This pricelist/catalog may contain items that are not within the Scope of the Contract Award and/or not within this Contractor's approved furniture Categories. All Authorized Users are strongly encouraged to review the Scope of the Award and the Contractor's Category Matrix prior to selecting items for purchase under the Contract. Per Solicitation Section 4.5 (D) - Procurement Instructions for Authorized Users: When placing orders under this Award, the Authorized User should follow and be familiar with the terms and conditions governing the Contract and are responsible for determining that the product(s) they intend to purchase fit within the scope of the Award.
