### **TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

OGS Procurement Services has updated the Appendix D – Report of Contract Usage template. The updates that have been made include but are not limited to replacement of the column referencing “EO 4” Products to now identify products that meet the requirements of Executive Order 22 (EO 22), which has superseded Executive Order 4 and addition of an Instructions tab. This change will not impact our Authorized Users.

OGS Procurement Services has also advised that Contractors will now include an additional note in their Pricing Documents following their next updates to indicate which products meet the *GreenNY* requirements per EO 22.

The Frequently Asked Questions (FAQ) Document has been updated to replace language regarding EO4 with information on EO 22.

Lastly, the links in the FAQ and How To Use documents that led to the now-archived contract webpage have been updated accordingly.

### **TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

The Floor Coverings and Related Services (Statewide Piggyback) Contracts bearing Group #20600 and Award #PGB23200 are currently scheduled to expire on October 11, 2024. We anticipate that there will be a short lapse in coverage while we complete extensions for all of the current contracts.

In accordance with Section 2. *Term* of the Contractor's Piggyback Agreements, OGS Procurement Services intends to extend all contracts under this award for an additional one (1) year to align with the Sourcewell Master Contract's updated contract term. OGS Procurements will announce the extension of current contracts through the Purchaser Notification System, <https://online.ogs.ny.gov/pns/>.

While OGS Procurement Services is working diligently to minimize the duration of the lapse in coverage, we recommend Authorized Users plan accordingly with their purchasing plans to either procure the products/services needed prior to the expiration date, or procure these products/services with their discretionary purchasing authority until such time as the current contract extensions are approved by OSC.

Procurement Services advises that any vendor seeking to do business with NY State to register with the NYS Contract Reporter and sign up for notifications when new bid opportunities are posted, <https://www.nyscr.ny.gov/>.
