USE OF THIS CONTRACT BY EXECUTIVE DEPARTMENT AGENCIES IS RECOMMENDED**NEW YORK STATE AIR TRAVEL SERVICES GUIDELINES**

The State has been successful in securing contracts with major airlines to provide reduced air travel fares combined with beneficial service terms. As a result of these contracts, the State has saved millions of dollars a year in air travel costs.

The OGS contract offers discounted prices for many city pairs between New York State and other domestic and foreign destinations. The city pair contract offers features, in addition to price, that are highly beneficial to State travelers and authorized users including but not limited to:

- no cost for refunds or ticket changes,
- no minimum stay,
- no advance purchase requirements, and
- price reductions for some capacity controlled fares (i.e., lower fares available based on capacity).

Our ability to continue achieving such savings depends largely on ensuring that State agencies and authorized users utilize the OGS contract. Accordingly, users are recommended to adhere to the following guidelines when purchasing air travel:

1) All airline tickets must be purchased using the designated Citibank Visa State Corporate Card. Employees may not use personal credit cards or other means for reimbursement.

2) All airline ticketing must be done through the authorized State travel agent contractor (OGS Travel Agent Services contract - web link below), responsible for certifying that the ticketing is done in accordance with these guidelines.
<http://www.ogs.ny.gov/purchase/snt/awardnotes/7900522536can.htm>

3) Recommended exceptions include: emergency situations, when the non-contract fare saves \$200 or more per roundtrip ticket, or contract flights would require the traveler to incur unnecessary overnight lodging costs.

When an exception occurs, the attached form (Attachment 1) must be completed and approved by your Agency Finance Officer or other appropriate authority and a copy e-mailed to the Statewide Travel Coordinator, Mark Milstein, 38th Floor, Corning Tower, Empire State Plaza, Albany, NY 12242. Phone: 518-402-5005, e-mail: travelcoordinator@ogs.ny.gov

The OGS Air Travel Services Guidelines and exception form is found on the OGS web link below at: <https://ogs.ny.gov/purchase/spg/pdfdocs/CL744.pdf>

PROCUREMENT INSTRUCTIONS

- A. All rates are available for business use only.
- B. All authorized users must use the New York State Citibank VISA Travel Card or Citibank Visa Non-Employee Travel Card (NET) to purchase tickets. These cards must begin with either "4046" or "4275" as the first four digits of the card number. Personal credit cards or other means of reimbursement are not to be used.
- C. It is preferred that travelers contact their Agency Travel Coordinator first to make travel arrangements. The Coordinator is more up to date and informed of any changes in our travel program. The Agency Travel Coordinator and the traveler will review the list of rates and services from the Air Travel Services Contract Award Notification (this document) to determine what services (city pair rates) best fit their needs.
- D. Authorized Users should also consider the OGS NASPO Discounted Air Fare Contract, the contract is available at: <https://online.ogs.ny.gov/purchase/snt/awardnotes/7900622751can.htm>
- E. **State authorized travel agents must be used to make reservations.** Internet fares may not be used unless booked through the authorized State Travel Management Services contractor. The Procurement Services listing for Travel Management Services is available at: <http://online.ogs.ny.gov/purchase/snt/awardnotes/7900522536can.htm> The agency may also wish to communicate any specific cost accounting requirements for travel payment to the contracted travel management services contractor.

METHOD OF PAYMENT

The method of payment for any eligible entity under contracts resulting from this solicitation is the Citibank VISA Travel Card and the Citibank Visa Non-Employee Travel Card (NET). Personal credit cards or other means to require reimbursement are not to be used.

City Pair Use Instructions

- To determine contract information for air travel, look up travel segment by Departure City (any city or airport noted in city pair may be utilized as a departure city).
- City pairs are arranged alphabetically as indicated on the price list.
 - Primary alphabetization is by the New York State Departure City.
 - Secondary alphabetization is by the Destination City.
- **All fares are for one-way travel.**
- Some non-contract airlines may "match" the contract government fare in certain city pairs. These fares are not covered under the terms and conditions of this contract, nor do they offer the protections covered by this contract and are not to be used.
- Some metropolitan areas may have service from more than one airport at varying prices. For destinations where more than one airport is available, consideration should be given to using any of the alternate airports to make a best value determination. Travelers should take into consideration cost, total travel time and scheduling convenience when making their best value determination. Examples of cities with more than one airport include, but are not limited to:
 - Chicago - served by Midway (MDW) & O'Hare (ORD)**
 - New York City - served by Kennedy (JFK), LaGuardia (LGA) & Newark Liberty (EWR)**
 - Washington DC - served by Dulles (IAD), Reagan National (DCA) & Baltimore (BWI)**

To provide additional contract city pairs for the convenience of authorized users where no compliant bids were received for a particular city pair, OGS has made awards to non-compliant bidders that may not meet the daily flight requirements and/or exceed the maximum length of time allowed for stopovers.
