NOTICE TO AUTHORIZED USERS OF AWARD #23295 - Furniture, All Types (Except Hospital Room and Patient Handling)

This pricelist/catalog **may** contain items that are not within the Scope of the Contract Award and/or not within this Contractors approved furniture Categories. All Authorized Users are strongly encouraged to review the Scope of the Award and the Contractors Category Matrix prior to selecting items for purchase under the Contract. Per Solicitation Section 4.5 (D) - Procurement Instructions for Authorized Users: When placing orders under this Award, the Authorized User should follow and be familiar with the terms and conditions governing the Contract and are responsible for determining that the product(s) they intend to purchase fit within the scope of the Award.

References to other government contracts that may be included in a Contractor's pricelist/catalog, including any additional terms or conditions, are void under the OGS Award and should be disregarded. Only OGS' Terms and Conditions, including those within a Contractor's posted Contractor Information and Supplemental Information sheet, are valid under the Contract.

Additionally, Authorized Users are reminded that where discrepancies exist between Price List documents, the lowest price shall prevail (see Section 5.3 Price).

All orders must be placed with the Contractor, or the Contractor's OGS approved Authorized Reseller listed on the OGS website under the Award. Orders placed with a reseller not approved by OGS are not considered contract orders and therefore are not subject to the same terms and conditions of the OGS Award.

Authorized Users should contact the OGS Contract Manager listed on the Award with any questions pertaining to this pricelist/ catalog.

ModPower Cable Management Cord Clips (Package of 10)	P-WM-CLIPS-10	$ 68.80
ModPower Jumper Cables (2 Pieces)	P-WM-EXT3CORD-2	$ 604.71

Description

•In-Surface modular code-compliant power unit allows for “daisy-chaining” multiple desktops/tabletops (US – 6 units & Canada – 4 units – Review Regional Compliance). To connect multiple units together to create a system of power for training spaces, workstations or flexible spaces.
•In surface units include a bezel that hides the mounting screws for a cleaner look.
•UL Spill Water Compliant. Passed UL 962A spill water test requirements so it can be used on a horizontal surface, such as a tabletop. FCC Compliance. This device complies with part 15 of the FCC Rules.
•Units (primary, middle and end) all utilize a circuit breaker – following UL962A Supplement SD requiring portable (moveable) workspace tables contain supplementary overcurrent protection, plus tamper resistant receptacles. Models have three tamper resistant receptacles to keep little fingers away from danger.
•Available Colors: Magnesium or White
•Primary Attached Integrated Units include 10’ 3-Prong power Cord and 3’ Integration cord with male power port
•Secondary Attached (Middle) Integrated Units include 3’ Integration cord with female power port and 3’ Integration cord with male power port
•End Attached Integrated Units include 3’ Integration cord with female power port
•Mounting clips allow for tidy wire management and additional 3’ jumper cables to provide flexibility over greater spans.
