Indiana
FURNITURE

Being over a century old hasn't slowed us down! Sure, we are still the reliable, ethical company that was born in southern Indiana, steeped in quality, craftsmanship, and service. But have you seen our latest introductions? We are making a splash with design and challenging the concept of modern offices. Go ahead. Take a look. You know you want to.

Our Pledge to People + Our Planet.

We've been making wood furniture longer than just about anyone...and we want to be doing so for a long time to come. That's a large part of why we take a stewardship approach to our resources. We believe that environmental sustainability and business profits need not be mutually exclusive. They can and should exist side by side in a mutually beneficial relationship. And for more than a century, we've been showing how it's done.

We've proven our commitment to a sustainable future by supporting the standards and programs that protect our home planet and human health. Whether it's local sourcing, reducing contaminants, implementing wellness and safety programs, or diverting waste from landfills, social responsibility is a part of every decision we make at Indiana Furniture.

One of the surest ways to reduce our impact on the planet is to make and buy things that last. And this one's a natural for us. Our products are made with craftsmanship and attention to detail that are a part of our more than a century-long legacy in wood manufacturing. And our products are backed by our 12-year warranty, which facilitates maintenance, servicing and reassembly.

All of our product lines:

- Are manufactured and assembled in the USA,
- Meet or exceed Indoor Air quality standards*,
- Meet or exceed BIFMA level® Sustainability standards and certification*,
- Conform to the BIFMA Compliance standards*,
- Comply with TSCA Title VI (CARB) standards,
- and can contribute to U.S. Green Building's LEED Program.

To learn more, simply go to www.IndianaFurniture.com/resources.

Ease of Specification

Whether you're looking to specify your office spaces or simply to visualize them in the options and surface materials you are desiring, we make it easy. You can find the entire Indiana Furniture portfolio on the following third-party, space-planning platforms.

** Recently launched or new products may still be in testing; Cush Pillows is currently not BIFMA Compliant due to no available compliance test.*

GENERAL INFORMATION + CONDITIONS OF SALE

ORDERING INFORMATION
All orders should be emailed to **neworders@indianafurniture.com**.
Orders can be faxed to 812-482-9035 or mailed to:

Indiana Furniture
P.O. Box 270
1224 Mill Street
Jasper, IN 47547-0270

ORDER PROCEDURE
All orders must include purchase order number, billing address, ship-to address and phone number, and any special instructions.

When ordering casegoods or tables, give complete quantity, model number, finish and any other options.

When ordering seating, give complete quantity, model number, finish, fabric and any other options.

Within each series, an example of "How to Order" is illustrated at the beginning of each series section. For further clarification of order procedure, contact Customer Service.

PRICING
All prices shown are suggested retail prices F.O.B. Point of Origin, freight prepaid and allowed to one continental US destination. Prices, specifications and materials are subject to change without notice. Possession and/or distribution of this price list does not in itself constitute an offer to sell. Orders can be received only from authorized Indiana Furniture dealers. Orders will be billed at prices prevailing at time of shipment, unless acknowledged prior to the effective date of the price change, in which case billing will be at the price acknowledged.

ACKNOWLEDGMENT
All orders will be acknowledged promptly, showing how the order was entered, its approximate shipping date and other pertinent information. This acknowledgment is the final agreement between the customer and Indiana Furniture and is the exclusive statement of the terms thereof. Please examine this acknowledgment carefully and advise Indiana Furniture immediately of any discrepancies.

BUYER'S OBLIGATION: RIGHTS OF SELLER
If Indiana Furniture shall at any time doubt Buyer's financial responsibility, Indiana Furniture may decline to make shipments hereunder except upon receipt of cash payment in advance or security or other proof of responsibility satisfactory to Indiana Furniture. If buyer fails in any way to fulfill the terms and conditions set forth herein, Indiana Furniture may defer shipments until such default is corrected. Remedies provided herein shall be in addition to, and not in lieu of other remedies. Buyer agrees to abide by payment terms as listed on invoice. Buyer shall pay all reasonable costs and expenses, including attorney and collection fees, and late fees, incurred by Seller in connection with any amounts due for goods ordered.

CANCELLATIONS AND CHANGES
Due to immediate production on build-to-order items, all orders are considered firm and are not subject to cancellation or change without approval from Indiana Furniture. All approved changes are subject to additional charges and revised lead times.

PRODUCT DESIGN AND SPECIFICATION CHANGES
Indiana Furniture reserves the right to make changes in design and construction or discontinue products without prior notice.

REPAIR CHARGES
Indiana Furniture will only pay repair charges if Customer Service gives prior written authorization. No repair charge will be paid without advance approval at which time you will be issued a repair authorization number that will allow you to invoice Indiana Furniture for the completed work.

WAREHOUSE STORAGE CHARGES
If a shipment is held beyond 14 calendar days at your request, **a .067% per calendar day** (2% per month) storage charge will be assessed. The effective date will be 14 calendar days after the acknowledged ship date. Further, the prices applied to the order will be those in effect at the time of shipment.

DAMAGED MERCHANDISE
The consignee is responsible for filing claims with the carrier for damage and shortages. Claims for both obvious and concealed damage must be filed within 15 calendar days, and the damaged merchandise must not have been moved from the original receiving location. All damaged merchandise, including the cartons and packing materials, must be retained for inspection by either the carrier or by an Indiana Furniture Sales Representative. Indiana Furniture reserves the right to select the most cost effective way to repair or replace the damaged item. Once you have notified the carrier, please contact Customer Service for further assistance.

Obvious Damage/Missing Cartons — Do not refuse merchandise damaged in transit. Indiana Furniture recommends the consignee inspect all merchandise upon arrival. If a shipment is received damaged or short, note all information on carrier's copy and your copy of freight bill and delivery receipt. Notify the delivering carrier and file a claim immediately. Pending the results of your claim, either Indiana Furniture or the carrier will cover 100% of the cost to repair or replace the damaged or missing item.

Concealed Damage — If concealed damage is discovered, notify the delivering carrier at once and request an inspection. This must be done within 15 calendar days of delivery. If the carrier will not perform the inspection, you should prepare an affidavit that you contacted them, noting the time and date, and that they failed to comply with your request. This, along with the other papers in your possession, will support the claim. Pending the results of your claim, the cost to repair or replace the item will be covered ⅓ by the carrier and ⅔ by Indiana Furniture for shipments less than a full truckload and 100% by Indiana Furniture for shipments of full truck loads.

RETURN MERCHANDISE
Merchandise will not be accepted for return without a RGA (Return Goods Authorization) issued by Indiana Furniture. We will consider issuing RGA's for the following reasons:

1. Manufacturing defect (inspected by Indiana Furniture representative)
2. Indiana Furniture order processing error
3. Shipping error
4. Mis-marked cartons
5. Duplicated shipments

If you have any questions as to whether your reason for return qualifies for consideration, please contact your Customer Service Representative. Merchandise must be returned within 60 days of the RGA issued date, or within 60 days upon receipt of replacement product to receive credit. Returns due to mis-marked cartons must also be returned in the original cartoning, with shipping labels intact, to receive credit.

All merchandise being returned must be properly packed and protected to ensure no further damage is incurred during transportation back to an Indiana Furniture facility. Upon receipt, all returned merchandise will be thoroughly inspected and the results compared to the reason for return stated on the RGA. Any discrepancies, such as additional damage, signs of usage, missing parts, etc., will result in an adjustment to the amount of credit issued.

DELIVERY AND FREIGHT CHARGES
All shipments are F.O.B. Point of Origin, Jasper, IN, freight prepaid and allowed dock to dock on 53' trailer. Ownership and responsibility of the merchandise becomes that of the buyer upon delivery to the freight company. Shipments into Alaska, Hawaii, Canada, Mexico, Puerto Rico and other exports are freight prepaid and allowed to port of exit.

Indiana Furniture reserves the right to select the most appropriate carrier and routing on all shipments. Indiana Furniture will attempt to accommodate requests for favored carriers and delivery times. Deliveries requested Monday through Thursday, after 3pm, will be assessed a $300 per truck after hours fee. Deliveries requested after 3pm on Friday or on weekends, will be assessed a $600 per truck weekend delivery fee.

Inside delivery and installation services are not included in the pricing shown. Any deviation from dock-to-dock delivery, such as but not limited to, non-dock, residential, or inside delivery must be specified on the order. Should these services be requested or required, all charges incurred will be charged to the "Sold To" of the order.

Shipments totaling less than $3000 (net value, product only) will be assessed a small order fee of $300 net per shipment. This fee will be reduced for items shipped via small package carriers. For order shipments of $100 or less, shipped by small package carrier, the fee is $18. For order shipments over $100, shipped by small package carrier, the fee is $40.

BIFMA AND ANSI TESTING
Indiana Furniture is a member of the Business and Institutional Furniture Manufacturer's Association (BIFMA). Tests developed by the BIFMA and approved by the American National Standards Institute (ANSI) determine the strength and durability of casegoods and seating in its everyday use. Although this testing does not serve as a warranty or guarantee, Indiana Furniture products within this price list have been tested by an independent verifying body and meet or exceed applicable BIFMA and ANSI standards.

Indiana
FURNITURE

Warranty

Subject to the limitations set forth in this warranty, Indiana Furniture Industries, Inc. ("**Indiana Furniture**") warrants to the original purchaser all product in this price list ("**Product**") to be free from defects in material and workmanship given normal use for a 12-year period from the date of manufacture. During the applicable warranty period, Indiana Furniture, as its sole obligation, will repair or replace (in Indiana Furniture's sole discretion) any Product, part, or component covered by this warranty and sold after August 1, 2022, which fails under normal use as a result of a defect in material or workmanship. Normal use is defined as the equivalent of a single shift, 40-hour work week. Indiana Furniture will repair or replace the defective Product, part, or component with a comparable Product, part, or component.

Warranty periods are limited for certain Products and parts as follows:

12-year Warranty (from the date of manufacture)
- Seating Mechanisms
- Veneers
- Laminates
- Casters and Glides

7-year Warranty (from the date of shipment)
- Pneumatic Table Lift
- Electric Table Lift

5-year Warranty (from the date of manufacture)
- Triple Play Series
- Electrical Components
- Pneumatic Cylinders
- Textiles, Foam, and Decorative Trim
- Swivel Arm Pads
- Keyboard Kits
- Lighting
- All Height Adjustable Mechanisms

3-year Warranty (from date of shipment)
- Dock 950 Wireless Charger
- Dock 150 Wireless and USB Charger

THIS WARRANTY DOES NOT COVER:
- Damage caused by a carrier or third party
- Normal or routine wear and tear
- Appearance, durability, quality, behavior, colorfastness, or any other attribute of customer's own materials or any non-standard Indiana Furniture material (including CF Stinson, Maharam, Momentum, Mayer, UltraFabrics, Architex, and other alliance programs) specified by the customer and applied to a Product
- Color, grain or texture of wood, laminate and other covering materials
- Changes in wood or fabric color due to aging or exposure to light

As the manufacturer of the Product, Indiana Furniture stands behind its craftsmanship and pledges to do everything it can to reasonably resolve, as quickly as possible, any problems you may have with the Product within the terms and conditions of this warranty.

If you encounter a defect covered by the foregoing warranty, contact the dealer from whom you purchased the Product. If the dealer is unable to resolve your warranty issues, you should contact Indiana Furniture. Please ensure that you have all of the pertinent facts when contacting the dealer or Indiana Furniture, including the model number and factory order number from the inspection label attached to the Product.

INDIANA FURNITURE IS NOT PROVIDING, AND SPECIFICALLY DISCLAIMS, ANY OTHER WARRANTIES FOR THE PRODUCTS, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. INDIANA FURNITURE SHALL NOT BE LIABLE TO THE PURCHASER OR ANY THIRD PARTY FOR CONSEQUENTIAL, INCIDENTAL, INDIRECT, OR SPECIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, DAMAGES ARISING OUT OF OR RESULTING IN ANY MALFUNCTIONS, DELAYS, LOSS OF PROFIT, INTERRUPTION OF BUSINESS, PERSONAL INJURY, BODILY INJURY, DEATH, DISMEMBERMENT, OR PROPERTY DAMAGE.

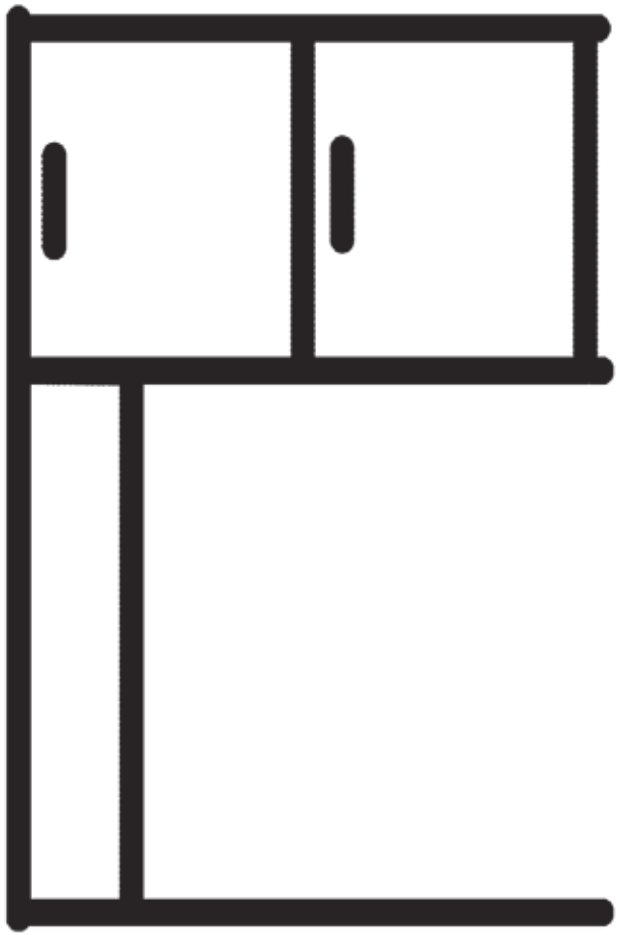
Casegoods



Indiana FURNITURE

ALLEGIANCE™
CASEGOODS + TABLES (1100 SERIES)

Allegiance aspires to distinction with a signature arc modesty panel and refined selection of edge and pull options sure to encourage office individuality. Finely crafted in select American hardwood veneers, Allegiance celebrates smart looks at an affordable price, while skillfully maintaining our expert craftsmanship and attention to every detail.

CONSTRUCTION

Allegiance features a Veneer chassis with your choice of either a Veneer or HPL top. Units ship assembled unless otherwise noted.

VENEER
- Exposed surfaces feature select grade, plain sliced American Black Walnut and Cherry hardwood veneers, carefully selected and matched to assure proper balance and consistency

TOPS
- Wood Veneer worksurfaces are 5-ply balanced construction, 1" thick with solid hardwood rims
- High Pressure Laminate (HPL) worksurfaces are 3-ply balanced construction, 1" thick with solid hardwood rims
- Worksurfaces feature shaped edge profiles on all four sides
- Grain direction runs left to right, unless otherwise noted

CHASSIS
- Veneer Chassis is constructed of American Black Walnut or Cherry hardwood veneer
- Chassis is securely fastened using high quality European fastening systems and heavy-duty, 16-gauge joining brackets to assure maximum strength
- All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors

DRAWERS
- All drawer fronts are standard with matched wood grain faces
- All drawers feature 5-sided construction allowing for easy removal of drawer fronts
- Fronts are 3-ply construction and are ¾" thick
- Sides and backs are wood-grain vinyl wrapped and are ½" thick
- Box and file drawers have ⅛" thick hardboard bottoms and tested for 100lb capacity
- Lateral file drawers feature ¼" thick bottoms and tested for 200lb capacity
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- All suspensions have a limited lifetime warranty

FILING
- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Letter width file drawers provide letter filing front to back and legal filing side to side
- Lateral file drawers provide legal or letter filing front to back or side to side

STORAGE
- All hinged doors include soft close hinges, unless otherwise noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- All desks, credenzas, and lateral files feature locking drawers
- Removable lock cylinders allow for units to be re-keyed at a later date, if required
- Units are shipped randomly keyed as standard
- Keyed alike units are available upon request at no additional charge
- Lock core will match pull color

CORD MANAGEMENT
- Grommets are standard in back panels of assembled returns, bridge units, kneespace credenzas, and hutch units
- A grommet is standard in tops of corner units
- Grommets may be ordered in the tops of desks, returns, bridge units, credenzas, and component worksurfaces
- Grommets are 2⅜" in diameter and available in black or silver, please specify color
- See all optional grommet locations
- Undersurface Wire Manager (01-WMGR4) is available for additional cord management; See Accessories

Indiana FURNITURE

ARLINGTON™
CASEGOODS + TABLES (2900 SERIES)

Arlington ensures quality and expert craftsmanship with a selection of configurations for today's functional workspaces including new Height Adjustable options. Providing all the grace and embellishments associated with traditional styling, Arlington features multiple worksurface materials and hand placed decorative and base molding to create a value driven collection with high end elegance.

CONSTRUCTION

Arlington features a Veneer chassis with your choice of a Veneer or HPL top. Units ship assembled unless otherwise noted.

VENEER
- Exposed surfaces feature select grade, plain sliced American Black Walnut or Cherry veneers, carefully selected and matched to assure proper balance and consistency

TOPS
- Veneer tops are 5-ply balanced construction and 1 3⁄16" thick with solid hardwood rims with butt corners
- High Pressure Laminate (HPL) tops are 3-ply balanced construction and 1 3⁄16" thick with solid hardwood rims with butt corners
- Grain direction runs left to right unless noted

CHASSIS
- Chassis is securely fastened using high quality European fastening systems and heavy-duty, 16-gauge joining brackets to assure maximum strength
- All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors
- Bases are solid hardwood with mitered corners
- Construction offers tight tolerances and long term durability
- Vertical grain direction on chassis

DRAWERS
- Drawer fronts standard with matched veneer faces
- Drawer sides, back and front are woodgrain vinyl-wrapped, and are ½" thick
- 5-sided drawer construction for easy removal of drawer fronts
- Box and file drawers are tested for 100lb capacity; Lateral files have ¼" thick bottoms and are tested for 200lb capacity
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- All suspensions have a limited lifetime warranty

FILING
- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Letter width file drawers provide letter filing front to back and legal filing side to side
- Lateral file drawers provide legal or letter filing front to back or side to side

STORAGE
- All hinged doors include soft close hinges, unless noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- Central locking is standard on all desks and optional for credenzas and returns; one key in the lock cylinder locks all drawers in the desk
- Lock core available in black or silver and will coordinate with pull selection; See option details
- Removable lock cylinders allow for units to be re-keyed at a later date if required
- Units are shipped randomly keyed as standard. Keyed alike units available upon request at no additional charge.

CORD MANAGEMENT
- Grommets are standard in back panels of returns, bridge units, credenzas, and hutch units
- Grommets may be ordered in the tops of desks, returns, bridge units, and credenzas
- Grommets are 2⅜" in diameter and available in black or silver, please specify color
- See all grommet options and locations
- Undersurface Wire Manager (01-WMGR4) is available for additional cord management; See Accessories

HEIGHT ADJUSTABILITY
- Electric-powered height adjustable mechanisms are offered in 2-channel for single surface height adjustment and 3-channel for simultaneous, two surface height adjustment
- Height adjustable legs available in black finish only
- Height adjustment range 30"H to 45"H
- 5-year warranty
- Recommended load capacity of 180lbs
- Two control switches are available, including an up/down switch (standard with product, unless noted) and an advanced switch with Bluetooth capabilities, position memory, three stand up reminder intervals, and more; gently adjust worksurface with a one second stop at each memory position
- The standard control switch is factory installed on all units except bridges and 3-channel units
- Bridges and returns will not have a standard grommet on the back panel
- New wire management mesh wrap included when worksurface grommet is selected
- Grommets and one wire management channel provided within kneespace to manage wires from switch and control box; two wire management channels will be shipped with desk shells

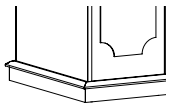
MOLDING LOCATIONS AND OPTIONS

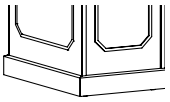
Styles of Base Molding and Decorative Molding cannot be intermixed. For example, when Arlington Base Molding is selected, only the Arlington Decorative may be ordered, while Wilmington Base Molding must also be ordered with Wilmington Decorative Molding.

Base Molding

Arlington and Wilmington Base Molding are skillfully applied on the approach, sides, and user side of Desks and Returns. Lateral Files and Credenzas feature molding on front and both sides with no molding on back for flush wall applications. Bridges will feature molding on approach. Storage Cabinets, Bookcases and Wardrobe/Storage Cabinets will feature base molding on front of unit only.



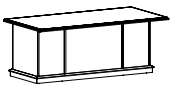
Arlington Base Molding



Wilmington Base Molding

Decorative Molding

Units come standard with no decorative molding. See below for details and locations of optional Arlington or Wilmington Decorative Molding. See next page for ordering options and pricing.



No Decorative Molding Standard

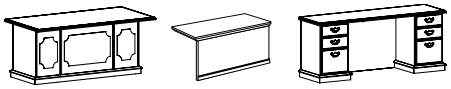
See next page for additional molding information

Indiana FURNITURE

ARLINGTON™
CASEGOODS + TABLES (2900 SERIES)

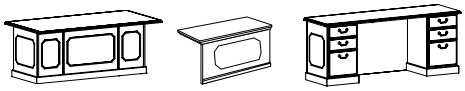
MOLDING LOCATIONS AND OPTIONS CONTINUED

Arlington Decorative Molding will be featured on the approach side of Desks only and is not available on Bridges, Returns, Lateral Files, and Credenzas.



Arlington Molding

Wilmington Decorative Molding will be on the approach and sides of Desks. Returns and Bridges will have decorative molding on the approach side. Credenzas will feature decorative molding on left and right sides only



Wilmington Molding

Surface Mount Hutches, Wall Mount Hutches, Freestanding Bookcases, and Surface Mount Bookcases have no decorative molding. See next page for ordering options and pricing.

Molding selection must be specified on order. *Note: Base and Decorative Molding feature multi-step, hand-finished catalyzed finish*

Arlington Molding

HEIGHT ADJUSTABLE CONTROL OPTIONS

Height adjustable units offer two switch options. The standard switch is a simple up and down switch to move your worksurface from seated to standing height. This comes standard with height adjustable units, unless otherwise noted. The advanced switch features Bluetooth capabilities to connect to smart devices, three stand-up reminder intervals, height adjustment memory positions, and more.

Please specify desired Control Switch when ordering applicable Height Adjustable units.

CANVAS™

LAMINATE CASEGOODS + TABLES (6600/6800 SERIES)

We're expanding Canvas' design flexibility and amplifying functionality to better support office personalization and overall productivity.

The enhancements include not only a redesign but also an expansion of integrated height adjustable units, new white and black glass door options on hutch and storage units as well as a full line of white and black glass marker boards provide opportunities for more elegant and clean styling. Metal accents within the line now include a broader scope of black finishes and a gold pull was added to the mix, giving you more choices to customize a look and feel for modern office environments.

CONSTRUCTION

Canvas Casegoods feature a TFL chassis with your choice of either a TFL or HPL top. Units ship assembled unless otherwise noted.

LAMINATES
- Exposed surfaces are woodgrain and solid color laminates fused to particle-board core
- Each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance

TOPS
- Worksurfaces are 1" thick Thermally-Fused Laminate (TFL) or High Pressure Laminate (HPL) with 3mm matching PVC rims on profiled edges and 1mm PVC rims on self edges
- Optional 1½" thick HPL worksurfaces are available in select colors. Please contact Customer Service or your local Sales Rep for pricing and lead times.
- Grain direction runs left-to-right unless otherwise noted

CHASSIS
- Chassis is securely fastened using high-quality European fastening systems and heavy-duty, 16-gauge joining brackets to assure maximum strength
- All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors
- All desks, non-lateral credenzas, and returns have wire management access from pedestal to kneespace

DRAWERS
- Drawers feature 5-sided construction allowing for easy removal of drawer fronts
- Drawer fronts are 3-ply construction, ¾" thick with matched grain
- Drawer sides, back, and front are ½" thick, woodgrain vinyl wrapped construction with mitered corners
- Box and file drawers feature full extension, progressive action slides with precision steel ball bearings with optional soft close
- Optional wood dovetail construction with 7/16" thick hardwood sides and backs, and 5/32" thick hardboard bottoms
- Box and file drawers have ⅛" thick hardboard bottoms and tested for 100lb capacity
- Lateral files feature ¼" thick bottoms and are tested for 200lb capacity
- All suspensions have a limited lifetime warranty

FILING
- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Letter width file drawers provide letter filing front-to-back and legal filing side-to-side
- Lateral file drawers provide legal or letter filing front-to-back or side-to-side

STORAGE
- All hinged doors include soft close hinges, unless noted
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- All units with file drawers feature locking
- Removable lock cylinders allow for units to be re-keyed at a later date, if required
- Units are shipped randomly keyed as standard
- Keyed alike units available upon request at no additional charge
- Lock core is predetermined by pull color. Black lock cores are used with black and gold pulls while silver lock cores are used with chrome and aluminum pulls

CORD MANAGEMENT
- Grommets may be ordered in the tops of all assembled desks, returns, bridges, credenzas, and component worksurfaces
- All desks, returns, and credenzas (except lateral pedestals) have standard wire openings from inside the pedestal to the kneespace allowing quick access to technology below
- Additionally, returns, bridge units, kneespace credenzas, and hutch units have standard grommets in back panels
- Grommets are also standard in the tops of corner units and extended corner units
- Grommets are 2⅜" and are available in black or silver, must specify color
- See all grommet options and locations
- Undersurface Wire Manager (01-WMGR4) is available for additional cord management; See Accessories

HEIGHT ADJUSTABLE MECHANISMS
- Optional center drawer, Dock 950 and Dock 150, ¾ modesty panels, and kneespace options are not available with height adjustable units
- Height adjustment range 30"H-45"H
- 5-year warranty
- See additional Height Adjust information
- Height Adjustable units begin on here

STUDIO LEGS
- For each of the Studio models, standard or shared legs will need to be specified
- Choose to use four standard, a combination of standard or shared, or all shared legs on each unit
- The below images will provide a guide to the aesthetics of single, double, and shared legs
- Studio components begin on here

Single Standard Leg

Shared Leg (used between two models)

Double Standard Leg (standard legs used on each model)

DRAWER CONSTRUCTION OPTIONS

Drawers come standard with woodgrain vinyl-wrapping and mitered corners. Optional wood dovetail construction for all box, file, and lateral file drawers is available. Must Specify when ordering.

Pricing is per Drawer, not per Model/Unit

MITER	Mitered Fold Construction		STD
DOVE	Wood Dove Tail Construction	$	42

DRAWER TRACK OPTIONS

Soft close tracks are available on box and file drawers only. Soft close drawer tracks have many benefits including reduced stress on the unit, extends the life of the drawer, and ensures a gentle close so fingers don't accidentally get hurt. Must specify when ordering.

Pricing is per Drawer, not per Model/Unit

SFTCL	Soft Close Drawer Track (**Box & File Drawers Only**)	$	32

LOCK CORE COLOR OPTIONS

BLK	Black *(Used with Black and Gold Pulls)*
SLV	Silver *(Used with Aluminum and Chrome Pulls)*

Black (BLK) Silver (SLV)

LAMINATE CASEGOODS + TABLES (6600/6800 SERIES)

GROMMET OPTIONS & POWER UNIT LOCATIONS

Note: Wire Management Options for Integrated and Modular Height Adjustable Models may be found in their specific area within this section.

Grommets are standard in the back panels of returns, bridges, and credenzas, and may be ordered without grommets at no additional charge. Please specify NO GROMMET on order.

Grommets are available on hutches in standard locations for task light management at no additional charge. Please specify WMHUBL (Black) or WMHUSV (Silver).

Power units, Dock 950 and Dock 150 must be specified separately with surface mount location. Dock 950 and Dock 150 are available on Modular Benching Desk Tops, Modular Cabinet Tops, Work Tables, and Media Peninsula Tops, and where otherwise noted.

Grommets are available in standard locations. Please specify using info below. Multiple locations may be selected. Only one unit per location.

GROMMET LOCATIONS (Black = BLK and Silver = SLV)

GC	Grommet, Center	$	72
GL	Grommet, Left	$	72
GR	Grommet, Right	$	72
GAL	Grommet, Approach Left - D-Tops Only	$	72
GAR	Grommet, Approach Right - D-Tops Only	$	72
GSL	Grommet, Seat Side Left - D-Tops Only	$	72
GSR	Grommet, Seat Side Right - D-Tops Only	$	72

DUO/TRIO BEZEL LOCATIONS

PDC-C	Bezel, Center
PDC-L	Bezel, Left
PDC-R	Bezel, Right

DOCK 950 and DOCK 150 LOCATIONS (See Dock Units)

DOCK950-L	D950 Wireless Charger, Left	$	249
DOCK950-C	D950 Wireless Charger, Center	$	249
DOCK950-R	D950 Wireless Charger, Right	$	249
DOCK150-L	D150 Wireless and USB Charger, Left	$	380
DOCK150-C	D150 Wireless and USB Charger, Center	$	380
DOCK150-R	D150 Wireless and USB Charger, Right	$	380

Verify Grommet Option is available on the model(s) you are specifying using the following location information. Grommets, Power Units, Dock 950 and Dock 150 may be ordered in non-standard locations. Call Customer Service to assist with specification and/or please attach a drawing to the PO showing the location of the grommet. Note additional charges and lead times may apply.

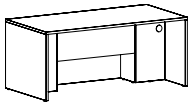
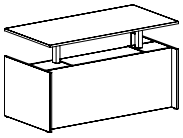
HEIGHT ADJUSTABLE MECHANISMS

Height Adjust method that increases user kneespace, offers more stability for overall unit and top construction, and two worksurfaces can move from sitting to standing simultaneously with or without moving modesty panel.

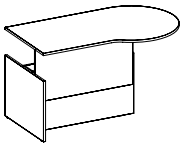
- Maximum height is 45"
- Recommended load capacity of 180lbs
- Gently adjust worksurface with a 1 second stop at each memory position
- Two leg configuration options include the standard 2-channel for Desks, Desk Shells, D-top and P-Top units for one height adjustable worksurface or 3-channel option for two height adjustable worksurfaces to raise simultaneously
- Two height adjustable switches available. Standard up/down switch (SWCH) and advanced switch features Bluetooth capabilities, three stand-up reminder intervals and four height memory positions (MSWCH)
- Moving Modesty (MOVMOD) option creates a clean aesthetic when seated or standing
- Height adjust control switch is factory installed on all units except Desk and Credenza Shells or 3-Channel units
- Bridges, returns, and credenzas will have an optional grommet on the back panel
- Black wire management mesh wrap included when worksurface grommet is selected
- Black wire management mesh wrap is made of polyester braided fabric, 10' long, expands up to 1¾"
- Grommets and one Latch Duct wire management channel provided within kneespace to manage wires from switch and control box. Two Latch Duct wire management channels will be shipped with Desk Shells



Height Adjustable User Side



2-channel Configuration

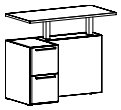


Moving Modesty

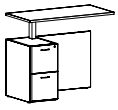
Black wire management mesh sleeve

HEIGHT ADJUST LEG CONFIGURATION

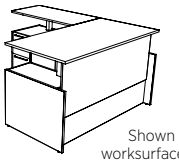
The 2-channel leg configuration is standard on height adjustable Desks, Desk Shells, D-top and P-Top units for one height adjustable worksurface. Select models offer an optional 3-channel leg configuration for use with 3-channel Returns to allow two worksurfaces to raise and lower simultaneously.



2-channel Configuration Raise Single Surface



3-channel Configuration Raise Multiple Surface



Shown with two worksurfaces raised and optional moving modesty.

Studio Components

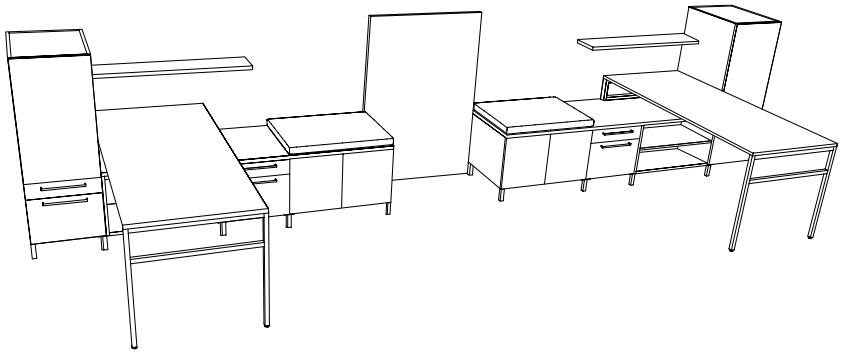
Boutique-inspired options to give all your working environments a fresh look with a subtle touch of home. Integrated into our ever-popular Canvas and Gesso Casegood lines, Studio models build upon simplicity and flexibility while allowing you to create eye-catching spaces. Whether you're looking to outfit an executive's office, team space, collaborative area, or anything in between, our Studio desk and storage components have the look and feel you desire.



Studio components work with existing Canvas Tops, Peninsula Tops, and accessories such as Tackboards, Work Walls, Marker Boards, and Cushions to build the perfect workspace. The slim leg design provides an upscale feel for all of the Studio components. Storage units such as standard height pedestals offer the flexibility to build single or double pedestal desks or credenzas and low height pedestals allow you to create bench style credenzas.

The Studio pull features a clean application.

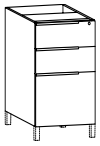
Studio (AST)
Aluminum - 13"

Studio (BST)
Black - 13"

Studio (CST)
Chrome - 13"

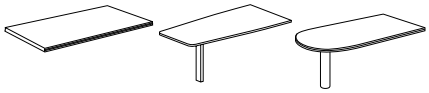
Studio (GST)
Gold - 13"

Studio Pulls are attached on the back side of the drawer front and installed in the left aligned position giving it a clean and sophisticated finish.

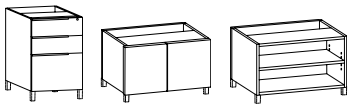


How to Use Studio

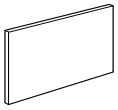
Start with a Modular Top to build a Desk, Peninsula Desk, Benching or Credenza (*See Modular Tops*)



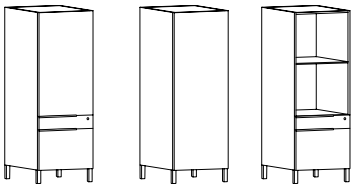
Next, choose from a number of Studio Pedestals options in Standard or Low Height. (*See Studio Peds*)



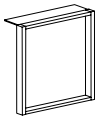
Kneespace Modesty Panels are available in standard height in TFL or High Gloss Acrylic or low height in TFL (*See Modesty Panels*)



Add additional storage with Studio Storage Cabinets and the full door storage cabinet features high gloss acrylic and dry erase door options (*See Storage Cabinets*)



Single and Shared Stanchions offer a layer of support for workstations and single or dual sided hutches (*See Stanchions*)



Studio Single and Shared Legs images below provide a simple and clean aesthetic. See below for a guide to the aesthetics of single, double, and shared legs (*See Leg Options*)

Single Standard Leg

Shared Leg (used between two models)

Double Standard Leg (standard legs used on each model)

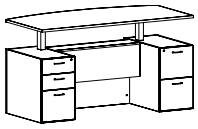
Height Adjustable Components

We've enhanced our height adjustable options to include a better integrated and easier to specify solution. These new models coupled with our existing modular height adjustable, and all of our standard models and storage options, provide you with the ultimate flexibility to meet the needs of your space and, more importantly, the needs of the user. And, we've made these new models more cost effective for you and more functional and spacious for the user.

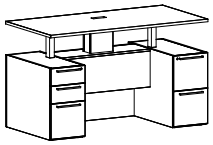
Some Highlights of Our Integrated Solutions:

- Adjustable from 30"H to 45"H, with a load capacity up to 180lbs
- Gently adjust one worksurface or multiple worksurfaces with a 1 second stop at each memory position
- Two leg configuration options include the standard 2-channel for Desks, Desk Shells, D-top and P-Top units for one height adjustable worksurface or a 3-channel option for two height adjustable worksurfaces to raise simultaneously
- Two height adjustable control switches available. Standard up/down switch (SWCH) and advanced switch features Bluetooth capabilities, three stand-up reminder intervals and four height memory positions (MSWCH)
- Moving Modesty (MOVMOD) option creates a clean aesthetic when seated or standing
- Height adjust control switch is factory installed on all units except Desk Shells, Bridges or 3-Channel units
- Bridges, returns, and credenzas have an optional grommet on the back panel
- New black wire management mesh wrap included when worksurface grommet is selected
- Grommets and one Latch Duct wire management channel provided within kneespace to manage wires from switch and control box. Two Latch Duct wire management channels will be shipped with Desk Shells

Black wire management mesh sleeve included with worksurface grommet



Standard 2-Channel Height Adjustable



2-Channel Height Adjustable with Box

Standard (SWCH) and Advanced Switch (MSWCH)

Bring the Open Plan and Shared Spaces to Life!

Modular Height Adjustable components make it easy to create the perfect work environment for any space. Select from an array of sizes of worksurfaces, pedestals, filing units and more to connect teams together so collaborating can be easy and productive.

If you prefer our original solution or have specified it previously, and would like to do so again, simply contact our Customer Service team for assistance. We can make that happen for you!

Indiana FURNITURE

GESSO™
CASEGOODS + TABLES (6500/6700 SERIES)

We're expanding Gesso's design flexibility and amplifying functionality to better support office personalization and overall productivity.

The enhancements include not only a redesign but also an expansion of integrated height adjustable units, new white and black glass door options on hutch and storage units as well as a full line of white and black glass marker boards provide opportunities for more elegant and clean styling. Metal accents within the line now include a broader scope of black finishes and a gold pull was added to the mix, giving you more choices to customize a look and feel for modern office environments.

CONSTRUCTION

Gesso Casegoods feature a Veneer chassis with your choice of either a Veneer or HPL top. Units ship assembled unless otherwise noted.

VENEERS
- Exposed surfaces feature select grade plain sliced hardwood Cherry, Maple, American Black Walnut, White Oak, or composite veneers
- Veneers are carefully selected and matched to assure proper balance and consistency

TOPS
- Veneer and standard High Pressure Laminate (HPL) tops are 3-ply balanced construction and 1 3/16" thick, with 3mm wood edge-banded rims contoured to the selected profile
- Optional 1½" thick HPL worksurfaces are available in select colors. Please contact Customer Service or your local Sales Rep for pricing and lead times.
- Tops are shaped on user and approach sides
- Grain direction runs left to right unless otherwise noted

CHASSIS
- Chassis is securely fastened using high quality European fastening systems and heavy-duty, 16-gauge joining brackets to assure maximum strength
- All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors
- All desks, non-lateral credenzas, and returns have wire management access from pedestal to kneespace

DRAWERS
- Drawers feature 5-sided construction allowing for easy removal of drawer fronts
- Drawer fronts are 3-ply construction, ¾" thick with matched grain
- Drawer sides, back, and front are ½" thick, woodgrain vinyl wrapped construction with mitered corners
- Box and file drawers feature full extension, progressive action slides with precision steel ball bearings with optional soft close
- Optional wood dovetail construction with 7/16" thick hardwood sides and backs, and 5/32" thick hardboard bottoms
- Box and file drawers have ⅛" thick hardboard bottoms and tested for 100lb capacity
- Lateral files feature ¼" thick bottoms and are tested for 200lb capacity
- All suspensions have a limited lifetime warranty

FILING
- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Letter width file drawers provide letter filing front-to-back and legal filing side-to-side
- Lateral file drawers provide legal or letter filing front-to-back or side-to-side

STORAGE
- All hinged doors include soft close hinges, unless noted
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- All units with file drawers feature locking
- Removable lock cylinders allow for units to be re-keyed at a later date, if required
- Units are shipped randomly keyed as standard
- Keyed alike units available upon request at no additional charge
- Lock core is predetermined by pull color. Black lock cores are used with black and gold pulls while silver lock cores are used with chrome and aluminum pulls

CORD MANAGEMENT
- Grommets may be ordered in the tops of all assembled desks, returns, bridges, credenzas, and component worksurfaces
- All desks, returns, and credenzas (except lateral pedestals) have standard wire openings from inside the pedestal to the kneespace allowing quick access to technology below
- Additionally, returns, bridge units, kneespace credenzas, and hutch units have standard grommets in back panels
- Grommets are also standard in the tops of corner units and extended corner units
- Grommets are 2⅜" and are available in black or silver, must specify color
- See all grommet options
- Undersurface Wire Manager (01-WMGR4) is available for additional cord management; See Accessories

HEIGHT ADJUSTABLE MECHANISMS
- Optional center drawer, Dock 950 and Dock 150, ¾ modesty panels, and kneespace options are not available with height adjustable units
- Height adjustment range 30"H-45"H
- 5-year warranty
- See Height Adjust Information and Options
- Height Adjustable units begin here

STUDIO LEGS
- For each of the Studio models, standard or shared legs will need to be specified
- Choose to use four standard, a combination of standard or shared, or all shared legs on each unit
- The below images will provide a guide to the aesthetics of single, double, and shared legs
- Studio components begin here

Single Standard Leg

Shared Leg (used between two models)

Double Standard Leg (standard legs used on each model)

DRAWER CONSTRUCTION OPTIONS

Drawers come standard with woodgrain vinyl-wrapping and mitered corners. Optional wood dovetail construction for all box, file, and lateral file drawers is available. Must Specify when ordering.
Pricing is per Drawer, not per Model/Unit

MITER	Mitered Fold Construction		STD
DOVE	Wood Dove Tail Construction	$	42

DRAWER TRACK OPTIONS

Soft close tracks are available on box and file drawers only. Soft close drawer tracks have many benefits including reduced stress on the unit, extends the life of the drawer, and ensures a gentle close so fingers don't accidentally get hurt. Must specify when ordering.
Pricing is per Drawer, not per Model/Unit

SFTCL	Soft Close Drawer Track (**Box & File Drawers Only**)	$	32

LOCK CORE COLOR OPTIONS

BLK	Black *(Used with Black and Gold Pulls)*
SLV	Silver *(Used with Aluminum and Chrome Pulls)*

Black (BLK) Silver (SLV)

Grommet options on next page.

GROMMET OPTIONS & POWER UNIT LOCATIONS

Note: Wire Management Options for Integrated and Modular Height Adjustable Models may be found in their specific area within this section.

Grommets are standard in the back panels of returns, bridges, and credenzas, and may be ordered without grommets at no additional charge. Please specify NO GROMMET on order.

Grommets are available on hutches in standard locations for task light management at no additional charge. Please specify WMHUBL (Black) or WMHUSV (Silver).

Power units, Dock 950 and Dock 150 must be specified separately with surface mount location. Dock 950 and Dock 150 are available on Modular Benching Desk Tops, Modular Cabinet Tops, Work Tables, and Media Peninsula Tops, and where otherwise noted.

Grommets are available in standard locations. Please specify using info below. Multiple locations may be selected. Only one unit per location.

GROMMET LOCATIONS (Black = BLK and Silver = SLV)

GC	Grommet, Center	$	72
GL	Grommet, Left	$	72

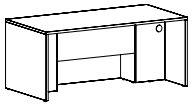
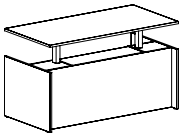
HEIGHT ADJUSTABLE MECHANISMS

Height Adjust method that increases user kneespace, offers more stability for overall unit and top construction, and two worksurfaces can move from sitting to standing simultaneously with or without moving modesty panel.

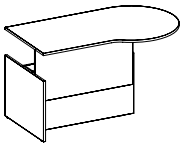
- Maximum height is 45"
- Recommended load capacity of 180lbs
- Gently adjust worksurface with a 1 second stop at each memory position
- Two leg configuration options include the standard 2-channel for Desks, Desk Shells, D-top and P-Top units for one height adjustable worksurface or 3-channel option for two height adjustable worksurfaces to raise simultaneously
- Two height adjustable switches available. Standard up/down switch (SWCH) and advanced switch features Bluetooth capabilities, three stand-up reminder intervals and four height memory positions (MSWCH)
- Moving Modesty (MOVMOD) option creates a clean aesthetic when seated or standing
- Height adjust control switch is factory installed on all units except Desk Shells, Bridges or 3-Channel units
- Bridges, returns, and credenzas will have an optional grommet on the back panel
- Black wire management mesh wrap included when worksurface grommet is selected
- Black wire management mesh wrap is made of polyester braided fabric, 10' long, expands up to 1¾"
- Grommets and one Latch Duct wire management channel provided within kneespace to manage wires from switch and control box. Two Latch Duct wire management channels will be shipped with Desk Shells



Height Adjustable User Side



2-channel Configuration

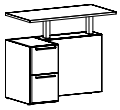


Moving Modesty

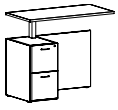
Black wire management mesh sleeve

HEIGHT ADJUST LEG CONFIGURATION

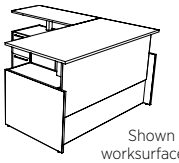
The 2-channel leg configuration is standard on height adjustable Desks, Desk Shells, D-top and P-Top units for one height adjustable worksurface. Select models offer an optional 3-channel leg configuration for use with 3-channel Returns to allow two worksurfaces to raise and lower simultaneously.



2-channel Configuration Raise Single Surface



3-channel Configuration Raise Multiple Surface



Shown with two worksurfaces raised and optional moving modesty.

Studio Components

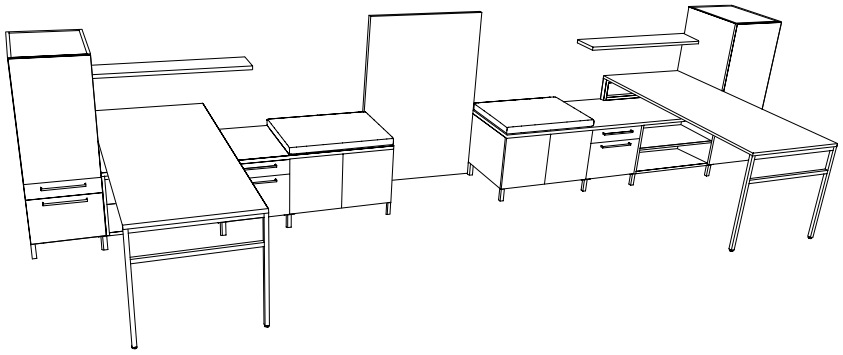
Boutique-inspired options to give all your working environments a fresh look with a subtle touch of home. Integrated into our ever-popular Canvas and Gesso Casegood lines, Studio models build upon simplicity and flexibility while allowing you to create eye-catching spaces. Whether you're looking to outfit an executive's office, team space, collaborative area, or anything in between, our Studio desk and storage components have the look and feel you desire.



Studio components work with existing Canvas Tops, Peninsula Tops, and accessories such as Tackboards, Work Walls, Marker Boards, and Cushions to build the perfect workspace. The slim leg design provides an upscale feel for all of the Studio components. Storage units such as standard height pedestals offer the flexibility to build single or double pedestal desks or credenzas and low height pedestals allow you to create bench style credenzas.

The Studio pull features a clean application.

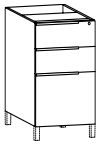
Studio (AST)
Aluminum - 13"

Studio (BST)
Black - 13"

Studio (CST)
Chrome - 13"

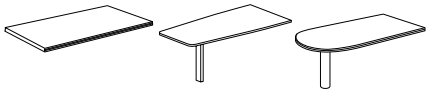
Studio (GST) *NEW
Gold - 13"

Studio Pulls are attached on the back side of the drawer front and installed in the left aligned position giving it a clean and sophisticated finish.



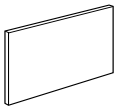
How to Use Studio

Start with a Modular Top to build a Desk, Peninsula Desk, Benching or Credenza (*See Modular Tops*)

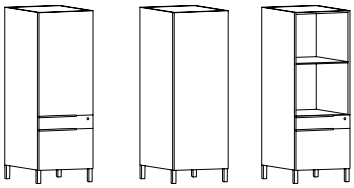


Next, choose from a number of Studio Pedestals options in Standard or Low Height. (*See Studio Peds*)

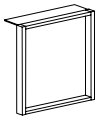
Kneespace Modesty Panels are available in standard height in TFL or High Gloss Acrylic or low height in TFL (*See Modesty Panels*)



Add additional storage with Studio Storage Cabinets and the full door storage cabinet features high gloss acrylic and dry erase door options (*See Storage Cabinets*)



Single and Shared Stanchions offer a layer of support for workstations and single or dual sided hutches (*See Stanchions*)



Studio Single and Shared Legs images below provide a simple and clean aesthetic. See below for a guide to the aesthetics of single, double, and shared legs (*See Leg Options*)

Single Standard Leg

Shared Leg (used between two models)

Double Standard Leg (standard legs used on each model)

GESSO™

HEIGHT ADJUSTABLE UNITS (6500/6700 SERIES)

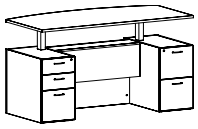
Height Adjustable Components

We've enhanced our height adjustable options to include a better integrated and easier to specify solution. These new models coupled with our existing modular height adjustable, and all of our standard models and storage options, provide you with the ultimate flexibility to meet the needs of your space and, more importantly, the needs of the user. And, we've made these new models more cost effective for you and more functional and spacious for the user.

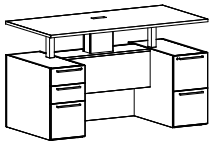
Some Highlights of Our Integrated Solutions:

- Adjustable from 30"H to 45"H, with a load capacity up to 180lbs
- Gently adjust one worksurface or multiple worksurfaces with a 1 second stop at each memory position
- Two leg configuration options include the standard 2-channel for Desks, Desk Shells, D-top and P-Top units for one height adjustable worksurface or a 3-channel option for two height adjustable worksurfaces to raise simultaneously
- Two height adjustable control switches available. Standard up/down switch (SWCH) and advanced switch features Bluetooth capabilities, three stand-up reminder intervals and four height memory positions (MSWCH)
- Moving Modesty (MOVMOD) option creates a clean aesthetic when seated or standing
- Height adjust control switch is factory installed on all units except Desk Shells, Bridges or 3-Channel units
- Bridges, returns, and credenzas have an optional grommet on the back panel
- New black wire management mesh wrap included when worksurface grommet is selected
- Grommets and one Latch Duct wire management channel provided within kneespace to manage wires from switch and control box. Two Latch Duct wire management channels will be shipped with Desk Shells

Black wire management mesh sleeve included with worksurface grommet



Standard 2-Channel Height Adjustable



2-Channel Height Adjustable with Box

Bring the Open Plan and Shared Spaces to Life!

Modular Height Adjustable components make it easy to create the perfect work environment for any space. Select from an array of sizes of worksurfaces, pedestals, filing units and more to connect teams together so collaborating can be easy and productive.

If you prefer our original solution or have specified it previously, and would like to do so again, simply contact our Customer Service team for assistance. We can make that happen for you!

Indiana FURNITURE

ICONIC
CASEGOODS + TABLES (5000 SERIES)

With a nod to the '50s and '60s, Iconic's clean lines, tapered legs, and unexpected details present a timeless, approachable quality while being suited to outfit a multitude of areas, including private office, open plan/benching, small meeting areas, and ancillary spaces.

CONSTRUCTION

Iconic features a Veneer chassis with your choice of a Veneer , HPL or 3D Laminate top. Units ship assembled unless otherwise noted.

VENEER
- Exposed surfaces feature select-grade, plain-sliced hardwood Cherry, Maple, American Black Walnut, White Oak, and composite veneers; Veneers are carefully selected and matched to assure proper balance and consistency
- Veneer features UVAdvantage, an ultra-violet finish, on all exposed surfaces by utilizing roll-coat UV technology

LAMINATE
- TFL and HPL are made of woodgrain and solid color laminates fused to particleboard core; Each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance
- 3D laminate surfaces eliminate the need for edge banding, visible seams, and special edge treatments; elimination of seams helps mitigate the accumulation of potential contaminants and simplifies cleaning

TOPS
- Tops are 1 3/16" thick
- Square (Y) Edge Profile is 3-ply balanced construction with 3mm wood edge-banded rims
- Square edge tops are shaped on all four sides
- Knife (KB) and Illusion (I) Edge Profile are 5-ply balanced construction with hardwood rims. Knife (KB) and Illusion (I) Edge Profile are profiled on three sides of Double Ped and Single Ped Desks with user side featuring Square Edge (Y)
- Grain direction runs left-to-right unless noted

CHASSIS
- Chassis are fastened by using high quality European fastening systems and heavy-duty, 16-gauge joining brackets to assure maximum strength
- All units ship with heavy-duty, adjustable glides to ensure proper leveling and compensate for uneven floors
- Horizontal grain direction unless otherwise noted

DRAWERS
- Box and file drawers are tested for 100lb capacity; Lateral file drawers are tested for 200lb capacity
- 5-sided drawer construction for easy removal of drawer fronts
- Fronts are 3-ply construction, ¾" thick with matched grain
- Sides, back, and front are ½" thick woodgrain vinyl-wrapped miter fold construction; box and file drawers have ⅛" thick hardboard bottoms, lateral file drawers feature ¼" thick bottoms
- Optional Dovetail construction with 7/16" thick hardwood sides and backs and 5/32" thick hardboard bottoms
- Box and file drawers feature full extension, progressive action slides with precision steel ball bearings with optional soft close
- Lateral files ¾ extension, progressive action slides with precision steel ball bearings
- All suspensions have a limited lifetime warranty

FILING
- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Legal width file drawers provide legal filing front to back, and letter or legal filing side to side

STORAGE
- All hinged doors include soft close hinges
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- All units with drawers feature standard locking; optional locking available on models with doors where noted (see locking option)
- Lock core available in black or silver, please specify color
- Removable lock cylinders allow for units to be re-keyed at a later date if required
- Units are shipped randomly keyed as standard
- Keyed alike units available upon request at no additional charge

CORD MANAGEMENT
- Grommets are available in the tops of desks, returns, bridge tops, kneespace credenzas, and credenzas
- An exit grommet is standard on the bottom of pedestals for wires to escape
- Hutch units have standard grommets in back panels
- On units, where noted, a removable back panel for wire access/ wire management, as well as an exit grommet, come standard
- Grommets are 2⅜" in diameter and available in black or silver
- See all optional grommet locations
- Wire channel (01-WMGRCB) available for additional undersurface cord management

ORW	Oak Riftwood		

3D LAMINATE (3D) OPTIONS

3D laminate surfaces eliminate the need for edge banding, visible seams, and special edge treatments. The elimination of seams helps to mitigate the accumulation of potential contaminants and simplifies cleaning. See cleaning instructions on our website under Resources.

Our Matte White and Matte Black options are not only durable, they leave no fingerprints. The matte, soft touch finish will add a sense of luxury, beauty, and style to any interior space.

Our Concrete option features a city-inspired, grey concrete surface with an embossed texture that is real to the touch and feel.

See individual select products for availability.

- Built with Weight Distribution for Optimal Stability
- Base is 5” Tall

Indiana FURNITURE

JEFFERSON™
CASEGOODS + TABLES (4600 SERIES)

Jefferson echoes history and creates a timeless foundation for today's sophisticated work place. Finely crafted in select solids with Walnut and Cherry veneers, the tailored details of this collection accentuate our expert craftsmanship and perfect attention to detail.

Jefferson forges traditional styling with modern sensibility with new Height Adjustable options and coordinating reception models, allowing the premium feel and flexibility of Jefferson to easily function throughout entire facilities.

CONSTRUCTION

Jefferson features a Veneer chassis with your choice of a Veneer or HPL top. Units ship assembled unless otherwise noted.

VENEER
- Choose from premium or select veneer on exposed surfaces in American Black Walnut or Cherry species in bookmatched veneer faces
- Veneers are carefully selected and matched to assure proper balance and consistency

TOPS
- Veneer tops offer a 5-ply balanced construction, 1 3⁄16" thick with solid hardwood mitered rims
- High Pressure Laminate (HPL) tops offer a 3-ply balanced construction, 1 3⁄16" thick with solid hardwood mitered rims
- Grain direction runs left-to-right unless otherwise noted
- All Jefferson tops are standard with the Jefferson edge profile (C2), unless otherwise noted.

CHASSIS
- Chassis is securely fastened using high quality European fastening systems, heavy-duty, 16-gauge joining brackets and wood dowels to assure maximum strength
- Bases are solid hardwood with mitered corners
- All units have finished veneer backs
- Construction offers tight tolerances and long term durability
- All units equipped with heavy-duty, adjustable glides to ensure proper leveling and compensate for uneven floors
- Vertical grain direction on chassis

DRAWERS
- Drawer fronts standard with bookmatched veneer faces
- Fronts are 3-ply construction and ¾" thick
- Drawer interiors are dovetail, wood constructed with 7⁄16" hardwood sides and backs and 5⁄32" thick hardboard bottoms
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- Box and file drawers are tested for 100lb capacity; Lateral files have ¼" thick bottoms and are tested for 200lb capacity
- All suspensions have a limited lifetime warranty
- Optional soft close (see soft close options) is available on center, tray, box, and file drawers, unless otherwise noted

FILING
- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Legal width file drawers provide legal filing front to back, and letter or legal filing side to side
- Letter width file drawers provide letter filing front to back, and letter or legal filing side to side

STORAGE
- All hinged doors include soft close hinges, unless noted
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- Central locking is standard on all desks and optional for credenzas and returns; one key in the lock cylinder locks all drawers in the desk
- Lock core color will coordinate with pull selection (brass pulls will have black cores, while aluminum pulls will have silver cores)
- Removable lock cylinders allow for units to be re-keyed at a later date if required
- Units are shipped randomly keyed as standard. Keyed alike units available upon request at no additional charge.

CORD MANAGEMENT
- Grommets are standard in back panels of returns, bridges, kneespace credenzas, and hutch units (does not apply to height adjustable or reception units)
- Grommets may be ordered in the tops of desks, returns, bridges, credenzas, and component worksurfaces
- See all optional grommet locations
- Undersurface Wire Managers are available for additional cord management; See Multiple Units

HEIGHT ADJUSTABILITY
- Electric-powered height adjustable mechanisms are offered in 2-channel for single surface height adjustment and 3-channel for simultaneous, two surface height adjustment
- Height adjustable legs available in black finish only
- Height adjustment range 30"H to 45"H
- 5-year warranty
- Recommended load capacity of 180lbs
- Two control switches are available, including an up/down switch (standard with product, unless noted) and an advanced switch with Bluetooth capabilities, position memory, three stand up reminder intervals, and more; gently adjust worksurface with a 1 second stop at each memory position
- The standard control switch is factory installed on all units except bridges and 3-channel units
- Bridges, returns, and credenzas will not have a standard grommet on the back panel
- New wire management mesh wrap included when worksurface grommet is selected
- Grommets and one wire management channel provided within kneespace to manage wires from switch and control box; two wire management channels will be shipped with desk shells

DRAWER TRACK OPTIONS

Soft close tracks are available on center, tray, box, and file drawers in Jefferson. Soft close drawer tracks have many benefits including reduced stress on the unit, extends the life of the drawer, and ensures a gentle close so fingers don't accidentally get hurt. Must specify when ordering.

Pricing is per Drawer, not per Model/Unit

SFTCL	Soft Close Drawer Track	$	32

LOCKING FLIP DOWN CENTER DRAWER

Single and double pedestal desks and kneespace credenzas standard with a center drawer have an optional central locking, keyboard flip down drawer. Drawer front is wood veneer with laminate drawer interior.

LFD	Locking Flip Down Front Center Drawer	$	77

Indiana FURNITURE

JEFFERSON™
CASEGOODS + TABLES (4600 SERIES)

APPROACH SIDE DICTATION SLIDES

Some desk models offer an approach side pull-out dictation slide. Specify DSLD when placing your order and add upcharge. If adding the dictation slide, the center grommet will not be available.

NONE	No Approach Dictation Slide	$	Std
DSLD	Approach Side Dictation Slide	$	573

MOLDING OPTIONS

All standard, height adjustable, and reception units ship with decorative pencil molding. If you do not want molding, please specify "NO MOLDING" when ordering each model.

Modular components come standard with no molding. To accommodate for flush ends, molding is offered as an option. Specify one of the following codes when ordering.

STD	No Molding	$	Std
MR46R1	Molding on Right Side Only	$	80
ML46L1	Molding on Left Side Only	$	80
M46LR	Molding on Both Right and Left Sides	$	162

Note: Left or right is determined when facing the front of the unit. Molding features multi-step, hand-finished catalyzed finish

GLASS SHELVES OPTION

Units with beveled glass and mesh grille inserts offer the option of glass shelving.

GLSSH	Units with Two Doors	$	97
GLSSH	Units with Four Doors	$	195

DOWN LIGHTING OPTION

Select units with beveled glass and mesh grille inserts offer the option of down lighting. See individual models for availability.

DNLGT	Units with Two Doors	$	384
DNLGT	Units with Four Doors	$	765

LOCKING PEDESTALS ON RETURNS/CREDENZAS

Locking drawers are available on returns and credenzas. Please specify LKI-46L on order and add upcharge. Lock core will coordinate with pull selection.

Returns and single pedestal credenzas will have the lock positioned in the upper right corner of the top pedestal drawer.

LKI-46L	Return or Single Pedestal Credenza Locking	$	192

Double pedestal credenzas will have locks positioned in the upper right corner of both of the top drawers.

LKI-46L	Double Pedestal Credenza Locking	$	376

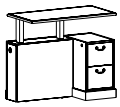
LOCKING DOORS

Locking doors are available on specific units, where noted. Specify WITH LOCKING when ordering and add upcharge. Lock core will coordinate with pull selection.

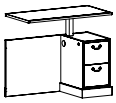
18"W Units	$	65
30"W to 42"W Units	$	85
48"W to 72"W Units	$	108
Two & Four Door Vertical Hutches	$	126

HEIGHT ADJUST LEG CONFIGURATION

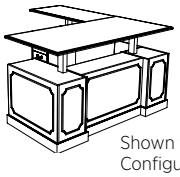
The 2-channel leg configuration is standard on height adjustable Desks, Returns, Bridges, and Credenza for one height adjustable worksurface. Desk models offer an optional 3-channel leg configuration for use with 3-channel Returns to allow two worksurfaces to raise and lower simultaneously.



2-Channel Configuration



3-Channel Configuration



Shown with 3-Channel Configuration on Desk and Return

STS2	2-Channel Configuration (For one height adjustable worksurface)		STD
STS3	3-Channel Configuration (For two height adjustable worksurfaces)	$	N/C

HEIGHT ADJUST CONTROL OPTIONS

Height adjustable units offer two switch options. The standard switch is a simple up and down switch to move your worksurface from seated to standing height. This comes standard with height adjustable units, unless otherwise noted. The advanced switch features Bluetooth capabilities to connect to smart devices, three stand-up reminder intervals, and height adjustment memory positions, and more.

Please specify desired Control Switch when ordering applicable Height Adjustable units.

SWCH	Standard Up/Down Switch	$	Std
MSWCH	Advanced Up/Down with Memory Switch	$	126

SWCH (standard)

Indiana FURNITURE

MADERA™
CASEGOODS + TABLES (1400/1600 SERIES)

Madera creates a variety of looks from rich, refined transitional to fresh, modern contemporary by offering an abundance of options, including premium veneer. Finely crafted in select Cherry, Maple, Walnut, and Oak veneers, Madera features a UV topcoat on all exposed surfaces adding unsurpassed hardness and extreme durability for long lasting office applications.

CONSTRUCTION

Madera features a Veneer chassis with your choice of either a Veneer or HPL top. Units ship assembled unless otherwise noted.

VENEER
- Choose from premium veneer or select veneer on exposed surfaces in American Black Walnut, White Oak, Cherry, or Maple species
- The American Black Walnut, White Oak, and Cherry veneers are book matched veneer faces, while the Maple is a slip-matched veneer face
- These veneers are carefully selected and matched to assure proper balance and consistency

TOPS
- Tops are 1 3⁄16” thick
- Wood Veneer tops have a 5-ply balanced construction with hardwood rims
- High Pressure Laminate (HPL) tops have a 3-ply balanced construction with hardwood rims
- Tops featuring the Bullnose (D), Tri-Round (E), Flute (X), and Square (Y) edge profiles have vertical profiles
- Tops featuring the Radius (A) and Bevel (B) edge profiles have the same construction, but provide a matching reverse profile on connecting edge
- Grain direction runs left to right unless otherwise noted

CHASSIS
- Chassis are securely fastened using high quality European style fastening systems and heavy-duty, 16-gauge joining brackets to assure maximum strength
- All units are equipped with heavy-duty, adjustable glides to ensure proper leveling and compensation for uneven floors
- Vertical grain direction unless otherwise noted

DRAWERS
- All drawers feature 5-sided construction allowing for easy removal of drawer fronts
- Fronts are 3-ply construction and are ¾” thick with matched grain
- Drawer interiors are dovetail wood construction with 7⁄16” thick hardwood sides and backs and 5⁄32” thick hardboard bottoms
- The drawer interiors are sanded, sealed, and finished to provide a smooth, quality feel and appearance
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- Box and file drawers are tested for 100lb capacity
- Lateral files are tested for 200lb capacity
- All suspensions have a limited lifetime warranty

FILING
- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Letter width file drawers provide letter filing front to back and legal filing side to side
- Lateral file drawers provide legal or letter filing front to back or side to side

STORAGE
- All hinged doors include soft close hinges, unless otherwise noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- All units feature locking file drawers
- Removable lock cylinders allow for units to be re-keyed at a later date, if required
- Units are shipped randomly keyed as standard
- Keyed alike units available upon request at no additional charge
- Lock core color will match pull color

CORD MANAGEMENT
- Grommets are available in the tops of all units, unless noted
- Optional grommets are standard in back panels of assembled returns, bridge units, and kneespace credenzas,
- Hutch units have a rectangle grommet in bottom center of back panel
- A grommet is standard in tops of corner units
- Grommets are available in black or silver, please specify color
- See all optional grommet locations
- Wire Manager units available for additional cord management

Indiana FURNITURE

PHOENIX™
CASEGOODS + TABLES (2100 SERIES)

Crafted in select solids and American veneers, Phoenix's clean, transitional styling is at ease in both contemporary and traditional settings. It is a perfect choice for value-minded companies who want a sophisticated, yet uncomplicated, furniture solution.

CONSTRUCTION

Phoenix features a Veneer chassis with your choice of a Veneer or HPL top. Units ship assembled unless otherwise noted.

VENEER
- Exposed surfaces feature select grade sliced American Black Walnut or Cherry veneer carefully selected and matched to assure proper balance and consistency

TOPS
- Veneer tops are 5-ply balanced construction and 1 5⁄32" thick with solid hardwood rims
- High Pressure Laminate (HPL) tops are 3-ply balanced construction and 1 5⁄32" thick with solid hardwood rims
- Grain direction runs left to right unless noted

CHASSIS
- Chassis is securely fastened using high quality European fastening systems and heavy-duty, 16-gauge joining brackets to assure maximum strength
- Units feature finished backs unless otherwise noted
- All units equipped with heavy-duty, adjustable glides to ensure proper leveling and compensate for uneven floors

DRAWERS
- Drawer fronts standard with matched veneer faces
- Drawer sides, back and front are woodgrain vinyl-wrapped, and are ½" thick
- 5-sided drawer construction for easy removal of drawer fronts
- Box and file drawers have ⅛" thick hardboard bottoms and tested for 100lb capacity
- Lateral file drawers feature ¼" thick bottoms and tested for 200lb capacity
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- All suspensions have a limited lifetime warranty

FILING
- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Legal width file drawers provide legal filing front to back, and letter or legal filing side to side
- Letter width file drawers provide letter filing front to back, and letter or legal filing side to side

STORAGE
- All hinged doors include soft close hinges, unless noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- All desks, credenzas, returns, and files feature standard locking
- Lock core will coordinate with pull selection unless otherwise noted
- Removable lock cylinders allow for units to be re-keyed at a later date if required
- Units are shipped randomly keyed as standard. Keyed alike units available upon request at no additional charge.

CORD MANAGEMENT
- Grommets are standard in back panels of assembled returns, bridge units, kneespace credenzas, and hutch units
- A grommet is standard in tops of corner units
- Grommets may be ordered in the tops of desks, returns, bridge units, and credenzas worksurfaces
- Grommets are 2⅜" in diameter and available in black or silver, please specify color
- See grommet options and locations
- Wire Manager available for additional cord management; See Accessories

Reception

Indiana FURNITURE

AURA™

RECEPTION SHELLS + COMPONENTS (6200 SERIES)

Welcoming environments start with furniture that's warm and inviting. Create a customized work environment through flexible combinations of shells, components, and work surfaces that address multiple configuration options. Subtle details, including multiple pull styles, edge options, overlay panels and molding options allow for a personalized look or seamless blending with any of our standard casegood offerings.

CONSTRUCTION

Aura Reception features a Veneer chassis with your choice of either a Veneer, HPL, or Solid Surface transaction counter. Units ship assembled unless otherwise noted.

VENEER
- Exposed surfaces feature select grade plain sliced hardwood Cherry, Maple, American Black Walnut, or composite veneers
- Veneers are carefully selected and matched to assure proper balance and consistency

TOPS
- Veneer worksurface tops are 3-ply balanced construction and 1 5⁄32" thick with a self-edge
- Transaction tops are 1 5⁄32" thick with a 5-ply balanced construction in Veneer, 3-ply balanced construction in High Pressure Laminate
- Transaction tops in Cherry, Maple, and American Black Walnut have solid hardwood rims and are profiled on all sides with mitered corners.
- Optional ⅜" thick glass accent top with 1 ¼" silver standoffs
- Transaction tops in solid surface materials are 1 ½" thick and available in 6 standard colors
- Grain runs left to right unless otherwise stated

CHASSIS
- Tops and end panels are securely fastened using high quality European fastening systems to ensure maximum strength
- All units have finished backs unless noted
- All pedestals offer optional wire management access from pedestal to kneespace
- All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors

DRAWERS
- Drawer fronts are 3-ply construction, ¾" thick with matched grain
- Drawer sides, back, and front are ½" thick, woodgrain vinyl wrapped construction with mitered corners
- Box and file drawers have ⅛" thick hardboard bottoms and tested for 100lb capacity
- Lateral file drawers feature ¼" thick bottoms and tested for 200lb capacity
- 5-Sided drawer construction for easy removal of drawer fronts
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- All suspensions have a limited lifetime warranty

FILING
- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Modular component pedestals provide letter filing front to back and legal filing side to side
- Lateral file drawers provide legal or letter filing front to back or side to side

STORAGE
- All hinged doors include soft close hinges, unless noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- All units with file drawers feature locking
- Removable lock cylinders allow for units to be re-keyed at a later date, if required
- Units are shipped randomly keyed as standard
- Keyed alike units available upon request at no additional charge
- Lock core will match pull color

CORD MANAGEMENT
- Grommets may be ordered in the tops
- See grommet options and locations
- Wire Managers available for additional cord management; See Accessories

Indiana FURNITURE

CAMEO™

RECEPTION SHELLS + COMPONENTS (6100 SERIES)

The traditional stylings of Cameo echo history and create a timeless foundation for welcoming environments that complement our Jefferson, Wilmington, and Arlington casegoods collections, as well as Cameo Conferencing. Create a customized work environment through combinations of shells, components, and work surfaces that address multiple configuration options.

CONSTRUCTION

Cameo Reception features a veneer chassis with your choice of either a Veneer or HPL transaction counter.

VENEER
- Veneers on exposed surfaces are select grade sliced American Black Walnut and are carefully selected and matched to assure proper balance and consistency

TOPS
- Work surface tops are 3-ply balanced construction and 1⅝₃₂" thick with a self-edge
- Transaction tops are 1⅝₃₂" thick and have a 5-ply balanced construction in Veneer or 3-ply balanced construction in High Pressure Laminate
- Transaction tops have solid hardwood rims and are profiled on all sides with mitered corners
- Grain runs left to right unless otherwise stated

CHASSIS
- Tops and end panels are securely fastened using high quality European fastening systems to assure maximum strength
- All units have finished backs unless noted
- All pedestals have wire management access from pedestal to kneespace
- Decorative moldings are hand applied
- All units are equipped with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors

DRAWERS
- Drawer fronts are 3-ply construction, ¾" thick with matched grain
- Drawer sides, back, and front are ½" thick, woodgrain vinyl wrapped construction with mitered corners
- Box and file drawers have ⅛" thick hardboard bottoms and tested for 100lb capacity
- Lateral file drawers feature ¼" thick bottoms and tested for 200lb capacity
- 5-Sided drawer construction for easy removal of drawer fronts
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- All suspensions have a limited lifetime warranty

FILING
- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Modular component pedestals provide letter filing front to back and legal filing side to side
- Lateral file drawers provide legal or letter filing front to back or side to side

STORAGE
- All hinged doors include soft close hinges, unless otherwise noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- All units with file drawers feature locking
- Removable black lock cylinders allow for units to be re-keyed at a later date if required
- Units are shipped randomly keyed as standard. Keyed alike units available upon request at no additional charge
- Keyed alike units available upon request at no additional charge

CORD MANAGEMENT
- Grommets may be ordered in the tops
- See all grommet options and locations
- Wire Managers available for additional cord management; See Accessories

Indiana FURNITURE

CANVAS™

LAMINATE RECEPTION + COMPONENTS (6400 SERIES)

Explore Canvas Reception models, sizes, and premium details to heighten function and luxury for the user, the environment, and all of your visitors. Choose from waterfall transaction counters with paper slots, conventional transaction counters available in a variety of materials, matching or contrasting overlays, backlighting, extended gallery returns with storage, ADA returns, and more!

CONSTRUCTION

Canvas Reception features a TFL chassis with your choice of either TFL, HPL, or Solid Surface transaction counters. Units ship assembled unless otherwise noted.

LAMINATES
- Exposed surfaces are woodgrain and solid color laminates
- Worksurfaces are bonded to the core with a PVA adhesive in a cold press to prevent separation of the laminate from the core
- Each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance

TOPS
- Worksurfaces are 1" thick thermally-fused laminate (TFL) with 1mm matching PVC rims in a square profile
- Worksurfaces are shaped on all four sides and fit flush with adjoining worksurfaces for a clean aesthetic
- Transaction tops in TFL or HPL are edge-banded and have a self-edge on all sides
- Accent tops of ⅜" glass with 1¼" silver standoffs are available
- Transaction tops in Solid Surface materials are 1½" thick and available in 6 standard colors

CHASSIS/COMPONENTS
- TFL chassis and storage components
- Worksurfaces, storage components and end panels are securely fastened using high quality European fastening systems, 16-gauge joining brackets and wooden dowels to assure maximum strength
- Exposed edges have matching PVC edge band
- All units are equipped with heavy-duty glides featuring 1 ¼" adjustment to ensure proper leveling and compensation for uneven floors
- All modular components have standard wire openings from inside the pedestal to the kneespace allowing quick access to technology below

DRAWERS
- Drawers feature 5-sided construction allowing for easy removal of drawer fronts
- Drawer fronts are 3-ply, ¾" thick thermally fused laminate on both faces with matching PVC banded edges
- All drawer sides are ½" thick woodgrain vinyl-wrapped construction with mitered corners
- Box and file drawers have ⅛" thick hardboard bottoms and tested for 100lb capacity
- Lateral file drawers feature ¼" thick bottoms and tested for 200lb capacity
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- All suspensions have a limited lifetime warranty

FILING
- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Letter width file drawers provide letter filing front to back and legal filing side to side
- Lateral file drawers provide legal or letter filing front to back or side to side

LOCKING
- All units with file drawers feature locking
- Removable lock cylinders allow for units to be re-keyed at a later date, if required
- Units are shipped randomly keyed as standard
- Keyed alike units available upon request at no additional charge
- Lock core will match pull color (if applicable, otherwise specify)

JEFFERSON™
RECEPTION UNITS (4600 SERIES)

Jefferson echoes history and creates a timeless foundation for today's sophisticated work place. Finely crafted in select solids with Walnut and Cherry veneers, the tailored details of this collection accentuate our expert craftsmanship and perfect attention to detail.

Jefferson forges traditional styling with modern sensibility with new Height Adjustable options and coordinating reception models, allowing the premium feel and flexibility of Jefferson to easily function throughout entire facilities.

CONSTRUCTION

Jefferson features a Veneer chassis with your choice of a Veneer or HPL top. Units ship assembled unless otherwise noted.

VENEER
- Choose from premium or select veneer on exposed surfaces in American Black Walnut or Cherry species in bookmatched veneer faces
- Veneers are carefully selected and matched to assure proper balance and consistency

TOPS
- Veneer tops offer a 5-ply balanced construction, 1 3⁄16" thick with solid hardwood mitered rims
- High Pressure Laminate (HPL) tops offer a 3-ply balanced construction, 1 3⁄16" thick with solid hardwood mitered rims
- Grain direction runs left-to-right unless otherwise noted
- All Jefferson tops are standard with the Jefferson edge profile (C2), unless otherwise noted.

CHASSIS
- Chassis is securely fastened using high quality European fastening systems, heavy-duty, 16-gauge joining brackets and wood dowels to assure maximum strength
- Bases are solid hardwood with mitered corners
- All units have finished veneer backs
- Construction offers tight tolerances and long term durability
- All units equipped with heavy-duty, adjustable glides to ensure proper leveling and compensate for uneven floors
- Vertical grain direction on chassis

DRAWERS
- Drawer fronts standard with bookmatched veneer faces
- Fronts are 3-ply construction and ¾" thick
- Drawer interiors are dovetail, wood constructed with 7⁄16" hardwood sides and backs and 5⁄32" thick hardboard bottoms
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- Box and file drawers are tested for 100lb capacity
- All suspensions have a limited lifetime warranty
- Optional soft close is available on center, box, and file drawers, unless otherwise noted; see option details

FILING
- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Legal width file drawers provide legal filing front to back, and letter or legal filing side to side
- Letter width file drawers provide letter filing front to back, and letter or legal filing side to side

LOCKING
- Central locking is standard on all desks; one key in the lock cylinder locks all drawers in the desk
- Pedestal locking for credenzas and returns
- Lock core color will coordinate with pull selection (brass pulls will have black cores, while aluminum pulls will have silver cores)
- Removable lock cylinders allow for units to be re-keyed at a later date if required
- Units are shipped randomly keyed as standard. Keyed alike units available upon request at no additional charge.

CORD MANAGEMENT
- Grommets may be ordered in the tops of desks, returns, bridges, and credenzas
- See all grommet options and locations
- Wire Managers available for additional cord management; See Accessories

DRAWER TRACK OPTIONS

Soft close tracks are available on center, tray, box, and file drawers in Jefferson. Soft close drawer tracks have many benefits including reduced stress on the unit, extends the life of the drawer, and ensures a gentle close so fingers don't accidentally get hurt. Must specify when ordering.

Pricing is per Drawer, not per Model/Unit

SFTCL	Soft Close Drawer Track	$	32

Indiana FURNITURE

JEFFERSON™
RECEPTION UNITS (4600 SERIES)

LOCKING FLIP DOWN CENTER DRAWER

Single and double pedestal desks and kneespace credenzas standard with a center drawer have an optional central locking, keyboard flip down drawer. Drawer front is wood veneer with laminate drawer interior.

LFD	Locking Flip Down Front Center Drawer	$	77

MOLDING OPTIONS

All standard, height adjustable, and reception units ship with decorative pencil molding. If you do not want molding, please specify "NO MOLDING" when ordering each model.

Modular components come standard with no molding. To accommodate for flush ends, molding is offered as an option. Specify one of the following codes when ordering.

STD	No Molding	$	Std
MR46R1	Molding on Right Side Only	$	80
ML46L1	Molding on Left Side Only	$	80
M46LR	Molding on Both Right and Left Sides	$	162

Note: Left or right is determined when facing the front of the unit.

WORKSURFACE GROMMETS FOR RECEPTION

GC	Grommet, Center; Must Specify Black (BLK) or Silver (SLV)	$	72
GL	Grommet, Left; Must Specify Black (BLK) or Silver (SLV)	$	72
GR	Grommet, Right; Must Specify Black (BLK) or Silver (SLV)	$	72

Verify Grommet Option is available on the model(s) you are specifying using the location.

Grommets may be ordered in non-standard locations. Call Customer Service to assist with specification. Note additional charges and lead times may apply.

Multiple locations may be selected.

Indiana
FURNITURE

Being over a century old hasn't slowed us down! Sure, we are still the reliable, ethical company that was born in southern Indiana, steeped in quality, craftsmanship, and service. But have you seen our latest introductions? We are making a splash with design and challenging the concept of modern offices. Go ahead. Take a look. You know you want to.

Our Pledge to People + Our Planet.

We've been making wood furniture longer than just about anyone...and we want to be doing so for a long time to come. That's a large part of why we take a stewardship approach to our resources. We believe that environmental sustainability and business profits need not be mutually exclusive. They can and should exist side by side in a mutually beneficial relationship. And for more than a century, we've been showing how it's done.

We've proven our commitment to a sustainable future by supporting the standards and programs that protect our home planet and human health. Whether it's local sourcing, reducing contaminants, implementing wellness and safety programs, or diverting waste from landfills, social responsibility is a part of every decision we make at Indiana Furniture.

One of the surest ways to reduce our impact on the planet is to make and buy things that last. And this one's a natural for us. Our products are made with craftsmanship and attention to detail that are a part of our more than a century-long legacy in wood manufacturing. And our products are backed by our 12-year warranty, which facilitates maintenance, servicing and reassembly.

All of our product lines:

- Are manufactured and assembled in the USA,
- Meet or exceed Indoor Air quality standards*,
- Meet or exceed BIFMA level® Sustainability standards and certification*,
- Conform to the BIFMA Compliance standards*,
- Comply with TSCA Title VI (CARB) standards,
- and can contribute to U.S. Green Building's LEED Program.

To learn more, simply go to www.IndianaFurniture.com/resources.

Ease of Specification

Whether you're looking to specify your office spaces or simply to visualize them in the options and surface materials you are desiring, we make it easy. You can find the entire Indiana Furniture portfolio on the following third-party, space-planning platforms.

** Recently launched or new products may still be in testing; Cush Pillows is currently not BIFMA Compliant due to no available compliance test.*

GENERAL INFORMATION & CONDITIONS OF SALE

ORDERING INFORMATION

All orders should be emailed to **neworders@indianafurniture.com**.
Orders can be faxed to 812-482-9035 or mailed to:

Indiana Furniture
P.O. Box 270
1224 Mill Street
Jasper, IN 47547-0270

ORDER PROCEDURE

All orders must include purchase order number, billing address, ship-to address and phone number, and any special instructions.

When ordering casegoods or tables, give complete quantity, model number, finish and any other options.

When ordering seating, give complete quantity, model number, finish, fabric and any other options.

Within each series, an example of "How to Order" is illustrated at the beginning of each series section. For further clarification of order procedure, contact Customer Service.

PRICING

All prices shown are suggested retail prices F.O.B. Point of Origin, freight prepaid and allowed to one continental US destination. Prices, specifications and materials are subject to change without notice. Possession and/or distribution of this price list does not in itself constitute an offer to sell. Orders can be received only from authorized Indiana Furniture dealers. Orders will be billed at prices prevailing at time of shipment, unless acknowledged prior to the effective date of the price change, in which case billing will be at the price acknowledged.

ACKNOWLEDGMENT

All orders will be acknowledged promptly, showing how the order was entered, its approximate shipping date and other pertinent information. This acknowledgment is the final agreement between the customer and Indiana Furniture and is the exclusive statement of the terms thereof. Please examine this acknowledgment carefully and advise Indiana Furniture immediately of any discrepancies.

BUYER'S OBLIGATION: RIGHTS OF SELLER

If Indiana Furniture shall at any time doubt Buyer's financial responsibility, Indiana Furniture may decline to make shipments hereunder except upon receipt of cash payment in advance or security or other proof of responsibility satisfactory to Indiana Furniture. If buyer fails in any way to fulfill the terms and conditions set forth herein, Indiana Furniture may defer shipments until such default is corrected. Remedies provided herein shall be in addition to, and not in lieu of other remedies. Buyer agrees to abide by payment terms as listed on invoice. Buyer shall pay all reasonable costs and expenses, including attorney and collection fees, and late fees, incurred by Seller in connection with any amounts due for goods ordered.

CANCELLATIONS AND CHANGES

Due to immediate production on build-to-order items, all orders are considered firm and are not subject to cancellation or change without approval from Indiana Furniture. All approved changes are subject to additional charges and revised lead times.

PRODUCT DESIGN AND SPECIFICATION CHANGES

Indiana Furniture reserves the right to make changes in design and construction or discontinue products without prior notice.

REPAIR CHARGES

Indiana Furniture will only pay repair charges if Customer Service gives prior written authorization. No repair charge will be paid without advance approval at which time you will be issued a repair authorization number that will allow you to invoice Indiana Furniture for the completed work.

WAREHOUSE STORAGE CHARGES

If a shipment is held beyond 14 calendar days at your request, **a .067% per calendar day** (2% per month) storage charge will be assessed. The effective date will be 14 calendar days after the acknowledged ship date. Further, the prices applied to the order will be those in effect at the time of shipment.

DAMAGED MERCHANDISE

The consignee is responsible for filing claims with the carrier for damage and shortages. Claims for both obvious and concealed damage must be filed within 15 calendar days, and the damaged merchandise must not have been moved from the original receiving location. All damaged merchandise, including the cartons and packing materials, must be retained for inspection by either the carrier or by an Indiana Furniture Sales Representative. Indiana Furniture reserves the right to select the most cost effective way to repair or replace the damaged item. Once you have notified the carrier, please contact Customer Service for further assistance.

Obvious Damage/Missing Cartons — Do not refuse merchandise damaged in transit. Indiana Furniture recommends the consignee inspect all merchandise upon arrival. If a shipment is received damaged or short, note all information on carrier's copy and your copy of freight bill and delivery receipt. Notify the delivering carrier and file a claim immediately. Pending the results of your claim, either Indiana Furniture or the carrier will cover 100% of the cost to repair or replace the damaged or missing item.

Concealed Damage — If concealed damage is discovered, notify the delivering carrier at once and request an inspection. This must be done within 15 calendar days of delivery. If the carrier will not perform the inspection, you should prepare an affidavit that you contacted them, noting the time and date, and that they failed to comply with your request. This, along with the other papers in your possession, will support the claim. Pending the results of your claim, the cost to repair or replace the item will be covered ⅓ by the carrier and ⅔ by Indiana Furniture for shipments less than a full truckload and 100% by Indiana Furniture for shipments of full truck loads.

RETURN MERCHANDISE

Merchandise will not be accepted for return without a RGA (Return Goods Authorization) issued by Indiana Furniture. We will consider issuing RGA's for the following reasons:

1. Manufacturing defect (inspected by Indiana Furniture representative)
2. Indiana Furniture order processing error
3. Shipping error
4. Mis-marked cartons
5. Duplicated shipments

If you have any questions as to whether your reason for return qualifies for consideration, please contact your Customer Service Representative. Merchandise must be returned within 60 days of the RGA issued date, or within 60 days upon receipt of replacement product to receive credit. Returns due to mis-marked cartons must also be returned in the original cartoning, with shipping labels intact, to receive credit.

All merchandise being returned must be properly packed and protected to ensure no further damage is incurred during transportation back to an Indiana Furniture facility. Upon receipt, all returned merchandise will be thoroughly inspected and the results compared to the reason for return stated on the RGA. Any discrepancies, such as additional damage, signs of usage, missing parts, etc., will result in an adjustment to the amount of credit issued.

DELIVERY AND FREIGHT CHARGES

All shipments are F.O.B. Point of Origin, Jasper, IN, freight prepaid and allowed dock to dock on 53' trailer. Ownership and responsibility of the merchandise becomes that of the buyer upon delivery to the freight company. Shipments into Alaska, Hawaii, Canada, Mexico, Puerto Rico and other exports are freight prepaid and allowed to port of exit.

Indiana Furniture reserves the right to select the most appropriate carrier and routing on all shipments. Indiana Furniture will attempt to accommodate requests for favored carriers and delivery times. Deliveries requested Monday through Thursday, after 3pm, will be assessed a $300 per truck after hours fee. Deliveries requested after 3pm on Friday or on weekends, will be assessed a $600 per truck weekend delivery fee.

Inside delivery and installation services are not included in the pricing shown. Any deviation from dock-to-dock delivery, such as but not limited to, non-dock, residential, or inside delivery must be specified on the order. Should these services be requested or required, all charges incurred will be charged to the "Sold To" of the order.

Shipments totaling less than $3000 (net value, product only) will be assessed a small order fee of $300 net per shipment. This fee will be reduced for items shipped via small package carriers. For order shipments of $100 or less, shipped by small package carrier, the fee is $18. For order shipments over $100, shipped by small package carrier, the fee is $40.

BIFMA AND ANSI TESTING

Indiana Furniture is a member of the Business and Institutional Furniture Manufacturer's Association (BIFMA). Tests developed by the BIFMA and approved by the American National Standards Institute (ANSI) determine the strength and durability of casegoods and seating in its everyday use. Although this testing does not serve as a warranty or guarantee, Indiana Furniture products within this price list have been tested by an independent verifying body and meet or exceed applicable BIFMA and ANSI standards.

Indiana
FURNITURE

Warranty

Subject to the limitations set forth in this warranty, Indiana Furniture Industries, Inc. ("**Indiana Furniture**") warrants to the original purchaser all product in this price list ("**Product**") to be free from defects in material and workmanship given normal use for a 12-year period from the date of manufacture. During the applicable warranty period, Indiana Furniture, as its sole obligation, will repair or replace (in Indiana Furniture's sole discretion) any Product, part, or component covered by this warranty and sold after August 1, 2022, which fails under normal use as a result of a defect in material or workmanship. Normal use is defined as the equivalent of a single shift, 40-hour work week. Indiana Furniture will repair or replace the defective Product, part, or component with a comparable Product, part, or component.

Warranty periods are limited for certain Products and parts as follows:

12-year Warranty (from the date of manufacture)
- Seating Mechanisms
- Veneers
- Laminates
- Casters and Glides

7-year Warranty (from the date of shipment)
- Pneumatic Table Lift
- Electric Table Lift

5-year Warranty (from the date of manufacture)
- Triple Play Series
- Electrical Components
- Pneumatic Cylinders
- Textiles, Foam, and Decorative Trim
- Swivel Arm Pads
- Keyboard Kits
- Lighting
- All Height Adjustable Mechanisms

3-year Warranty (from date of shipment)
- Dock 950 Wireless Charger
- Dock 150 Wireless and USB Charger

THIS WARRANTY DOES NOT COVER:
- Damage caused by a carrier or third party
- Normal or routine wear and tear
- Appearance, durability, quality, behavior, colorfastness, or any other attribute of customer's own materials or any non-standard Indiana Furniture material (including CF Stinson, Maharam, Momentum, Mayer, UltraFabrics, Architex, and other alliance programs) specified by the customer and applied to a Product
- Color, grain or texture of wood, laminate and other covering materials
- Changes in wood or fabric color due to aging or exposure to light

As the manufacturer of the Product, Indiana Furniture stands behind its craftsmanship and pledges to do everything it can to reasonably resolve, as quickly as possible, any problems you may have with the Product within the terms and conditions of this warranty.

If you encounter a defect covered by the foregoing warranty, contact the dealer from whom you purchased the Product. If the dealer is unable to resolve your warranty issues, you should contact Indiana Furniture. Please ensure that you have all of the pertinent facts when contacting the dealer or Indiana Furniture, including the model number and factory order number from the inspection label attached to the Product.

INDIANA FURNITURE IS NOT PROVIDING, AND SPECIFICALLY DISCLAIMS, ANY OTHER WARRANTIES FOR THE PRODUCTS, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. INDIANA FURNITURE SHALL NOT BE LIABLE TO THE PURCHASER OR ANY THIRD PARTY FOR CONSEQUENTIAL, INCIDENTAL, INDIRECT, OR SPECIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, DAMAGES ARISING OUT OF OR RESULTING IN ANY MALFUNCTIONS, DELAYS, LOSS OF PROFIT, INTERRUPTION OF BUSINESS, PERSONAL INJURY, BODILY INJURY, DEATH, DISMEMBERMENT, OR PROPERTY DAMAGE.

FURNITURE

General Seating Information

GRADED-IN PROGRAMS

As a special service to our customers, Indiana Furniture has graded-in upholsteries from multiple fabric partners.

For the entire list of graded-in patterns, memo sample information and contact information, please see the list below and the COM/COL Graded-In seaction for more details.

- Anzea
- Arc-Com
- Architex
- CF Stinson
- Camira
- Carnegie
- Concertex
- Cortina
- Designtex
- Guilford of Maine
- Green Hides
- KnollTextiles
- Maharam
- Mayer
- Momentum
- Pallas Textiles
- Spradling
- Ultra Fabrics

PHOTOGRAPHIC FABRIC CARDS

The fabrics represented on Indiana Furniture photographic cards were reproduced using the finest technology available. Each Indiana Furniture photo card has an 800 phone # for your use while ordering free fabric swatches or samples. Please verify your desired fabric before ordering as such orders are not subject to return to Indiana Furniture.

FABRIC REPEATS

Indiana Furniture will make every attempt to match obvious patterns within a single chair from the seat to the back, vertically and horizontally.

Matching fabric patterns from chair to chair may require extra yardage and must be noted on the order to avoid delays in shipments. If the order will require COM to be matched from chair to chair, please contact Customer Service at 800-422-5757 to optimize the yardage for multiple quantities and pattern matching.

FRAMES & GLIDES

All wood frame chairs feature kiln-dried hardwoods which are double-doweled, securely glued, and screwed for maximum joint stability.

Guest chairs ship with nylon glides as standard. Felt glides (FELT) are also available on many of our wood Guest Chairs at no additional charge. Must be specified on the order.

UPHOLSTERY FOAM

All Indiana Furniture chairs consist of a high grade polyurethane foam that meets CAL 117-2013.

FINISH

Indiana Furniture standard seating finishes correspond to casegoods and conferencing finishes and laminates. Minor variations in finish color and value may occur due to the natural characteristics of wood. Consult this price list for specific finish availability within each series.

Special Finishes: Indiana Furniture is able to accommodate our customer's needs for specific finish matches. Please submit a 3"x5" sample panel to Customer Service for quotation and lead time.

FINISH CONTINUED

All Indiana Furniture Chairs feature a catalyzed varnish finish which offers lasting beauty and resistance to normal wear.

Tables will feature our UVAdvantage finish or a catalyzed varnish finish. See individual series for specific information.

An overview of our finishes and laminate options can be found on the inside of the back cover of this price list.

CASTERS & NAIL TRIM

Indiana Furniture contemporary swivel chairs are standard with black hooded dual wheel carpet casters.

All Indiana Furniture traditional seating has brass accents (casters and nail trim) where applicable. Silver accents are available. Please specify (SLVR) at no additional charge.

In addition, some of our traditional seating is available with no nail trim as requested (NONT) at no additional charge. Must be specified on order.

CONTROL OPTIONS

See individual series within this price list for control options and pricing.

Knee-Tilt Control
The Knee-Tilt control features a heavy-duty torsion bar or a spring tension control which allows variable tension for different body sizes and weights, and minimal rise of the seat's front edge. This allows the user's feet to remain planted while reclining to a relaxing position.

CAL 133 CERTIFICATION

California Technical Bulletin 133 (TB133 or CAL133) is a composite fire test for fully-assembled seating manufactured for use in certain public buildings. As such, the certification is specific to the fabric that is used in conjunction with the frame and the barrier. Many Indiana Furniture seating products, in combination with some of our standard fabrics, can be manufactured to meet the requirements for certification. Depending on the frame style, a fire-retardant barrier or fire-retardant foam will be incorporated in the chair construction to provide the best opportunity for a successful CAL133 burn test.

The cost of the test is $1021 (net) which includes the test, freight to the test facility and the fully-assembled test sample. Once payment has been made, please allow approximately 6–8 weeks for the production of the chair and the completion of the test. Once we receive the successful certification, the order may be placed allowing for 1 week extra lead time using the "CAL" prefix on the model number with an upcharge of $154 list per chair. Please contact Customer Service at 800.422.5727 to order the test.

If you do not need the actual Certification, but wish to have the chairs manufactured to meet the regulation, we can upholster the chair using the fire-retardant components at the $154 list upcharge per chair. Please order the appropriate frame allowing for 1 week extra lead time, using the "CAL" prefix in front of the model number.

Please note that if you wish to have Certification on a COM material, Indiana Furniture must approve the fabric according to the COM policy as well.

Indiana FURNITURE

AMERY™
SWIVEL + GUEST SEATING (150 SERIES)

Alluring curves, optional tufted craftsmanship, intricate wood detailing, and precisely placed trim nails make Amery a showpiece of fine traditional design. Swivels feature swivel-tilt control with pneumatic height adjustment. Solid hardwood frames provide for a smooth and radiant finish.

CONSTRUCTION

- Exposed wood components are manufactured using select maple and are free of spirits, discoloration, pits, shakes, and wormholes
- All chair joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- All seats feature corner blocking
- Frames are individually hand assembled and sanded prior to being finished
- Non-marring nylon glides included in each leg at floor level
- If applicable, caster options include hooded casters available in black, brass and silver or choose black soft casters for hard surfaces
- High Grade Polyurethane Foam, 1½" thick in the seat and back
- Textiles are sewn with double stitch seams
- High quality sinuous springs with weight distribution rods ensure a comfortable seating application
- Ships fully assembled

Indiana FURNITURE

BAILEY

SWIVEL, GUEST, LOUNGE + TABLES (720 SERIES)

From lounge areas to private offices to conference settings, the Bailey Collection can make a statement. Single seat chairs are available with a pedestal base, swivel base with casters, and four leg base. Two seat settees and three seat sofas are available in straight or angled frames to stimulate the conversation. Bailey tables are offered in a wide range of veneers and laminates with two edge profiles, while seating options are available in contrasting upholsterys. The stylish ottoman finishes out the collection.

CONSTRUCTION

- High Grade Polyurethane Foam, 2¼" thick in the seat and 1 - 1¼" in the tapered back
- Bases for both seating and tables are manufactured using steel frames with a chrome finish
- The wood veneer tops are made of select grade sliced Black Walnut, Cherry, Maple, or composite veneers for maximum grain and color consistency
- Veneer tops are ¾" with 1mm veneer edge bands
- Laminate tops are ¾" with 1mm PVC edge bands
- Chairs and tables ship fully assembled

Indiana FURNITURE

BAKERSTREET
LOUNGE SEATING (400 SERIES)

Bakerstreet Lounge boasts a traditional rolled arm design that will complement a variety of working styles. The thick seat cushion coupled with high-gauge sinuous springs make this series extraordinarily comfortable, while the welt cord and nail trim showcase the detail and craftsmanship that goes into every model. Whether you looking to outfit the front entrance, an executive office, private nook, or anything in between, Bakerstreet portrays the level of distinguished sophistication you are looking for.

CONSTRUCTION

- Frames are kiln-dried hardwoods and structurally engineered hardwood plywood
- Exposed wood frame members are selected from the highest grades of hardwoods and are free of spirits, discoloration, pits, shakes, and wormholes; European Beech on legs
- Joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- High Grade Polyurethane Foam, 3¼" thick in the seat and 2" in the back
- Non-marring adjustable nylon guides included in each leg at floor level
- High gauge sinuous springs ensure a comfortable seating application
- Features nail trim on front and back side of arm
- Ships fully assembled

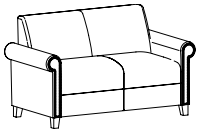
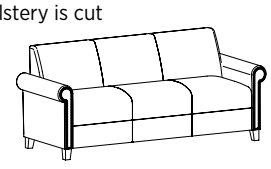
UPHOLSTERY OPTIONS

Available in single upholstery in a wide variety of graded-in or contract options, including fabric, vinyl, and leather.

Some upholsteries are considered directional, such as stripes, patterns and plaids. Each upholstery is reviewed by production for the best application. Some upholsteries may require the pattern to be cut up the roll, which create additional seams in the seats and backs of select units. See the COL/COM Form for additional details.

Additional seams for the 4002 Settee and 4003 Sofa when upholstery is cut up the roll.





WOOD FINISHES

Indiana Furniture uses a multi-step, hand finishing process on all exposed wood frames.

Chairs feature a catalyzed varnish finish which offers durability, lasting beauty, and resistance to normal wear.

Indiana FURNITURE

BOW TIE™

GUEST SEATING + STOOLS (170 SERIES)

The Bow Tie collection harmonizes classic design with modern panache. Combining elegance and grace with scale, proportion, and functionality, these stackable guest chairs are offered in a wood slat back, half upholstered back, and a fully upholstered back with the ability to stack 4 chairs high. The companion counter height and bar stools are offered in the wood slat back with optional scuff plates in aluminum or black on the footrest.

CONSTRUCTION

- Exposed wood frames are manufactured using European Beech and are free of spirits, discoloration, pits, shakes, and wormholes
- All chair joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- All seats feature corner blocking
- Frames are individually hand assembled and sanded prior to being finished
- Non-marring nylon glides included in each leg at floor level
- High Grade Polyurethane Foam, 1½" thick in the seat and 1" thick in the back
- Textiles are sewn with double stitch seams
- High quality resilient sheet webbing ensures a comfortable seating application
- Ships fully assembled

Indiana FURNITURE

BREMAN™
SWIVEL + GUEST SEATING (180 SERIES)

Traditional splendor and elegant styling is showcased in Breman's stately and timeless wing-back presentation. Precisely placed trim nails, pillow headrest, Queen Anne legs, and button-tufted or plain back models add detail and versatility to this collection. Swivels feature swivel-tilt control with pneumatic height adjustment.

CONSTRUCTION

- Exposed wood components and chair frame are manufactured using European Beech and are free of spirits, discoloration, pits, shakes, and wormholes; base caps are manufactured using select maple
- All chair joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- All seats feature corner blocking
- Frames are individually hand assembled and sanded prior to being finished
- Non-marring nylon glides included in each leg at floor level
- If applicable, caster options include hooded casters available in black, brass and silver or choose black soft casters for hard surfaces
- High Grade Polyurethane Foam, 2" thick in the seat and back
- Textiles are sewn with double stitch seams
- High quality resilient sheet webbing ensures a comfortable seating application
- Ships fully assembled

Indiana FURNITURE

BRITTA™

GUEST, LOUNGE + TABLES (230 SERIES)

The Britta Collection showcases a Mid-Century Scandinavian aesthetic with an appealing contemporary feel. The guest, single lounge, and settee all feature a wall-saver design. Choose from an open or closed arm in an array of wood finishes, with complementing tables available in two edge styles, to create an inviting space with warm and energetic sensibility.

CONSTRUCTION

- High Grade Polyurethane Foam, 1¼- 2½" thick in the seat and 1½ -2½" in the tapered back
- The wood veneer table tops are 1" thick and are made of select grade sliced Walnut, Cherry, Maple, or composite veneers for maximum grain and color consistency
- The knife edge profile features a 5-ply balanced construction with a solid hardwood rim; the square edge profile features a 3-ply balanced construction with a 3mm veneer edge band
- The aprons and legs are solid maple hardwood and ship with adjustable glides
- Chairs and tables ship fully assembled

Indiana FURNITURE

CARRETA™
LOUNGE SEATING (440 SERIES)

Flexibility doesn't have to be complicated. With just a few shapely modular components, Carreta provides an array of highly functional, reconfigurable lounge and open meeting space options. Combine any of our standard upholsteries on benches with or without backrests. Unique tables help define the look and support portable technologies.

CONSTRUCTION

- Frames are ¾" particle board
- Non-marring nylon glides included in each leg at floor level
- High Grade Polyurethane Foam, 2½" thick in the seat and 1¾" thick in the back
- Textiles are sewn with double stitch seams
- Each model features a black stainless steel sled base with adjustable levelers
- Ships fully assembled

Indiana FURNITURE

CIRKA™
GUEST SEATING (200 SERIES)

The perfect companion for traditional casegoods, Cirka creates an enduring style of guest seating for office, lounge, or conference environments. Select caster models for easy mobility.

CONSTRUCTION

- Exposed wood components and chair frame are manufactured using European Beech and are free of spirits, discoloration, pits, shakes, and wormholes
- All chair joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- All seats feature corner blocking
- Frames are individually hand assembled and sanded prior to being finished
- Non-marring nylon glides included in each leg at floor level
- High Grade Polyurethane Foam, 1¾" thick in the seat and 2" thick in the back
- Textiles are sewn with double stitch seams
- High quality resilient sheet webbing ensures a comfortable seating application
- Ships fully assembled

Indiana FURNITURE

CLUTCH™
TASK + SWIVEL SEATING (580 SERIES)

For private office, conference, or in an open collaborative space, Clutch is designed to fit your exact need. Choose the height that fits the environment, the arm that supports the task, and the base that works best for the project. Contoured lumbar support and flexible suspension provide all day comfort. A selection of arm and base styles offer the right adjustment. Spec the appropriate final touches for highbrow environments or scale for casual office settings.

CONSTRUCTION

- Backs are formed with a steel tubular frame
- Seats are manufactured of plywood
- ⅜" diameter bolts fasten back to seat
- High Grade Polyurethane Foam, 3" thick in the seat and 1" thick in the back; seat polyurethane is a molded fabrication and is highly resilient
- Contoured seat with waterfall edge for ergonomic comfort
- Textiles are sewn with double stitch seams
- Ships fully assembled

Indiana FURNITURE

FIFTEEN LOUNGE

LOUNGE + TABLES BY EDGE DESIGN (15 SERIES)

Fifteen Lounge, created by Edge Design, is a mix of freestanding and modular components designed to create shared and private moments for a broad range of applications. With the ease and flexibility you desire, Fifteen fits today's needs.

CONSTRUCTION

- Lounge units are manufactured using Baltic Birch plywood for internal wood components and frame; individually hand assembled with joints mortised and tenoned, screwed, and glued for maximum strength and durability
- High Grade Polyurethane Foam, 2¼" thick in the seat and 1" thick in the back
- Lounge units connect using pre-installed metal ganging brackets (unless otherwise noted)
- View Tables feature square edge profile and are available in Veneer, HPL, and TFL
- Veneer table tops are 1⅜" thick with a 3mm veneer edge banding and are made of select-grade sliced Walnut, Cherry, Maple, or composite veneers for maximum grain and color consistency
- HPL tops are 1⅜" thick with a 3mm PVC edge bands
- TFL tops are 1" thick with a 3mm PVC edge bands
- Each unit includes non-marring, nylon adjustable glides
- Upholstered units ship fully assembled, while tables require some assembly

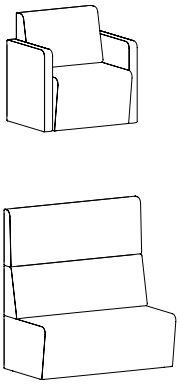
01-0603TVBR	1	TV Bracket	

UPHOLSTERY RECOMMENDATIONS

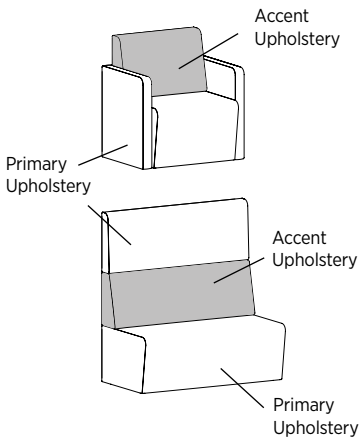
Available in single or contrasting upholsteries in a wide variety of graded-in or contract options, including fabric, vinyl, and leather.

When using contrasting upholstery, note that the Accent Upholstery will be shown on the front and back side of the unit.

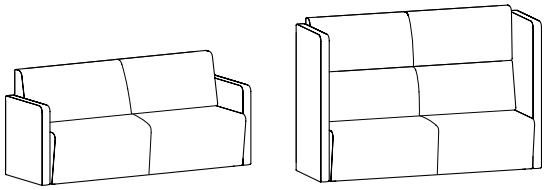
Single Upholstery



Contrasting Upholstery



Some upholsteries are considered directional, such as stripes, patterns and plaids. Each upholstery is reviewed by production for the best application. Some upholsteries may require the pattern to be cut up the roll, which create additional seams in the seats and backs of select units. See the COL/COM Form for additional details.



Additional seams for the three seat models (15-31N, 15-31L/R, 15-31LR, 15-32N, 15-32L/R and 15-32LR) when upholstery is cut up the roll.

Indiana FURNITURE

FIFTEEN LOUNGE

LOUNGE + TABLES BY EDGE DESIGN (15 SERIES)

CREATING A BOOTH

At the time of specifying Lounge units, we ask that you also designate whether or not you'll be creating a booth. Please note that some lounge units are not available for use when creating a booth.

To insure all necessary hardware is factory installed when creating a booth:

- Order the correct number of Lounge units to support the Center Panel specified:
  - Single-sided Center Panels require two Lounge units of any combination model/width
  - Dual sided Center Panels require four lounge units in any combination of model/width
- Each Lounge unit specified must indicate which end will connect to the Center Panel. Left end and right end are determined as you are standing looking at the Lounge unit. For example a single-sided Center Panel requires one Lounge unit specified as a left connection and one Lounge unit specified as right connection.
- Tables and TV Brackets must be ordered separately, however, the Center Panel must be ordered with the corresponding options for connection. Please pay close attention to the dual-sided Center Panels and how the options are specified for one or both sides.
- Tables are not freestanding and must be supported by a Center Panel.
- Keep users connected by specifying and ordering power/data units for the Lounge units and Table!

CENTER PANEL DESIGNATORS

Lounge units will be modified to accept Center Panels as specified. We ask that all Lounge units designate if a Center Panel will be used and which side of the unit will need to be attached. Left or Right location is based on facing the Lounge Unit.

Note: Center Panel must be ordered separately.

STD	No Center Panel
LEFT	Center Panel on Left
RIGHT	Center Panel on Right

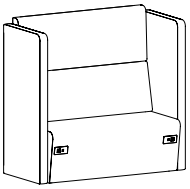
POWER/DATA OPTIONS

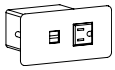
Note: Specified by Facing the Pod

Power ports are installed on the front of the unit 11¼" up from glide and 6⅝" in from the outside of the arm. Armless units have power ports are installed on the front of the unit 11¼" up from glide and 3¾" in from the outside of the unit.

Each Power Port comes with 1 Outlet and 2 USB

ECSL	ECA Cove, Left Port, Silver (1 Unit)	$ 915
ECSR	ECA Cove, Right Port, Silver (1 Unit)	$ 915
ECSLR	ECA Cove, Left and Right Port, Silver (2 Units)	$ 1830
ECBL	ECA Cove, Left Port, Black (1 Unit)	$ 915
ECBR	ECA Cove, Right Port, Black (1 Unit)	$ 915
ECBLR	ECA Cove, Left and Right Port, Black (2 Units)	$ 1830





ECA Cove

Power installed on front left and/or front right

CENTER PANEL TABLE OPTIONS

When ordering a Center Panel, we ask that you also designate whether or not you plan to use a View Table with it. This will ensure that the table attachment bracket and a grommet are factory installed for your convenience.

Note: Table must be ordered separately.

SINGLE-SIDED CENTER PANELS:

NO TBLBKT	No Table Bracket
TBLBKT	Table Bracket

DUAL-SIDED CENTER PANELS:

NO TBLBKT	No Table Bracket
L-TBLBKT	Table Bracket on Left Side
R-TBLBKT	Table Bracket on Right Side
LR-TBLBKT	Table Bracket on Left & Right Sides

CENTER PANEL TV ATTACHMENT OPTIONS

When ordering a High Center Panel, we ask that you also designate whether or not you plan to use a TV with it. This will ensure that the attachment hardware and a grommet are factory installed for your convenience. The Bracket and Grommet are always centered. TV Bracket not available on Low Center Panels.

Note: Actual TV Bracket must be ordered separately.

SINGLE-SIDED CENTER PANELS:

NO TVBKT	No TV Bracket
TVBKT	TV Bracket

DUAL-SIDED CENTER PANELS:

NO TBLBKT	No Table Bracket
L-TBLBKT	Table Bracket on Left Side
R-TBLBKT	Table Bracket on Right Side
LR-TBLBKT	Table Bracket on Left & Right Sides

Note: If you are using a TV Bracket, we do not recommend using a TV larger than 40"

Indiana FURNITURE

FIFTEEN PODS

PODS + TABLES BY EDGE DESIGN (15 SERIES)

Fifteen Pods, another line inspired by Edge Design, provides users with a personal getaway space, private meeting, or collaboration location, and can be placed anywhere in a facility. Designed around the science of acoustics, Fifteen Pods helps to keep conversations contained within and external noises out.

CONSTRUCTION

- Pods are manufactured using Baltic Birch plywood for internal wood components and frame; individually hand assembled with joints mortised and tenoned, screwed, and glued for maximum strength and durability
- High Grade Polyurethane Foam, 2¼" thick in the seat and 1" thick in the back
- View Tables feature square edge profile and are available in Veneer, HPL, and TFL
- Veneer table tops are 1³⁄₁₆" thick with a 3mm veneer edge banding and are made of select-grade sliced Walnut, Cherry, Maple, or composite veneers for maximum grain and color consistency
- HPL tops are 1³⁄₁₆" thick with a 3mm PVC edge bands
- TFL tops are 1" thick with a 3mm PVC edge bands
- Each unit includes non-marring, nylon adjustable glides
- Upholstered units ship fully assembled, while tables require some assembly

HOW TO ORDER EXAMPLES

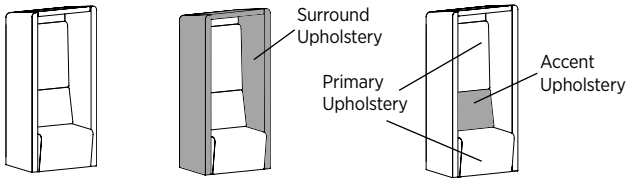
01-0603TVBR	1	TV Bracket	

UPHOLSTERY RECOMMENDATIONS

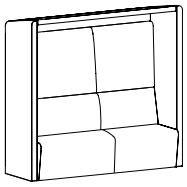
Available in single or contrasting upholsteries in a wide variety of graded-in or contract options, including fabric, vinyl, and leather.

When using contrasting upholstery, note that the Accent Upholstery will be shown on the front and back side of the unit.

Single Upholstery **Contrasting Upholstery**



Some upholsteries are considered directional, such as stripes, patterns and plaids. Each upholstery is reviewed by production for the best application. Some upholsteries may require the pattern to be cut up the roll, which create additional seams in the seats and backs of select units. See the COL/COM Form for additional details.



Additional seams for the 15-33 when upholstery is cut up the roll.

CREATING A BOOTH

At the time of specifying a Pod, we ask that you also designate whether or not you'll be creating a booth.

To insure all necessary hardware is factory installed when creating a booth:

- Order the correct number of Pods to support the Center Panel specified. Single-sided Center Panels require two Pods of any combination model/width
- Each Pod specified must indicate which end will connect to the Center Panel. Left end and right end are determined as you are standing looking at the Pod. For example a single-sided Center Panel requires one Pod specified as a left connection and one Pod specified as right connection.
- Tables and TV Brackets must be ordered separately, however, the Center Panel must be ordered with the corresponding options for connection.
- Tables are not freestanding and must be supported by a Center Panel.
- Keep users connected by specifying and ordering power/data units for the Pods and Table!

Indiana FURNITURE

FIFTEEN PODS

PODS + TABLES BY EDGE DESIGN (15 SERIES)

CENTER PANEL DESIGNATORS

Pods will be modified to accept Center Panels as specified. We ask that all Pods designate if a Center Panel will be used and which side of the Pod will need to be attached. Left or Right location is based on facing the Pod.

Note: Center Panel must be ordered separately.

STD	No Center Panel
LEFT	Center Panel on Left
RIGHT	Center Panel on Right

CENTER PANEL TABLE OPTIONS

When ordering a Center Panel, we ask that you also designate whether or not you plan to use a View Table with it. This will ensure that the table attachment bracket and a grommet are factory installed for your convenience.

Note: Table must be ordered separately.

NO TBLBKT	No Table Bracket
TBLBKT	Table Bracket

POD POWER/DATA OPTIONS

Note: Specified by Facing the Pod

Power ports are installed on the front of the unit 11¼" up from glide and 6⅝" in from the outside of the arm.

Each Power Port comes with 1 Outlet and 2 USB

Power installed on front left and/or front right

CENTER PANEL TV ATTACHMENT OPTIONS

When ordering a Center Panel, we ask that you also designate whether or not you plan to use a TV with it. This will ensure that the attachment hardware and a grommet are factory installed for your convenience. The Bracket and Grommet are always centered.

High Center Panels feature optional High TV bracket which allows for use a larger TV.

Note: Recommend using TVs up to 40". Actual TV Bracket must be ordered separately.

NO TVBKT	No TV Bracket
TVBKT	TV Bracket (Placed at 42"H)
HI-TVBKT	High TV Bracket (Placed at 60½"H)

Indiana FURNITURE

GLEEM™

GUEST + BARIATRIC SEATING (390 SERIES)

Experience the staying power of classic design paired with keen, modern interiors. Available in three arm styles, fully-upholstered or with clean out backs, and in standard and bariatric sizes, Gleem's proven steam bending technique and handcrafted construction create a long lasting, superior chair. Create the perfect look, and provide lasting comfort for a diverse range of users. Bariatric models support users up to 400lbs. And the entire collection features a wall saver design, preventing the chair back from hitting and marring walls.

CONSTRUCTION

- Exposed wood components are manufactured using European Beech and are free of spirits, discoloration, pits, shakes, and wormholes
- All chair joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- Frames are individually hand assembled and sanded prior to being finished
- Non-marring nylon glides included in each leg at floor level
- High Grade Polyurethane Foam, 1½" thick in the seat and 1" thick in the back
- High quality resilient sheet webbing ensures a comfortable seating application
- Ships fully assembled

Indiana FURNITURE

HALSTED™
GUEST SEATING (160 SERIES)

Carved arm accents and optional button tailoring make Halsted a handsome and versatile addition to office, lounge, or conference environments. Select caster models for easy mobility.

CONSTRUCTION

- Exposed wood components and chair frame are manufactured using European Beech and are free of spirits, discoloration, pits, shakes, and wormholes
- All chair joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- All seats feature corner blocking
- Frames are individually hand assembled and sanded prior to being finished
- Non-marring nylon glides included in each leg at floor level
- High Grade Polyurethane Foam, 2" thick in the seat and 1½" thick in the back
- Textiles are sewn with double stitch seams
- High quality resilient sheet webbing ensures a comfortable seating application
- Ships fully assembled

Indiana FURNITURE

INSPIRATION™
GUEST, TANDEM + TABLES (480 SERIES)

Inspiration is designed to bring function and style to open workspaces. Tandem sections in one, two, or three seats combine with corner and straight tables to work in all spaces. Freestanding guest, bariatric, lamp and magazine tables, and a bench complete the line. Available in full and half upholstered backs (with a curved appeal!). Bariatric models tested for users up to 400lbs.

CONSTRUCTION

- Exposed wood components are manufactured using European Beech and are free of spirits, discoloration, pits, shakes, and wormholes
- All chair joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- Frames are individually hand assembled and sanded prior to being finished
- Non-marring nylon glides included in each leg at floor level
- High Grade Polyurethane Foam, 1½" thick in the seat and back
- High quality resilient sheet webbing ensures a comfortable seating application
- Seating ships fully assembled; some assembly required with tables

UPHOLSTERY OPTIONS

Available in single or contrasting upholsteries in a wide variety of graded-in or contract options, including fabric, vinyl, and leather.

Indiana FURNITURE

ISLA™
LOUNGE + TABLES (370 SERIES)

Open spaces really come together with the modular, ganging components from the Isla Lounge Collection. Create conversation settings or private areas by mixing components to fit the space and needs of the environment. Optional arm caps make Isla Lounge the solution for high traffic seating. Power and data options keep everyone working on-the-go.

CONSTRUCTION

- Exposed wood parts are kiln-dried hardwoods and structurally engineered hardwood plywood; selected from the highest grades of hardwoods and are free of spirits, discoloration, pits, shakes, and wormholes; European Beech on legs and arm caps
- Joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- High Grade Polyurethane Foam, 3¼" thick in the seat and 2" in the back; Stretch webbing ensures a comfortable seating application
- Non-marring adjustable nylon guides included in each leg at floor level
- Ganging and Freestanding Table Surfaces are ¾" thick with a square edge profile; Available in TFL (T), Veneer (W) and Solid Surface (S)
- Tablet Arm Surfaces are ¾" thick with a square edge profile; Available in Black Melamine, Veneer (W) and Solid Surface (S)
- Bistro/Stadium Table feature a 42½"H surface with a square edge profile and are available with 1" thick HPL (P) and TFL (T) surfaces and 1⅜" Veneer (W) surfaces
- Bistro/Stadium Tables are partially installed with exposed nickle plated hardware, black hardware also included; some assembly required
- Bistro/Stadium Tables feature horizontal/left-to-right grain direction on backpanel and worksurface; TFL backpanel available with TFL or HPL worksurface and Veneer backpanel available with Veneer or HPL worksurface; Backpanel and worksurface may be specified in contrasting colors
- Seating units ships fully assembled

Indiana FURNITURE

JOY™

TASK + SWIVEL SEATING (850 SERIES)

The Joy family of seating is both stylish and highly adjustable. Choose from task chairs or stools, mesh or upholstered backs, six arm or armless styles. Find the perfect fit with a back height adjustment, lumber support, seat slider, and standard or synchro-tilt controls. Joy is rated for up to 400lbs, making this series the go-to for a diverse range of users, as well as a broad range of applications and styles.

CONSTRUCTION

- Backs are formed with a steel tubular frame with black or white mesh or plywood fully upholstered
- Seats are manufactured of plywood with molded foam, 3" thick in the seat and 1" thick in upholstered backs
- Contoured seat with waterfall edge for ergonomic comfort
- Adjustable backs feature 5-position ratchet adjustment for personalization
- Lumbar adjustment features 4 positions
- Pneumatic lift for simple and easy seat height adjustment
- Synchro tilt control features back tilt, multi-angle and locking recline, tension control
- Seat slider is standard on upholstered back models and optional on mesh back models
- Black polyurethane arms with chrome accent, where applicable
- Black nylon or polished aluminum five star base
- Ships fully assembled
- Rated for up to 400lbs

Indiana FURNITURE

KENNERLY™
SWIVEL + GUEST SEATING (130 SERIES)

Handsome styling with elegant detailing makes Kennerly a mainstay for today's traditional environments. Precisely placed trim nails and button-tufted or plain back models complete the line. Swivels feature swivel-tilt control with pneumatic height adjustment.

CONSTRUCTION

- Exposed wood components and chair frame are manufactured using European Beech and are free of spirits, discoloration, pits, shakes, and wormholes; base caps are manufactured using select maple
- All chair joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- All seats feature corner blocking
- Frames are individually hand assembled and sanded prior to being finished
- Non-marring nylon glides included in each leg at floor level
- If applicable, caster options include hooded casters available in black, brass and silver or choose black soft casters for hard surfaces
- High Grade Polyurethane Foam, 1½" thick in the seat and back
- Textiles are sewn with double stitch seams
- High quality sinuous springs with weight distribution rods ensure a comfortable seating application
- Ships fully assembled

Indiana FURNITURE

KICKSTART™
LOUNGE + TABLES (550 SERIES)

A modern collection designed to address a wide range of applications for today's social work-places and community spaces. KickStart's flexible lounge and table offerings combine with collaborative elements to create inviting spaces for people to gather, work, re-energize, and learn.

The collection's classic forms and refined scale are enhanced through precise details, tailored upholstery and a horizontal stitch detail. Two back styles, with or without a pillow, combine with upholstery options to create a versatile aesthetic ranging from sophisticated to casual.

CONSTRUCTION

- Internal wood components and frame are manufactured using Baltic Birch and European Beech
- Frames are individually hand assembled, and all chair joints are mortised and tenoned, screwed and glued for maximum strength and durability
- Metal legs are 9"H and are available in Aluminum or Chrome
- Non-marring Nylon Glides included in each leg at floor level
- High Grade Polyurethane Foam, 3½" thick in the seat and 2" thick in the back
- Optional Accent Pillow Backs, measuring 22½" x 3¼" x 13½" are attached with a nylon hook and loop material
- Modular units and tables connect using pre-installed metal ganging brackets
- Upholstered units ship fully assembled, while tables may require some assembly
- Tablet Arm surface measures 10" x 14" x 1"
- Tablet Arm surface and Tables feature Square edge profile

	Power/Color/Location	PWRUSBA

UPHOLSTERY RECOMMENDATIONS

Available in single or contrasting upholsteries in a wide variety of graded-in or contract options, including fabric, vinyl, and leather.

The use of upholstery patterns and stripes is highly discouraged as they may result in alignment issues.

HIGH SURROUND UPHOLSTERY OPTIONS

To ensure a proper fit and finish on the High Surround feature of the KickStart models, we will require upholsteries to fit within a specific range of stretch. To make specification easier for you, we have pre-approved upholsteries for the High Surround feature. These are included on the Stinson Color Story Card and can be found at www.IndianaFurniture.com. They include:

Ace (24 Colorways) - GR3
Blip (17 Colorways) - GR3
Bryant Park (15 Colorways) - GR2
Highlight (14 Colorways) - GR3
Inside Track (17 Colorways) - GR3
Pivot (15 Colorways) - GR3
Refraction (12 Colorways) - GR3
Shift (16 Colorways) - GR3
Sprint (19 Colorways) - GR2

All other Upholsteries need approval prior to application. See the Approval Form for more information.

Indiana
FURNITURE

KICKSTART™
HIGH SURROUND APPROVAL FORM

This form is also available online at www.IndianaFurniture.com on the KickStart product page.

Not all standard upholsteries are suitable for all of our products. This is due to the range of stretch across textiles and the application and sewing techniques required to effectively upholster the various forms and features.

To ensure a proper fit and finish on the High Surround feature of our KickStart lounge models, we will require upholsteries to fit within a specific range of stretch. Further, upholstery patterns and stripes are highly discouraged on the High Surround as they will result in alignment issues on the feature itself and with other sections of the overall model.

To make specification easier for you, we have pre-approved upholsteries for use on the High Surround feature. These are included on the Stinson Color Story Card and can be found at www.indianafurniture.com/textiles. They include:

- Ace (24 colorways) - GR3
- Blip (17 colorways) - GR3
- Bryant Park (15 colorways) - GR2
- Highlight (14 colorways) - GR3
- Inside Track (17 colorways) - GR3
- Pivot (15 colorways) - GR3
- Refraction (12 colorways) - GR3
- Shift (16 colorways) - GR3
- Sprint (19 colorways) - GR2

We recognize that special needs may arise and we are pleased to accommodate customer selections, as long as they are approved through the below process.

Note: if upholstery is customer's own, a COM/COL Form will also need to be completed.

KICKSTART HIGH SURROUND APPROVAL INSTRUCTIONS:

Fill out the form below and attach a 6″x6″ sample. Failure to complete this form and supply samples will delay the scheduling of the purchase order. Orders will not be scheduled and upholstery should not be ordered until Indiana Furniture has verified usage and provided approval.

MARQUEE™
GUEST SEATING (420 SERIES)

Marquee guest seating combines the sleek look and feel of metal with unlimited flexibility. The ergonomic contoured back provides lumbar support and promotes circulation. Offered in five powder coat options and with upholstered or wood arm caps. Marquee can blend into any workplace setting – from office and conference rooms to waiting rooms and reception areas.

CONSTRUCTION

- Back is formed with bent plywood, while the seats are made of manufactured plywood
- High Grade Polyurethane Foam, 3" thick in the seat and 1¾" thick in a back
- ⅜" diameter bolts fasten seat to the back
- Non-marring nylon glides included in each leg at floor level
- Textiles are sewn with double stitch seams
- Ships fully assembled

Indiana FURNITURE

ME, MYSELF & I

GUEST, LOUNGE + TABLES BY EDGE DESIGN (MMI SERIES)

In partnership with Edge Design, a UK-based company, we welcome Me, Myself & I.

With the growth of open and breakout areas in the working environments, Me, Myself & I provides a relaxed and collective seating solution. Guest/Lounge seating is available in two back heights and contrasting fabrics. Add one of the perfectly matching tables to complete your setting.

CONSTRUCTION

- Internal wood components are manufactured using Baltic Birch and exposed parts are European Beech
- All chair joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- Frames are individually hand assembled and sanded prior to being finished; Legs are 9¾"H on the seating and rectangular table and 14"H on the square table
- High Grade Polyurethane Foam, 3¼" thick in the seat and 2" thick in the back
- Non-marring nylon glides included in each leg at floor level
- Tables have 1½" thick HPL surface with 1½ mm PVC edge band and Square edge profile
- Ships fully assembled

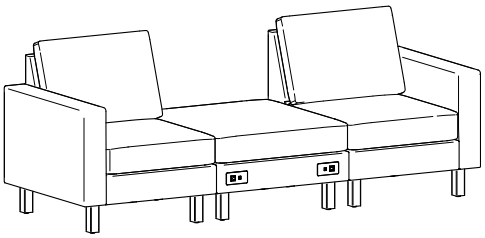
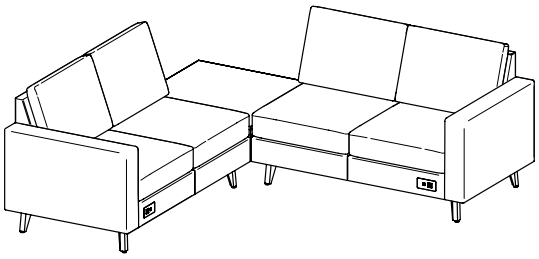
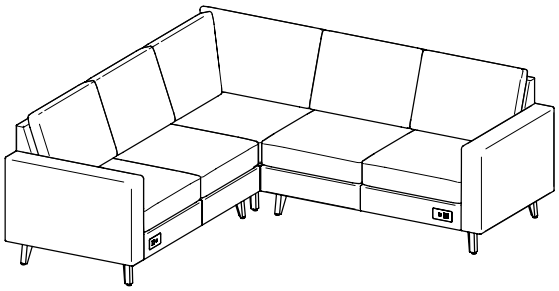
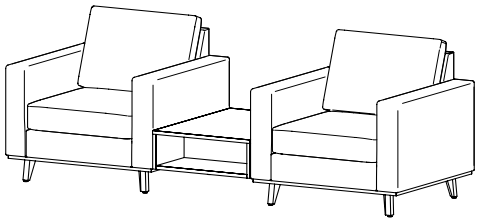
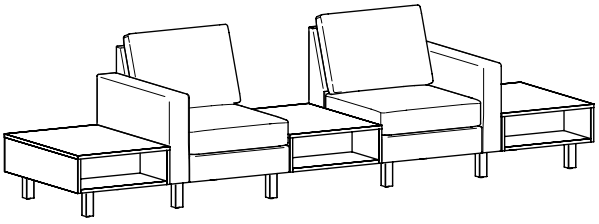
IDEA STARTERS

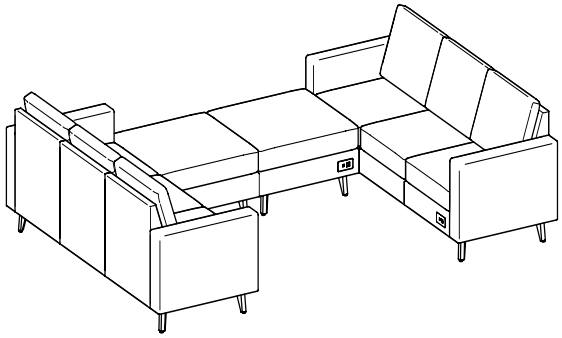


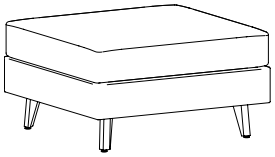






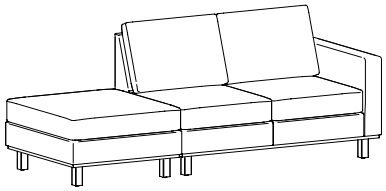




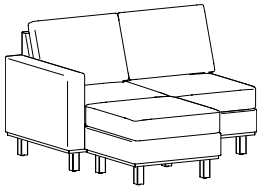


620-3133OT: Ottoman Project Ideas

Set the 31"x33" ottoman to the side of a single, two or three seat unit and match the depth of the arm or set it in front of a corner or one arm unit and it matches the seat and arm width to create a chaise lounge application.



Ottoman matches depth of unit



Ottoman matches seat width to create a chaise lounge

Indiana FURNITURE

POLKA

MODULAR LOUNGE BY EDGE DESIGN (PLK SERIES)

Designed by Jason Lansdale in conjunction with our UK partner, Edge Design, Polka is a flexible and fun modular seating range with soft curves and gentle waterfall seat edges. Its low, wide stance and asymmetric shapes provide a striking alternative for sitting, relaxing, and touchdown working. Perfect for lobbies, atriums, and collaboration ares.

CONSTRUCTION

- Internal wood components and frame are manufactured using Baltic Birch plywood; frames are individually hand assembled, and all joints are mortised and tenoned, and glued for maximum strength and durability
- Legs are constructed of European Beech; Leg is 1¾"W x 10½"D 8¾"H with glide, Foot is 2¼"D
- High Grade Polyurethane Foam, 3⅜" thick
- Includes non-marring, nylon adjustable glides
- Ships fully assembled

HOW TO ORDER EXAMPLE

Model No.	Description	Example
PLK01L	Leg Finish	BW
	Upholstery	CF Stinson Round Trip Energy

UPHOLSTERY OPTIONS

Available in single upholstery. Select from a wide variety of graded-in or contract options, including fabric, vinyl, and leather.

Upholstery is applied across the roll and Indiana Furniture will make every attempt to apply the upholstery in the same direction on multiple pieces while making the best use of the yardage supplied.

LEG WOOD FINISHES

Indiana Furniture uses a multi-step, hand finishing process on all exposed wood.

Chairs feature a catalyzed varnish finish which offers durability, lasting beauty, and resistance to normal wear.

Indiana FURNITURE

POLKA
IDEA STARTERS + PLANNING

Polka offers five asymmetric shapes, availalbe in left and right models, to easily create extra seating or touchdown areas. The left or right model is determined by which side the longest diagonal is on when facing the longest straight side.

Indiana FURNITURE

ROCKSTAR

TASK + SWIVEL SEATING (100 SERIES)

Created for everyday use in every application, Rockstar features generous, contoured proportions and standout comfort for users of all sizes. With your choice of back, arm, and base options, weight-activated controls, and button detailing, this chair can rock any environment.

CONSTRUCTION

- Back and seat are manufactured of plywood
- High Grade Polyurethane Foam, 3" thick in the seat and 2" thick in the back; seat polyurethane is a molded fabrication
- Contoured back with integrated lumbar and seat with waterfall edge for maximum ergonomic comfort
- Upholstery features top stitch seams
- Arm options include black polyurethane T-arms, fixed aluminum or black polyurethane loop arms
- Black nylon or polished aluminum five star base
- Ships knocked down as standard or fully assembled (upcharge)
- Weight-Activated Control rated for users up to 325lbs, Swivel Tilt and Synchro Tilt Comfort Controls rated for users up to 275lbs

Indiana FURNITURE

RUNNA

POUFFES/LOUNGE BY EDGE DESIGN (RU SERIES)

With its combination of stylish design and distinctive upholstery, Runna Pouffes express luxury and elegance while being the perfect option for impromptu meetings, additional seating, or the fun component that completes a space. Available in Small and Large Sizes.

CONSTRUCTION

- Internal wood components and frame are manufactured using Baltic Birch plywood; frames are individually hand assembled, and all joints are mortised and tenoned, and glued for maximum strength and durability
- High Grade Polyurethane Foam, 1⅝" thick
- The small pouffe will have a black zipper to assist in creating a snug upholstery fit; this is not necessary on the large pouffe
- Includes non-marring, nylon adjustable glides
- Ships fully assembled

HOW TO ORDER EXAMPLE

Model No.	Description	Example
RU-4	Upholstery	CF Stinson Artisan Seaport

UPHOLSTERY OPTIONS

Available in single upholstery. Select from a wide variety of graded-in or contract options, including fabric, vinyl, and leather.

We recommend avoiding the use of obvious directional patterns due to Runna's multiple seams and panels.

Indiana Furniture will make every attempt to have the upholstery pattern going the same direction while making the best use of the yardage supplied.

Indiana FURNITURE

SPIRIT

GUEST, LOUNGE + TABLES BY EDGE DESIGN (S SERIES)

In partnership with Edge Design, a UK-based company, we welcome Spirit.

Spirit has a refined and inviting form and capitalizes on versatility and comfort. Offered with an outer upholstered or wood shell, adding elegance to the simplicity. Find your perfect fit with Options ranging from Spirit Lite to Spirit High Back Lounge, all offering multiple base options to suit your functional need and design style. Add a coordinating Spirit table to complete your look.

CONSTRUCTION

- Internal wood components are molded plywood
- Frames are individually hand assembled
- High Grade Polyurethane Foam, 2" thick in the seat and back
- Non-marring nylon glides included in each leg at floor level
- Tables have 1" TFL or 1⅛" HPL surface thickness with 1 mm PVC edge band and Square edge profile
- Black or Aluminum Powder Coat and Chrome wireframes
- Ships fully assembled

GUEST SEATING (980 SERIES)

Trift is an all-inclusive guest collection with abundant options for multiple applications. Carefully contoured frame and enhanced seat design provide hours of seated comfort. Five back options in wood and upholstery, and arm and armless models appeal to a broad base of needs. Specify for conferencing, reception, dining, healthcare, and companion seating. Trift accommodates all work areas with ease in one versatile collection.

CONSTRUCTION

- Exposed wood components and chair frame are manufactured using European Beech and are free of spirits, discoloration, pits, shakes, and wormholes
- All chair joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- All seats feature corner blocking
- Frames are individually hand assembled and sanded prior to being finished
- Non-marring nylon glides included in each leg at floor level
- High Grade Polyurethane Foam, 1½" thick in the seat and 1" thick in the back
- Textiles are sewn with double stitch seams
- High quality resilient sheet webbing ensures a comfortable seating application
- Ships fully assembled

Indiana FURNITURE

TRIPLE PLAY™
MULTI-HEIGHT BENCH (3 SERIES)

Triple Play can multi-task from lounge height to sitting height, and all the way up to counter height. This versatile seating line lets people choose how and where they want to work with the ability to join any group, at any height table in the room. Triple Play partners with 18" high tables, 29-30" high tables, and 36" high tables, or any range in between.

CONSTRUCTION

- Fully upholstered product that features a high density, firm polyurethane foam interior that holds its shape; shape is static at the lounge height position and at the sitting height position and has a gentle, flexible motion while sitting at the counter height position
- Foam construction can be used to sit on any of the six sides
- Handle is covered in upholstery
- Zipper included with upholstery cover for easy removal and cleaning
- Ships fully assembled

3-1526ST	Upholstery	CF Stinson Artisan Seaport
	Zipper	Navy
	Welt Cord	CF Stinson Artisan Anjou
	Upholstery	

UPHOLSTERY OPTIONS

Available in single upholstery with a matching handle, and your choice of a matching or contrasting welt cord, or no welt cord at all. Select from a wide variety of graded-in or contract options, including fabric, vinyl, and leather. We recommend avoiding the use of obvious directional patterns due to Triple Play's multiple positions of use.

Indiana Furniture will make every attempt to have the upholstery pattern going the same direction while making the best use of the yardage supplied.

Indiana FURNITURE

VIVE™
GUEST SEATING (300 SERIES)

Both comfort and style are achieved in Vive with open or closed arms, and flared leg design, with availability of casters. Solid hardwood frames with a smooth, radiant finish are available in all Indiana Furniture finishes. Double dowel mortise and tenon construction and high-grade polyurethane foam provide superior stability and comfort.

CONSTRUCTION

- Exposed wood components and chair frame are manufactured using European Beech and are free of spirits, discoloration, pits, shakes, and wormholes; base caps are manufactured using select maple
- All chair joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- All seats feature corner blocking
- Arms are securely attached to the frames with mortise and tenon
- Frames are individually hand assembled and sanded prior to being finished
- Non-marring nylon glides included in each leg at floor level
- High Grade Polyurethane Foam, 2¼" thick in the seat and 1½" thick in the back; foam is contoured to fit the frame and fastened in place
- Textiles are sewn with double stitch seams
- High quality resilient sheet webbing ensures a comfortable seating application
- Ships fully assembled

COM/COL & Graded-In Programs

Indiana
FURNITURE

COM/COL FORM

COM - CUSTOMER'S OWN MATERIAL

All Indiana Furniture seating is available with material furnished by the customer. Refer to grade 1 for list prices. Refer to individual model number for COM yardage requirements. The listed COM yardage requirement is based on the use of non-directional upholstery 54" wide for a quantity of one chair. Extra upholstery is required to match any pattern with a repeat, either vertically or horizontally. Use the chart below as a guide to add to plain COM yardage requirements listed in the price list.

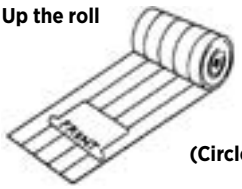
For multiple chair quantities, contact customer service to optimize the yardage per chair at 800-422-5727.

Upholstery Width	Plain Upholstery	2"- 14" Repeat	15"- 27" Repeat	28"- 36" Repeat
54"	0%	10%	25%	30%

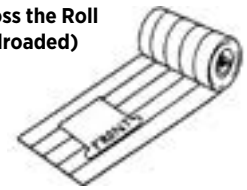
Note: Upholsteries less than 54" wide will not be accepted.

Due to the upholstering process used by Indiana Furniture, some COM upholsteries are considered directional that may not be considered directional by the upholstery supplier. All Upholstery COM's are cut "up the roll" and all vinyls are cut "across the roll" by Indiana Furniture unless otherwise directed by the customer (see below). All directional upholsteries on Indiana Furniture frames match both vertically and horizontally. If you do not desire repeat match, please specify on order.

Up the roll



Across the Roll (Railroaded)



(Circle One)

Note: Directional upholsteries, such as stripes, patterns and plaids may not meet your satisfaction due to contoured shapes and tufting of some models. Should you require such a selection, we will upholster as perfect as possible, but such orders are not subject to return. If in doubt, contact your Indiana Furniture Customer Service Representative prior to placing the order.

COL - CUSTOMER'S OWN LEATHER

Indiana Furniture is pleased to accommodate COL selections whenever this special need arises. Refer to grade 1 for list prices. To calculate COL requirements, multiply the COM yardage required times 18 (1 yard of upholstery = 18 sq. ft. of usable leather). Customer's own leather specifications for Indiana Furniture seating shown within the price list are based on an average hide size of 45-50 square feet.

All square footage requirements are based on usable footage. The shape of a hide and the usable, clean footage may make it necessary for us to request more leather after COL is received.

Please note leather is a natural product, and variation in texture is a pleasing quality belonging exclusively to high grade, full top grain leathers.

Indiana Furniture reserves the right to inspect, approve, or reject any COM/COL upholstery. Once approved, Indiana Furniture cannot assume responsibility for the durability or tailoring quality of COM/COL material.

COM/COL Ordering Instructions:

1. Include a 6" sample of the upholstery stapled to the order indicating which side is to be exposed.
2. If COM has a pattern or stripe, indicate whether to apply vertically or horizontally. All stripes will be applied vertically unless specified otherwise.
3. Specify the upholstery supplier's name, upholstery pattern, pattern color, and pattern number.

For TB 117-2013, the upholstery materials in this product (check one):

_____ contain added flame retardant chemicals

_____ contain NO added flame retardant chemicals

COM/COL ORDERING INSTRUCTIONS:

Fill out the form below and attach sample according to instructions on reverse side of form. **COM's/COL's must meet and include written confirmation from the supplier verifying CALTB 117-2013 compliance and you must designate the flammability materials within for the TB 117-2013 label.** Check the box above to comply with California Business and Professions Code Section 19094. Failure to complete these forms and supply samples will delay the scheduling of the purchase order. Orders will not be scheduled until upholstery is received from the supplier. Upholstery should not be ordered until Indiana Furniture has verified the yardage required.

Occasional Tables

Indiana
FURNITURE

General Tables Information

SURFACE MATERIAL DIGITAL IMAGES & BROCHURE

The finishes represented on Indiana Furniture's Surface Material Finish Brochure were reproduced using the finest technology available. Samples of our finishes and laminates are available for order through our Collateral Store. Please verify your desired finish before ordering as such orders are not subject to return to Indiana Furniture.

Contact your local Indiana Furniture Sales Representative or our Customer Service team should you need assistance.

GLIDES

All tables ship with non-marring glides, some series offering leveling glides as standard. See pricing pages for each series for more information.

FINISH

Indiana Furniture standard occasional table finishes correspond to casegoods and conferencing finishes and laminates. Minor variations in finish color and value may occur due to the natural characteristics of wood. Consult this price list for specific finish availability within each series.

Special Finishes: Indiana Furniture is able to accommodate our customer's needs for specific finish matches. Please submit a 3"x5" sample panel to Customer Service for quotation and lead time.

An overview of our finishes and laminate options can be found on the inside of the back cover of this price list.

Indiana FURNITURE

ARLINGTON™

END, LAMP + MAGAZINE TABLES (2900 SERIES)

Arlington offers all the grace and embellishments associated with traditional styling with an added emphasis on value. Finely crafted in select solids with walnut and cherry veneers and high pressure laminate worksurfaces, Arlington ensures quality and expert craftsmanship with a selection of configurations for today's functional workspaces.

CONSTRUCTION

- Veneers on exposed surfaces feature select grade, plain sliced American Black Walnut or Cherry veneers, carefully selected and matched to assure proper balance and consistency
- Veneer tops have a 5-ply balanced construction, 1³⁄₁₆" thick with solid hardwood rims with butt corners
- HPL tops have a 3-ply balanced construction, 1³⁄₁₆" thick, with solid hardwood rims with butt corners
- Grain direction runs left to right
- All units ship with heavy duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors
- Shipped KD; Some Assembly Required

Indiana FURNITURE

BAILEY
COCKTAIL + END TABLES (720 SERIES)

From lounge areas, to private office, to conference settings, the Bailey Collection can make a statement. Bailey tables are offered in square and rectangular cocktail tables, as well as end tables, in a wide range of veneers and laminates with two edge profiles. Pair Bailey tables with the collection's chairs, settees, sofas, and ottomans.

CONSTRUCTION

- Bases for tables are manufactured using steel frames with a chrome finish
- The wood veneer tops are made of select grade sliced Black Walnut, Cherry, Maple, or composite veneers for maximum grain and color consistency
- Veneer tops are ¾" with 1mm veneer edge bands
- Laminate tops are ¾" with 1mm PVC edge bands
- Ships fully assembled

Indiana FURNITURE

BRITTA™
END + COCKTAIL TABLES (230 SERIES)

The Britta Collection showcases a Mid-Century Scandinavian aesthetic with an appealing contemporary feel. Available in two edge styles and a broad range of finishes to create an inviting space with warm and energetic sensibility. Pair Britta tables with the collection's guest, single lounge, and settee options, which all feature a wall-saver design, to create an entire setting.

CONSTRUCTION

- The wood veneer table tops are 1" thick and are made of select grade sliced Walnut, Cherry, or Maple veneers for maximum grain and color consistency
- The knife edge profile features a 5-ply balanced construction with a solid hardwood rim; the square edge profile features a 3-ply balanced construction with a 3mm veneer edge band
- The aprons and legs are solid maple hardwood and ship with adjustable glides
- Ships fully assembled

Indiana FURNITURE

JOT™

AUXILIARY, END + COCKTAIL TABLES (410 SERIES)

Discover the perfect table collection that goes anywhere. With a mix of materials, Jot complements a diverse range of interiors from ultra modern to classic. Its metal base, available in five refreshed colors, supports tops in solid surface, veneer, or laminate. Scaled for a perfect fit, Jot makes a great first impression front and center or corner-tucked for convenient storage. Jot's UV Advantage finish features a crystal clear topcoat developed for durability in high traffic areas.

CONSTRUCTION

- Veneer tops are ¾" thick with veneer edge bands; made of select grade, sliced Black Walnut, Cherry, Maple, or Composite species
- TFL tops are ¾" thick with a 1mm PVC edge band
- Solid surface tops are ¾" thick and are available in six colors and two edge profiles
- Bases are manufactured using ¾" steel frames and powder coated in your choice of five standard colors
- Joints on bases are mitered and fully welded for maximum strength and durability
- Tops are securely fastened to the bases with metal screws
- Ships fully assembled

Indiana FURNITURE

MADERA™

END, LAMP + MAGAZINE TABLES (1400 SERIES)

Create a variety of looks from refined transitional to clean contemporary with an abundance of finishes and edge details. Madera features ultra violet finish for long lasting beauty in corporate environments, as well as a premium veneer option, which offers a grade of veneer exceeding the general commercial market standards.

CONSTRUCTION

- Choose from premium veneer or select veneer on exposed surfaces in American Black Walnut, White Oak, Cherry, or Maple species
- Veneer tops are available in the 6 edge profiles and have a 5-ply balanced construction, 1³⁄₁₆" thick, with hardwood rims
- High pressure laminate (HPL) tops have a 3-ply balanced construction, 1³⁄₁₆" thick, with solid hardwood rims
- Grain direction runs left to right
- All units ship with heavy duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors
- Ships fully assembled

Indiana FURNITURE

PHOENIX™
END + MAGAZINE TABLES (2100 SERIES)

Crafted in American veneers, Phoenix's clean, transitional styling is at ease in both contemporary and traditional settings. It is a perfect choice for value-minded companies who want a sophisticated, yet uncomplicated, solution.

CONSTRUCTION

- Veneers on exposed surfaces are select grade sliced American Black Walnut and Cherry, and are carefully selected and matched to assure proper balance and consistency
- Veneer tops are 5-ply balanced construction and 1⅝" thick. High pressure laminate (HPL) tops are 3-ply balanced construction and 1⅝" thick
- Grain direction runs left to right
- All units ship with heavy duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors
- Some assembly required

Indiana FURNITURE

TOPSY TURVY™

COCKTAIL, END + MAGAZINE TABLES (521 SERIES)

Topsy table's classic square style is a go-to when you need an understated table with looks that say reliability. Turvy tables give an extra punch of style with the tapered legs and curvy appeal. Both available in wood, laminate, or solid surface tops with powder coated metal frames in five colors.

CONSTRUCTION

- Square and Rectangular models feature a 1" thick top; Round models feature ¾" thick top
- Veneer tops are made of select grade, sliced Black Walnut, Oak, Cherry, Maple, or Composite species
- TFL Laminate tops have a 1mm PVC edge band
- Solid surface tops are available in six colors and two edge profiles
- Bases are manufactured using steel frames and powder coated in your choice of five standard colors
- Joints on bases are mitered and fully welded for maximum strength and durability
- Tops are securely fastened to the bases with metal screws
- Ships fully assembled

Indiana FURNITURE

TABLES + SPACE DIVISION

PRICING EFFECTIVE AUGUST 1, 2022

Being over a century old hasn't slowed us down! Sure, we are still the reliable, ethical company that was born in southern Indiana, steeped in quality, craftsmanship, and service. But have you seen our latest introductions? We are making a splash with design and challenging the concept of modern offices. Go ahead. Take a look. You know you want to.

Our Pledge to People + Our Planet.

We've been making wood furniture longer than just about anyone...and we want to be doing so for a long time to come. That's a large part of why we take a stewardship approach to our resources. We believe that environmental sustainability and business profits need not be mutually exclusive. They can and should exist side by side in a mutually beneficial relationship. And for more than a century, we've been showing how it's done.

We've proven our commitment to a sustainable future by supporting the standards and programs that protect our home planet and human health. Whether it's local sourcing, reducing contaminants, implementing wellness and safety programs, or diverting waste from landfills, social responsibility is a part of every decision we make at Indiana Furniture.

One of the surest ways to reduce our impact on the planet is to make and buy things that last. And this one's a natural for us. Our products are made with craftsmanship and attention to detail that are a part of our more than a century-long legacy in wood manufacturing. And our products are backed by our 12-year warranty, which facilitates maintenance, servicing and reassembly.

All of our product lines:

- Are manufactured and assembled in the USA,
- Meet or exceed Indoor Air quality standards*,
- Meet or exceed BIFMA level® Sustainability standards and certification*,
- Conform to the BIFMA Compliance standards*,
- Comply with TSCA Title VI (CARB) standards,
- and can contribute to U.S. Green Building's LEED Program.

To learn more, simply go to www.IndianaFurniture.com/resources.

Ease of Specification

Whether you're looking to specify your office spaces or simply to visualize them in the options and surface materials you are desiring, we make it easy. You can find the entire Indiana Furniture portfolio on the following third-party, space-planning platforms.

** Recently launched or new products may still be in testing; Cush Pillows is currently not BIFMA Compliant due to no available compliance test.*

FURNITURE

GENERAL INFORMATION + CONDITIONS OF SALE

ORDERING INFORMATION
All orders should be emailed to **neworders@indianafurniture.com**.
Orders can be faxed to 812-482-9035 or mailed to:

Indiana Furniture
P.O. Box 270
1224 Mill Street
Jasper, IN 47547-0270

ORDER PROCEDURE
All orders must include purchase order number, billing address, ship-to address and phone number, and any special instructions.

When ordering casegoods or tables, give complete quantity, model number, finish and any other options.

When ordering seating, give complete quantity, model number, finish, fabric and any other options.

Within each series, an example of "How to Order" is illustrated at the beginning of each series section. For further clarification of order procedure, contact Customer Service.

PRICING
All prices shown are suggested retail prices F.O.B. Point of Origin, freight prepaid and allowed to one continental US destination. Prices, specifications and materials are subject to change without notice. Possession and/or distribution of this price list does not in itself constitute an offer to sell. Orders can be received only from authorized Indiana Furniture dealers. Orders will be billed at prices prevailing at time of shipment, unless acknowledged prior to the effective date of the price change, in which case billing will be at the price acknowledged.

ACKNOWLEDGMENT
All orders will be acknowledged promptly, showing how the order was entered, its approximate shipping date and other pertinent information. This acknowledgment is the final agreement between the customer and Indiana Furniture and is the exclusive statement of the terms thereof. Please examine this acknowledgment carefully and advise Indiana Furniture immediately of any discrepancies.

BUYER'S OBLIGATION: RIGHTS OF SELLER
If Indiana Furniture shall at any time doubt Buyer's financial responsibility, Indiana Furniture may decline to make shipments hereunder except upon receipt of cash payment in advance or security or other proof of responsibility satisfactory to Indiana Furniture. If buyer fails in any way to fulfill the terms and conditions set forth herein, Indiana Furniture may defer shipments until such default is corrected. Remedies provided herein shall be in addition to, and not in lieu of other remedies. Buyer agrees to abide by payment terms as listed on invoice. Buyer shall pay all reasonable costs and expenses, including attorney and collection fees, and late fees, incurred by Seller in connection with any amounts due for goods ordered.

CANCELLATIONS AND CHANGES
Due to immediate production on build-to-order items, all orders are considered firm and are not subject to cancellation or change without approval from Indiana Furniture. All approved changes are subject to additional charges and revised lead times.

PRODUCT DESIGN AND SPECIFICATION CHANGES
Indiana Furniture reserves the right to make changes in design and construction or discontinue products without prior notice.

REPAIR CHARGES
Indiana Furniture will only pay repair charges if Customer Service gives prior written authorization. No repair charge will be paid without advance approval at which time you will be issued a repair authorization number that will allow you to invoice Indiana Furniture for the completed work.

WAREHOUSE STORAGE CHARGES
If a shipment is held beyond 14 calendar days at your request, **a .067% per calendar day** (2% per month) storage charge will be assessed. The effective date will be 14 calendar days after the acknowledged ship date. Further, the prices applied to the order will be those in effect at the time of shipment.

DAMAGED MERCHANDISE
The consignee is responsible for filing claims with the carrier for damage and shortages. Claims for both obvious and concealed damage must be filed within 15 calendar days, and the damaged merchandise must not have been moved from the original receiving location. All damaged merchandise, including the cartons and packing materials, must be retained for inspection by either the carrier or by an Indiana Furniture Sales Representative. Indiana Furniture reserves the right to select the most cost effective way to repair or replace the damaged item. Once you have notified the carrier, please contact Customer Service for further assistance.

Obvious Damage/Missing Cartons — Do not refuse merchandise damaged in transit. Indiana Furniture recommends the consignee inspect all merchandise upon arrival. If a shipment is received damaged or short, note all information on carrier's copy and your copy of freight bill and delivery receipt. Notify the delivering carrier and file a claim immediately. Pending the results of your claim, either Indiana Furniture or the carrier will cover 100% of the cost to repair or replace the damaged or missing item.

Concealed Damage — If concealed damage is discovered, notify the delivering carrier at once and request an inspection. This must be done within 15 calendar days of delivery. If the carrier will not perform the inspection, you should prepare an affidavit that you contacted them, noting the time and date, and that they failed to comply with your request. This, along with the other papers in your possession, will support the claim. Pending the results of your claim, the cost to repair or replace the item will be covered ⅓ by the carrier and ⅔ by Indiana Furniture for shipments less than a full truckload and 100% by Indiana Furniture for shipments of full truck loads.

RETURN MERCHANDISE
Merchandise will not be accepted for return without a RGA (Return Goods Authorization) issued by Indiana Furniture. We will consider issuing RGA's for the following reasons:

1. Manufacturing defect (inspected by Indiana Furniture representative)
2. Indiana Furniture order processing error
3. Shipping error
4. Mis-marked cartons
5. Duplicated shipments

If you have any questions as to whether your reason for return qualifies for consideration, please contact your Customer Service Representative. Merchandise must be returned within 60 days of the RGA issued date, or within 60 days upon receipt of replacement product to receive credit. Returns due to mis-marked cartons must also be returned in the original cartoning, with shipping labels intact, to receive credit.

All merchandise being returned must be properly packed and protected to ensure no further damage is incurred during transportation back to an Indiana Furniture facility. Upon receipt, all returned merchandise will be thoroughly inspected and the results compared to the reason for return stated on the RGA. Any discrepancies, such as additional damage, signs of usage, missing parts, etc., will result in an adjustment to the amount of credit issued.

DELIVERY AND FREIGHT CHARGES
All shipments are F.O.B. Point of Origin, Jasper, IN, freight prepaid and allowed dock to dock on 53' trailer. Ownership and responsibility of the merchandise becomes that of the buyer upon delivery to the freight company. Shipments into Alaska, Hawaii, Canada, Mexico, Puerto Rico and other exports are freight prepaid and allowed to port of exit.

Indiana Furniture reserves the right to select the most appropriate carrier and routing on all shipments. Indiana Furniture will attempt to accommodate requests for favored carriers and delivery times. Deliveries requested Monday through Thursday, after 3pm, will be assessed a $300 per truck after hours fee. Deliveries requested after 3pm on Friday or on weekends, will be assessed a $600 per truck weekend delivery fee.

Inside delivery and installation services are not included in the pricing shown. Any deviation from dock-to-dock delivery, such as but not limited to, non-dock, residential, or inside delivery must be specified on the order. Should these services be requested or required, all charges incurred will be charged to the "Sold To" of the order.

Shipments totaling less than $3000 (net value, product only) will be assessed a small order fee of $300 net per shipment. This fee will be reduced for items shipped via small package carriers. For order shipments of $100 or less, shipped by small package carrier, the fee is $18. For order shipments over $100, shipped by small package carrier, the fee is $40.

BIFMA AND ANSI TESTING
Indiana Furniture is a member of the Business and Institutional Furniture Manufacturer's Association (BIFMA). Tests developed by the BIFMA and approved by the American National Standards Institute (ANSI) determine the strength and durability of casegoods and seating in its everyday use. Although this testing does not serve as a warranty or guarantee, Indiana Furniture products within this price list have been tested by an independent verifying body and meet or exceed applicable BIFMA and ANSI standards.

Indiana
FURNITURE

Warranty

Subject to the limitations set forth in this warranty, Indiana Furniture Industries, Inc. ("**Indiana Furniture**") warrants to the original purchaser all product in this price list ("**Product**") to be free from defects in material and workmanship given normal use for a 12-year period from the date of manufacture. During the applicable warranty period, Indiana Furniture, as its sole obligation, will repair or replace (in Indiana Furniture's sole discretion) any Product, part, or component covered by this warranty and sold after August 2, 2022, which fails under normal use as a result of a defect in material or workmanship. Normal use is defined as the equivalent of a single shift, 40-hour work week. Indiana Furniture will repair or replace the defective Product, part, or component with a comparable Product, part, or component.

Warranty periods are limited for certain Products and parts as follows:

12-year Warranty (from the date of manufacture)
- Seating Mechanisms
- Veneers
- Laminates
- Casters and Glides

7-year Warranty (from the date of shipment)
- Pneumatic Table Lift
- Electric Table Lift

5-year Warranty (from the date of manufacture)
- Triple Play Series
- Electrical Components
- Pneumatic Cylinders
- Textiles, Foam, and Decorative Trim
- Swivel Arm Pads
- Keyboard Kits
- Lighting
- All Height Adjustable Mechanisms

3-year Warranty (from date of shipment)
- Dock 950 Wireless Charger
- Dock 150 Wireless and USB Charger

THIS WARRANTY DOES NOT COVER:
- Damage caused by a carrier or third party
- Normal or routine wear and tear
- Appearance, durability, quality, behavior, colorfastness, or any other attribute of customer's own materials or any non-standard Indiana Furniture material (including CF Stinson, Maharam, Momentum, Mayer, UltraFabrics, Architex, and other alliance programs) specified by the customer and applied to a Product
- Color, grain or texture of wood, laminate and other covering materials
- Changes in wood or fabric color due to aging or exposure to light

As the manufacturer of the Product, Indiana Furniture stands behind its craftsmanship and pledges to do everything it can to reasonably resolve, as quickly as possible, any problems you may have with the Product within the terms and conditions of this warranty.

If you encounter a defect covered by the foregoing warranty, contact the dealer from whom you purchased the Product. If the dealer is unable to resolve your warranty issues, you should contact Indiana Furniture. Please ensure that you have all of the pertinent facts when contacting the dealer or Indiana Furniture, including the model number and factory order number from the inspection label attached to the Product.

INDIANA FURNITURE IS NOT PROVIDING, AND SPECIFICALLY DISCLAIMS, ANY OTHER WARRANTIES FOR THE PRODUCTS, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. INDIANA FURNITURE SHALL NOT BE LIABLE TO THE PURCHASER OR ANY THIRD PARTY FOR CONSEQUENTIAL, INCIDENTAL, INDIRECT, OR SPECIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, DAMAGES ARISING OUT OF OR RESULTING IN ANY MALFUNCTIONS, DELAYS, LOSS OF PROFIT, INTERRUPTION OF BUSINESS, PERSONAL INJURY, BODILY INJURY, DEATH, DISMEMBERMENT, OR PROPERTY DAMAGE.

Indiana FURNITURE

ALLEGIANCE™
SMALL MEETING TABLES (1100 SERIES)

Finely crafted in select American hardwood veneers, Allegiance celebrates smart looks at an affordable price, while skillfully maintaining our expert craftsmanship and attention to every detail. Pair with Allegiance Casegoods to create a cohesive look throughout an entire facility.

CONSTRUCTION

Allegiance features a Veneer chassis, where applicable, with your choice of either a Veneer or HPL top. Units ship assembled unless otherwise noted.

VENEER
- Exposed surfaces feature select grade, plain sliced American Black Walnut and Cherry hardwood veneers, carefully selected and matched to assure proper balance and consistency

TOPS
- Wood Veneer worksurfaces are 5-ply balanced construction, 1" thick with solid hardwood rims
- High Pressure Laminate (HPL) worksurfaces are 3-ply balanced construction, 1" thick with solid hardwood rims
- Worksurfaces feature shaped edge profiles on all four sides
- Grain direction runs left to right, unless otherwise noted

CHASSIS
- Veneer Chassis is constructed of American Black Walnut or Cherry hardwood veneer
- Chassis is securely fastened using high quality European fastening systems and heavy-duty, 16-gauge joining brackets to assure maximum strength
- All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors

DRAWERS
- All drawer fronts are standard with matched wood grain faces
- All drawers feature 5-sided construction allowing for easy removal of drawer fronts
- Fronts are 3-ply construction and are ¾" thick
- Sides and backs are wood-grain vinyl wrapped and are ½" thick
- Box and file drawers have ⅛" thick hardboard bottoms and tested for 100lb capacity
- Lateral file drawers feature ¼" thick bottoms and tested for 200lb capacity
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- All suspensions have a limited lifetime warranty

FILING
- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Letter width file drawers provide letter filing front to back, and letter or legal filing side to side

STORAGE
- All hinged doors include soft close hinges, unless otherwise noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- All credenzas and storage cabinets feature locking drawers
- Removable lock cylinders allow for units to be re-keyed at a later date, if required
- Units are shipped randomly keyed as standard
- Keyed alike units are available upon request at no additional charge
- Lock core will match pull color

Indiana FURNITURE

ARLINGTON™
TABLES + CONFERENCING (2900 SERIES)

Arlington offers all the grace and embellishments associated with traditional styling with an added emphasis on value. Finely crafted in select solids with walnut and cherry veneers and high pressure laminate worksurfaces, Arlington ensures quality and expert craftsmanship with a selection of configurations for today's functional workspaces.

CONSTRUCTION

Arlington features a Veneer chassis with your choice of a Veneer or HPL top. Units ship assembled unless otherwise noted.

VENEER
- Exposed surfaces feature select grade, plain sliced American Black Walnut or Cherry veneers, carefully selected and matched to assure proper balance and consistency

TOPS
- Veneer tops are 5-ply balanced construction and 1³⁄₁₆" thick with solid hardwood rims with butt corners
- High Pressure Laminate (HPL) tops are 3-ply balanced construction and 1³⁄₁₆" thick with solid hardwood rims with butt corners
- Grain direction runs left to right unless noted

CHASSIS
- Chassis is securely fastened using high quality European fastening systems and heavy-duty, 16-gauge joining brackets to assure maximum strength
- All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors
- Bases are solid hardwood with mitered corners
- Construction offers tight tolerances and long term durability
- Vertical grain direction on chassis

DRAWERS
- Drawer fronts standard with matched veneer faces
- Drawer sides, back and front are woodgrain vinyl-wrapped, and are ½" thick
- 5-sided drawer construction for easy removal of drawer front
- Box and file drawers have ⅛" thick hardboard bottoms and tested for 100lb capacity
- Lateral file drawers feature ¼" thick bottoms and tested for 200lb capacity
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- All suspensions have a limited lifetime warranty

FILING
- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Letter width file drawers provide letter filing front to back and legal filing side to side
- Lateral file drawers provide legal or letter filing front to back or side to side

STORAGE
- All hinged doors include soft close hinges, unless noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- See locking details for locking door and drawer options
- Lock core available in black or silver and will coordinate with pull selection; See locking details
- Removable lock cylinders allow for units to be re-keyed at a later date if required
- Units are shipped randomly keyed as standard. Keyed alike units available upon request at no additional charge.

CORD MANAGEMENT
- Grommets are available in black or silver, please specify color
- See optional grommet locations
- Undersurface Wire Managers available for additional cord management; See Accessories

Indiana FURNITURE

AURA™
TABLES + CONFERENCING (9200 SERIES)

Contemporary components complement our Madera and Allegiance casegoods collections, along with Aura Reception. Add technology function with wall units that include AV cabinets and valance with optional pull down projection screen. For easy table-to-floor connectivity, combine a table top power center with a cylinder or canoe base with hinged wire access door. Aura is also available in a Premium Veneer Option.

CONSTRUCTION

Aura Tables and Components feature your choice of either a Veneer or HPL top, Veneer and Metal bases, and Veneer chassis (where applicable).

VENEERS
- Choose from premium veneer or select veneer on exposed surfaces in Cherry, Maple, White Oak or American Black Walnut, carefully selected and matched to assure proper balance and consistency

LAMINATES
- Exposed surfaces are produced from wood grained laminates fused to a particle-board core
- Each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance

TOPS
- Wood Veneer worksurfaces are 5-ply balanced construction, while High Pressure Laminate (HPL) worksurfaces are 3-ply balanced construction, 1 3/16" thick with solid hardwood rims
- All buffets, credenzas, serving carts, video cabinets, and storage/wardrobe cabinets are shaped on the user side only
- Grain direction runs left to right, unless otherwise noted

CHASSIS
- Tops and end panels are securely fastened using high quality European fastening systems to ensure maximum strength
- All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors

DRAWERS
- All drawer fronts are standard with elegant vertically matched veneer faces
- Drawers feature 5-sided construction with ¾" 3-ply fronts, 7/16" thick hardwood sides and 5/32" hardboard bottoms
- Units with 36" wide file drawers feature ¼" thick drawer bottoms for maximum storage strength
- Drawer interiors are sanded, sealed, and finished to provide for a smooth, quality feel and appearance.
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- Box and file drawers are tested for 100lb capacity
- Lateral files are tested for 200lb capacity
- All suspensions have a limited lifetime warranty

STORAGE
- All hinged doors include soft close hinges, unless otherwise noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- All units with file drawers feature locking
- Removable lock cylinders allow for units to be re-keyed at a later date, if required
- Units are shipped randomly keyed as standard
- Keyed alike units are available upon request at no additional charge
- Lock core will match pull color

Indiana FURNITURE

CAMEO
TABLES + CONFERENCING (9100 SERIES)

Traditional components echo history and create timeless foundations for meeting rooms that complement our Jefferson and Arlington casegoods collections, and Cameo and Jefferson Reception options. Facilitate presentations with lecterns and visual presentation boards. Mobile serving carts and buffet height credenzas provide additional in-room utility.

CONSTRUCTION

Cameo Tables and Components feature your choice of either a Veneer or HPL top, Veneer bases, and Veneer chassis (where applicable).

VENEERS
- Veneers on exposed surfaces are select grade sliced American Black Walnut and are carefully selected and matched to assure proper balance and consistency

LAMINATES
- Exposed surfaces are produced from wood grained laminates fused to a particle-board core
- Each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance

TOPS
- Wood Veneer tops are 5-ply balanced construction and High Pressure Laminate (HPL) tops are 3-ply balanced construction
- Tops are 1 3/16" thick with solid hardwood rims
- All buffets, credenzas, serving carts, video cabinets, and storage/wardrobe cabinets are shaped on user side only
- Grain direction runs left to right unless otherwise noted

CHASSIS
- Tops and end panels are securely fastened using high quality
- European fastening systems to ensure maximum strength
- All units are equipped with heavy-duty, adjustable glides to ensure proper leveling and compensation for uneven floors

DRAWERS
- All drawer fronts are standard with elegant vertically matched walnut veneer faces
- Drawers feature 5-sided construction with ¾" 3-ply fronts, 7/16" thick hardwood sides and 5/32" hardboard bottoms
- Units with 36" wide file drawers feature ¼" thick drawer bottoms for maximum storage strength
- Drawer interiors are sanded, sealed, and finished to provide for a smooth, quality feel and appearance
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- Box and file drawers are tested for 100lb capacity
- Lateral files are tested for 200lb capacity
- All suspensions have a limited lifetime warranty

STORAGE
- All hinged doors include soft close hinges, unless otherwise noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- All units with file drawers feature locking
- Removable lock cylinders allow for units to be re-keyed at a later date if required
- Units are shipped randomly keyed as standard. Keyed alike units available upon request at no additional charge.
- Keyed alike units available upon request at no additional charge
- Lock cores match pull color

Indiana FURNITURE

CANVAS
TABLES + CONFERENCING (9400 SERIES)

Canvas Table Collection offers a comprehensive selection of shapes and color options for any space that demands versatility and dependability. Select from a range of bases, including our stylish Strut Legs which are designed with precision minimalist lines and angles to establish modern sensibility in any work area.

CONSTRUCTION

Canvas Work and Circular Tables feature your choice of either a TFL or HPL top. All other tops feature HPL. Non-metal bases feature TFL or Veneer (where noted).

LAMINATES
- Exposed surfaces are produced from wood grained, patterned, and solid color laminates fused to a particle-board core
- Each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance

TOPS
- Work and Circular Tops are 1" thick Thermally-Fused Laminate (TFL) or High Pressure Laminate (HPL) with matching 3mm PVC rims on profiled edges and 1mm PVC rims on self edges
- All other tops feature HPL with 3-ply balanced construction, 1 3/16" thick with PVC rims; Tops are shaped on all four sides
- Grain direction runs width of top, unless otherwise noted

CHASSIS
- Tops and end panels are securely fastened using high quality European fastening systems to assure maximum strength
- All units are equipped with heavy-duty, adjustable glides to ensure proper leveling and compensation for uneven floors

DRAWERS
- Drawer fronts are 3-ply construction, ¾" thick with matched grain
- Drawer sides, back, and front are woodgrain vinyl wrapped, ½" thick; Box and file drawers have ⅛" thick hardboard bottoms
- 5-sided drawer construction for easy removal of drawer fronts
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- Box and file drawers are tested for 100lb capacity
- Lateral files are tested for 200lb capacity
- All suspensions have a limited lifetime warranty

STORAGE
- All hinged doors include soft close hinges, unless otherwise noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- All units with file drawers feature locking
- Removable lock cylinders allow for units to be re-keyed at a later date if required
- Units are shipped randomly keyed as standard. Keyed alike units available upon request at no additional charge.
- Keyed alike units available upon request at no additional charge
- Lock cores match pull color

Indiana FURNITURE

GESSO®

TABLES + CONFERENCING (9700 SERIES)

Featuring wood or high pressure laminate tops, Gesso tables complement Gesso Casegoods and other contemporary offerings to create a seamless look across working environments. Select from the full line of storage and table top power centers, as well as base styles that accommodate technology access doors.

CONSTRUCTION

Gesso Tables and Components feature either a Veneer or HPL top and Veneer chassis (where applicable), unless otherwise noted.

VENEERS
- Exposed surfaces on Gesso models feature Cherry, Maple, or American Black Walnut veneers, carefully selected and matched to assure proper balance and consistency

LAMINATES
- Exposed surfaces are produced from wood grained laminates fused to a particle-board core
- Each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance

TOPS
- Wood Veneer and High Pressure Laminate (HPL) tops are 3-ply balanced construction, 1 3/16" thick
- 3mm wood edge-banded rims contoured to the selected profile
- Tops are shaped on all four sides
- Grain direction runs left to right, unless otherwise noted

CHASSIS
- Tops and end panels are securely fastened using high quality European fastening systems to assure maximum strength
- All units are equipped with heavy-duty, adjustable glides to ensure proper leveling and compensation for uneven floors

DRAWERS
- All drawer fronts are standard with elegant vertically matched veneer faces
- Drawers feature 5-sided construction with ¾" 3-ply fronts, 7/16" thick hardwood sides and 5/32" hardboard bottoms
- Units with 36" wide file drawers feature ¼" thick drawer bottoms for maximum storage strength
- Drawer interiors are sanded, sealed, and finished to provide for a smooth, quality feel and appearance
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- Box and file drawers are tested for 100lb capacity
- Lateral files are tested for 200lb capacity
- All suspensions have a limited lifetime warranty

STORAGE
- All hinged doors include soft close hinges, unless otherwise noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- All units with file drawers feature locking
- Removable lock cylinders allow for units to be re-keyed at a later date if required
- Units are shipped randomly keyed as standard. Keyed alike units available upon request at no additional charge.
- Keyed alike units available upon request at no additional charge
- Lock cores match pull color

Indiana FURNITURE

ICONIC
SMALL MEETING TABLES (50 SERIES)

With a nod to the '50s and '60s, Iconic's clean lines, tapered legs, and unexpected details present a timeless, approachable quality while being suited to outfit a multitude of areas, including small meeting areas, huddle rooms and collaboration spaces.

CONSTRUCTION

Iconic features a Veneer chassis with your choice of a Veneer , HPL or 3D Laminate top. Units ship assembled unless otherwise noted.

VENEER
- Exposed surfaces feature select-grade, plain-sliced hardwood Cherry, Maple, American Black Walnut, White Oak, and composite veneers; Veneers are carefully selected and matched to assure proper balance and consistency
- Veneer features UVAdvantage, an ultra-violet finish, on all exposed surfaces by utilizing roll-coat UV technology

LAMINATE
- TFL and HPL are made of woodgrain and solid color laminates fused to particleboard core; Each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance
- 3D laminate surfaces eliminate the need for edge banding, visible seams, and special edge treatments; elimination of seams helps mitigate the accumulation of potential contaminants and simplifies cleaning

TOPS
- Tops are 1³⁄₁₆" thick
- Square (Y) Edge Profile is 3-ply balanced construction with 3mm wood edge-banded rims
- Square edge tops are shaped on all four sides
- Knife (KB) and Illusion (ILL) Edge Profile are 5-ply balanced construction with hardwood rims. Knife (KB) and Illusion (ILL) Edge Profile are profiled on three sides of Double Ped and Single Ped Desks with user side featuring Square Edge (Y)
- Grain direction runs left-to-right unless noted

CHASSIS
- Chassis are fastened by using high quality European fastening systems and heavy-duty, 16-gauge joining brackets to assure maximum strength
- All units ship with heavy-duty, adjustable glides to ensure proper leveling and compensate for uneven floors
- Horizontal grain direction unless otherwise noted

DRAWERS
- Box and file drawers are tested for 100lb capacity; Lateral file drawers are tested for 200lb capacity
- 5-sided drawer construction for easy removal of drawer fronts
- Fronts are 3-ply construction, ¾" thick with matched grain
- Sides, back, and front are ½" thick woodgrain vinyl-wrapped miter fold construction; box and file drawers have ⅛" thick hardboard bottoms, lateral file drawers feature ¼" thick bottoms
- Optional Dovetail construction with ⁷⁄₁₆" thick hardwood sides and backs and ⁵⁄₃₂" thick hardboard bottoms
- Box and file drawers feature full extension, progressive action slides with precision steel ball bearings with optional soft close
- Lateral files ¾ extension, progressive action slides with precision steel ball bearings
- All suspensions have a limited lifetime warranty

FILING
- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Legal width file drawers provide legal filing front to back, and letter or legal filing side to side

STORAGE
- All hinged doors include soft close hinges
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- All units with drawers feature standard locking; optional locking available on models with doors where noted (see locking options)
- Lock core available in black or silver, please specify color
- Removable lock cylinders allow for units to be re-keyed at a later date if required
- Units are shipped randomly keyed as standard
- Keyed alike units available upon request at no additional charge

CORD MANAGEMENT
- Grommets are available in the tops of credenzas
- An exit grommet is standard on the bottom of pedestals for wires to escape
- On units, where noted, a removable back panel for wire access/ wire management, as well as an exit grommet, come standard
- Grommets are 2⅜" in diameter and available in black or silver
- See all optional grommet locations
- Wire channel available for additional under-surface cord management; see accessories

3D LAMINATE (3D) OPTIONS

3D laminate surfaces eliminate the need for edge banding, visible seams, and special edge treatments. The elimination of seams helps to mitigate the accumulation of potential contaminants and simplifies cleaning. See cleaning instructions on our website under Resources.

Our Matte White and Matte Black options are not only durable, they leave no fingerprints. The matte, soft touch finish will add a sense of luxury, beauty, and style to any interior space.

Our Concrete option features a city-inspired, grey concrete surface with an embossed texture that is real to the touch and feel.

See individual select products for availability.

Indiana FURNITURE

JEFFERSON™
SMALL MEETING TABLES (4600 SERIES)

Jefferson echoes history and creates a timeless foundation for today's sophisticated work place. Finely crafted in select solids with Walnut and Cherry veneers, the tailored details of this collection accentuate our expert craftsmanship and perfect attention to detail.

CONSTRUCTION

Jefferson features a Veneer chassis with your choice of a Veneer or HPL top. Units ship assembled unless otherwise noted.

VENEER
- Choose from premium or select veneer on exposed surfaces in American Black Walnut or Cherry species in bookmatched veneer faces
- Veneers are carefully selected and matched to assure proper balance and consistency

TOPS
- Veneer tops offer a 5-ply balanced construction, 1³⁄₁₆" thick with solid hardwood mitered rims
- High Pressure Laminate (HPL) tops offer a 3-ply balanced construction, 1³⁄₁₆" thick with solid hardwood mitered rims
- Grain direction runs left-to-right unless otherwise noted
- All Jefferson tops are standard with the Jefferson edge profile (C2), unless otherwise noted.

CHASSIS
- Chassis is securely fastened using high quality European fastening systems, heavy-duty, 16-gauge joining brackets and wood dowels to assure maximum strength
- Bases are solid hardwood with mitered corners
- All units have finished veneer backs
- Construction offers tight tolerances and long term durability
- All units equipped with heavy-duty, adjustable glides to ensure proper leveling and compensate for uneven floors
- Vertical grain direction on chassis

DRAWERS
- Drawer fronts standard with bookmatched veneer faces
- Fronts are 3-ply construction and ¾" thick
- Drawer interiors are dovetail, wood constructed with 7⁄16" hardwood sides and backs and 5⁄32" thick hardboard bottoms
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- Box and file drawers are tested for 100lb capacity; Lateral files have ¼" thick bottoms and are tested for 200lb capacity
- All suspensions have a limited lifetime warranty
- Optional soft close (see option details) is available on box and file drawers, unless otherwise noted

FILING
- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Legal width file drawers provide legal filing front to back, and letter or legal filing side to side
- Letter width file drawers provide letter filing front to back, and letter or legal filing side to side

STORAGE
- All hinged doors include soft close hinges, unless noted
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- Locking is standard on credenzas and optional on wardrobe/cabinets
- Lock core color will coordinate with pull selection (brass pulls will have black cores, while aluminum pulls will have silver cores)
- Removable lock cylinders allow for units to be re-keyed at a later date if required
- Units are shipped randomly keyed as standard. Keyed alike units available upon request at no additional charge.

Antique Brass - 5¼"

Wilmington (WLM)
Antique Brass - 5¼"

Liberty (ALB)
Aluminum - 4¼"

DRAWER TRACK OPTIONS

Soft close tracks are available on center, tray, box, and file drawers in Jefferson. Soft close drawer tracks have many benefits including reduced stress on the unit, extends the life of the drawer, and ensures a gentle close so fingers don't accidentally get hurt. Must specify when ordering.

Pricing is per Drawer, not per Model/Unit

SFTCL	Soft Close Drawer Track	$	32

MOLDING OPTIONS

All credenzas ship with decorative pencil molding. If you do not want molding, please specify "NO MOLDING" when ordering each model.

Note: Base and decorative molding feature multi-step, hand-finished catalyzed finish.

LOCKING DOORS

Locking doors are available on wardrobe/cabinets. Specify WITH LOCKING when ordering and add upcharge. Lock core will coordinate with pull selection.

18"W Units	$	65
32"W and 36"W Units	$	85

Indiana FURNITURE

MADERA™

SMALL MEETING TABLES (1400/1600 SERIES)

Madera creates a variety of looks from rich, refined transitional to fresh, modern contemporary by offering an abundance of options, including premium veneer. Finely crafted in select Cherry, Maple, Walnut, and Oak veneers, Madera features a UV topcoat on all exposed surfaces adding unsurpassed hardness and extreme durability for long lasting office applications.

CONSTRUCTION

Madera features a Veneer chassis with your choice of either a Veneer or HPL top. Units ship assembled unless otherwise noted.

VENEER
- Choose from premium veneer or select veneer on exposed surfaces in American Black Walnut, White Oak, Cherry, or Maple species
- The American Black Walnut, White Oak, and Cherry veneers are book matched veneer faces, while the Maple is a slip-matched veneer face
- These veneers are carefully selected and matched to assure proper balance and consistency

TOPS
- Wood Veneer tops have a 5-ply balanced construction while High Pressure Laminate (HPL) tops have a 3-ply balanced construction, 1 3/16" thick, with hardwood rims
- Tops featuring the Bullnose (D), Tri-Round (E), Flute (X), and Square (Y) edge profiles have vertical profiles
- Tops featuring the Radius (A) and Bevel (B) edge profiles have the same construction, but provide a matching reverse profile on connecting edge
- Grain direction runs left to right unless otherwise noted

CHASSIS
- Tops, end panels, and modesty panels are securely fastened using high quality European style fastening systems and heavy-duty, 16-gauge joining brackets to assure maximum strength
- All units are equipped with heavy-duty, adjustable glides to ensure proper leveling and compensation for uneven floors

DRAWERS
- All drawer fronts are standard with matched faces
- All drawers feature 5-sided construction allowing for easy removal of drawer fronts
- Fronts are 3-ply construction and are ¾" thick with matched grain
- Drawer interiors are dovetail construction with 7/16" thick hardwood sides and backs and 5/32" thick hardboard bottoms
- The drawer interiors are sanded, sealed, and finished to provide a smooth, quality feel and appearance
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- Box and file drawers are tested for 100lb capacity
- Lateral files are tested for 200lb capacity
- All suspensions have a limited lifetime warranty

FILING
- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Letter width file drawers provide letter filing front to back and legal filing side to side
- Lateral file drawers provide legal or letter filing front to back or side to side

STORAGE
- All hinged doors include soft close hinges, unless noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- All credenzas feature locking file drawers; optional locking doors is available on select units
- Removable lock cylinders allow for units to be re-keyed at a later date, if required
- Units are shipped randomly keyed as standard
- Keyed alike units available upon request at no additional charge
- Lock core will match pull color

CORD MANAGEMENT
- Grommets are available in black or silver, please specify color

Indiana FURNITURE

NATTA

MEETING + COLLABORATIVE TABLES (NAT SERIES)

Natta offers an agile solution for a variety of community spaces and meeting applications. With its simplicity of form, it can achieve a subtle effect and still provide an excellent solution for any meeting and breakout environment.

CONSTRUCTION

Natta Tables feature a wood base with HPL top.

TOPS

- High Pressure Laminate (HPL) tops are 3-ply balanced construction, 1½" thick with 1 mm PVC edge band and vertical square edge profile
- Grain direction runs left to right unless otherwise noted

CHASSIS

- All frames are made of solid European Beech with double-doweled or mortised and tenoned joints
- Units are equipped with heavy-duty, adjustable glides to ensure proper leveling and compensation for uneven floors
- All table units ship fully assembled with tops installed

Indiana FURNITURE

ONE10™

TABLES + CONFERENCING (9500/9600 SERIES)

One10 Conference provides a scalable aesthetic with a versatile range of tables that provide solutions for casual to formal meetings that can support individual technology, the sharing of personal technology, or communal technology equipment. From conference tables, meeting tables, TV stands, and Parsons Tables, the collection provides flexibility for tailored applications, virtually anywhere.

CONSTRUCTION

VENEER

- Exposed surfaces feature select grade plain-sliced hardwood veneers in Cherry, Maple, American Black Walnut, or composite veneers. Veneers are carefully selected and matched to assure proper balance and consistency
- Veneer features either our UVAdvantage, an ultra-violet finish, or our Catalyzed finish (where noted)

LAMINATE

- High-Pressure Laminates (HPL) are made of woodgrain and solid color laminates fused to particleboard core; each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance

TOPS

- Tops with the Block Edge are 1½" thick while tops with the Knife Edge are 1³⁄₁₆" thick
- Laminate tops offer 3-ply balanced construction with 1mm PVC edge-banded rims; Veneer tops offer 3-ply balanced construction with 1.5mm wood edge-banded rims
- Credenza tops are ¾" thick, 3-ply balanced construction with 0.5mm wood edge-banded rims on Veneer options and 1mm PVC edge-banded rims on Laminate options
- Veneer accent tops are ¾" thick, 3-ply construction with 0.5mm wood edge-banded rims while Laminate accent tops are ¾" thick, 3-ply construction with 1mm PVC edge-banded rims
- Grain direction runs left-to-right, unless noted
- The Block Edge profile will be used with Block Bases only, while the Knife Edge profile will be used with Blade Bases only

Block Edge Profile

Knife Edge Profile

CHASSIS

- Chassis for storage units are securely fastened using high quality European fastening systems and heavy-duty 16-gauge joining brackets to assure maximum strength
- Parsons Tables are formed with mitered construction to provide a clean aesthetic
- All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors

DRAWERS

- All drawer fronts are ¾" thick, 3-ply construction with vertical grain direction
- Drawer sides, back, and front are woodgrain vinyl-wrapped ½" thick with ⅛" thick hardboard bottoms
- 5-sided drawer construction allows for easy removal of drawer fronts; All drawer fronts are standard with elegant vertically matched faces
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- Box and file drawers are tested for 100lb capacity
- All suspensions have a limited lifetime warranty

STORAGE

- All hinged doors are soft-close, unless otherwise noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

Indiana FURNITURE

PHOENIX™
SMALL MEETING TABLES (2100 SERIES)

Crafted in select solids and American veneers, Phoenix's clean, transitional styling is at ease in both contemporary and traditional settings. It is a perfect choice for value-minded companies who want a sophisticated, yet uncomplicated, furniture solution.

CONSTRUCTION

Phoenix features a Veneer chassis with your choice of a Veneer or HPL top.

VENEER
- Exposed surfaces feature select grade sliced American Black Walnut or Cherry veneers carefully selected and matched to assure proper balance and consistency

TOPS
- Veneer tops are 5-ply balanced construction and 1⁵⁄₃₂" thick with solid hardwood rims
- High Pressure Laminate (HPL) tops are 3-ply balanced construction and 1⁵⁄₃₂" thick with solid hardwood rims
- Grain direction runs left to right unless noted

CHASSIS
- Chassis is securely fastened using high quality European fastening systems and heavy-duty, 16-gauge joining brackets to assure maximum strength
- Units feature finished backs unless otherwise noted
- All units equipped with heavy-duty, adjustable glides to ensure proper leveling and compensate for uneven floors

DRAWERS
- Drawer fronts standard with matched veneer faces
- Drawer sides, back and front are woodgrain vinyl-wrapped, and are ½" thick
- 5-sided drawer construction for easy removal of drawer fronts
- Lateral file drawers feature ¼" thick bottoms and tested for 200lb capacity
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- All suspensions have a limited lifetime warranty

FILING
- File drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Letter width file drawers provide letter filing front to back and legal filing side to side

STORAGE
- All hinged doors include soft close hinges, unless noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- Storage credenzas feature standard locking; optional locking on wardrobe/storage cabinets
- Lock core will coordinate with pull selection unless otherwise noted
- Removable lock cylinders allow for units to be re-keyed at a later date if required
- Units are shipped randomly keyed as standard. Keyed alike units available upon request at no additional charge.

Indiana FURNITURE

TRI-ONE™
MULTI-USE TABLES (8500/8600 SERIES)

Designers Jim Contois and Ramsey Madsen complement existing products with the Tri-One Table Collection. A full offering of training, meeting, and modular tables are available in flexible models that is sure to meet every expectation with integrated power and data capabilities.

CONSTRUCTION

LAMINATE
- Thermally-Fused Laminate (TFL) and High-Pressure Laminate (HPL) are made of woodgrain and solid color laminates fused to particleboard core; each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance

VENEER
- Surfaces feature select-grade, plain-sliced hardwood Cherry, Maple, American Black Walnut, White Oak, and composite veneers; Veneers are carefully selected and matched to assure proper balance and consistency
- Veneer features UVAdvantage, an ultra-violet finish, on all exposed surfaces by utilizing roll-coat UV technology

TOPS
- Tops with the Square (Y) edge profile are 1" thick TFL or 1³⁄₁₆" HPL with a 3mm PVC rim; or 1³⁄₁₆" Veneer with 1.5mm edge banding
- Tops with the Knife (K) edge profile are 1³⁄₁₆" HPL with a 3mm PVC rim or 1³⁄₁₆" Veneer with 1½ mm edge banding
- Training and Modular tops feature shaped profiles on the user side while Meeting tops are shaped on all four sides
- Tops are pre-drilled for the specified base assembly and for ganging where applicable
- Grain direction runs left-to-right, unless noted

Knife (K) Square (Y)

LEGS/BASES
- The Envy and Vantage leg/base styles are powder-coated Aluminum and include a 5mm steel mounting plate; Strut legs are made of steel and are powder-coated Aluminum or Black
- Envy style legs are aluminum extrusions while Vantage style legs are welded steel
- All legs and bases come standard with adjustable glides

GANGING
- All Modular and Training tops are pre-drilled with threaded inserts for ganging applications
- Ganging brackets include quick release thumb screws for ease of use; No tools required

NESTING
- Training tables offer an exclusive flip mechanism which can be accessed from any position to allow easier nesting of tables
- Optional flip mechanisms are factory installed and must be specified at the time of order

POWER/DATA/CORD MANAGEMENT
- Grommets are available in tops, where noted
- Grommets are 2 ⅜" in diameter and available in black or silver
- Power/Data units available for under-surface mount, routed into tops, or for use in standard grommet holes (e.g., Sand Dollar)
- Power/Data Units comply with FCC Part 15A and UL
- Standard Power/Data plugs and daisy-chain connections are available; daisy chains are non-sequential; connect up to 8 modules

GROMMET OPTIONS & POWER/DATA UNIT LOCATIONS

Grommets are available in modular, meeting, and training tops. Tops may also be ordered without grommets at no additional charge. Please specify NO GROMMET on order.

Power/Data units must be specified separately with surface mount location. Specify location on order, as well as the power/data unit. Routed for field placement at no additional charge.

Grommets are available in standard locations. Please specify using info below. Multiple locations may be selected. Only one grommet/power/data unit per location.

GROMMET LOCATIONS (Black = BLK and Silver = SLV)

GC	Grommet, Center - Must Specify BLK or SLV	$	72
GL	Grommet, Left - Must Specify BLK or SLV	$	72
GR	Grommet, Right - Must Specify BLK or SLV	$	72

DUO/TRIO BEZEL LOCATIONS (Starting on Page 200)

PDC-C	Bezel, Center
PDC-L	Bezel, Left
PDC-R	Bezel, Right

Grommets and Power/Data Units may be ordered in non-standard locations. Call Customer Service to assist with specification and/or please attach a drawing to the PO showing the location of the grommet. Note additional charges and lead times may apply.

AURA/CAMEO/CANVAS/GESSO

GROMMET/POWER/DATA LOCATIONS

Standard Cutout Types & General Location Information

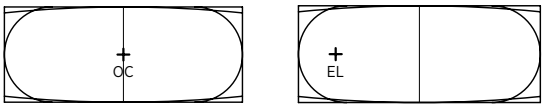
- Grommets can be specified, at an upcharge, for field or factory installation (unless otherwise noted).
- Power/Data Modules can be specified in standard locations at no additional charge.
- The selection of both the Power/Data Module and Base will determine cutout locations for each table size, as well as placement over or between bases.
- See exact measurements of Module locations.
- For specific locations available by table size see series pages, see Aura/Canvas/Gesso locations and see Cameo locations.

Cutout Locations Available

OC = On Center
BB = Between Bases *(requires 2 modules)*
CL = Left of Center
CR = Right of Center
EL = End Left
ER = End Right
ML = Middle Left
MR = Middle Right

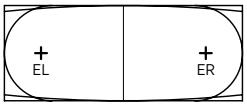
General Location of Cutouts

*For Tables with **Two (2) Bases** and **One (1) Location**:*



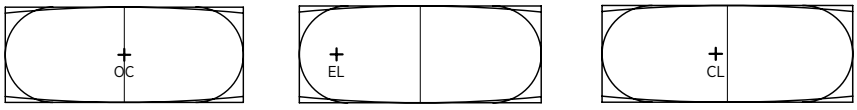
On Center (OC)
One End (EL)

*For Tables with **Two (2) Bases** and **Two (2) Locations**:*



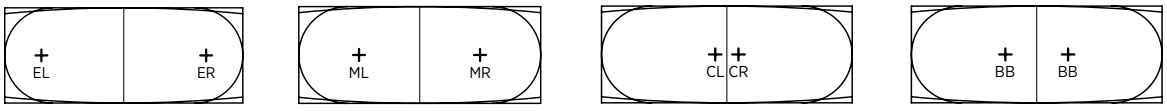
Both Ends (EL + ER)

*For Tables with **Three (3) Bases** and **One (1) Location**:*



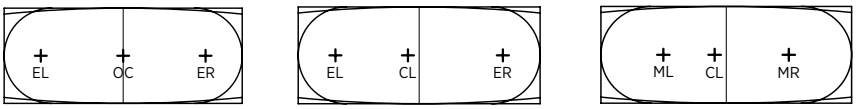
On Center (OC)
One End (EL)
Off Center (CL)

*For Tables with **Three (3) Bases** and **Two (2) Locations**:*



Both Ends (EL + ER)
Middle of Each End (ML + RL)
Off Center Left and Right (CL + CR)
Between the Bases (BB, Slightly Off Center Between Bases)

*For Tables with **Three (3) Bases** and **Three (3) Locations**:*



On Center and Both Ends (OC + EL + ER)
Left of Center and Both Ends (CL + EL + ER)
Off Center and Middle of Each End (CL + ML + MR)

Continued on Next Page.

Standard Cutout Types & General Location Information (Continued)

- Grommets can be specified, at an upcharge, for field or factory installation (unless otherwise noted).
- Power/Data Modules can be specified in standard locations at no additional charge.
- The selection of both the Power/Data Module and Base will determine cutout locations for each table size, as well as placement over or between bases.
- See exact measurements of Module locations.
- For specific locations available by table size see series pages, see Aura/Canvas/Gesso locations and see Cameo locations.

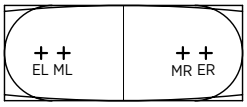
Cutout Locations Available

OC = On Center
BB = Between Bases *(requires 2 modules)*
CL = Left of Center
CR = Right of Center
EL = End Left
ER = End Right
ML = Middle Left
MR = Middle Right

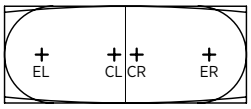
General Location of Cutouts

Continued from Previous Page

*For Tables with **Three (3) Bases** and **Four (4) Locations**:*

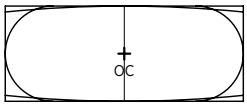


Middle of Each End and Both Ends
(ML + MR + EL + ER)

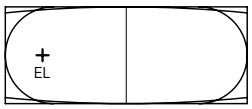


Off Center and Both Ends
(CL + CR + EL + ER)

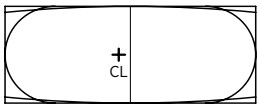
*For Tables with **Five (5) Bases** and **One (1) Location**:*



On Center
(OC)

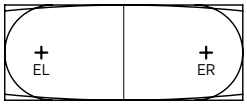


One End
(EL)



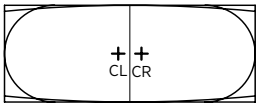
Off Center
(CL)

*For Tables with **Five (5) Bases** and **Two (2) Locations**:*

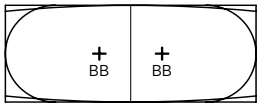


Both Ends
(EL + ER)

Middle of Each End
(ML + RL)

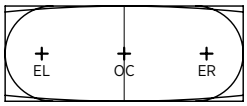


Off Center Left and Right
(CL + CR)

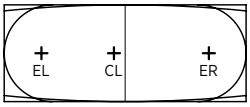


Between the Bases
(BB, Slightly Off Center Between Bases)

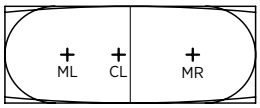
*For Tables with **Five (5) Bases** and **Three (3) Locations**:*



On Center and Both Ends
(OC + EL + ER)

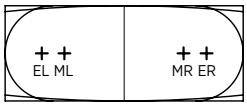


Left of Center and Both Ends
(CL + EL + ER)

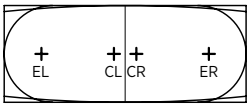


Off Center and Middle of Each End
(CL + ML + MR)

*For Tables with **Five (5) Bases** and **Four (4) Locations**:*



Middle of Each End and Both Ends
(ML + MR + EL + ER)



Off Center and Both Ends
(CL + CR + EL + ER)

Occasional Tables

Indiana FURNITURE

General Occasional Tables Information

SURFACE MATERIAL DIGITAL IMAGES & BROCHURE

The finishes represented on Indiana Furniture's Surface Material Finish Brochure were reproduced using the finest technology available. Samples of our finishes and laminates are available for order through our Collateral Store. Please verify your desired finish before ordering as such orders are not subject to return to Indiana Furniture.

Contact your local Indiana Furniture Sales Representative or our Customer Service team should you need assistance.

GLIDES

All tables ship with non-marring glides, some series offering leveling glides as standard. See pricing pages for each series for more information.

FINISH

Indiana Furniture standard occasional table finishes correspond to casegoods and conferencing finishes and laminates. Minor variations in finish color and value may occur due to the natural characteristics of wood. Consult this price list for specific finish availability within each series.

Special Finishes: Indiana Furniture is able to accommodate our customer's needs for specific finish matches. Please submit a 3"x5" sample panel to Customer Service for quotation and lead time.

An overview of our finishes and laminate options can be found on the inside of the back cover of this price list.

Indiana FURNITURE

ARLINGTON™
END, LAMP + MAGAZINE TABLES (2900 SERIES)

Arlington offers all the grace and embellishments associated with traditional styling with an added emphasis on value. Finely crafted in select solids with walnut and cherry veneers and high pressure laminate worksurfaces, Arlington ensures quality and expert craftsmanship with a selection of configurations for today's functional workspaces.

CONSTRUCTION

- Veneers on exposed surfaces feature select grade, plain sliced American Black Walnut or Cherry veneers, carefully selected and matched to assure proper balance and consistency
- Veneer tops have a 5-ply balanced construction, 1³⁄₁₆" thick with solid hardwood rims with butt corners
- HPL tops have a 3-ply balanced construction, 1³⁄₁₆" thick, with solid hardwood rims with butt corners
- Grain direction runs left to right
- All units ship with heavy duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors
- Shipped KD; Some Assembly Required

Indiana FURNITURE

BAILEY
COCKTAIL + END TABLES (720 SERIES)

From lounge areas, to private office, to conference settings, the Bailey Collection can make a statement. Bailey tables are offered in square and rectangular cocktail tables, as well as end tables, in a wide range of veneers and laminates with two edge profiles. Pair Bailey tables with the collection's chairs, settees, sofas, and ottomans.

CONSTRUCTION

- Bases for tables are manufactured using steel frames with a chrome finish
- The wood veneer tops are made of select grade sliced Black Walnut, Cherry, Maple, or composite veneers for maximum grain and color consistency
- Veneer tops are ¾" with 1mm veneer edge bands
- Laminate tops are ¾" with 1mm PVC edge bands
- Ships fully assembled

Indiana FURNITURE

INSPIRATION™
LAMP + MAGAZINE TABLES (480 SERIES)

Inspiration is designed to bring function and style to open area workspaces. Freestanding lamp and magazine tables complete waiting areas, welcoming lobbies, or office spaces. Pair Inspiration tables with the complementing guest, tandem, and bariatric seating to give guests a stylish and comfortable sitting area.

CONSTRUCTION

- Exposed wood components are manufactured using European Beech and are free of spirits, discoloration, pits, shakes, and wormholes
- Constructed with 3-ply veneer tops, 1³⁄₁₆" thick, featuring a self edge
- Joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- Aprons are 3-ply veneer hardwood faces
- Frames are individually hand assembled and sanded prior to being finished
- Non-marring nylon glides included in each leg at floor level
- Some assembly required

Indiana FURNITURE

JOT™

AUXILIARY, END + COCKTAIL TABLES (410 SERIES)

Discover the perfect table collection that goes anywhere. With a mix of materials, Jot complements a diverse range of interiors from ultra modern to classic. Its metal base, available in five refreshed colors, supports tops in solid surface, veneer, or laminate. Scaled for a perfect fit, Jot makes a great first impression front and center or corner-tucked for convenient storage. Jot's UV Advantage finish features a crystal clear topcoat developed for durability in high traffic areas.

CONSTRUCTION

- Veneer tops are ¾" thick with veneer edge bands; made of select grade, sliced Black Walnut, Cherry, Maple, or Composite species
- TFL tops are ¾" thick with a 1mm PVC edge band
- Solid surface tops are ¾" thick and are available in six colors and two edge profiles
- Bases are manufactured using ¾" steel frames and powder coated in your choice of five standard colors
- Joints on bases are mitered and fully welded for maximum strength and durability
- Tops are securely fastened to the bases with metal screws
- Ships fully assembled

Indiana FURNITURE

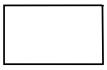
PLUSH™
COCKTAIL TABLE (620 SERIES)

Plush Lounge seamlessly brings together the endurance needed for commercial spaces with the relaxed comforts of home. Introducing a smart range of freestanding and modular seating components, along with coordinating tables, that provide the flexibility and comfort needed in today's ever-changing environments.

CONSTRUCTION

- Exposed wood parts are kiln-dried hardwoods, selected from the highest grades of plain sliced hardwood veneers and are free of spirits, discoloration, pits, shakes, and wormholes
- Joints are mortised and tenoned, screwed, and glued for maximum strength and durability
- Maple Wood Legs are 2"Wx2½Dx6"H; Metal Legs are 2"Wx2"Dx6"H
- Non-marring adjustable nylon glides included at floor level
- Table tops are ¾" thick and feature a vertical square profiled edge



- Ships fully assembled

Indiana FURNITURE

TOPSY TURVY™

COCKTAIL, END + MAGAZINE TABLES (521 SERIES)

Topsy table's classic square style is a go-to when you need an understated table with looks that say reliability. Turvy tables give an extra punch of style with the tapered legs and curvy appeal. Both available in wood, laminate, or solid surface tops with powder coated metal frames in five colors.

CONSTRUCTION

- Square and Rectangular models feature a 1" thick top; Round models feature ¾" thick top
- Veneer tops are made of select grade, sliced Black Walnut, Oak, Cherry, Maple, or Composite species
- TFL Laminate tops have a 1mm PVC edge band
- Solid surface tops are available in six colors and two edge profiles
- Bases are manufactured using steel frames and powder coated in your choice of five standard colors
- Joints on bases are mitered and fully welded for maximum strength and durability
- Tops are securely fastened to the bases with metal screws
- Ships fully assembled

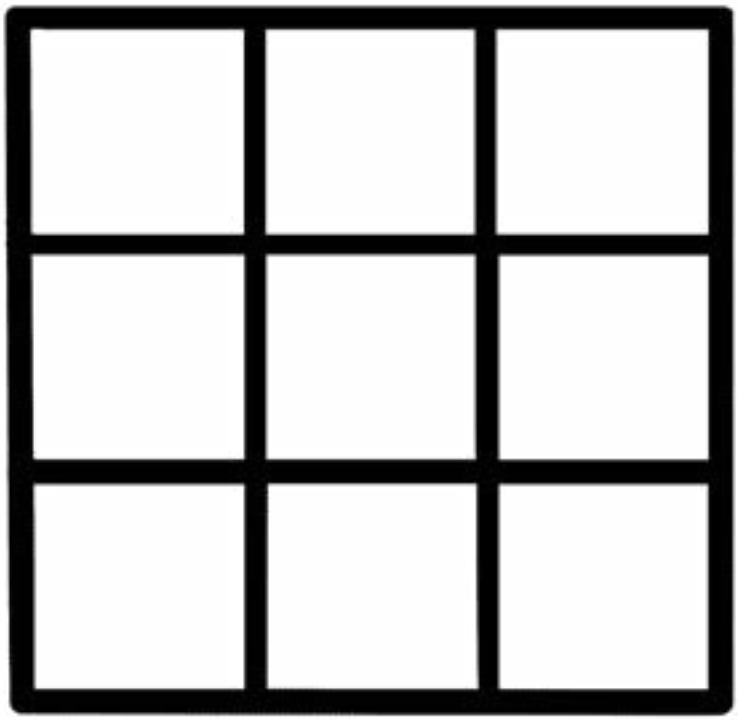
Space Division



Indiana FURNITURE

SCREENS+DIVIDERS
MULTI-USE SPACE DIVISION

Our functional range of screens and dividers make it easy to create space division within any environment, on nearly any product. Simply add screens to your worksfurface, training table, and/or reception desk to create privacy, add protection, or further define personal space.

CONSTRUCTION

ACRYLIC PANELS/SCREENS/DIVIDERS
- Clear and Frosted Acrylics are ¼" thick, while High Gloss Acrylics are ¾" thick; cut to size and machined for a clean finish

TFL PANELS/SCREENS/DIVIDERS
- Made of woodgrain and solid color laminates fused to particle-board core
- Privacy Panels and Above/Below Screens are ¾" thick
- Gallery Screens are 1" thick
- Each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance

VENEER PANELS/SCREENS/DIVIDERS
- Made of select-grade, plain sliced hardwood Cherry, Maple, American Black Walnut, White Oak, or composite veneers; selected and matched to assure proper balance and consistency
- Privacy Panels and Above/Below Screens are ¾" thick
- Gallery Screens are 1" thick
- Veneers feature Indiana Furniture's sustainable UVAdvantage, an ultra-violet topcoat finish, on all exposed surfaces by utilizing roll-coat UV technology

WIRE MANAGEMENT
- Grommets may be specified for 51"H, 42"H, and 30"H Straight Floorstanding Gallery Screens, and are available in black or silver

CERTIFICATIONS & COMPLIANCE
- CAL 117-2013 Compliance
- Intertek Sustainability Certified
- BIFMA level® Certified
- BIFMA Compliant Certified
- TSCA Title VI (CARB) Compliance
- US Green Building's LEED Contribution

Indiana FURNITURE

SQUARE ONE
GETTING STARTED & PLANNING

STEP 1: PLANNING FOR SQUARE ONE

Planning for Square One is based on configuring 12"x24" and 24"x24" blocks in nearly any manner to create space dividing walls, coves, work zones, and more within open environments.

Idea Starters/Typicals:

When you select one of our pre-configured Typicals, everything you need comes specified together, including the blocks, caps and posts, hardware, glides, and more.

- Select the typical number (e.g., 17-4), then specify the finish and hardware color.
- Add optional accessories (see Step #5).

Make Your Own Typicals:

There are endless opportunities with Square One, giving you the ability to create unique setups to meet the specific needs of your customers.

- We recommend utilizing our Specification/Drawing Services team, who can help in bringing your vision to life and ensure all the necessary components are included. To get started, just send us a drawing. You can use our easy online request form at: www.indianafurniture.com/contact/design-services-request-form
- Steps #2 - #5 outline the process for specifying your own typical. Please provide a drawing with the order to ensure accuracy.

STEP 2: SPECIFYING BLOCKS

When making your own typical, choose the quantity of blocks needed to create your design. We offer single blocks in two styles: 24"x24" and 12"x24".

- Blocks can go up to four high (8') and do runs of five wide (10') without a supporting wall or anchor to create stability.
- We recommend using single 12" x 24" blocks on the top or ends. If placing on the bottom or in the center of the design, using two of them together will ensure alignment with the holes bored on attachment items like End Caps, Corner Posts, etc.
- When creating an "L" or "T" design, we suggest going a minimum of three blocks wide to ensure stability without additional support.

STEP 3: CAPS, POSTS, CONNECTORS, AND SPANNERS

Next, determine what Caps, Posts, Connectors, and Spanners are needed to complete the design.

- End and Top Caps are necessary to ensure a clean and balanced aesthetic (as they hide the attachment hardware/ensure no empty holes are showing where attachments would have been).
- Square One offers connection beams to create 90° turns (Corner Posts), three walls (T-Connectors), four walls (X-Connectors), and span doorways or other openings (Horizontal Beam Spanners).
- End Caps, Posts, and Connectors should always be specified to run longer (taller) than the unit so that the end of the top cap or horizontal rail will not be seen (there are only a few exceptions).

STEP 4: HARDWARE, LEVELING, AND GENERAL ASSEMBLY

Whether connecting square to square or square to post, individual components come with the necessary hardware. Should you need more, we offer separate Bolt Kits to provide proper installation.

We offer heavy-duty, adjustable leveling glides to compensate for uneven floors. A tool (6mm allen driver bit) is also available to insert the glide nuts. The glides must be ordered separately from the blocks.

We do not offer connection methods to anchor to the floor or wall. We recommend discussing this with the building's facility manager for proper connection. Indiana Furniture will not be liable for wall or floor mounts that are not properly installed.

Assembly Instructions may be found on our website.

STEP 5: ACCESSORIES

Add function without sacrificing beauty. Acrylic Inserts, Tackable and Acoustical Panels, Dry Erase Boards, and TV mounts can give your space the ability for more privacy, collaboration, or brainstorming.

- Dry Erase Boards and Tackable Panels have onset installation.
- Dry Erase Boards can be mounted either vertically or horizontally.
- Acoustical Panels are either specified onset or inset, and Acrylic Inserts are inset.
- Tackable Panels are fully upholstered, so a clean aesthetic is seen from both sides of the blocks.
- Acrylic Inserts lock into insert retainers which are installed on top of the hardware, inside of the block, allowing for a quick and tight-fitting installation.
- Frosted Acrylic Inserts can be customized with a logo or image, giving you freedom to create a personal touch. Provide a .CDR, .AI, or .EPS file. Extended lead times may apply.
- We offer the Vesta Power Data Center and other similar items to add power within your Square One spaces created.

SQUARE ONE
SPACE DIVISION (1700 SERIES)

Space Division. Redefined.

Square One is the clean, simple way to provide space division, functionality, and architectural design to any zone within the working environment. With individual building blocks that securely connect to one another and accessories like dry erase boards, barn doors, planter boxes, acrylic inserts, and tackable and acoustical panels, your personalization of Square One is only limited to your imagination. Square One is made of solid wood, providing a sustainable material for the workplace and bringing warmth and beauty to any space.

CONSTRUCTION

BLOCKS
- Blocks are manufactured using kiln-dried, solid European Beech and are attached using hardware, available in your choice of nickel or black, for durability and strength

FINISH
- Indiana Furniture uses a multi-step hand finishing process
- Blocks are pre-sanded for smoothness, then stained and finished with a catalyzed varnish finish which offers durability, lasting beauty, and resistance to normal wear
- Square One finishes were selected to complement casegoods, tables, and seating finishes which allows for easy blending of furniture components

END & TOP CAPS
- Measure 1¾"W and 1¾"D and come in a variety of lengths
- Used vertically and horizontally to provide a clean, balanced aesthetic by hiding the attachment hardware
- Caps are constructed of kiln-dried, solid European Beech and include blind threaded inserts for installation

CORNER POSTS
- Measure 1¾"W and 1¾"D and come in a variety of heights
- Used to create 90° turns
- Corner posts are constructed of kiln-dried, solid European Beech and include blind threaded inserts for installation

T-CONNECTORS
- Measure 1¾"W and 1¾"D and come in a variety of heights
- Used vertically and horizontally to create an intersection for three wall runs
- T-Connectors are constructed of kiln-dried, solid European Beech and include blind threaded inserts for installation

X-CONNECTORS
- Measure 1¾"W and 1¾"D and come in a variety of heights
- Used vertically to create an intersection for four wall runs
- X-Connectors are constructed of kiln-dried, solid European Beech and include blind threaded inserts for installation

HORIZONTAL BEAM SPANNERS
- Measure 1¾"D and 1¾"H and come in a variety of widths
- Used horizontally to provide structural support for doorways and other designed openings
- Spanners are constructed of kiln-dried, solid European Beech and include blind threaded inserts for installation

DRY ERASE BOARDS
- Available in 22½" or 46½" heights and multiple widths
- Installed onset, either vertically or horizontally
- Installation brackets are included; longer bolts for installation on-site are also included

ACOUSTICAL PANELS
- Constructed of 100% polyester made from up to 50% recycled materials without the use of adhesive or other bonding agents, Acoustical Panels are 100% recyclable
- Panels are ½" (12mm) thick and are available in multiple widths and lengths
- Sound absorption is average NRC 0.75 (50mm air gap) 1.0 NRC in mid-high frequencies
- Panels are installed inset with tabs or onset with dual-lock connectors

TACKABLE PANELS
- Tackable Panels are constructed of 7⁄16" corkboard and then covered, on both sides, in the textile of your choice
- Highly-skilled upholsterers hand tailor each unit to meet individual specifications
- Upholstery options include a broad range of styles, all pre-graded in this price list for ease of use
- Panels are installed onset with dual-lock connectors

ACRYLIC INSERTS
- Acrylic inserts are manufactured using high performance engineering resins and provide translucency, strength, clarity, and versatility
- Inserts are 20½"W and are available in 8½" and 20½" lengths
- Inserts are inset within the blocks with retainers for a tight-fitting installation
- Frosted acrylic options can be customized with logos and other designs as requested

LEVELING GLIDES
- Heavy-duty, adjustable leveling glides are available in black or nickel and are recommended to ensure proper leveling and compensation for uneven floors
- A tool (6mm allen driver bit) to install glides is also available to ensure proper installation

BARN DOOR HARDWARE
- Sliding system tracks are constructed of black powder coated steel
- Hardware includes tracks, hangers, track stops, screws, inserts, bracket, and sliding system
- Installation hardware will be shipped attached to components

PLANTER BOXES
- The planter box is made of ¾" thick thermally-fused laminate (TFL) fused particle-board core
- Grain direction runs horizontal
- Planter boxes are fastened together with screws and heavy-duty metal fasteners
- Optional insert is made of lightweight, fade-resistant, recyclable plastic

Colors represented are high-resolution reproductions and may vary slightly from the actual product. To order samples, please contact our Customer Service team or order online at www.indianafurniture.com. Graining and finish colors may vary, yet will continue to complement, across Veneer, HPL, TFL, and Seating products due to the inherent differences of these materials.
