4.17 Contractor Requirements and Procedures For Business Participation Opportunities For NYS Certified Minority- and Women-Owned Business Enterprises and Equal Employment Opportunities for Minority Group Members and Women

I. New York State Law

Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations (“NYCRR”), the New York State Office of General Services (“OGS”) is required to promote opportunities for the maximum feasible participation of New York State-certified Minority- and Women-owned Business Enterprises (“MWBEs”) and the employment of minority group members and women in the performance of OGS contracts.

II. General Provisions

- A. OGS is required to implement the provisions of New York State Executive Law Article 15-A and 5 NYCRR Parts 140-145 (“MWBE Regulations”) for all State contracts as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.
- A. The Contractor agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to OGS, to fully comply and cooperate with OGS in the implementation of New York State Executive Law Article 15-A and the regulations promulgated thereunder. These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for MWBEs. Contractor’s demonstration of “good faith efforts” pursuant to 5 NYCRR §142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the “Human Rights Law”) or other applicable federal, State or local laws.
- B. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, a finding of non-responsibility, breach of contract, withholding of funds, liquidated damages pursuant to clause IX of this section, and/or enforcement proceedings as allowed by the Contract and applicable law.

III. Equal Employment Opportunity (EEO)

- A. The provisions of Article 15-A of the Executive Law and the rules and regulations promulgated thereunder pertaining to equal employment opportunities for minority group members and women shall apply to all Contractors, and any subcontractors, awarded a subcontract over \$25,000, for labor, services, including legal, financial and other professional services, travel, supplies, equipment, materials, or any combination of the foregoing, to be performed for, or rendered or furnished to, the contracting State agency (the “Work”) except where the Work is for the beneficial use of the Contractor.
 - 1. Contractor and subcontractors shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation. This requirement does not apply to: (i) the performance of work or the provision of services or any other activity that is unrelated, separate or distinct from the Contract; or (ii) employment outside New York State.
 - 1. By entering into this Contract, Contractor certifies that the text set forth in clause 12 of Appendix A, attached hereto and made a part hereof, is Contractor’s equal employment opportunity policy. In addition, Contractor agrees to comply with the Non-Discrimination Requirements set forth in clause 5 of Appendix A.
- A. Form EEO 100 - Staffing Plan.
To ensure compliance with this section, the Contractor agrees to submit or has submitted with the Bid a staffing plan on Form EEO 100 to OGS to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and federal occupational categories.
- B. Form EEO 101 - Workforce Utilization Reporting Form (Commodities and Services) (“Form EEO-101-Commodities and Services”)

1. The Contractor shall submit, and shall require each of its subcontractors to submit, a Form EEO-101-Commodities and Services to OGS to report the actual workforce utilized in the performance of the Contract by the specified categories listed including ethnic background, gender, and Federal occupational categories. The Form EEO-101-Commodities and Services must be submitted electronically to OGS at EEO_CentCon@ogs.ny.gov on a quarterly basis during the term of the Contract by the 10th day of April, July, October, and January.
 1. Separate forms shall be completed by Contractor and any subcontractor.
 2. In limited instances, the Contractor or subcontractor may not be able to separate out the workforce utilized in the performance of the Contract from its total workforce. When a separation can be made, the Contractor or subcontractor shall submit the Form EEO-101-Commodities and Services and indicate that the information provided relates to the actual workforce utilized on the Contract. When the workforce to be utilized on the Contract cannot be separated out from the Contractor's or subcontractor's total workforce, the Contractor or subcontractor shall submit the Form EEO-101-Commodities and Services and indicate that the information provided is the Contractor's or subcontractor's total workforce during the subject time frame, not limited to work specifically performed under the Contract.
- C. Contractor shall comply with the provisions of the Human Rights Law, all other State and federal statutory and constitutional non-discrimination provisions. Contractor and subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

IV. Contract Goals

- A. OGS hereby establishes an overall goal of 30% for MWBE participation, 15% for Minority-Owned Business Enterprises (“MBE”) participation and 15% for Women-Owned Business Enterprises (“WBE”) participation (based on the current availability of qualified MBEs and WBEs). The total Contract goal can be obtained by utilizing any combination of MBE and /or WBE participation for subcontracting and supplies acquired under the Contract.
- A. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the Contract goals established in clause IV-A hereof, Contractor should reference the directory of New York State Certified MWBEs found at the following internet address:
<https://ny.newnycontracts.com/FrontEnd/VendorSearchPublic.asp?TN=ny&XID=2528>. The MWBE Regulations are located at 5 NYCRR § 140 – 145. Questions regarding compliance with MWBE participation goals should be directed to the Designated Contacts within the OGS Office of Minority- and Women Owned Businesses Enterprises. Additionally, following Contract execution, Contractor is encouraged to contact the Division of Minority and Women’s Business Development ((518) 292-5250; (212) 803-2414; or (716) 846-8200) to discuss additional methods of maximizing participation by MWBEs on the Contract.
- B. Contractor must document “good faith efforts” to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of the Contract (see clause VII below).

V. MWBE Utilization Plan

- A. In accordance with 5 NYCRR § 142.4, Bidders are required to submit a completed Utilization Plan on Form MWBE 100 with their bid.
- A. The Utilization Plan shall list the MWBEs the Bidder intends to use to perform the Contract, a description of the Contract scope of work the Bidder intends the MWBE to perform to meet the goals on the Contract, the estimated or, if known, actual dollar amounts to be paid to an MWBE. By signing the Utilization Plan, the Bidder acknowledges that making false representations or including information evidencing a lack of good faith as part of, or in conjunction with, the submission of a Utilization Plan is prohibited by law and may result in penalties including, but not limited to, termination of a contract for cause, loss of eligibility to submit future bids, and/or withholding of payments. Any modifications or changes to the agreed participation by New York State Certified

MWBEs after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to OGS.

- C. By entering into the Contract, Bidder/Contractor understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. When an MWBE is serving as a broker on the Contract, only 25 percent of all sums paid to a broker shall be deemed to represent the commercially useful function performed by the MWBE
- D. OGS will review the submitted MWBE Utilization Plan and advise the Bidder of OGS acceptance or issue a notice of deficiency within 30 days of receipt.
- E. If a notice of deficiency is issued; Bidder agrees that it shall respond to the notice of deficiency, within seven (7) business days of receipt, by submitting to OGS a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by OGS to be inadequate, OGS shall notify the Bidder and direct the Bidder to submit, within five (5) business days of notification by OGS, a request for a partial or total waiver of MWBE participation goals on Form BDC 333. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.
- F. OGS may disqualify a Bidder's bid/proposal as being non-responsive under the following circumstances:
 - (a) If a Bidder fails to submit an MWBE Utilization Plan;
 - (b) If a Bidder fails to submit a written remedy to a notice of deficiency;
 - (c) If a Bidder fails to submit a request for waiver; or
 - (d) If OGS determines that the Bidder has failed to document good faith efforts.
- G. If awarded a Contract, Contractor certifies that it will follow the submitted MWBE Utilization Plan for the performance of MWBEs on the Contract pursuant to the prescribed MWBE goals set forth in clause IV-A of this Section.
- H. Bidder/Contractor further agrees that a failure to submit and/or use such completed MWBE Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, OGS shall be entitled to any remedy provided herein, including but not limited to, a finding of Contractor non-responsiveness.

VI. Request for Waiver

- A. Prior to submission of a request for a partial or total waiver, Bidder/Contractor shall speak to the Designated Contacts of the OGS Office of Minority- and Women-Owned Business Enterprises for guidance.
- B. In accordance with 5 NYCRR § 142.7, a Bidder/Contractor who is able to document good faith efforts to meet the goal requirements, as set forth in clause VII below, may submit a request for a partial or total waiver on Form BDC 333, accompanied by supporting documentation. A Bidder may submit the request for waiver at the same time it submits its MWBE Utilization Plan. If a request for waiver is submitted with the MWBE Utilization Plan and is not accepted by OGS at that time, the provisions of clauses V(C), (D) & (E) will apply. If the documentation included with the Bidder's/Contractor's waiver request is complete, OGS shall evaluate the request and issue a written notice of acceptance or denial within twenty (20) business days of receipt.
- C. Contractor shall attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract award may be made at any time during the term of the Contract to OGS, but must be made no later than prior to the submission of a request for final payment on the Contract.
- D. If OGS, upon review of the MWBE Utilization Plan and Monthly MWBE Contractor Compliance Reports determines that Contractor is failing or refusing to comply with the contract goals and no waiver has been issued in regards to such non-compliance, OGS may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE contract goals.

VII. Required Good Faith Efforts

In accordance with 5 NYCRR § 142.8, Contractors must document their good faith efforts toward utilizing MWBEs on the Contract. Evidence of required good faith efforts shall include, but not be limited to, the following:

1. A list of the general circulation, trade and MWBE-oriented publications and dates of publications in which the Contractor solicited the participation of certified MWBEs as subcontractors/suppliers, copies of such solicitations and any responses thereto.
2. A list of the certified MWBEs appearing in the Empire State Development (“ESD”) MWBE directory that were solicited for this Contract. Provide proof of dates or copies of the solicitations and copies of the responses made by the certified MWBEs. Describe specific reasons that responding certified MWBEs were not selected.
3. Descriptions of the Contract documents/plans/specifications made available to certified MWBEs by the Contractor when soliciting their participation and steps taken to structure the scope of work for the purpose of subcontracting with, or obtaining supplies from, certified MWBEs.
4. A description of the negotiations between the Contractor and certified MWBEs for the purposes of complying with the MWBE goals of this Contract.
5. Dates of any pre-bid, pre-award or other meetings attended by Contractor, if any, scheduled by OGS with certified MWBEs whom OGS determined were capable of fulfilling the MWBE goals set in the Contract.
6. Other information deemed relevant to the request.

VIII. Monthly MWBE Contractor Compliance Report

- A. In accordance with 5 NYCRR § 142.10, Contractor is required to report Monthly MWBE Contractor Compliance to OGS during the term of the Contract for the preceding month’s activity, documenting progress made towards achievement of the Contract MWBE goals. OGS requests that all Contractors use the New York State Contract System (“NYSCS”) to report subcontractor and supplier payments made by Contractor to MWBEs performing work under the Contract. The NYSCS may be accessed at <https://ny.newnycontracts.com/>. This is a New York State-based system that all State agencies and authorities will be implementing to ensure uniform contract compliance reporting throughout New York State.
- A. When a Contractor receives a payment from a State agency, it is the Contractor’s responsibility to pay its subcontractors and suppliers in a timely manner. On or after the first day of each month, the Contractor will receive an email or fax notification (“audit notice”) indicating that a representative of its company needs to log-in to the NYSCS to report the company’s MWBE subcontractor and supplier payments for the preceding month. The Contractor must also report when no payments have been made to a subcontractor or supplier in a particular month with entry of a zero dollar value in the NYSCS. Once subcontractor and supplier payments have been entered into the NYSCS, the subcontractor(s) and supplier(s) will receive an email or fax notification advising them to log into the NYSCS to confirm that they actually received the reported payments from the Contractor. It is the Contractor’s responsibility to educate its MWBE subcontractors and suppliers about the NYSCS and the need to confirm payments made to them in the NYSCS.
- B. To assist in the use of the NYSCS, OGS recommends that all Contractors and MWBE subcontractors and suppliers sign up for the following two webinar trainings offered through the NYSCS: “**Introduction to the System - Vendor training**” and “**Contract Compliance Reporting - Vendor Training**” to become familiar with the NYSCS. To view the training schedule and to register visit: <https://ny.newnycontracts.com/events.asp>
- C. As soon as possible after the Contract is approved, Contractor should visit <https://ny.newnycontracts.com> and click on “**Account Lookup**” to identify the Contractor’s account by company name. Contact information should be reviewed and updated if necessary by choosing “**Change Info.**” It is important that the staff member who is responsible for reporting payment information for the Contractor be listed as a user in the NYSCS. Users who are not already listed may be added through “**Request New User.**” When identifying the person responsible, please

add “- **MWBE Contact**” after his or her last name (i.e., John Doe – MWBE Contact) to ensure that the correct person receives audit notices from the NYSCS. NYSCS Technical Support should be contacted for any technical support questions by clicking on the links for “Contact Us & Support” then “Technical Support” on the NYSCS website.

- D. If Contractor is unable to report MWBE Contractor Compliance via the NYSCS, Contractor must submit a Monthly MWBE Contractor Compliance Report on Form MWBE 102 to OGS, by the 10th day of each month during the term of the Contract, for the preceding month’s activity to: OGS MWBE Office, 29th floor Corning Tower, Empire State Plaza, Albany, NY 12242. Phone: 518-486-9284; Fax: 518-486-9285.
- E. It is the Contractor’s responsibility to report subcontractor and supplier payments. Failure to respond to payment audits in a timely fashion through the NYSCS, or by paper to OGS, may jeopardize future payments pursuant to the MWBE liquidated damages clause in clause IX below.

IX. Breach of Contract and Liquidated Damages

A. Where OGS determines that the Contractor is not in compliance with the requirements of this Contract, and the Contractor refuses to comply with such requirements, or if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, the Contractor shall be obligated to pay liquidated damages to OGS.

A. Such liquidated damages shall be calculated as an amount equaling the difference between:

1. All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and
1. All sums actually paid to MWBEs for work performed or materials supplied under the Contract.

B. If OGS determines that Contractor is liable for liquidated damages and such identified sums have not been withheld by OGS, Contractor shall pay such liquidated damages to OGS within sixty (60) days after they are assessed. Provided, however, that if the Contractor has filed a complaint with the Director of the Division of Minority and Women’s Business Development pursuant to 5 NYCRR § 142.12, liquidated damages shall be payable only in the event of a determination adverse to the Contractor following the complaint process.

X. Fraud

Any suspicion of fraud, waste, or abuse involving the contracting or certification of MWBEs shall be immediately reported to ESD’s Division of Minority and Women’s Business Development at (855) 373-4692.

ALL FORMS ARE AVAILABLE AT: <https://www.ogs.ny.gov/MWBE/Forms.asp>

10. Section 4.22 Price Adjustments for OGS Centralized Contracts is deleted in its entirety and replaced by the following:

Pricing offered with the Vendor Submission shall be fixed for the first twelve (12) months of the Contract term. Commencing with the first anniversary date of the Contract Execution Date, and annually thereafter, the Contractor may update the pricelist to reflect Contractor price changes. Such price increases will only apply to the OGS Centralized Contracts and shall not be applied retroactively to Authorized User Agreements or any Mini-bids already submitted to an Authorized User.

Requests for price adjustments shall be submitted 30 days prior to the anniversary date of the Contract Execution Date and annually thereafter. Should the Contractor fail to make a request and submit supporting documentation to OGS Procurement Services within 90 days after the applicable anniversary date of the Contract Execution Date, the Contractor shall be deemed to have waived its right to any increase in price for that year. Requests from Contractor(s) for price increases at any other time will not be granted. The Contractor shall provide OGS with one electronic copy of the updated pricing. No Price updates will be granted to any Contractor who has outstanding Sales Reports, Proof of Insurance or any other documentation that is required under the Contract.

4.22.1 Price Decreases

Contractor shall be permitted to reduce their pricing any time during the contract term. Additionally, some price decreases shall be calculated in accordance with Appendix B, section 17, Pricing.

4.22.2 Price Increases

This section applies to pricing not Benchmarked to GSA Supply Schedule. Additionally, where pricing submitted for Services is not benchmarked to an approved GSA Supply Schedule:

a. Price Increase Requests: Commencing with the first anniversary date of the Contract Execution Date, and annually thereafter, the Contractor may request an increase in the pricing contained in Appendix D, Pricing Schedule by submitting an update request based on changes in pricing level as contained in Appendix C, Contract Modification Procedure to the OGS Contract Administrator.

(i) CPI Price Increase:

The Contractor may request a rate increase based upon fluctuations in the latest available National Consumer Price Index - All Urban Consumers (CPI-U), Not Seasonally Adjusted, U.S. City Average, All Items (Series Id: CUUR0000SA0, CUUS0000SA0); as published by the U.S. Department of Labor, Bureau of Labor Statistics, Washington, D.C. 20212. CPI-U data may be obtained at www.bls.gov.

The Contractor is solely responsible for notifying OGS Procurement Services that the Contractor wishes to receive the CPI rate change to submit a request for the adjusted rate on the applicable Contract Execution anniversary Date; and Contractor shall provide a copy of the index, a completed Appendix C - Contract Modification Procedure and other supporting documentation necessary to support the increase to OGS Procurement Services.

Price adjustments using the CPI involve changing the base payment by the percent change in the level of the CPI for the current year compared to the previous year. This is calculated by first determining the index point change between the two periods and then the percent change. The price adjustment shall be calculated as follows: Take the CPI value for the current period and subtract the CPI value for the previous period. The difference is then divided by the previous period CPI value and this result is then multiplied by 100 to equal the percent change which is the price adjustment value. This percentage change shall be applied to the next Contract year, upon notification from OGS Procurement Services.

The following example illustrates the computation of percent change:

CPI for current period	185.2
Less CPI for previous period	181.7
Equals index point change	3.5
Divided by previous period CPI	181.7
Equals	0.0192
Result multiplied by 100	<u>0.019 x 100</u>
Equals percent change	1.9

The “CPI for current period” shall be the index in effect at the time the Contract pricelist update request is received; “CPI for previous period” shall be the index in effect when the Contract pricelist was last updated. Increases are not cumulative. Price increases are limited to the prior year prices only.

With any price increase request, in addition to the requirements contained in Appendix C, the Contractor must certify in writing that the price change for the Product(s) is the same as or better than the pricing in its U.S. Commercial Price List, and that Contractor documents the request to the satisfaction of the State. Should the Contractor not have a U.S. Commercial Price List, it must include a copy of the government contract containing the job titles and rates that are to be adjusted. In no case may the pricing adjustment conflict with the Escalation Cap in section 4.23.2.b.

b. Escalation Cap: In a single year of the Contract, the maximum price increase for each individual item on contract shall not exceed the lesser of two (2%) percent of the Contractor’s current NYS pricing as found in the OGS Centralized Contract or the percent increase in the latest available National Consumer Price Index - All Urban Consumers (CPI-U), Not Seasonally Adjusted, U.S. City Average, All Items (Series Id: CUUR0000SA0, CUUS0000SA0); as published by the U.S. Department of Labor, Bureau of Labor Statistics, Washington, D.C. 20212. CPI-U data may be obtained at www.bls.gov.

c. Effective Date of Increase: Price increases shall be effective upon final approval by the State, and may not be posted on the pricelist prior to receipt of final approval.

4.22.3 GSA Benchmarked Pricing

Additionally, where the NYS Net Price is based upon an approved GSA Supply Schedule:

a. Associated Discounts: The State is entitled to all associated discounts enumerated in the GSA Supply Schedule (including, but not limited to, discounts for additional sites and volume discounts), as well as any other pricing or discount terms as are expressly enumerated in this NYS Contract or GSA schedule, when calculating the NYS Net Price.

b. Industrial Funding Fee: GSA pricing incorporates a sum referred to as the “GSA Industrial Funding Fee” (IFF). The NYS Net Price may be calculated by reducing the published GSA price, after the discounts, if any, set forth in paragraph (1) above, downward by the amount of the Industrial Funding Fee, currently set at 0.75%. Therefore, as an example, the NYS Net Price shall be calculated by multiplying 0.9925 times the GSA price.

c. Pricing Increase Requests: Commencing with the first anniversary date of the Contract Execution Date, and annually thereafter, the Contractor may request an increase in the pricing contained in the Centralized Contract by submitting an update request based on change in pricing level as contained in Appendix C, Contract Modification Procedure to the OGS Contract Administrator. With any price increase request, in addition to the requirements contained in Appendix C, the Contractor must certify in writing that the price change for the Services is the same as its pricing in its GSA Supply Schedule, and that Contractor documents the request to the satisfaction of the State.

d. Effective Date of Increase: Price increases shall be effective upon final approval by the State, and may not be posted by Contractor prior to receipt of final approval.

11. Section 4.25 Environmental Attributes and NYS Executive Order Number 4 is inserted as follows:

4.25 Environmental Attributes and NYS Executive Order Number 4

New York State is committed to environmental sustainability and endeavors to procure Products with reduced environmental impact. One example of this commitment may be found in Executive Order No. 4 (Establishing a State Green Procurement and Agency Sustainability Program), which imposes certain requirements on State Agencies, authorities, and public benefit corporations when procuring Products. More information on Executive Order No. 4, including specifications for offerings covered by this Contract, may be found at <https://www.ogs.ny.gov/greenny/>. State entities subject to Executive Order No. 4 are advised to become familiar with the specifications that have been developed in accordance with the Order, and to incorporate them, as applicable, when making purchases under this Contract.

12. The following sections of Section 4 OGS Centralized Contract: Terms and Conditions have been renumbered as depicted in the following chart:

Current	Amended	Section Title
4.25	4.26	Severability
4.26	4.27	Entire Agreement

13. Section 6.5.1(a) Issue Escalation Plan is inserted as follows:

As part of the Mini-Bid, the Authorized User may require the Contractor to develop and submit an issue escalation plan. The escalation plan should describe how the Contractor will manage any resulting Authorized User Agreement to ensure uninterrupted, high quality performance and overall contract effectiveness.

The plan must at a minimum:

- Detail action(s) to be taken to investigate any issues reported by an Authorized User;
- Describe the process used to monitor and investigate any issues identified by the Contractor, and to notify an Authorized User of any such issues identified by the Contractor;
- Describe how the Contractor will ensure an issue is addressed and resolved in a timely manner, and Authorized User Agreement terms and conditions, as well as any terms and conditions unique to an Authorized User Agreement, are met; and
- Include a depiction of the chain of command for purposes of escalation, including at each level of the chain, a named contact, specifying the contact's title, role, phone number and email address.

14. Contractor Responsibility

In conjunction with this Contract Extension Agreement, OGS conducts a review of Contractors to provide reasonable assurances that the Contractor is responsive and responsible. A For-Profit Business Entity Questionnaire (hereinafter "Questionnaire") is used for non-construction Contracts and is designed to provide information to assess a Contractor's responsibility to conduct business in New York based upon financial and organizational capacity, legal authority, business integrity, and past performance history. By submitting a Contract Amendment, Contractor agrees to fully and accurately complete the Questionnaire. The Contractor acknowledges that the State's execution of the Contract Amendment will be contingent upon the State's determination that the Contractor is responsible, and that the State will be relying upon the Contractor's responses to the Questionnaire, in addition to all other information the State may obtain from other sources, when making its responsibility determination.

OGS recommends each Contractor file the required Questionnaire online via the New York State VendRep System. To enroll in and use the VendRep System, please refer to the VendRep System Instructions and User Support for Vendors available at the Office of the State Comptroller's (OSC) website at <http://www.osc.state.ny.us/vendors/index.htm> or to enroll, go directly to the VendRep System online at <https://portal.osc.state.ny.us>.

Contractor must provide their New York State Vendor Identification Number when enrolling. For information on how to request assignment of a Vendor ID, see the *NYS Vendor File Registration* section. OSC provides direct support for the VendRep System through user assistance, documents, online help, and a help desk. The OSC Help Desk contact information is located at <http://www.osc.state.ny.us/portal/contactbuss.htm>. Contractor opting to complete and submit the paper questionnaire can access this form and associated definitions via the OSC website at http://www.osc.state.ny.us/vendrep/forms_vendor.htm.

In order to assist the State in determining the responsibility of the Contractor prior to executing the Contract Amendment, the Contractor must complete and certify (or recertify) the Questionnaire no more than six (6) months prior to the Contract Extension date. A Contractor's Questionnaire cannot be viewed by OGS until the Contractor has certified the Questionnaire. It is recommended that all Contractors become familiar with all of the requirements of the Questionnaire in advance of the Contract Extension to provide sufficient time to complete the Questionnaire.

15. Procurement Lobbying Law:

A. By signing this Contract Extension Agreement, Contractor certifies that: a Government Entity has not made a finding of Non-Responsibility regarding the Contractor in the previous four years; a Government Entity has not terminated or withheld a Procurement Contract with the Contractor due to the intentional provision of false or incomplete information; and all information provided regarding State Finance Law §139-k is complete, true and accurate.

B. By signing this Contract Extension Agreement, Contractor further affirms that it understands and agrees to comply with the procedures of OGS relative to permissible Contacts as required by State Finance Law § 139-j (3) and (6) (b).

Pursuant to State Finance Law §139-j and 139-k, this Solicitation includes and imposes certain restrictions on communications between OGS and an Offerer/Bidder during the procurement process. An Offerer/Bidder is restricted from making contacts from the earliest notice of intent to solicit offers/Bids through final award and approval of the Procurement Contract by OGS and, if applicable, the Office of the State Comptroller (“restricted period”) to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law §139-j (3) (a). Designated staff, as of the date hereof, were identified in the Contact Extension Agreement Cover letter. OGS employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Offerer/Bidder pursuant to these two statutes.

Certain findings of Non-Responsibility can result in rejection for contract award and in the event of two findings within a four-year period; the Offerer/Bidder is debarred from obtaining governmental Procurement Contracts. Further information about these requirements can be found on the OGS website:

http://www.ogs.ny.gov/aboutOgs/regulations/defaultSFL_139j-k.asp

17. Entire Agreement

The Contract, as amended, constitutes the entire agreement of the Parties with respect to the subject matter thereof, and any further amendment must also be in writing executed by authorized representatives of the Parties. Except as set forth in this Agreement, all terms and conditions of the Contract shall continue in full force and effect.

1 Introduction

1.1 Overview and Purpose of This Contract

This Contract is executed by the New York State Office of General Services (OGS), a New York State (NYS) agency authorized by law to issue Centralized Contracts for use by NYS Agencies and other Authorized Users.

This Contract establishes Centralized Contracts with Vendors to provide Project Based Information Technology Consulting Services to NYS Authorized Users on a statewide basis.

The Centralized Contract establishes a set of standardized terms and conditions, guidelines, processes, and templates for the development, distribution, and award of deliverable-based and fixed-price information technology projects, at the transactional level, through a Mini-Bid process. The Contractor agrees to the terms and conditions set forth in this Centralized Contract and the Contractor is willing to provide such services as set forth herein to Authorized Users

The Centralized Contract sets forth a two-step process for each transaction. The first step is the establishment of the centralized contract, through a non-competitive periodic recruitment process. The second step will be competitive, based on the development of a specific project by an Authorized User in accordance with the contractual terms. Information Technology Project needs will be identified by an Authorized User, and documented in a Statement of Work (SOW). The project will then be distributed to Contractors based on specific Lot(s), via the Mini-Bid process. An award shall be based on best-value.

The Mini-Bid award will result in an Authorized User Agreement for Project Based Information Technology Consulting Services. Each Authorized User Agreement for Project Based Information Technology Consulting Services will be governed first by the terms and conditions specified in the OGS Centralized Contract and second by terms and conditions added to the Authorized User Mini-Bid. See Appendix B, section 28 regarding modification of Contract terms.

Services available under the resultant Contracts will be separated into three (3) distinct Lots. The lot(s) Contractor was awarded are identified in Appendix G, Contractor and OGS Information.

1.2 In-Scope Projects

Project Based Information Technology (IT) Consulting Services required by an Authorized User must be obtained via a Mini-Bid process under this Contract. The Authorized User shall issue a Mini-Bid with a SOW for the required Project Based IT Consulting Services. A Mini-Bid may include, but will not be limited to, projects requiring: analysis, data classification, design, development, testing, quality assurance, security and associated customized training for IT based applications.

Additional examples of in-scope projects include, but are not limited to:

- Technical architecture advisory services;
- Business analysis for project development;
- Proprietary software application development/customization, programming and integration;
- Data information management (including data migration, data conversion, data manipulation, data integration);
- Project management project support services - including, but not limited to; project management, project quality assurance and control, and Independent Verification & Validation (IV&V);

- Disaster recovery/business continuity and testing;
- Quality assurance;
- Continuity of operations planning (COOP);
- Data categorization; and
- Open-source software implementation.

1.3 Out-of-Scope Work

There are service offerings expressly excluded from the scope of these contracts. In many instances, such services and/or offerings are (or will be) covered by another OGS Centralized Contract.

Examples include:

- Staff augmentation services;
- Time and material services;
- Web hosting;
- Automated network monitoring or any other service provided principally through an automated process;
- Hardware maintenance and support;
- Software maintenance and support;
- Ongoing maintenance and support;
- Services priced on a per asset basis;
- Services priced on a contingency basis;
- Equipment maintenance;
- Prepackaged training courses;
- E-Learning;
- Managed services;
- Acquisition of equipment (hardware)
- Acquisition of software, either Commercial off-the-shelf (COTS) software or pre-existing software;
- Acquisition of non-consulting services, such as network provisioning, voice services (local, long-distance), or video bridging;
- Cloud based or “As a Service” offerings, including but not limited to SaaS, IaaS, PaaS, and XaaS;
- Any offering that is a combination of equipment, hardware, software, cloud or “as a service offerings”; and
- Consulting or other installation work which is considered Public Works is excluded from purchase under the scope of this Contract. Historically, the New York State Bureau of Public Works has maintained that installation, maintenance and repair of equipment attached to any wall, ceiling or floor or affixed by hard wiring or plumbing is public work. In contrast, installation of a piece of equipment which is portable or a “plug-in” free-standing unit would not be considered public work. Thus, this Contract does not authorize installation where the equipment becomes a permanent part of the building structure, or is otherwise incorporated into the fabric of the building (i.e. installation on a wall, ceiling or floor in a fixed location, or affixed by hard-wiring or plumbing). See Appendix A, Clause 6, Wage and Hours Provisions. For questions about whether a proposed work constitutes public work, please contact the New York State Department of Labor’s Bureau of Public Work District Office in a specific area. A listing of district offices and contact information is available at <http://www.labor.ny.gov/workerprotection/publicwork/PWContactUs.shtml>.

2.10 Terms and Conditions

The following terms and conditions apply:

- Responsive and responsible Vendors will be offered a contract with uniform Terms and Conditions;
- OGS reserves the right to start contracts on a rolling basis;
- All OGS Centralized Contracts will expire on the same date, regardless of start date; and
- All Authorized User Agreements shall be no longer than three (3) years in duration.

2.11 Periodic Recruitment

The State reserves the right to add new Contractors during the term of the Centralized Contract via periodic recruitment. It is at the discretion of OGS when a future periodic recruitment shall commence. OGS will formally announce when the periodic recruitment Solicitation is issued. Public announcements will be made through all standard means including, but not limited to: the NYS Contract Reporter; and OGS website.

A Contractor shall be required to submit such Submission documentation as required by OGS, as detailed in the Submission Checklist, which may include additional applicable statutory requirements currently in effect at the time of the Periodic Recruitment. If a Contractor Submission for a Lot is

deemed non-responsive under any Periodic Recruitment, a Contractor cannot reapply for that Contract Lot until the next Periodic Recruitment is opened.

All OGS Centralized Contracts awarded under the Periodic Recruitment will commence upon OGS approval. All Contracts will co-terminate on the then current end date of the Centralized Contract or at the end of any approved extension or renewal period.

If a Contractor chooses not to provide a Submission for a Lot (during this Solicitation period or any subsequent Periodic Recruitment(s)), or was not previously approved for a specific Lot, such Contractor will be required to wait for the next Periodic Recruitment in order to provide a Submission to add any Lot to the Contractor's Contract. For example:

- If the Contractor initially provided a Vendor Submission for Lot 1 and later wants to add Lot 2, the Contractor would need to wait for the next Periodic Recruitment to submit a complete Submission proposing the addition of Lot 2 to the Contractor's Contract.

3 Vendor Qualifications

3.1 Minimum Qualifications

Based on the Contractor's submission, OGS has determined that Contractor met the minimum qualifications for the lot(s) as identified in Appendix G, Contractor and OGS Information.

If Contractor is awarded Lot 1 as a New York State Certified Minority- or Women- Owned Business Enterprise or as a New York State Small Business, Contractor agrees that it must retain at least one of such statuses to retain its Lot 1 award. Should a Contractor no longer retain at least one of such statuses, OGS shall suspend its Lot 1 award and the Contractor shall not be able to respond to Authorized User's requests. If the Contractor fails to regain at least one of the statuses within 90 calendar days and provide OGS with documentation of such status, then its Lot 1 award shall be terminated. Any transaction awarded prior to Contractor's loss of such statuses may continue until completion, unless otherwise terminated in accordance with this Contract.

3.2 Reasonableness of Price

The Contractor demonstrated that all the New York maximum not to exceed rates are reasonable. In accordance with Appendix B, section 17, Pricing, Contractor shall notify OGS when it provides pricing for its consulting services upon the same or similar terms and conditions as that of this Contract at a lower price to a federal, state or local governmental entity.

3.3 New York State Vendor Responsibility

The Contractor shall at all times during the Contract term remain responsible. The Contractor agrees, if requested by the Commissioner of OGS or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

The Commissioner of OGS or his or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of OGS or his or her designee issues a written notice authorizing a resumption of performance under the Contract.

The Contractor agrees that if it is found by the State that the Contractor's responses to the Questionnaire were intentionally false or intentionally incomplete, on such finding, the Commissioner may terminate the Contract.

Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate OGS officials or staff, the Contract may be terminated by the Commissioner of OGS or his or her designee at the Contractor's expense where the Contractor is determined by the Commissioner of OGS or his or her designee to be non-responsible. In such event, the Commissioner of OGS or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

In no case shall such termination of the Contract by the State be deemed a breach thereof, nor shall the State be liable for any damages for lost profits or otherwise, which may be sustained by the Contractor as a result of such termination.

3.4 Tax Law Section 5-A

Section 5-a of the Tax Law, requires certain Contractors awarded State Contracts for commodities, services and technology valued at more than \$100,000 to certify to the NYS Department of Taxation and Finance (DTF) that they are registered to collect New York State and local sales and compensating use taxes. The law applies to Contracts where the total amount of such Contractors' sales delivered into New York State are in excess of \$300,000 for the four quarterly periods immediately preceding the

quarterly period in which the certification is made, and with respect to any affiliates and subcontractors whose sales delivered into New York State exceeded \$300,000 for the four quarterly periods immediately preceding the quarterly period in which the certification is made.

A Vendor is required to file the completed and notarized Form ST-220-CA with OGS certifying that the Vendor filed the ST-220-TD with the NYS Department of Taxation and Finance (DTF). Please note that the NYS Department of Taxation and Finance should receive the completed Form ST-220-TD, not OGS. OGS should only receive the Form ST-220-CA. Proposed Contractors should complete and return the certification forms within five (5) business days of request (if the forms are not completed and returned with Vendor Submission). Failure to make either of these filings may render a Vendor non-responsive and non-responsible. Each Vendor shall take the necessary steps to provide properly certified forms within a timely manner to ensure compliance with the law.

Website links to the Contractor certification forms and instructions are provided below. Form No. ST-220-TD must be filed with and returned directly to DTF and can be found at http://www.tax.ny.gov/pdf/current_forms/st/st220td_fill_in.pdf. Unless the information upon which the ST-220-TD is based changes, this form only needs to be filed once with DTF. If the information changes for the Contractor, its affiliate(s), or its subcontractor(s), a new Form No. ST-220-TD must be filed with DTF.

Form ST-220-CA must be submitted to OGS. This form provides the required certification that the Contractor filed the ST-220-TD with DTF. This form can be found at http://www.tax.ny.gov/pdf/current_forms/st/st220ca_fill_in.pdf.

Vendors may call DTF at 518-485-2889 for any and all questions relating to §5-a of the Tax Law and relating to a company's registration status with the DTF. For additional information and frequently asked questions, please refer to the DTF web site: <http://www.tax.ny.gov>.

Chapter 10 of the Laws of 2006 amended the Civil Service Law and the State Finance Law, relative to maintaining certain information concerning Contract Employees working under State Agency service and consulting Contracts. State Agency consultant Contracts are defined as "Contracts entered into by a state Agency for *analysis, evaluation, research, training, data processing, computer programming, engineering, environmental health and mental health services, accounting, auditing, paralegal, legal, or similar services*" ("covered consultant Contract" or "covered consultant services"). 4.17 Contractor Requirements and Procedures For Equal Employment and Business Participation Opportunities For Minority Group Members and New York State Certified Minority- And Women-Owned Business Enterprises

I. Policy Statement

The New York State Office of General Services (“OGS”), as part of its responsibility, recognizes the need to promote the employment of minority group members and women and to ensure that certified minority- and women-owned business enterprises have opportunities for maximum feasible participation in the performance of OGS contracts.

In 2006, the State of New York commissioned a disparity study to evaluate whether minority- and women-owned business enterprises had a full and fair opportunity to participate in State contracting. The findings of the study were published on April 29, 2010, under the title “The State of Minority- and Women-Owned Business Enterprises: Evidence from New York” (the “Disparity Study”). The Disparity Study found evidence of statistically significant disparities between the level of participation of minority- and women-owned business enterprises in State procurement contracting versus the number of minority- and women-owned business enterprises that were ready, willing and able to participate in State procurements. As a result of these findings, the Disparity Study made recommendations concerning the implementation and operation of the Statewide certified minority- and women-owned business enterprises program. The recommendations from the Disparity Study culminated in the enactment and the implementation of New York State Executive Law Article 15-A, which requires, among other things, that OGS establish goals for maximum feasible participation of New York State certified minority- and women-owned business enterprises (“MWBE”) and the employment of minority groups members and women in the performance of New York State contracts.

II. General Provisions

- A. OGS is required to implement the provisions of New York State Executive Law Article 15-A and 5 NYCRR Parts 140-145 (“MWBE Regulations”) for all State contracts as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.
- B. The Contractor agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to OGS, to fully comply and cooperate with OGS in the implementation of New York State Executive Law Article 15-A. These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for New York State Certified minority- and women-owned business enterprises (“MWBEs”). Contractor’s demonstration of “good faith efforts” pursuant to 5 NYCRR §142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the “Human Rights Law”) or other applicable federal, State or local laws.
- C. The Contractor further agrees to be bound by the provisions of Article 15-A and the MWBE Regulations. If any of these terms or provisions conflict with applicable law or regulations, such laws and regulations shall supersede these requirements.
- D. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility, breach of contract, withholding of funds, liquidated damages

pursuant to clause IX of this section and/or enforcement proceedings as allowed by the Contract.

III. Equal Employment Opportunity (EEO)

- A. Contractor shall comply with the provisions of Article 15-A set forth below. These provisions apply to all Contractors, and any subcontractors, awarded a subcontract over \$25,000, for labor, services, including legal, financial and other professional services, travel, supplies, equipment, materials, or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting State agency (the "Work") except where the Work is for the beneficial use of the Contractor.
1. Contractor and subcontractors shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation. This requirement does not apply to: (i) the performance of work or the provision of services or any other activity that is unrelated, separate or distinct from the Contract; or (ii) employment outside New York State.
 2. By entering into this Contract, Contractor certifies that the text set forth in clause 12 of Appendix A, attached hereto and made a part hereof, is Contractor's equal employment opportunity policy.
- B. Form EEO 100 - Staffing Plan.
To ensure compliance with this section, the Contractor agrees to submit or has submitted with the Bid a staffing plan on Form EEO 100 to OGS to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and federal occupational categories.
- C. Form EEO 101 - Workforce Utilization Reporting Form (Commodities and Services) ("Form EEO-101-Commodities and Services")
1. The Contractor shall submit, and shall require each of its subcontractors to submit, a Form EEO-101-Commodities and Services to OGS to report the actual workforce utilized in the performance of the Contract by the specified categories listed including ethnic background, gender, and Federal occupational categories. The Form EEO-101-Commodities and Services must be submitted electronically to OGS at EEO_CentCon@ogs.ny.gov on a quarterly basis during the term of the Contract by the 10th day of April, July, October, and January.
 2. Separate forms shall be completed by Contractor and any subcontractor.
 3. In limited instances, the Contractor or subcontractor may not be able to separate out the workforce utilized in the performance of the Contract from its total workforce. When a separation can be made, the Contractor or subcontractor shall submit the Form EEO-101-Commodities and Services and indicate that the information provided relates to the actual workforce utilized on the Contract. When the workforce to be utilized on the Contract cannot be separated out from the Contractor's or subcontractor's total workforce, the Contractor or subcontractor shall submit the Form EEO-101-Commodities and Services and indicate that the information provided is the Contractor's or subcontractor's total workforce during the subject time frame, not limited to work specifically performed under the Contract.

- D. Contractor shall comply with the provisions of the Human Rights Law, all other State and federal statutory and constitutional non-discrimination provisions. Contractor and subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

IV. Contract Goals

- A. OGS hereby establishes an overall goal of 20% for MWBE participation, ___% for Minority-Owned Business Enterprises (“MBE”) participation and ___% for Women-Owned Business Enterprises (“WBE”) participation (based on the current availability of qualified MBEs and WBEs). The total Contract goal can be obtained by utilizing any combination of MBE and /or WBE participation for subcontracting and supplies acquired under the Contract.
- B. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the Contract goals established in clause IV-A hereof, Contractor should reference the directory of New York State Certified MWBEs found at the following internet address: <https://ny.newnycontracts.com/FrontEnd/VendorSearchPublic.asp?TN=ny&XID=2528>. The MWBE Regulations are located at 5 NYCRR § 140 – 145. Questions regarding compliance with MWBE participation goals should be directed to the Designated Contacts within the OGS Office of Minority- and Women Owned Businesses and Community Relations. Additionally, following Contract execution, Contractor is encouraged to contact the Division of Minority and Women’s Business Development ((518) 292-5250; (212) 803-2414; or (716) 846-8200) to discuss additional methods of maximizing participation by MWBEs on the Contract.
- C. Contractor must document “good faith efforts” to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of the Contract (see clause VII below).

V. MWBE Utilization Plan

- A. In accordance with 5 NYCRR § 142.4, Bidders are required to submit a completed Utilization Plan on Form MWBE 100 with their bid.
- B. The Utilization Plan shall list the MWBEs the Bidder intends to use to perform the Contract, a description of the Contract scope of work the Bidder intends the MWBE to perform to meet the goals on the Contract, the estimated or, if known, actual dollar amounts to be paid to a MWBE, and performance dates of each component of the Contract that the Bidder intends to be performed by a MWBE. By signing the Utilization Plan, the Bidder acknowledges that making false representations or including information evidencing a lack of good faith as part of, or in conjunction with, the submission of a Utilization Plan is prohibited by law and may result in penalties including, but not limited to, termination of a contract for cause, loss of eligibility to submit future bids, and/or withholding of payments. Any modifications or changes to the agreed participation by NYS Certified MWBEs after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to OGS.
- C. OGS will review the submitted MWBE Utilization Plan and advise the Bidder of OGS acceptance or issue a notice of deficiency within twenty (20) days of receipt.
- D. If a notice of deficiency is issued; Bidder agrees that it shall respond to the notice of deficiency, within seven (7) business days of receipt, by submitting to OGS a written remedy in response to

the notice of deficiency. If the written remedy that is submitted is not timely or is found by OGS to be inadequate, OGS shall notify the Bidder and direct the Bidder to submit, within five (5) business days of notification by OGS, a request for a partial or total waiver of MWBE participation goals on Form BDC 333. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

- E. OGS may disqualify a Bidder's bid/proposal as being non-responsive under the following circumstances:
- (a) If a Bidder fails to submit a MWBE Utilization Plan;
 - (b) If a Bidder fails to submit a written remedy to a notice of deficiency;
 - (c) If a Bidder fails to submit a request for waiver; or
 - (d) If OGS determines that the Bidder has failed to document good faith efforts.
- F. If awarded a Contract, Contractor certifies that it will follow the submitted MWBE Utilization Plan for the performance of MWBEs on the Contract pursuant to the prescribed MWBE goals set forth in clause IV-A of this Section.
- G. Bidder/Contractor further agrees that a failure to submit and/or use such completed MWBE Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, OGS shall be entitled to any remedy provided herein, including but not limited to, a finding of Contractor non-responsiveness.

VI. Request for Waiver

- A. Prior to submission of a request for a partial or total waiver, Bidder/Contractor shall speak to the Designated Contacts of the OGS Office of Minority- and Women-Owned Businesses and Community Relations for guidance.
- B. In accordance with 5 NYCRR § 142.7, a Bidder/Contractor who is able to document good faith efforts to meet the goal requirements, as set forth in clause VII below, may submit a request for a partial or total waiver on Form BDC 333, accompanied by supporting documentation. A Bidder may submit the request for waiver at the same time it submits its MWBE Utilization Plan. If a request for waiver is submitted with the MWBE Utilization Plan and is not accepted by OGS at that time, the provisions of clauses V(C), (D) & (E) will apply. If the documentation included with the Bidder's/Contractor's waiver request is complete, OGS shall evaluate the request and issue a written notice of acceptance or denial within twenty (20) days of receipt.
- C. Contractor shall attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract award may be made at any time during the term of the Contract to OGS, but must be made no later than prior to the submission of a request for final payment on the Contract.
- D. If OGS, upon review of the MWBE Utilization Plan and Monthly MWBE Contractor Compliance Reports determines that Contractor is failing or refusing to comply with the contract goals and no waiver has been issued in regards to such non-compliance, OGS may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE contract goals.

VII. Required Good Faith Efforts

In accordance with 5 NYCRR § 142.8, Contractors must document their good faith efforts toward utilizing MWBEs on the Contract. Evidence of required good faith efforts shall include, but not be limited to, the following:

1. A list of the general circulation, trade and MWBE-oriented publications and dates of publications in which the Contractor solicited the participation of certified MWBEs as subcontractors/suppliers and copies of such solicitations and any responses thereto.
2. A list of the certified MWBEs appearing in the Empire State Development MWBE directory that were solicited for this Contract. Provide proof of dates or copies of the solicitations and copies of the responses made by the certified MWBEs. Describe specific reasons that responding certified MWBEs were not selected.
3. Descriptions of the Contract documents/plans/specifications made available to certified MWBEs by the Contractor when soliciting their participation and steps taken to structure the scope of work for the purpose of subcontracting with or obtaining supplies from certified MWBEs.
4. A description of the negotiations between the Contractor and certified MWBEs for the purposes of complying with the MWBE goals of this Contract.
5. Dates of any pre-bid, pre-award or other meetings attended by Contractor, if any, scheduled by OGS with certified MWBEs whom OGS determined were capable of fulfilling the MWBE goals set in the Contract.
6. Other information deemed relevant to the request.

VIII. Monthly MWBE Contractor Compliance Report

- A. In accordance with 5 NYCRR § 142.10, Contractor is required to report Monthly MWBE Contractor Compliance to OGS during the term of the Contract for the preceding month's activity, documenting progress made towards achievement of the Contract MWBE goals. OGS requests that all Contractors use the New York State Contract System ("NYSCS") to report subcontractor and supplier payments made by Contractor to MWBEs performing work under the Contract. The NYSCS may be accessed at <https://ny.newnycontracts.com/>. This is a New York State-based system that all State agencies and authorities will be implementing to ensure uniform contract compliance reporting throughout New York State.
- B. When a Contractor receives a payment from a State agency or Authorized User following a purchase from an OGS Procurement Services contract, it is the Contractor's responsibility to pay its subcontractors and suppliers in a timely manner. On or after the first day of each month, the Contractor will receive an email or fax notification ("audit notice") indicating that a representative of its company needs to log-in to the NYSCS to report the company's MWBE subcontractor and supplier payments for the preceding month. The Contractor must also report when no payments have been made to a subcontractor or supplier in a particular month with entry of a zero dollar value in the NYSCS. Once subcontractor and supplier payments have been entered into the NYSCS, the subcontractor(s) and supplier(s) will receive an email or fax notification advising them to log into the NYSCS to confirm that they actually received the reported payments from the Contractor. It is the Contractor's responsibility to educate its MWBE subcontractors and suppliers about the NYSCS and the need to confirm payments made to them in the NYSCS.

- C. To assist in the use of the NYSCS, OGS recommends that all Contractors and MWBE subcontractors and suppliers sign up for the following two webinar trainings offered through the NYSCS: **“Introduction to the System for Vendors”** and **“Contract Compliance Reporting - Vendor Training”** to become familiar with the NYSCS. To view the training schedule and to register visit: <https://ny.newnycontracts.com/events.asp>
- D. As soon as possible after the Contract is approved, Contractor should visit <https://ny.newnycontracts.com> and click on **“Account Lookup”** to identify the Contractor’s account by company name. Contact information should be reviewed and updated if necessary by choosing **“Change Info.”** It is important that the staff member who is responsible for reporting payment information for the Contractor be listed as a user in the NYSCS. Users who are not already listed may be added through **“Request New User.”** When identifying the person responsible, please add **“- MWBE Contact”** after his or her last name (i.e., John Doe – MWBE Contact) to ensure that the correct person receives audit notices from the NYSCS. NYSCS Technical Support should be contacted for any technical support questions by clicking on the links for **“Contact Us & Support”** then **“Technical Support”** on the NYSCS website.
- E. If Contractor is unable to report MWBE Contractor Compliance via the NYSCS, Contractor must submit a Monthly MWBE Contractor Compliance Report on Form MWBE 102 to OGS, by the 10th day of each month during the term of the Contract, for the preceding month’s activity to: OGS MWBE Office, 29th floor Corning Tower, Empire State Plaza, Albany, NY 12242. Phone: 518-486-9284; Fax: 518-486-9285.
- F. It is the Contractor’s responsibility to report subcontractor and supplier payments. Failure to respond to payment audits in a timely fashion through the NYSCS, or by paper to OGS, may jeopardize future payments pursuant to the MWBE liquidated damages clause in clause IX below.

IX. Breach of Contract and Liquidated Damages

- A. In accordance with Executive Law Section 316-a and 5 NYCRR § 142.13, the Contractor acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, such a finding constitutes a breach of contract and the Contractor shall be liable to OGS for liquidated or other appropriate damages, as set forth herein.
- B. Such liquidated damages shall be calculated as an amount equaling the difference between:
1. All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and
 2. All sums actually paid to MWBEs for work performed or materials supplied under the Contract.
- C. If, after Contractor has been afforded due process to respond to the allegation that it willfully or intentionally failed to comply with the MWBE participation goals, OGS determines that Contractor is liable for liquidated damages and such identified sums have not been withheld by the OGS, Contractor shall pay such liquidated damages to the OGS within sixty (60) days after such determination unless prior to the expiration of such sixtieth day, the Contractor has filed a complaint with the Director of the Division of Minority and Women’s Business Development

pursuant to Subdivision 8 of Section 313 of the Executive Law, in which event the liquidated damages shall be payable if the Director renders a decision in favor of the OGS.

ALL FORMS ARE AVAILABLE AT: <http://www.ogs.ny.gov/MWBE/Forms.asp>

4.18 Administrative and Reporting Requirements

The Contractor shall provide the following reports to OGS at the e-mail address to be provided by OGS. Failure to submit reports on a timely basis may result in contract cancellation and designation of Contractor as non-responsible. OGS and the Contractor agree that OGS reserves the right to amend the data elements collected in these reports in its sole discretion. Such amendments shall not be substantive in nature and shall reflect information relevant to monitoring the expenditures under the Contract.

4.18.1 Report of Contract Purchases

Contractor shall furnish quarterly reports containing total sales for both State Agency and other Authorized User contract purchases no later than thirty (30) days after the close of each calendar quarter using the form set out in Appendix E, Report of Contract Purchases.

In addition to Contractor direct sales, Contractor shall submit sales information for all resellers, dealers, distributors or other authorized distribution channels, where such contract sales are provided by other than the Contractor. A separate report shall be provided for each authorized distribution channel. Contractors shall verify if each alternate vendor is a NYS certified minority- or women- owned business (MBE or WBE, respectively). Contractors shall verify such status through the Empire State Development minority- and women-owned businesses database at: <https://ny.newnycontracts.com/frontend/diversityusers.asp>.

The required reporting elements will be provided by OGS. Reports will consist of an itemized report of all services provided and invoiced, shall be forwarded electronically in Excel (.xls or .xlsx) Format to the OGS Centralized Contract Administrator containing the information requested within the attachment workbook.

If appropriate means are integrated into the NYS Statewide Financial System (SFS) Portal to allow direct input of the required reporting information, submission of the Report of Contract Purchases will migrate to that venue and the Contractor will follow the reporting format established within the SFS Vendor Portal. Announcement of any such new capability and reporting requirement will be made via a purchasing memorandum which will be forwarded to Contractor.

4.18.2 Updated Certification of Required Insurances

As insurance coverage is traditionally of a term nature, it is the Contractor's responsibility to maintain not just the appropriate insurance coverages, but also their filed certifications with OGS. The Contractor shall furnish to the State up to date certifications of coverages for all insurance requirements per Appendix H - Insurance Requirements.

4.19 New York State Statewide Financial System

New York State is currently operating on an Enterprise Resource Planning (ERP) system, Oracle PeopleSoft software, referred to as the Statewide Financial System (SFS). SFS is currently on PeopleSoft Financials version 9.2. SFS supports requisition-to-payment processing and financial management functions.

The State is also implementing an eProcurement application that supports the requisitioning process for State Agencies to procure Products in SFS. This application provides catalog capabilities. Vendors with Centralized Contracts have the ability to provide a "hosted" or "punch-out" catalog that integrates with SFS and is available to Authorized Users via a centralized eMarketplace website. There are no fees required for a Contractor's participation in the catalog site development or management. Upon completion and activation of an on-line catalog, State Agencies will process their orders through the SFS functionality and other Authorized Users can access the catalog site to fulfill orders directly.

The State is also implementing the PeopleSoft Inventory module in the near future to track inventory items within the item master table. Further information regarding business processes, interfaces, and file layouts may be found at: www.sfs.ny.gov and <http://www.osc.state.ny.us/agencies/guide/MyWebHelp/>.

4.20 Non-State Agencies Participation in Centralized Contracts

New York State political subdivisions and others authorized by New York State law may participate in Centralized Contracts. These include, but are not limited to local governments, public authorities, public school and fire districts, public and nonprofit libraries, and certain other nonpublic/nonprofit organizations. See "Participation in Centralized Contracts" in Appendix B, General Specifications January 2015 22772 Project Based Information Technology Consulting (Statewide).

Upon request, all eligible non-State agencies must furnish Contractors with the proper tax exemption certificates and documentation certifying eligibility to use State contracts. Questions regarding an organization's eligibility to purchase from New York State Contracts may also be directed to OGS Customer Services at 518-474-6717.

4.21 Accessibility of Web-Based Information and Applications

For State Agency Authorized User Acquisitions: Any web-based information and applications development, or programming delivered pursuant to the contract or procurement, will comply with New York State Enterprise IT Policy NYS-P08-005, Accessibility of Web-Based Information and Applications as follows:

Any web-based information and applications development, or programming delivered pursuant to the contract or procurement, will comply with New York State Enterprise IT Policy NYS-P08-005, Accessibility of Web-Based Information and Applications as such policy may be amended, modified or superseded, which requires that state agency web-based information and applications are accessible to persons with disabilities. Web-based information and applications must conform to New York State Enterprise IT Policy NYS-P08-005 as determined by quality assurance testing. Such quality assurance testing will be conducted by the State Agency Authorized User and the results of such testing must be satisfactory to the Authorized User before web-based information and applications will be considered a qualified deliverable under the contract or procurement.

4.22 Price Adjustments for OGS Centralized Contracts

Periodic price adjustments will occur no more than twice per year on a schedule to be established solely by OGS. Pricing offered shall be fixed for the first twelve (12) months of the Contract term. Such price increases will only apply to the OGS Centralized Contracts and shall not be applied retroactively to Authorized User Agreements or any Mini-bids already submitted to an Authorized User.

4.22.1 Price Decreases

Price decreases may be made at any time. Additionally, some price decreases shall be calculated in accordance with Appendix B, section 17, Pricing.

4.22.2 Price Increases

This section applies to pricing not Benchmarked to GSA Supply Schedule. Additionally, where pricing submitted for Services is not benchmarked to an approved GSA Supply Schedule:

a. Price Increase Requests: Subsequent to the first twelve (12) months of the Contract term and in accordance with the schedule for price adjustments established by OGS, Contractor may request an increase in the pricing contained in Appendix D, Pricing Schedule by submitting an update request based on change in pricing level as contained in Appendix C, Contract Modification Procedure to the OGS Contract Administrator. With any price increase request, in addition to the requirements contained in Appendix C, the Contractor must certify in writing that the price change for the Product(s) is the same as or better than the pricing in its U.S. Commercial Price List, and that Contractor documents the request to the satisfaction of the State. Should the Contractor not have a U.S. Commercial Price List, it must include a copy of the government contract containing the job titles and rates that are to be adjusted. In no case may the pricing adjustment conflict with the Escalation Cap in section 4.22.2.b.

b. Escalation Cap: Such adjustment shall in no event exceed the lesser of two (2%) percent of the Contractor's current NYS pricing as found in the OGS Centralized Contract or the percent increase in the latest copy of the "National Consumer Price Index for All Urban Consumers (CPI-U)," as published by the U.S. Department of Labor, Bureau of Labor Statistics, Washington, D.C. 20212. In no event can prices exceed the Contractor's published U.S. Commercial List price.

c. Effective Date of Increase: Price increases shall be effective upon final approval by the State, and may not be posted on the pricelist prior to receipt of final approval.

4.22.3 GSA Benchmarked Pricing

Additionally, where the NYS Net Price is based upon an approved GSA Supply Schedule:

a. Associated Discounts: The State is entitled to all associated discounts enumerated in the GSA Supply Schedule (including, but not limited to, discounts for additional sites and volume discounts), as well as any other pricing or discount terms as are expressly enumerated in this NYS Contract or GSA schedule, when calculating the NYS Net Price.

b. Industrial Funding Fee: GSA pricing incorporates a sum referred to as the "GSA Industrial Funding Fee" (IFF). The NYS Net Price shall be calculated by reducing the published GSA price, after the discounts, if any, set forth in paragraph (1) above, downward by the amount of the Industrial Funding Fee, currently set at 0.75%. Therefore, as an example, the NYS Net Price shall be calculated by multiplying 0.9925 times the GSA price.

c. Pricing Increase Requests: Subsequent to the first twelve (12) months of the Contract term and in accordance with the schedule for price adjustments established by OGS, Contractor may request an increase in the pricing contained in the Centralized Contract by submitting an update request based on change in pricing level as contained in Appendix C, Contract Modification Procedure to the OGS Contract Administrator. With any price increase request, in addition to the requirements contained in Appendix C, the Contractor must certify in writing that the price

change for the Services is the same as its pricing in its GSA Supply Schedule, and that Contractor documents the request to the satisfaction of the State.

d. Effective Date of Increase: Price increases shall be effective upon final approval by the State, and may not be posted by Contractor prior to receipt of final approval.

4.23 Performance/Bid Bond and Letter Of Credit

There are no bonds required for the Contract resulting from this Solicitation. In accordance with Appendix B, section 45, Performance/Bid Bond, the Commissioner of OGS has determined that no performance, payment or Bid bond, or negotiable irrevocable letter of credit or other form of security for the faithful performance of the Contract shall be required at any time during the initial term, or any renewal term, for the resulting Contract and Authorized User Agreements.

4.24 Use Of Service-Disabled Veteran-Owned Business Enterprises In Contract Performance

Article 17-B of the Executive Law enacted in 2014 acknowledges that Service-Disabled Veteran-Owned Businesses (SDVOBs) strongly contribute to the economies of the State and the nation. As defenders of our nation and in recognition of their economic activity in doing business in New York State, Contractors on this Contract for commodities, services or technology are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such partnering may be as subcontractors, suppliers, protégés or other supporting roles. SDVOBs can be readily identified on the directory of certified businesses at http://ogs.ny.gov/Core/docs/CertifiedNYS_SDVOB.pdf.

Contractors need to be aware that all Authorized Users of this Contract will be strongly encouraged to the maximum extent practical and consistent with legal requirements of the State Finance Law and the Executive Law to use responsible and responsive SDVOBs in purchasing and utilizing commodities, services and technology that are of equal quality and functionality to those that may be obtained from non-SDVOBs. Furthermore, Contractors are reminded that they must continue to utilize small, minority and women-owned businesses consistent with current State law.

Utilizing SDVOBs in State contracts will help create more private sector jobs, rebuild New York State's infrastructure, and maximize economic activity to the mutual benefit of the contractor and its SDVOB partners. SDVOBs will promote the contractor's optimal performance under the contract, thereby fully benefiting the public sector programs that are supported by associated public procurements.

Public procurements can drive and improve the State's economic engine through promotion of the use of SDVOBs by its contractors. The State, therefore, expects Contractors to provide maximum assistance to SDVOBs in their contract performance. The potential participation by all kinds of SDVOBs will deliver great value to the State and its taxpayers.

4.25 Severability

If any provision of this Contract is deemed invalid or unenforceable, such determination shall have no effect on the balance of the Contract, which shall be enforced and interpreted as if such provision was never included in the Contract.

4.26 Entire Agreement

This Contract and the referenced appendices and attachments constitute the entire agreement between the Parties thereto and no statement, promise, condition, understanding, inducement or representation, oral or written, expressed or implied, which is not contained herein shall be binding or

valid and the Contract shall not be changed, modified or altered in any manner except by an instrument in writing executed by both Parties hereto, except as otherwise provided herein. Authorized Users shall not have the authority to modify the terms of the Contract, except as expressly set forth herein.

5 Authorized User Overview and Mini-Bid Process

Project Based IT Consulting Services Contracts enable Authorized Users to use a competitive Mini-bid Process to acquire Services on an as-needed basis, for qualified IT Projects.

Project Based IT Consulting Services may include, but will not be limited to projects requiring: analysis, data classification, design, development, testing, quality assurance, security and associated training for Information Technology based applications. See section 1.3 Out of Scope Work for a listing of projects expressly excluded from the scope of this Contract.

An Authorized User Agreement for Project Based IT Consulting Services will be governed first by the terms and conditions specified in the OGS Centralized Contract and second by terms and conditions added to the Authorized User Statement of Work. Additional terms and conditions shall not conflict with or modify the terms and conditions of the OGS Centralized Contract.

NYS Executive Agencies must adhere to all internal processes and approvals including, as required, approval from NYS Office of Information Technology Services. Other Authorized Users must adhere to their own internal processes and approvals.

In accordance with Appendix B, section 28, Modification of Contract Terms, an Authorized User may add additional required terms and conditions to this Mini-Bid and resultant Authorized User Agreement only if such terms and conditions (1) are more favorable to the Authorized User and (2) do not conflict with or supersede the OGS Centralized Contract terms and conditions. Examples of additional terms and conditions include:

- Expedited delivery timeframe;
- Additional incentives, such as discount for expedited payment/Procurement Card use; and
- Any additional requirements imposed by the funding source or Federal law.

5.1 Authorized User's Statement of Work

A competitive Mini-Bid is required for every transaction under this Centralized Contract. An Authorized User must prepare a detailed Statement of Work using Appendix F, Attachment 1, Mini-Bid Template. The Authorized User must distribute the Mini-Bid to all qualified Vendors per Lot(s) (unless a Vendor has removed itself from consideration via the Appendix F, Attachment 5, Mini-Bid Participation Interest Template). Contact information, organized by Lot, will be available on the OGS website for this Contract. An Authorized User shall conduct its Mini-Bid in accordance with the requirements set forth in Appendix F, Attachment 2, How to Use this Contract.

The following terms and conditions shall apply to each Mini-Bid issued by an Authorized User:

- An Authorized User may require the execution of unique forms, such as Confidentiality Non-Disclosure agreements; and
- An Authorized User is required to make tentative award and non-award notifications to each Contractor who submitted a response to the Mini-Bid.

Additionally, the minimum time, excluding the date of release, between issuance of the Mini-Bid by the Authorized User to the Mini-Bid Opening is as follows:

- Lot 1 Mini-Bids: Five (5) Business Days
- Lot 2 Mini-Bids: Ten (10) Business Days
- Lot 3 Mini-Bids: Fifteen (15) Business Days

When applicable, the Statement of Work document should include the following information in sufficient detail:

1. Project objectives
2. Project plans and timelines
3. Project Deliverables and their acceptance criteria
4. Project approach and methodology
5. Project resource requirements (key personnel)
6. Anticipated project duration (projected start and end dates and overall duration)
7. Expectations for delivery of work products (Deliverables)
8. Expectations for documentation, reports, invoicing, and Knowledge Transfer, etc.
9. Requirements for status reporting and meetings (form, content and frequency)
10. Performance specifications (vendor and system)
11. Work-site/location and provisions
12. Any Downstream Prohibition(s) – whether the engagement may result in the contractor gaining information which may raise level playing field issues in a future procurement and result in the inability of such contractor to participate in a future procurement

5.1.1 Fixed-Price

An Authorized User Agreement shall be awarded on a fixed-price basis only. As such, the Contractor shall complete all project Deliverables indicated in the final negotiated Authorized User Agreement, without any increase in cost to the Authorized User. If the Contractor resources required to complete such work are more than the Contractor agreed to in the Mini-Bid, these additional resources must be provided to the Authorized User at no additional cost.

6 Authorized User Terms and Conditions

As noted above, the terms and conditions set forth in this section are expressly incorporated in, and applicable to, the Authorized User Agreement resulting from this Contract. The following sections are intended as descriptive and are not intended to limit or otherwise restrict the terms and conditions set forth herein.

6.1 Mini-Bid Transactional Order of Precedence

Conflicts of terms and conditions shall be resolved in the order of precedence set forth in section 2.2 Conflict of Terms.

6.2 Contract Survival

The starting date for each Authorized User Agreement will vary but shall not exceed three (3) years in duration. Authorized User Agreements fully executed prior to the expiration of the OGS Centralized Contract shall survive the expiration date of the OGS Centralized Contract, if applicable, based on the term of the Authorized User Agreement.

6.3 No Cost Change Request

The Authorized User reserves the right to reasonably amend a Fixed-Price Deliverable, provided the amendment does not materially change the Scope of the Deliverable, without a cost increase. Although

the Authorized User has endeavored to identify many tasks associated with a Fixed-Price Deliverable (Tasks), additional Tasks which can reasonably be anticipated to carry out the Deliverable shall be within the scope of the Deliverable, and shall not result in a cost increase. An Authorized User shall use Appendix F, Attachment 4, No Cost Change Request Template to reflect such modifications.

Written approval of the No-Cost Change Request is required from both the Authorized User and the Contractor.

6.4 Enhancement Budget

Enhancements refer to additional functionality and deliverables unknown to the Authorized User at the time of Mini-Bid release. An Authorized User is permitted to include an enhancement budget, as included in the Mini-Bid (up to 10%). The total cost of the project including the enhancement budget shall not exceed the Lot threshold from which the award was made. An Authorized User shall use Appendix F, Attachment 3, Enhancement Request Template to reflect such modifications.

Mini-Bid/Statement of Work documents will define specific criteria and method of reimbursement for the enhancement budget.

Written approval of the Enhancement Budget Request is required from both the Authorized User and the Contractor.

6.5 Contractor Responsibilities

6.5.1 Project Organization Chart

As part of the Mini-Bid, the Authorized User may require the Contractor to develop and submit a proposed project organization chart. The project organization chart should identify all the proposed key personnel of each team component and how the team will be managed. If required, the project organization chart must include both Contractor and State staff roles as identified in the Mini-Bid.

6.5.2 Eligibility to Work

The Contractor must ascertain and validate that all proposed staff resources, including all employees, subcontractors and agents, (hereinafter "Contractor Staff Member"), are either U.S. citizens or non-U.S. citizens.

1. Where the Contractor Staff Member is a U.S. citizen, the Contractor must identify the proposed individual Contractor Staff with, at a minimum, the first and last name of the individual Contractor Staff Member as it appears on his/her Driver's License, Non-Driver's Identification Card, or other accepted forms of government identification.
2. Where the Contractor Staff Member is not a U.S. citizen, the Contractor shall identify such to the Authorized User. The Contractor must identify if the proposed individual Contractor Staff Member will be working under a H1-B or other Visa during the time of the placement. The Contractor must identify the proposed individual Contractor Staff Member with, at a minimum, the first and last name of the individual Contractor Staff Member as it appears on his/her Visa and/or Passport. No other names or derivations may be used.
3. The Contractor must retain all necessary paperwork throughout the length of each individual Contractor Staff Member's engagement with an Authorized User.
4. The Contractor is responsible for ensuring that all Contractor Staff Members retain the authorization to legally work in the United States throughout the term of the engagement.

5. H-1B costs are not allowed under this Contract and Authorized Users will not affirm employment for immigration purposes. Any foreign employees retained through this Contract shall be the employee of the Contractor and not the Authorized User. Based on the scope of the Project, the Authorized User may require that all staff must be citizens of the United States, and if so, Authorized User must indicate in the Mini-Bid.

6.5.3 Additional Requirements from Authorized Users

An Authorized User may have distinct requirements that must be met by all individuals employed by or working for the Authorized User. The Contractor's Staff Members will be expected to comply with these requirements as a condition of the placement.

1. An Authorized User may at its discretion request additional background checks to be conducted, including, but not limited to, finger-printing and the signing of a confidentiality and/or non-disclosure agreements.
2. An Authorized User may conduct its own background checks at its expense.
3. An Authorized User may require individual Contractor Staff Members to provide photo identification such as a NYS Driver's License, Non-Driver's Identification Card, Passport, etc. in order to receive a State Identification card used for entrance into the Authorized User's building and/or facilities.

6.6 Authorized User Engagement Requirements

1. All Authorized User Agreements shall be no longer than three (3) years in duration.
2. Contractor Staff Members must adhere to workplace rules of the Authorized User. This includes, but is not limited to, the following: building access procedures, computer/phone usage guidelines, and other agency policies (such as Drug-free Workplace Policy Statement, Workplace Violence Policy, and smoking policy).
3. The Authorized User shall define the manner in which it requests Knowledge Transfer to occur from the Contractor's Project team to the Authorized User's staff.
4. The Authorized User shall indicate a change in working hours at the Authorized User building and/or facilities where appropriate and not previously specified during the requisition process.
5. Contractor and any subcontractors must work cooperatively with Authorized User staff and with other vendors working at Authorized User sites.
6. Professional workplace conduct and attire will be expected at all times.
7. All services performed for an Authorized User shall only be performed within the continental United States. An Authorized User is expressly prohibited from granting any and all exceptions to this clause.

6.7 Deliverables for an Authorized User Agreement (Transaction)

Deliverables must be identified, as a measure of progress in the Authorized User Agreement. A Deliverable as a bulk number of hours is not permissible under the OGS Centralized Contract.

6.8 Retainage

As part of the Mini-Bid, the Authorized User may elect to retain a percentage of each individual Deliverable payment of no more than 20% until the acceptance of the complete Deliverable or project. This retainage may be reduced as described in the Mini-Bid, when the Contractor substantially reduces the time required from the timeframes negotiated between the Authorized User and the Contractor for the completion and acceptance of a Deliverable.

6.9 Reasonableness of Price

An Authorized User will be required to demonstrate reasonableness of price for each project as part of the evaluation prior to the execution of an Authorized User Agreement. The OGS Centralized Contract includes a NYS Contract pricelist, which was assessed to determine that the “Not-to-Exceed” hourly rates offered to New York State are at or below the Not-To-Exceed hourly rates offered to other Government customers. The Contractor acknowledges that any mini-bid under this Centralized Contract which includes pricing in excess of the maximum Not-To-Exceed hourly rate shall be rejected by the Authorized User.

In accordance with Appendix B, section 32, Purchase Orders, OGS encourages an Authorized User to negotiate for better pricing than is listed on the Price list, as the total hourly rates established by OGS Centralized Contracts are Not-to-Exceed total hourly rates. An Authorized User must follow the internal procurement guidelines of their organization and obtain all required control agency approvals when purchasing from OGS Centralized Contracts.

6.10 Travel, Meals and Lodging

When provided for in the Mini-Bid and resultant Authorized User Agreement, an Authorized User may reimburse travel expenses. All rules and regulations associated with this travel can be found at <http://osc.state.ny.us/agencies/travel/travel.htm>. In no case will any travel reimbursement be paid that exceeds these rates. All travel will be paid only as part of a deliverable specified within the Authorized User Agreement and must be billed with that associated Invoice with receipts attached.

The Contractor shall receive prior approval from the Authorized User for any travel that occurs during the term of an Authorized User Agreement. Parking fees and/or parking tickets may not be paid by an Authorized User.

Unless otherwise specified in writing by the Authorized User, a vehicle will not be provided by Authorized User to the Contractor for travel. Therefore, the Contractor will be responsible for ensuring that the Contractor has access to an appropriate vehicle (e.g., personal vehicle or rental vehicle) or common carrier with which to carry out any necessary travel.

For the Contractor to obtain reimbursement for the use of a rental vehicle, such use must be justified as the most cost-effective mode of transportation under the circumstances (including consideration of the most effective use of time).

The Contractor shall provide evidence of three (3) written or telephone price quotes, and the paid invoice must detail the type of vehicle rented, miles traveled, license plate number, and time of pickup and return. The Contractor is responsible for keeping adequate records to substantiate any claims for reimbursement, by personnel for travel in performance of the services.

6.11 Payment Schedule

Except as provided in section 6.10 Travel, Meals and Lodging, payments will only be made based on Deliverables outlined within the Authorized User Agreement. Any invoice not related directly to a completed deliverable will be rejected. Any charge included on the invoice without backup documentation as specified in the Authorized User Agreement (travel receipts, etc.) may be removed. Any outstanding charges un-invoiced or removed from the invoice must be submitted/resubmitted within 120 Calendar days or may not be reimbursed.

Each Deliverable may contain a retainage allotment as specified within the Authorized User Agreement. Each invoice is to include a detailed and itemized list of all retainage withholds that are in place since the activation of the Authorized User Agreement.

Payment schedule shall be based on the final Authorized User Agreement as negotiated by the Authorized User and Contractor. Payment is only to be made after the deliverable within the Authorized User Agreement is accepted by the Authorized User. A Contractor is encouraged to submit no more than one invoice per month. Invoices must include cumulative retainage holdback. Invoices submitted to an Authorized User must include backup documentation as defined in the negotiated Authorized User Agreement.

6.12 Mini-Bid Dispute Resolution Process

If the Authorized User does not have a dispute resolution policy, please refer to OSC or OGS dispute resolution policy for guidance in creating a policy.

In the event the Contractor has any disputes with the Authorized User, the Contractor shall so notify the Authorized User in writing. If either party notifies the other of such dispute, the other party shall then make good faith efforts to solve the problem or settle the dispute amicably, including meeting with the party's representatives to attempt diligently to reach a satisfactory result through negotiation.

In the event that the Contractor and the Authorized User are unable to resolve a conflict through negotiation, then both parties will comply with the Authorized User's stated dispute resolution policy which must be included as part of the Authorized User Agreement.

If the conflict is still unresolved, please refer to section 4.2.1.II.A.3 for guidance.

6.13 Mini-Bid Proposal Validity

All Contractor responses to Authorized User Mini-Bids must remain open and valid for at least 60 days from the Mini-Bid opening date, unless the time for awarding the Authorized User Agreement is extended by mutual consent of the Authorized User and the Contractor. A Contractor's Mini-Bid response shall continue to remain an effective offer, firm and irrevocable, subsequent to such 60 day period until either tentative award of the Authorized User Agreement by the Authorized User is made or withdrawal of the Contractor response in writing by the Contractor. Tentative award of the Authorized User Agreement shall consist of written notice to that effect by an Authorized User to a successful Contractor, who shall thereupon be obligated to execute a formal Authorized User Agreement.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that

the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter,

collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.

(a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within

the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.

In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid Bid Solicitation that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in §165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. The Omnibus Procurement Act of 1992 requires that by signing this bid Bid Solicitation or contract, as applicable, Contractors certify that whenever the total bid amount is greater than \$1 million:

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 15, 2002, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii. Contact NYS Department of Economic Development for a current list of jurisdictions subject to this provision.

22. COMPLIANCE WITH NEW YORK STATE INFORMATION SECURITY BREACH AND NOTIFICATION ACT. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law Section 899-aa; State Technology Law Section 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined

for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4-g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law Section 5-a, if the contractor fails to make the certification required by Tax Law Section 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law §165-a that it is not on the "Entities Determined to be Non-Responsive Bidder/Offerer pursuant to the New York State Iran Divestment Act of 2012" ("Prohibited Entities List") posted at: <http://www.ogs.ny.gov/about/reggs/docs/ListofEntities.pdf>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State

Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

7. BID CONTENTS Bids must be complete and legible. All Bids must be signed. All information required by the Bid Specifications must be supplied by the Bidder on the forms or in the format specified. No alteration, erasure or addition is to be made to the Bid Documents. Changes may be ignored by the Commissioner or may be grounds for rejection of the Bid. Changes, corrections and/or use of white-out in the Bid or Bidder's response portion of the Bid Document must be initialed by an authorized representative of the Bidder. Marking the Bid as "confidential" or "proprietary" on its face or in the document header or footer shall not be considered by the Commissioner or Authorized User to be sufficient without specific justification as to why disclosure of particular information in the Bid would cause substantial injury to the competitive position of the Bidder. An entity intending to seek an exemption from disclosure of these materials under the Freedom of Information Law must request the exemption in writing, setting forth the reasons for the claimed exemption. The State's receipt/acceptance of the claimed materials does not constitute a determination on the exemption request, which determination will be made in accordance with statutory procedures. Properly identified information that has been designated confidential, trade secret, or proprietary by the Bidder will not be disclosed except as may be required by the Freedom of Information Law or other applicable State and federal laws.

b. As used in this Section, "Disclosing Party" means the State or an Authorized User when disclosing its Confidential Information (defined below) to the Contractor, or the Contractor when disclosing its Confidential Information to the State or an Authorized User, and "Receiving Party" means the State or an Authorized User when receiving disclosure of Confidential Information from the Contractor, or the Contractor when receiving disclosure of Confidential Information from the State or an Authorized User. "Confidential Information" means all confidential information disclosed by a party (the "Disclosing Party") to the other party (the "Receiving Party") after the effective date of this Contract including, without limitation, information relating to the Disclosing Party's operations, processes, plans or intentions, know-how, design rights, trade secrets or business affairs. Confidential Information shall be clearly marked as "confidential," "proprietary," "restricted" or some similar designation. Except as provided in this Contract, the Receiving Party further agrees that any Confidential Information obtained by the Receiving Party from the Disclosing Party, its agents, affiliates, subcontractors, officers, or employees in the course of performing its obligations, including without limitation, security procedures, business operations information, or commercial proprietary information in the possession of the Disclosing Party hereunder, will not be divulged to any third parties.

c. The Receiving Party:

- (i). may not use any Confidential Information for any purpose other than in accordance with, and in the performance of, its obligations under this Contract;
- (ii). may not disclose any Confidential Information to any person except with the prior written consent of the Disclosing Party or in accordance with this section ; and
- (iii). shall make every reasonable effort to prevent the use or disclosure, other than as expressly permitted herein, of Confidential Information.

d. The Receiving Party may disclose information which would otherwise be Confidential Information if and to the extent that:

- (i). it is required by law (such as the New York State Freedom of Information Law) or legal process;
- (ii). the information has come into the public domain, otherwise than through (a) a breach of this Clause by the Receiving Party, (b) a third party's breach of any duty of confidentiality owed to the Disclosing Party of which the Receiving Party was aware, or (c) a violation of law;
- (iii). it was in the Receiving Party's lawful possession prior to the disclosure and had not been obtained by the Receiving Party either directly or indirectly from the Disclosing Party;
- (iv). it is required by existing contractual obligations of which the Disclosing Party is aware;
- (v). it is independently developed by the Receiving Party without reliance on the Confidential Information;
- (vi). it is required by any securities exchange or regulatory or governmental body to which it is subject or by judicial process;
- (vii). it is otherwise obtained under the Freedom of Information Law or other applicable New York State laws or regulations; or
- (viii). the disclosure is to its professional advisers, auditors or banker; or to any of its directors, other officers, employees and sub-contractors (a "Recipient") to the extent that disclosure is reasonably necessary for the purposes of this Contract.

11. TAXES

a. Unless otherwise specified in the Bid Specifications or Contract, the quoted Bid price includes all taxes applicable to the transaction.

b. Purchases made by the State of New York and certain non-State Authorized Users are exempt from New York State and local sales taxes and, with certain exceptions, federal excise

taxes. To satisfy the requirements of the New York State Sales tax exemption, either the Purchase Order issued by a State Agency or the invoice forwarded to authorize payment for such purchases will be sufficient evidence that the sale by the Contractor was made to the State, an exempt organization under Section 1116 (a) (1) of the Tax Law. Non-State Authorized Users must offer their own proof of exemption upon request. No person, firm or corporation is, however, exempt from paying the State Truck Mileage and Unemployment Insurance or Federal Social Security taxes, which remain the sole responsibility of the Bidder/Contractor.

c. Purchases by Authorized Users other than the State of New York may be subject to certain taxes which were not included in the Bid price, and in those instances the tax should be computed based on the Contract price and added to the invoice submitted to such entity for payment.

12. EXPENSES PRIOR TO CONTRACT EXECUTION The Commissioner and any Authorized User(s) are not liable for any costs incurred by a Vendor, Bidder or Contractor in the preparation and production of a Bid, Mini-Bid, cost proposal revision, or for any work performed prior to Contract execution.

17. PRICING

a. Unit Pricing If required by the Bid Specifications, the Bidder should insert the price per unit specified and the price extensions in decimals, not to exceed four places for each item unless otherwise specified, in the Bid. In the event of a discrepancy between the unit price and the extension, the unit price shall govern unless, in the sole judgment of the Commissioner, such unit pricing is obviously erroneous.

b. Net Pricing Unless otherwise required by the Bid Specifications, prices shall be net, including transportation, customs, tariff, delivery and other charges fully prepaid by the Contractor to the destination(s) indicated in the Bid Specifications, subject to the cash discount.

c. "No Charge" Bid When Bids are requested on a number of Products as a Group or Lot, a Bidder desiring to Bid "no charge" on a Product in the Group or Lot must clearly indicate such. Otherwise, such Bid may be considered incomplete and be rejected, in whole or in part, at the discretion of the Commissioner.

d. Educational Pricing All Products to be supplied for educational purposes that are subject to educational discounts

shall be identified in the Bid and such discounts shall be made available to qualifying institutions.

e. Third Party Financing If Product acquisitions are financed through any third party financing, Contractor may be required as a condition of Contract Award to agree to the terms and conditions of a "Consent & Acknowledgment Agreement" in a form acceptable to the Commissioner.

f. Best Pricing Offer During the Contract term, if substantially the same or a smaller quantity of a Product is sold by the Contractor outside of this Contract upon the same or similar terms and conditions as that of this Contract at a lower price to a federal, state or local governmental entity, the price under this Contract, at the discretion of the Commissioner, shall be immediately reduced to the lower price.

g. Specific price decreases:

(i) GSA Changes: Where NYS Net Prices are based on an approved GSA Schedule, price decreases shall take effect automatically during the Contract term and apply to Purchase Orders submitted on or after the date the approved GSA Schedule pricing decreases during the Contract term; or

(ii) Commercial Price List Reductions: Where NYS Net Prices are based on a discount from Contractor's list prices, price decreases shall take effect automatically during the Contract term and apply to Purchase Orders submitted on or after the date Contractor lowers its pricing to its customers generally or to similarly situated government customers during the Contract term; or

(iii) Special Offers/Promotions Generally: Where Contractor generally offers more advantageous special price promotions or special discount pricing to other customers during the Contract term for a similar quantity, and the maximum price or discount associated with such offer or promotion is better than the discount or Net Price otherwise available under this Contract, such better price or discount shall apply for similar quantity transactions under this Contract for the life of such general offer or promotion; and

(iv) Special Offers/Promotions to Authorized Users: Contractor may offer Authorized Users, under either this Contract or any other Contracting vehicle, competitive pricing which is lower than the NYS Net Price set forth herein at any time during the Contract term and such lower pricing shall not be applied as a global price reduction under the Contract pursuant to the foregoing paragraph (iii).

Unless otherwise specified in the Bid Specifications, Contractor may offer lower prices or better terms (see Modification of Contract Terms) on any specific Purchase Order(s) from any Authorized User without being in conflict with, or having any obligation to comply on a global basis with, the terms of this clause.

h. Cost Proposal Revisions A Contractor may be solicited prior to contract award to propose the best possible offer for the Product or service being bid on, in accordance with State Finance Law § 163(9)(c). A cost proposal revision must be a lower price than the initial price.

18. DRAWINGS

a. Drawings Submitted With Bid When the Bid Specifications require the Bidder to furnish drawings and/or plans, such drawings and/or plans shall conform to the mandates of the Bid Documents and shall, when approved by the Commissioner, be considered a part of the Bid and of any resulting Contract. All symbols and other representations appearing on the drawings shall be considered a part of the drawing.

b. Drawings Submitted During the Contract Term Where required to develop, maintain and deliver diagrams or other technical schematics regarding the scope of work, Contractor shall do so on an ongoing basis at no additional charge, and must, as a condition of payment, update drawings and plans during the Contract term to reflect additions, alterations, and deletions. Such drawings and diagrams shall be delivered to the Authorized User's representative.

c. Accuracy of Drawings Submitted All drawings shall be neat and professional in manner and shall be clearly labeled as to locations and type of Product, connections and components. Drawings and diagrams are to be in compliance with accepted drafting standards. Acceptance or approval of such plans shall not relieve the Contractor from responsibility for design or other errors of any sort in the drawings or plans, or from its responsibility for performing as required, furnishing Product, services or installation, or carrying out any other requirements of the intended scope of work.

19. SITE INSPECTION Where a site inspection is required by the Bid Specifications or Project Definition, Bidder shall be required to inspect the site, including environmental or other conditions for pre-existing deficiencies that may affect the installed Product, equipment, or environment or services to be provided and, which may affect Bidder's ability to properly deliver, install or otherwise provide the required Product. All inquiries regarding such conditions shall be made in writing. Bidder shall be deemed to have knowledge of any deficiencies or conditions which such inspection or inquiry might have disclosed. Bidder must provide a detailed explanation with its Bid if additional work is required under this clause in order to properly complete the delivery and installation of the required Product or provide the requested service.

20. PROCUREMENT CARD The State has entered into an agreement for purchasing card services. The Purchasing Card enables Authorized Users to make authorized purchases directly from a Contractor without processing Purchase Orders or Purchase Authorizations. Purchasing Cards are issued to selected employees authorized to purchase for the Authorized User and having direct contact with Contractors. Cardholders can make purchases directly from any Contractor that accepts the Purchasing Card.

The Contractor shall not process a transaction for payment through the credit card clearinghouse until the purchased Products have been shipped or services performed. Unless the cardholder requests correction or replacement of a defective or faulty Product in accordance with other Contract requirements, the Contractor shall immediately credit a cardholder's account for Products returned as defective or faulty.

21. RESERVED**BID EVALUATION**

22. BID EVALUATION The Commissioner reserves the right to accept or reject any and all Bids, or separable portions of Bids, and waive technicalities, irregularities, and omissions if the Commissioner determines the best interests of the State will be served. The Commissioner, in his/her sole discretion, may accept or reject illegible, incomplete or vague Bids and his/her decision shall be final. A conditional or revocable Bid which clearly communicates the terms or limitations of acceptance may be considered, and Contract award may be made in compliance with the Bidder's conditional or revocable terms in the Bid.

23. RESERVED**24. RESERVED****25. RESERVED****TERMS & CONDITIONS****26. RESERVED****27. PARTICIPATION IN CENTRALIZED CONTRACTS**

a. Agencies All State Agencies may utilize and purchase under any Centralized Contract let by the Commissioner, unless the Bid Documents limit purchases to specific State Agencies.

b. Non-State Agency Authorized Users Authorized Users other than State Agencies are permitted to make purchases through Centralized Contracts where permitted by law, the Contract or the Commissioner.

c. Voluntary Extension Purchase Orders issued against a Centralized Contract by any Authorized User not provided for in the Bid Specifications shall be honored by the Contractor at its discretion and only with the approval of the OGS Commissioner and any other approvals required by law. Contractors are encouraged to voluntarily extend service Contracts to those additional entities authorized to utilize commodity Contracts under Section 163(3)(a)(iv) of the State Finance Law.

d. Responsibility for Performance Participation in Centralized Contracts by Authorized Users is permitted upon the following conditions: (i) the responsibility with regard to performance of any contractual obligation, covenant, condition or term thereunder by any Authorized User other than State Agencies shall be borne and is expressly assumed by such Authorized User and not by the State; (ii) a breach of the Contract by any particular Authorized User shall neither constitute nor be deemed a breach of the Contract as a whole which shall remain in full force and effect, and shall not affect the validity of the Contract nor the obligations of the Contractor thereunder respecting non-breaching Authorized Users, whether State or otherwise; (iii) for a breach by an Authorized User other than a State Agency, the State specifically and expressly disclaims any and all liability for such breach; and (iv) each non-State Agency Authorized User and Contractor guarantees to save the State, its officers, agents and employees harmless from any liability that may be or is imposed by the non-State Agency Authorized User's

or Contractor's failure to perform in accordance with its obligations under the Contract.

e. Contract Migration Authorized Users holding individual Contracts with a Contractor at the time that Contractor is awarded a Centralized Contract for the same Products or services shall be permitted to migrate to that Centralized Contract effective with its commencement date. Such migration shall not operate to diminish, alter or eliminate any right that the Authorized User otherwise had under the terms and conditions of their individual Contract.

28. MODIFICATION OF CONTRACT TERMS The terms and conditions set forth in the Contract shall govern all transactions by Authorized User(s) under this Contract. The Contract may be modified or amended only upon mutual written agreement of the Commissioner and Contractor.

Notwithstanding the foregoing, the Contractor may offer an Authorized User for a particular mini-bid procurement: (1) better and more advantageous pricing; (2) better and more advantageous payment terms; or (3) better and more advantageous delivery terms, and the Authorized User may accept such terms without OGS approval. If the Authorized User accepts such terms, the Authorized User shall furnish a copy of such terms to OGS for informational purposes at the time of issuance of the Authorized User's tentative award notification.

Other than where such terms related to pricing, payment or delivery are more advantageous for the Authorized User(s) than those set forth in the Contract, no alteration or modification of the terms of the Contract, including substitution of Product, shall be valid or binding against Authorized User(s). No such alteration or modification shall be made by unilaterally affixing such terms to Product upon delivery (including, but not limited to, attachment or inclusion of standard pre-printed order forms, product literature, "shrink wrap" terms accompanying software upon delivery, or other documents) or by incorporating such terms onto order forms, purchase orders or other documents forwarded by the Contractor for payment, notwithstanding Authorized User's subsequent acceptance of Product, or that Authorized User has subsequently processed such document for approval or payment.

29. SCOPE CHANGES The Commissioner reserves the right to require, by written order, changes to the scope of the Contract, by altering, adding to or deducting from the Bid Specifications, such changes to be within the general scope of the Contract. If any such change causes an increase or decrease in the cost of, or the time required for, performance of any part of the work under the Contract, whether or not changed by the order, the Commissioner shall, upon notice from Contractor as hereafter stated, make an equitable adjustment in the Contract price, the delivery schedule or both and shall modify the Contract. The Contractor must assert its right to an adjustment under this clause within thirty days from the date of receipt of the written order. However, if the Commissioner decides that the facts justify it, the Commissioner may provide an adjustment without receipt of a proposal. Failure to agree to any adjustment shall be a dispute under the Disputes clause, provided, however, that nothing in this clause shall excuse the Contractor from proceeding with the Contract as changed.

30. ESTIMATED / SPECIFIC QUANTITY CONTRACTS

Estimated quantity contracts, also referred to as indefinite delivery / indefinite quantity contracts, are expressly agreed and understood to be made for only the quantities, if any, actually ordered during the Contract term. No guarantee of any quantity is implied or given.

With respect to any specific quantity stated in the contract, the Commissioner reserves the right after award to order up to 20% more or less (rounded to the next highest whole number) than the specific quantities called for in the Contract. Notwithstanding the foregoing, the Commissioner may purchase greater or lesser percentages of Contract quantities should the Commissioner and Contractor so agree. Such agreement may include an equitable price adjustment.

31. EMERGENCY CONTRACTS In the event that a disaster emergency is declared by Executive Order under Section 28 of Article 2-B of the Executive Law, or the Commissioner determines pursuant to his/her authority under Section 163(10)(b) of the State Finance Law that an emergency exists requiring the prompt and immediate delivery of Product, the Commissioner reserves the right to obtain such Product from any source, including but not limited to this Contract(s), as the Commissioner in his/her sole discretion determines will meet the needs of such emergency. Contractor shall not be entitled to any claim or lost profits for Product procured from other sources pursuant to this clause. The reasons underlying the finding that an emergency exists shall be included in the procurement record.

32. PURCHASE ORDERS Unless otherwise authorized in writing by the Commissioner, no Product is to be delivered or furnished by Contractor until transmittal of an official Purchase Order from the Authorized User. Unless terminated or cancelled pursuant to the authority vested in the Commissioner, Purchase Orders shall be effective and binding upon the Contractor when placed in the mail or electronically transmitted prior to the termination of the Contract period, addressed to the Contractor at the address for receipt of orders set forth in the Contract or in the Contract Award Notification.

All Purchase Orders issued pursuant to Contracts let by the Commissioner must bear the appropriate Contract number and, if necessary, required State approvals. As deemed necessary, the Authorized User may confirm pricing and other Product information with the Contractor prior to placement of the Purchase Order. The State reserves the right to require any other information from the Contractor which the State deems necessary in order to complete any Purchase Order placed under the Contract. Unless otherwise specified, all Purchase Orders against Centralized Contracts will be placed by Authorized Users directly with the Contractor and any discrepancy between the terms stated on the Contractor's order form, confirmation or acknowledgment, and the Contract terms shall be resolved in favor of the terms most favorable to the Authorized User. Should an Authorized User add written terms and conditions to the Purchase Order that conflict with the terms and conditions of the Contract, the Contractor has the option of rejecting the Purchase Order within five business days of its receipt but shall first attempt to negotiate the additional written terms and conditions in good faith with the Authorized User, or fulfill the Purchase Order. Notwithstanding the above, the Authorized User reserves the

right to dispute any discrepancies arising from the presentation of additional terms and conditions with the Contractor.

33. PRODUCT DELIVERY Delivery must be made as ordered to the address specified on the Purchase Order and in accordance with the terms of the Contract. Delivery shall be made within thirty calendar days after receipt of a Purchase Order by the Contractor, unless otherwise agreed to by the Authorized User and the Contractor. The decision of the Commissioner as to compliance with delivery terms shall be final. The burden of proof for delay in receipt of a Purchase Order shall rest with the Contractor. In all instances of a potential or actual delay in delivery, the Contractor shall immediately notify the Commissioner and the Authorized User, and confirm in writing the explanation of the delay, and take appropriate action to avoid any subsequent late deliveries. Any extension of time for delivery must be requested in writing by the Contractor and approved in writing by the Authorized User. Failure to meet such delivery time schedule may be grounds for cancellation of the order or, in the Commissioner's discretion, the Contract.

34. WEEKEND AND HOLIDAY DELIVERIES Unless otherwise specified in the Bid Specifications or by an Authorized User, deliveries will be scheduled for ordinary business hours, Monday through Friday (excluding legal holidays observed by the State of New York). Deliveries may be scheduled by mutual agreement for Saturdays, Sundays or legal holidays observed by the State of New York where the Product is for daily consumption, an emergency exists, the delivery is a replacement, delivery is late, or other reasonable circumstance in which event the convenience of the Authorized User shall govern.

42. EMPLOYEES, SUBCONTRACTORS & AGENTS All employees, Subcontractors or agents performing work under the Contract at the Authorized User's site must be trained staff or technicians who meet or exceed the professional, technical and training qualifications set forth in the Bid Specifications or the Bid Documents, whichever is more restrictive, and must comply with all security and administrative requirements of the Authorized User. The Commissioner reserves the right to conduct a security background check or otherwise approve any employee, Subcontractor or agent furnished by Contractor and to refuse access to or require replacement of any personnel for cause based on professional, technical or training qualifications, quality of work or change in security status or non-compliance with Authorized User's security or other requirements. Such approval shall not relieve the Contractor of the obligation to perform all work in compliance with the Contract terms. The Commissioner reserves

the right to reject and/or bar from any facility for cause any employee, Subcontractor, or agents of the Contractor.

43. ASSIGNMENT The Contractor shall not assign, transfer, convey, sublet, or otherwise dispose of the contract or its right, title or interest therein, or its power to execute such contract to any other person, company, firm or corporation in performance of the contract without the prior written consent of the Commissioner or Authorized User (as applicable); provided, however, notwithstanding anything in Section 138 of the State Finance Law to the contrary, any approval required thereunder shall not be unreasonably withheld, conditioned, delayed or denied. Notwithstanding the foregoing, the State shall not hinder, prevent or affect assignment of money by a Contractor for the benefit of its creditors. Prior to a consent to assignment of monies becoming effective, the Contractor shall file a written notice of such monies assignment(s) with the Comptroller. Prior to a consent to assignment of a Contract, or portion thereof, becoming effective, the Contractor shall submit the request for assignment to the Commissioner and seek written agreement from the Commissioner which will be filed with the Comptroller. Commissioner shall use reasonable efforts to promptly respond to any request by Contractor for an assignment, provided that Contractor supplies sufficient information about the party to whom the Contractor proposes to assign the contract.

Upon notice to the Contractor, the Contract may be assigned without the consent of the Contractor to another State Agency or subdivision of the State pursuant to a governmental reorganization or assignment of functions under which the functions are transferred to a successor Agency or to another Agency that assumes OGS responsibilities for the Contract.

44. SUBCONTRACTORS AND SUPPLIERS The Commissioner reserves the right to reject any proposed Subcontractor or supplier for bona fide business reasons, including, but not limited to: the company failed to solicit New York State certified minority- and women-owned business enterprises as required in prior OGS Centralized Contracts; the fact that such Subcontractor or supplier is on the New York State Department of Labor's list of companies with which New York State cannot do business; the Commissioner's determination that the company is not qualified or is not responsible; or the fact that the company has previously provided unsatisfactory work or services.

45. PERFORMANCE / BID BOND The Commissioner reserves the right to require a Bidder or Contractor to furnish, without additional cost, a performance, payment or Bid bond, negotiable irrevocable letter of credit, or other form of security for the faithful performance of the Contract. Where required, such bond or other security shall be in the form prescribed by the Commissioner.

46. SUSPENSION OF WORK The Commissioner, in his/her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, in the best interests of the Authorized User. In the event of such suspension, the Contractor will be given a formal written notice outlining the particulars of such suspension. Examples of the reason for such suspension include, but are not limited to, a budget freeze or reduction in State spending, declaration of emergency, contract compliance issues or other circumstances. Upon issuance of such notice, the Contractor is not to accept any Purchase Orders, and shall

comply with the suspension order. Activity may resume at such time as the Commissioner issues a formal written notice authorizing a resumption of performance under the Contract.

An Authorized User may issue a formal written notice for the suspension of work for which it has engaged the Contractor for reasons specified in the above paragraph. The written notice shall set forth the reason for such suspension and the estimated duration of the suspension. A copy of the written notice shall be provided to the Commissioner. Activity may resume at such time as the Authorized User issues a formal written notice authorizing a resumption of performance under the Contract. Such written notice shall provide a minimum of ten (10) business days notification before resumption of performance.

47. TERMINATION

a. For Cause: For a material breach that remains uncured for more than thirty calendar days or other specified period after written notice to the Contractor, the Contract or Purchase Order may be terminated by the Commissioner or Authorized User respectively, at the Contractor's expense where Contractor becomes unable or incapable of performing, or meeting any requirements or qualifications set forth in the Contract, or for non-performance, or upon a determination that Contractor is non-responsible. Such termination shall be upon written notice to the Contractor. In such event, the Commissioner or Authorized User may complete the contractual requirements in any manner it may deem advisable and pursue available legal or equitable remedies for breach.

b. For Convenience: By written notice, this Contract may be terminated at any time by the Commissioner for convenience upon sixty calendar days written notice or other specified period without penalty or other early termination charges due. Such termination of the Contract shall not affect any project or Purchase Order that has been issued under the Contract prior to the date of such termination. If the Contract is terminated pursuant to this subdivision, the Authorized User shall remain liable for all accrued but unpaid charges incurred through the date of the termination. Contractor shall use due diligence and provide any outstanding deliverables.

By written notice, an Authorized User may terminate an Authorized User Agreement at any time for convenience upon sixty (60) calendar days written notice or other specified time period of at least sixty calendar days without penalty or other early termination charges due. Such termination of the Authorized User Agreement shall not affect the Contract or any other project or Purchase Order that has been issued under the Contract. If the Authorized User Agreement is terminated pursuant to this subdivision, the Authorized User shall remain liable for all completed and accepted deliverables but unpaid through the date of the termination. Contractor shall use due diligence and provide any outstanding deliverables for which payment is made.

c. For Violation of Sections 139-j and 139-k of the State Finance Law: The Commissioner reserves the right to terminate the Contract in the event it is found that the certification filed by the Bidder in accordance with Section 139-k of the State Finance Law was intentionally false or intentionally incomplete. Upon such finding, the Commissioner may exercise his/her termination right by providing written notification to the Contractor in accordance with the written notification terms of the Contract.

d. For Violation of Section 5-a of the New York State Tax Law: The Commissioner reserves the right to terminate the contract in the event it is found that the certification filed by the Contractor in accordance with Section 5-a of the Tax Law is not timely filed during the term of the Contract or the certification furnished was intentionally false or intentionally incomplete. Upon such finding, the Commissioner may exercise his/her termination right by providing written notification to the Contractor in accordance with the written notification terms of the Contract.

e. For Non-Responsibility: The Bidder agrees that if it is found by the State that the Bidder's responses to the Vendor Responsibility Questionnaire were intentionally false or intentionally incomplete, on such finding, the Commissioner may terminate the Contract.

Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate OGS officials or staff, the Contract may be terminated by the Commissioner or his or her designee at the Contractor's expense where the Contractor is determined by the Commissioner or his or her designee to be non-responsible. In such event, the Commissioner or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

In no case shall such termination of the Contract by the State be deemed a breach thereof, nor shall the State be liable for any damages for lost profits or otherwise, which may be sustained by the Contractor as a result of such termination.

f. For refusal to testify, sign a waiver of immunity or answer questions

The Commissioner reserves the right in accordance with State Finance Law §139-a, to terminate the contract in the event it is found that a member, partner, director or officer of Contractor refused, when called before a grand jury, head of a State department, temporary state commission or other State agency, or the organized crime task force in the department of law, which is empowered to compel the attendance of witnesses and examine them under oath, to testify in an investigation, concerning any transaction or contract had with the State, any political subdivision thereof, a public authority or with any public department, agency or official of the State or of any political subdivision thereof or of a public authority, to sign a waiver of immunity against subsequent criminal prosecution or to answer any relevant question concerning such transaction or contract. Upon such finding, the Commissioner may exercise his/her termination right by providing written notification to the Contractor.

48. SAVINGS/FORCE MAJEURE A Force Majeure occurrence is an event or effect that cannot be reasonably anticipated or controlled and is not due to the negligence or willful misconduct of the affected party. Force Majeure includes, but is not limited to, acts of God, acts of war, acts of public enemies, terrorism, strikes, fires, explosions, actions of the elements, floods, or other similar causes beyond the control of the Contractor or the Commissioner in the performance of the Contract where non-performance, by exercise of reasonable diligence, cannot be prevented.

The affected party shall provide the other party with written notice of any Force Majeure occurrence as soon as the delay is known and provide the other party with a written contingency plan to address the Force Majeure occurrence, including, but not limited to, specificity on quantities of materials, tooling, people, and other resources that will need to be redirected to another facility and the process of redirecting them. Furthermore, the affected party shall use its commercially reasonable efforts to resume proper performance within an appropriate period of time. Notwithstanding the foregoing, if the Force Majeure condition continues beyond thirty (30) days, the Parties shall jointly decide on an appropriate course of action that will permit fulfillment of the Parties' objectives hereunder.

The Contractor agrees that in the event of a delay or failure of performance by the Contractor, under the Contract due to a Force Majeure occurrence:

- a. The Commissioner may purchase from other sources (without recourse to and by the Contractor for the costs and expenses thereof) to replace all or part of the Products which are the subject of the delay, which purchases may be deducted from the Contract quantities without penalty or liability to the State, or
- b. The Contractor will make commercially reasonable efforts to provide Authorized Users with access to Products first in order to fulfill orders placed before the Force Majeure event occurred. The Commissioner agrees that Authorized Users shall accept allocated performance or deliveries during the occurrence of the Force Majeure event.

Neither the Contractor nor the Commissioner shall be liable to the other for any delay in or failure of performance under the Contract due to a Force Majeure occurrence. Any such delay in or failure of performance shall not constitute default or give rise to any liability for damages. The existence of such causes of such delay or failure shall extend the period for performance to such extent as determined by the Contractor and the Commissioner to be necessary to enable complete performance by the Contractor if reasonable diligence is exercised after the cause of delay or failure has been removed.

Notwithstanding the above, at the discretion of the Commissioner where the delay or failure will significantly impair the value of the Contract to the State or to Authorized Users, the Commissioner may terminate the Contract or the portion thereof which is subject to delays, and thereby discharge any unexecuted portion of the Contract or the relative part thereof.

In addition, the Commissioner reserves the right, in his/her sole discretion, to make an equitable adjustment in the Contract terms and/or pricing should extreme and unforeseen volatility in the marketplace affect pricing or the availability of supply. "Extreme and unforeseen volatility in the marketplace" is defined as market circumstances which meet the following criteria: (i) the volatility is due to causes outside the control of Contractor; (ii) the volatility affects the marketplace or industry, not just the particular Contract source of supply; (iii) the effect on pricing or availability of supply is substantial; and (iv) the volatility so affects Contractor's performance that continued performance of the Contract would result in a substantial loss. Failure of the

Contractor to agree to any adjustment shall be a dispute under the Disputes clause; provided however, that nothing in this clause shall excuse the Contractor from performing in accordance with the Contract as changed.

49. **CONTRACT INVOICING**

a. Invoicing. Contractor and the dealers/distributors/resellers designated by the Contractor, if any, shall provide complete and accurate billing invoices to each Authorized User in order to receive payment. Billing invoices submitted to an Authorized User must contain all information required by the Contract and the State Comptroller or other appropriate fiscal officer. Submission of an invoice and payment thereof shall not preclude the Commissioner from requesting reimbursement or demanding a price adjustment in any case where the Product delivered is found to deviate from the terms and conditions of the Contract or where the billing was inaccurate.

Contractor shall provide, upon request of the Commissioner, any and all information necessary to verify the accuracy of the billings. Such information shall be provided in a commercially reasonable manner as requested by the Commissioner. The Commissioner may direct the Contractor to provide the information to the State Comptroller or to any Authorized User of the Contract.

b. Payment of Contract Purchases made by an Authorized User when the State Comptroller is responsible for issuing such payment. The Authorized User and Contractor agree that payments for invoices submitted by the Contractor shall only be rendered electronically unless payment by paper check is expressly authorized by the Commissioner, in the Commissioner's sole discretion, due to extenuating circumstances. Such electronic payments shall be made in accordance with ordinary State procedures and practices. The Contractor shall comply with the State Comptroller's procedures to authorize electronic payments. Authorization forms are available at the State Comptroller website at www.osc.state.ny.us, by e-mail at epunit@osc.state.ny.us, or by telephone at 518-474-4032. Contractor acknowledges that it will not receive payment on any invoices submitted under this Contract that are payable by the State Comptroller if it does not comply with the State Comptroller's electronic payment procedures, except where the Commissioner has expressly authorized payment by paper check as set forth above.

c. Payment of Contract Purchases made by an Authorized User when the State Comptroller is not responsible for issuing such payment The Authorized User and Contractor agree that payments for such Contract purchases shall be billed directly by Contractor on invoices/vouchers, together with complete and accurate supporting documentation as required by the Authorized User. Such payments shall be as mandated by the appropriate governing law from the receipt of a proper invoice. Such Authorized User and Contractor are strongly encouraged to establish electronic payments.

50. **DEFAULT – AUTHORIZED USER**

a. Breach by Authorized User. An Authorized User's breach shall not be deemed a breach of the Centralized Contract; rather, it shall be deemed a breach of the Authorized User's performance under the terms and conditions of the Centralized Contract.

b. Failure to Make Payment. In the event a participating Authorized User fails to make payment to the Contractor for Products delivered, accepted and properly invoiced, within thirty calendar days of such delivery and acceptance, the Contractor may, upon five business days advance written notice to both the Commissioner and the Authorized User's purchasing official, suspend additional shipments of Product or provision of services to such entity until such time as reasonable arrangements have been made and assurances given by such entity for current and future Contract payments.

c. Notice of Breach. Notwithstanding the foregoing, the Contractor shall, at least ten business days prior to declaring a breach of Contract by any Authorized User, by certified or registered mail, notify both the Commissioner and the purchasing official of the breaching Authorized User of the specific facts, circumstances and grounds upon which a breach will be declared.

d. Insufficient basis. If the Contractor's basis for declaring a breach is insufficient, the Contractor's declaration of breach and failure to service an Authorized User may constitute a breach of the Contract, and the Authorized User may thereafter seek any remedy available at law or equity.

51. PROMPT PAYMENTS

a. State Agencies Upon acceptance of Product or as otherwise provided by Contract, Contractor may invoice for payment. The required payment date shall be thirty (30) calendar days, excluding legal holidays, from the receipt of a proper invoice, as determined in accordance with State Finance Law §179-f(2) and 2 NYCRR Part 18. The payment of interest on certain payments due and owed by Agency may be made in accordance with State Finance Law §§179-d et. seq. and the implementing regulations (2 NYCRR §18.1 et seq.).

b. By Non-State Agencies Upon acceptance of Product or as otherwise provided by Contract, Contractor may invoice for payment. The required payment date shall be thirty calendar days, excluding legal holidays, or as mandated by the appropriate governing law from the receipt of a proper invoice. The terms of Article 11-A of the State Finance Law apply only to procurements by and the consequent payment obligations of Agencies. Neither expressly nor by any implication is the statute applicable to Non-State Authorized Users. Neither OGS nor the State Comptroller is responsible for payments on any purchases made by a Non-State Agency Authorized User.

c. By Contractor Should the Contractor be liable for any payments to the State hereunder, interest, late payment charges and collection fee charges will be determined and assessed pursuant to Section 18 of the State Finance Law.

52. REMEDIES FOR BREACH It is understood and agreed that all rights and remedies afforded below shall be in addition to all remedies or actions otherwise authorized or permitted by law:

a. Cover/Substitute Performance In the event of Contractor's material breach that has not been cured within thirty (30) days following Contractor's receipt of written notice of the material breach, the Commissioner may, with or without formally Bidding: (i) Purchase from other sources; or (ii) If the Commissioner is unsuccessful after making reasonable attempts, under the

circumstances then-existing, to timely obtain acceptable service or acquire replacement Product of equal or comparable quality, the Commissioner may acquire acceptable replacement service or Product of lesser or greater quality.

Such purchases may be deducted from the Contract quantity without penalty or liability to the State. The Commissioner agrees that Authorized Users shall accept allocated performance or deliveries during a period where Contractor is making good faith efforts to cure a material breach.

b. Withhold Payment In any case where a reasonable question of material, uncured non-performance by Contractor arises, payment may be withheld in whole or in part at the discretion of the Commissioner. Should Contractor and the Commissioner fail to agree upon the question of "materiality" in an instance of non-performance, such failure to agree shall be a dispute under the Disputes clause.

c. Bankruptcy In the event that the Contractor files, or there is filed against Contractor, a petition under the U.S. Bankruptcy Code during the term of this Centralized Contract, Authorized Users may, at their discretion, make application to exercise its right to set-off against monies due the Debtor or, under the Doctrine of Recoupment, be credited the amounts owed by the Contractor arising out of the same transactions.

d. Reimbursement of Costs Incurred The Contractor agrees to reimburse the Authorized User promptly for any and all additional costs and expenses incurred for acquiring acceptable services, and/or replacement Product. Should the cost of cover be less than the Contract price, the Contractor shall have no claim to the difference. The Contractor covenants and agrees that in the event suit is successfully prosecuted for any default on the part of the Contractor, all costs and expenses, including reasonable attorney's fees awarded by a court of competent jurisdiction, shall be paid by the Contractor.

Where the Contractor fails to timely deliver pursuant to the guaranteed delivery terms of the Contract, the ordering Authorized User may obtain substitute Product temporarily and the cost of the replacement Product shall be deducted from the Contract quantity without penalty or liability to the State.

e. Deduction/Credit Sums due as a result of these remedies may be deducted or offset by the Authorized User from payments due, or to become due, the Contractor on the same or another transaction. If no deduction or only a partial deduction is made in such fashion the Contractor shall pay to the Authorized User the amount of such claim or portion of the claim still outstanding, on demand. The Commissioner reserves the right to determine the disposition of any rebates, settlements, restitution, damages, etc., that arise from the administration of the Contract.

53. ASSIGNMENT OF CLAIM Contractor hereby assigns to the State any and all claims for overcharges associated with this Contract that may arise under the antitrust laws of the United States, 15 USC Section 1, et. seq. and the antitrust laws of the State of New York, General Business Law Section 340, et. seq.

54. RESERVED

55. INDEPENDENT CONTRACTOR It is understood and agreed that the legal status of the Contractor, its agents, officers and employees under this Contract is that of an independent Contractor, and in no manner shall they be deemed employees of the Authorized User, and therefore are not entitled to any of the benefits associated with such employment.

56. SECURITY Contractor warrants, covenants and represents that it will comply fully with all security procedures of the Authorized User(s) in performance of the Contract including but not limited to physical, facility, documentary, information security and cyber security rules, procedures and protocols ("Procedures"). Authorized User shall indicate if there are any applicable Procedures as part of the mini-bid required under this Contract. The Authorized User shall make available the relevant Procedures and Contractor shall be responsible for distributing to its representatives and assessing and ensuring compliance. The Authorized User, Contractor and the State agree that the Procedures do not modify or amend the other terms and conditions of the Contract.

57. COOPERATION WITH THIRD PARTIES The Contractor shall be responsible for fully cooperating with any third party, including but not limited to other Contractors or Subcontractors of the Authorized User, as necessary to ensure delivery or performance of Product .

58. (60) days from the date of delivery to accept all Product. Where the Contractor is responsible for installation, acceptance shall be from completion of installation. Title or other property interest and risk of loss shall not pass from Contractor to the Authorized User until the Products have been accepted. Failure to provide notice of acceptance or rejection or a deficiency statement to the Contractor by the end of the period provided for under this clause constitutes acceptance by the Authorized User(s) as of the expiration of that period. The License Term shall be extended by the time periods allowed for trial use, testing and acceptance unless the Commissioner or Authorized User agrees to accept the Product at completion of trial use.

Costs and liabilities associated with a failure of the Product to perform in accordance with the functionality tests or product specifications during the acceptance period shall be borne fully by Contractor to the extent that said costs or liabilities shall not have been caused by negligent or willful acts or omissions of the Authorized User's agents or employees. Said costs shall be limited to the amounts set forth in the Limitation of Liability Clause for any liability for costs incurred at the direction or recommendation of Contractor. When Product is not accepted, it must be removed by the Contractor from the premises of the Authorized User within ten calendar days of notification of non-acceptance by the Authorized User. Rejected items not removed by the Contractor within the ten calendar day period shall be regarded as abandoned by the Contractor and the Authorized User shall have the right to dispose of Product as its own property.
