Please be advised of the following federal excise tax changes and associated pricing adjustments to be made to the pricelists starting 1/1/2026.

Pricing is being revised per section 4.3 Price based on the following:

### 1. Superfund Tax

The petroleum Superfund tax rate on domestic crude oil and imported petroleum products has increased from \$.17 per barrel to \$.18 per barrel. The below chart shows tax per gallon of the *taxable* fuel and was truncated to four decimal places.

Fuel Type	2025 Superfund	2026 Superfund	After-imposed tax (Increase)
Conventional Gasoline (Regular, Mid, Premium)	\$ 0.0036	\$ 0.0038	\$ 0.0002
OPRG (E) Gasoline (Regular, Mid, Premium)	\$ 0.0036	\$ 0.0038	\$ 0.0002

E-85	\$ 0.0006	\$ 0.0006	<b>\$ 0.0000</b>

**2. Oil Spill Liability Trust Fund (OSLTF) Fee**

E-85	\$ 0.0003	<b>\$ - 0.0003</b>

**Total Adjustment (Superfund and OSLTF)**

Fuel Type	Total Adjustment Amount to Pricing

As per the terms and conditions of the contract (Section 4.5.1 Location Change or Substitution), please be advised that starting on Monday, December 15, 2025, covering the period of 12/12/25-12/18/25, the weekly price adjustments using the Linden posting location for mid-grade and premium-grade unleaded conventional gasoline will switch as outlined below. This switch is due to OPIS discontinuing the reporting of Linden pricing for Mid-grade unleaded conventional gasoline and Linden premium-grade unleaded conventional gasoline.

The substitutions are as follows:

- Mid-grade Gasoline will be calculated using a simple average of the New York Harbor Barge CBOB and the New York Harbor Barge Premium CBOB on the OPIS Weekly Spot Report.
- The premium-grade gasoline will be substituted directly with the New York Harbor Barge Premium CBOB.

Additionally, the reference/base pricing used to calculate the weekly differential/adjustment will now reference the following pricing:

- Mid-grade Gasoline base price will be calculated using a simple average of the New York Harbor Barge CBOB on 6/3/2024 and the New York Harbor Barge Premium CBOB from 6/3/2024 on the OPIS Weekly Spot Report.
- The Premium gasoline will be substituted directly with the New York Harbor Barge Premium CBOB pricing from 6/3/2024.
