New Contractor information will be posted on the OGS website: <https://online.ogs.ny.gov/purchase/snt/awardnotes/7720123150can.pdf>

2. Applicable for State Agencies and State Authorities, several Contractors obtain Equipment that is listed on their NYS Net Pricing pages from approved MWBE & SDVOB Distributors.

State Agencies and State Authorities May obtain MWBE or SDVOB Utilization credits if the following criteria is met:

- A. All Equipment Must be sold directly by the Contractor to the State Agency or State Authority,
- B. The Contractor Must source the Equipment directly from the Distributor, and
- C. The Contractor Must indicate on their proposal any Equipment that will be sourced through an MWBE or SDVOB Distributor to be identifiable to the Authorized User for tracking/reporting purposes.

To aid Authorized Users/Contractors, in the most recent posted version of the Product Line & Systems Matrix, OGS has published additional tabs in this workbook which indicate:

- A. The MBE, WBE, and/or SDVOB Distributors which have been approved as part of the prime Contractor's MWBE and/or SDVOB Utilization Plans, and
- B. The Product Lines that those approved MBE, WBE, and SDVOB Distributors have guaranteed to the Prime Contractor. Only the Product Lines specifically indicated for that Contractor on the Distributor Utilization tabs meet the conditions for obtaining MWBE or SDVOB Utilization credits under Award 23150.

All other terms and conditions remain the same.

CONTRACT NO.: All Contracts

CONTRACTOR: All Contractors

AUTHORIZED USERS:

Authorized Users are reminded that projects Must fall within the systems identified in the Scope of Award 23150. For a complete list of systems, please refer to Solicitation Section 1.2, Scope [<https://ogs.ny.gov/system/files/documents/2019/05/23150solicitation-7720123150s3.pdf>]. Definitions of each of these Systems can be found in Attachment 15 – Glossary of Terms: <https://ogs.ny.gov/procurement/bid-document-files-intelligent-facility-and-security-systems-and-solutions-statewide>. If there is ANY question regarding whether a system is covered under this award, please contact the Contract Manager referenced above.

Authorized Users Must only issue a Purchase Orders to Contractors under Award 23150 which either:

- A) Include Equipment, Services, or Systems which are listed on the Contractor's NYS Net Pricing Pages on the OGS website, or
- B) Involve the performance of Services (Installation, Integration, or Maintenance) on Equipment listed on the Contractor's NYS Net Pricing Pages on the OGS Website.

CONTRACTORS:

Contractors are reminded that they can only provide Equipment/Systems or Perform Services for those items that are on their NYS Net Pricing Pages for these Systems. Contractors Must use the Job Titles and corresponding Total Hourly Rates in their NYS Net Pricing Pages published on the OGS website for all Installation, Integration, and Maintenance performed on Contract. All Equipment and Job Titles Must be approved by Procurement Services and be listed in the Contractor's NYS Net Pricing Pages on the OGS website prior to quoting these to Authorized Users.

Contractors are encouraged to become familiar with the Contract Update procedures outlined in Appendix C: <https://ogs.ny.gov/system/files/documents/2019/05/23150appendix-ccontract-modification-form-and-procedures-7720123150rev51519-pdf.pdf>

Contractors are permitted to submit a Contract Update request to Procurement Services no sooner than three (3) months after contract award, and then no sooner than three months after the date of approval of their most recent Contract Update. However, if there are items which do not appear on the approved Equipment Pricing, but for which there is an immediate need, OGS has outlined a "Minor" update procedure in Appendix C. If there is ANY question regarding updating price lists, please contact the Contract Manager (contact information provided above).

GENERAL INFORMATION:

In the near future, OGS anticipates issuing:

- Additional updates to the How-to-Use regarding Procurement Record requirements and other information,
- An excel file matrix listing of Systems and Product Lines offered by each Contractor, and
- An Equipment Only Mini-Bid template.

Additionally, OGS will offer Authorized User Training for Award 23150 usage, tentatively planned as a webinar sometime in the first half of calendar year 2020. OGS wants to ensure that Authorized Users' specific needs, scenarios, and questions are being responded to appropriately and so OGS asks that any Authorized User with any specific questions, scenarios, etc., submit them in advance so that OGS May review and utilize this information when developing training and associated contract documents. Please send your questions or scenarios to the Contract Manager via email with a subject line: 'Request for Clarification Award 23150'.

Below are examples of possible training topics and information to discuss:

- a. Equipment and Services Mini-Bid Template
 - i. What information do you need as Authorized Users?
 - ii. Based on other templates, is there a document structure or format that is easy or beneficial to use?
- b. Method of Contractor Selection Scenarios
- c. Direct engagement information:
 - i. What to look for in examples of acceptable similar projects
 - ii. Reasonableness of Pricing determinations
- d. Equipment and Labor Rate Purchase Order Itemization
- e. Additional Technical Justification questions to contemplate and examples
- f. Completion of the Project Checklist

All terms and conditions remain the same.
