Description

The NYS Office of General Services has identified qualified contractors to provide Assistive Technology Products from various product Manufacturers. Assistive Technology includes hardware, related software, and related services (including, but not limited to, installation, configuration, extended warranties, maintenance/support and other related professional services) that are designed, adapted or configured for persons with disabilities in one or more of the following three Groups: (1) Blindness & Low-Vision; (2) Deaf & Hard of Hearing; and (3) Cognitive & Communicative Disabilities. This award outlines the contractor product offering by Type A or Type B. This award identifies multiple contracts, both manufacturer-held and reseller-held, and also identifies the available product Manufacturers offered by each Contractor, as found on their NYS Price list.
