Please be advised that the Monthly Price By Region document (price list) has been updated to include and correct the NYS Food definitions per Executive Order 32 as follows:

*NYS Food - An unprocessed food item that is composed of 100% raw materials that were grown, harvested, or Produced in New York State.

**NYS Processed Food - A processed food item that is composed of over 51% (by weight or volume) of raw materials that were grown, harvested, or Produced in New York State, and the processing of such food products took place in a facility that is located in New York State.

NYS Processed Food, Processed in NYS Facility - The processing of such food products takes place in facilities that are located in New York State.

*Produced means to make or manufacture a food item from components or raw materials that were grown upon and/or harvested from the farm or waters through agricultural, horticultural, aquacultural, or dairying processes.

NOTE: Milk on this Award is processed and does not fall under this definition.

**Processed means any alteration of a food item from its raw or original state to enhance its value or render it suitable for consumption. Examples of processing include, but are not limited to, butchering of meat or poultry, cooking, and pasteurizing. Packaging a food item is not considered Processing.

Additionally, columns for **NYS Processed Food** and **NYS Processed Food, Processed in a NYS Facility** have been added to each Region on the price list.

The Complete Executive Order 32 may be found here: https://www.governor.ny.gov/sites/default/files/2023-08/EO_32.pdf

Please be advised that, effective immediately, Authorized Users may begin to experience shortages on orders of half pint (8 oz) and quarter pint (4oz) paper cartons of fluid milk, due to paper carton supply issues occurring nationwide.

Authorized Users may want to consider serving meals with an alternate form of fluid milk, or without fluid milk, due to the temporary supply chain disruption.

The United States Department of Agriculture (USDA) has also issued a memo addressing this issue, which may be helpful to some Authorized Users who participate in USDA Food and Nutrition Service/Child Nutrition Programs. The memo is located at: <https://www.cn.nysed.gov/content/allowable-flexibilities-child-nutrition-programs-experiencing-milk-supply-shortages>

Please be advised that, effective Tuesday, August 16, 2022, a fuel surcharge has been implemented for all orders placed under the above referenced Award. A delivery surcharge of \$1.00 per delivery has been approved as provided for under the terms and conditions of Award 23239. Only one surcharge will be allowed per delivery. Agencies will see this surcharge listed as a separate line item on their invoice.

OGS Procurement Services will review the fuel surcharge and provide a weekly update until the "Weekly US On-Highway Diesel Fuel Price" for the Central Atlantic (New York State) region drops below 1.5 times the price per gallon threshold based upon the original bid opening date, at which time the fuel surcharge shall be removed. For additional information, please see the *Fuel Surcharge* section of the Award at: <https://online.ogs.ny.gov/purchase/spg/pdfdocs/0160023239a.pdf>

All other terms and conditions of the Award remain unchanged.

For clarification and as per the Fuel Surcharge Section of Award 23239 (page 18), "For every twenty (\$.20) cents per gallon that the price exceeds 1.5 times the cost of the referenced diesel fuel price at the time of bid opening, a delivery surcharge of \$1.00 per delivery will be allowed." The Award also states, "Contractor shall collect only one fuel surcharge per delivery, when applicable. Contractor shall not be allowed to collect additional fuel surcharges if additional delivery to the same site is made due to Contractor error, (i.e. backorder or shortage)."

CONTRACT NO.: Various **CONTRACTOR:** Various

Please be advised that, effective Tuesday, April 12, 2022, a fuel surcharge has been implemented for all orders placed under the above referenced Award. A delivery surcharge of \$1.00 per invoice has been approved as provided for under the terms and conditions of Award 23239. Agencies will see this surcharge listed as a separate line item on their invoice.

OGS Procurement Services will review the fuel surcharge and provide a weekly update until the "Weekly US On-Highway Diesel Fuel Price" for the Central Atlantic (New York State) region drops below 1.5 times the price per gallon threshold based upon the original bid opening date, at which time the fuel surcharge shall be removed. For additional information, please see the *Fuel Surcharge* section of the Award at: <https://online.ogs.ny.gov/purchase/spg/pdffdocs/0160023239p.pdf>

To All State Agencies and others authorized to used State Contracts:

OGS Procurement Services is pleased to announce that Solicitation 23239 – Milk, Fluid (Statewide) has been approved, effective September 21, 2021.

Please note that No Bids were received for the following Regions:

- Region 11 (Clinton, Franklin, Essex, and Hamilton counties)
- Region 14 (Broome, Chenango, Cortland, and Delaware counties)

Authorized Users located in Regions 11 and 14 are advised to plan accordingly. All purchases should be made in accordance with applicable statutory requirements and purchasing guidelines.

Please be advised that some fluid milk items are included in Award 23199 – Food (Commercial and Retail) (Statewide). Additional information for Award 23199 is located at:
<https://online.ogs.ny.gov/purchase/spg/awards/0245023199CAN.HTM>

In addition, Authorized Users in Regions 11 and 14 should be aware that Solicitation 23239 included the following language in the Section titled *Product Delivery*, “In the event there is no award for a Region, Authorized Users may utilize a Contract in an adjacent Region; however, only upon mutual agreement between the awarded Contractor of the adjacent Region and the Authorized User. Please Note: Authorized Users utilizing this option, at the discretion of the Contractor, may be required to pay additional delivery charges from the Contractor’s plant to their location. Contractor is required to submit delivery billing with their invoice to substantiate delivery charges.”
