

<b>Attachment 1 - Pricing</b>	
<b>Contractor:</b>	Sanghi Consulting, Inc.
<b>Contract Number:</b>	PB70522
<b>Lots Awarded:</b>	Lot 1A & Lot 1B
<p><b>Authorized Users Please Note the Following:</b></p> <p>A competitive Mini-Bid is required for every transaction under this Centralized Contract. (Section 1.3 of Attachment 16 - How to Use this Contract)</p> <p>The Contractor acknowledges that any mini-bid under this Centralized Contract which includes pricing in excess of the “maximum Not-To-Exceed price” shall be rejected by the Authorized User. (Sections 7.9 of the Contract - Reasonableness of Price)</p> <p>Price increases will only apply to the OGS Centralized Contracts and shall not be applied retroactively to Authorized User Agreements or any Mini-bids already submitted to an Authorized User. (Section 8.5 of the Contract - Pricelist Adjustments)</p> <p>When provided for in the Mini-Bid and resultant Authorized User Agreement, an Authorized User may reimburse travel expenses. All rules and regulations associated with this travel can be found at <a href="http://osc.state.ny.us/agencies/travel/travel.htm">http://osc.state.ny.us/agencies/travel/travel.htm</a>. In no case will any travel reimbursement be paid that exceeds these rates. All travel will be paid only as part of a deliverable specified within the Authorized User Agreement and must be billed with that associated Invoice with receipts attached. (Section 7.12 of the Contract - Travel, Meals and Lodging)</p>	

Sanghi Consulting, Inc. Approved Price List			Number of Approved Titles:	38	Last Updated:	10/30/2025
Item Number	SKU	Job Title	Job Description	Minimum Education / Certification Level	Minimum Years of Experience	NYS Contract Price (Not to Exceed Hourly Rate, Exclusive of Travel)
1	SCIBTS	Project Manager	Delivers Working and Progressively Elaborated Business Solutions Directly to Authorized Users' Program/Business Staff using COTS and/or SaaS IT Products. Maximizes Business ROI Metrics by Redesigning Underlying Business Process and Driving Staff Adoption/Utilization. Includes equivalent Labor Categories titles/descriptions under SCI's Mission Oriented Business Integrated Services (MOBIS), and Performance Management/Continuous Process Improvement (PM/CPI) and Responsive Acquisition Processing for Integrated Delivery (RAPID) Schedules.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	1	\$77.86
2	SCIBAPM	Project Manager I	Delivers and oversees small scaled, non-complex Sprints, Milestones and Deliverables, maintains Project Plan coordination with Authorized User and Manages Integrated Project Teams (IPT) numbering up to 10 Roles. Includes equivalent Labor Categories titles/descriptions under SCI's Mission Oriented Business Integrated Services (MOBIS), and Performance Management/Continuous Process Improvement (PM/CPI) and Responsive Acquisition Processing for Integrated Delivery (RAPID) Schedules.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	2	\$103.00
3	SCIPM	Project Manager II	Delivers and oversees medium scaled Sprints, Milestones and Deliverables comprised of Sub-Tasks, Modifies Project Plan with Authorized User and Manages Integrated Project Teams (IPT) numbering over 10 Roles. Focal point of contact for Authorized Users regarding project status, meetings, reporting requirements; scope changes, and financial, administrative, and technical issues and concerns raised by IPT resources. Includes equivalent Labor Categories titles/descriptions under SCI's Mission Oriented Business Integrated Services (MOBIS), and Performance Management/Continuous Process Improvement (PM/CPI) and Responsive Acquisition Processing for Integrated Delivery (RAPID) Schedules.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	4	\$108.15
4	SCIEM	Project Manager III	Delivers and oversees large scaled, complex, and Transformative Projects. Serves as the Escalation POC for Authorized Users. Leads Integrated Project Teams (IPT) numbering over 20 Roles. Includes equivalent Labor Categories titles/descriptions under SCI's Mission Oriented Business Integrated Services (MOBIS), and Performance Management/Continuous Process Improvement (PM/CPI) and Responsive Acquisition Processing for Integrated Delivery (RAPID) Schedules.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	8	\$123.60
5	SCIPA	Programmer Analyst	Delivers application software, data analysis, data access, data structures, data manipulation, databases, design, programming, testing and implementation, technical documentation and system interfaces. Includes equivalent Labor Categories titles/descriptions under SCI's Mission Oriented Business Integrated Services (MOBIS), and Performance Management/Continuous Process Improvement (PM/CPI) and Responsive Acquisition Processing for Integrated Delivery (RAPID) Schedules.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	1	\$77.25
6	SCIS1	Specialist II	Delivers Subject Matter Expertise in a particular technical application that is beyond the requirements addressed in the Programmer Analyst Job Title. Includes equivalent Labor Categories titles/descriptions under SCI's Mission Oriented Business Integrated Services (MOBIS), and Performance Management/Continuous Process Improvement (PM/CPI) and Responsive Acquisition Processing for Integrated Delivery (RAPID) Schedules.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	4	\$79.31
7	SCIS2	Specialist III	Delivers Subject Matter Expertise in a particular technical application and/or business, professional or scientific domain that is beyond the scope of the Programmer Analyst or Specialist II Job Titles. Includes equivalent Labor Categories titles/descriptions under SCI's Mission Oriented Business Integrated Services (MOBIS), and Performance Management/Continuous Process Improvement (PM/CPI) and Responsive Acquisition Processing for Integrated Delivery (RAPID) Schedules.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	8	\$108.15
8	SCIBPR	Business Process Reengineer	Delivers Business Process Management (BPM), business process redesign, business transformation, and/or business process change management. Includes equivalent Labor Categories titles/descriptions under SCI's Mission Oriented Business Integrated Services (MOBIS), and Performance Management/Continuous Process Improvement (PM/CPI) and Responsive Acquisition Processing for Integrated Delivery (RAPID) Schedules.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	2	\$85.49
9	SCIMA	Business Analyst	Delivers Management Consulting Knowledge, Techniques and Best Practices across all aspects of the Business/IT Alignment Imperative. Includes equivalent Labor Categories titles/descriptions under SCI's Mission Oriented Business Integrated Services (MOBIS), and Performance Management/Continuous Process Improvement (PM/CPI) and Responsive Acquisition Processing for Integrated Delivery (RAPID) Schedules.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	2	\$87.55

Item Number	SKU	Job Title	Job Description	Minimum Education / Certification Level	Minimum Years of Experience	NYS Contract Price (Not to Exceed Hourly Rate, Exclusive of Travel)
10	SCIIC	Implementation Consultant	Delivers all/Key Non-Technical Project Critical Success Factors (CSF) and Mitigates all/Key Non-Technical Project Critical Failure Factors (CFF). Includes equivalent Labor Categories titles/descriptions under SCI's Mission Oriented Business Integrated Services (MOBIS), and Performance Management/Continuous Process Improvement (PM/CPI) and Responsive Acquisition Processing for Integrated Delivery (RAPID) Schedules.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	6	\$103.00
11	SCIITMP	IT Planner	Delivers Independent and Expert Support to Authorized Users' Executive Management Teams, including but not limited to, Technology Acquisition Support, Independent Validation and Verification (IV&V), Integrated Project Team (IPT) Design and Modular Contracting Governance. Includes equivalent Labor Categories titles/descriptions under SCI's Mission Oriented Business Integrated Services (MOBIS), and Performance Management/Continuous Process Improvement (PM/CPI) and Responsive Acquisition Processing for Integrated Delivery (RAPID) Schedules.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	6	\$103.00
12	SCIHR	Staff Development Professional	Delivers Organizational Development, Human Resources Consulting, Internal Consulting Development and/or SCI Process and Project Workshops, Guided Implementations, Customized Training and/or Mentored Learning. Includes equivalent Labor Categories titles/descriptions under SCI's Mission Oriented Business Integrated Services (MOBIS), and Performance Management/Continuous Process Improvement (PM/CPI) and Responsive Acquisition Processing for Integrated Delivery (RAPID) Schedules.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	2	\$113.30
13	SCIDS	Professional Consulting	Delivers Data Science Techniques and Best Practice by Harnessing Vast Amounts of Data to Optimize Public Sector Outcomes. Expertise in the statistical and mathematical underpinnings of data science, the data structures and data development necessary for data science and the algorithmic approaches operationalizing data science to solving public sector problems.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	5	\$184.37
14	SCIDW	Professional Consulting	Delivers Data Warehouse Architectures and Best Practice by Designing Data Structures that Enable Public Sector Data Analysts. Expertise data quality, data integration, data masking, data architecture and data analytics usability.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	4	\$120.51
15	SCIOCM	Senior Consulting Services	Delivers Organizational Change Management (OCM) Techniques and Best Practice to Public Sector Leaders. Expertise in operationalizing People around Project and Process change.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	5	\$154.50
16	SCICIP	Consulting Services	Delivers Continuous Process Improvement (CPI) Techniques and Best Practice to Public Sector Teams. Expertise in operationalizing Process around Project and People change.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	3	\$103.00
17	SCIDA	Data Analyst	Delivers Data Analytics Techniques and Best Practice by Developing Visual Data Mining Self-Service Explorations to Public Sector Teams. Expertise in data preparation and shaping, data enhancement and interactive data-driven decision support.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	3	\$103.00
18	SCIDSE	Systems Engineer	Delivers Data Systems Engineering Techniques and Best Practice by Developing Data Integration and Transformation Platforms for Public Sector Teams. Expertise in RDBMs, multidimensional data storage, meta-data management, ETL, automated data cleansing and big data hardware/software solutions.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	3	\$103.00
19	SCIBIS	Business Intelligence Specialist	Delivers Business Intelligence Techniques and Best Practice by Surfacing Actionable Data-Driven Decision Points to Public Sector Managers. Expertise in Decision Support Systems (DSS) design, development and implementation.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	3	\$103.00

Item Number	SKU	Job Title	Job Description	Minimum Education / Certification Level	Minimum Years of Experience	NYS Contract Price (Not to Exceed Hourly Rate, Exclusive of Travel)
20	SCISIA	Senior System Integration and Data Migration Architect	SCI's Senior Systems Integration Architects (SIAs) deliver advisory and implementation services to Agencies overcoming complex systems integration challenges, both within the Agency's own walls, and with its governmental partners, external vendors, and constituents. SCI's systems integration specialists can help Agencies manage the complexity inherent with technology and solve business challenges through the integration of technology. SCI's SIAs deliver SI expertise across the entire spectrum of systems integration success factors including: (a) Program Management, (b) System Design & Development, (c) Testing, (d) Solution & Platform Integration / Middleware and (f) Application Architecture.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	5	\$184.37
21	SCITA	Technical Analyst	Primary responsibilities are service delivery and operations execution on projects ranging in scope including, but not limited to: technology strategy, architecture and service management; IT security; systems integration; data analytics and visualization; application development and maintenance; and infrastructure/network design and management. Possess competencies in multiple IT technologies and business processes. Collaborates with project teams and may perform as a project manager on IT engagements. Leads deliverables and reviews the work of others for quality and accuracy. May perform analyses of a technical or non-technical nature.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	3	\$118.45
22	SCIFSD	Full Stack Developer	Delivers the technical expertise across the full SDLC for software development projects from requirements elicitation, code development, testing and deployment. Includes expertise in all major development platforms and languages, and all end-to-end "tiers" including but not limited to data storage tiers, rules/logic, application delivery and presentation tiers, technologies and systems.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	2	\$99.91
23	SCIIVV	Independent Validation and Verification (IV&V) Analyst	Performs IV&V; consulting services, in a lead role, for one or more complex IT systems development projects(s) and systems development lifecycle activities including: systems design, development, training, data conversion, implementation, and change management. Delivers expertise on, but not limited to, SDLC methodologies and static verification, dynamic verification by different testing methods such as integration testing and functional testing.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	4	\$123.60
24	SCIRE	Requirements Engineer	Elicits, analyzes, specifies, and validates the business requirements needs of project stakeholders. This includes but is not limited to interviewing stakeholders, and gathering and compiling user requirements to convey to development teams throughout the software lifecycle. Applies proven communication, analytical, and problem-solving skills to help support the development process, and to ensure that project deliverables are met according to specifications. Plays a pivotal role in ensuring IT understanding of business requirements.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	3	\$118.45
25	SCIBDA	Business Data Analyst	Delivers expertise in the business utilization of organizational data assets, including but not limited to; (a) logical data modeling (domain modeling), (b) data stewardship and governance policy designs, (c) business-oriented data security classifications, (d) data business rules and (e) data quality/profiling analysis.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	2	\$87.55
26	SCIIVVDA	Independent Validation and Verification Data Analyst	The role of the Data Analyst is to expand the organization's use of data as a strategic enabler of organizational goals and objectives. The Data Analyst will achieve this by strategically designing, developing, and implementing data models for enterprise level applications and systems. These models could be architected at the following layers: conceptual, logical, business area, and application. This individual will act as the primary advocate of data modeling methodologies and data processing best practices while contributing to Enterprise Architecture.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	3	\$103.00
27	SCIIVVQAA	Independent Validation and Verification Q/A Analyst	The Quality Assurance Analyst's role is to develop and establish quality assurance standards and measures for the information technology services within the organization. This individual will also gather and analyze data in support of business cases, proposed projects, and systems requirements. This will include writing test plan and scripts for tracking defects and fixes in product development, software application development, information systems, and operations systems. The QA Analyst will apply proven analytical and problem-solving skills to help validate IT processes through careful testing in order to maximize the benefit of business investments in IT initiatives.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	3	\$108.15
28	SCIIVVTA	Independent Validation and Verification Technical Analyst	The Technical Architect's role is to plan, coordinate, architect, and supervise all activities related to the integration of software programs, applications, and third-party solutions as required to meet the business requirements of the organization. This individual is also responsible for developing and maintaining an application architecture blueprint for the organization. This individual will oversee testing of the interoperability of application modules under development by in-house software development teams, commercial off-the-shelf software deployed in the organization, and with external third parties as necessary. Proven communication skills, problem-solving skills, and knowledge of intergration best practices are critical to successful performance in this role.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	4	\$118.45

Item Number	SKU	Job Title	Job Description	Minimum Education / Certification Level	Minimum Years of Experience	NYS Contract Price (Not to Exceed Hourly Rate, Exclusive of Travel)
29	SCIIVBA	Independent Validation and Verification Business Analyst	The Business Architect plays a key role in structuring the enterprise in terms of its governance structure, business processes, and business information. This person aligns strategic goals and objectives with decisions regarding products and services, partners and suppliers, organization, capabilities, and key business and IT initiatives. The primary focus includes the business motivations, business operations, and business analysis frameworks and related networks that link these aspects of the enterprise together. The Business Architect works to develop an integrated view of the enterprise using a repeatable approach, cohesive framework, and available industry standard techniques.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	5	\$123.60
30	SCIIVDMCS	Independent Validation and Verification Data Migration and Conversion Specialist	The role of the Data Integration (DI) Specialist is to assist with selecting DI solutions, whether they are within the Cloud or On-Premise. The individual is there to coordinate the organization's DI patterns with appropriate DI architectures. The DI Specialist must ensure that adoption of DI solutions are in compliance with legal and regulatory standards and align with overarching business strategies.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	5	\$184.37
31	SCIPC	Professional Consulting	With expert knowledge in the fields of both NYS Procurement and IT Management & Planning, the NYS Technology Procurement and Strategy Specialist will provide full-spectrum support for meeting all technology acquisition challenges. They provide information on how to solve technology-related challenges, and with intimate knowledge of New York's procurements process, they can guide Agencies in the process of roadmapping technology solutions and capabilities acquisitions. SCI's IT Management & Planning consultant will facilitate NYS Agencies in their decisioning on what to acquire, how to acquire, when to acquire and how to integrate acquisitions into improved and existing Agency operations.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	5	\$180.25
32	SCIFA	Functional Analyst	The Functional Analyst leverages their expertise to provide project management, operational, and administrative support to the project team, sponsor, and project manager. They focus on specific deliverables, parts of projects, and/or subprojects with scheduling, organizing, data gathering, progress updating, recordkeeping, and reporting. The Functional Analyst will make project and portfolio reports presentation-ready to ease the burden on the senior project managers to validate and harmonize communications.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	2	\$72.10
33	SCIITS	IT Specialist	Involved in all aspects of IT and management consulting, including data. Delivers technology staffing (e.g., programming), systems development, and process automation for seamless data access and workflow improvement. Supports organizational and business-process transformation through business-process engineering. Provides strategic guidance to align IT solutions with business goals, leads technical project planning and execution, and ensures IV&V and QA across all deliverables for optimal results in complex project environments.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	3	\$110.00
34	SCIDC	Data Coordinator	Involved in all aspects of IT and management consulting, including data. Leads coordination of data assets and administrative protocols, while supporting organizational transformation through process automation and business process engineering. Participates in strategy planning, risk management, and project tracking for effective data management. Assists with systems development and ongoing IV&V/QA, and enables improvements in business workflow design, documentation, and compliance across strategic initiatives.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	1	\$70.00
35	SCIA1	Data Analyst Level 1	Involved in all aspects of IT and management consulting, including data. Acquires, validates, and cleans data using programming and analytic automation, and actively participates in business process and workflow redesign. Contributes to project planning, implementation, and monitoring; supports strategic decision-making by translating data insights into actionable project recommendations; and helps deliver robust QA, documentation, and process improvement in team deliverables.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	3	\$120.00
36	SCIA2	Data Analyst Level 2	Involved in all aspects of IT and management consulting, including data. Leads integration and validation of advanced analytics pipelines with an emphasis on process excellence, automation, and business process reengineering. Plays a central strategic role in developing and implementing project plans, schedules, and deliverables, coordinating across IT and analytics teams to ensure timely, high-quality results through rigorous IV&V, QA, and continuous organizational improvement.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	4	\$140.00
37	SCIA3	Data Analyst Level 3	Involved in all aspects of IT and management consulting, including data. Provides strategic data oversight, collaborates with research teams, and leads the organization through business process reengineering and advanced process automation projects. Develops and implements innovative analytics and workflow optimization methods, ensures rigorous IV&V/QA for complex solutions, and drives high-end management consulting initiatives focused on maximizing organizational outcomes. Demonstrates leadership in strategy design, stakeholder engagement, and transformative change management, helping clients achieve measurable business excellence through analytic-driven decision-making and enterprise-wide improvements.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	5	\$170.00

Item Number	SKU	Job Title	Job Description	Minimum Education / Certification Level	Minimum Years of Experience	NYS Contract Price (Not to Exceed Hourly Rate, Exclusive of Travel)
38	SCITM	Data Team Manager	The Engagement Manager is involved in all aspects of IT and management consulting, including data. Orchestrates project delivery, systems development, and business process engineering across IT and analytics teams. Provides hands-on project management, building and leading project management teams, and driving operational process development for consistent, high-quality results. Leads client development efforts and manages client relationships to maximize engagement value and satisfaction. Leads process design and transformation initiatives, integrates IV&V and QA with management consulting delivery, and ensures sustainable organizational improvements through strategic planning, stakeholder alignment, and process optimization to maximize efficiency, cost-effectiveness, and value.	Bachelors Degree and/or SCI Recognized Certification. Qualifying KSAs in an SCI Practice Area, and/or KSAs in Relevant Project Domain, and/or KSAs in Authorized User Industry Vertical	5	\$150.00
