

NOTICE TO AUTHORIZED USERS OF AWARD #23295 - Furniture, All Types (Except Hospital Room and Patient Handling)

This pricelist/catalog may contain items that are not within the Scope of the Contract Award and/or not within this Contractors approved furniture Categories. All Authorized Users are strongly encouraged to review the Scope of the Award and the Contractors Category Matrix prior to selecting items for purchase under the Contract. Per Solicitation Section 4.5 (D) - Procurement Instructions for Authorized Users: When placing orders under this Award, the Authorized User should follow and be familiar with the terms and conditions governing the Contract and are responsible for determining that the product(s) they intend to purchase fit within the scope of the Award.

References to other government contracts that may be included in a Contractor's pricelist/catalog, including any additional terms or conditions, are void under the OGS Award and should be disregarded. Only OGS' Terms and Conditions, including those within a Contractor's posted Contractor Information and Supplemental Information sheet, are valid under the Contract.

Additionally, Authorized Users are reminded that where discrepancies exist between Price List documents, the lowest price shall prevail (see Section 5.3 Price).

All orders must be placed with the Contractor, or the Contractor's OGS approved Authorized Reseller listed on the OGS website under the Award. Orders placed with a reseller not approved by OGS are not considered contract orders and therefore are not subject to the same terms and conditions of the OGS Award.

Authorized Users should contact the OGS Contract Manager listed on the Award with any questions pertaining to this pricelist/catalog.

ARCONAS commitment

our vision To be the world's authority in furniture for public spaces.

our mission We design our products with purpose to ensure each piece follows the highest standards of design, allowing them to be beautiful, functional, and durable.

our values We respect, appreciate and value everyone.
We maintain a strong tradition of innovation.

Arconas has practiced environmentally responsible operations since we began manufacturing in 1972.

All of our public seating lines meet the requirements of the ANSI/BIFMA Emissions Standards X7.1.2011. Our beam-based products are low VOC and do not contribute to poor indoor air quality. Our company is ISO 9001 and 14001 certified

The MDF we use is made from recycled/recovered wood fibers rather than using new wood. We also have available an MDF option with no-added formaldehyde. Many of our upholstery choices are made of recycled fibers. When new wood is used in our tabletops, Forest Stewardship Council (FSC) certified wood options are available.

Arconas and the environment Arconas is fully committed to reduce waste, reuse materials and recycle wherever possible to minimize landfill contributions.

terms of sale

standard terms of sale

Unless otherwise agreed to in writing between Arconas Corporation ("Arconas") and the recipient of Arconas' quotation (the "Customer") for the sale of products (the "Products") the following terms: (a) are part of Arconas' quotation for the sale of Products and acceptance Arconas of any resulting order from the Customer (the "Order"); (b) shall become the exclusive and binding agreement between Arconas and the Customer with respect to the Order (the "Agreement"); and (c) shall apply to any purchase order issued by the Customer in connection with an Order, regardless of whether these terms are expressly referenced in that purchase order. No term set forth in any of the Customer's form of solicitation, purchase order, or contract shall become part of the Agreement or otherwise become binding on Arconas unless expressly agreed to in writing by Arconas.

change orders

Substitutions, deletions, additions or other changes to an Order may not be made by a Customer without the written approval of Arconas. A \$500 change fee will apply to all confirmed orders once they have been acknowledged by Arconas.

The purchase price for the Products as described in Arconas' quotation is F.O.B. Arconas' factory (the "Purchase Price"). Payment terms shall be as described in Arconas' quotation.

If any undisputed amount payable by the Customer under this Agreement is not paid when due, Arconas may assess and, if so assessed, the Customer shall pay a late charge at the rate of twelve percent (12%) of the outstanding amount (or at highest rate permitted by law, whichever is lower), per annum, pro rated on a daily basis. If an invoiced item is disputed, the Customer must give Arconas written notice of such dispute with full particulars thereof within thirty (30) days after the Customer's receipt of the applicable invoice. If the Customer disputes an invoiced item and such invoiced item is upheld in Arconas' favour, then such late payment charge provided for herein shall apply to the time period starting ten (10) days from the date on which the dispute is resolved. If the invoice contains an error, the Customer shall notify Arconas of such error and late charges shall apply thirty (30) days after the Customer's receipt of a corrected invoice.

Unless expressly provided for in Arconas' quotation and the Order, the Purchase Price does not include any applicable taxes, duties or other assessments that are applicable to the Order. The Customer shall pay any applicable taxes, duties or other assessments of a governmental authority and related interest and penalties relating to the Order (excluding taxes on Arconas' income). The Customer shall forthwith provide Arconas with copies of any documents which are reasonably requested by Arconas to evidence the remittance of any taxes, duties or other assessments relating to the self-assessment and remittance of taxes, duties or other assessments paid by the Customer relating to an Order. The Customer shall indemnify and save Arconas and Arconas' directors harmless from any taxes, duties, assessments, penalties, interest or other amounts which may be payable by or assessed against Arconas or its directors as a result of the Customer's failure to pay in full when due all taxes, duties or other assessments relating to an Order.

prices, payment and taxes

A 3.8% additional charge will be applied for credit card payments over \$10,000. All processing fees such as Textura will be charged back.

cancellation

A Customer may not cancel any order without Arconas' approval and then only upon payment of the applicable cancellation charges set forth herein. The effective date of any approved cancellation shall be the date that Arconas receives notice from the Customer of its request to cancel an order (the "Cancellation Date"). Cancellation charges shall be assessed as follows: (i) for orders scheduled to ship within (10) days of the Cancellation Date, cancellation charges shall be one hundred percent (100%) of the Purchase Price; (ii) for shipments scheduled beyond ten (10) days from the Cancellation Date, cancellation charges shall be fifty percent (50%) of the Purchase Price. Arconas is under no obligation to accept any order cancellation and may refuse any Customer request for cancellation in Arconas' sole discretion. In the event of an approved cancellation, Arconas shall have the right to retain any funds paid in the form of a progress or deposit payment, as applicable, towards satisfaction of a cancellation charge payable hereunder.

terms of sale

events of default

The occurrence of any one of the following events before payment in full is received by Arconas shall be an "Event of Default": (a) the Customer fails to make a payment when due and payable; (b) the Customer fails or neglects to perform any of its obligations hereunder; (c) the Customer makes any false or misleading representation to Arconas in connection with this Agreement; (d) the Customer enters into any arrangement with its creditors or any of them or suspends payment generally or is otherwise unable to pay its debts as they become due; (e) a receiver for the Customer or any material portion of its property is appointed or steps are taken for the appointment of such receiver by any person or entity; (f) if a bankruptcy, liquidation, insolvency or other similar proceeding is filed by or against the Customer, and in the case of an involuntary proceeding, is not vacated or set aside within sixty (60) days of its commencement; or (g) a breach or default by the Customer occurs under any other agreement between the Customer and Arconas or with respect to any other obligation the Customer to Arconas. Upon the occurrence of an Event of Default, in addition to any other remedies available to Arconas under this Agreement or at law, Arconas shall have the right to terminate this Agreement and retain any funds paid in the form of a progress or deposit payment, as applicable, towards satisfaction of any expenses, costs, damages or other liabilities incurred by Arconas related to the Event Default.

title to products and arconas security interest

So long as any amount of the Purchase Price or any other charges payable hereunder in connection with an Order remain outstanding, title to the Products shall remain with Arconas. Arconas hereby retains, and the Customer hereby grants to Arconas, a security interest in the Products purchased hereunder until the Customer has made payment in full. The Customer shall execute, deliver, or endorse any and all instruments, documents, assignments, security agreements, and other agreements and writings that Arconas may at any time reasonably request in order to secure, protect, perfect, or enforce the security interest and Arconas' rights under this agreement.

Arconas shall have all of the rights of a secured party with respect to the Products purchased hereunder under applicable laws. Upon Customer's default of any payment obligation, in addition to other rights and remedies it has under this Agreement and may have at law, Arconas may exercise all the rights and remedies of a secured party in respect of the Products on default under applicable law, including, without limitation, the right to enforce the security interest to retake possession of any or all of the Products. Upon payment of the Purchase Price and all other charges payable by the Customer in connection with an Order, title to the Products shall transfer to the Customer and the security interest granted hereunder to Arconas shall be discharged.

indemnification

Negligence by the Customer shall indemnify, defend and hold Arconas harmless from and against any and all claims, actions, losses, damages, demands, liabilities, costs and expenses, including reasonable attorney's fees and expenses, whether or not a suit or other proceeding is initiated, which may arise from, but not limited to, the following events: (i) representations or misrepresentations made by the Customer, (ii) any neglect by the Customer or end-users, (iii) the Customer's or end-users' use of the Products not in compliance with the Products' intended purposes, (iv) assembly and installation by the Customer limits warranty to Material and Workmanship of the components (only) (v) Customer's or end-users' modifications or alterations of Products that have not been approved by Arconas, (vi) damage from Customer or end-user misuse of the Products, or (vii) any other act, or failure to act, not in accordance with the terms of this Agreement by the Customer, or any other breach by the Customer of any covenants of the Customer under this Agreement.

governing law; consent to jurisdiction

This Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario, Canada. The application United Nations Convention for the International Sale of Goods is excluded and shall not apply to any purchase and sale made hereunder. Any legal suit or action arising out of or relating to this Agreement may be instituted in a court of competent jurisdiction in Ontario, Canada and the Customer waives any objection which it may now otherwise have or hereafter have to the waiving of the venue of any such suit, action or proceeding and hereby subjects itself to the jurisdiction of any such court.

terms of sale

assignment

The Customer may not assign, transfer or otherwise encumber this Agreement or any part thereof without express written consent of Arconas. Arconas may assign and transfer this Agreement or any interest or right hereunder or any interest or right in the Products and/or grant a security interest in the Products, in whole or in part. Subject to the foregoing, this Agreement shall inure to the benefit of, and is binding upon, the successors and permitted assigns of the parties.

force majeure

A party's obligations hereunder will be excused during any time period when it is unable to perform such obligations hereunder due to circumstances beyond its reasonable control, including but not limited to fire, flood, embargoes, war, strikes, lockouts or other labour disturbances, shortages of labour or materials, acts of God, omissions or delays in acting by any governmental authority or other party. party so affected, upon giving prompt written notice to the other party, shall be excused from performance of its obligations hereunder to extent of the during of such event provided that such party shall use its reasonable commercial efforts to avoid or remove such event.

entire agreement

The Customer's acceptance of any Products purchased under this Agreement shall be deemed acceptance of all the terms and conditions stated herein. Arconas' failure to object to any provisions contained in any communication from the Customer shall not be deemed a waiver of the provisions contained herein. This Agreement represents the entire agreement between the parties relating to the subject matter hereof and shall supersede all prior written or oral understandings and/or other terms in any purchase order or other document, now or hereafter delivered, except that this Agreement shall not supersede other written agreements between the parties that expressly reference this Agreement.

warranty

At Arconas we are proud of the products we manufacture. We confidently warranty our products against defects in material and workmanship when properly installed, maintained and used for their intended purposes.

Arconas provides a warranty beginning from the product's date of manufacture, applicable to the original purchaser. The warranty duration varies by product; please consult the specific warranty documentation for detailed information. Electrical components are covered against defects in materials and workmanship for one (1) year from the date of initial installation.

Arconas will provide field repair or replacement of warranted parts free of charge during the first year of a warranty. Thereafter, Arconas will replace defective parts for our customer to install.

Arconas products are designed to provide long service under normal use; damage resulting from misuse, abuse, negligence or accident are not covered. While serviceability will be maintained, we cannot prevent normal wear and tear, colour and texture change.

warranty

Arconas shall not be held liable for consequential, economic or incidental damages arising from any product defect.

freight

Freight terms shall be as described in the Order.

Customers should refuse shipments showing visible damage. Where concealed damage is discovered customers should immediately notify the transportation company. Any claims must be directed to the transportation company. Arconas' responsibility ceases at point pick up by the carrier at our facility. Claims must originate at point of delivery.

Arconas products may have minimum order quantities. Customers will be informed at the quoting stage. Longer lead times may apply.

COM available upon request.
COM materials are to be sent prepaid to: Arconas, 5700 Keaton Crescent, Mississauga, ON Canada L5R 3H5
The packing slip accompanying the shipment must show the client's name and purchase order number to which the material is to be applied as well as the yardage shipped, fabric content and value. Also, a sample of the fabric must be enclosed with the packing slip. This information is mandatory for Customs purposes.

NOTE: The client is responsible for paying Duties and Taxes, plus freight charges incurred by commercial couriers.
A sample of the COM material must be supplied directly from the customer prior to the time of order to allow Arconas to assess suitability and to ensure accurate requirements. The Arconas warranty does not apply to COM material. A surcharge will apply for any material requiring special handling. Arconas reserves the right to refuse any fabric not considered suitable for our products. The customer will be notified before cutting if any COM material or pattern is deemed unsuitable for a product. Inquire with the factory for warranty of COM fabrics.

Yardage given throughout the price list is based on 54" wide material without pattern.
For a patterned fabric, please inquire with the factory.

materials

California technical bulletin 133 is a flammability test procedure for seating furniture for use in public occupancies. The "all components" test requires that a product be tested in the finished form, in which it will be used within an installation. The code requires that a product does not support combustion.

Arconas is able to alter our standard foam to pass CAL133. Call Customer Service for applicable products and pricing.

CAL 133

NOTE: When product is required to pass CAL133 insure that the fabric selected will also be able to pass this test.

overview

Choosing the right finishes is crucial for creating furniture that meets our high standards of quality, sustainability, and aesthetic appeal. At Arconas, we meticulously select finishes that not only look and feel elegant but also stand up to the rigorous demands of public transportation environments. Each selection is chosen to enhance our products, ensuring they offer not just style but lasting durability.

To assist you in making informed decisions, we've developed a comprehensive grading system that evaluates each of our standard textiles based on key criteria: material construction, color selection, texture and durability.

Grade A | Esprit by Nassimi

Our Grade A material is a standard vinyl known for its flexibility and strength. It offers a sleek appearance, a large color selection and is easy to clean and maintain.

Grade B | NaugaSoft by NaugaHyde

Our Grade B material is a premium vinyl offering a soft, leather-like feel with exceptional durability and versatility. This high-performance material is engineered to withstand wear and tear, making it resistant to fading, stains, and abrasions.

Grade C | Destiny by Majilite

Our Grade C material is a nylon matrix fabric offering a luxurious, durable finish with a soft texture, engineered for longevity and ease of maintenance. It is resistant to stains, moisture, and wear, making it ideal for high-traffic environments.

Grade D | eLeather by Gen Phoenix

Our Grade D option is an eco-friendly material made from recycled leather fibers, combining the strength of leather with sustainability. It's lightweight, easy to maintain, and provides a premium leather-like look.

textiles

Phenolic Fenix is a laminate material with a solid core of 12mm offering versatility and durability for high traffic environments. With low light reflectivity, Fenix is extremely opaque, soft touch and anti-fingerprint.

Solid Surface Corian® is an advanced composite material offering exceptional design versatility, functionality, and low-maintenance care. Solid Surface is engineered for durability, making it ideal for tabletops and counters.

Silestone is a hybrid surface of natural minerals and recycled materials, engineered for a polished, lustrous finish. With the durability of granite and marble but a brighter look, it's a long-lasting, stain-resistant choice.

power

inPower™ flex 3

OE power

surge power station

ARCONAS

InPower™ Flex 3 delivers reliable power for a wide range of personal electronic devices, including laptops, digital cameras, MP3 players, and gaming consoles. Designed to meet the demands of today's connected users, InPower™ Flex 3 includes dual 120 VAC receptacles and two 5 VDC USB-C ports. The modules support seamless connection in series, allowing a single power source to support numerous units. The modules are versatile, with mounting options for linear or back-to-back units, intermediate or connecting tables, and cluster tabletops, with specialized brackets provided for each application.

InPower™ Flex 3 minimizes the risk of building circuit breaker trips by incorporating an internal circuit breaker in each module. This feature limits an individual user's current to approximately 5 amps (600 watts), preventing the use of high-current appliances such as hair dryers or vacuum cleaners while supporting consumer electronics. In the event of an overload, only the affected module shuts down, and it can be quickly reset with the built-in circuit breaker.

InPower™ Flex 3 units are available in configurations for **North America, Europe (U.K.), India, and Universal outlets**. Additionally, the modules feature tamper-resistant electrical receptacles for enhanced safety and compliance.

overview

With its advanced features and thoughtful design, the InPower™ Flex 3 system is the ideal solution for delivering safe, efficient power in any environment.

power capacity

AC Receptacle: 120 VAC 12 A for tandem wiring system and each module
 USB: 5VAC/5A, 12VDC/5A, 20VOC/4.64A

tandem wiring

Tandem wiring is used to connect multiple units from a single wall receptacle.
 Up to 5 power modules can be connected in a series.
 Maximum 32 feet of jumper cable length in a series.

protection

Inlet power tandem wiring - resettable breaker with fault indication
 - Tandem wiring 12 Amp max
 - Module limit - resettable breaker 12 Amps
 InPower flex 3 features GFI with auto test, auto reset, and fail indicator
 6800 MA over-current protection on USB-C

warranty

Arconas warrants inPower™ Flex components against defects in parts and workmanship as for a period of 1 year from the date of the initial installation. The inPower™ Flex components must be properly installed & maintained in a dry indoor location and used for their intended purposes.

OE Power specializes in innovative power and charging solutions that enhance functionality in workplaces and public spaces. Their products are designed to integrate effortlessly into furniture, offering reliable device charging for offices, airports, schools, and other high-traffic areas. With a focus on durability and sustainability, OE Power delivers efficient, user-friendly solutions tailored to meet the demands of modern environments.

OE products are designed with modular components, offering the flexibility to include foreign sockets for use outside North America. With availability in most major markets worldwide—including **Europe, the Middle East, North America, South America, Australia/New Zealand, and parts of Africa and Asia** — OE products are a truly global solution.

overview

AC Receptacle: 120 VAC, 60Hz, 15A MAX; NEMA 5-15R TR Socket

USB-A Port: 5V/3A, 9V/2A, 12V/1.5A (QC3.0)

USB-A Port: 5V/3A, 9V/2.22A, 15V/1.65A, 20V/1.2A (PD3.0)

power capacity

Circuit Breaker: 12A, 240VAC, 32VDC

Tandem wiring is used to connect multiple units from a single wall receptacle.

tandem wiring

Up to 6 power modules can be connected in a series.

Tested to IEC 62368-1

certifications

EMC/EMI to EN61204

Arconas warrants OE components against defects in parts and workmanship as for a period of 1 year from the date of the initial installation. OE components must be properly installed & maintained in a dry indoor location and used for their intended purposes.
