procedures For Business Participation Opportunities For New York State Certified Minority- And Women-Owned

Business Enterprises And Equal Employment Opportunities For Minority Group Members And Women

NEW YORK STATE LAW

The New York State Office of General Services (OGS), as part of its responsibility, recognizes the need to promote the employment of minority group members and women and to ensure that certified minority- and women-owned business enterprises have opportunities for maximum feasible participation in the performance of OGS Centralized Contracts.

In 2006, the State of New York commissioned a disparity study to evaluate whether minority- and women-owned business enterprises had a full and fair opportunity to participate in State contracting. The findings of the study were published on April 29, 2010, under the title "The State of Minority- and Women-Owned Business Enterprises: Evidence from New York" (the "Disparity Study"). The report found evidence of statistically significant disparities between the level of participation of minority- and women-owned business enterprises in State procurement contracting versus the number of minority- and women-owned business enterprises that were ready, willing and able to participate in State procurements. As a result of these findings, the Disparity Study made recommendations concerning the implementation and operation of the statewide certified minority- and women-owned business enterprises program. The recommendations from the Disparity Study culminated in the enactment and the implementation of New York State Executive Law Article 15-A, which requires, among other things, that OGS establish goals for maximum feasible participation of New York State certified minority- and women-owned business enterprises ("MWBEs") and the employment of minority groups members and women in the performance of New York State contracts.

REQUIREMENTS FOR CONTRACTOR COMPLIANCE WITH AUTHORIZED USER MINORITY- AND WOMEN-OWNED BUSINESS ENTERPRISES PARTICIPATION GOALS

New York State Executive Law Article 15-A requires that OGS provide opportunities for the maximum feasible participation of New York State certified minority- and women-owned business enterprises (MWBEs) in the performance of OGS Centralized Contracts. OGS has determined that the overall MWBE participation rate for MWBEs on the contracts resulting from this solicitation shall be 20% of the State Agency and Authority (as defined in New York State Executive Law §310 and hereinafter referred to as "State Agency") spend. When a State Agency issues a competitive solicitation under the contracts resulting from this solicitation, the State Agency shall establish separate goals for participation of MWBEs, equal to or greater than 20%, and shall seek submittal of an MWBE utilization plan from contractors. As a condition of award of a contract resulting from this solicitation, the Contractor agrees to be bound by a State Agency's implementation of the provisions of Article 15-A of the New York State Executive Law, including but not limited to, the submission of a utilization plan, in the acquisition. State Agencies will seek an overall 20% or greater MWBE participation rate based on all acquisitions made throughout the term of the contracts awarded hereunder.

Additionally, OGS strongly encourages all minority- and women-owned companies to submit a Vendor Submission in response to this solicitation. Also, OGS encourages those minority- and women-owned companies that are not certified by the Empire State Development Division of Minority and Women's Business Development, to become certified at their earliest opportunity. Information regarding the certification process can be viewed at: <http://esd.ny.gov/MWBE/Certification.html>.

To locate MWBEs, the Directory of Certified Businesses can be viewed at: <https://ny.newnycontracts.com/frontend/diversityusers.asp>.

EQUAL EMPLOYMENT OPPORTUNITY REQUIREMENTS

By submission of a bid or Vendor Submission in response to this solicitation, the Bidder/Contractor agrees with all of the terms and conditions of Appendix A including Clause 12 - Equal Employment Opportunities for Minorities and Women. The Contractor is required to ensure that it and any subcontractors awarded a subcontract over \$25,000 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor, shall undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.

The Bidder further agrees to submit with the bid a staffing plan on Form EEO 100 identifying the anticipated work force to be utilized on the Contract and if awarded a Contract, will submit to OGS upon request, a workforce utilization report on form EEO 101, identifying the workforce actually utilized on the contract if known.

Further, pursuant to Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and federal statutory and constitutional non-discrimination provisions, the Contractor and sub-contractors will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex (including gender expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

Announcement of any such new capability and reporting requirement will be made via a purchasing memorandum which will be forwarded to Contractor.

4.24 Performance/Bid Bond and Letter Of Credit

There are no bonds required for the Contract resulting from this Solicitation. In accordance with Appendix B, section 45, Performance/Bid Bond, the Commissioner of OGS has determined that no performance, payment or Bid bond, or negotiable irrevocable letter of credit or other form of security for the faithful performance of the Contract shall be required at any time during the initial term, or any renewal term, for the resulting Contract and Authorized User Agreements.

4.25 Severability

If any provision of this Contract is deemed invalid or unenforceable, such determination shall have no effect on the balance of the Contract, which shall be enforced and interpreted as if such provision was never included in the Contract.

4.26 Entire Agreement

This Contract and the referenced appendices and attachments constitute the entire agreement between the Parties thereto and no statement, promise, condition, understanding, inducement or representation, oral or written, expressed or implied, which is not contained herein shall be binding or valid and the Contract shall not be changed, modified or altered in any manner except by an instrument in writing executed by both Parties hereto, except as otherwise provided herein. Authorized Users shall not have the authority to modify the terms of the Contract, except as expressly set forth herein.

5 Authorized User Overview and Mini-Bid Process

Project Based IT Consulting Services Contracts enable Authorized Users to use a competitive Mini-bid Process to acquire Services on an as-needed basis, for qualified IT Projects.

Project Based IT Consulting Services may include, but will not be limited to projects requiring: analysis, data classification, design, development, testing, quality assurance, security and associated training for Information Technology based applications. See section 1.3 Out of Scope Work for a listing of projects expressly excluded from the scope of this Contract.

An Authorized User Agreement for Project Based IT Consulting Services will be governed first by the terms and conditions specified in the OGS Centralized Contract and second by terms and conditions added to the Authorized User Statement of Work. Additional terms and conditions shall not conflict with or modify the terms and conditions of the OGS Centralized Contract.

NYS Executive Agencies must adhere to all internal processes and approvals including, as required, approval from NYS Office of Information Technology Services. Other Authorized Users must adhere to their own internal processes and approvals.

In accordance with Appendix B, section 28, Modification of Contract Terms, an Authorized User may add additional required terms and conditions to this Mini-Bid and resultant Authorized User Agreement only if such terms and conditions (1) are more favorable to the Authorized User and (2) do not conflict with or supersede the OGS Centralized Contract terms and conditions. Examples of additional terms and conditions include:

- Expedited delivery timeframe;
- Additional incentives, such as discount for expedited payment/Procurement Card use; and
- Any additional requirements imposed by the funding source or Federal law.

5.1 Authorized User's Statement of Work

A competitive Mini-Bid is required for every transaction under this Centralized Contract. An Authorized User must prepare a detailed Statement of Work using Appendix F, Attachment 1, Mini-Bid Template. The Authorized User must distribute the Mini-Bid to all qualified Vendors per Lot(s) (unless a Vendor has removed itself from consideration via the Appendix F, Attachment 5, Mini-Bid Participation Interest Template). Contact information, organized by Lot, will be available on the OGS website for this Contract. An Authorized User shall conduct its Mini-Bid in accordance with the requirements set forth in Appendix F, Attachment 2, How to Use this Contract.

The following terms and conditions shall apply to each Mini-Bid issued by an Authorized User:

- An Authorized User may require the execution of unique forms, such as Confidentiality Non-Disclosure agreements; and

- An Authorized User is required to make tentative award and non-award notifications to each Contractor who submitted a response to the Mini-Bid.

Additionally, the minimum time, excluding the date of release, between issuance of the Mini-Bid by the Authorized User to the Mini-Bid Opening is as follows:

- Lot 1 Mini-Bids: Five (5) Business Days
- Lot 2 Mini-Bids: Ten (10) Business Days
- Lot 3 Mini-Bids: Fifteen (15) Business Days

When applicable, the Statement of Work document should include the following information in sufficient detail:

1. Project objectives
2. Project plans and timelines
3. Project Deliverables and their acceptance criteria
4. Project approach and methodology
5. Project resource requirements (key personnel)
6. Anticipated project duration (projected start and end dates and overall duration)
7. Expectations for delivery of work products (Deliverables)
8. Expectations for documentation, reports, invoicing, and Knowledge Transfer, etc.
9. Requirements for status reporting and meetings (form, content and frequency)
10. Performance specifications (vendor and system)
11. Work-site/location and provisions
12. Any Downstream Prohibition(s) – whether the engagement may result in the contractor gaining information which may raise level playing field issues in a future procurement and result in the inability of such contractor to participate in a future procurement

5.1.1 Fixed-Price

An Authorized User Agreement shall be awarded on a fixed-price basis only. As such, the Contractor shall complete all project Deliverables indicated in the final negotiated Authorized User Agreement, without any increase in cost to the Authorized User. If the Contractor resources required to complete such work are more than the Contractor agreed to in the Mini-Bid, these additional resources must be provided to the Authorized User at no additional cost.

6 Authorized User Terms and Conditions

As noted above, the terms and conditions set forth in this section are expressly incorporated in, and applicable to, the Authorized User Agreement resulting from this Contract. The following sections are intended as descriptive and are not intended to limit or otherwise restrict the terms and conditions set forth herein.

6.1 Mini-Bid Transactional Order of Precedence

Conflicts of terms and conditions shall be resolved in the order of precedence set forth in section 2.2 Conflict of Terms.

6.2 Contract Survival

The starting date for each Authorized User Agreement will vary but shall not exceed three (3) years in duration. Authorized User Agreements fully executed prior to the expiration of the OGS Centralized Contract shall survive the expiration date of the OGS Centralized Contract, if applicable, based on the term of the Authorized User Agreement.

6.3 No Cost Change Request

The Authorized User reserves the right to reasonably amend a Fixed-Price Deliverable, provided the amendment does not materially change the Scope of the Deliverable, without a cost increase. Although the Authorized User has endeavored to identify many tasks associated with a Fixed-Price Deliverable (Tasks), additional Tasks which can reasonably be anticipated to carry out the Deliverable shall be within the scope of the Deliverable, and shall not result in a cost increase. An Authorized User shall use Appendix F, Attachment 4, No Cost Change Request Template to reflect such modifications.

Written approval of the No-Cost Change Request is required from both the Authorized User and the Contractor.

6.4 Enhancement Budget

Enhancements refer to additional functionality and deliverables unknown to the Authorized User at the time of Mini-Bid release. An Authorized User is permitted to include an enhancement budget, as included in the Mini-Bid (up to 10%). The total cost of the project including the enhancement budget shall not exceed the Lot threshold from which the award was made. An Authorized User shall use Appendix F, Attachment 3, Enhancement Request Template to reflect such modifications.

Mini-Bid/Statement of Work documents will define specific criteria and method of reimbursement for the enhancement budget.

Written approval of the Enhancement Budget Request is required from both the Authorized User and the Contractor.

6.5 Contractor Responsibilities

6.5.1 Project Organization Chart

As part of the Mini-Bid, the Authorized User may require the Contractor to develop and submit a proposed project organization chart. The project organization chart should identify all the proposed key personnel of each team component and how the team will be managed. If required, the project organization chart must include both Contractor and State staff roles as identified in the Mini-Bid.

6.5.2 Eligibility to Work

The Contractor must ascertain and validate that all proposed staff resources, including all employees, subcontractors and agents, (hereinafter "Contractor Staff Member"), are either U.S. citizens or non-U.S. citizens.

1. Where the Contractor Staff Member is a U.S. citizen, the Contractor must identify the proposed individual Contractor Staff with, at a minimum, the first and last name of the individual Contractor Staff Member as it appears on his/her Driver's License, Non-Driver's Identification Card, or other accepted forms of government identification.
2. Where the Contractor Staff Member is not a U.S. citizen, the Contractor shall identify such to the Authorized User. The Contractor must identify if the proposed individual Contractor Staff Member will be working under a H1-B or other Visa during the time of the placement. The Contractor must identify the proposed individual Contractor Staff Member with, at a minimum, the first and last name of the individual Contractor Staff Member as it appears on his/her Visa and/or Passport. No other names or derivations may be used.

3. The Contractor must retain all necessary paperwork throughout the length of each individual Contractor Staff Member's engagement with an Authorized User.
4. The Contractor is responsible for ensuring that all Contractor Staff Members retain the authorization to legally work in the United States throughout the term of the engagement.
5. H-1B costs are not allowed under this Contract and Authorized Users will not affirm employment for immigration purposes. Any foreign employees retained through this Contract shall be the employee of the Contractor and not the Authorized User. Based on the scope of the Project, the Authorized User may require that all staff must be citizens of the United States, and if so, Authorized User must indicate in the Mini-Bid.

6.5.3 Additional Requirements from Authorized Users

An Authorized User may have distinct requirements that must be met by all individuals employed by or working for the Authorized User. The Contractor's Staff Members will be expected to comply with these requirements as a condition of the placement.

1. An Authorized User may at its discretion request additional background checks to be conducted, including, but not limited to, finger-printing and the signing of a confidentiality and/or non-disclosure agreements.
2. An Authorized User may conduct its own background checks at its expense.
3. An Authorized User may require individual Contractor Staff Members to provide photo identification such as a NYS Driver's License, Non-Driver's Identification Card, Passport, etc. in order to receive a State Identification card used for entrance into the Authorized User's building and/or facilities.

6.6 Authorized User Engagement Requirements

1. All Authorized User Agreements shall be no longer than three (3) years in duration.
2. Contractor Staff Members must adhere to workplace rules of the Authorized User. This includes, but is not limited to, the following: building access procedures, computer/phone usage guidelines, and other agency policies (such as Drug-free Workplace Policy Statement, Workplace Violence Policy, and smoking policy).
3. The Authorized User shall define the manner in which it requests Knowledge Transfer to occur from the Contractor's Project team to the Authorized User's staff.
4. The Authorized User shall indicate a change in working hours at the Authorized User building and/or facilities where appropriate and not previously specified during the requisition process.
5. Contractor and any subcontractors must work cooperatively with Authorized User staff and with other vendors working at Authorized User sites.
6. Professional workplace conduct and attire will be expected at all times.
7. All services performed for an Authorized User shall only be performed within the continental United States. An Authorized User is expressly prohibited from granting any and all exceptions to this clause.

6.7 Deliverables for an Authorized User Agreement (Transaction)

Deliverables must be identified, as a measure of progress in the Authorized User Agreement. A Deliverable as a bulk number of hours is not permissible under the OGS Centralized Contract.

6.8 Retainage

As part of the Mini-Bid, the Authorized User may elect to retain a percentage of each individual Deliverable payment of no more than 20% until the acceptance of the complete Deliverable or project.

This retainage may be reduced as described in the Mini-Bid, when the Contractor substantially reduces the time required from the timeframes negotiated between the Authorized User and the Contractor for the completion and acceptance of a Deliverable.

6.9 Reasonableness of Price

An Authorized User will be required to demonstrate reasonableness of price for each project as part of the evaluation prior to the execution of an Authorized User Agreement. The OGS Centralized Contract includes a NYS Contract pricelist, which was assessed to determine that the “Not-to-Exceed” hourly rates offered to New York State are at or below the Not-To-Exceed hourly rates offered to other Government customers. The Contractor acknowledges that any mini-bid under this Centralized Contract which includes pricing in excess of the maximum Not-To-Exceed hourly rate shall be rejected by the Authorized User.

In accordance with Appendix B, section 32, Purchase Orders, OGS encourages an Authorized User to negotiate for better pricing than is listed on the Price list, as the total hourly rates established by OGS Centralized Contracts are Not-to-Exceed total hourly rates. An Authorized User must follow the internal procurement guidelines of their organization and obtain all required control agency approvals when purchasing from OGS Centralized Contracts.

6.10 Travel, Meals and Lodging

When provided for in the Mini-Bid and resultant Authorized User Agreement, an Authorized User may reimburse travel expenses. All rules and regulations associated with this travel can be found at <http://osc.state.ny.us/agencies/travel/travel.htm>. In no case will any travel reimbursement be paid that exceeds these rates. All travel will be paid only as part of a deliverable specified within the Authorized User Agreement and must be billed with that associated Invoice with receipts attached.

The Contractor shall receive prior approval from the Authorized User for any travel that occurs during the term of an Authorized User Agreement. Parking fees and/or parking tickets may not be paid by an Authorized User.

Unless otherwise specified in writing by the Authorized User, a vehicle will not be provided by Authorized User to the Contractor for travel. Therefore, the Contractor will be responsible for ensuring that the Contractor has access to an appropriate vehicle (e.g., personal vehicle or rental vehicle) or common carrier with which to carry out any necessary travel.

For the Contractor to obtain reimbursement for the use of a rental vehicle, such use must be justified as the most cost-effective mode of transportation under the circumstances (including consideration of the most effective use of time).

The Contractor shall provide evidence of three (3) written or telephone price quotes, and the paid invoice must detail the type of vehicle rented, miles traveled, license plate number, and time of pickup and return. The Contractor is responsible for keeping adequate records to substantiate any claims for reimbursement, by personnel for travel in performance of the services.

6.11 Payment Schedule

Except as provided in section 6.10 Travel, Meals and Lodging, payments will only be made based on Deliverables outlined within the Authorized User Agreement. Any invoice not related directly to a completed deliverable will be rejected. Any charge included on the invoice without backup documentation as specified in the Authorized User Agreement (travel receipts, etc.) may be removed.

Any outstanding charges un-invoiced or removed from the invoice must be submitted/resubmitted within 120 Calendar days or may not be reimbursed.

Each Deliverable may contain a retainage allotment as specified within the Authorized User Agreement. Each invoice is to include a detailed and itemized list of all retainage withholds that are in place since the activation of the Authorized User Agreement.

Payment schedule shall be based on the final Authorized User Agreement as negotiated by the Authorized User and Contractor. Payment is only to be made after the deliverable within the Authorized User Agreement is accepted by the Authorized User. A Contractor is encouraged to submit no more than one invoice per month. Invoices must include cumulative retainage holdback. Invoices submitted to an Authorized User must include backup documentation as defined in the negotiated Authorized User Agreement.

6.12 Mini-Bid Dispute Resolution Process

If the Authorized User does not have a dispute resolution policy, please refer to OSC or OGS dispute resolution policy for guidance in creating a policy.

In the event the Contractor has any disputes with the Authorized User, the Contractor shall so notify the Authorized User in writing. If either party notifies the other of such dispute, the other party shall then make good faith efforts to solve the problem or settle the dispute amicably, including meeting with the party's representatives to attempt diligently to reach a satisfactory result through negotiation.

In the event that the Contractor and the Authorized User are unable to resolve a conflict through negotiation, then both parties will comply with the Authorized User's stated dispute resolution policy which must be included as part of the Authorized User Agreement.

If the conflict is still unresolved, please refer to section 4.2.1.II.A.3 for guidance.

6.13 Mini-Bid Proposal Validity

All Contractor responses to Authorized User Mini-Bids must remain open and valid for at least 60 days from the Mini-Bid opening date, unless the time for awarding the Authorized User Agreement is extended by mutual consent of the Authorized User and the Contractor. A Contractor's Mini-Bid response shall continue to remain an effective offer, firm and irrevocable, subsequent to such 60 day period until either tentative award of the Authorized User Agreement by the Authorized User is made or withdrawal of the Contractor response in writing by the Contractor. Tentative award of the Authorized User Agreement shall consist of written notice to that effect by an Authorized User to a successful Contractor, who shall thereupon be obligated to execute a formal Authorized User Agreement.
