- **Shipping Commitments:** Sanofi Pasteur Inc. expects to make a partial shipment of each MMCAP Participating Facilities’ total Fluzone vaccine request as follows:

Shipping Commitment Timelines	Fluzone High-Dose Quadrivalent and Flublok Quadrivalent vaccines	September 30 <sup>th</sup> -75% of doses shipped October 31 <sup>st</sup> – 100% of doses shipped
	Fluzone Quadrivalent vaccines	September 30 <sup>th</sup> – 50% of doses shipped October 31 <sup>st</sup> – 100% of doses shipped

Sanofi Pasteur Inc. reserves the right to schedule shipments and/or make partial shipments with prior notification. This shipping commitment only applies to each Member’s confirmed request for the 2021-2022 influenza season and must be confirmed by March 31, 2021. Any doses confirmed or any modification to the Fluzone vaccine request by Members after March 31, 2021 will be excluded from the shipping commitments above.

- **Returnability:** Members may return a limited number of unused and expired doses for credit toward future purchases of influenza vaccine as follows:
  - Ten (10) percent of each presentation of each customer’s influenza vaccine shipped during the 2021-2022 influenza season may be returned for full credit.
  - Credit can be applied to any future purchases of Sanofi Pasteur Inc. vaccines.
  - Expired influenza vaccine returns are accepted beginning after May 1, 2022 and must be returned by July 31, 2022.
  - Returns shall be based off the invoice purchase price that is net of any prompt pay or other discount.
