2. Product Use Rights and Service Level Agreement.

Enrolled Affiliate and its Enterprise may download, install and use software Products and access and use Online Services ordered under this Enrollment subject to the terms of this Enrollment, the applicable Use Rights and the Product Terms. In addition to applicable use rights terms of the Enterprise Agreement, the following terms apply to this Enrollment:

- a. All terms and conditions applicable to Microsoft Azure Services also apply to Azure Government Services, except as otherwise noted in the Use Rights and this Enrollment.
- b. **Use Rights for Server and Tools Products.** For Server and Tools Products, if a new Product version has more restrictive Use Rights than the version that is current at the start of the applicable initial or renewal term of the Enrollment, those more restrictive Use Rights will not apply to Enrolled Affiliate's use of that Product during that term.

3. Order requirements.

a. Minimum order requirements.

(i) Server and Tools Products.

- 1) **Existing Baseline Licenses.** When ordering a Server and Tools Product other than Microsoft Azure, Enrolled Affiliate must identify all Existing Baseline Licenses for the applicable Server and Tools Product Family. Perpetual Licenses owned by the Enterprise but not identified as Existing Baseline Licenses in the applicable Product Family at the start of this Enrollment may not be used during this Enrollment term.
- 2) **Initial Order.** Enrolled Affiliate's initial order must meet the minimum purchase requirements for at least one Product Family. For every applicable Product Family except Microsoft Azure the initial order must also include the following:
 - A. Software Assurance on all perpetual Existing Baseline Licenses that have been continuously covered under Software Assurance;
 - B. License with Software Assurance or Subscription License for each Existing Baseline License that has not been continuously covered under Software Assurance; and
 - C. License with Software Assurance or Subscription Licenses for all New Baseline Licenses.
- 3) **Effect of Subscription License coverage on Existing Baseline Licenses.** If Enrolled Affiliate orders Subscription Licenses for any Existing Baseline Licenses, the following provisions will apply for the duration of this Enrollment, notwithstanding any provisions to the contrary in the Baseline Agreements:
 - A. The Use Rights for those Existing Baseline Licenses will be superseded and replaced by the Use Rights for the Subscription Licenses.

- B. The Existing Baseline Licenses shall be non-transferrable.
 - C. The Enrolled Affiliate and its Affiliates must continue to perform any obligations under their Baseline Agreement(s), including but not limited to making payments for any of the Existing Baseline Licenses.
 - D. When this Enrollment expires or is terminated, the Enrolled Affiliate or its Affiliates, as applicable, will have the rights under the Baseline Agreement(s) that it had as of the effective date of this Enrollment, unless it exercises its buy-out option as provided in this Enrollment.
- b. **Additional Products.** Upon satisfying the minimum order requirements above, Enrolled Affiliate may order Additional Products and Services.
 - c. **Country of Usage.** Enrolled Affiliate must specify the countries where Licenses will be used on its initial order and on any subsequent orders.
 - d. **Resellers.** Enrolled Affiliate must choose and maintain a Reseller authorized in the United States throughout the term of this Enrollment. During the term of any contract between OGS and a Microsoft Reseller for Software and Online Services, Enrolled Affiliate must acquire its Licenses through the OGS-designated Reseller under such contract. Orders must be submitted to the Reseller who will transmit the order to Microsoft. The Reseller and Enrolled Affiliate determine pricing and payment terms as between them, and Microsoft will invoice the Reseller based on those terms.
 - e. **Adding Products.**
 - (i) **Adding new Products not previously ordered.**
 - 1) New Server and Tools Products may be added by contacting a Microsoft Account Manager or Reseller.
 - 2) New Server and Tools Products included in a previously ordered Product Family may be added at any time but must be included in the next annual true-up order.
 - 3) Orders for new Additional Products, other than Online Services, must be placed in the month the Additional Product is first used.
 - 4) Subscription Licenses for new Online Services other than Microsoft Azure Services must be ordered prior to use.
 - 5) Microsoft Azure Services may be added as provided in the Product Terms.
 - (ii) **Adding Licenses for previously ordered Products.**
 - 1) Additional Licenses for previously ordered Products may be added at any time but must be included in the next annual true-up order.
 - 2) Additional Subscription Licenses for Online Services must be ordered prior to use unless the Online Services are (1) identified as eligible for true-up in the Product Terms or (2) included as part of other Licenses.
 - f. **True-up requirements.** Enrolled Affiliate must submit an annual true-up order that accounts for any changes since the initial order or last order. If there are no changes, then an update statement must be submitted instead of a true-up order.
 - (i) **Annual order period.** A true-up order or update statement must be received by Microsoft between 60 and 30 days prior to each Enrollment anniversary date. The third-year true-up order or update statement is due within 30 days prior to the Expiration Date. Enrolled Affiliate may submit true-up orders more often to account for increases in Product usage, but an annual true-up order or update statement must still be received by Microsoft during the annual order period.

(ii) True-up order. Enrolled Affiliate must determine the maximum number of Products used since the latter of the initial order, the last true-up order, or the prior anniversary date and submit a true-up order that accounts for any increase. For Subscription Licenses for Products other than Online Services, the true-up order must indicate the initial use date(s) for each additional Subscription License ordered. For Online Services identified as eligible for true-up in the Product Terms, Enrolled Affiliate may place a reservation order for the additional Licenses prior to use, and payment may be deferred until the next true-up order. Microsoft will provide a report of Reserved Licenses ordered but not yet invoiced to Enrolled Affiliate and its Reseller. Reserved Licenses will be invoiced retroactively to the month in which they were ordered.

(iii) Update statement. An update statement must be submitted if there has been no change in the number of Products used within Enrolled Affiliate's Enterprise since the latter of the initial order, the last true-up order, or the prior anniversary date. This update statement must be signed by Enrolled Affiliate's authorized representative.

(iv) Subscription License reductions. Enrolled Affiliate may reduce the quantity of Subscription Licenses only on the Enrollment anniversary date on a prospective basis if permitted in the Product Terms as follows:

- 1) For Server and Tools Products available as Subscription Licenses, Licenses may be reduced only as long as the minimum order requirements are maintained. If reducing Subscription Licenses that cover Existing Baseline Licenses, Enrolled Affiliate may not use or transfer those Existing Baseline Licenses for the remainder of the term.
- 2) For Online Services available as Additional Product Subscription Licenses, Enrolled Affiliate may reduce the Licenses. If the License count is reduced to zero, the applicable Subscription License will be cancelled.

Subscription Licenses added after the initial order may not be reduced on the anniversary date immediately following the order but must remain in effect at least until the subsequent anniversary date. Notwithstanding the foregoing, Microsoft Azure Monetary Commitment added after the initial order may be reduced on any anniversary date. Invoices will be adjusted to reflect any reductions in Subscription Licenses and will be effective as of the Enrollment anniversary date.

(v) Late true-up order. If the annual true-up order is not received when due:

- 1) Microsoft will invoice Enrolled Affiliate's Reseller for the following year for the quantity of Subscription Licenses ordered in the prior year; however, such invoice will not constitute a waiver of the annual order requirement;
- 2) Subscription License reductions will not take effect until the following Enrollment anniversary date (or at Enrollment renewal, as applicable); and
- 3) Microsoft will invoice Enrolled Affiliate's Reseller for all Reserved Licenses not previously invoiced.

g. Step-up Licenses. For Licenses eligible for a step-up under this Enrollment, Enrolled Affiliate may step-up to a higher edition or suite as follows:

- (i) For step-up Licenses included on an initial order, Enrolled Affiliate may order according to the true-up order process.
- (ii) If step-up Licenses are not included on an initial order, Enrolled Affiliate may step-up initially by following the process described in the Section titled "Adding new Products not previously ordered," then for additional step-up Licenses, by following the true-up order process.

h. Clerical Errors. Microsoft may correct clerical errors in this Enrollment, and any documents submitted with or under this Enrollment, by providing notice by email and a reasonable opportunity for Enrolled Affiliate to object to the correction. Clerical errors include minor

mistakes, unintentional additions and omissions. This provision does not apply to material terms, such as the identity, quantity or price of a Product ordered.

- i. **Verifying compliance.** Microsoft may, in its discretion and at its expense, verify compliance with this Enrollment as set forth in the Agreement.

4. Pricing.

- a. **Price levels.** Each Product is assigned to a Product pool as shown on the Product Terms. Enrolled Affiliate's price level for each Product pool under this Enrollment will be Level D.
- b. **Setting prices.** Enrolled Affiliate's prices for each Product or Service will be established by its Reseller. Microsoft's prices for Resellers for each Product or Service ordered (except for Microsoft Azure Services) are fixed throughout the applicable Enrollment term.

5. Payment terms.

- a. **License with Software Assurance and Software Assurance.** For the initial and any renewal order for License with Software Assurance and Software Assurance, Enrolled Affiliate may pay upfront or elect to spread its payments over the applicable Enrollment term. If an upfront payment is elected, Microsoft will invoice Enrolled Affiliate's Reseller in full upon acceptance of this Enrollment. If spread payments are elected, Microsoft will invoice Enrolled Affiliate's Reseller in three equal annual installments. The first installment will be invoiced to Enrolled Affiliate's Reseller upon Microsoft's acceptance of this Enrollment and additional installments will be invoiced on each Enrollment anniversary date. Subsequent orders will be invoiced to Enrolled Affiliate's Reseller upon acceptance of the order and must be paid upfront.
- b. **Subscription Licenses (except Microsoft Azure Services).** Microsoft will invoice Enrolled Affiliate's Reseller annually in full upon acceptance of each order. Microsoft will invoice Reseller for annual orders on each Enrollment anniversary date. Subsequent orders are invoiced upon acceptance of the order and Enrolled Affiliate may elect to pay annually or upfront.
- c. **Microsoft Azure services.** Invoicing for Microsoft Azure Services is described in the Product Terms.

6. End of Enrollment term and termination.

- a. **General.** At the Expiration Date, Enrolled Affiliate must immediately order and pay for Licenses for Products it has used but for which it has not previously submitted an order.
- b. **End of term rights for Server and Tools Products.** Provided Enrolled Affiliate has paid for all required Licenses, including any Baseline Licenses, on the Expiration Date Enrolled Affiliate will have the following rights:
 - (i) **Existing Baseline Licenses with continuous Software Assurance.** For perpetual Existing Baseline Licenses continuously covered by Software Assurance, Enrolled Affiliate will have perpetual Licenses to use the latest version of the Product available (or any prior version) as of the Expiration Date, provided that the Existing Baseline Licenses are fully paid.
 - (ii) **New Baseline Licenses.** For New Baseline Licenses (excluding Subscription Licenses), Enrolled Affiliate will have perpetual Licenses to use the latest version of the Product available (or any prior version) as of the Expiration Date.
- c. **Renewal option.** At the Expiration Date of the initial term, Enrolled Affiliate can renew Products and Services by renewing this Enrollment for one additional 36 full calendar month term or by signing a new Enrollment. Microsoft must receive a Renewal Form, Product

Selection Form and renewal order prior to or at the Expiration Date. Microsoft will not unreasonably reject any renewal.

d. If Enrolled Affiliate elects not to renew.

(i) **Software Assurance.** If Enrolled Affiliate elects not to renew Software Assurance for any Product under its Enrollment, then Enrolled Affiliate will not be permitted to order Software Assurance later without first acquiring a new License with Software Assurance.

(ii) **Extended Term for eligible Online Services.** For Online Services identified as eligible for an Extended Term in the Product Terms, the following options are available at the end of the Enrollment initial or renewal term.

1) **Extended Term.** If Enrolled Affiliate does not renew, access to Online Services will automatically continue month-to-month in accordance with the terms of the Enrollment (“Extended Term”) for up to one year, unless designated in the Product Terms to continue until cancelled. For the first twelve months of the Extended Term, Online Services will be invoiced monthly (quarterly for Microsoft Azure Services) at the then-current published price (or Consumption Rate for Microsoft Azure Services) for Enrolled Affiliate’s price level as of the Expiration Date. As of the first day of the thirteenth month of the Extended Term, Online Services that continue until cancelled will be invoiced at the then-current published price. During the Extended Term, the then-current Online Services Terms and Product Terms will apply to Enrolled Affiliate’s use. If Enrolled Affiliate does not want an Extended Term, Microsoft must receive a request not to extend no later than 30 days before the Expiration Date.

2) **Cancellation during Extended Term.** At any time during the first year of the Extended Term, Enrolled Affiliate may terminate the Extended Term by submitting a notice of cancellation to Microsoft for each Online Service. Thereafter, either party may terminate the Extended Term by providing the other with a notice of cancellation for each Online Service. If Enrolled Affiliate does not intend to continue with the Extended Term, Enrolled Affiliate must submit a notice of cancellation for each Online Service. Cancellation will be effective at the end of the month following 30 days after Microsoft has received or issued the notice.

(iii) **Subscription Licenses and Online Services without an Extended Term.** If Enrolled Affiliate elects not to renew or exercise its buy-out rights for Products eligible for buy-out, Subscription Licenses will be cancelled and will terminate as of the Expiration Date. Any associated software must be uninstalled, media must be destroyed and the Enterprise must discontinue use. Microsoft may request written certification to verify compliance.

e. Buy-out option.

(i) **For Subscription Licenses.** Enrolled Affiliate may buy out active Subscription Licenses acquired under this Enrollment for Products other than Online Services and acquire perpetual Licenses for the latest version of the Product as of the Expiration Date by placing an order for such Licenses.

(ii) **Buy-out order date.** Microsoft must receive the buy-out order no more than 30 days prior to the Expiration Date. The Expiration Date will be the invoice date for the buy-out order.

f. Termination for cause. Any termination for cause of this Enrollment will be subject to the “Termination for cause” Section of the Enterprise Agreement Program Agreement. In addition, the following will constitute a breach of this Enrollment: (1) Enrolled Affiliate or any Affiliate in the Enterprise fails to timely pay for any existing Baseline License, (2) any existing Baseline Agreement is terminated for cause prior to full payment, or (3) Enrolled Affiliate or any Affiliate in the Enterprise that uses Government Community Cloud Services fails to meet and maintain the conditions of membership in the definition of Community.

g. Early termination. If Enrolled Affiliate terminates this Enrollment as a result of a breach by Microsoft, or if Microsoft terminates this Enrollment because Enrolled Affiliate has ceased to

be an Affiliate, then Enrolled Affiliate will have the following options for Licenses, excluding Subscription Licenses:

- (i) It may immediately pay the total remaining amount due, including all installments, in which case, Enrolled Affiliate will have perpetual rights (1) for Server and Tools Products, as described in the section entitled “End of Term rights for Server and Tools Products” and (2) for Additional Products, for all Licenses (excluding Subscription Licenses) it has ordered (for the latest version of Products ordered under Software Assurance coverage in an initial or renewal term); or
 - (ii) It may pay only amounts due as of the termination date, in which case Enrolled Affiliate will have perpetual Licenses (for the latest version of Products ordered under Software Assurance coverage in an initial or renewal term) for (1) all copies of Products for which payment has been made in full, and (2) a proportional number of copies of Products it has ordered for which payment has been made.
- h. Early termination for Subscription Licenses.** Notwithstanding anything to the contrary in any of the documents that collectively constitute the Enterprise Agreement, if an Enrolled Affiliate terminates its Enrollment as a result of a breach by Microsoft, or if Microsoft terminates this Enrollment because Enrolled Affiliate has ceased to be an Affiliate, then Enrolled Affiliate will have the following options with respect to Subscription Licenses:
- (i) Enrolled Affiliate may obtain perpetual Licenses as described in the section entitled “Buy-out option,” provided that Microsoft receives the buy-out order for those Licenses within 60 days after Enrolled Affiliate provides notice of termination.
 - (ii) If not exercising the buy-out option, Enrolled Affiliate will receive a credit for any amount paid in advance that would apply after the date of termination.
- i. Early termination for Online Services.** For Online Services, if an Enrolled Affiliate terminates its Enrollment as a result of a breach by Microsoft, or if Microsoft terminates this Enrollment for regulatory reasons or because Enrolled Affiliate has ceased to be an Affiliate, then Microsoft will issue Reseller a credit for any amount paid in advance for the period after termination.

7. Government Community Cloud.

- a. Community requirements.** If Enrolled Affiliate purchases Government Community Cloud Services, Enrolled Affiliate certifies that it is a member of the Community and agrees to use Government Community Cloud Services solely in its capacity as a member of the Community and, for eligible Government Community Cloud Services, for the benefit of end users that are members of the Community. Use of Government Community Cloud Services by an entity that is not a member of the Community or to provide services to non-Community members is strictly prohibited and could result in termination of Enrolled Affiliate’s license(s) for Government Community Cloud Services without notice. Enrolled Affiliate acknowledges that only Community members may use Government Community Cloud Services.
- b.** All terms and conditions applicable to non-Government Community Cloud Services also apply to their corresponding Government Community Cloud Services, except as otherwise noted in the Use Rights, Product Terms, and this Enrollment.
- c.** Enrolled Affiliate may not deploy or use Government Community Cloud Services and corresponding non-Government Community Cloud Services in the same domain.
- d. Use Rights for Government Community Cloud Services.** For Government Community Cloud Services, notwithstanding anything to the contrary in the Use Rights:
- (i) Government Community Cloud Services will be offered only within the United States.
 - (ii) Additional European Terms, as set forth in the Use Rights, will not apply.

(iii) References to geographic areas in the Use Rights with respect to the location of Customer Data at rest, as set forth in the Use Rights, refer only to the United States.

8. *Microsoft Online Services Criminal Justice Information Services (CJIS) Language for Covered Services.*

Reminder: Enrolled Affiliates using Online Services to process and/or store Criminal Justice Information are subject to the provisions of Section 15 of the Enterprise Agreement Program Agreement.
