

NOTICE TO AUTHORIZED USERS OF AWARD #23295 - Furniture, All Types (Except Hospital Room and Patient Handling)

This pricelist/catalog may contain items that are not within the Scope of the Contract Award and/or not within this Contractors approved furniture Categories. All Authorized Users are strongly encouraged to review the Scope of the Award and the Contractors Category Matrix prior to selecting items for purchase under the Contract. Per Solicitation Section 4.5 (D) - Procurement Instructions for Authorized Users: When placing orders under this Award, the Authorized User should follow and be familiar with the terms and conditions governing the Contract and are responsible for determining that the product(s) they intend to purchase fit within the scope of the Award.

References to other government contracts that may be included in a Contractor's pricelist/catalog, including any additional terms or conditions, are void under the OGS Award and should be disregarded. Only OGS' Terms and Conditions, including those within a Contractor's posted Contractor Information and Supplemental Information sheet, are valid under the Contract.

Additionally, Authorized Users are reminded that where discrepancies exist between Price List documents, the lowest price shall prevail (see Section 5.3 Price).

All orders must be placed with the Contractor, or the Contractor's OGS approved Authorized Reseller listed on the OGS website under the Award. Orders placed with a reseller not approved by OGS are not considered contract orders and therefore are not subject to the same terms and conditions of the OGS Award.

Authorized Users should contact the OGS Contract Manager listed on the Award with any questions pertaining to this pricelist/catalog.

Egan Mobiles

■ Architrave Mobile

Architrave products are defined by their sturdy, wood oak Boxcore 1 1/8" (29mm) frame. Features of the Architrave family consist of thin bezel edge of 1/4" (6mm), a robust construction with a clean external appearance and no extraneous materials. Specify Architrave mobile from a range of infill options, such as EVS, GlassWrite, EganINK, Tackable fabric or EcoTack/Polyethylene Terephthalate (PET).

■ Boxcore Mobile

The Boxcore Mobile utilizes the unique Egan Boxcore™ design for a high degree of stability when moving and when writing. It is distinguished by an ultra-thin bezel, and aluminum frame in 1 1/8" (29mm) depth. The Boxcore Mobile has a new frame to base connection, for clean uninterrupted lines. This new connection provides additional functionality by linking together multiple Boxcore Mobiles on a linear plane with only a 1/4 gap between mobiles. Available with EVS, Glass and Tackable infills.

■ V-Series Mobile

V-Series Mobiles are available with Four-Point Base and Three-Point Bases. The V-Series Four-Point Base Mobiles are designed to link or stand alone, whereas, the Three-Point Base Mobiles are designed to work with Four-Point base models to create linked partitions that can be positioned at almost any angle. These Mobiles feature guaranteed-to-clean EVS™ dry-erase surface that accepts magnetic accessories. Three-Point Base models are not recommended for non-linked applications.

■ Egan Lite Mobile

Egan Lite Mobiles are incredibly lightweight and easy to move, base options include locking casters or a low profile bases to suit your application. The Lite Mobile is also available as a Screen Door - a weighted trip-free base with exceptional stability and rotation through 360°. A 90° notch in the base provides compatibility with any wall or partition system. The no-lock front caster rolls smoothly and ensures door will fold back to permit free traffic flow. Egan Lite Mobiles can be specified with an EVS or Tackable infill per side.

■ A-Frame VersaMobile

A-Frame VersaMobiles offer two-sided high-performance EVS™ dry-erase surface. Specify any combination of EVS™ magnetic surface or Egan tackable fabric. A fixed track at the top of the A-Frame accommodates lightweight VersaBoards or EganSystem Track boards. Additional VersaBoards or 202 EganSystem Boards sold separately. Storage for up to five boards is available inside the spacious A-Frame shelf cavity.

Architrave Mobile

Architrave products are defined by their sturdy, wood oak Boxcore 1 1/8" (29mm) frame. Features of the Architrave family consist of thin bezel edge of 1/4" (6mm), a robust construction with a clean external appearance and no extraneous materials. Specify your Architrave mobile from a range of infill options, such as EVS, GlassWrite, EganINK, Tackable fabric (EganFabric or maharam), or EcoTack. Mobile bases come with easy swivel and locking casters.

Architrave Mobiles can be specified with a different infill per side. Pricing reflects costs for 1 side only. Choose an infill for each side and add the price together for the total cost. If the infill is the same for both sides, simply double the cost in the chart below.

Table Shows Pricing Per Side of Board

Dimensions	EVS/ per side	Tack EcoTack/ per side	Tack Standard Fabric/ per side	Tack Grade A Fabric/ per side
36"w x 54"h x 23 1/2"d	\$1,010	\$1,070	\$1,130	\$1,210

WHAT'S IN THE BOX

For dry-erase surfaces, two (2) assorted color Dry-Erase Markers, and one (1) EganCloth

Architrave Mobile GlassWrite

Architrave products are defined by their sturdy, wood oak Boxcore 1 1/8" (29mm) frame. Features of the Architrave family consist of thin bezel edge of 1/4" (6mm), a robust construction with a clean external appearance and no extraneous materials. Architrave mobile can be specified with GlassWrite infill on both sides. Mobile bases come with easy swivel and locking casters.

Egan GlassWrite is built from a guaranteed-to-clean, crystal clear, low iron tempered safety glass. GlassWrite surfaces are dry erase, guaranteed-to-clean board, neo-magnet compatible, and with color from Egan's infinite color program or high-resolution printing with EganINK.

Dimensions	GlassWrite MAG

Egan Lite Screen Door Mobile

Egan Lite Screen Door features a weighted trip-free base with exceptional stability and rotation through 360°. A 90° notch in the base provides compatibility with any wall or partition system. The no-lock front caster rolls smoothly and ensures door will fold back to permit free traffic flow.

Egan Lite Screen Doors can be specified with an EVS or Tackable infill per side. Pricing reflects costs for 1 side only. Choose an infill for each side and add the price together for the total cost. If the infill is the same for both sides, simply double the cost in the chart below.

Egan TableScreens

■ Architrave

Architrave products are defined by their sturdy, wood oak Boxcore 1 1/8" (29mm) frame. Features of the Architrave family consist of thin bezel edge of 1/4" (6mm), a robust construction with a clean external appearance and no extraneous materials. Specify your Architrave TableScreen from a range of infill options, such as EVS, GlassWrite, Tackable fabric.

■ Boxcore 29

The rectilinear minimalist design of the Boxcore 29 presentation board is available as a versatile, demountable office enhancement in the form of the Boxcore 29 TableScreen™. Available in a range of infill options, such as EVS, GlassWrite and Tackable fabrics. Specify EganINK on any material to enhance productivity and design.

■ Dimension

The design principles of the Dimension family extend into the Dimension TableScreen, with its crisp, clean lines that promote a minimalist esthetic and create consistency and uniformity when specified with the Dimension line of Marker and Tackboards.

■ GlassWrite

The GlassWrite TableScreen is an elegant, framless 1/2" (13mm) thick singular piece of glass with polished and chamfered edges. Available in Frosted or Clear glass with the option to illuminate the GlassWrite panel with a LED light embedded into the base.

■ V-Series

Formerly M-Series, the V-Series TableScreen is part of the V-Series design family which has a sturdy aluminum frame and a range of infill options, such as: EVS, Frosted Glass, Cork and Tackable Fabric. The V-Series TableScreen also has a unique mount (as shown on page 53), making it extremely easy to install.

■ Fabric

Create functional privacy without compromising design elements in open concept environments. Available with 5 Standard Fabric patterns with a wide selection of colorways for each pattern or upgrade to Grade A Maharam fabrics. COM available contact Egan Rep or Egan Customer Service for details.

Egan TableScreens™ Mount Options

Surface Mount, Joiner Clamp, Cross Clamp and Edge Clamp are available on all Egan TableScreens™. Mount options shown below apply to Dimension, GlassWrite™, Architrave and Boxcore™ models. Dimension TableScreen shown below.

Surface Mount, Joiner Clamp, Cross Clamp and Edge Clamp are available on all Egan TableScreens™. Mount options shown below apply to V-Series TableScreens.

Parcel Service items (☞) ship 'Freight Included'.

Sound Ideas

Egan can provide a tailored sound analysis on how to reduce reverberation and decibels in your environment. Contact Egan or your local Rep for more details: www.egan.com/rep-locator/

■ Egan Disperse™

The all-new Egan Disperse™ Acoustical Panels gives you new ways to influence your space and enhance people's experience within it. Thanks to its sound-damping core (PET with an NRC rating of 0.75) and surface design, you have enhanced ability to influence sounds, particularly in open spaces. For a unique and highly customizable visual design element turn to Egan Disperse Acoustical Panels. Egan Disperse mobiles can help with sound mitigation in many environments. Front-facing apertures in the surface available in Egan's wood veneer for the infills, or specify Etex in a number of colors. Also available in wall mounted panels.

■ Acoustical Wall Panels

Form and function work together to provide visually interesting installations while reducing ambient noise and increasing workplace productivity. Egan acoustic panels are designed to help control echo and sound bounce within a room, and to stop sound from escaping or entering a room.

Series 3 panels are an ideal solution to effectively reducing dB levels in a room. These panels have an NRC rating of .85 (1") and 1.05 (2"). Specify your choice of acoustic fabric from Guilford of Maine, select Maharam, and COM fabrics.

■ Decorative Tack

Decorative Tack is designed for use on walls where a long lasting tackable surface is needed. While dampening noise, Decorative Tack can also be used as attractive, visual installations that add color and texture to a room. Available in 1/2" thickness with an NRC rating of .35 and STC rating of 25

Egan Disperse™

Egan Disperse mobiles help with sound mitigation in open spaces. Thanks to its sound-damping core and surface design, you have enhanced ability to influence sounds. Front-facing apertures in the surface are available in Egan's wood or Etex in a number of colors.

■ Technology

Egan's technology lecterns blend contemporary design with logical technology management. Our lecterns inspire confidence and give you control of your presentation without the need for a mouse, remote or keyboard. Our lecterns range in features and benefits such as dynamic height adjustment, interactive touch screens, and customizable design specifications.

■ Contemporary

These elegant lecterns are built for a range of benefits, such as easy mobility, height adjust-ability, as well as ample and lockable storage. These lecterns are built for durability, are light weight and known for their portability. These Contemporary lecterns are popular for modern business presentations, school presentations, art shows, and any setting that calls for an attractive looking presentation.

■ Classic

Like our Contemporary lecterns, Egan Classic lecterns are designed for settings that call for an attractive looking presentation. These lecterns are popular for customer's choice in wood surface finish and custom printed graphics. Our classic lecterns are also known for their range of features, such as mobility and height adjust-ability.

**BUILT
TO INSPIRE**

How to Choose an Egan Lectern

Egan Visual offers an exceptional array of lecterns and presentation centers for any environment that calls for spoken presentations and focused information sharing. Our lecterns range from the beautiful and highly practical AVA Lectern with its endless standard configurations to our attractive and technologically sophisticated TecTern™ Series.

Here are some things to keep in mind when considering which Egan lectern is right for your space:

Esthetic

- Does your space require a Classic, Contemporary or a Technology lectern design?
- Is there a requirement for custom logos or graphics on the modesty facing or any other part of your Egan lectern?
- What finishes does your design palette call for?

The Presenter

- Is it important that your Egan lectern is height adjustable and/or ADA/barrier free for accessibility and comfort?
- Is it preferable that your Egan lectern include hand placement channels on the crown for the speaker's comfort?
- Do you expect a variety of media and presentation methods to be deployed from your Egan lectern (eg: printed notes, projection/document camera)

Utility

- Will your presenters be using a laptop, tablet, or other device to deliver their message be installed in or around your Egan lectern?
- Does your environment require that your Egan lectern be fully mobile and able to move easily from area to area with locking casters?
- Are there any number of audio-visual components that need to be added to your Egan lectern at the time of installation? (eg: racked equipment, room control components)

Places

Egan lecterns can be used to stand out in a variety of places and situations, including: boardrooms, project rooms, lecture halls, places of worship, banquet halls, and hotels. They are also ideal for valets and maître d's to greet guests. You can use your Egan lectern for whatever the situation calls for; the only limit is your creativity.

Everything you see in the following section of this Egan Price & Specification Guide is available as a standard product, a custom configured product with a host of elements to choose from, as well as fully bespoke lecterns and presentation centers that can be designed in partnership with you and our factory experts through our industry leading Custom Response Program.

Audio Visual Height Adjustable Lectern

The AVA lectern is a height-adjustable podium with an elegant, modern design. Finished in wood veneer and powder-coated base and top, the AVA lectern comes with various key features to support you through your presentations. Some key features include a power height adjustment from 31-1/2" to 42-3/8," built-in wheels on base for mobility, pull-out shelf, and a 1 3/4" diameter holes for cabling, monitor arm, microphone restraint or in/out cabling. ADA Compliant.

TecTern™ III

TecTern™ III brings a decidedly modern and sleek esthetic to the Egan technology lectern series. With soaring lines and swooping expanses of clean space, TecTern III makes an intelligent statement about the presenter and the presentation. Interactive presentations are easy, with a fully-integrated interactive flat panel - finger touch control that even guest presenters can use, because it connects to the PC with no drivers to install. T3TM includes annotation software.

TecTern™ S2

The popular TecTern™ series takes inspiration from the highly customizable 202 series instruction lecterns, bringing high functionality in a contemporary design and modest footprint. TecTern S2 features the size-class of TecTern TWO, but introduces a base and crown that can be specified to your needs. Highly tech friendly, beginning with space for a laptop. Tech is accessible with front and back access panels. At the side, slide out the integrated visualizer deck for comprehensive presentations.

202 EganLectern

The Classic ‘Front of House’ lectern updated with the 202 design. Aluminum extrusions frame your choice of real wood veneer or durable Etex finish. Lockable storage and wiring grommets for field set-up of laptops, tablets and microphone. A 17° angled surface with a lip on the bottom is suitable for reference notes. Two casters on the presenter’s side assure the lectern can only be moved by tipping the unit onto the casters. This design prevents ‘run-away’ when you lean upon the lectern.

Egan Programs & Services: Overview

***QuickShip**

QuickShip Program

QuickShip - Egan Visual's Quickship Program includes a select range of standard size whiteboards, glass boards, mobile boards and accessories available to ship within 5 days from purchase order clearing credit. Delivery subject to receipt of written order and inventory levels at time of order. For critical orders please confirm by calling **1-800-263-2387**.

**Small Parcel
Eligible**

Egan Freight Program

Per our tiered freight program, orders will have freight charges added to invoice based on order list total. Product with the small parcel thumbs up qualified for our small parcel freight program. Pending quantities ordered. Egan's freight program provides confidence that you can easily quote and will always know the maximum freight charge.

GREENGUARD Certification

Egan promotes global sustainability, environmental health, and safety. Our products have low chemical emissions, preserving the quality of the air in which the products are used. GREENGUARD conducts strict chemical emissions tests, and certifies products that meet healthy interior standards.

Download your copy of Egan product GREENGUARD Certificates at www.egan.com.

EcoTack/PET

EcoTack is Polyethylene Terephthalate (PET). The tackable infill material is an adaptable acoustical panel made from 100% polyester - approximately 50% is recycled water bottles. EcoTack features a 3/8" deep tackable panel mounted proud on the board.

Egan Fabric Program

Egan offers a range of Maharam fabric options that can be specified on all Tackable and Sound Ideas products. All available fabrics have been factory tested to ensure it delivers upon the quality and performance that Egan demands of its products. For more information on the Egan fabrics available and for more information on custom fabric options, see page 96 or visit egan.com.

Contact Maharam directly at **1-800-645-3943** or visit www.maharam.com for samples or memos for presentation. For your convenience, digital representations are available online at www.egan.com.

Flammability

Maharam textiles meet all appropriate flammability requirements (further details available, please contact Maharam):

- California Bulletin #117
- Compatible with California Bulletin #133
- Tunnel Test surface ratings
- Class I UFAC

Egan Infinite Color Palette

Choose from over 1,000 standard colors at no additional cost. The Infinite Color Program is available on all Egan Glass products - EganAero and GlassWrite. The color program includes Egan Infinite Palette and Pantone colors (uncoated and coated). To view the full range of colors, visit pantone.com or egan.com.

Custom Stain

Egan offers 8 stain options but have the resources in house to match or create a custom stain based on your design. For an additional upcharge of \$300/ product Egan will work with you to give you the stain you need.

EganINK

Enhance Egan products by specifying EganINK. Print on any of the following Egan surfaces: GlassWrite, EganAero, EVS, and Fabric. EganINK is perfect for injecting branding, custom graphics, signage or artwork into your space. To learn more about Egan's high quality, large format graphic printing, see page 94.

Custom Response

As a manufacturer, Egan has a wide range of capabilities and resources available to provide a product that is tailored to a customers specific needs. From simple customizations like logo designs and sizes adjustments to more complex configurations such as new product design, we will work with you at every step of the way. For more information on how to engage Egan and to learn more about our process.

Custom Color & Color Matching

Having a hard time finding that perfect color? The Infinite Color Program or Custom Color Matching program may be just what you need.

We strive to provide the most accurate representation of your selected color possible. Glass's natural material content may influence the representation of your color when viewed through Egan glass. Egan recommends requesting a clear glass sample to place over the top of your color swatch to provide a more accurate representation of your color's appearance when applied to the back of a GlassWrite markerboard.

There are three easy ways to choose a color

1. Choose a color from the Infinite Color Program, which will include Pantone colors: [pantone.com](https://www.pantone.com)
2. Specify a color from an industry or commercial standard fan deck (RAL, Pantone, Benjamin Moore, Sherwin-Williams, etc.)

There is a standard upcharge unless indicated otherwise.

The Custom Color program is limited to color matches that do not have speckles, patterns or any metallic content. Egan uses polymer coatings which may be specified in custom colors. These polymer coatings may add texture or sheen options that will affect the appearance of your chosen finish. Egan will match the color specified as closely as our formulating process allows. Please note that color gloss cannot be matched. There is a standard upcharge unless indicated otherwise. Samples are not provided for approval unless requested, additional charges may apply. Finishes outside of these parameters will be addressed on a sample by sample basis and additional charges may be applicable.

Custom Stain

Egan encourages custom stain applications. Our finishing system is automated and ensures that the proper amount of stain and lacquer is sprayed on each product. However, as wood is a natural product, each log will vary in color and appearance. Egan's skilled carpenters match doors and components to enhance the natural and variable beauty of real wood.

All veneers are small heart, center book matched and finished in a fast curing two component lacquer which provides a durable, open-grain silk-matte finish. Veneer is 1/64" - 1/32" thick. Occasional cleaning with any household furniture polish will maintain this finish like new for many years. Customers are responsible for the suitability of the final product. Many modern veneer selections are available through our Custom Response program.

Ordering Custom Stain

1. Provide sample species (Oak, Cherry, Mahogany, Maple and Walnut) with stain applied. Where possible please provide details of stain manufacture, product number, and application details so our crafts people can reproduce the custom stain as accurately as possible within Egan's normal manufacturing process.
2. Egan will produce a sample for review.
3. Egan will require signed approvals with PO. Natural variations are to be expected and are not Egan's responsibility,

Unfinished Wood Products

Unfinished Wood Products may be ordered:

- By specifying wood species required and
- By tagging it "Ship to customer unfinished."

Preparing a product for custom staining requires additional steps to be taken, at no additional cost. Any complaint regarding the quality of a unit must be registered prior to any finish work being performed.

Note: Presentation Cabinets with tackable fabric panel on the inside of each door on any unfinished unit is supplied with paper wrapped around it to protect the fabric from stain during the finishing process. The paper should be carefully removed by cutting around the perimeter with an appropriate blade.

EganINK - High Graphic Printing

Sometimes, creative environments need visual interest or structure to inspire and complete thinking. Bold or understated, EganINK complements and sets the mood, whatever your mood may be – KPI templates, care boards, logos, wayfinding, signage, or high-resolution art. EganINK bespoke graphics may be specified on a wide range of Egan products, whether it be stock art or COA. This is where the ability to customize and introduce your own design to our communication tools is useful.

EganINK is an innovative ink system provides high resolution multi-color application of letters/lines/graphics. EganINK gives you the flexibility to uniquely communicate your message, showcase your brand, and express your ideas. With infinite possibilities for customization with lines, grids, dots, letters, logos, graphics and full-color art, you can create one-of-a-kind charts and collaboration boards that truly inspire. The design intent of EganINK is that it will represent most artwork and logos faithfully at a normal viewing distance, allowing you to have a functional workspace that is in harmony with your corporate identity and the design of the room. GlassWrite and EVS products may be printed on. EganINK has a limited 1 year warranty.

EganINK has been set up to be easily priced,

1. For Prints of 1sqft or less apply a \$300 upcharge
2. For Prints exceeding 1sqft please reach out to sales for a quote

Custom Response Program

The Custom Response Program is designed to encourage specialized product development. Our manufacturing systems provide for variations and custom solutions. Working with initial direction from designers and clients, Egan will research and develop solutions that work within the Egan manufacturing process. This makes the program ideal for those clients who require a single run of a substantial number of products and/or where there is an ongoing need. Opportunities for complete product design where volume is available are also encouraged.

Our CAD specialists understand high-quality cabinetry and can quickly evaluate Custom Response Program requests. Contact your local Egan Representative with your product needs. Pricing and delivery is based on individual requirements.

Example #1

Original product: V-Series Mobile

Custom product: Customer's Own Panel with customer's slat wall installed 30" from the floor to match desk height.

Example #2

Original product: 202 Mobile Instruction Center

Custom product: University Lecture Command Console 42" wide, with monitor and room control touchscreen and AV racking. A popular variation of the S2IM.

Egan Fabric Program

Egan has tested compatible fabrics with Guilford of Maine (GOM) and Maharam Fabrics. Egan factory tests and approves tackable and acoustical textile designs in two grades. Guilford of Maine and Maharam's M-Series program (excluding Messenger pattern fabric) are available on most Egan Products as an aesthetic option - the cost is added to the total cost of the specified product and applicable options.

Need Fabric Samples

Egan stocks samples for:

- Egan Fabric
- Maharam Fabric Program Card
- GOM Fabric Program Card

Contact Guilford of Maine directly at **1-800-544-0200** or visit www.guilfordofmaine.com for memo samples.

Contact Maharam directly at **1-800-645-3943** or visit www.maharam.com for memo samples.

For your convenience, digital representations are available online at www.egan.com.

maharam

To place an order please specify:

1. The Maharam fabric number, including color, dye lot (if applicable), name. For example: Maharam Medium Pool 463490-040
2. Based on this information, you can build the Egan product code, including finish and option codes, followed by the textile code as shown below:

CE2 A 6048 MP FL 463490-040

Code	Body Finish:	Size:	Door Finish:	Options:	Maharam Fabric Pattern:	Description:
	Clear Anodized	60"W x 48"H x 3"D	Maple Veneer	2nd Flipchart, Lock	Medium	Pool

Customer's Own Material (COM)

All Egan tackable components may be ordered with EganFabric Program textiles or with customer-supplied fabrics. Customer's Own Material (COM) handling is priced as \$150 list per order. The cost of textile and delivery are additional costs that are not included in Egan pricing. It is the customer's responsibility to determine if the fabric is appropriate for the application specified and that it meets applicable codes and regulations.

Egan reserves the right to reject fabrics that, in our opinion, would create unsatisfactory results on the intended application with our normal manufacturing methods.

If it is established that the textile selected will compromise the quality or integrity of Egan products, customers are contacted to discuss these concerns.

Egan does not accept responsibility for unsatisfactory results, overall appearance, fabric defects, flammability, normal durability, color fastness or any other quality issue after installation, beyond normal Egan quality standards.

At Egan Visual, we strive to craft superior results. Visit www.egan.com for further details on COM and Egan Fabric Program.

Guilford of Maine

To place an order please specify:

1. The Guilford of Maine fabric number, including color, dye lot (if applicable), name. For example: GOM, FR701 White 2100-224
2. Based on this information, you can build the Egan product code, including finish and option codes, followed by the textile code as shown below:

SIAPS3 1 V 48 48 S R 2100-224

Code	Thick Panel	Velcor Mount	Width	Height	Edge Option	Corner Option	GOM Fabric Pattern:	Description:
							FR701	White

COM Specification for Tackable Panels

1. Customer/Company Name
2. Contact name, phone number and email address
3. Egan product code, correctly specified
4. Fabric sample - indicate face side and pattern direction
Supply a sample securely fastened to order showing pattern direction.
5. Customer purchase order with COM correctly indicated
6. Fabric manufacturer, fabric name, color, code and dye lot
7. Fabric requirements fully specified, including (but not limited to) horizontal/vertical direction, pattern matching, railroading, pattern repeats, reversibility.

Cut across the roll (known as 'railroading')

Cut up the roll (typical or normal direction)

8. Visit www.egan.com for COM Product Yardage Requirements.
9. All COM must be sent prepaid to:
Egan Visual
Attention: COM Receiver
300 Hanlan Road
Vaughan, ON L4L 3P6 Canada
10. Label instructions securely applied to COM.

Cleaning Instructions

EVS: Egan Versa Surface

The high-quality, dry-erase surface EVS cleans so effectively, it even withstands the use of permanent markers.

1. Use EganCloth to trap dry erase dust in the micro-fibers and maintain a clean surface.
2. Remove all dry-erase markings from surface with a clean EganCloth before applying spray glass cleaner such as Windex. Regular cleaning with a recommended spray glass cleaner and an EganCloth will prevent dirt and film buildup, and remove residue, that can impede dry-erase performance.
3. Use isopropyl rubbing alcohol 90% to remove stubborn marks and residue.

*Egan recommends solvent based Dry-Erase Markers (BIC Great Erase Bold) or comparable marker.

GlassWrite

Regularly removing ink, dirt, stains, or grease from fingerprints is the best way to preserve the quality of your glassboard. Take care of your GlassWrite by following the instructions:

1. Typical day to day maintenance should not require any more than cleaning with Windex, or an ammonia base glass cleaner. Care should be taken to avoid glass cleaners with detergents that will leave a residue, which will affect the dry erase characteristics of Egan GlassWrite boards.
2. Wipe the glass until dry using a clean EganCloth or paper towel to remove streaks that may have formed.
3. If any contaminants remain on the glass, 90% isopropyl alcohol can be used to remove it. This works well with sticky or gluey materials and permanent markers.

Fabrics

Maintain the quality and longevity of your fabric board or sound panel by carefully removing dust, dirt, stains and other forms of debris that accumulate overtime.

1. UPHOLSTERY VACUUM OR BRUSH: Lightly brush with a soft brush, or lightly vacuum with an upholstery attachment. Vacuuming will minimize the accumulation of dirt and dust. Do not use high suction commercial vacuum as they may cause damage.
2. A FABRIC FRIENDLY CARPET CLEANER: Most soiled areas can be cleaned using a damp cloth, if there is a stubborn stain, please use a commercially available upholstery or carpet cleaner that can be used on polyester fabric.

Note: If possible, test the selected cleaning agent on a non-visible area of the panel before attempting to clean the soiled area to assure best outcome.

Porcelain

Using an EganCloth with a cleaner - such as warm soapy water, window cleaner or isopropyl rubbing alcohol 90% - is enough to keep a the Porcelain surface clean, if used every week. Dry erase markings and ink stains left on the porcelain surface for weeks or months may require a stronger cleaning solvent to fully remove old writing (isopropyl rubbing alcohol 90% may remove these stains). Remove any cleaning solution residue from the surface with a dry, clean EganCloth to prevent any reactions between solvent residues and inks in dry erase markers. Do not use wax-based cleaners as they will leave a residue on the surface.

*Egan recommends solvent based Dry-Erase Markers (BIC Great Erase Bold) or comparable marker.

Purchase Order Requirements for Expedited Order Processing

Egan Visual strives to offer quality products at a great price. We value your decision to place your orders with us. In order to promptly acknowledge your orders we need you to supply sufficient and correct information. Please review the guide below.

Egan Standard Terms & Conditions

Commercial Terms

Overall

Egan Visual Standard Terms & Conditions are subject to change without notice. See www.egan.com for currently prevailing terms. All specifications, pricing, and other information is believed to be accurate at the time of publication (E&OE) but is subject to change without notice. Prices herein are valid in the United States only and are stated in USD. Possession of this document does not constitute an offer to sell.

Cancellations

Orders are considered binding on the Buyer and on Egan, subject to the ICC Force Majeure Clause 2003 or the ICC Hardship Clause 2003. If the Buyer wishes to cancel an order, the decision to accept cancellation lies with Egan and will be governed by its ability to conform. A penalty or service fee may be imposed at the discretion of Egan. Once production has begun, neither standard or custom orders are eligible for change or cancellation.

Change Orders

The Egan Visual 'Order Acknowledgment' is final and binding and any subsequent change is subject to approval at the sole discretion of Egan. Egan Visual reserves the right to increase the acknowledged price, if such a change warrants any extra charge.

Defects and Shortages

All claims must be reported within the first **TEN (10) days** after delivery of goods. Egan Visual assumes no responsibility for misuse or abuse.

Returns

Merchandise may not be returned without the prior written consent of Egan Visual. If returned within thirty (30) days, and by agreement, a restocking and repacking charge will be deducted from the credit note in addition to any expense for reconditioning that may be necessary. Return transportation must be prepaid (DDP Buffalo, NY or DDP Vaughan, ON), packed in the original packaging.

Financial Terms

Financial Terms

Terms are "prepayment with order" unless otherwise pre-approved, in writing, in advance, by Egan Visual. For such accounts, orders are subject to limit or withdrawal of credit at any time. The approved purchaser will be invoiced for the goods as they are shipped and payment is due thirty (30) days from the date of invoice. Late penalties will be charged on overdue invoices. Invoices are payable in USD funds and do not include taxes or installation. All orders accepted are subject to prices prevailing at time of Order Acknowledgment.

Quotations

Quotes issued by Egan Visual are valid for ninety (90) days and are for the products and terms specified therein.

Order Acceptance

Orders are binding only upon acceptance by the executive office of Egan Visual which is confirmed by issuance of an Egan Order Acknowledgment. Orders accepted by Egan Visual shall be subject to the Terms and Conditions set forth in this Acknowledgment and subsequent Invoice, notwithstanding any variance in terms and conditions set forth in the buyer's order forms. Minimum order value is \$100.00 list. Egan Visual appreciates your order and will endeavor to fulfill it as agreed.

Taxes

Sales Tax, Use Tax, or other State, Provincial, or Federal taxes will be added to the invoice as applicable, and are the responsibility of the Buyer. Buyers claiming exemption (e.g. purchasing for resale) must supply the appropriate tax exemption form with their order. In jurisdictions where Egan Visual is not registered to collect tax, it is the sole responsibility of the Buyer to determine what, if any tax is applicable to the sale and to remit same to the appropriate tax authority.

Product Terms

Specification Changes

Specifications published are nominal and believed to be accurate at the time of publication. The right to affect, change, or discontinue models at any time without prior notice remains the right of Egan Visual. This right to change applies to catalog contents, price lists, fabric or finishes, as well as details and dimensions.

Warranty

Each product carries a limited, "Return to Factory" warranty. See the full "Standard Warranty" in the Price & Specification Guide or at www.egan.com

Logistics Terms

Freight Terms

Orders are shipped FOB Factory (INCOTERMS 2010). Freight is prepaid and added to the buyer's Invoice. The responsibility of Egan Visual ceases when it turns the shipment over to the carrier.

Free Freight Program

Egan offers a program under which freight may be prepaid in full or subsidized by Egan. See "Freight Program" for current details.

Drop Shipments

Drop Shipments can be arranged. Egan does not apply a fee but Accessorial Charges may apply. Contact Customer Service.

Accessorial Charges

Accessorial Charges will be invoiced at cost and pre-quoted on request. This includes but is not limited to: deliver to limited access site (mines, prisons, military, schools, and hospitals), blanket wrapped, inside deliveries, special charges for high density urban areas, will calls, 'call before' requirements and special delivery or inside delivery beyond dock-to-dock delivery

Packing and Crating Charges

All products are shipped via common carrier, in the best packaging method for the product end order. Crating/bulk packaging will be decided at factory discretion based on various order factors.

Carrier Selection

In absence of the buyer arranging transport, Egan Visual reserves the right to ship by what is in its opinion the best method.

Transportation Delay

Egan Visual is not responsible for delay or failure to fulfill an order due to Acts of God, Hardship, or Force Majeure, including but not limited to reasons stated in the standard ICC Force Majeure Clause section 3.

Storage

If Buyer cannot accept delivery on the shipping date stated on the Order Acknowledgment, Egan Visual reserves the right to arrange storage at the Buyer's risk and expense.

Freight Damage

All goods are shipped FOB Egan Visual, however, in the event of freight damage we can assist your receiver with the claim. The legal responsibility of Egan Visual ceases when it turns the shipment over to a common carrier. The buyer has the sole obligation of seeking recourse against the carrier. All freight is given to the carrier and signed for in good condition. It is the responsibility of the receiver to sign for the goods in the presence of the carrier and note the condition in which they are received. Freight claims should be filed with the carrier.

Follow these procedures immediately upon receipt of shipment:

1. You must inspect the freight at the time of delivery and note all damages on the Bill of Lading and Delivery Receipt (POD). If there is obvious and severe damage, receiver has **a right to refuse delivery**. Receiver also has a duty to mitigate the loss. For example, you should only refuse affected product.
2. Upon discovery of the damages, the receiver must immediately report the damages to the carrier, asking for immediate inspection and an inspection report.
3. The notification of damages must be followed up in writing by fax or e-mail.
4. Unpack and inspect. Check your contents within **THREE (3) business days**. If the shipment was delivered without noted damage but has CONCEALED DAMAGE, receiver typically has a very limited time to report it to the carrier and request a 'concealed damage inspection'.
5. Tag and keep any packaging in which damaged goods are received in its original condition.
6. Contact Egan Customer Service to initiate a Support Case and make arrangements for replacement product.

Freight Program & Egan Standard Warranty

Freight Program

Based on the **order total** summed using the **list price** of the products, the freight costs are invoiced per the following table:

Single shipment total at LIST	Freight Charge*
\$0 - \$4,999	\$279
\$5,000 - \$9,999	\$379

Single shipment total at LIST	Freight Charge*
\$10,000 - \$14,999	\$479
\$15,000 +	\$579
Small Parcel 	\$50

*amount added to invoice
*excluding Accessorial charges, per Standard Terms

Egan Standard Warranty

What is Covered

This Standard Warranty applies to new products purchased from an authorized Egan Visual ("Egan") dealer or reseller. Egan Visual warrants that the products substantially conform to the specifications published by Egan at the time of manufacture of the product, and that the product is free from material defects in materials and workmanship, under normal and reasonable operating conditions, for the Warranty Term as defined below. No other warranties or representations, express or implied, other than contained herein shall apply or be honored by Egan Visual.

Who is Covered

The "End User" holds this Standard Warranty. The End User is the first party to purchase the new and unused product from an authorized Egan reseller. This Standard Warranty is not transferable to other parties.

What is Not Covered

EGAN VISUAL MAKES NO IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE. THESE AND ALL OTHER IMPLIED WARRANTIES ARE SPECIFICALLY DISCLAIMED BY EGAN VISUAL. The warranty as stated in this document is the complete and only warranty upon this product. This Warranty specifically excludes:

- Products that are not purchased by the End User from an authorized reseller
- Products that have been used other than according to the instructions
- Products that have been damaged due to the connection of other equipment
- Products that have not been installed and or/maintained as per the instructions
- Products that have been damaged
- Products that have been modified
- Peripheral products in the package such as brackets and fittings, which are "as is"
- Products and services that are not provided by Egan, including installation, de-installation, and shipping
- Variations in surface materials (e.g. grains, patterns, textures), color variation and colorfastness
- Non Egan-branded products or components which may be purchased from Egan, which are subject to that manufacturer's own warranty.

IMPORTANT: READ AND UNDERSTAND ALL INSTALLATION, USE, AND MAINTENANCE INSTRUCTIONS THAT YOU HAVE RECEIVED WITH YOUR NEW EGAN VISUAL PRODUCT. Failure to do so will void all warranty. Before attempting to deviate from our instructions in any way please contact Egan Visual beforehand. If in doubt as to how to install any of our products please contact the Egan Visual dealer you purchased the product from or contact our Customer Service department immediately for help.

Installation is not covered. Egan Visual products are designed to be installation-ready, however Installation and the installation environment are out of the control of Egan and therefore installation is not warranted by Egan in any circumstance. Egan offers dealers and professional installers free installation support via **1-800-263-2387**.

Conditions after leaving our facility are always beyond the control of Egan Visual. As noted above, **damage is not covered.** This includes but is not limited to damage from use of non-approved detergents, abrasives or other harsh cleaning agents, poor installation, misuse, abuse, neglect, or failure to maintain the product properly. Always be sure to test a cleaning product in an inconspicuous area before cleaning any surface, coating, or finish. For best results on presentation surfaces, always use quality alcohol-based markers; Egan-supplied markers and cloths are recommended. If marker suitability is in question, please call our Customer Service before using the product for the first time. This warranty does not cover damage to writing surface resulting from negligence, abuse or accidents, such as burns, cuts, scratches, scuffs, kinks, or indentations.

Limitations and exclusions

This program is limited to destinations in the 48 contiguous States, and 10 Canadian Provinces (excludes the Territories YT, NT, NU). This program provides for normal ground transportation. Program eligibility is subject to Egan Standard Terms & Conditions.

Warranty Term

Your new Egan Visual product has been well-designed and built for many years of enjoyment. All Egan Visual products carry a warranty term of five (5) years from the date of purchase unless otherwise stated here:

EVS® Presentation Surfaces "Guaranteed-to-Clean"	10 years
Porcelain surfaces	10 years
GlassWrite™ and EganAero™ surfaces	10 years
VersaPalette™ products	30 days
EganINK™ (ASTM F793 10a Category I Wallcovering)	1 year
Electric-powered mechanisms	1 year
Electric components (e.g. wiring, charging ports, outlets)	1 year
Lighting components	1 year
Monitor including back light.	90 day
Supplies	None
Installation	None

Extended Warranty Term

An extended warranty term may be available for purchase. Please call to inquire.

Consequential or Incidental Damages

EGAN VISUAL WILL NOT BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES. Any loss, expense, or damage incurred in replacing any suspected defective Egan Visual product will not be reimbursed. The warranty of this product is limited to the replacement or repair of the Egan Visual product itself. Under no circumstances will Egan Visual be responsible for incidental damages, repairs, labor or other costs incurred in removal or return of suspected defective Egan Visual product.

How to make a Warranty Claim

While the product is still in its original installed state, contact Customer Service to open a case for your product and to have the claim evaluated. If a written Return Authorization has been issued by Egan Visual, the product may be uninstalled and shipped. Shipments that arrive without a valid Return Authorization will not be accepted.

Warranty Point

This warranty is a "Return to Factory" or "RTF" Warranty. To exercise this warranty, the product must be shipped to Egan DDP Buffalo, NY (INCOTERMS 2010) or DDP Vaughan, ON (INCOTERMS 2010) at the discretion of Egan Visual. Replacement product is made available FOB Buffalo, NY or EXW Vaughan, ON.

Processing of a Warranty Claim

Your product will be evaluated within a reasonable period of time and at the sole option of Egan Visual and if the claim is approved by Egan it will be repaired, or replaced with refurbished or new product. In the event that the model has been discontinued and warranty stocks have been depleted, Egan, may, at its sole option, replace the Product with a different model with comparable or better performance characteristics. At the sole option of Egan Visual, if repair or replacement is not practicable, Egan will provide a refund or a credit for the affected product.
