
How to Use the Small Package Delivery Contract
Award 23267 – PS70809
Updated March 27, 2026

New York State Office of General Services, Procurement Services has established a statewide contract for Small Package Delivery Services by utilizing the NASPO/ValuePoint master contract, via Piggyback Agreement, with FedEx Corporate Services, Inc. The Small Package Delivery contract is intended to provide a procurement mechanism for State and Non-State Agencies to procure Delivery Services for small package items. Additionally, this contract may be utilized by political subdivisions, school districts and others authorized by law, as set forth in Section 2.16 – *NON-STATE AGENCIES PARTICIPATION IN CENTRALIZED CONTRACTS*. NYS Authorized Users must purchase from the NYS OGS Contract; Group 79011, Award 23267, as OGS contracts contain additional terms and conditions per NYS law.

START UP OF NEW ACCOUNTS:

PLEASE DO NOT ATTEMPT TO OPEN A NEW ACCOUNT AT [FedEx | Tracking, Shipping, and Locations](#).

When requesting a new account(s) to be established with FedEx, Authorized Users must complete the “New Accounts Form” and email it to: govt@fedex.com. If you have an existing account with FedEx, you must still complete the “New Accounts Form”. Please indicate on the form that you have an existing account so the terms and conditions for New York State are ported in. The FedEx New Accounts Form is located on the [Contractor Information Page](#).

When making the initial contact with FedEx for new accounts, it is imperative that FedEx be advised that the account must be setup based on all terms and conditions of this New York State contract.

New Account Requests are processed in 3 to 5 business days. You will receive an email confirmation from FedEx when your new or existing account has been set up under the NYS Award #23267, Contract #PS70809. Once your account is created, you may access your account online at www.FedEx.com. FedEx does not include their contract

number on their invoices. It is recommended you add the contract number as a reference on the Billing Details section of your online account. See below.

The screenshot shows a web form titled "4. Billing Details". At the top, there is a "Bill transportation to" dropdown menu. Below it is an alert box with a red "i" icon and the text: "Alert: Please remember to enter your reference information." Under the alert, there are four input fields: "Your reference", "PO no.", "Invoice no.", and "Department no.". To the right of the "Your reference" field is a link that says "Update the credit card tied to my account". To the right of the "PO no." field is a link that says "Add an account". There are also "Help" and "Hide" buttons in the top right corner of the form area.

HOW TO SCHEDULE FEDEX PICK-UP SERVICES:

Scheduling a Daily FedEx Express or FedEx Ground Pickup

A daily FedEx Express or FedEx Ground pick-up can be set up by emailing the below information to Lacie Wade at lacie.wade@fedex.com.

Information Required:

- FedEx 9-digit Account Number
- Contact name, phone number, and email
- Exact pickup location i.e. office, dock, front desk, security, lab, etc. (Please be specific as possible as the same courier may not be picking up each day)
- 2-hour pickup window (See Saturday Pick-Up Information below for all Saturday pick-up requests.)

IMPORTANT INFORMATION FOR AUTHORIZED USERS - WHAT HAPPENS NEXT

Upon an Authorized User request for daily pick-up, the request is entered into the FedEx system, where the process takes three (3) days to complete. **Once the request is entered, local dispatch will reach out to the contact person listed for the account to confirm the exact location of the pick-up. If the contact person cannot be reached, the pick-up will not occur.** Authorized Users are responsible for ensuring the correct contact name and phone number are provided and that the listed contact is reachable during the 3-day completion period. Dispatch will make up to three (3) attempts to confirm the exact pickup location, and if unsuccessful, will cancel the request. The Authorized User will then have to start the process over again.

Daily Pick-Up vs. On-Demand

For daily pick-ups, FedEx requires Authorized Users to ship at least one (1) package per day.

For less than one (1) package per day, Authorized Users should request either On-Demand pick-up by calling FedEx Customer Service at 1-800-GO-FEDEX (and providing their account number) or schedule an On-Demand pick-up online when processing a package. **Please be sure to record the pick-up confirmation number in case there is an issue with your shipment.**

For On-Demand pickups, FedEx Express can pick up on the same day. FedEx Ground will pick up the next day.

Authorized Users that call to schedule a pick-up or set up a pick-up online are scheduling a single pick-up only and are not scheduling a daily pick-up. **To schedule daily pick-ups, see Scheduling a Daily FedEx Express or FedEx Ground Pickup** above.

Saturday Pick-Ups

Authorized Users requiring Saturday pick-ups in addition to weekday pick-ups should **be aware that the pick-up cut off time on Saturday is 12:00 PM**. FedEx is unable to accommodate requests for Saturday pick-ups after this time.

Note: Couriers deliver packages in the morning and complete pick-ups in the afternoon. Please refrain from requesting the morning courier also pick-up packages to avoid any issues with your shipments. Please be aware that FedEx Express and FedEx Ground are two separate companies. FedEx Express can only pick-up FedEx Express packages. FedEx Ground can only pick-up FedEx Ground packages.
