

Attachment 1 - Pricing	
Contractor:	PruTech Solutions, Inc.
Contract Number:	PB70685
Lots Awarded:	1A, 1B, 2, 3
<p>Authorized Users Please Note the Following:</p> <p>A competitive Mini-Bid is required for every transaction under this Centralized Contract. (Section 1.3 of Attachment 16 - How to Use this Contract)</p> <p>The Contractor acknowledges that any mini-bid under this Centralized Contract which includes pricing in excess of the “maximum Not-To-Exceed price” shall be rejected by the Authorized User. (Sections 7.9 of the Contract - Reasonableness of Price)</p> <p>Price increases will only apply to the OGS Centralized Contracts and shall not be applied retroactively to Authorized User Agreements or any Mini-bids already submitted to an Authorized User. (Section 8.5 of the Contract - Pricelist Adjustments)</p> <p>When provided for in the Mini-Bid and resultant Authorized User Agreement, an Authorized User may reimburse travel expenses. All rules and regulations associated with this travel can be found at http://osc.state.ny.us/agencies/travel/travel.htm. In no case will any travel reimbursement be paid that exceeds these rates. All travel will be paid only as part of a deliverable specified within the Authorized User Agreement and must be billed with that associated Invoice with receipts attached. (Section 7.12 of the Contract - Travel, Meals and Lodging)</p>	

PruTech Solutions, Inc. Approved Price List			Number of Approved Titles:	35	Last Updated:	10/22/2025
Item Number	SKU	Job Title	Job Description	Minimum Education / Certification Level	Minimum Years of Experience	NYS Contract Price (Not to Exceed Hourly Rate, Exclusive of Travel)
1	PM0001	Project Manager Entry Level	Less than 2 years experience in overseeing small scaled, noncomplex projects, comprised of a small number of deliverables and/or a small number of phases; typically coordinates and delegates the assignments for the consultant project staff numbering up to 5; focal point of contact for Requesting Agency regarding project status, meetings, reporting requirements, scope changes, and issues and concerns raised by consultant staff or Requesting Agency.	HS	Less than 2 Years	\$99.26
2	PM0002	Project Manager I	Minimum of 2 years experience in overseeing small scaled, non-complex projects, comprised of a small number of deliverables and/or a small number of phases; typically coordinates and delegates the assignments for the consultant project staff numbering up to 10; focal point of contact for Requesting Agency regarding project status, meetings, reporting requirements, scope changes, and issues and concerns raised by consultant staff or Requesting Agency.	HS	2	\$114.31
3	PM0003	Project Manager II	Minimum 4 years experience in overseeing medium scaled projects comprised of sub-projects and distinct deliverables; typically coordinates and delegates the assignments for the consultant project staff numbering over 10; focal point of contact for Requesting Agency regarding project status, meetings, reporting requirements, scope changes, and financial, administrative, and technical issues and concerns raised by consultant staff or Requesting Agency.	Bachelors	4	\$132.36
4	PM0004	Project Manager III	Minimum 8 years experience in overseeing medium to large scaled projects comprised of sub-projects and distinct deliverables, often comprising a program with multiple work streams; typically coordinates and delegates the assignments for the consultant project staff numbering over 20; focal point of contact for Requesting Agency regarding project status, meetings, reporting requirements, scope changes, and financial, administrative, and technical issues and concerns raised by consultant staff or Requesting Agency.	Bachelors	8	\$147.39
5	PM0005	Project Manager IV	Minimum 12 years experience in overseeing medium to large scaled projects comprised of sub-projects and distinct deliverables, often comprising a program with multiple work streams; typically coordinates and delegates the assignments for the consultant project staff numbering over 30; focal point of contact for Requesting Agency regarding project status, meetings, reporting requirements, scope changes, and financial, administrative, and technical issues and concerns raised by consultant staff or Requesting Agency.	Bachelors	12	\$174.46
6	PM0006	Project Manager V	Minimum 16 years experience in overseeing medium to large scaled projects comprised of sub-projects and distinct deliverables, often comprising a program with multiple work streams; typically coordinates and delegates the assignments for the consultant project staff numbering over 40; focal point of contact for Requesting Agency regarding project status, meetings, reporting requirements, scope changes, and financial, administrative, and technical issues and concerns raised by consultant staff or Requesting Agency.	Bachelors/PMP	16 Years	\$192.52
7	PG0001	Programmer Entry Level	Less than 2 years experience with writing application software, data analysis, data access, data structures, data manipulation, databases, design, programming, testing and implementation, technical and user documentation, software conversions; environments include but are not limited to mainframe, mid range, personal computers, laptops.	HS	Less than 2 Years	\$77.41
8	PG0002	Programmer I	Minimum of 2 years experience with writing application software, data analysis, data access, data structures, data manipulation, databases, design, programming, testing and implementation, technical and user documentation, software conversions; environments include but are not limited to mainframe, mid range, personal computers, laptops.	HS	2	\$89.32
9	PG0003	Programmer II	Minimum of 4 years experience with writing application software, data analysis, data access, data structures, data manipulation, databases, programming, testing and implementation, technical and user documentation, software conversions; environments include but are not limited to mainframe, mid range, personal computers, laptop; available to assist and/or lead in the design of program specifications and the implementation of software solutions.	HS	4	\$107.18
10	PG0004	Programmer III	Minimum of 8 years experience with writing application software, data analysis, data access, data structures, data manipulation, databases, programming, testing and implementation, technical and user documentation, software conversions; environments include but are not limited to mainframe, mid range, personal computers, laptop; available to assist and/or lead in the design of program specifications and the implementation of software solutions.	BS	8	\$122.07
11	PG0005	Programmer IV	Minimum of 12 years experience with writing application software, data analysis, data access, data structures, data manipulation, databases, programming, testing and implementation, technical and user documentation, software conversions; environments include but are not limited to mainframe, mid range, personal computers, laptop; available to assist and/or lead in the design of program specifications and the implementation of software solutions.	BS	12	\$139.94
12	PG0006	Programmer V	Minimum of 16 years experience with writing application software, data analysis, data access, data structures, data manipulation, databases, programming, testing and implementation, technical and user documentation, software conversions; environments include but are not limited to mainframe, mid range, personal computers, laptop; available to assist and/or lead in the design of program specifications and the implementation of software solutions.	BS	16	\$166.73
