	GCEN4848H	48 x 48 x 28.25	70	121	6.6	**$3287**

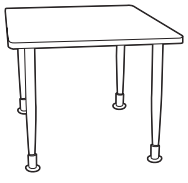

Table Top with Legs

Allows for two EZ-lift arm tablets to be installed on the 42" or 48" wide ends and two fixed arm tablets on the 36" sides.
2 cartons

	Thermally fused:					
	GC3-DALN	13 x 36 x 7	125	31	4.9	**$1869**
	High pressure:					
	GC3-DAHN	13 x 36 x 7	125	31	4.9	**$2288**

E-Z Lift Dual Arm Tablet

Adjusts up or down by the use of a single paddle actuator. Tablet remains level during adjustment and has a positive locking, smooth counterbalanced operation through the use of a gas cylinder. Tablet range of adjustment is 22.5"H to 36"H from the floor. Guard at the back prevents items from falling. 2 cartons.

- Allowance between arms is 21" for use with wheelchairs.
- Each tablet adds 15" to the depth of the table.
- Fits pre-drilled inserts on 42" or 48" table sides only. Hardware for attaching to table top is included.
- Mechanism and tablet bracket are available in Black only.

MODEL#	DIMENSIONS D x W x H	FREIGHT CLASS	WT/LBS.	CUBIC FT.	LIST PRICE
Thermally fused:					
GC3-1336L	13 x 36 x 1	70	15	0.9	**$801**
High pressure:					
GC3-1336H	13 x 36 x 1	70	15	0.9	**$1182**

Fixed Height Tablet

Attachable fixed height tablet for Enable tables. Adds 10.5" per tablet to the depth of the table. Heavy duty Black mounting bracket slips onto the table top. Thumbscrews are included and attach into predrilled metal inserts for metal-to-metal fastening and security. 2 cartons.

Tapered Leg with Glide

LLL291	5.25 x 5.25 x 27.25	100	4.8	0.52	**$180**
LLL294	5.25 x 5.25 x 27.25	100	18.4	2.1	**$690**

- Hardware for assembly is included.

Support leg with glide offers 1.25" glide range adjustment.
- LLL291: 1 per carton
- LLL294: 4 per carton
- Available in Black (**TBL**), Tungsten (**TTU**), Shadow (**TSH**), Designer White (**TDW**), Nevada (**TNE**), Latte (**TLA**), Kalua (**TKA**), Mocha (**TMO**), Toast (**TOA**), Fog (**TFO**), Cloud (**TIV**), Sand (**TSN**) and Frost (**TFR**). Finish must be specified at time of order.

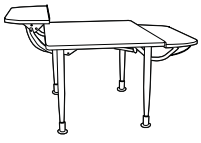
Tapered Leg with Caster

LCL291	5.25 x 5.25 x 27.75	100	4.8	0.52	**$180**
LCL294	5.25 x 5.25 x 27.75	100	18.4	2.1	**$690**

- Hardware for assembly is included.

Support leg with lockable caster.
- LCL291: 1 per carton
- LCL294: 4 per carton
- Available in Black (**TBL**), Tungsten (**TTU**), Shadow (**TSH**), Designer White (**TDW**), Nevada (**TNE**), Latte (**TLA**), Kalua (**TKA**), Mocha (**TMO**), Toast (**TOA**), Fog (**TFO**), Cloud (**TIV**), Sand (**TSN**) and Frost (**TFR**). Finish must be specified at time of order.

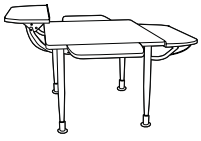
PACKAGES



Package A

GCHATAL	64 x 42 x 28.25	100	120.5	13.83	**$5804**
Thermally fused					
GCHATAH	64 x 42 x 28.25	100	120.5	13.83	**$7190**
High pressure					

- Table top
- Metal inserts pre-drilled for tablets
- Two EZ-lift dual arm tablets
- 4 cartons.
- Four tapered Legs on glides
- All hardware



Package B

GCHATBL	68 x 64 x 28.25	100	135.5	14.4	**$7246**
Thermally fused					
GCHATBH	68 x 64 x 28.25	100	135.5	14.4	**$9389**
High pressure					

- Table top
- Metal inserts pre-drilled for tablets
- Two EZ-lift dual arm tablets
- 6 cartons.
- 2 fixed tablets
- Four tapered Legs on glides
- All hardware

NOTES

D x W x H

- Attractive top design offers an inward curve at each corner allowing comfortable access if assistance with eating is required.
- Adjustable 1.25" range Black plastic glides are standard.
- Heavy duty tapered steel leg finish must be specified at time of order (see below).
- Optional leg on caster available if required.
- Shipped easy to assemble.
- 2mm edging color coordinated with laminate finish is standard for all tops. Finish must be specified at the time of order.
- Tops are 1" thick and available in thermally fused laminate (**LP**) and high pressure laminate (**HP**). Please select the appropriate model number for the finish you prefer
- Refer to the following lists when selecting a finish color. Must specify both a top color and leg finish at time of order.
- For custom laminate or contrasting edge, please contact your Global sales representative for special quotation.

48" x 48" thermally fused laminate top. Four legs.
- Additional leg heights are available. Special quote is required.
- *2 cartons*

NOTES	MODEL#	DIMENSIONS D x W x H	FREIGHT CLASS	WT/LBS.	CUBIC FT.	LIST PRICE

- Select from Chippendale (**C**), Post (**P**) or Tapered (**T**) leg options to coordinate with traditional or contemporary decor.
- Solid wood legs and aprons are standard.
- Shipped RTA (ready to assemble).
- 1" thick tops are available in thermally fused laminate (**LP**), high pressure laminate (**HP**) or solid hardwood (**W**). Please select the appropriate model number for the finish you prefer.
- Thermally fused laminate (**LP**) and high pressure laminate (**HP**) tops come with 2mm edging color coordinated with laminate finish. Finish must be specified at time of order.
- Solid hardwood tops come with decorative edge detail to coordinate with the leg selected. Chippendale legs come with beveled edge. Post legs comes with bullnose edge. Tapered leg comes with reverse knife cut edge. See pictures below.
- Refer to the following lists when selecting a finish color. Must specify both a top color and base color when ordering all tables.
- Thermally fused and HP laminate tops cannot be manufactured with the exact finish color on the base.
- For custom laminate, custom wood stain or contrasting edge, please contact your Global sales representative for a special quotation.

NOTES	MODEL#	DIMENSIONS D x W x H	FREIGHT CLASS	WT/LBS.	CUBIC FT.	LIST PRICE

Notes: Please specify all substitutions and options.

- Tops are available in various shapes: rectangular, kidney, peanut and jellybean shapes.
- Bases are available in three styles: H-base, U-base and C-base.
- Bases feature a shock-absorbent gas spring cylinder for easy height adjustment and exposed steel with no plastic cover for easy cleaning of base and casters.
- Manufactured with the lowest base (less than 2"H) in the industry, overbed tables can easily be moved under any patient bed or seating.
- Thermofoil top comes standard with seamless spillguard edge that holds up to 36 oz of liquid. For no spillguard, specify (**NSP**). Add **$100**.
- Overbed tables come standard with four non-locking casters.
- For two locking and two non-locking casters, please specify **2L** when ordering the overbed table. **Add $89**.
- For four locking casters, please specify **LC** when ordering the overbed table. **Add $178**.
- Refer to the following lists when selecting a finish color. Must specify both a top color and base color at time of order all tables.

Thermofoil Tops
Candlelight (TCL)
Chocolate Pear (TCP)
Dolce Vita (TDV)
Hard Rock Maple (THM)
Medium Oak (TMO)
Snow White (SNW)

Bases
Almond (AL)
Graphite Grey (GG)
Nevada (NV)

Wood Guest Single Seat

GC36308
Fully Upholstered Lounge Single Seat

For Calidon tables, see 65.

EXAMPLE CALIDON ORDER CODE:

GC36308	PU75	PU75	AAM	NBS
Model #	Back/Arm textile	Seat textile	Frame Finish	Sealed Back Seams

NSS	NB	NM	SRT
Sealed Seat Seams	Moisture Barrier	Glides	Power

STANDARD FEATURES

- Calidon series consists of wood frame guest, lounge, bariatric and bench seating in addition to fully upholstered lounge seating. Freestanding and tandem/bridge tables also available to complement the line.
- Calidon is designed for the rigors of high use environments. Lounge units include metal frame supports.
- The seating in this series is available to specify with two textiles, one for the seat cushion and one for the back and arms (see model image).
- For pricing, start with the base price and add both back/arms graded textile upcharge and the seat graded textile upcharge.
- Frame design features a wall saver leg to prevent back contact and damage to walls.
- All guest and lounge chairs feature a clean out between seat and back, replaceable seat cushions and tall legs for ease of cleaning.
- For added comfort, seats are standard with high density Ultracell foam.
- Active weight capacity up to 400 lbs/seat for standard seating; up to 600 lbs for bariatric seating .
- For healthcare textiles, visit the website at globalfurnituregroup.com.
- Textiles with a minimum of 100,000 double rubs must be specified to meet Global's 24/7 warranty coverage.
- Can be upholstered in standard Global textiles if Healthcare 24/7 warranty compliance is not required.
- For alternate textile applications, contact Global specials. The Blended Textile matrix does not apply to this series.
- Tandem table models connect to guest seating only. See Calidon tables.
- No seating or bench models gang together.
- Shipped fully assembled.

OPTIONAL FEATURES

- All guest and lounge models can be specified with or without armcaps. Urethane armcaps are available on Wood arm guest and lounge chairs. Solid surface armcaps are available on all chair models. Armcaps are field replaceable, securely fastened with metal-to-metal connectors. Armcaps cannot be retrofitted in the field on units with no existing armcaps.
- Fully upholstered lounge chairs can be specified with a tamperproof Black power/USB unit, which includes one AC outlet, two 10 watt USB ports, and a 10 ft long power cord. Power is factory installed and must be specified at time of order. Add **$251** each. Power locations vary by model. See power location diagram.
- For moisture barrier on seat, specify (**MB**). Upcharges vary, see model.
- To add sealed seams, specify (**SBS**) for seat back and arms and/or (**SSS**) for seat. Upcharges vary, see model.
- A tamperproof power unit is available to specify in various locations on closed arm lounge models only. See diagrams.

SUGGESTED APPLICATIONS

- Guest seating
- Lobby/Lounge
- Treatment/Exam rooms

CALIDON TABLES

Square end table - 22"
GC36314

Rectangular Coffee Table
GC36317

Tandem Side Table, Right
GC36319R

For Calidon seating, refer to page 60.

TABLE STANDARD FEATURES

- Designed as part of the Calidon seating series, Calidon tables coordinate with a range of lounge and guest seating.
- A variety of wood leg tables are available, including various height end tables, coffee tables and tandem tables.
- Wood legs/frames are specifiable Global solid wood seating finishes.
- Table tops are 1" thick, available in thermally fused laminate (LP), high pressure laminate (HP), and solid surface (**CO**). Upcharges vary, see model for pricing.
- Laminate top tables include color coordinating vinyl edge band.
- Tandem/bridge table models (GC36318 to GC36321) connect to Calidon guest seating only and include ganging brackets.
- Tandem tables are specified left or right, as seated.

TABLE OPTIONAL FEATURES

- A tamperproof tabletop power unit may be specified on laminate top, tandem and square end tables only. Specify **CNT**. Add **$378**. The power unit is located centered 1.5" from the edge of the surface. See power location diagrams for reference.

SUGGESTED APPLICATIONS

- Lounge/Lobby
- Resident rooms
- Patient rooms
- Private office

Please add option codes in the following order:

- **Table model number**
  GC36314 to **GC36317** Freestanding tables
  GC36318 to **GC36321** Tandem/bridge tables
  GC36324 to **GC36326** 23"H Freestanding tables
  For Calidon seating, refer to page 60.
- **Top Material (tables)**
  (**LP**) Thermally fused laminate. Specify finish - See LP finishes.
  (**HP**) High pressure laminate. Upcharges vary - see model. Specify finish - see HP finishes.
  (**CO**) Solid surface. Upcharges vary - see model. Specify finish - see CO finishes and grades.
- **Leg finish**

- For a high pressure laminate top (**HP**), add **$74**.
- For a solid surface top (**CO**), add **$1282** for Grade 1 and add **$1545** for Grade 2.

Corner 30° End Table, 23"H

Coordinating edge on laminate surfaces with solid wood frame and legs. 1 per carton.
Power/USB unit can be specified in the surface of laminate top tables (**CNT**). Add **$378**.

	GC36315	24 x 24 x 17.25	250	37	9.5	**$905**

- Pricing shown for a thermally fused laminate top (**LP**).
- For a high pressure laminate top (**HP**), add **$69**.
- For a solid surface top (**CO**), add **$1372** for Grade 1 and add **$1694** for Grade 2.

Square Coffee Table, 24"

Coordinating edge on laminate surfaces with solid wood frame and legs. 1 per carton.

	GC36316	36 x 36 x 17.25	250	65	18.25	**$1082**

- Pricing shown for a thermally fused laminate top (**LP**).
- For a high pressure laminate top (**HP**), add **$148**.
- For a solid surface top (**CO**), add **$3143** for Grade 1 and add **$3787** for Grade 2.

Square Coffee Table, 36"

Coordinating edge on laminate surfaces with solid wood frame and legs. 1 per carton.

	GC36317	24 x 48 x 17.25	250	56	16.5	**$1185**

- Pricing shown for a thermally fused laminate top (**LP**).
- For a high pressure laminate top (**HP**), add **$134**.
- For a solid surface top (**CO**), add **$2618** for Grade 1 and add **$3054** for Grade 2.

Rectangular Coffee Table

Coordinating edge on laminate surfaces with solid wood frame and legs. 1 per carton.

TABLES	MODEL#	DIMENSIONS	FREIGHT CLASS	WT/LBS.	CUBIC FT.	LIST PRICE
	GC36318	31.25 x 31.25 x 15.75	250	46	14.5	**$1082**

- Pricing shown for a thermally fused laminate top (**LP**).
- For a high pressure laminate top (**HP**), add **$110**.
- For a solid surface top (**CO**), add **$2718** for Grade 1 and add **$3249** for Grade 2.

Corner Table, 90°

Coordinating edge on laminate surfaces with solid wood frame and legs. Must be connected between two guest chairs. Includes two sets of U-channel connectors and hardware. 1 per carton. Power/USB unit can be specified in the surface of laminate top tables (**RBP**) or (**LBP**). Add **$378**. See power location diagram for placement.

	GC36319L	26.5 x 22.25 x 15.75	250	20	6.75	**$755**

- Pricing shown for a thermally fused laminate top (**LP**).
- For a high pressure laminate top (**HP**), add **$69**.
- For a solid surface top (**CO**), add **$1149** for Grade 1 and add **$1384** for Grade 2.

Tandem Side Table, Left

Coordinating edge on laminate surfaces with solid wood frame and legs. Must be connected to a guest chair. Includes one set of U-channel connectors and hardware. 1 per carton.
Power/USB unit can be specified in the surface of laminate top tables (**CNT**). Add **$378**.

	GC36319R	26.5 x 22.25 x 15.75	250	20	6.75	**$755**

- Pricing shown for a thermally fused laminate top (**LP**).
- For a high pressure laminate top (**HP**), add **$69**.
- For a solid surface top (**CO**), add **$1149** for Grade 1 and add **$1384** for Grade 2.

Tandem Side Table, Right

Coordinating edge on laminate surfaces with solid wood frame and legs. Must be connected to a guest chair. Includes one set of U-channel connectors and hardware. 1 per carton.
Power/USB unit can be specified in the surface of laminate top tables (**CNT**). Add **$378**.

	GC36320	22.5 x 15.75 x 3	92.5	16	1.5	**$594**

- Pricing shown for a thermally fused laminate top (**LP**).
- For a high pressure laminate top (**HP**), add **$69**.
- For a solid surface top (**CO**), add **$961** for Grade 1 and add **$1154** for Grade 2.

Corner Table, 30 Degree

Coordinating edge on laminate surfaces with solid wood frame and legs. Must be connected between two guest chairs. Includes two sets of U-channel connectors and hardware. 1 per carton. Power/USB unit can be specified in the surface of laminate top tables (**CNT**). Add **$378**.

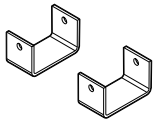
	GC36321	21 x 23.5 x 3	92.5	20	1.9	**$630**

- Pricing shown for a thermally fused laminate top (**LP**).
- For a high pressure laminate top (**HP**), add **$69**.
- For a solid surface top (**CO**), add **$994** for Grade 1 and add **$1225** for Grade 2.

In-Line Table, Square

Coordinating edge on laminate surfaces with solid wood frame and legs. Must be connected between two guest chairs. Includes two sets of U-channel connectors and hardware. 1 per carton. Power/USB unit can be specified in the surface of laminate top tables (**CNT**). Add **$378**.

	GC36322	2.87 x 1.5 x 1.62	70	0.75	0.03	**$51**



U-Channel (set of 2)

Includes hardware. 4 sets per carton.

CHAP™

Wood Back Armchair model 1010

Upholstered Back Armchair model 1015

Upholstered Round Back Armchair model 1004

Wood Round Back Armchair model 1005

STANDARD FEATURES

- Chap offers mid-century modern styling in a finely crafted beechwood armchair series.
- Straight and round back models have upholstered seats with upholstered or open wood frame backs.
- Straight back models are available with exposed wood or upholstered front seat rails.
- For reorders of discontinued models 1002 and 1003, use models 1004 and 1005 with 18" reduced seat depth.
- Custom stain matching is not available on models 1004 and 1005.
- Chairs are standard with a black liner under seat cushion. An underseat panel (USP) is available which conseals seat structure. It is covered with a coated textile and secured with tamperproof fasteners.
- For graded pricing, select model base price. Add graded textile upcharges for seat or for upholstered back models, both seat and back.
- The Blended Textile matrix does not apply to this series.
- Upholstery options include fabric, coated textiles and leather.
- Chap series is covered under Global's Limited Lifetime warranty, for single shift use.
- For multi-shift environments, and coverage under Globalcare's 24/7 warranty, Ultracell foam - 24/7 warranty (UC) must be selected.
- Textiles with a minimum of 100,000 double rubs must be specified to meet Global's 24/7 warranty coverage. For healthcare textiles, visit the website at globalfurnituregroup.com.
- Does not stack.
- Custom stain matching is not available on round back models.

COAST

Clean out space around seat cushions for easy housekeeping

model GC4172

EXAMPLE COAST ORDER CODE:

GC4172	-LX21	-SS	-ST	-	-
Model #	Textile	Armcaps	Glides	Moisture Barrier	Sealed Seams

STANDARD FEATURES

- The smooth low range glide adds relaxing motion while you sink back and coast in this ultra-comfortable chair.
- Adjustable non-marking glides are standard
- For added comfort, seats are standard with high density Ultracell foam.
- Cleanout space is provided between the seat and back cushions for easy housekeeping.
- Arms on the glider are fixed with a grip allowing the user to easily enter and exit from the chair. Combined with a smooth low-range motion mechanism, this eliminates the need for a locking mechanism
- Standard with Black Urethane fully extended arms with a grip for ease of entry and exit from chair.
- Seamless front upholstery method on the seat cushion prevents eventual breakdown of seams causing liquid penetration into the foam.
- For healthcare textiles and finish options, visit the website at www.globalfurnituregroup.com
- Can be upholstered in standard Global textiles only if healthcare compliance is not required.
- Shipped fully assembled.

OPTIONAL FEATURES

- For non-slip glides, please specify (**NS**). Add **$37**.
- To add sealed seams to your product, contact Customer Care. Upcharges vary
- For moisture barrier (**MB**) (Seat Only) - Add $137 list upcharge.
- Tablet arm with spill collector on the edge is available, offered in Black Phenolic material. Tablet rotates so it can be positioned for any user activity and can fold down to store beside the chair when not being used. From seated position, specify (**LT**) for left hand tablet or (**RT**) for right hand tablet. Add **$1070**. For tablet on both sides, specify (**TB**). Add **$2136**.

SUGGESTED APPLICATIONS

COLLINGWOOD

model GC36511
High back lounge chair

STANDARD FEATURES

- Collingwood offers a cozy, streamlined design with classic curves.
- The series is available to specify with two textiles, one for the seat cushion and one for the back, arms and front rail (see model image).
- For pricing, start with the base price and add both back/arms graded textile upcharge and the seat graded textile upcharge.
- A clean through design is provided around the seat cushion for easy housekeeping.
- Seat cushion is mechanically removable, if required.
- For added comfort, the seat cushions are standard with high density Ultracell foam.
- The seat underside is sealed with a non-porous material to support housekeeping and infection control protocols.
- Legs are standard in wood or urethane (see upcharge).
- Choose from standard non-marking glides, steel cushioned glides, rubber non-slip glides, or felt glides (upcharges apply).
- The Globalcare warranty (for healthcare and 24/7 environments) applies for all Collingwood models when performance textiles are selected. Visit the website at globalfurnituregroup.com/healthcare.
- Global's standard lifetime warranty applies when approved standard Global textiles are selected.
- For alternate textile applications, contact Global specials. The Blended Textile matrix does not apply to this series.
- Shipped fully assembled.

DESMOND HT

DESMOND HT

model GC4290

EXAMPLE DESMOND HT ORDER CODE:

GC4290	-LX21	-TBL	-PT	-BK	-MB
Model #	Textile	Frame	Armcaps	Glides	Moisture Barrier

STANDARD FEATURES

- Desmond HT is a metal framed chair with residential design while ensuring maximum strength and durability within very challenging applications.
- Available with four-legged metal welded frame with or without arms; with rear casters that allow the caregiver to tip and move chair without lifting. Model GC4292 has a lift-assist mechanism and rear casters. The caregiver steps on the lift-assist in turning the chair and moving the occupant to and from a table.
- Models with rear casters also allow the caregiver to turn the chair with occupant seated for better access to wheelchair or walker.
- The welded metal frame, welded cross rails on lower frame, metal-to-metal fasteners on seat pan, back insert and urethane armcaps enhance strength and durability, ensuring its performance in the most rigorous environments.
- Urethane armcaps are comfortable, durable, cleanable and replaceable. Designed to offer proper support while seated and the forward extension allows the occupant to use with confidence when getting in or out of the chair.
- For added comfort and long term performance the seat cushion is standard with high density Ultracell bio foam
- The underside of the seat pan is moisture resistant, and the cushions have no exposed seams to support improved housekeeping and infection prevention practices
- For Globalcare textiles and finish options, visit the website at globalfurnituregroup.com.
- Can be upholstered in standard Global textiles if Healthcare compliance is not required.
- Shipped fully assembled.

SUGGESTED APPLICATIONS

- Dining/Cafeteria
- Guest seating
- Lobbies
- Lounge/Waiting
- Office/Meeting
- Patient rooms
- Resident rooms
- Bariatric seating (model GC4293)

DOCTOR BUDDY

model GC1104

model GC1111

STANDARD FEATURES

- Doctor Buddy is the perfect stool to provide comfort when performing office tasks or as an examination or feeding stool when caring for others.
- For the right comfort and support when performing tasks, select Doctor Buddy with or without a back.
- Seat and back can be upholstered in vinyl or fabric. Seat is standard with high density Ultracell foam cushion.
- Models available with backrests: GC1111 & GC1113
- Moisture resistant protection on the underside of seat pan.
- GC1104, GC1109, GC1111 & GC1113: 16" seat diameter
- Black five-legged injection-molded base standard
- (**C65**) casters are standard
- For healthcare textiles, visit the website at globalfurnituregroup.com/healthcare.
- Can be upholstered in standard Global textiles if healthcare compliance is not required.

STANDARD FEATURES

- **Casters/Glides**
  (**C65**) Dual wheel carpet casters. No upcharge
  (**C65R**) Dual wheel hard floor casters. Add $71.
  (**C7**) Set of 5 large Black slipper glides (for all surfaces). Can replace any Global casters. Glide is same height as casters. No upcharge.
- Moisture barrier on seat, specify (**MB**). Add $108.
- Sealed seat seams (and back), specify (**SS**). Upcharges vary, see model.
- Height adjustable footrest, specify (**R2**). Add $99.

SUGGESTED APPLICATIONS

- Dining/Cafeteria
- Office/Meeting
- Patient rooms
- Resident rooms
- Treatment/Exam rooms

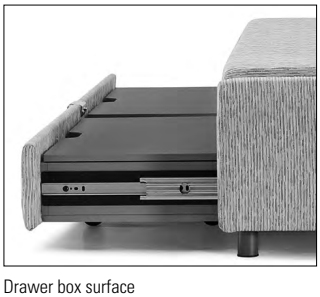
DREME

Sleeper with back and arms
model GC35042

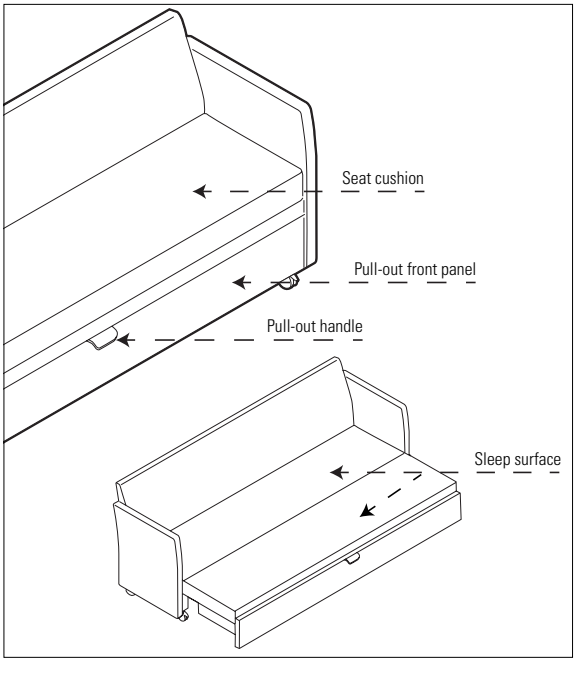
EXAMPLE DREME ORDER CODE:

GC35042	-LE50	-	-BM21	-LPN	-AWH
Model #	Textile	Arm/tablet location	Sleep surface textile	Front panel type (LPN, UPN, LPP, UPP)	Laminate panel finish

-SRL	-TOA	-MB
Storage	Leg finish/ caster option	Moisture barrier



Drawer box surface



STANDARD FEATURES

- Dreme has a compact, comfortable design that offers a place to sit and converts into a generous sleep surface with a simple pull and flip. A variety models include backless/armless benches and 3-seater sofa models with or without arms and tablets.
- The seat deck is a clean through metal platform for superior strength.
- The seat/sleep cushion is attached to the unit with straps held in place by metal-to-metal fasteners allowing sheets to be tucked in place.
- Straps can be unfastened for field replacement of the cushion, if required for any reason.
- A clean through is located at the back of the seat cushion, extending to the floor supporting ease of cleaning.
- The seat cushion folds open to create a 36" deep sleep surface area. Foam is standard high density Ultracell, for enhanced comfort and long-term performance.
- A pull-out section below the seat deck slides forward to support the sleep surface.
- The sleep surface cushion and drawer box covering are upholstered in Bantam vinyl to ensure moisture barrier protection. These surfaces are 9:1 (water to bleach) cleanable. Please select (**BM**) color. See Morbern Bantam textile card for color samples. All other surfaces can be specified in your textile of choice.
- A curved, chrome pull handle is standard on the pull-out front panel of all Dreme models.
- The pull-out is supported by four heavy duty non-locking, swivel casters when in sleep position and is standard without storage.
- Dreme requires zero wall clearance to open into sleep position.
- Standard configuration for all models: two metal legs in front position, two non-locking swivel casters in back position (to assist with moving the unit). Optional front, locking, swivel casters (**FC**) are available. Add **$85**.
- Legs are available in all Globalcare metal paint finishes.
- Models with a tablet are available with left, right or both sofa arms. On models with both arms, specify left (**LT**), right (**RT**) or (**TB**) for tablets on both arms (add **$342** for **TB**). Tablet and arms are designated based on seated position. The tablet surfaces attach to the outside of the arm. The tablet rotates up and can be swiveled over the arm into place for use by the occupant. The strong, oval tablet is a soft black colored, non-porous, phenolic material with a no-spill edge.
- Interior sleep surface: 79"L x 37"W
- All textiles are railroaded across all Dreme components.
- For healthcare textiles, visit the website at globalfurnituregroup.com/healthcare.
- Can be upholstered in standard Global textiles if healthcare compliance is not required.

OPTIONAL FEATURES

- The pull-out is available with a storage compartment option. The storage compartment is divided into two sides, both with clean through spaces, and is finished in Storm Grey (SOG) laminate.The storage compartment must be ordered at time of original order and cannot be retrofitted, specify (**SRB**). Add **$472**.
- Storage compartment lids have a pneumatic lift support, allowing the lid to stay open when accessing the interior storage area.
- An optional seamless drawer liner is available for the storage compartments, as a set of two. Liners can be removed for ease of maintanence, specify (**SRL**). Add **$939**.
- Pull-out front panel is available with or without power units, and either upholstered or laminate. Specify one of the following:
  (**LPN**) laminate panel
  (**UPN**) upholstered panel
  (**LPP**) laminate panel with power. Add **$252**.
  (**UPP**) upholstered panel with power. Add **$252**.
  Select from all standard laminate finishes.
- The optional power unit is located on the front panel, center front position. The tamper-resistant unit includes one power and two, USB-A, 10 watt charging ports with an 8 ft. long power cord. When the pull-out is in the open position, the remaining power cord length is 6 ft. The power module is Black with Black face plate and must be specified at time of order.
- **Leg finish/caster option**:
  (**TBL**) Black
  (**TKA**) Kalua
  (**TLA**) Latte
  (**TMO**) Mocha
  (**TSH**) Shadow
  (**TOA**) Toast
  (**TTU**) Tungsten
  (**FC**) Front, locking, swivel casters. Add **$85**.
  (Casters are Black with Taupe center)
- **Sleep Surface Finish:**
  (**BM21**) Apple
  (**BM25**) Cosmic
  (**BM23**) Dove
  (**BM26**) Firelight
  (**BM22**) Ghost
  (**BM27**) Ginger
  (**BM24**) Iron
  (**BM20**) Rabbit
  (**BM28**) Tropical
  See finishes at globalfurnituregroup.com/workplace/resources/textiles - Global Carded Textiles
- For moisture barrier on full seat and sleeping surface, specify (**MB**). Add **$547**.
- To add sealed seams to your product, specify (**SS**). Add **$512**.

Change is the constant that each new generation brings to the table. Drift™ seating encourages people to come together with new ideas, new priorities and new ways of thinking. The welcoming look is ideal for collaborative spaces in the workplace to community spaces in healthcare.

The series includes lounge and side chairs, bar and counter stools, and task swivel models, connecting people and places wherever the day takes us. The wood base four-leg and swivel models, available in a wide range of popular finishes, bring added warmth to this contemporary seating series.

To see the full Drift series, please refer to the Seating price list at: globalfurnituregroup.com/workplace/resources/price-lists

Features and Benefits

- Soft seat and contoured back and arms provide the perfect balance of style and comfort
- Side chairs available in six base types: sled, wood 4-leg, wood 4-prong swivel, chrome 4-prong swivel, high 4-star swivel and 5-star base on casters
- Lounge chairs available in four base types: sled, wood 4-leg, wood 4-star swivel and Chrome 4-prong swivel
- Counter and bar height stools available with three base types: sled, wood 4-leg, and Chrome 4-star swivel.
- Lounge seating available with 17" seat height with a classic lounge angle or 18" seat height with a reduced back angle for ease of sitting and standing.
- Ottomans have a weighted bottom to maintain upright position.
- P and PH suffix models available with arm and head patches for increased durability
- For ease of cleaning, side and lounge chair models with "F" suffix have flip-forward seats.
- All Drift seating is assembled using tamper proof screws.
- Drift seating is designed for 300 lb. capacity.
- Available to specify with two textiles, one for the seat cushion and one for the back and arms.
- For environmental certifications, please visit globalfurnituregroup.com.

Options

- Sealed back seams and sealed seat seams
- Moisture barrier (seat only)
- Variety of glide options (wood base and sled base models)

ERIN

model GC36531
Armless Guest Chair,
Metal Legs

model GC36532
Guest Armchair,
Wood Legs

STANDARD FEATURES

- Erin offers a streamlined silhouette brimming with mid-century modern style.
- A rounded arch gently curves around and under the seat to give extra support to a user's upper back and sides, while creating an open clean-out space at the back of the cushion.
- The series is available to specify with two textiles, one for the seat cushion and one for the back, arms and front rail (see model image).
- For pricing, start with the base price and add both back/arms graded textile upcharge and the seat graded textile upcharge.
- Tapered legs add style and elegance.
- Legs are available in wood or metal painted/plated finishes (noted).
- The seat underside is sealed with a non-porous material to support housekeeping and infection control protocols.
- Additional improved cleaning options include sealed seams (back and/or seat) and moisture barrier (seat). Upcharges apply.
- Assembled with tamper-resistant fasteners for greater security.
- For added comfort, the seat cushions are standard with high density Ultracell foam.
- Glides are self-leveling. Choose from standard non-marking glides, rubber non-slip glides or felt glides (upcharges apply).
- The Globalcare warranty (for healthcare and 24/7 environments) applies for all Erin GC models when performance textiles are selected. Visit the website at globalfurnituregroup.com/healthcare.
- Global's standard lifetime warranty applies when approved standard Global textiles are selected.
- For alternate textile applications, contact Global specials. The Blended Textile matrix does not apply to this series.
- Shipped fully assembled.

FLAP™

Folding Chair
model 6775

STANDARD FEATURES

- A modern design, high quality, lightweight, all polymer folding chair intended for use indoors or outdoors. Products must be stored inside during extreme and inclement weather. See Global's Outdoor Furniture warranty for additional information.
- Weather resistant, UV resistant, stain resistant, 100% non-ferrous, and recyclable design that is 1:10 bleach solution cleanable.
- Chair legs are equipped with clear non-marking glides as standard. Suitable for outdoor environments, carpet and hard surface flooring
- Chairs are stocked in 2 colors:
  Alloy **(ALY)**
  Milk **(MLK)**
- No upholstery options available
- Rated to 275 lbs.
- Single chair folds flat to 2.2" (55 mm).
- Flap achieves its strength and durability using glass filled polymer. Evidence of this material may be visible on the surface and is often more evident in darker colors.
- Two Flap Wall Hooks, sold individually, support either one (6776S) or two (6776) folded Flap chairs. Mounting hardware not included. Recommended mounting into stud. These Milk **(MLK)** colored plastic hooks mount on walls or inside closets and wardrobe cabinets providing easy access to extra seating.
  -A single chair and hook require 3.7" (94 mm) minimum clearance from wall. Two adhesive wall bumpers are provided in box, recommended for use when mounting behind doors.
  - Two chairs and hook require 7.3" (185 mm) minimum clearance from wall. Wall bumpers not included.
- Flap Ganging Brackets (6778) are sold 12 to a box. These translucent, frosted plastic brackets attach across two adjacent chairs, just above or below the seat to provide temporary ganging for organized events.
- The Flap Dolly (6777), ordered separately, supports up to 24 chairs folded and stacked flat. Includes strap to secure chairs for storage and transport.

Please add option codes in the following order

- **Model number**
  6775 Folding Chair
  6776 Wall Hook
  6777 Dolly
  6778 Ganging Brackets
- **Chair Color**
  (ALY) Alloy
  (MLK) Milk

FOOT ACTIVATED STOOLS

model GC9604FG

model GC9668FG

STANDARD FEATURES

- Foot activated stools allow the occupant to adjust the gas cylinder by pressing on the ring below the base with their foot, which frees up hands to manage other tasks while working in a lab.
- Raise the seat by pressing on the ring before sitting; or lower the seat by pressing on the ring while seated.
- Swivel stool with 8" gas cylinder provides seat height range of 21.5" to 29.5".
- Seamless upholstered seat cushion is constructed from high density Ultracell foam.
- Underside of seat cushion is finished with polyurethane.
- 14" seat diameter with 25" diameter Black five prong injection molded base.
- Standard with dual wheel hard floor casters (**C10R**).
- For Globalcare textiles and finish options, visit the website at globalfurnituregroup.com.
- Can be upholstered in standard Global textiles only if Healthcare compliance is not required.

OPTIONAL FEATURES

- To respond to higher expectations for housekeeping and infection prevention, seat underside can be completely sealed. Contact Customer Care for upcharge.

SUGGESTED APPLICATIONS

- Dining/Cafeteria
- Office/Meeting
- Patient rooms
- Resident rooms
- Treatment/Exam rooms

FROLICK™ & SPLASH™

FROLICK & SPLASH

model GC3001

model GC3011

Three different back constructions

Separate panel piece closes the lower back to conceal the support bracket. Offered in **Frolick** series on select models.

Single piece back with a pullover style upholstery cover and support bracket fastened on the outer back. Offered on select **Frolick** models.

Two piece back covering the back support brackets when fastened in place. Offered in **Splash** series.

STANDARD FEATURES

- Frolick and Splash are multi-purpose stacking chairs that share generous width between the arms, great comfort, and a frame built for greater strength and stability. Each series offers a different back design with special features to best address the application and infection control practices.
- Standard size models offer 19" seat width with 21.5" clearance between the armrests. Bariatric size models offer 31.5" seat width with 33.5" clearance between the armrests.
- For a smaller scale bariatric chair, refer to GC Comet #GC2180 which offers 18.5" seat width with 28" clearance between armrests
- Heavy duty round, tubular gusseted frames.
- Active weight capacity is up to 300 lbs. for standard models, and 500 lbs. for Bariatric models.
- Protective Shadow finished seat shroud is standard on the underside of all models (except bariatric models GC3003 and GC3023).
- To respond to higher expectations for housekeeping and infection control practices, select models with a one-piece back. Description of back is noted with each model
- Wallsaver rear legs eliminate accidental damage to walls.
- Armrests are fiberglass reinforced Nylon and have a flat profile. Fully extended to front of seat edge to assist in entry and exit from the chair.
- Armrests are standard in Black.
- For added comfort, seats are standard with high density Ultracell bio foam
- Four legged standard size models stack 5 high without dolly and 8 high on GC3010 dolly.
- **Four legged Bariatric models stack 2 high only** - No dolly available.
- Sled base models do not stack
- For ganging brackets, see Model 2180 in the Global Seating List Price Book.
- On armless models, Black frames are standard with Black glides and front leg caps. All other frame colors are standard with Shadow glides and front leg caps.
- For textiles and finish options, visit the website at globalfurnituregroup.com/healthcare
- Can be upholstered in standard Global textiles only if Healthcare compliance is not required.

OPTIONAL FEATURES

- A selection of glide options is available. Glides must be chosen to best suit flooring type and site conditions.
- For hard surface floors, please specify opaque non-marking glides (**WH**). No upcharge.
- Glides with felt pads (**FG**) are available for vinyl sheet, cork or laminate flooring. Please specify. Add **$64**.
- Glides with rubber pads (**RG**) are available for vinyl, hardwood, laminate, stone or ceramic flooring. Please specify. Add **$64**.
- Armrests available in Shadow (**SHW**) and Toast (**TOA**). Please Specify. Add **$35**.
- To add sealed seams to your product contact Customer Care. Upcharges vary
- For moisture barrier on seat, add $137 per seat. For bariatric models - Add $209 per seat.
- **Frame finish**
  Painted finishes - no upcharge:

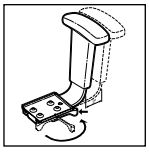
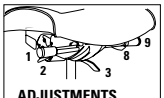
GALA II



Vari-Width (WA) width adjustable arm extensions are standard.

model GC13012, medium back

Synchro-tilter mechanism (-0)



ADJUSTMENTS
(1) Tilt tension
(2) Pneumatic seat height
(3) Back angle
Back/lumbar height
(8) Sliding seat depth
(9) Multi position tilt lock
Synchro tilt action
Anti kick back

Ergonomic features:
A, B, C, D, E, G, H, L, M, N, Q, R, U

STANDARD FEATURES

- Gala II is designed to provide exceptional support and comfort throughout the work day.
- Vertical back height ratchet adjustment of 5.25" is standard.
- Back support upright is 3" wide for extra strength.
- One-piece curved back features a pull over style upholstery cover for easy housekeeping and infection prevention practices.
- Standard with Global's high quality Soft Descent™ pneumatic lift which slowly and gently lowers the seat height of the chair making it easy to obtain the exact seat height you desire.
- Standard with height adjustable arms (**3B**) with self-skinned urethane (SSU) armcaps.
- Vari-Width (**WA**) width adjustable arm extensions are standard. Allows the arms to move away from the seat by 2" on each side to accommodate various users.
- Waterfall seamless seat front design with high density Ultracell foam for superior comfort and longevity
- Underside of seat pan is completely sealed for ease of cleaning.
- Side activated sliding seat depth adjustment (**MD**) is standard on synchro-tilter.
- Five prong, injection molded, fiberglass reinforced nylon Black base with dual wheel carpet casters (**C65**).
- For Globalcare textiles and finish options, visit the website at globalfurnituregroup.com.
- Can be upholstered in standard Global textiles if Healthcare compliance is not required.
- To meet higher standards for housekeeping and infection control, Gala II has a seamless seat and one stitch pull over back upholstery, while still offering soft curves to the design. Note: Vinyl and woven treated textiles are thicker in nature and will experience wrinkles on some curves or corners as a result.

OPTIONAL FEATURES

- Optional hard floor casters (**C65R**) are available. Add $76.

SUGGESTED APPLICATIONS

- Office/Meeting
- Caregiver Workstations

GC-BELONG

model GC4231HB

model GC4231HB

STANDARD FEATURES

- The GC Belong series was developed for active and transient spaces and environments with rigorous demands.
- Elliptical metal tube frame is available in Black (**TBL**), Cloud (**TIV**), Designer White (**TDW**), Fog (**TFO**), Frost (**TFR**), Kalua (**TKA**), Latte (**TLA**), Mocha (**TMO**), Nevada (**TNE**), Sand (**TSN**), Shadow (**TSH**), Toast (**TOA**) and Tungsten (**TTU**). Specify finish.
- Urethane armcaps are available in Black (**BLK**), Kalua (**KAL**), Latte (**LAB**), Mocha (**J52**), Shadow (**SHW**), and Toast (**TOA**).
- Wood armcaps are also available in Absolute (AAM), Black (BKM), Cherry (ACM), English Oak (EOM), Espresso Cafe (ECM), Fruitwood (TFM), Gray (HGM), Honey (AHM), Mahogany (TMM), Maple (AVM), Medium Walnut (MWM), Natural Walnut (NLW), Night (ASM), Noce Biondo (NBM), Noce Grigio (NGM), Noce Leggero (NEM), Noce Medio (NMM), Sandy Beach (SKM), Shaker Cherry (SKM), Silver Oak (SOM), Walnut (TWM), WC Cream (WTM), White (WHM) and Winter Cherry (WCM). *Refer to individual models for upcharge.*
- The frame can be weighted and made with tamperproof fasteners for greater security in more challenging mental health spaces or correctional facilities.
- Active weight capacity is 500 lbs. per seat position; 750 lbs. for bariatric seating.
- The seat and back are removable and field replaceable.
- For added comfort, seats are standard with high density Ultracell foam.
- All seat frames feature a wallsaver design to prevent back contact with wall. **Note**: In order to allow full flex of the back on models GC4242, GC4242HB, GC4243 and GC4243HB, a 10.5" wall clearance is required.
- Ottomans and Benches do not have wallsaver legs.
- Standard seat height on all models is 18.5"
- Standard with Black glides
- Select models are offered with casters on the rear legs. These casters allow for ease of movement in support of housekeeping efforts or repositioning seating within a space. **They are not intended for patient transfer.**
- Clean out space is provided between the seat and back cushions for easier housekeeping.
- **Left and Right position reference** is determined from the seated position.
- Flex back models feature a torsion control mechanism which allows the back to move 14° in a soothing rocking motion.
- For healthcare textiles and wood finish options, visit the website at globalfurnituregroup.com
- Can be upholstered in standard Global textiles if healthcare compliance is not required.

OPTIONAL FEATURES

- For hardsurface floors, specify opaque, non-marking glides (**NM**). No upcharge.
- For moisture barrier on seat, specify (**MB**). Add $137 per seat. For bariatric models, Add $209 per seat.
- As an option, seams can be sealed to prevent penetration of fluids through the stitching. Contact Customer Care for approved textiles.
  Low Back Models - **Add $120** list upcharge per seat
  Low Back Bariatric Models - **Add $127** list upcharge per seat
  High Back Models - **Add $130** list upcharge per seat
  High Back Bariatric Models - **Add $138** list upcharge per seat
  Split-Back Models - **Add $190** list upcharge per seat
  Ottoman - **Add $43** list upcharge
  Benches: **Add $52** list upcharge for one seat, **Add $112** for two seat models, and **Add $167** for three seat models.

SUGGESTED APPLICATIONS

- Bariatric seating
- Guest seating
- Lobbies
- Lounge/Waiting
- Patient/Resident rooms
- Treatment/Exam rooms

GC BELONG BENCHES & BRIDGES

- Units with links can only gang with a bridge. They CANNOT gang directly with another link unit. (Link units have side brackets.)
- Available in one, two or three seat models.
- A bridge unit suspends between 2 other units using their links. A bridge is NOT freestanding. (A bridge does not have legs.)
- Benches have no front or back facing distinction so models with links can be reversed.
- All bridge models can be ganged to seat units with link.

GC BELONG TABLE BRIDGES

- Table heights are 16"
- 1" thick tops are available in thermally fused laminate (LP) and high pressure laminate (HP). Please select the appropriate model number for the finish you prefer.
- 2mm edging color coordinated with laminate finish is standard for all tops. Finish must be specified at the time of order.
- Refer to the following lists when selecting a finish color. Must specify both a top color and leg finish when ordering.

Thermally Fused Laminate (LP) Tops

GC-CITI

model GC7875

5" tubular metal leg
(shown in Tungsten)

5" tapered wood leg
(shown in Maple)

STANDARD FEATURES

- Fully upholstered contemporary design, complements timeless decor. Proportions are compact, 31" deep, works well in public spaces, lounges and lobbies.
- The steel leg brings a lightness of scale, while satisfying the need for accessibility
- GC Citi seat legs are 5" high tubular metal, standard in a Tungsten finish.
- The seat is fastened into place and removable over an open frame structure eliminating all barriers and traps below the surface.
- The seat cushion is fully encased by the upholstery with a nylon zippered opening for access if replacement is required. This method of upholstery when using Crypton or vinyl textiles prevents the interior construction from contact with spills and body fluids that could affect the products long-term performance
- Models have removable cushions. Cushions feature removable covers
- The interior wood frame has an interlocking construction providing superior strength and long-term durability
- Arm height on all models is 25".
- Casters are not available on this series
- For added comfort, seats are standard with high density Ultracell foam
- For healthcare textiles and finish options, visit the website at www.globalfurnituregroup.com
- Can be upholstered in standard Global textiles only if Healthcare compliance is not required.
- Shipped fully assembled

OPTIONAL FEATURES

- To add sealed seams to your product, contact customer care. Upcharges vary.
- For moisture barrier on seat, specify (**MB**). Add $199.
- **Leg Type**
  (**MTL**) Metal legs
  (**WDL**) Wood legs. Add $333.
- **Leg Finish**
  (**TBL**) Black
  (**TTU**) Tungsten
  (**CHM**) Chrome. Add $102. Please specify.

GC SIDERO™

model GC6923

SEAT WIDTH	STACKING CAPABILITIES
19.5"	Four-legged armchairs and side chairs can stack up to 5 high on the floor or 8 high on dolly #2125WS. Sled base armchairs and side chairs do not stack.
24" midsize	Four-legged armchairs and side chairs can stack up to 5 high on the floor. No dolly is available. Sled base armchairs and side chairs do not stack.
30" bariatric	Four-legged armchairs can stack up to 2 high on the floor. No dolly is available. Sled base models do not stack.

STANDARD FEATURES

- GC Sidero is a collection of contemporary multi-purpose stacking chairs with a sculptured look, featuring wide, curved arms and a round tubular wallsaver steel frame.
- Available in arm and armless models (except on bariatric models) with three seat widths, two back heights, and a four-legged and sled base frame.
- Offers options that allow the chair to meet rigorous infection prevention control requirements.
- Compound curved back provides comfort and support in multiple seating positions
- Rugged steel frame made from round welded steel tubing 7/8" dia.
- Frames feature a wall saver design to prevent back contact with wall
- Standard glide is durable Black polypropylene
- For added comfort, seats are standard with high density Ultracell bio foam
- Three seat widths: 19.5" (standard size), 24" (mid size) and 30" (bariatric).
- Two different back constructions are offered:
  1. Concealed back attachment: two piece back covering the back support brackets when fastened in place.
  2. Single piece back with a pullover style upholstery cover and support bracket fastened on the outer back.
- Low back and high back models are available:
  1. Low back version is available on all three seat widths: 15.5" high.
  2. High back version on 19" and 24" seat widths: 21" high.
  3. High back version on bariatric 30" seat width: 21.75" high.
- Fiberglass nylon reinforced arms have a generous width and extend to the front of the seat. They offer additional support and help to stabilize users as they sit or exit the chair. Available in Black only.
- Select GC Sidero models are equipped with a polypropylene seat shroud that helps avoid frame imprints on upholstered seats when chairs are stacked. Protective seat shroud is standard on all 19.5" seat width models.
- 30" Bariatric and 24" seat width models do not have a seat shroud and are standard with a vinyl covered seat underside.
- Active weight capacity for 19.5" seat width models is up to 300 lbs., and up to 500 lbs for 24" seat width and Bariatric models.
- For healthcare textiles and finish options, visit the website at globalfurnituregroup.com.
- Can be upholstered in standard Global textiles if healthcare compliance is not required.
-

OPTIONAL FEATURES

- To respond to higher expectations for housekeeping and infection prevention, single piece back underside and all seat pan undersides can be completely sealed and seat shroud (if standard on the model) would be removed.
  - For standard models with single piece back, please specify (**BSS**). Add **$76**.
  - For standard models with concealed attachment back, please specify (**STS**). Add **$50**.
  - For 24" width models with single piece back, please specify (**BSS**). Add **$89**.
  - For 24" width models with concealed attachment back, please specify (**STS**). Add **$69**.
  - For bariatric models with single piece back, please specify (**BSS**). Add **$108**.
  - For bariatric models with concealed attachment back, please specify (**STS**). Add **$70**.
- Chrome frame available, please specify (**CHM**). Add **$47** list upcharge.
- A selection of glide options is available. Glides must be chosen to best suit flooring type and site conditions.
- For hard surface floors, please specify opaque non-marking glides (**NM**). No upcharge.
- Steel cushioned glides (**B**) are available on four legged models. Add **$33** list upcharge.
- Glides with felt pads (**FG**) are available for vinyl sheet, cork or laminate flooring. Please specify. Add **$64**.
- Glides with rubber pads (**RG**) are available for vinyl, hardwood, laminate, stone or ceramic flooring. Please specify. Add **$64**.
- Seams can be sealed to prevent penetration of fluids through the stitching. Sealed seams are only available with select textiles. Please contact CustomerCare for more information.
- Moisture Barrier for 19.5" seat width - Add $137 list upcharge per seat. For 24" seat width models - Add $137 list upcharge per seat.. For Bariatric models - Add $209 list upcharge per seat.
- **Frame finish**
  Painted finishes - no upcharge:
  (**TBL**) Black
  (**TIV**) Cloud
  (**TDW**) Designer White
  (**TFO**) Fog
  (**TFR**) Frost
  (**TKA**) Kalua
  (**TLA**) Latte

GC SIRENA™

DESCRIPTION	MODEL#	STANDARD FABRIC GRADES

GC SIRENA™

model GC3380

model GC3380RTL/M

STANDARD FEATURES

- The size and scale of this chair permits it to be used in smaller areas, where space is a consideration and style cannot be compromised. The soft curves and comfortable fit make this the right solution for creating group seating areas or in confined spaces.
- Complementary round foot design is available in Black only.
- For tablet models, please specify left hand or right hand tablet at time of order (determined from the seated position). See models below.
- Tablets rotate and are non-removable. Overall tablet size is 17"W by 14"D.
- Laminate tablet surfaces are 1.5" thick.
- (**C1M**) dual wheel carpet casters are standard on select models.
- The interior wood frame is an interlocking construction providing superior strength and long-term durability.
- Clean out space is provided around the seat pan for easy housekeeping and infection prevention practices
- Seat cushion can be removed if replacement is required
- For added comfort, seats are standard with high density Ultracell foam.
- For textile options, visit the website at globalfurnituregroup.com/healthcare
- Can be upholstered in standard Global textiles if healthcare compliance is not required.

OPTIONAL FEATURES

- Wood legs are available offered in the following Global wood finishes: Absolute (AAM), Cherry (ACM), English Oak (EOM), Espresso Cafe (ECM), Fruitwood (TFM), Gray (HGM), Honey (AHM), Jet Onyx (JOM), Mahogany (TMM), Maple (AVM), Medium Walnut (MWM), Natural Walnut (NLW), Night (ASM), Noce Biondo (NBM), Noce Grigio (NGM), Noce Leggero (NEM), Noce Medio (NMM), Sandy Beach (SBM), Shaker Cherry (SKM), Walnut (TWM), White (WHM), WC Cream (WTM) and Winter Cherry (WCM).
- Laminate tablets are offered in the following laminate finishes: Absolute Acajou (ACJ), Asian Night (ASN), Avant Cherry (AWC), Avant Honey (AWH), Black (BLK), Blizzard (BZD), Brushed Cobalt (BRC), Clear Maple (CMB), Custom Grey (CGY), Dark Espresso (DES), Designer White (DWT), Fashionista (FAS), First Class (FCL), Noce Biondo (NBM), Noce Leggero (NEM), Noce Grigio (NGM), Noce Medio (NMM), Quartered Mahogany (QTM), Sheer Beauty (SBY), Stonedust (SDT), Walnut Heights (WHE), White Chocolate (WHC) and Winter Cherry (WCR).
  Please specify
- To add sealed seams to your product, contact CustomerCare for more information.
- For moisture barrier on seat, please specify (**MB**). Add $179.

GC VION™

GC VION

model GC6322-0

STANDARD FEATURES

- GC Vion is a comprehensive seating series offering a family of models to address multiple applications: task, management and conference.
- Series offers mid and high back models with either a mesh or upholstered back.
- Mechanism available: synchro tilter (-0).
- All models are standard with height and width adjustable arms (**AS**) that feature a front to back sliding armcap.
- Standard with Global's high quality Soft Descent™ pneumatic lift which slowly and gently lowers the seat height of the chair, making it easy to obtain the desired position.
- Side activated sliding seat depth adjustment (**MD**) is standard on synchro-tilter with back angle adjustment.
- Standard with Black five prong, injection molded, fiberglass reinforced nylon Governor base (**B7**) with dual wheel carpet casters (**C1**).
- Mesh back models are available in 10 standard Vion colors: Aqua (**MS75**), Black (**MS69**), Black Cherry (**MS76**), Blue (**MS72**), Dust (**MS77**), Ivory (**MS78**), Natural (**MS74**), Paprika (**MS79**), Rope (**MS73**) and Stone (**MS71**).
- Underside of the seat is upholstered in a coated textile. The joining of the textiles on the underside of the seat pan is sealed on all models.
- Upholstered back models feature black fabric Jenny (**JN02**) on the back side as standard.
- Check textile availability prior to specifying upholstery material. Materials must meet or exceed 100,000 double rubs to comply with Globalcare's 24/7 seating textile warranty.

OPTIONAL FEATURES

- Vion back frames, arms and bases are available in three colors: Black, Shadow and Fog. See Vion finishes chart for options and upcharges. Armcaps are always Black.
- Mesh back models are also available in 10 Dimension Mesh colors: Black (**DBK**), Fog (**DST**), Chalk (**DCL**), Shadow (**DGM**), Charcoal (**DCH**), Sand (**DSD**), and Pool Blue (**DPB**). Add **$29**
- Petite seat models (2" shorter and 2" narrower than the standard size seat) are available. Specify (**ST**) for standard seat or (**P**) for petite seat. No upcharge.
- An optional moisture barrier is available for the seat cushion. Specify (**NB**) for no moisture barrier, no upcharge, or (**MB**) for Moisture Barrier. Add $124.
- Sealed seams are available on the seat of GC Vion models when specified with approved coated textile. Contact Customer Care for availability. Specify (**NS**) for no sealed seams, no upcharge, or (**SE**) for sealed seat seams. Add **$23**.
- For hard surface flooring casters, please specify (**C9R**). Add **$76**.
- Two featured "T" arm options that include height and width adjusting arms, one with sliding arm caps (**AS**) and one without sliding arm caps (**AF**). Also, available is a stylish fixed urethane arm (**C**) for conference/management environments.
- For additional arm/caster options, please refer to the Arm and Caster section of the Seating List Price Book. *Optional casters may be priced higher than the standard casters for your chair and the difference will be charged. Lower priced optional casters will not be credited.*

Leg type	Leg finish	Back seams	Seat seams	Moisture barrier

STANDARD FEATURES

- Classic soft seating upholstery design with swooping arms.
- Available in two back heights.
- Features a cleanout at back of seat cushion.
- Arms are standard fully upholstered. Arm caps are available in Urethane or Solid Surface. See upcharges.
- Durable, steel seat structure.
- The seat underside is covered with non-porous material for ease of cleaning.
- The seat cushion is mechanically removable for replacement.
- Back spring structure provides comfort and durability.
- For added comfort, seats are standard with high density Ultracell foam.
- Tapered legs are standard in maple wood or optional Urethane, see upcharge.
- Models are standard with White non-marking nylon glides. See Glide Type for additional glide options.
- Sealed seams are available on chair backs and arms and/or seats (see model upcharges).
- A moisture barrier may be added to seat cushions only (see model upcharges). Not available with sealed seams.
- GC Vitrola is covered under Global Healthcare 12 year, 24/7 warranty when upholstered with minimum 100,000 DR textile. For healthcare textiles, visit the website at globalfurnituregroup.com.
- Can be upholstered in standard Global textiles if healthcare compliance is not required. Global's Limited Lifetime warranty applies.
- The series is available with contrasting fabrics. Specify arms, back and front rail separate from seat cushion (see model image).
- For pricing, start with the base price and add both back/arms graded textile upcharge and the seat graded textile upcharge.
- For alternate textile applications, contact Global specials. The Blended Textile matrix does not apply to this series.
- Shipped fully assembled
- GC Vitrola standard seating has 350 lb. capacity per seat; 600 lbs. for bariatric chairs.

JANNA

model GC7609

STANDARD FEATURES

- Very often tight spaces create a challenge when additional seating is required for guests. Janna's unique folding frame is the perfect solution for temporary seating, especially where space is at a premium.
- Molded wood veneer frame.
- Concealed folding mechanism uses metal-to- metal construction details with lock tight fasteners.
- For added comfort, seats are standard with high density foam.
- Non-marking nylon glides are standard.
- For healthcare textiles, visit the website at globalfurnituregroup.com.
- Can be upholstered in standard Global textiles if Healthcare compliance is not required
- Shipped fully assembled.

OPTIONAL FEATURES

- **Wood frame finish**. Please specify.
  (**AAM**) Absolute
  (**BKM**) Black
  (**ACM**) Cherry
  (**EOM**) English Oak
  (**ECM**) Espresso Cafe
  (**TFM**) Fruitwood
  (**HGM**) Grey

NOTES

NOURISH

GC3681FXH

GC3683F

GC3685

Headrest adjustment handle

Casters and height adjustable legs

Transfer arm

STANDARD FEATURES

- Nourish is an innovative, state-of-the-art patient chair, developed in consultation with leading healthcare professionals. It embraces the body, cultivating comfort during periods of recovery.
- All chair models have left and right, easy to operate transfer arms. Transfer arms allow users to easily transfer in and out of the chair and provide easy access to assist the user.
- Models with fixed legs have a standard seat height of 18.5".
- Models with adjustable legs have adjustment pins to conveniently adapt seat heights from 17" to 20". 20" seat height models (-20) have a seat height adjustment range of 20" to 23". Front and back legs can be adjusted separately allowing modification of seat pitch, forward or rearward.
- Models with rear casters allow for 'tip and move' so the chair can be conveniently relocated while unoccupied. The optional push bar aids staff in moving the chair (see upcharge). Push bar matches frame finish.
- Select models have a unique Schukra depth adjustable headrest solution integrated inside the back near the user's neck area. The depth is controlled by a handle on the lower outer back cushion.
- Schukra depth adjustable lumbar support for additional comfort is standard on select models.
- Standard models have minimal flex to the back. Flex back models (F model suffix) have additional back movement.
- For added comfort, seats are standard with high density Ultracell foam.
- Metal frame is available in several paint finishes.
- The arm structure finish is Tungsten with a urethane armcap, available in five finishes.
- Available to specify with two textiles, one for the seat cushion and one for the back (see model image). For pricing, start with the base price and add both back graded textile upcharge and seat graded textile upcharge.
- The Blended Textile matrix does not apply to this series.
- Nourish is covered under Global's 12-yr, 24/7 warranty. Textiles with a minimum of 100,000 double rubs must be specified.
- For healthcare textile and finish options, visit the website at globalfurnituregroup.com.
- Can be upholstered in standard Global textiles if high traffic, heavy duty or multi-shift compliance is not required. Global's limited lifetime warranty applies.
- Shipped fully assembled.
- Active weight capacity for standard single seat is 350 lbs. and 750 lbs for bariatric seating.

Add option codes in the following order:

- **Model number**
  Specify model number
- **Back Textile**
  Specify textile code.

OAKVILLE

model GC36500
High back lounge chair

STANDARD FEATURES

- Oakville offers a modern take on wingback seating for social settings, resident rooms and lounge areas.
- The seating in this series is available to specify with two textiles, one for the seat cushion and one for the back, arms and front rail (see model image).
- For pricing, start with the base price and add both back/arms graded textile upcharge and the seat graded textile upcharge.
- A clean through design is provided around the seat cushion for easy housekeeping.
- Legs are available in wood or urethane (see upcharge).
- Choose from standard non-marking glides, steel cushioned glides, rubber non-slip glides, or felt glides (upcharges apply).
- The seat underside is sealed with a non-porous material to support housekeeping and infection control protocols.
- For added comfort, seat cushions are standard with high density Ultracell foam.
- The Global warranty (for healthcare and 24/7 environments) applies for all Oakville models when performance textiles are selected. Visit the website at globalfurnituregroup.com/healthcare.
- Global's standard lifetime warranty applies when approved standard Global textiles are selected.
- For alternate textile applications, contact Global specials. The Blended Textile matrix does not apply to this series.
- Shipped fully assembled.

SUGGESTED APPLICATIONS

- Guest seating
- Lobbies
- Lounge/Waiting
- Patient rooms
- Resident rooms

GC3616W Dining armchair with open arms

Primacare™ set a benchmark for healthcare seating. All the features, all the looks and quite possibly the most extensive offering of its kind for both acute care and long-term care applications.

Under the skin of every Primacare chair is a heart of solid steel waiting to meet the rigorous demands of any environment.

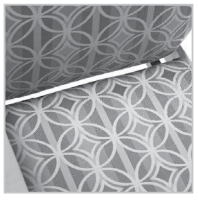
The Primacare series includes more than 40 models that extend from patient rooms to waiting areas, dining rooms to treatment centers including bariatric hip chair solutions.

FEATURES

Open arms

Closed arms - fully upholstered side panels *on select models*

Arm grip extension - to assist getting in and out of the chair safely



Separate seat and back - provides clean out for housekeeping staff

Fold down headrest - to provide access for caregiver assistance

Removable upholstery - for ease of cleaning and replacement

Solid wood frame - in hardwood for long life and a warm look

Metal-to-metal connector - provides unparalleled strength and durability

Metal mesh pan - superior comfort and hygiene for patient incontinence

Wall safe legs - offer first contact to protect walls and chair backs on most models

AVAILABLE TEXTILES AND FINISHES

Please see the Healthcare Textile and Finishes section at www.globalfurnituregroup.com for all details including wood finishes.

SUGGESTED APPLICATIONS

- Bariatric seating (some models)
- Dining/Cafeteria
- Guest seating
- Lobbies
- Lounge/Waiting

- Resident rooms
- Treatment/Exam rooms

DINING - available with wood or metal frames

GUEST - available with wood or metal frames

PATIENT - available with wood or metal frames

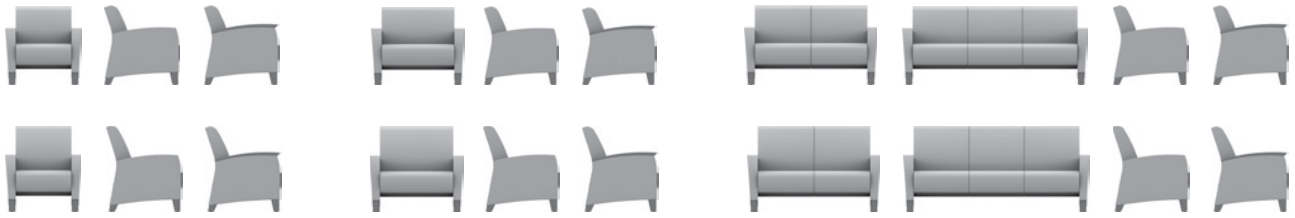
HIP CHAIRS - available with wood or metal frames

LOUNGE - available with wood or metal legs

*Upholstered closed arm panels are available on wood frame models (dining, lounge and low back guest armchairs) and all metal frame models.

PRIMACARE™ - PRODUCT MAP

FULLY UPHOLSTERED LOUNGE - available with wood or urethane legs



WINGBACK ARMCHAIR - available with wood or urethane armcaps and legs

PRIMACARE DINING

model GC3616CA (HT)

model GC3616W (Wood)

STANDARD FEATURES

- Primacare is a family of products offering the most significant return on investment approach in the industry since every component can be repaired or replaced on site.
- **High traffic (HT) models**: Metal frame with die cast zinc connectors and metal-to-metal fasteners. Available in the following finishes: Black (**TBL**), Cloud (**TIV**), Designer White (**TDW**), Fog (**TFO**), Frost (**TFR**), Kalua (**TKA**), Latte (**TLA**), Mocha (**TMO**), Nevada (**TNE**), Sand (**TSN**), Shadow (**TSH**), Toast (**TOA**) and Tungsten (**TTU**).
- **Wood models**: Solid hardwood frame with die cast zinc connectors and metal-to-metal fastening. Available in the following finishes: Absolute (AAM), Cherry (ACM), English Oak (EOM), Espresso Cafe (ECM), Fruitwood (TFM), Gray (HGM), Honey (AHM), Jet Onyx (JOM), Mahogany (TMM), Maple (AVM), Medium Walnut (MWM), Natural Walnut (NLW), Night (ASM), Noce Biondo (NBM), Noce Grigio (NGM), Noce Leggero (NEM), Noce Medio (NMM), Sandy Beach (SBM), Shaker Cherry (SKM), Walnut (TWM), White (WHM), WC Cream (WTM) and Winter Cherry (WCM).
- Armcaps are securely fastened with metal-to-metal connectors which allow for field replacement if required.
- Easy grip forward extending armcap on models with arms.
- Wood armcaps are standard.
- Replaceable seat covers and replaceable and/or removable seat cushions are standard.
- Waterfall cleanout between the seat and back cushions.
- Models are standard with metal mesh seat deck. For behavioral health applications, the metal mesh seat deck can be covered with a solid moisture resistant surface, held in place with tamperproof fasteners. Contact your Global sales rep for a special quotation.
- All seat frames feature a wall saver design to prevent back contact with wall.
- **GC3616WCA** and **GC3616CA** have upholstered panel arm inserts closing the arm. (Closed arm panels are designed to be replaceable. Request a special quote to have them secured with tamperproof fasteners.)
- Model **GC3616RCEZ** has a lift-assist mechanism and rear casters. The caregiver steps on the lift-assist foot lever to assist in turning the chair and moving the occupant to and from a table.
- For healthcare textile options, visit the website at www.globalfurnituregroup.com.
- Can be upholstered in standard Global textiles if healthcare compliance is not required.
- It is recommeded that High Traffic (HT) models be specified in textiles that meet or exceed 100,000 double rubs for added abrasion performance.
- Shipped fully assembled.
- **HIGH TRAFFIC (HT) MODELS ARE LISTED FIRST, FOLLOWED BY WOOD MODELS.**

OPTIONAL FEATURES

- Urethane armcaps are available. See far left column "High traffic (HT) models" for finishes. Please specify. *Refer to individual models for availability and pricing.*
- For moisture barrier on seat, specify (**MB**). Add $137 per seat.
- To add sealed seams to your product contact Customer Care. Upcharges vary.
- For Primacare tables, see page 52.

PRIMACARE GUEST

model GC3620CA (HT)

model GC3625W (Wood)

STANDARD FEATURES

- Primacare is a family of products offering the most significant return on investment approach in the industry since every component can be repaired or replaced on site.
- **High traffic (HT) models**: Metal frame with die cast zinc connectors and metal-to-metal fasteners. Available in the following finishes: Black (**TBL**), Cloud (**TIV**), Designer White (**TDW**), Fog (**TFO**), Frost (**TFR**), Kalua (**TKA**), Latte (**TLA**), Mocha (**TMO**), Nevada (**TNE**), Sand (**TSN**), Shadow (**TSH**), Toast (**TOA**) and Tungsten (**TTU**).
- **Wood models**: Solid hardwood frame with die cast zinc connectors and metal-to-metal fastening. Available in the following finishes: Absolute (AAM), Cherry (ACM), English Oak (EOM), Espresso Cafe (ECM), Fruitwood (TFM), Gray (HGM), Honey (AHM), Jet Onyx (JOM), Mahogany (TMM), Maple (AVM), Medium Walnut (MWM), Natural Walnut (NLW), Night (ASM), Noce Biondo (NBM), Noce Grigio (NGM), Noce Leggero (NEM), Noce Medio (NMM), Sandy Beach (SBM), Shaker Cherry (SKM), Walnut (TWM), White (WHM), WC Cream (WTM) and Winter Cherry (WCM).
- Armcaps are securely fastened with metal-to-metal connectors which allow for field replacement if required.
- Easy grip forward extending armcap on models with arms.
- Wood armcaps are standard.
- Replaceable seat covers and replaceable and/or removable seat cushions are standard.
- Waterfall cleanout between the seat and back cushions.
- Models are standard with metal mesh seat deck. For behavioral health applications, the metal mesh seat deck can be covered with a solid moisture resistant surface, held in place with tamperproof fasteners.
- All seat frames feature a wall saver design to prevent back contact with wall.
- Models ending in **CA** / **ARC**, have upholstered panel arm inserts closing the arm. (Closed arm panels are designed to be replaceable.
- For healthcare textile options, visit the website at www.globalfurnituregroup.com.
- Can be upholstered in standard Global textiles if healthcare compliance is not required.
- It is recommeded that High Traffic (HT) models be specified in textiles that meet or exceed 100,000 double rubs for added abrasion performance.
- Shipped fully assembled.
- **High traffic (HT) models are listed first, followed by wood models**.

OPTIONAL FEATURES

- Urethane armcaps are available. Please specify. *Refer to individual models for availability and pricing.*
- For moisture barrier (seat only), add $137 list upcharge per seat. For Bariatric Models: GC3637, GC3637W, GC3637CA and GC3637WCA - **Add $209** list upcharge per seat.
- To add sealed seams to your product contact Customer Care. Upcharges vary.
- For Primacare tables, see page 52.

SUGGESTED APPLICATIONS

- Bariatric seating
- Guest seating
- Lobbies
- Lounge/Waiting
- Patient rooms
- Resident rooms

PRIMACARE PATIENT

model GC3631 (HT)

model GC3632W (Wood)

STANDARD FEATURES

- Primacare is a family of products offering the most significant return on investment approach in the industry since every component can be repaired or replaced on site.
- **High traffic (HT) models**: Metal frame with die cast zinc connectors and metal-to-metal fasteners. Available in the following finishes: Black (**TBL**), Cloud (**TIV**), Designer White (**TDW**), Fog (**TFO**), Frost (**TFR**), Kalua (**TKA**), Latte (**TLA**), Mocha (**TMO**), Nevada (**TNE**), Sand (**TSN**), Shadow (**TSH**), Toast (**TOA**) and Tungsten (**TTU**).
- **Wood models**: Solid hardwood frame with die cast zinc connectors and metal-to-metal fastening. Available in the following finishes: Absolute (AAM), Cherry (ACM), English Oak (EOM), Espresso Cafe (ECM), Fruitwood (TFM), Gray (HGM), Honey (AHM), Jet Onyx (JOM), Mahogany (TMM), Maple (AVM), Medium Walnut (MWM), Natural Walnut (NLW), Night (ASM), Noce Biondo (NBM), Noce Grigio (NGM), Noce Leggero (NEM), Noce Medio (NMM), Sandy Beach (SBM), Shaker Cherry (SKM), Walnut (TWM), White (WHM), WC Cream (WTM) and Winter Cherry (WCM).
- Armcaps are securely fastened with metal-to-metal connectors which allow for field replacement if required.
- Easy grip forward extending armcap on models with arms.
- Replaceable seat covers and replaceable and/or removable seat cushions are standard.
- Wood armcaps are standard.
- Waterfall cleanout between the seat and back cushions.
- Models are standard with metal mesh seat deck. For behavioral health applications, the metal mesh seat deck can be covered with a solid moisture resistant surface, held in place with tamperproof fasteners. Contact your sales rep for a special quotation.
- All seat frames feature a wall saver design to prevent back contact with wall.
- Models ending in **CA** / **ARC**, have upholstered panel arm inserts closing the arm. Closed arm panels are designed to be replaceable.
- For healthcare textile options, visit the website at www.globalfurnituregroup.com.
- Can be upholstered in standard Global textiles if healthcare compliance is not required.
- It is recommeded that High Traffic (HT) models be specified in textiles that meet or exceed 100,000 double rubs for added abrasion performance.
- Shipped fully assembled.
- **High traffic (HT) models are listed first, followed by wood models**.

OPTIONAL FEATURES

- Urethane armcaps are available. Please specify. *Refer to individual models for availability and pricing.*
- For moisture barrier (seat only), add **$137** list upcharge per seat. For Bariatric Models: GC3638W, GC3639W, GC3640W, GC3640WCA, and GC3656W - **Add $209** list upcharge per seat.
- To add sealed seams to your product contact Customer Care. Upcharges vary.
- For Primacare tables, see page 52.

SUGGESTED APPLICATIONS

- Bariatric seating
- Guest seating
- Lobbies
- Lounge/Waiting
- Patient rooms
- Resident rooms
- Treatment/Exam rooms

PRIMACARE LOUNGE

model GC3641 (HT)

model GC3641W (Wood)

STANDARD FEATURES

- Primacare is a family of products offering the most significant return on investment approach in the industry since every component can be repaired or replaced on site.
- **High traffic (HT) models**: Metal frame and urethane armcaps with die cast zinc connectors and metal-to-metal fasteners. Available in the following finishes: Black (**TBL**), Cloud (**TIV**), Designer White (**TDW**), Fog (**TFO**), Frost (**TFR**), Kalua (**TKA**), Latte (**TLA**), Mocha (**TMO**), Nevada (**TNE**), Sand (**TSN**), Shadow (**TSH**), Toast (**TOA**) and Tungsten (**TTU**).
- **Wood models**: Solid hardwood frame with die cast zinc connectors and metal-to-metal fastening. Available in the following finishes: Absolute (AAM), Cherry (ACM), English Oak (EOM), Espresso Cafe (ECM), Fruitwood (TFM), Gray (HGM), Honey (AHM), Jet Onyx (JOM), Mahogany (TMM), Maple (AVM), Medium Walnut (MWM), Natural Walnut (NLW), Night (ASM), Noce Biondo (NBM), Noce Grigio (NGM), Noce Leggero (NEM), Noce Medio (NMM), Sandy Beach (SBM), Shaker Cherry (SKM), Walnut (TWM), White (WHM), WC Cream (WTM) and Winter Cherry (WCM).
- Armcaps are securely fastened with metal-to-metal connectors which allow for field replacement if required.
- Easy grip forward extending armcap on models with arms.
- Replaceable seat covers and replaceable and/or removable seat cushions are standard.
- Waterfall cleanout between the seat and back cushions.
- Models are standard with metal mesh seat deck. For behavioral health applications, the metal mesh seat deck can be covered with a solid moisture resistant surface, held in place with tamperproof fasteners. Contact your sales rep for a special quotation.
- All seat frames feature a wall saver design to prevent back contact with wall.
- Models ending in **CA** have upholstered panel arm inserts closing the arm. (Closed arm panels are designed to be replaceable.
- For healthcare textile options, visit the website at globalfurnituregroup.com.
- Can be upholstered in standard Global textiles if healthcare compliance is not required.
- It is recommeded that High Traffic (HT) models be specified in textiles that meet or exceed 100,000 double rubs for added abrasion performance.
- Shipped fully assembled.
- **High traffic (HT) models are listed first, followed by wood models**.

OPTIONAL FEATURES

- **High traffic (HT) models**: Wood armcaps are available. See far left column "Wood models" for finishes. Please specify. No upcharge.
- **High traffic (HT) and wood models**: Urethane armcaps are available. Please specify. *Refer to individual models for availability and pricing.*
- For moisture barrier (seat only), add **$204** list upcharge per seat. For bariatric models: GC3640, GC3640CA, GC3640W, and GC3640WCA - Add **$209** list upcharge per seat.
- To add sealed seams to your product contact Customer Care. Upcharges vary.
- For Primacare tables, see page 52.

SUGGESTED APPLICATIONS

- Bariatric seating
- Guest seating
- Lobbies
- Lounge/Waiting
- Patient rooms
- Resident rooms

PRIMACARE™ FULLY UPHOLSTERED LOUNGE

PRIMACARE FULLY UPHOLSTERED LOUNGE

model GC3676HB

model GC3677

STANDARD FEATURES

- Primacare is a family of products offering the most significant return on investment approach in the industry since every component can be repaired or replaced on site.
- Standard with fully upholstered arms and Black urethane legs.
- Solid hardwood frame with die cast zinc connectors and metal-to-metal fastening.
- Replaceable seat covers and replaceable and/or removable seat cushions are standard.
- Waterfall cleanout between the seat and back cushions.
- Models are standard with metal mesh seat deck. For behavioral health applications, the metal mesh seat deck can be covered with a solid moisture resistant surface, held in place with tamperproof fasteners. Contact your sales rep for a special quotation.
- All seat frames feature a wall saver design to prevent back contact with wall.
- For healthcare textile options, visit the website at www.globalfurnituregroup.com.
- Can be upholstered in standard Global textiles if healthcare compliance is not required.
- Shipped fully assembled.

SUGGESTED APPLICATIONS

- Guest seating
- Lobbies
- Lounge/Waiting
- Patient rooms
- Resident rooms

OPTIONAL FEATURES

- Optional urethane armcaps available in the following finishes: Black (**BLK**), Latte (**LAB**), Kalua (**KAL**), Mocha (**J52**), Shadow (**SHW**), and Toast (**TOA**). Add $468.
- Optional wood legs and armcaps available in the following finishes: Absolute (AAM), Cherry (ACM), English Oak (EOM), Espresso Cafe (ECM), Fruitwood (TFM), Gray (HGM), Honey (AHM), Jet Onyx (JOM), Mahogany (TMM), Maple (AVM), Medium Walnut (MWM), Nautral Walnut (NLW), Night (ASM), Noce Biondo (NBM), Noce Grigio (NGM), Noce Leggero (NEM), Noce Medio (NMM), Sandy Beach (SBM), Walnut (TWM), White (WHM), WC Cream (WTM) and Winter Cherry (WCM). See features column for upcharges.
- When specified with armcaps: armcaps are securely fastened with metal-to-metal connectors which allow for field replacement if required.
- For moisture barrier on seat, please specify (**MB**). **Add $204** list upcharge per seat.
- To add sealed seams to your product contact Customer Care. Upcharges vary.
- For Primacare tables, see page 52

PRIMACARE RECLINERS

model GC3605 (shown with optional headrest GC3607)

model GC3606

STANDARD FEATURES

- Designed for space conscious environments (fully reclines with only 9" of wall clearance).
- Built to withstand the rigors of high use environments (seat and back feature heavy-gauge no-sag springs and a painted steel seat frame).
- Removable covers on the seat and back allow for easy cleaning, maintenance or replacement.
- The back is ergonomically designed to follow the natural spinal curve and includes integrated lumbar support.
- The back cushion has a matching removable cloth cover over the upper back cushion held in place with Velcro for easy adjustment or removal for cleaning and replacement. An add-on, contoured adjustable headrest is available, sold separately. Specify GC3607.
- For added comfort, seats are standard with high density Ultracell foam
- Waterfall seamless front upholstered design with removable seat cushion for easy cleaning and protection against bacteria.
- Primacare recliners are offered with easy grip forward extending armcaps, securely fastened with metal-to-metal connectors, allowing for field replacement if required. Armcaps are offered in wood (on both GC3605 and GC3606 models) and urethane (on GC3605 model only).
- Recline release handles are located below both armrests for easy access and activation.
- Recliner mechanism frame rests on rubber glides, supporting the chair. Legs and casters are not available.
- Sealed seat seams are available on approved coated textiles (vinyl, etc.), see upcharges. Note: minor puckering is common with the addition of sealed seams due to material buildup at corners.
- For a moisture barrier on seat, specify (**MB**). Moisture barrier is not recommended with water resistant textiles and may not be used in conjunction with sealed seams.
- Active weight capacity is 350 lbs.
- For healthcare textile options, visit the website at globalfurnituregroup.com.
- Primacare is covered under Global Healthcare 12 year, 24/7 warranty when upholstered with minimum 100,000 DR textile, maintained using the textile's recommended chemicals and procedures.
- Can be upholstered in standard Global textiles if healthcare compliance is not required.
- Shipped easy to assemble.

PRIMACARE MOTION RECLINERS

model GC3608M (shown with optional casters)

Two Textile Application

STANDARD FEATURES

- Primacare Motion Recliner offers 3 recline positions with optional reverse recline position, providing the perfect comfort for relaxation, recovery and quiet moments of rest in private or public areas. Offered with fixed arms, fold-down arms, individual locking casters and central locking casters.
- Primacare Motion Recliners include standard base, "M" suffix models and central locking caster, "C" suffix models.
- Models are available with fold-down arm(s) on left, right or both sides of chair. Fold-down arms include a black knob, located on the back of the arm. To activate, pull knob and gently fold arm down. To secure, fold arm back up. Note: handed models and options are defined from the user's view.
- All motion recliners include standard features such as removable seat and back covers, and a replaceable Ultracell foam seat cushion with a waterfall front edge.
- Ultracell back foam is designed to support and follow the natural curve of the spine with integrated lumbar support.
- The back cushion has a matching removable cloth cover over the upper back cushion held in place with Velcro for easy adjustment or removal for cleaning and replacement. An add-on, contoured adjustable headrest is available, sold separately. Specify GC3607.
- A cleanout gap is standard on both sides of the seat cushion.
- Seat and back deck construction are a heavy gauge no-sag spring design with a painted steel seat frame.
- Models are standard with Urethane, easy grip forward extending armcaps.
- Wood and solid surface armcaps are available, see upcharges.
- Armcaps are securely fastened with metal-to-metal connectors and are field replaceable.
- Models without central locking casters are standard with wood legs (**WOD**) and available with 3" manual locking casters (**CST**), see upcharge.
- Models may be specified with contrasting fabrics. Specify seat cushion separate from back, arms and footrest. *Note: the blended textile matrix is not applicable to this series when specified as noted above.*
- For healthcare textiles, visit the website at globalfurnituregroup.com.
- Primacare is covered under Global Healthcare 12 year, 24/7 warranty when upholstered with minimum 100,000 DR textile, maintained using the textile's recommended chemicals and procedures.
- Can be upholstered in standard Global textiles if healthcare compliance is not required.
- Warranted to support up to 400 lbs. active weight capacity.
- Shipped partially knocked down.

MOBILITY OPTIONS

- For manual locking caster option (**CST**), select casters configured with front fixed, rear swivel for ease of steering (**LCF**), or with four swivel for ease of positioning in tight spaces (**LCS**).
- Models with "C" suffix are standard with central locking casters with lock, steer and move, multi-function foot activation paddle, located on either side of the chair.
- Central locking caster control: red paddle end down locks the caster, keeping the chair in place. Green paddle down fixes the rear casters with swivel front casters for directional steering of the chair. Paddle in horizontal position leaves chair to move in any direction.
- A polished Chrome push bar handle (**PBR**) option is available for models specified with casters (and central locking casters) to aid in movement of the chair. See upcharge. *Note: Primacare Motion Recliner is not for use as a patient transfer chair.*

ACCESSORIES

- A Black, phenolic tablet arm with spill collector groove is available. Specify right (**RT**), left (**LT**) or both sides (**TB**) of the chair. See upcharges. Each tablet adds 4" to the width of the chair. Tablet requires 5.5" of clearance to operate. The tablet pivots for use and stores by lifting gently and rotating down to the side of the chair. Tablets are not compatible on fold-down arms.
- A foot tray (**FT**) is available, see upcharge. The Gray laminate surface has a Black edge and slides out from below the chair to support users' feet when footrest isn't extended. Tray supports up to 40lbs. The tray is not a step.
- Caregiver activated reverse recline (**RR**) is available, providing a 4th extended recline position, see upcharge. To activate, with chair in the fully reclined position, step down on the Black lever, located below either arm, and push down on the back rest.
- Accessory hook (**AH**) is available. Specify right (**AHR**), left (**AHL**), or both (**AHB**). See upcharges.
- For moisture barrier on seat, specify (**MB**). Moisture barrier is not recommended with water resistant textiles and may not be used in conjunction with sealed seams.
- Sealed seams are available on approved coated textiles (vinyl, etc.), specify (**SBS**) for back and arms and/or (**SSS**) for seat, see upcharges. Note: minor puckering is common with the addition of sealed seams due to material buildup at corners.

PRIMACARE SLEEPERS

model GC3610SW

model GC3610SW pulled out

STANDARD FEATURES

- Primacare sleepers are ideal for space-constrained lounges and patient rooms providing sleeping space for one to two people. With zero wall clearance required, the sleeper is easy for one person to open and close. It is part of the Primacare healthcare collection for coordination of design across environments.
- Single unit sleep surface available in 24.5"W x 77"L (GC3610SW) and 30"W x 77"L (GC3610XW). Double unit (GC3610D) has two independently operated 24.5"W x 77"L sleep surfaces, each with standard underseat storage.
- Sleeper extends by pulling castered storage forward.
- Models are standard with four Black locking 3" dual wheel hard surface casters (C83R) to support the arm frame, and with non-locking casters to support the pull-out storage compartment.
- Tapered wood legs (**WOD**) are optional; available in all Global wood finishes, see upcharge. Non-locking casters remain on the pull out.
- Models are standard with Urethane, easy grip forward extending armcaps.
- Wood (**WOD**) and solid surface (**CO**) armcaps are available, see upcharges.
- Armcaps are securely fastened with metal-to-metal connectors and are field replaceable.
- Seat and back offer a 3.5" thick dual density ultra cell foam cushion for enhanced long term comfort.
- Seat cushion has a seamless waterfall front edge.
- Two concealed fabric pull tabs are located at the top of the back cushions. These allow the extended sleeping platform to be easily returned to a seated position.
- A Black, phenolic tablet arm with spill collector groove is available. Specify right (**RT**), left (**LT**) or both sides (**TB**) of the chair. See upcharges. Each tablet adds 4" to the width of the chair. Tablet requires 5.5" of clearance to operate. The tablet pivots for use and stores by lifting gently and rotating down to the side of the chair.
- Models may be specified with contrasting fabrics. Specify seat and back cushions separate from arms and front foot rail. For pricing, start with the base price and add both back/seat graded textile upcharge and the arms/front rail graded textile upcharge. *Note: the blended textile matrix is not applicable to this series when specified as noted above.*
- Carded healthcare textiles with a minimum of 100,000 double rubs must be specified to meet Global's 24/7 warranty coverage. For healthcare textiles, visit the website at globalfurnituregroup.com.
- When specified with approved, non-healthcare Global carded textiles, Global's limited lifetime warranty for 8hr, 5 days/week use applies.
- Warranted to support up to 350 lbs. active weight capacity per seat.
- Shipped fully assembled.

INFECTION CONTROL AND BED BUG RESISTANCE OPTIONS

- Several optional features are available for improved cleanability, to control moisture, and to reduce the risk of bed bugs.
- For woven textiles without a moisture resistant coating or backing, a moisture barrier (**MB**) is available to minimize moisture penetrating to the seat cushion. Moisture barrier is not recommended with water resistant textiles and may not be used in conjunction with sealed seams.
- For approved coated textiles (i.e. vinyl, silicone), sealed seams are available. Specify (**SWZ**) for sealed seams and waterproof zipper to prevent moisture or insects from penetrating seat and back cushion, see upcharges. For sealed seams on arms specify (**S3**), see models for upcharges.
- Note: minor puckering is common with the addition of sealed seams due to material buildup at corners.
- Underside of seat is standard with a coated lining (**CL**). For added protection and bed bug resistance, a sealed staple strip on the underside of the arms is available. Specify sealed lining (**SU**), see upcharge.

Add option codes in the following order:

- **Model number**
  Specify model number.

PRIMACARE™ BENCHES

PRIMACARE BENCHES

model GC3651 (HT)

model GC3652W (Wood)

STANDARD FEATURES

- Primacare is a family of products offering the most significant return on investment approach in the industry since every component can be repaired or replaced on site.
- **High traffic (HT) models**: Metal frame with die cast zinc connectors and metal-to-metal fasteners. Available in the following finishes: Black (TBL), Cloud (TIV), Designer White (TDW), Fog (TFO), Frost (TFR), Kalua (TKA), Latte (TLA), Mocha (TMO), Nevada (TNE), Sand (TSN), Shadow (TSH), Toast (TOA) and Tungsten (TTU).
- **Wood models**: Solid hardwood frame with die cast zinc connectors and metal-to-metal fastening. Available in the following finishes: Absolute (AAM), Cherry (ACM), English Oak (EOM), Espresso Cafe (ECM), Fruitwood (TFM), Gray (HGM), Honey (AHM), Jet Onyx (JOM), Mahogany (TMM), Maple (AVM), Medium Walnut (MWM), Natural Walnut (NLW), Night (ASM), Noce Biondo (NBM), Noce Grigio (NGM), Noce Leggero (NEM), Noce Medio (NMM), Sandy Beach (SBM), Shaker Cherry (SKM), Walnut (TWM), White (WHM), WC Cream (WTM) and Winter Cherry (WCM).
- Replaceable and/or removable cushions are standard.
- For healthcare textile options, visit the website at www.globalfurnituregroup.com/healthcare.
- Can be upholstered in standard Global textiles if healthcare compliance is not required.
- It is recommeded that High Traffic (HT) models be specified in textiles that meet or exceed 100,000 double rubs for added abrasion performance.
- Shipped fully assembled.
- **HIGH TRAFFIC (HT) MODELS ARE LISTED FIRST, FOLLOWED BY WOOD MODELS**.

OPTIONAL FEATURES

- For moisture barrier on seat, please specify (**MB**). Add $137 per seat.
- To add sealed seams to your product contact Customer Care. Upcharges vary.
- For Primacare tables, see page 52

SUGGESTED APPLICATIONS

- Guest seating
- Lounge/Waiting
- Patient rooms
- Resident rooms

PRIMACARE™ MODULAR

PRIMACARE MODULAR

STANDARD FEATURES

- Modular seating tops: Linking applications are available for medium and high back patient top units, low back guest top units and lounge top units.
- All modular seating top units are complete with frame and cushions. Leg/arm frames are ordered separately according to the desired specification.
- Frame design features a wall saver leg to prevent damage to walls. Frame construction ensures metal-to-metal fastening.
- For leg/arm frames and modular tables with power/USB module, refer to models ending in "M". Module includes two power outlets, four USB charging ports and a 6 foot long power cord. Available in Black or White (must be specified at time of order).
- Replaceable and/or removable seat and back cushions with replaceable cushion covers are standard.
- Seat cushion has a seamless waterfall front and clean out between and around the seat and back cushions.
- All (**CA**) models have closed upholstered arm panel inserts at each arm position.
- For added comfort, seats are standard with high density foam.
- Active weight capacity up to 500 lbs/seat when using metal frame, fully upholstered frame or on bariatric models; up to 350 lbs/seat when using wood frame.
- For textile options, visit the website at www.globalfurnituregroup.com.
- Can be upholstered in standard Global textiles if healthcare compliance is not required.
- Left and right position reference is determined from the seated position.

OPTIONAL FEATURES

- Urethane finishes are available on armcaps and on models with urethane legs in the following: Black (BLK), Latte (LAB), Kalua (KAL), Mocha (J52), Shadow (SHW) and Toast (TOA). Refer to individual models for availability and pricing.
- Metal leg/arm frames are available in the following finishes: Black (**TBL**), Cloud (**TIV**), Designer White (**TDW**), Fog (**TFO**), Frost (**TFR**), Kalua (**TKA**), Latte (**TLA**), Mocha (**TMO**), Nevada (**TNE**), Sand (**TSN**), Shadow (**TSH**), Toast (**TOA**) and Tungsten (**TTU**).
- Wood legs and armcaps available in the following finishes: Absolute (AAM), Cherry (ACM), English Oak (EOM), Espresso Cafe (ECM), Fruitwood (TFM), Gray (HGM), Honey (AHM), Jet Onyx (JOM), Mahogany (TMM), Maple (AVM), Medium Walnut (MWM), Natural Walnut (NLW), Night (ASM), Noce Biondo (NBM), Noce Grigio (NGM), Noce Leggero (NEM), Noce Medio (NMM), Sandy Beach (SBM), Shaker Cherry (SKM), Walnut (TWM), White (WHM), WC Cream (WTM) and Winter Cherry (WCM). Refer to individual models for availability and pricing.
- Armcaps are securely fastened with metal-to-metal connectors which allows for field replacement if required. *Armcaps cannot be retrofitted in the field on units with no existing armcaps.*
- For moisture barrier on seat, please specify (**MB**). Add $137 per seat. For bariatric/lounge models, - Add $209 per seat.
- To add sealed seams to your product contact Customer Care. Upcharges vary.

For Primacare freestanding tables, see page 52
For Primacare Modular tables, see page 198
For Primacare Modular lounge tables, see page 209

SUGGESTED APPLICATIONS

- Bariatric seating
- Guest seating
- Lobbies
- Lounge/Waiting

MODULAR TABLES

Modular tables are offered with wood or metal legs. 1" thick table tops are available in high pressure laminate (HP). Please select the appropriate model number for the finish you prefer.

Note: Modular tables are shipped KD (knock down) as per the published cube and weight. For Primacare freestanding tables, see page 52.

High Pressure Laminate (HP)

Absolute Acajou (ACJ)
Asian Night (ASN)
Avant Cherry (W357)
Avant Honey (W356)
Blizzard (BZD)
Brushed Cobalt (BRC)
Clear Maple (CMB)
Custom Grey (CGY)
Dark Espresso (W142)
Designer White (DWT)
Fashionista (FAS)
First Class (FCL)
Noce Biondo (NBL)
Noce Grigio (NGL)
Noce Leggero (NEL)
Noce Medio (NML)
Quartered Mahogany (QTM)
Sheer Beauty (SBY)
Stonedust (SDT)
Walnut Heights (WHE)
White Chocolate (WHC)
Winter Cherry (WCR)

Metal leg and frame finishes:
Available in Black (**TBL**), Cloud (**TIV**), Designer White (**TDW**), Fog (**TFO**), Frost (**TFR**), Kalua (**TKA**), Latte (**TLA**), Mocha (**TMO**), Nevada (**TNE**), Sand (**TSN**), Shadow (**TSH**), Toast (**TOA**) and Tungsten (**TTU**).

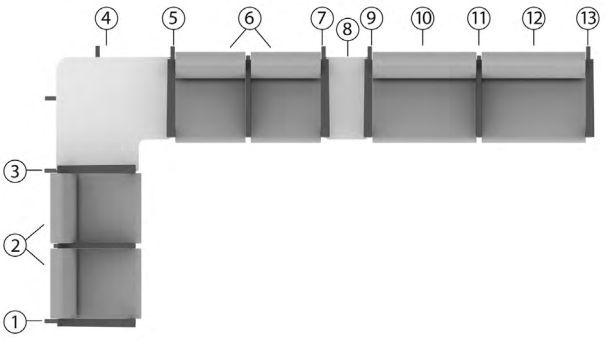
SHIPPING INFORMATION

Product components and parts will be shipped knocked down (**KD**). Weight and volume are indicated with each item KD. They will not be shipped assembled.

Assembled with drawing:
Product orders that are part of a linked application may require a combination of complete units and components for build up to achieve the limitless configurations that are possible. CAD drawing must be submitted with order when requesting units ship assembled.
Global will provide assembled units under the following conditions:

1. Detailed drawing clearly indicating:
   - The layout and location of each model number being ordered (see sample following).
   - If multiple textiles are used - textile color codes must be clearly identified on drawing.
2. Global will carton assemble orders to a maximum of 3 regular seat positions, which is the largest carton available.
3. Global reserves the right to determine the best method of assembly based on the information provided with the order.

PACKAGE 1 - Primacare HT



Always call out components as if seated in the chairs.

RIVER+™

Meet River+™, the next generation of our highly popular River lounge series. Now with industry-leading support for workplace, education and healthcare, River+ performs at three times the BIFMA standard for true 24/7 applications in demanding environments. All models have been active weight tested to 600 lbs. including bariatric use. Multiple back and seat heights, 120-degree configurations and modular Aluminum arms are just a few of the many options that will make it yours.

To see the full River+ series, please refer to the Seating price list at: globalfurnituregroup.com/workplace/resources/price-lists

Features and Benefits

- A modular series that is composed of straight, curved and corner lounge sections, a wide assortment of benches and tables, and media hearths.
- Lounge and linking tables can be linked together in any combination to create a wide variety of layouts. Ganging hardware is standard and is factory installed. Ganging hardware swivels out of the way when not in use.
- Seating frames are constructed of heavy duty plywood, and are made for active environments. Seats are high density with highly resilient foam.
- River+ seating is rated for an active weight up to 600 lbs. per seat and 24/7 use.
- For 24/7 use and/or heavy duty application use, Global's Heavy Duty warranty is only on models specified with performance textiles, rated for 150,000 double rubs or more.
- A clean-out gap is created by seat-to-back connector brackets available in three finishes.
- The tapered legs are made of welded steel. The standard leg height is 6.5" with optional 3" and 8" legs available on select models. The leg height makes it easy to clean under the product.
- Modular, polished Aluminum loop arms can be relocated and retrofit to support changing layouts.
- A back shelf is available on most units in many laminate finishes.
- For improved safety, housekeeping and infection control, optional features include: sealed seams, sealed seat underside, and tamperproof bottom enclosures.
- For easy user access, optional power units are available for specification in a variety of locations across most River+ lounges, benches, and tables.
- For environmental certifications, please visit globalfurnituregroup.com.

SENATOR

model GC3392

STANDARD FEATURES

- The flared back design and creative curves enhance any healthcare environment without sacrificing comfort.
- Waterfall seamless front upholstered design with removable seat cushions for easy cleaning and protecting against bacteria.
- For added comfort, seats are standard with high density foam.
- Standard with wood legs.
- For healthcare textiles and wood finish options, visit the website at globalfurnituregroup.com.
- Can be upholstered in standard Global textiles if healthcare compliance is not required.
- Shipped fully assembled.

OPTIONAL FEATURES

- Optional metal legs are available in Black (**TBL**), Kalua (**TKA**), Latte (**TLA**), Mocha (**TMO**), Shadow (**TSH**), Toast (**TOA**) and Tungsten (**TTU**). Please specify. No upcharge.
- For non-slip glides, specify (**NS**) - **Add $37**.
- For moisture barrier on seat, please specify (**MB**). **Add $204** per seat.

SUGGESTED APPLICATIONS

- Lobbies
- Lounge/Waiting
- Patient rooms
- Resident rooms

SLEEP-EEZ

model GC3614

STANDARD FEATURES

- Sleep-Eez provides incredible comfort, requires zero wall clearance and can be easily opened and closed by one person.
- It can be adjusted to create three functional positions: a chair, a chaise lounge and a sleep surface.
- The heavy duty steel mechanism will provide long-term performance.
- Commercial grade casters are standard. Front casters are non-swivel manual locking. Back casters are non-locking and swivel for better steering when moving the chair.
- Clean out space is provided between the seat and back cushions for housekeeping and infection prevention control.
- Sleep-Eez's construction allows for on-site replacement of all components, eliminating down time and enhancing the product's life.
- Standard with Black urethane fully extended arms with a grip for ease of entry and exit from chair.
- For healthcare textile options, visit the website at www.globalfurnituregroup.com.
- Can be upholstered in standard Global textiles if healthcare compliance is not required.
- Ships fully assembled.
- Measurements:
  Chair: 34.5"W x 37"D x 34.25"H
  Chaise lounge: 34.5"W x 64"D x 34.25"H
  Sleep surface: 24"W x 77"D

OPTIONAL FEATURES

- For moisture barrier on seat, please specify (**MB**). Add $204.
- To add sealed seams to your product, please specify (**SS**). Add $362.

SUGGESTED APPLICATIONS

- Lobbies
- Lounge/Waiting
- Office/Meeting
- Patient rooms
- Resident rooms
- Treatment/Exam rooms

Please add option codes in the following order:

- **Model number**
  GC3614 Single sleeper chair
- **Textile**
  Specify fabric code.
- **Armcap finish**
  (**BLK**) Black Urethane armcap
  (**LAB**) Latte Urethane armcap
  (**KAL**) Kalua Urethane armcap
  (**J52**) Mocha Urethane armcap
  (**SHW**) Shadow Urethane armcap
  (**TOA**) Toast Urethane armcap
  (**AAM**) Absolute wood armcap
  (**ACM**) Cherry wood armcap
  (**EOM**) English Oak wood armcap
  (**ECM**) Espresso Cafe wood armcap
  (**HGM**) Gray wood armcap
  (**AHM**) Honey wood armcap
  (**JOM**) Jet Onyx wood armcap
  (**AVM**) Maple wood armcap
  (**MWM**) Medium Walnut wood armcap
  (**NLW**) Natural Walnut wood armcap
  (**ASM**) Night wood armcap
  (**NBM**) Noce Biondo wood armcap
  (**NGM**) Noce Grigio wood armcap
  (**NEM**) Noce Leggero wood armcap
  (**NMM**) Noce Medio wood armcap
  (**SBM**) Sandy Beach wood armcap
  (**SKM**) Shaker Cherry wood armcap
  (**TFM**) Fruitwood wood armcap
  (**TMM**) Mahogany wood armcap
  (**TWM**) Walnut wood armcap
  (**WTM**) WC Cream wood armcap
  (**WHM**) White wood armcap
  (**WCM**) Winter Cherry wood armcap
- **Moisture Barrier**
  (**MB**) Seat only
- **Sealed Seams**
  (**SS**) All sealed seams

STRAND

model GC3707HB

model GC3702

FEATURES

- Strand is the perfect synthesis of versatility, comfort, durability and value pricing. Strand offers a pleasing look in a diverse range of solutions from single patient room chairs to waiting areas and public spaces.
- All models are standard in oval metal tube frame.
- Frame available in Black (**TBL**), Cloud (**TIV**), Designer White (**TDW**), Fog (**TFO**), Frost (**TFR**), Kalua (**TKA**), Latte (**TLA**), Mocha (**TMO**), Nevada (**TNE**), Sand (**TSN**), Shadow (**TSH**), Toast (**TOA**) and Tungsten (**TTU**).
- The frame can be weighted and made with tamper proof fasteners for greater security in more challenging mental health spaces or correctional facilities.
- Armcaps are standard in Black urethane.
- **Left and Right Position Reference** is determined based on being seated in the chair.
- The seat and back are removable and field replaceable.
- For added comfort, seats are standard with high density foam.
- All seat frames feature a wall saver design to prevent back contact with wall. Footstool and benches do not have wall saver legs.
- Standard seat height on all models is 18".
- Cleanout space is provided between the seat and back cushions for easy housekeeping.
- Standard with Black plastic glides.
- Select models are offered with rear tip and move wheels. To activate wheels, tilt the chair back so the casters are in contact with the floor. This feature makes it easy to relocate the chair while unoccupied.
- Flex back models allow the back to move in a soothing rocking motion.
- Active weight capacity for standard single seat is 350 lbs. and 750 lbs for bariatric seating.
- For healthcare textiles and finish options, visit the website at www.globalfurnituregroup.com
- Can be upholstered in standard Global textiles if healthcare compliance is not required.

OPTIONAL FEATURES

- Wood armcaps are also available in all healthcare wood seating finishes.
  Single Seat - Add $189
  Two Seater - Add $279.
  Three Seater - Add $373.
- Non-marking White glides are available. Please specify (**WH**). No upcharge.
- For moisture barrier on seat, add **$137** per seat. For bariatric models - Add **$209** per seat.
- As an option, seams can be sealed to prevent penetration of fluids through the stitching. Contact Customer Care for approved textiles.
  For Low Back Models - Add $75 per seat.
  For Low Back Bariatric Models - Add $80 per seat.
  For High Back Models - Add $87 per seat.
  For High Back Bariatric Models - Add $90 per seat.
  For Split-Back models - Add $131
  For Ottoman - Add $23
  For Single Seat Bench - Add $30
  For Two Seat Bench - Add $59
  For Three Seat Bench - Add $87

SUGGESTED APPLICATIONS

- Bariatric seating (some models)
- Guest seating
- Lobbies
- Lounge/Waiting
- Patient rooms
- Resident rooms

STANDARD FEATURES

- Willow's durable design and open, welcoming form will ensure years of use. Freestanding chairs are available with four legs or sled base, in seated standard or bariatric widths. Additional models include hip, counter and bar height stools. Freestanding and corner, in-line and end tables are also available to complement the line.
- Seated height chairs may be ganged with ganging brackets or with in-line and corner tables.
- Plastic seats and backs, reinforced nylon arms, back shrouds and seat shrouds are available in a wide range of colors. See finish chart for matching color components.
- Tubular steel frame is available in 20 paint finishes and 4 plated finishes (upcharge applies).
- Frame design features a wall saver leg to prevent contact with walls.
- Active weight capacity is 300 lbs. for four-leg seating with casters, 400 lbs. for seating on glides and 600 lbs. for 30" wide bariatric and parent/child models.
- Plastic seat shrouds are standard on all models.
- Upholstered seats have no seams for ease of cleaning.
- Four-leg chairs with glides are stackable, see matrix. Stacking of caster models is not recommended due to damage to plastic and upholstery.
- Armless counter and bar height stools are stackable on the floor only. See chart for details.
- Four-leg and stool models are available with a variety of glide types. Glides must be chosen to best suit flooring type and site conditions. For more information, refer to glide selection chart.
- Tables used with Willow armchairs require 28" clearance under the surface top; counter height stools require 34.25" clearance; bar height stools require 40.25" clearance.
- Sled base models have nylon colored glides, non-marking natural glides for use on most floor surfaces, or no glides for use on carpeted floors.
- For healthcare textiles, visit the website at globalfurnituregroup.com.
- Check textile availability prior to specifying upholstery material.
- The series is available to specify with two textiles on upholstered seat and back models. For pricing, start with the base price and add applicable graded textile upcharges for the back and the seat.
- The blended textile matrix does not apply to this series.
- The series is designed for use across a range of facilities and is covered under Global's limited lifetime warranty for single-shift use. Specify from approved textiles.
- Shipped fully assembled.

OPTIONAL FEATURES

- Additional weight (**CW**) of 24 lbs. is available. Weighted four-leg chairs are not stackable.
- Power/USB units are available, ordered separately, for use with in-line, corner and end tables. See model for details.
- Tables are pre-drilled for field installation of undermount power. Clamp mount units are available. Order power units separately for field installation.
- Moisture barrier may be specified on seats.
- Sled base models offer a floor mount (**FM**) option. See upcharges. Mounting hardware not included.

Add option codes in the following order:

- **Model number**
  Enter model number.
- **Back, Seat and Seat Shroud Finish** (plastic back and seat models)
  Plastic finishes:
  (**BZB**) Buzz Blue
  (**CCT**) Cactus
  (**CRO**) Carrot
  (**IVC**) Cloud
  (**DJN**) Dijon
  (**EGP**) Eggplant
  (**FOG**) Fog
  (**FRO**) Frost
  (**INK**) Ink
  (**KAL**) Kalua
  (**LAB**) Latte
  (**J52**) Mocha
  (**BLK**) Night
  (**SND**) Sand
  (**SAR**) Scarlet
  (**SHW**) Shadow
  (**TOA**) Toast
- **Back Finish** (plastic back and upholstered seat models)
  See Plastic finishes.

WILLOW™

WILLOW LINKING TABLES

WPT12G
120 degree corner linking table

WPTEGL
End linking table, left

For Willow seating, see page 223.

STANDARD FEATURES

- Linking tables can be used together in any combination with Willow four-leg or sled chairs to create a wide variety of layouts.
- Connecting hardware is included.
- Legs and ganging brackets are available in 20 paint finishes and 4 plated finishes.
- All tables are laminate, choose thermally fused or high pressure, and feature a flat edge with edgeband.
- Tables are available with a variety of glide types. Glides must be chosen to best suit flooring type and site conditions. See Glide Type.
- All tables (except 9" In-line Linking) are pre-drilled for center front, field installed, undermount power. Specified separately.
- Undermount power unit (SU2P10U) includes 1 AC and 2 USB-A charging ports with a 10' power cord and 3-prong plug, specify Jet Black or White. Power units do not link.
- Clamp mount (SU2P10C) power, with 1 AC and 2 USB-A charging ports with a 10' power cord, available Jet Black or White. These units can be mounted on the back edge of all linking tables. Specified separately for field installation. Power units do not link.

EXAMPLE WILLOW TABLE ORDER CODE:

TEXTILES & FINISHES

Blended Seating Textiles

The grid below outlines the grade structure for using multiple textiles on select seating series. Blended textiles occur when one textile is chosen for one part of the chair and a different textile is selected for another part of the chair, resulting in a revised "blended grade".

NOT FOR USE with Calidon, Collingwood, Erin, Nourish, or Oakville. See series price list pages for pricing.

For specification and pricing for more than two different textiles, please contact Global Customer Care for approval and pricing.

MAIL FORM AND TEXTILE SAMPLE ONLY TO:

GLOBAL - COM Department
17 West Stow Road
Marlton, NJ 08053 | 856.596.3390

Please contact your local GLOBAL Distribution Center for status of all COM requests. When textile is approved and an authorization number issued, a set of shipping instructions will be faxed or e-mailed to you.

Approved textiles are to be shipped to the address that will be included with instructions. Do not ship textiles to the address on this form. Dealer is responsible for the shipping expenses. Brokerage fees will be paid for by Global. However, duties imposed by North American Governments related to textile materials, content and Country of Origin, additional fees may apply and will be billed separately.

Please Note: C.O.M Textiles may not be shipped without shipping documents. GLOBAL is not responsible for any material shipped without the authorization number.

Please be advised that Global has phased out the use of textiles that contain certain Phthalates, including but not limited to: DEHP (di (2-ethylhexyl) phthalate), DBP (di-n-butyl phthalate), BBP (butyl benzyl phthalate) and DINP (di-isononyl phthalate) (collectively the "Listed Chemiclas"). The Listed Chemicals are used in certain types of vinyls. Global cannot accept orders for textiles that contain the Listed Chemicals, if such orders are to be shipped to the U.S.A. or are intended for customers in the U.S.A. If you are not sure if the C.O.M you have selected contains the Listed Chemicals, please contact the manufacturer or supplier of the fabric to verify.

THE ENVIRONMENT We believe now more than ever, that it is our responsibility to protect the environment and our precious natural resources for future generations. The growing importance of energy and environmental concerns continues to challenge us in this ever changing marketplace.

As an industry leader, Global continues to take proactive steps towards reducing the negative impacts on the environment. We are building "healthier" offices; investing in Research & Development and new technologies; reducing waste and the consumption of energy; and improving the quality of the air we breathe, all which can have a significant impact on our quality of life.

Epoxy Powder coating process is solvent free. No harmful VOC's or lead. No toxins are released into the atmosphere.

Global has the products and resources to help your projects achieve LEED certification.

Global's recycled fabrics offer affordable, environmentally responsible alternatives to commercial textiles. We recycle 35,000 lbs of fabric offcuts weekly.

New technology allows us to reduce glue usage by 50%. In addition, our polyurethane glue reduces emissions and requires less energy to apply.

90% of our wood waste from landfill in four years

For further information on Global's environmental initiatives, please visit http://www.globaltotaloffice.com/enviro/

Global is focused on providing furniture products for use in healthcare environments. This illustrated price list book has been designed to facilitate fast reference and easy use. Products are categorized into "personal room furniture", "tables" or "seating" and are listed numerically within their categories. The line drawings match actual photographs (where possible) to aid in instant recognition of the total range within a series.

Sales of healthcare products are made only on Global's standard Terms and Conditions of sale which are contained in this price book. The "Purchaser" in these Terms, Conditions and General Information shall refer to dealers and those who originally purchase directly from Global for use or resale. These standard terms and conditions may be modified or supplemented only by a separately written document signed by Global's authorized personnel at its head office in Marlton, NJ. Any term or condition contained in any purchase order or other form used by the Purchaser to order goods (including standard, printed language) which is different from, in addition to, or in any way inconsistent with Global's standard terms and conditions shall be of no force or effect whatsoever.

All illustrations, specifications and prices in this list price book are based on the latest product information available at the time of publication. Global reserves the right to make changes, at any time and without prior notice to prices, colors, materials, specifications and models offered.

Description
Each product shown or described in this price list is standard healthcare product. Available options are noted at the beginning of each series. Available options may require additional delivery time and cost, and may affect the warranty given. Sizes and weights shown are approximate and are subject to slight changes from time to time.

Prices and Payment
The prices shown in this book, as well as those quoted by Global, are in United States dollars for orders shipped to destinations in the U.S. and Mexico.

If shipping date requested is more than 90 days from date of order, Global shall have the right to use published list prices effective at the time of shipment.

Orders are invoiced at the time of shipment. Terms of payment are net 30 days from date of invoice unless otherwise stated. The customer agrees that Global shall have the right to enforce a charge amounting to 1.5% per month (18% per year) on invoices outstanding more than 30 days.

If dealer/purchaser's most recent annual net volume is less than $5,000.00, payment must be made in advance.

Any products sold by Global shall remain the personal property of Global until fully paid.

Prices are suggested list prices only and are subject to change without notice. Global will, however, attempt to keep dealer/purchasers up-to-date on all developments including price changes.

Taxes
All prices shown in this book are exclusive of sales, use, excise and other applicable taxes and are the dealer/purchaser's responsibility as per the invoice issued by Global. If dealer/purchaser claims an exemption from such taxes, it shall be the dealer/purchaser's responsibility to furnish Global with an appropriate exemption certificate at time of order.

Ordering Information
To avoid errors and/or duplication, Global requires that all orders be submitted in writing. All orders submitted to Global in writing will be acknowledged on Global's acknowledgement forms governing the transaction. The details appearing on this acknowledgement will describe the items to be shipped and the approximate shipping date. It is the dealer/purchaser's responsibility to determine that the information in the acknowledgment is correct. In the event of an error, the dealer/purchaser must notify Global immediately by telephone followed by written confirmation. Shipping dates are assigned to orders based on the item having the longest manufacturing lead time.

When ordering, please provide the following information:

1) Account number (if possible)
2) P.O. number
3) "Bill to" and "ship to" name and address
4) Complete model number
5) Description
6) Options:
   a. Upholstery fabric type and color (specify by name and number)
   b. Color of paint finish, laminate or wood (if applicable)
   c. Trim options (frame)
   d. Arms
   e. Base, Casters
   f. Mechanism
   g. Accessories

Dealer/purchaser is responsible for providing correct information when placing an order. Orders with incorrect information (finish, etc.) will be scheduled for manufacturing upon receipt of complete information.

All phone orders must be confirmed in writing by the customer within 7 days.

To prevent a delay in processing orders, please specify delivery routing.

Changes and Cancellations
After the date of Global's acknowledgment of a dealer/purchaser's order, the order may not be changed or cancelled by dealer/purchaser without the written consent of Global. Special order items, C.O.M. and fabric-covered items already in production are not subject to change or cancellation under any circumstances. Fabric-covered items are considered to be in production once the fabric is scheduled for cutting. Other standard items already in production are subject to a minimum 35% cancellation charge.

Errors and Omissions
All quotations, acknowledgements and invoices are subject to corrections for any errors and omissions.

FINISHES
Seating Finishes - Painted
Where painted frames are not a standard color, there is a one time charge of $613 list price per order for custom wood staining/color matching. Restrictions may apply. The customer must provide a 3"x 3" color chip/sample for review and approval. Non-standard finishes must be approved by Global prior to acceptance of order.

Seating Finishes - Wood Stained
Because the distinctive characteristics and the nature of wood products cause variations, exact matches are not always possible.
Global coordinates its finishes program between marketing divisions within the Global Group to match products as best as possible when same finishes are specified. However, Global will not be held responsible if the finishes cannot be matched.

Customers Own Material (COM)
Use of COM must be approved by Global prior to acceptance of order. Please submit the Authorization Request Form. Photocopy and use this form as often as necessary. The customer must provide a 12" x 12" fabric sample and advise how the fabric is to be applied and quantity of fabric being sent. **Textile yardage requirement will be advised by factory, and additional yardage may be required if pattern requires matching**. Upon approval from Global, send textile to your Customer Care Representative. If COM is difficult to apply or if product is required to be modified, extra charges will apply. Global reserves the right to cancel an order at any time if COM is inadequate for any reason. COM must be shipped freight and duties paid (if applicable) to our factory. Such shipment must be fully identified with the Purchaser's order number, RGA # provided by Global, and the item for which material is intended. Performance of COM when applied to product is the sole responsibility of the Purchaser. Global's standard product warranty shall not apply to COM. Use of COM will not reduce the published list price.

C.S.M. (Customer Specified Material)
Use of Customer Specified Material must be approved by Global prior to acceptance of order. If C.S.M. is difficult to apply or if product is required to be modified, extra charges shall apply. Global reserves the right to cancel an order at any time if C.S.M. is inadequate for any reason. Performance of C.S.M. when applied to product is the sole responsibility of the Purchaser. Globla's standard product warranty shall not apply to C.S.M.

VINYL AND FABRIC GRADING
All products are priced according to their standard vinyl and fabric grade. Lower grade vinyls and fabrics are available (unless otherwise specified) at same price as standard.

The listing of prices for each model indicates the price for each of the upholstery grades. Prices are based on yardage in imperial measurements. Please refer to the Textiles & Finishes section of the Global website for the most up to date listing.

UPHOLSTERY COVERINGS
Slight variations in color may occur between dye lots. Although Global attempts to minimize these variances, they do occur and must be accepted as normal and will not be considered defects.

YARDAGE
Required yardage (ydg) is based on unmatched materials with widths of 54" for seating. Yardage calculations are based on imperial measurements.

WEIGHT
This figure indicates the weight of one part and its packaging, regardless of the number of parts shipped in a single carton. In order to estimate the approximate shipping weight for an order, you have to multiply the indicated weight by the number of parts per carton. (e.g. if a part weight is 10 lbs. and is shipped 4 per carton, shipment weight should be calculated as: 4 x 10 = 40 lbs.)

CUBIC MEASURE
The stated cubage is an approximate cubic foot measure to calculate freight costs. The figure shown is the volume for the total shipment of a part (e.g. if a part is sent in 2 cartons the volume indicated reflects the cubage of both cartons together) and is subject to change without notice. It is most economical to purchase the specified number per carton.

Delays
Global's shipping confirmation will state a shipping date which is Global's best estimate at the time the order is acknowledged. However, Global shall not incur any obligation or liability to Purchaser for failure to ship by specified date unless Global has agreed to an unequivocal shipping date in a separately signed written document executed by its authorized personnel at its head office. In addition, Global shall not be liable for any loss or damage resulting from any delay or failure in shipment or other failure to perform all or any part of the agreement between the parties with respect to the goods shown on the face of the order acknowledgement where such delay, failure, loss or damage is the proximate result of any act of any governmental authority or political subdivision thereof, revolution, riot, civil disorder or disturbance, delay or default in transportation, strike disputes among or between labor unions or other labor disputes, delay or inability in obtaining materials and facilities, fire, flood, act of God or any cause not within the reasonable control of the company, whether of the class of causes enumerated or otherwise.

F.O.B.
F.O.B. point is Global's Factory, Downsview, Ontario, Canada, or any Global Regional Distribution Center.

FedEx and UPS Shipments
Seating products marked with a FedEx or UPS symbol are packaged for shipment via FedEx or UPS.

Handling
Non-UPS/FedEx orders under $10,000 list incur $100 net handling fee. Small packages (FedEx, UPS) incur $25 net handling fee per carton (up to four cartons).

Special Delivery Requirements
Global's delivered pricing provides for dock delivery during normal business hours (considered to be 8 am to 4 pm Monday through Friday) to customer/end user only. Additional delivery requirements such as inside delivery, lift gate, limited access sites, installations and weekend deliveries will incur an additional expense and will be the responsibility of the dealer.

Service
Service requests are normally the responsibility of Global's authorized dealers. Where this cannot be accomplished on a local level, service problems should be referred to Global's Customer Service Department in the nearest distribution center.

Returns
No returns of goods will be accepted without written consent and shipping instruction of Global. A minimum re-stocking charge of 35% is made on all authorized returns for credit or refund, provided goods are received by Global in the condition in which they left the factory. This may increase depending on the type of product. Global's Return Goods Authorization (R.G.A.) numbers must appear prominently on all authorized returns. Global will not be responsible for freight costs. No credit will be given if goods cannot be reused as new. Special order items, non-stock items and C.O.M. products are in no event subject to return. All returns must be approved and authorized in writing by Global Customer Service. Global reserves the right to refuse delivery of any unauthorized returns.

Claims
All goods are sold F.O.B. plant or Global Distribution Center. Global is not responsible for damage which occurs in transit (or in storage). The carrier signs for all goods received in apparently good order. It is the dealer/purchaser's responsibility to examine goods upon receipt and to file any claims with the carrier for losses or damage to the product occurring during transit, including concealed damage.

Any claims made against Global for apparent defects, errors or shortages must be made by the dealer/purchaser, in writing, within 15 working days after any delivery. Failure by the dealer/purchaser to make any claim against Global within 15 days shall constitute acceptance of the goods and a waiver of any apparent defects, errors or shortages.

Suspension
In the event that the dealer/purchaser defaults in the payment of any sum due to Global, or in the event the dealer/purchaser's financial condition becomes unsatisfactory to Global, Global shall have the right to defer or discontinue shipment of any goods until such time as the default is cured or the dealer/purchaser provides assurance of payment to Global.

Copyright
All catalogs, photographs, drawings, price lists and other printed material are protected by copyright. All rights reserved.

Trademarks
All trademarks are owned by Global other than OBUSFORME™ which is owned by OBUSFORME LTD. and are used under license and MOR-CARE™ which is owned by MORBERN INC. OBUSFORME® and the distinctive backrest design are registered trademarks of OBUSFORME LTD.

Designs and Patents
Many of the products produced by Global are protected by design registrations, design patents and/or patents. Design and specifications are subject to change, discontinuance or additions without notice.

Cubic Measure
The stated cubage is an approximate cubic foot measure to calculate freight costs. The figure shown is the volume for one carton and is subject to change without notice. It is most economical to purchase the specified number per carton.

Combined Shipments
Global will make every effort to combine shipments and orders on written request. However, Global cannot be held responsible where such request is not complied with.

Offer of Sale
Possession of this price list or any other literature shall not imply the company's willingness to sell to the holder and shall not be construed as a direct offer of sale.

If a conflict arises between: (i) prices found in software support packages furnished to the customer by Global or by any other source on behalf of Global; and (ii) Global's current printed price lists, then the most current shall prevail.

Disclaimer
All dimensions are in inches. Prices shown are current manufacturer's suggested list prices at the time of printing. All applicable taxes are extra. Descriptions, specifications and prices are subject to change without notice. Errors and omissions are subject to correction.

Testing Qualifications
Many Global products pass or exceed the most stringent testing procedures. Where tests are significant, they are marked as C.G.S.B. (Canadian General Standards Board) qualified and as passing ANSI/BIFMA (American National Standards Institute/Business Institutional Furniture Manufacturer's Association).

Flammability
The foam used in Global chairs meets the requirements of California TB117. In addition to the foam, upholstery materials must also meet the California TB117 smolder resistant requirements. Please contact Customer Care to determine if a selected textile meets the California TB117 requirement.

This list price book is effective as of July 14, 2025.

For periodic updates, please check the PDF at www.globalfurnituregroup.com/resources. Global warrants that all commercial products are free from defects in material and workmanship, for the life of the product, to the original purchaser.

LIMITED LIFETIME WARRANTY HEALTHCARE

Global warrants that all commercial products are free from defects in material and workmanship, for the life of the product, to the original purchaser.

Global will repair or replace, at Global's option, as the sole remedy for any defect covered by the warranty. The warranty applies to products manufactured after March 22, 2016.

Global makes no warranty that any of its products are suitable for any particular purpose and makes no other warranties, express or implied, other than those set out here. As codes and standards vary from one jurisdiction to another, references to compliance are solely for convenience and without any representation as to accuracy or suitability. Users must verify the suitability of such information or product for their specific application. In no event shall Global be liable in either tort or contract for any loss or direct, special, incidental, consequential, or exemplary damages.

GENERAL HEALTHCARE SEATING

Global's healthcare warranty for general seating covers all chair components including pneumatic cylinders, bases, casters, glides, frames, arms, plastic seats, backs and other structural components.

The warranty applies to single shift, standard usage, defined as a standard eight (8) hour day, forty (40) hour week as noted with each model number.

Exceptions to the warranty for general seating are as follows:

- Foam, upholstery, textiles (as sampled on Global branded and textile program cards), mesh material and electrical devices are warranted for five (5) years. Novaro Leather is warranted for one (1) year.
- Control mechanisms are warranted for twelve (12) years
- Heavy duty seating is not defined as general healthcare seating (see below for warranty exceptions)

Heavy Duty / Bariatric Seating

Global offers products designed for multiple shift applications (24 hours a day / 7 days a week) and larger individuals weighing up to 350 and/or 500 lbs or 750 lbs (depending on series and/or model). Global warrants these products for twelve (12) years to the original Purchaser. All components (including control mechanisms, pneumatic cylinders, bases, casters, glides, frames, arms, plastic seats/backs, etc.) are covered for 24/7 applications under the warranty. The exceptions are foam and textiles, which are covered for five (5) years. Fabric or upholstery material on these products must exceed 100,000 double rubs for the textile portion of the warranty to apply. Please refer to www.globalfurnituregroup.com for an up to date list of series and/or applicable models.

Seating Warranty Summary

Seating Type	Components Warranty For Original Purchaser	Use Time For Warranty Coverage	Exceptions
General healthcare seating	lifetime	8 hours/5 days per week	foam/upholstery/textiles/mesh/electrical devices - 5 years control mechanisms - 12 years
Heavy duty / bariatric seating	12 years	24 hours/7 days per week	foam/upholstery/textiles - 5 years

FILES, DESKS, MODULAR FURNITURE, TABLES, PANELS & ACCESSORIES

Global warrants all components of metal storage and filing, laminate and wood veneer desks, laminate and wood veneer tables, metal leg components and panels for the lifetime of the product to the original Purchaser.

Files, Desks, Modular Furniture, Tables, Panels & Accessories Warranty Summary

Product Type	Components Warranty For Original Purchaser	Exceptions
Metal storage and filing	Lifetime	keyless lock options - 2 years
Laminate/wood veneer desks and modular furniture	Lifetime	tackboard textiles, electrical devices, task lights - 5 years
Boardroom, conference, training and general tables	Lifetime	electrical devices - 5 years moving parts - 5 years
Overbed tables	2 years	none

Global's healthcare warranty does not apply (for any product category) to the following:

- Products not purchased directly from authorized Global resellers
- Nominal or normal amount of wear and tear that can occur over time
- Failures which result from negligence, abuse, accident or misuse
- Failure to apply, install or maintain products according to Global's written instructions and warnings
- Modifications, attachments or repair methods not approved by Global
- Damage caused by a carrier in transit, or delivery/installation contractors
- The matching of colors, grains or textures (wood, leather, etc.) of natural materials
- Products exposed to extreme hot or cold temperatures or excessively dry or humid environments
- Colorfastness or the matching of color of textiles; dye lots of textile can vary
- Damage by markings or staining; damage by sharp objects or imprinting from instruments
- Damage to textiles or laminate and wood surfaces/edges from exposure to sunlight (including UV rays)
- Products used for rental purposes
- Purchased parts are warranted for one (1) year
- Failure to follow specific cleaning and disinfecting instructions posted on globalfurnituregroup.com

Warranty does not cover the costs of transportation or labor. Repair or replacement will be at Global's discretion.

TEXTILES AND FINISHES

Global warrants Global branded textiles and Alliance Partner carded textile programs inclusive of fabrics, vinyls and leather products for five (5) years, with the exception of Novaro leather, which has a one (1) year warranty. Global does not warrant COM (Customer's Own Material) or graded-in materials (non-carded) that are purchased by Global for a customer. For graded-in or COM products, please contact the textile supplier for performance information and warranty details. Please refer to our website at globalfurnituregroup.com for detailed information on cleaning and disinfecting procedures. Improper usage of disinfecting/cleaning products may void the warranty.

Global textiles and finishes are updated periodically to meet the demand and trends of the market. As a result, some textiles and finishes may be discontinued by Global or the manufacturer. In the event that a textile or finish is discontinued, Global will make every reasonable effort to provide an alternative product(s) of comparable function.

PROTECTING THE ENVIRONMENT FOR FUTURE GENERATIONS

Our environmental success story began with the challenge to create an office system that would meet today's business requirements while maintaining a firm commitment to save and protect the environment.

Sustainability became a part of the creative focus and development of Evolve that incorporates the latest technology and design features to provide excellent performance at a competitive price.

As government and industry environment ratings such as LEEDS & Greenguard become more prevalent, Evolve offers designers and architects functional, attractive, and economical office designs that meet these standards.

Evolve is a leader in reducing waste in the manufacturing of its products as well as utilizing recycled materials wherever possible. We make extensive use of recycled plastic and wood waste from other Global factories.

Evolve is committed to the continuous improvement of our environmental systems, the prevention of pollution, and to comply with both the spirit and the letter of all relevant environmental legislation.

Evolve Panels are 100% recyclable at the end of their lifespan. Nothing from an Evolve Panel needs to end up in a landfill.

PRODUCT INFORMATION

Evolve offers fabrics that are made from 100% recycled polyester, which means less waste going to landfills. These fabrics also reduced the demand for petroleum products, and decrease the environmental impacts of processing those petroleum products into polyester.

Evolve has developed a Panel interior made from 100% recycled wood and polypropylene. Through innovative design and technology, Evolve utilizes waste that would have normally been sent to landfill.

Evolve Panels are insulated with Roxul, a mineral wood insulation made from slag, an inert steel by-product, and basalt rock. Roxul is a high density product that provides maximum sound absorption to reduce noise in the work environment. Roxul insulation is fire resistant, water repellent and will not support the growth of fungi or mildew.

Evolve's epoxy powder coating process involves no liquids and is solvent free. It contains no harmful VOC's or lead. Up to 99% of over sprayed powdered is reclaimed, mixed with virgin powder and reused.

PANELS

- NOTE: Panels consist of module frames, module interiors and a variety of skins.

Panel Information

- All metal components are painted with environmentally friendly epoxy powder.
- Raceway Interiors are coated with recycled epoxy powder.
- The entire Evolve Panel and the processes used to manufacture it are designed to save and protect the environment. Evolve panels are made from recycled materials and are 100% recyclable.
- Panels conform to CGSB and ANSI/BIFMA Standards
- The quality and performance level of these panels have been tested to equal or exceed the requirements of the U.S. Government.
- Classified as Acoustic, these panels meet the acoustical requirements of the U.S. Government with the following ratings:
  - .65 NRC
  - 23 STC
- Panel has a steel frame and is 2 7⁄8" thick. Corner posts create a panel creep of 3 1⁄4".
- Leveling Glides extend 2 1⁄2" high. (Carpet grippers are available, contact Evolve Customer Support).

Panel Options

- Standard, Beltline and Light* Segmented Panels are available in the following heights: 30", 42", 54" and 66".
- Standard, Beltline and Light* Monolithic Panels are available in the following heights: 42", 48", 54" and 66"

  * Light panels do not contain a base raceway, therefore the listed heights consider the 6" open space that would have contained a raceway.
- Standard and Light Panel widths come in (8) sizes: 18", 24", 30", 36", 42", 48" 54" and 60"
- Beltline Panel widths come in (7) sizes: 24", 30", 36", 42", 48", 54" and 60". The 6" Power Belt Module is metal with knockouts on both sides.
- Beltline Panel with Chimney widths come in (2) sizes: 36" and 42".

Panel Skin Options

- Acoustic Fabric (Tackable), Glazed, Open, Laminate, Whiteboard, Metal, Air Flow, Slat

Panel Extension Modules

- Attaches to the top of Standard, Beltline or Light panels.
- Offered in 6", 12", 18" and 24" heights
- Can be stacked in an excess of 14'-0". (Contact the Evolve Specification Department regarding additional support required.)

Extension Module Options

- Fabric, Glazed, Open, Laminate, Whiteboard and Airflow. Laminate and Whiteboard available in single and double sided.

Panel Reconfiguration

- Panels can be modified on site by replacing fabric modules with Glazed, Open, Laminate, Whiteboard or Air Flow at any time after the initial installation*.
- All panel types existing on site can have their height altered by replacing the vertical liners (on each side of the panel) and adding or subtracting modules* as required.
- Fabric can be replaced easily; using pre-cut segments of fabric, a drawstring (C-Jex) is sewn in around the edges. Then a rubber spline is used to 'screen' the fabric in place.
- Panels can be removed from the workstation, without having to remove an overhead or worksurface.
- Corner connectors can be converted from 2-way to 3-way, etc., by attaching an in-line connector with one screw.
- The Power Belt Module for the Beltline Panels cannot be relocated.

  *Contact Evolve Customer Support for information on field installed modules (they are available in heights of 6", 12" and 24")

VOICE/DATA AND ELECTRICAL POWER

- NOTE: Panels and Electric components are CSA/UL approved. Tools are not required to install electrical in the Evolve Panel System.

Voice and Data can be run at the following levels:

- Standard Panels–Base of the panel.
- Beltline Panels – Base, Beltline of the panel.
- Beltline Light Panels – Beltline of the panel.

Electric can be run at the following levels:

- Standard Panels–Base raceway
- Beltline Panels – Base and/or Beltline raceway
- Light Panels – Do not contain a raceway for electric.
- Beltline Light Panels – Beltline raceway

Additional Data and Electric Options

- A panel mounted power bar can be mounted on-module at any level and contains a 14' cord.
- Desktop modules are available to install in the worksurface scoop for electric and data.
- 6" Vertical Panel provides electric and data above the worksurface and electric just below the worksurface.

Electric Information

- Electric can be run in any raceway whether it is at the base or Beltline.
  - 8-Wire, 4-Circuit Capability
  - 2 Utility + 2 Dedicated Circuits
  - 10 Gauge (oversized) Neutrals.
- All circuits can support up to 20 amps (15 CSA).

Raceway Information

- Raceway knockouts sizes conform to the ANSI/TIA/EIA Furniture Opening Standard of 1.38" x 2.71" at the base and Beltline.
- Panels 24" wide include raceway covers with one knockout.
- Panels 30" wide include raceway covers with two knockouts.
- Panels 36"-60" wide include raceway covers with three knockouts.
- Standard data face mount plates can be used without the need of adapter plates (supplied by others).
- **Cabling Capacities**
  (calculations below are based on CAT5 cables)
- **Base Raceway – for Standard and Beltline Panels**
  - Without Electric – 140 Cables
  - With Electric – 48 Cables
- **Beltline Raceway – for Beltline and Light Beltline Panels**
  - Without Electric – 65 Cables
  - With Electric – 54 Cables
- **Panel Connectors - 45 Degree Connectors Posts**
  - Without Electric – 20 Cables
  - With Electric – 6 Cables
- **Panel Connectors - 60 Degree Connector Posts**
  - Without Electric – 20 cables
  - With Electric – 6 Cables
- **Post Extension - 90 Degree Post**
  - Without Electric - 45 Cables
  - With Electric - 25 Cables
- **Post Extension - 45 Degree Post**
  - Without Electric - 20 Cables
  - With Electric - 6 Cables
- **Post Extension - 60 Degree Post**
  - Without Electric - 20 Cables
  - With Electric - 6 Cables

WORKSURFACES

- NOTE: Worksurfaces come in a variety of shapes and sizes.

Worksurface Options

- Standard worksurface depths are 18"d, 24"d and 30"d.
- Standard worksurface widths range from 24"w – 84"w standard depending on the shape.

Worksurface Laminate Options

- Thermally Fused – 1" thick
- High Pressure – 1-1/16" thick
- High Pressure – 1-7/16" thick
- Wood Veneer – Contact Customer Support for Quotes

Worksurface Information

- Cable scoops are located in the back of each worksurface to route power and data cables
- Depth from center of scoop to panel is 1-1/8".
- Once installed there is a 3/8" gap between the worksurface and the panels for additional cabling needs.
- Custom sizes are available, contact Customer Support for Quotes.
- Metal inserts are standard for a metal to metal connection between the worksurface and the supporting hardware. This will allow product to be reconfigured many times and still perform.
- All worksurfaces utilize balanced construction.

STORAGE

Pedestals

- Available as Worksurface Supporting, Freestanding and Mobile.
- Mobile pedestals are available with or without a cushion. Mobile pedestals with a cushion can have an upholstery fabric applied to them.
- Standard Pedestal Depths are 18"d, 19"d, 23"d, 24"d, 29"d and 30"d
- Pedestal widths are 15"w. Please note maximum extension of pedestal glide is 1".

File Drawers

- 150 lb Full Extension Slides
- Full height drawer sides are standard on all File drawers which enables the hanging of files from the drawer side so no extra hardware is necessary. File drawers accept legal, letter and metric sized files.

Box Drawers

- 75 lb Single Action Slides

Drawer Information

- Steel construction guarantees the performance of the product over the long term.
- Welded joints with a full top, back and base ensure that the pedestal will sit square and adequately support the worksurface where necessary.
- Double wall drawer face
- 20 gauge steel
- Metal roller ball bearing slides
- Adjustable glides are accessible from the inside of the pedestal.
- Standard positive and secure locking system.
- Epoxy powder coated.
- Locks can be keyed alike or master keyed*. Please note Key list(s) required to key alike.
- *Master Key must be ordered separate.
- Standard recessed handle offers uncluttered aesthetic.

Lateral Files

- All lateral files are 18" deep
- Standard widths are 30"w, 36"w and 42"w.
- Standard EV12 Heights are 27.75"h, 40.5"h, 54"h and 65.88"h.
- Available with fixed front drawers, receding doors with roll-out shelf, and half height drawers (See page 184 for more information Lateral File)

Lateral File Information

- Drawer anti-locking system
- Three Stage, anti-bounceback suspension
- Receding door features 16 gauge, spring loaded hinges
- Premium drawer slides with black zinc coating for smoother, quieter motion.
- Pre-Installed file bars
- 18-20 gauge steel
- Adjustable glides are accessible from the inside of the lateral file. Please note maximum extension for lateral glide is 5/8"

Storage Towers

- Features all metal construction and a choice of 20 different configurations.
- Heights include 50"h, 54"h and 65.875"h. 42"h and 48"h available upon request.
- 24"w x 24"d
- Side shelving available.

Bookcases and Storage Cabinets

- Features all metal construction.
- Available in widths of 30"w, 36"w and 42"w.
- Heights include 27.75"h, 40.5"h, 54"h and 65.88"h.

Overhead Storage

- Standard widths include 24"w (not available on all units), 30"w, 36"w, 42"w, 48"w, 54"w and 60"w. Please note ADA and Double Wall Overheads are not available in 24"
- Standard heights range from 12"h to 17.5"h.
- Overhead Options
- Flat Front 12" Flipper Door
- Full Pull 13" Flipper Door
- Full Pull Double Wall Flipper Door (also available with shelf option)
- Full Pull 16" Flipper Door (door retracts inside cabinet)
- Sliding glass doors
- ADA Compliant Overhead with soft close mechanism
- High and Low Profile Shelf
- A magnetic whiteboard is available for metal front overheads.

WARRANTIES AND PERFORMANCE

- A Lifetime Warranty
- Non Obsolescence Warranty
- Reduced cost of assembly and reconfiguration
- ISO9001:2000 Registered
- ISO14001:2004 Registered
- GreenGuard Certified
- ANSI/BIFMA CGSB testing on all products
- For piece of mind over the long term, we cover you with a comprehensive warranty that is supported by our dealer network.
- Some installation companies claim that the Evolve Panels System can be installed in half the time it takes to install most of our competitor's segmented panels. This cost saving can amount to thousands of dollars over the lifetime of our furniture.
- Your assurance of consistent quality to an international standard. Evolve Systems is committed to design, manufacture and distribute superior quality office furniture, which meets or exceeds the requirements of our customers.
- Confirmation that Evolve is committed (1) to providing product that, through their entire life cycle, minimize negative environmental impacts on the environment, (2) to continuous improvement to our environmental systems and programs and (3) to comply to all relevant environmental legislation and regulations.
- Evolve Systems can help a company meet LEED requirements for office furniture.
- Evolve components are tested to the highest standard in the industry. This is your assurance of quality and longevity.

Evolve products have been coded using alphas that correspond with the product name. This creates an easy-to-remember code. The following breaks down the coding logic and highlights the required code components needed to order within each product category.

PANELS

Example: **Product:** **Segmented Panel**

Specify (1) **E V P F A**

EV — P — F — A

Base Code found on the product page to the left of the product name and a simple product illustration.

EVolve product line

Panel category

Fabric-covered or partly fabric-covered Panel

Acoustic Panel
(EVPF P – represents Premium Acoustic)

(2) EVPFA**6648**

Panel size offering. Listed on every product page with price listing.
Note: Additional dimensions are provided for most products on the far right hand side of each page. These dimensions are not required in the ordering code.

(3) EVPFA6648 –**BLK**

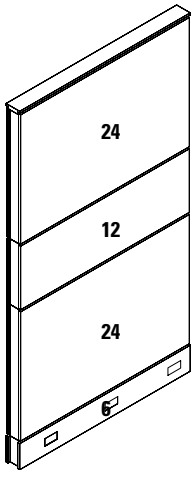
Finish code for frame. See Textiles & Finishes pages 251-252.

To specify fabric for an Evolve Panel, please note:

(4) EVPFA6648–BLK–**B84A**

Fabric code for all modules on both sides of the Panel*.
See Textiles & Finishes pages 251-252.

*** NOTE:** If different fabrics are to be included on an Evolve Panel, please use the following ordering format. **Start at the bottom** of one side of a Panel and work to the top module of that Panel. Then start the process over on the other side of the Panel. As an example:



= 66

Position 3

Position 2

Position 1

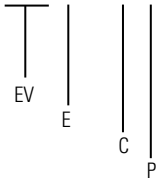
I1	B86A	I = Inside
I2	B84A	O = Outside
I3	B86A	
01	B86A	
02	B86A	
03	B86A	

ELECTRICAL

Example: **Product:** **Pass-Through Cables**

Specify

1 **E V E 8 C P**



Base Code found on the product page to the left of the product name and a simple product illustration.

EVolve product line

Electrical category

Cable Panel.

Pass-Through.

2 EVE8CP**40**

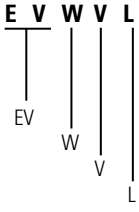
Product size offering – length. Listed on every product page with price listing. Note: Additional dimensions are provided for most products on the far right hand side of each page. These dimensions are not required in the ordering code.

WORKSURFACES

Example: **Product:** **Curvilinear Worksurface - Left**

Specify

1 **E V W V L**



Base Code found on the product page to the left of the product name and a simple product illustration.

EVolve product line

Worksurface category

Cur**V**ilinear shape

Left hand configuration

2 EVWVL**3042**

Worksurface size offering. Listed on every product page with price listing. Note: Additional dimensions are provided for most products on the far right hand side of each page. These dimensions are not required in the ordering code.

3 EVWVL3042–**T431**

Laminate code for surface. See Textiles & Finishes pages 251-252.

4 EVWVL3042–T431–**CHR**

PVC code for trim. See Textiles & Finishes pages 240-241.

WORKSURFACES - HARDWARE

Example: **Product:** **End Panel**

Specify (1) **E V H E P**

EV
H
E
P

Base Code found on the product page to the left of the product name and a simple product illustration.

EVolve product line

Hardware category

End Panel.

End **P**anel.

(2) EVHEP–**T431**

Laminate code for End Panel. See Textiles & Finishes pages 251-252.

STORAGE

Example: **Product:** **Box, Box, File Pedestal**

Specify (1) **E V S 1 2 B B F**

EV
S
B
B
F

Base Code found on the product page to the left of the product name and a simple product illustration.

EVolve product line

White Board

panels

TECHNICAL FEATURES OF EVOLVE PANELS:

- Evolve Panels are 2 7⁄8" thick.
- An aluminum low profile top cap is included with the panel.
- Base Raceway will allow for 140 data cables without electrical, or 48 data cables with electrical.
- Beltline Raceway will allow for 65 data cables without electrical or 54 data cables with electrical.
- 90 degree post extension will allow for 45 data cables without electric and 25 data cables with electric.
- Raceway knockout openings are 1.38" x 2.71".
- Acoustic Rating: .65 = NRC - Noise Reduction Coefficient
- STC: 23 = Sound Transmission Coefficient

BASIC FEATURES OF EVOLVE PANELS:

- Evolve Segmented Panels are available in four (4) basic heights: 30", 42", 54" and 66"; and eight (8) widths: 18", 24", 30" 36", 42", 48", 54" High and 60".
- Evolve Monolithic Panels are available in four (4) basic heights: 42", 48", 54" and 66"; and eight (8) widths: 18", 24", 30" 36", 42", 48", 54" and 60".
- Evolve Panels must include the same segmentation on both sides of the panel. Cannot be Monolithic on one side and Segmented on the other.
- Opposite sides of each Fabric Module may have a different fabric within the same grade at no upcharge.
- If different grades of fabric are used on one panel, the entire panel must be priced at the highest grade.
- There is no panel creep in a straight Panel-to-Panel configuration; however, a corner post (2, 3, 4 way) will add 3.25" inches to a panel run.
- All Fabric Acoustic Panels (EVPFA) are composed of a 6" raceway module and a 24" base-height module which create the EVPFA30. Subsequent heights are created by adding either a 12" high module to create an EVPFA42 or a 24" high module to create an EVPFA54. The addition of both 12" and 24" modules creates a EVPFA66.
- In contrast, a Premium Panel (EVPFP) is composed of a 6" raceway module, a 24" base-height module and either two (2) or three (3) 12" modules which make up the two premium heights: EVPFP54 and EVPFP66.
- All Panels available with Aluminum trim as a standard option.
- Individual fabric covered acoustic modules incorporated into a rigid steel frame.
- Raceway covers included with panels
- Beltline Panels contain a 6" Power Belt Module that is metal with knockouts on both sides.

BASIC FEATURES OF EXTENSION MODULES:

- Stackability: Evolve Panels can be increased in height in 6", 12", 18" or 24" increments. See Extension Module (pages 82-90) for part numbers.
- Panel Extension Modules stack on the top of a Panel.
- Modules can be stacked to add privacy or divide space.
- Opposite sides of a fabric module may have a different fabric within the same grade at no upcharge.
- If different grades of fabric are used on one Panel, the entire Module must be priced at highest grade.

GENERAL WARRANTY INFORMATION:

- Panel and tackboard textiles, adjustable keyboard mechanisms, tasklights and electrical devices = ten (10) Years
- Other parts = Lifetime Warranty

This page provides an exploded view of a sample configuration highlighting each **Panel** component required when specifying this configuration.

Components

A. EVPERA66 End-of-Run Kit (Wall mount)
Note: adds 1" to the width of a Panel Run.

B. EVPFA6636 Segmented Panel

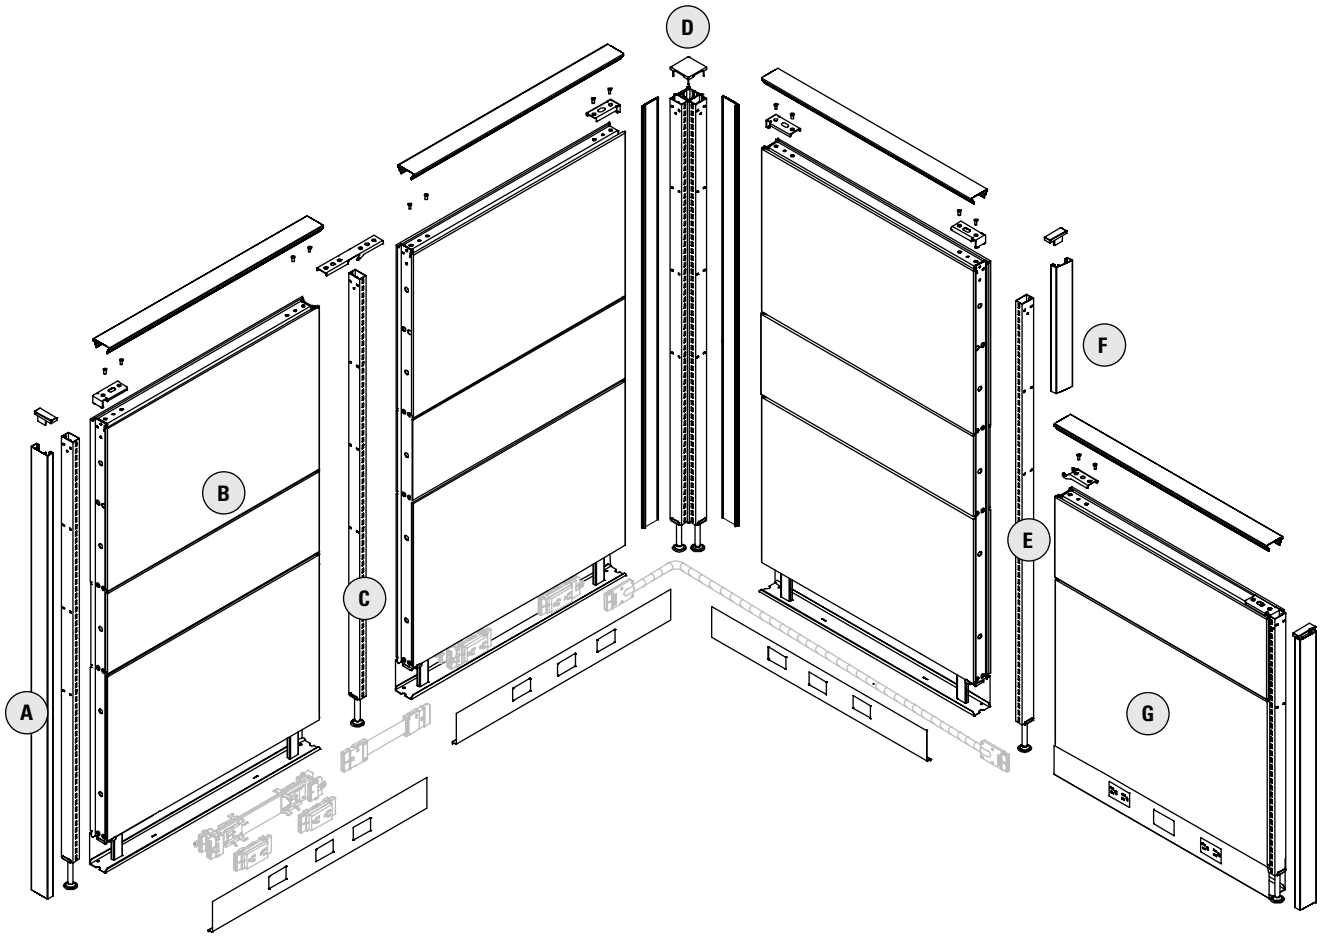
C. EVPIC66 Inline Panel Connector

D. EVPCPA266 Two-Way Corner Post
Note: Trim kit included.
Post Connectors can be custom manufactured with or without slots. Contact your Evolve Customer Support Representative for a special quote.

E. EVPVC66 Variable-Height Connector
Note: Connector height must reference taller Panel.

F. EVPTVA24 Panel Trim Variable-Height

G. EVPFA4236 Segmented Panel



This page provides an exploded view of a sample configuration highlighting each **Beltline Power Panel** component required when specifying this configuration.

Components

A. EVPERA66 End-of-Run Kit (Wall mount)
Note: adds 1" to the width of a Panel Run.

B. EVPBCFAM6636 Monolithic Beltline Powered Chimney Panel

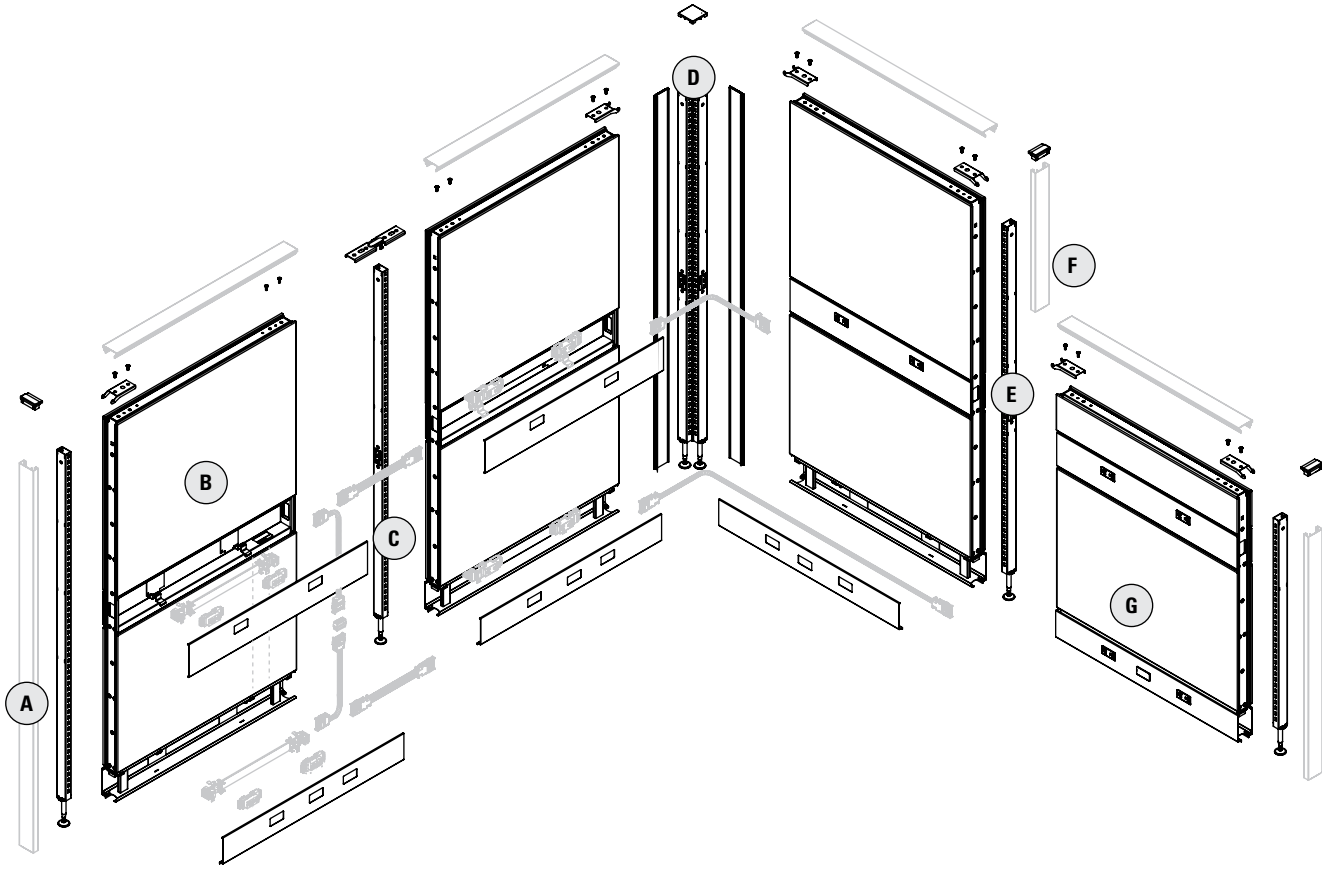
C. EVPBIC66 Inline Panel Connector for Beltline Electric Panels

D. EVPBIPA266 Two-Way Corner Post for Beltline Electric Panels
Note: Trim kit included.
Post Connectors can be custom manufactured with or without slots. Contact your Evolve Customer Support Representative for a special quote.
Note: All beltline post connectors come with PVC covers to install at beltline height on all sides.

E. EVPVC66 Variable-Height Connector for Beltline Electric Panels
Note: Connector height must reference taller Panel.

F. EVPTEA24 Panel Extension Trim

G. EVPBFAM4236 Monolithic Beltline Powered Panel



EACH ORDER MUST INCLUDE:

- Purchase Order
- Layout showing where the image(s) appear in the run of panels.
- A completed Price Chart, showing the location of the image(s) on each appropriate panel.
- Artwork must be submitted in accordance with the following artwork specifications.
- NOTE: Final artwork specification approval must be given before order can be processed.

TRANSFER DEVICES

- Email up to 10MB to your Evolve Customer Service Representative.
- Courier CD/DVD/USB drive to your Evolve Customer Service Representative.

ARTWORK SPECIFICATIONS

- Non-Photographic artwork should be vector art. Saved in Adobe Illustrator (.ai) or as an EPS (.eps)
- All bitmap or photographic artwork has to be at a minimum of 100 dpi at the full size of the panel to be printed.
- We accept Adobe CS5 files.
- Any linked files must be included or imbedded.
- Leave any PSD files un-flattened
- All fonts must be converted to outlines.
- Do not convert to CMYK, leave all images as RGB if possible
- No Word, Powerpoint, Publisher or other Microsoft files can be used.
- Include a PDF or .jpg for reference when sending native Photoshop or Illustrator format files.

COLOR MATCHING

- A Pantone color reference must be supplied or we cannot accept responsibility for correct color or color correction.
- When it is not possible to refer to Pantone colors, we will do our best to meet your requirements.

IMAGE CLARITY

- We will advise should the selected image not lend itself to the element size requested.

NOTE:

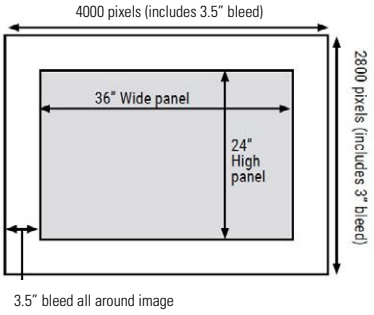
- We reserve the right to put an order on hold when the files are found to be incomplete or when documents have been either incorrectly saved, fonts have not been converted to curves or the job appears not to be commercially acceptable.

IMAGE BLEED:

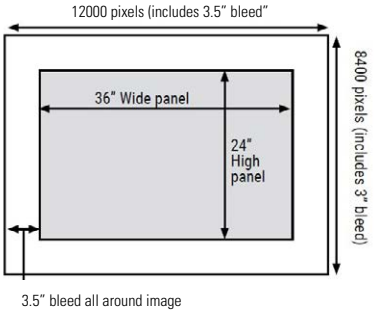
- To facilitate placement on the panel. Extension of the image past the finished visible area of the panel (bleed) is required.
- Evolve Panels need a 3.5" bleed on all sides

EXAMPLE OF IMAGE RESOLUTION:

- The resolution required for a 36 wide x 24 high Evolve panel at 100dpi (minimum resolution)



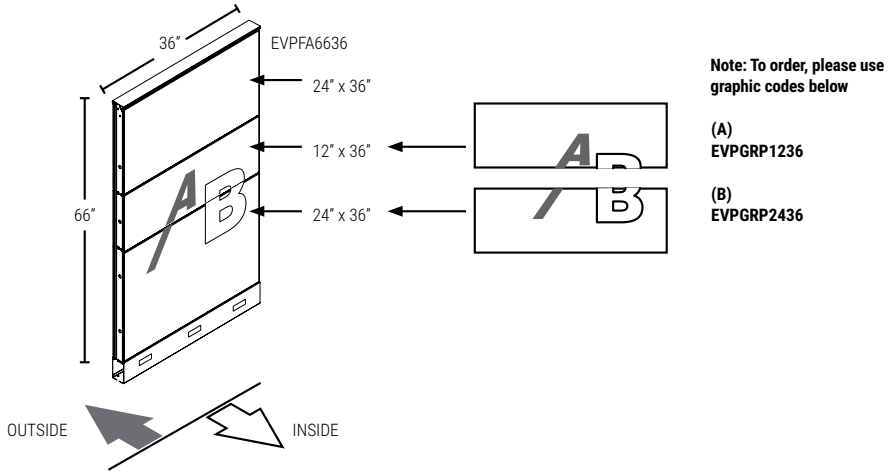
The resolution required for a 36 wide x 24 high Evolve panel at 300dpi (higher quality)



EVOLVE SYSTEMS - GRAPHIC PANEL EXAMPLE PROCEDURE

STEP 1: Customer orders the following EVPFA6636 panel with;

- Bottom module inside face (24/36 size fabric) with image 01.
- Middle module inside face (12/36 size fabric) with image 02.
- All other fabric material is regular fabric - top module inside face and all outside module faces.



STEP 2: On the regular panel - replace fabric pieces with corresponding graphic pieces.

STEP 3: On the regular panel - replace fabric pieces with corresponding graphic pieces.

- EVPGRP1236 for the middle module inside face
- EVPGRP2436 for the bottom module inside face

EVPGRP - 6"H GRAPHIC FABRIC FACTORY INSTALLED

- Graphic fabric for one side of 6" module.
- Graphic fabric to be installed at factory at specified 6" H module of fabric panel
- Fabric panel not included. Prices shown are an upcharge to the applicable panel price. Please add the upcharge to the list price of the panel on which you are specifying a graphic.
- Applies to the following panels: EVPFA, EVPFP, EVPF1W, EVPF2W, EVPF1S, EVPF2S, EVPFGT, EVPFPGTU, EVPFOL, EVPFPOL, EVPFO, EVPFPO, EVPFE, EVPFPE
- Note: initial set up charge is $250 net per image

EVPFAM - MONOLITHIC PANEL

- Monolithic Panel incorporates fabric modules within a solid steel frame.
- Fabric covered modules are tackable and acoustical.
- Opposite sides of each panel may have a different fabric within the same grade at no upcharge.
- If different grades of fabric are used on one panel, the entire panel must be priced at highest grade.
- An aluminum low profile top cap is included.
- Stackability: Evolve panels can be increased in height in 6"H, 12"H, 18"H or 24"H increments. See Extension Modules for part numbers.

EVPBCFAM - MONOLITHIC BELTLINE POWERED CHIMNEY PANEL

- Monolithic Chimney Beltline Powered Panel incorporates fabric modules with a power beltline raceway within a solid steel frame.
- A Chimney Panel is required to run electric and data from the base to belt.
- Separate electric harness required to go from base to belt (see EVE8CPCP).
- 6"H power beltline raceway, to accommodate electrical, is metal with knockouts on both sides.
- Beltline Connectors must be used in conjunction with beltline panels.
- Fabric covered modules are tackable and acoustical.
- Opposite sides of each panel may have a different fabric within the same grade at no upcharge.
- If different grades of fabric are used on one panel, the entire panel must be priced at highest grade.
- An aluminum low profile top cap is included.
- Stackability: Evolve panels can be increased in height in 6"H, 12"H, 18"H or 24"H increments. See Extension Module listings for part numbers

EVPBFFA - SEGMENTED BELTLINE NON-POWERED PANEL

- Double Beltline Non-Powered Panel incorporates all fabric modules within a solid steel frame.
- Electrical cannot pass through panel at the beltline level.
- Fabric covered modules are tackable and acoustical.
- Opposite sides of each panel may have a different fabric within the same grade at no upcharge.
- If different grades of fabric are used on one panel, the entire panel must be priced at highest grade.
- An aluminum low profile top cap is included.
- Stackability: Evolve panels can be increased in height in 6"H, 12"H, 18"H or 24"H increments. See Extension Modules for part numbers.

EVPFGTX - PARTLY GLAZED PANEL - 36"H TEMPERED GLASS

- Partly Glazed Panel incorporates a lower fabric module with 36"H top position glazed module, into a solid steel frame.
- Opposite sides of each panel may have a different fabric within the same grade at no upcharge.
- If different grades of fabric are used on one panel, the entire panel must be priced at highest grade.
- An aluminum low profile top cap is included.
- Stackability: Evolve panels can be increased in height in 6"H, 12"H, 18"H or 24"H increments. See Extension Modules for part numbers.
- Standard in clear (CLR) glass.
- Frosted glass (FRST) 40% upcharge.

EVPLF2S - SLATWALL LIGHT PANEL - DOUBLE SIDED

- Slatwall Light Panel incorporates fabric modules with a single 12"H or 24"H top position slatwall module, into a solid steel frame.
- 66"H panel can be configured with either a 24"H slatwall module at the top or a 12"H slatwall at the middle Position (EVPLF2S66xxM)
- Slatwall module has slatwall on both sides.
- Slatwall is made of aluminum.
- Accessories can be used on slatwall modules. Please see accessory section for additional details.
- There is no base raceway in Light Panels to accommodate electrical.
- Light Panel Connectors must be used in conjunction with Light Panels.
- Opposite sides of each panel may have a different fabric within the same grade at no upcharge.
- If different grades of fabric are used on one panel, the entire panel must be priced at highest grade.
- An aluminum low profile top cap is included.
- Stackability: Evolve panels can be increased in height in 6"H, 12"H, 18"H or 24"H increments.
- See Extension Modules for part numbers.

EVPH1S - LAMINATE PANEL - SINGLE SIDED

- Laminate Panel incorporates single sided laminate modules, into a solid steel frame.
- Opposite side is fabric covered.
- Laminate faces on all modules provide durable, washable surfaces on Single Sided of the panel.
- Available in high pressure laminate only.
- If wood grain is selected, grain runs horizontally.
- If different grades of fabric are used on one panel, the entire panel must be priced at highest grade.
- An aluminum low profile top cap is included.
- Stackability: Evolve panels can be increased in height in 6"H, 12"H, 18"H or 24"H increments. See Extension Modules for part numbers.

EVPLH1S - LAMINATE LIGHT PANEL - SINGLE SIDED

- Laminate Panel incorporates single sided laminate modules, into a solid steel frame.
- Opposite side is fabric covered.
- Laminate faces on all modules provide durable, washable surfaces on Single Sided of the panel.
- Available in high pressure laminate only.
- If wood grain is selected, grain runs horizontally.
- There is no base raceway in Light Panels to accommodate electrical.
- Light Panel Connectors must be used in conjunction with Light Panels.
- If different grades of fabric are used on one panel, the entire panel must be priced at highest grade.
- An aluminum low profile top cap is included.
- Stackability: Evolve panels can be increased in height in 6"H, 12"H, 18"H or 24"H increments. See Extension Modules for part numbers.

EVPFAF - AIRFLOW PANEL

- Airflow Panel incorporates bottom 24"H airflow module with individual fabric modules, within a steel frame.
- The 24"H Metal airflow module is positioned in the base section to provide air circulation.
- Opposite sides of each panel may have a different fabric within the same grade at no upcharge.
- If different grades of fabric are used on one panel, the entire panel must be priced at highest grade.
- An aluminum low profile top cap is included.
- Stackability: Evolve panels can be increased in height in 6"H, 12"H, 18"H or 24"H increments. See Extension Modules for part numbers.

EVPFPAF - AIRFLOW PREMIUM PANEL

- Airflow Premium Panel incorporates bottom 24"H airflow module with individual fabric modules, within a steel frame.
- The 24"H Metal airflow module is positioned in the base section to provide air circulation.
- Premium panels incorporate 12"H acoustic modules above 30"H base section.
- Opposite sides of each panel may have a different fabric within the same grade at no upcharge.
- If different grades of fabric are used on one panel, the entire panel must be priced at highest grade.
- An aluminum low profile top cap is included.
- Stackability: Evolve panels can be increased in height in 6"H, 12"H, 18"H or 24"H increments. See Extension Modules for part numbers.

EVPLFPAF -AIRFLOW PREMIUM LIGHT PANEL

- Airflow Premium Light Panel incorporates bottom 24"H airflow module with individual 12"H fabric modules, within a steel frame.
- The 24"H Metal airflow module is positioned in the base section to provide air circulation.
- Premium panels incorporate 12"H acoustic modules above 30"H base section.
- There is no base raceway in Light Panels to accommodate electrical.
- Light Panel Connectors must be used in conjunction with Light Panels.
- Opposite sides of each panel may have a different fabric within the same grade at no upcharge.
- If different grades of fabric are used on one panel, the entire panel must be priced at highest grade.
- An aluminum low profile top cap is included.
- Stackability: Evolve panels can be increased in height in 6"H, 12"H, 18"H or 24"H increments. See Extension Modules for part numbers.

EVPM1S - METAL SKIN PANEL - SINGLE SIDED

- Metal Skin Panel incorporates single sided metal skin modules, into a solid steel frame.
- Opposite side is fabric covered.
- Metal faces on all modules provide durable, washable and magnetic surfaces on Single Sided of the panel.
- If different grades of fabric are used on one panel, the entire panel must be priced at highest grade.
- An aluminum low profile top cap is included.
- Stackability: Evolve panels can be increased in height in 6"H, 12"H, 18"H or 24"H increments. See Extension Modules for part numbers.

EVPFPOL - OPEN BOTTOM PREMIUM PANEL

- Open Bottom Premium Panel incorporates bottom 24"H open module with individual fabric modules, within a steel frame.
- The 24"H open bottom module in the base section is to provide air circulation and access to electrical or data.
- Premium panels incorporate 12"H fabric modules above 30"H base section.
- Opposite sides of each panel may have a different fabric within the same grade at no upcharge.
- If different grades of fabric are used on one panel, the entire panel must be priced at highest grade.
- An aluminum low profile top cap is included.
- Stackability: Evolve panels can be increased in height in 6"H, 12"H, 18"H or 24"H increments. See Extension Modules for part numbers.

EVPH1SNR - LAMINATE NO RACEWAY - PANEL SINGLE SIDED

- Laminate No Raceway panel incorporates single sided laminate modules within steel frame.
- Opposite side is fabric covered.
- Laminate faces on all modules provide durable, washable surfaces on One Side of the panel.
- Available in high pressure laminate only.
- If wood grain is selected, grain runs horizontally.
- There is no base raceway in No Raceway Panels to accommodate electric.
- No Raceway connectors to be used.
- If different grades of fabric are used, the entire module must be priced at highest grade.
- An aluminum low profile top and bottom cap is included.
- Stackability: Evolve panels can be increased in height in 6"H, 12"H, 18"H, 24"H increments. See module listing for part numbers.

EVPDSL/R - SLIDING PRIVACY DOOR

- Sliding Privacy Door attaches to Evolve Panels using standard connectors to add privacy. Brackets that attach to Connectors are included.
- This door must mount on panels of equal width. It is also intended to be used for openings of equal width.
- Left (L) or right-handedness (R) is determined by the direction of door movement (from compressed to expanded position), while facing the door on the panel mounted side.
- Painted frame may match any Evolve Standard Paint Finish. The door interior is standard with a louvered acrylic finish.
- Telescoping arms eliminate the need for thresholds, wheels or casters.
- 81"H door must connect to panels 84" or higher.
- Thickness of louvered acrylic is 6 mm.

TIPS!!

When ordering Panel Extension Modules, Inline Panel Extension Connectors (EVPIEC) must be ordered separately. Please see EVPIEC for details.

Inline Panel Extension Connectors connect two panel extension modules of equal height in a straight run.

Extension connectors do **not** provide support for hang-on storage components above 66"H.

When specifying stacking panels up to 66" H and using a single full height connector additional single clamps (EVCLVAR) are recommended.
Order 2 clamps per extension module.

NOTES

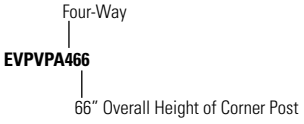
panel connectors

TIPS!!

Slotted posts are included with each Variable-Height Corner Post. The height of each slotted post must be specified when ordering a Variable-Height Corner Post. Slotted post height is determined by the height of the connecting panel run.

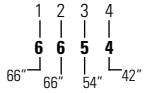
Example

Step 1 Specify base code listed on pricing page.



Segmented Panel

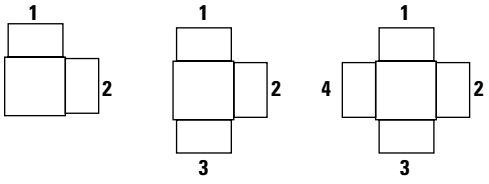
Step 2 Specify slotted post heights.



Note: To specify height, use the first number of the connecting panel run height dimension.

Slotted Post Positions

As illustrated in the example below, start with position 1 and continue clockwise specifying the height of each slotted post.



Sample Configuration - EVPVPA466-6654

EVSC12 - SLOT COVER

- Covers the slots of a slotted connector between modules as well as corner post situation.
- Available in all standard colors (Black, Charcoal Silver, Taupe, Tungsten, White and Nevada)
- Sold per foot. The desired quantity of the slot covers is the required length in feet.
- An easy way to calculate the required length is to sum the length of all inline connectors used in a project (including the posts) and multiply by 2.
- Should be field cut to required length.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Slot Cover	EVSC12	10			

electrical

STEP-BY-STEP SPECIFICATION – 8-WIRE ELECTRICAL SYSTEM

Step 1 **Determine the location of the source power entering the Panel Run.**

1. At the base of the Panel.
   (a) Use EVE8FR1 Reversible Floor Power Entry (default to EVE8FR1).
   (b) Select the Panel to which the Floor Power Entry will be attached. This Panel requires an EVEPD Power Distribution Housing.
   (c) Select the side of the Panel and the receptacle outlet to which the Floor Power Entry is to be attached.
2. From the ceiling.
   (a) Use EVE8EC1 Ceiling Power Entry.
   (b) Select the post through which to feed the Ceiling Power Entry.
   (c) One Panel adjacent to the selected post requires an EVEPD Power Distribution Housing.
   (d) Attach Ceiling Power entry to the nearest end of the Power Distribution Housing.

Step 2 **Determine which Panels are to be powered.**

1. Use EVE8PD Power Distribution Housing that corresponds with the width of the Panel.

BELTLINE TIPS:

DO - use a 17" long Mesh Beltline Jumper when making 90 degree turns in the Beltline raceways only.

DO NOT - use a 20" long Metal Flex Jumper when attempting to make 90 degree turns in the Beltline Raceways. The end connector is too long to make the turn.

DO - use a 20" long Metal Flex Jumper when traveling through a Beltline Post, in a straight line only.

DO NOT - use a 17" long Mesh Beltline Jumper Traveling through a Beltline Post, in a straight line only. The Jumper is too short to make the connection.

Step 3 **Connect power to the powered Panels.**

1. Use EVE8CP**16** Jumper Cable between two adjacent powered Panels, separated by an Inline Connector.
2. Use EVE8CP**18** Jumper Cable between two adjacent powered Panels separated by a post.
3. Use EVE8CP Pass-Through Cables to connect powered Panels that are separated by one or more non-powered Panels (maximum distance between the powered Panels is 16 feet).
   (a) The length of the Pass-Through Cable is calculated by adding together the widths of the non-powered Panels (that separate the two powered Panels) and applying an additional 16" to the total. (EVE8PD Power Distribution Housing is positioned 8" in from the ends of the powered Panel.) (b) An additional 3" must be added to the Pass-Through Cable for each post that the cable passes through.
4. From the price list, select the EVE8CP Pass-Through Cable that matches the calculated length. If the length is between listed sizes, use the next size up.

Step 4 **Determine the location and circuitry of the receptacles.**

1. Each powered Panel has four (4) potential locations for EVE8RD Duplex Receptacles – 2 per side. (Exception: 24" wide Panel has only two potential locations – 1 per side, 18" wide Panel has no locations for receptacles.)
2. At each receptacle location there is a choice of four circuit options. Select a circuit option for each location.
   Circuits one & two are utility circuits; circuits A & B are dedicated circuits.

EVOLVE'S MODIFIED 8-WIRE ELECTRICAL SYSTEM

Evolve has modified its 8-Wire Electrical System to stay abreast of changing industry standards.

Evovle's electrical system allows for the integration of the commonly required "2+2" configuration (2 utility circuits, 2 dedicated circuits) found in the source power of most of today's North American buildings.

This system is rated for connection to:

1. A grounded 120/240V, single phase, 20 A, 60Hz
2. A 120/208V, 3 phase, 20 A, 60Hz branch circuit

Data/Comm

Evolve's duplex receptacle openings will now conform to the ANSI/TIA/EIA Furniture Opening Standard of 1.38 +/- .035 x 2.71 +/- .04. There will no longer be the need to use adapter plates to reduce the size of Evolve's raceway opening, or to use Evolve dedicated data plates for data/comm terminations.

Transition

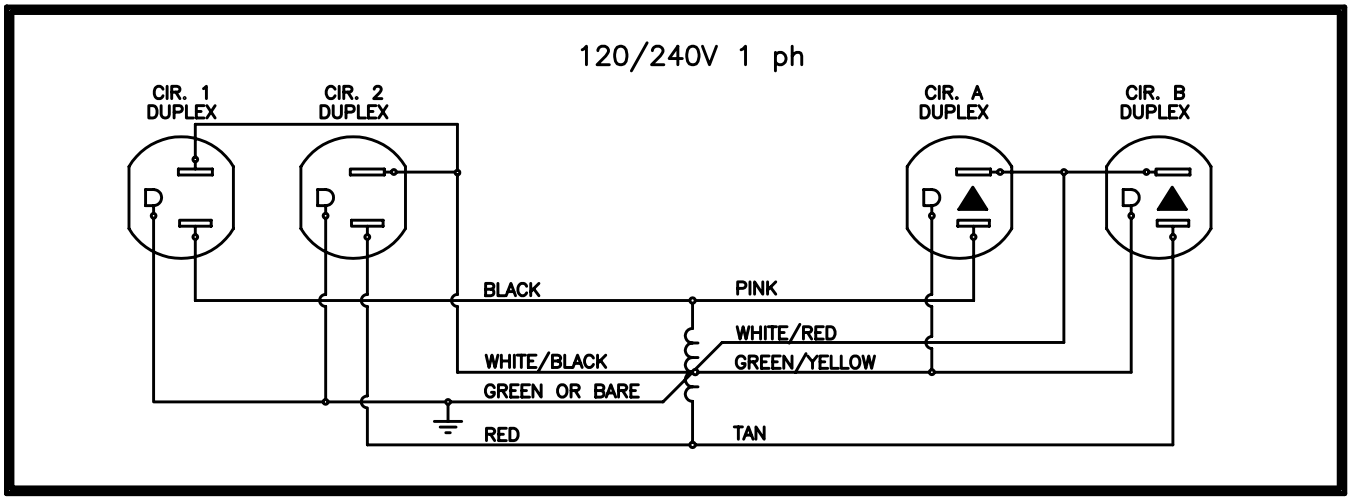
A transition cable is available to connect the previous electrical system prior to April 1, 2005 to the current system when adding Panels to an existing installation. Also, new raceway covers with the smaller openings can be provided and applied to existing Panels when retrofitted with new electrics.

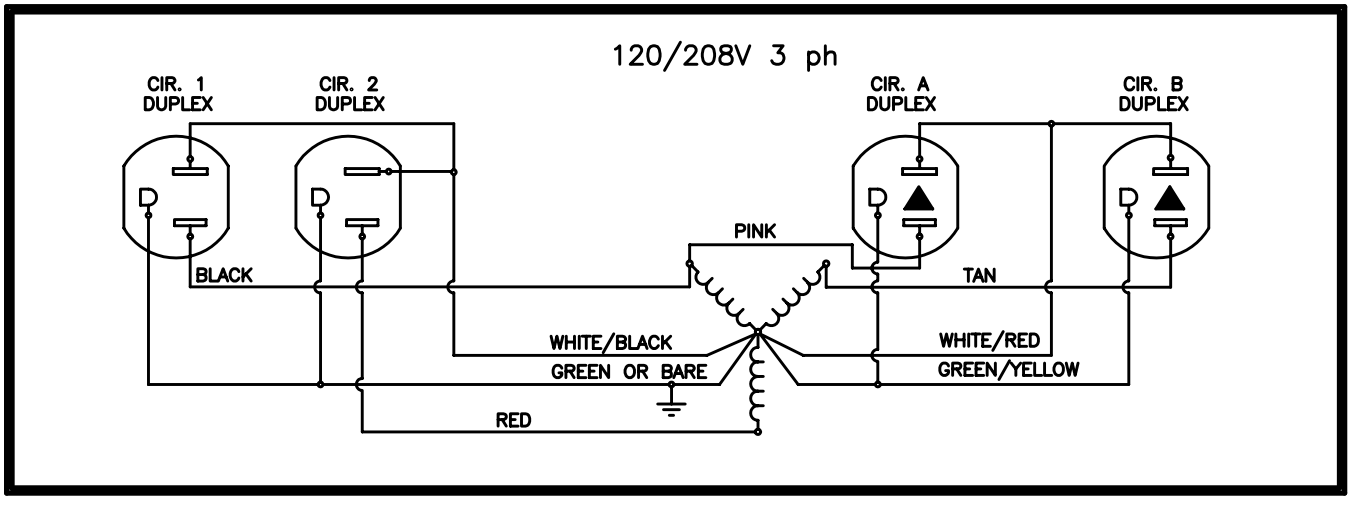
EQUIPMENT AMPERAGE

Calculator	0.25
Electric Eraser	0.50
Pencil Sharpener	1.00
Radio	0.05
Paper Shredder	4.40 - 13.00
Electric Typewriter	1.20
Personal Computer	2.00 - 4.00
Video Display Terminal	0.08
Draft / Letter Quality Printer	1.20 - 3.00
Fan	1.00
Heater	8.50 - 12.50
Coffee Pot	15.00
Task Light	1.00
Slide Projector	2.00 - 6.00
Laser Printer	5.00 - 8.00
Processor / Disk Unit	1.00 - 10.00
Desk Top Plotter	1.50

Some equipment, such as large copiers, printers, plotters, heaters and coffee makers may occupy most of the circuit capacity. It is recommended that such devices be supplied with the power directly from the wall or building receptacle.

WIRING SCHEMATIC





DEFINING "2 + 2" WIRING CONFIGURATIONS

2 + 2 Configuration (8 wire, 4 circuit)
Two Utility Circuits [Evolve's #1 & #2 circuits] share one neutral wire and one ground wire.
(2 hot [circuit] wires + 1 neutral wire*** + 1 green ground wire* = 4 wires)

Two Dedicated Circuits [Evolve's "A" & "B" circuits] share one neutral wire and one ground wire.
(2 hot [circuit] wires + 1 neutral wire *** + 1 green/yellow ground wire** = 4 wires)

NOTE:

It is the ground wire that makes the difference between "Utility" and "Dedicated" circuits. Refer to Wiring Schematics found in the Price List.

* A Green ground wire is a "system" ground. This means it could be grounded to any piece of metal, including the Panel.
** A Green/Yellow ground wire is isolated, within the wiring conduit, all the way back to the box at the source (building ground).
*** All Neutral Wires are 10 gauge rather than 12 gauge meaning they are larger than normal, allowing greater protection against "noise" or interference on the circuit.

This page provides an exploded view of a sample configuration highlighting each **Electrical** component required when specifying this configuration.

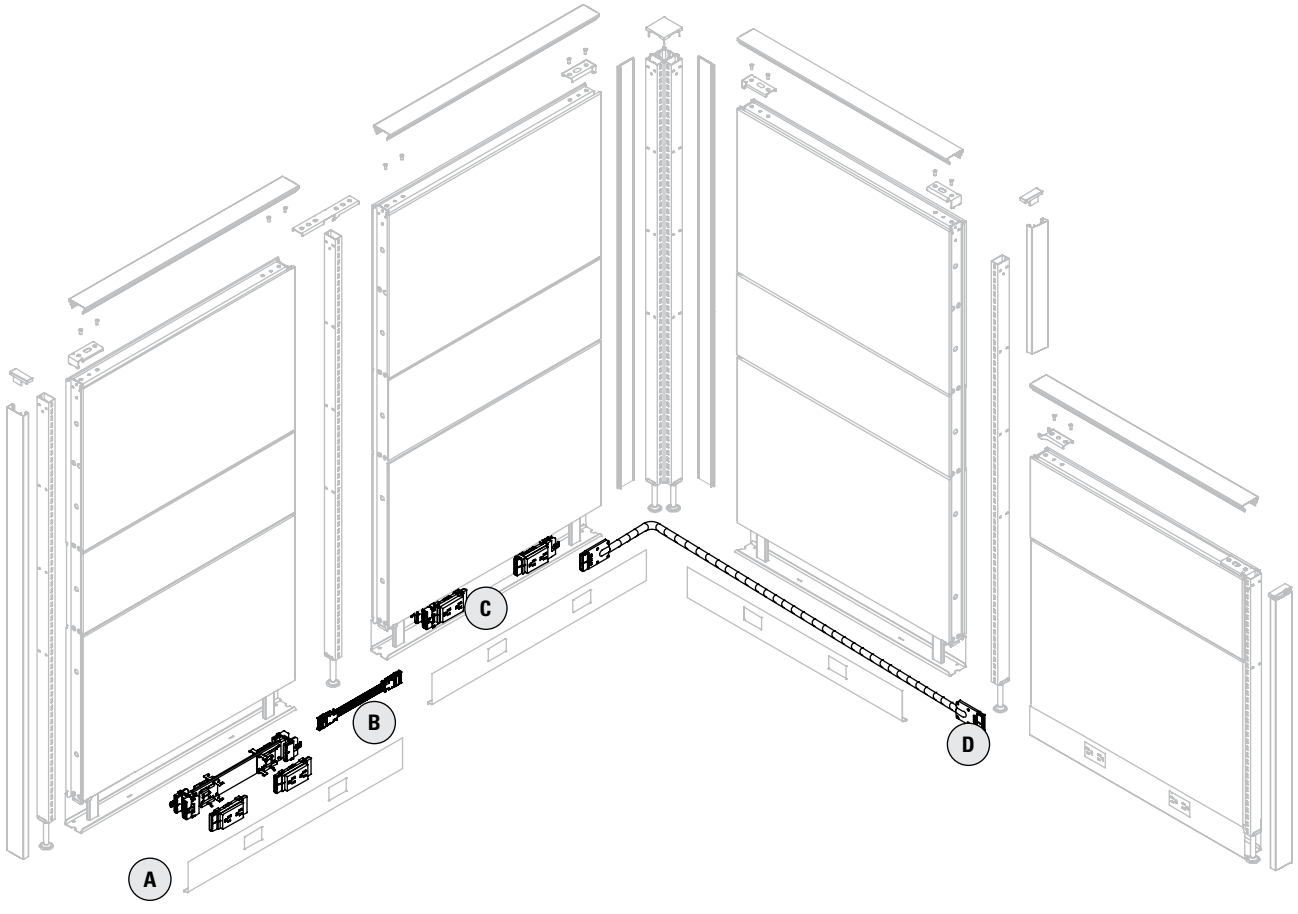
Components

A. EVE8PD42 Power Distribution Housing
Note: 8 wire, 4 circuits (3rd/4th circuits dedicated) labeled A or B.

B. EVE8CP16 Jumper Cable
Note: EVE8CP16 connects two powered panels positioned side by side, separated by an Inline Connector
EVE8CP18 connects two powered panels separated by a post.

C. EVE8RD Duplex Receptacle

D. EVE8CP Pass-Through Cable
Note: Pass-Through Extension Cable (EVE8CPF154) available – extends power capability beyond 208".



This page provides an exploded view of a sample configuration highlighting each **Beltline Power Panel** component required when specifying this configuration.

A. EVE8PD36 Power Distribution Housing
Note: 8 wire, 4 circuits (3rd/4th circuits dedicated) labeled A or B.

B. EVE8CP17 Jumper Cable
Note: EVE8CP17 connects two powered panels positioned side by side, separated by an Inline Connector

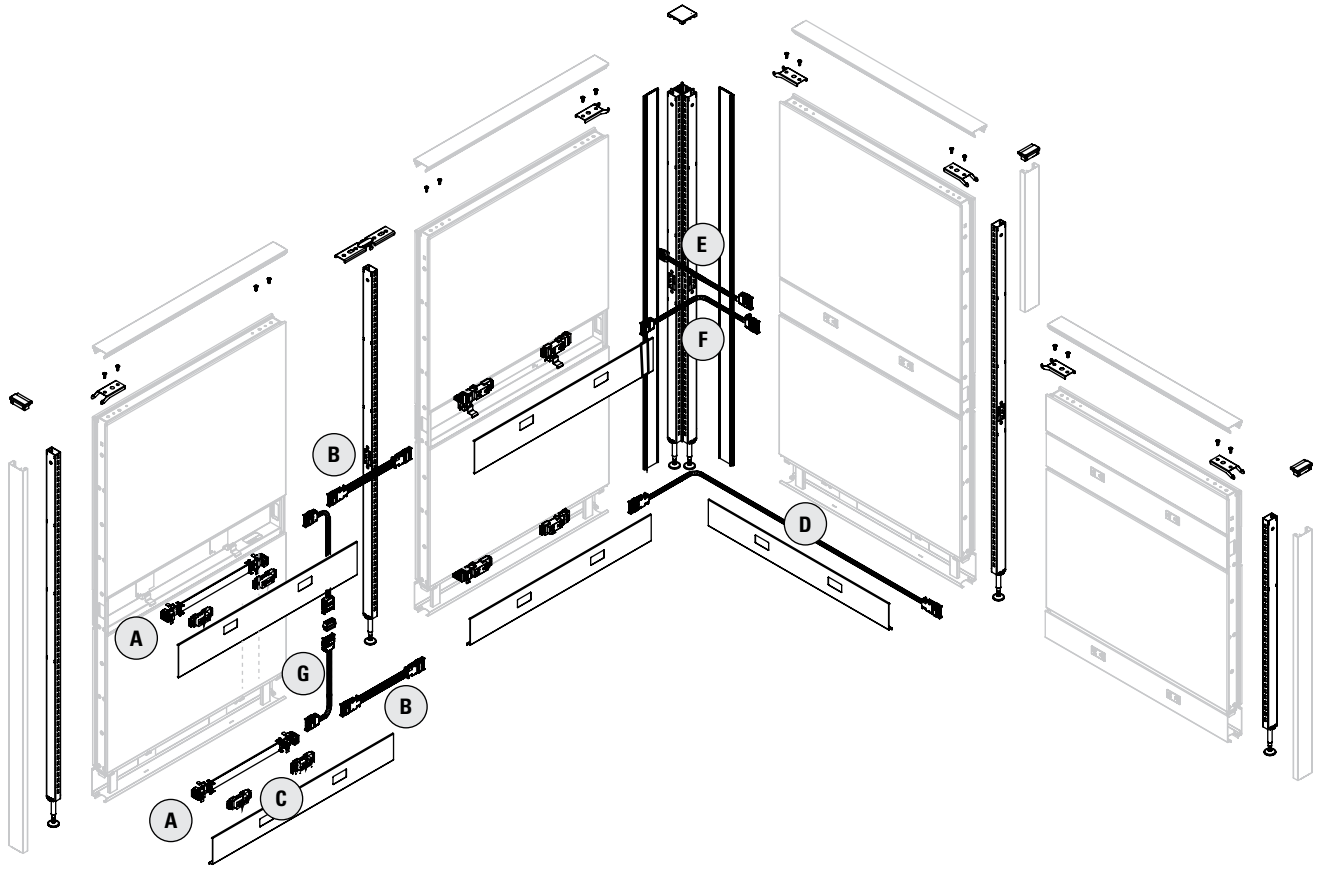
C. EVE8RD Duplex Receptacle

D. EVE8CP Pass-Through Cable
Note: Pass-Through Extension Cable (EVE8CPF154) available – extends power capability beyond 208".

E. EVE8CP18 Jumper Cable
Note: EVE8CP18 connects two powered panels separated by a post, in a straight line.

F. EVE8CP17 Jumper Cable
Note: EVE8CP17 connects two powered panels separated by a post, for turns through post.

G. EVE8CPCP Base to Belt Pass Through Kit
Note: For use in Chimney Panels only.



EVE8PD - POWER DISTRIBUTION HOUSING

- Power housing is specified per panel size (e.g. EVE8PD36 is for use in a 36" panel).
- 8 wire, 4 circuits (2+2 configuration).
- Provides two duplex receptacles per panel side on all panel widths except the 24" wide panel.
- 24" wide panel allows for only one (1) duplex receptacle per panel side.
- Each power distribution housing supports 15-20 amps.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	L	D
	Power Distribution Housing	EVE8PD24	175		6 1/4	
		EVE8PD30	236		11 1/2

EVE8CPCP - CHIMNEY PANEL JUMPER CABLE KIT

- Contains two (2) 17" flexible harnesses and one (1) "I" connector.
- Used to connect electric from the base to the beltline raceway in Beltline Powered Chimney panel.
- Must use in conjunction with base power distribution harness and beltline power distribution harness (sold separately).

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	L	D
	Chimney Panel Jumper Cable Kit	EVE8CPCP	365			

EVE8RD1

EVE8CPXX-H - PASS-THROUGH CABLE

- Flexible metal conduit with wire mesh distributes electrical power through non-powered beams.
- To calculate the length of a Pass-Through Cable, add the widths of the non-powered panels separating the powered panels (panels with distribution housing attached). To this, add 16" (distance from the edge of the panel to the distribution housing x 2).
- Add additional 3" when passing through a post. See the Tips at the beginning of the section for more details.
- Hybrid pass-through cables with wire mesh allows connection at 90 degree post at one end for Evolve panels including Beltline and Power Beam

VE8EC - CEILING POWER ENTRY

- Snaps into the end of a Power Distribution Housing.
- Flexible metal conduit extends into the ceiling through a corner post and post extension.
- Must be hard wired to source power by a licensed electrician.
- 4" junction box included.
- Post extension ordered separately
- Can feed directly into beltline power when Beltline Post Connectors are specified.
- Cannot feed through Inline or End-of-run Connectors.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	L	D
	Ceiling Power Entry	EVE8EC1 EVE8EC2 EVE8EC3	304 532 600		132 144 180	

EVEENY-2 - HARDWARE POWER ENTRY BOX - NEW YORK

- A licensed electrician must provide hard wire connection within the junction box.
- Not for use in panels less than 36"W.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Hardware Power Entry Box - New York	EVEENY2	503	3	28	2 1⁄5

EVEJBC-1 - HARDWARE JUNCTION BOX - CHICAGO

- Can be retrofitted in any size of panel at the receptacle location.
- Gives access from one side only at each location.
- Customer to supply conduit, wiring, receptacle, and face plate.
- 2 per panel, except 24" panels only one is needed.
- A licensed electrician must provide hardware connection with the junction box.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Hardware Junction Box - Chicago	EVEJBC-1	116			

EVDPE - POST EXTENSION DATA/COMM LAY-IN

- Attaches to the top of a post to bring power and/or data cables from the ceiling to the panel power way
- Three-sided power pole with snap-on fourth side.
- Post extension can be opened on one side for lay-in or power and/or data cables.
- Made of aluminum and can be field cut.
- Accommodates up to 25CAT 5 Cables with electric. Accommodates up to 45 CAT 5 Cables without electric.
- Actual size interior dimension of post, 1.80"x 1.80"

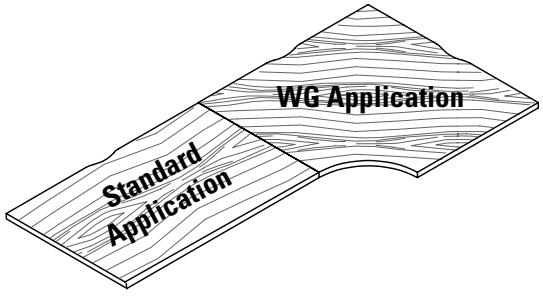
worksurfaces

THE INFORMATION LISTED BELOW PROVIDES YOU WITH BASIC FEATURES OF EVOLVE WORKSURFACES.

- Evolve thermally fused worksurfaces are 1" thick, high pressure is 1 1⁄16" and 1 7⁄16" thick. These are finished with 3 mm PVC edging on all sides.
- Standard laminate offerings are available in thermally-fused (TF) and most high pressure laminates (HP). See laminate listings for details.
- Wood grain laminates on corner worksurfaces up to 42" available in laminate run diagonally for an upcharge. Otherwise, standard horizontal application of laminate will be used.
- To avoid unsatisfactory results in laminate application when attaching two corner surfaces side by side, select "WG" surfaces for matching grain.
- Some wood grain laminate worksurfaces will have matching wood grain PVC trim unless specified otherwise.
- The depth of the worksurface scoops are 1 1⁄8" when measured from the panel the worksurface is attached to.



- All worksurfaces have threaded inserts for metal-to-metal connection for support hardware.
- All worksurfaces require support hardware. These are priced separately within this section.
- Communication and electrical wires are routed through a cable scoop located at the back of the worksurface. Depending on the specific surface, note that the number of cable scoops depends upon the width of the worksurface. All worksurface shapes have at least one scoop on the Panel edge.
- A 3/8" separation between the back of the worksurfaces and panels allows for cables to be moves to the panel seams and concealed by wire managers.
- Note: Wood veneer options for worksurfaces are available at an upcharge and with an extended lead time. Contact Evolve Customer Support for details.
- Tungsten (TUN) and Designer White (DWT) trim available at no charge.
- Note the following abbreviations:
  TF = Thermally-Fused Laminate; (1") HP = High-Pressure Laminate (1 1⁄16"); HPW = High-Pressure Laminate (1 7⁄16"); WG = Wood Grain

EVTHLEG - EVOLVE BRIDGES LEG

- Leg assembly attaches to panel for application which requires functionality of panels with environment of bridges tables.
- One leg wit horizontal member connection to 1" increment slots in connector. Provides support to panel and panel connected worksurface at end of run- design coordinated with Bridges freestanding tables.
- Supports 24" and 30" deep worksurface
- One leg can support 2 adjoining worksurfaces by specifying 2 flat brackets.
- Leveling glides is standard
- No worksurface supporting beams, use panel cantilever and storage for worksurface support.
- One aluminum leg with steel structure - specify left or right and 24" or 30" deep for corresponding worksurface depth.
- Panel bracket, dislodgment clip and worksurface hardware included.
- Anodized aluminum upcharge $32.00.
- Please specify paint finish.

EVHV - SINGLE SLOTTED WALL ADAPTER

- To attach system components to a fixed wall. The vertical wall adapter is a "U" shaped channel with a vertical row of 1" slots on center.
- Mounting hardware not included. Mounting hardware selection to be based on wall material.
- Use of wall rack requires lower tooth of top hook on cantilever or shelf to be notched in the field.
- Available in standard paint colors.
- Shipped & priced per pair.

NOTE:

- Care should be taken to mount adapters only to wall studs using correct fasteners. Failure to do this may result in collapse of the unit and subsequent possible personal injury.

PRIME FILE FEATURES

- **THE LETTER "P" IN THE MODEL NUMBER DESIGNATES FULL PULL MODELS.**
- An earth friendly electrostatically applied coating protects the environment and provides a durable finish.
- Master keys and core keys are available; please contact your Global customer care representative.
- Five lateral file drawer configurations are available: two-high, three-high, four-high, five-high and six-high, all available in three height options (with the exception of the six-high cabinet which is available in letter-height only).
- STANDARD LOCK BARS ARE ON BOTH SIDES OF CABINET PROVIDING INCREASED SECURITY.
- A patented interlocking system prevents more than one drawer opening at a time to guard against tipping.
- An optional, fully-retractable posting shelf is available for five- and six-high lateral file cabinets to provide a convenient ledge.
- All drawer heights are based on a 1.6" module (the size of the posting shelf), then 3.2", 4.8", 6.4" to up to 16".
- The interior construction of the case permits drawer reconfiguration or retrofit at any time.
- Full extension ball bearing suspension with built-in feature to prevent drawer bounce back and creepage.
- 14.4"H Openings (with receding doors) will accommodate letter, legal and A4 hanging folders, plus STANDARD THREE RING BINDERS.
- 13.6"H Openings (with fixed drawer fronts) will accommodate letter, legal and A4 hanging folders, plus EDP SUSPENDED DATA BINDERS.
- 11.2"H Openings (with receding doors or fixed drawer fronts) will accommodate letter, legal or A4 hanging file folders.
- **DRAWER FRONTS HAVE A WELDED REINFORCEMENT CHANNEL FOR ADDITIONAL STRENGTH.**
- Four adjustable leveling glides are easily accessible from inside the cabinet to assist in quick and proper installation, with 1" adjustment.
- Label holders are included with full pull fronts to clearly identify the contents of each drawer.
- All lateral file accessories are Grey, except for the divider plates and EDP adapters are Black.
- Side-to-side hanging file bars permit hanging letter-, legal- or metric-size files in side-to-side arrangements
- Front-to-back file bars permit hanging letter-, legal- or metric-size files in a front-to-back arrangement. They are shipped in packages of two.
- **Counterweights are required for all cabinets with pull-out drawers and cabinets not located directly under a worksurface.**
- For environmental certifications, please visit globalfurnituregroup.com
- Lifetime Warranty. (See Terms and Conditions)

STANDARD PAINT COLORS

Black (BLK)	Blizzard (BZD)	Charcoal (CHR)
Designer White (DWT)	Fog (FOG)	Nevada (NEV)

EVHV - SINGLE SLOTTED WALL ADAPTER

- To attach system components to a fixed wall. The vertical wall adapter is a "U" shaped channel with a vertical row of 1" slots on center.
- Mounting hardware not included. Mounting hardware selection to be based on wall material.
- Use of wall rack requires lower tooth of top hook on cantilever or shelf to be notched in the field.
- Available in standard paint colors.
- Shipped & priced per pair.

NOTE:

- Care should be taken to mount adapters only to wall studs using correct fasteners. Failure to do this may result in collapse of the unit and subsequent possible personal injury.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES D	H

EVWAKM01 - SOFT TOUCH KEYBOARD SUPPORT MECHANISM

- Height range 6" (+1.0"/-5.0").
- Soft touch knob tilt adjustable range +15°/-15°.
- 360° base swivel.
- Soft touch knob for simultaneous height and tilt adjustment.
- Spring-assisted mechanism helps counter balance weight of keyboard and tray.
- Low profile design for maximum leg room.
- Includes 21.75" under worksurface glide track as standard. Optional 12" and 18" glide tracks are available at no upcharge. Contact Evolve Customer Support for details.
- Keyboard support mechanisms and trays available in Black only.

MONITOR ARM SPECIFICATIONS (APPLIES TO ALL EVOLVE MONITOR ARMS LISTED BELOW):

- VESA mounting plate contains 75mm & 100mm mounting configuration.
- VESA plate head is fully adjustable with 180° of tilt, 180° of swivel and 360° of rotation for portrait to landscape viewing.
- Keyhole slots in VESA plate for quick mounting of display screen.
- Counterbalance spring mechanism does not contain gas cylinders (that are prone to leakage).
- Cable management provided on arm swivel joints.
- Arm components manufactured from 100% recyclable aluminum dye cast material, providing stability and durability.
- 13" arm height adjustment on 11" stainless steel pole.
- Pole support ring doubles as cable manager.
- 360° of arm swivel around pole.
- Desk clamp and grommet mounting options standard on pole applications.

EVLCD03 - MONITOR ARM - SINGLE SCREEN/SINGLE EXTENSION

- Display viewing - 180° of tilt, 180° of swivel and 360° of rotation.
- Quick-release VESA plate included.
- 9" pole adjustment.
- Available in White (WHT), Black (BLK) and Silver (SIL). Post is chromed.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	D	W
	Monitor Arm - Single Screen Single Extension	EVLCD03	577			

EVLCD04 - MONITOR ARM - SINGLE SCREEN/DUAL EXTENSION/HEIGHT ADJUSTABLE

- Frees up valuable worksurface space and supports a sit/stand working posture.
- Attaches to any standard worksurface with a flush edge, or through a grommet.
- Monitor arm adjusts from 3" to 12" above worksurface.
- Counterbalanced arm provides an additional 13" of height adjustment.
- Monitor connecting bracket swivels 360° and tilts +/- 90° (180°).
- Double extension has 19" of back and forth movement to allow for different vocal depths of viewing comfort.
- Built-in cable clips on underside of extension arms and pole base allows organized cable management.
- Quick-release VESA plate included.
- Available in White (WHT), Black (BLK) and Silver (SIL). Post is chromed.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Monitor Arm - Single Screen Dual Extension/Height Adjustable	EVLCD04	824			

EVLCD05 - MONITOR ARM - DUAL SCREEN/DUAL EXTENSION

- Frees up valuable worksurface space.
- Used for side-by-side or back-to-back applications.
- Attaches to any standard worksurface with flush edge or through a grommet.
- Monitor arm adjusts from 3" to 12" above worksurface.
- Monitor connecting extension has 19" of back and forth movement to allow for different vocal depths of viewing comfort.
- Built-in cable clips on underside of extension arms and pole base allows organized cable management.
- Quick-release VESA plate included.
- Available in White (WHT), Black (BLK) and Silver (SIL). Post is chromed.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Monitor Arm - Dual Screen	EVLCD05	1211			

EVLCD06 - MONITOR ARM - DUAL SCREEN/DUAL EXTENSION/HEIGHT ADJUSTABLE

- Frees up valuable worksurface space and supports a sit/stand working posture.
- Used for side-by-side or back-to-back applications.
- Attaches to any standard worksurface with flush edge or through a grommet.
- Monitor arm adjusts from 3" to 12" above worksurface.
- Counterbalanced arm provides an additional 13" of height adjustment.
- Monitor connecting bracket swivels 360° and tilts +/- 90° (180°).
- Double extension has 19" of back and forth movement to allow for different vocal depths of viewing comfort.
- Built in cable clips on underside of extension arms and pole base allows organized cable management.
- Quick-release VESA plate included.
- Available in White (WHT), Black (BLK) and Silver (SIL).
- Accommodates flat screen monitors up to 32" in size.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Monitor Arm - Dual Screen Dual Extension/Height Adjustable	EVLCD06	1502			

EVLCD08 - MONITOR ARM - SINGLE SCREEN/DUAL EXTENSION

- 9 1/2" reach from center of pole to front of VESA plate.
- Display viewing - 180° of tilt, 180° of swivel and 360° of rotation.
- Quick-release VESA plate included.
- 9" pole adjustment.
- Available in White (WHT), Black (BLK) and Silver (SIL). Post is chromed.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Monitor Arm - Single Screen Dual Extension	EVLCD08	687			

EVLCD09 - SINGLE SCREEN MONITOR ARM - FOR 5 TO 20LBS

- Adjustable counterbalance cylinder provides smooth 14 ½" of height adjustment with fingertip control - counterbalances monitors from 5 lbs. to 20 lbs.
- Double extension arms provide a maximum of 26 3/4" extension from the rear edge of the mounting surface to the VESA Plate for greater monitor adjustment on deep or corner workstations.
- Arms fold back to a minimum dimension of 4 1/2" to provide maximum desk utilization.
- Weight gauge provided to allow for quick and easy counterbalance adjustment of the arm prior to installing the screen.
- Saves time and guesswork especially for multiple arm installations.
- Die cast aluminum construction provides greater stability and contains high recycled material content with full recyclability.
- Adjustable rotation limiter to restrict arm rotation to 180°, preventing arms from hitting walls.
- Comes with all tools and mounting hardware for quick and easy installation (Tool-free).
- Available in White (WHT), Black (BLK) and Silver Metallic (SIL). Post is chromed.

EVCPU - CPU HOLDER

- CPU holder with soft touch knob.
- Vertical underside storage space.
- Maintains CPU at set height.
- Inside width adjustment 3.5" — 9.25"
- Inside vertical adjustment 12.25" — 22.25"
- Load rating: 85lbs.
- Available in black only.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	CPU Holder	EVCPU01	372	14	8.25	7.75

EVCPU02 - CPU HOLDER ON GLIDE TRACK

- Accepts tower CPUs with a width range of 3.5" to 9.3" and a height range of 12.5" to 22.5".
- Soft touch knob for side clamp adjustment and bayonet lance for vertical height adjustment.
- 12" glide track mounted and 360-degree swivel for easy access to rear of CPU.
- Manufactured from steel and engineered resin, providing rugged durability and support.
- Available in Black only.

	Touch-Up Paint Kit	EVATP01	55			

NOTES

textiles and finishes

Care and Cleaning

The following guide encompasses the Evolve System line.
The guide was compiled using information from our "raw" material suppliers and is relevant only to our standard offering finishes and textiles.

FABRICS

To extend the life of your upholstered panels, regularly dust the panel to prevent airborne particles from penetrating the fabric surface.

For light soiling, use a damp cloth and blot the spot with very slight pressure, taking care never to soak the fabric. Dry with a clean cloth by blotting - never rub fabric. More intense stains can be treated the same way, but with a mild detergent. Always test fabric first in an unseen area before using any cleaning method.

PANEL FRAMES

The panel frames are manufactured out of sturdy aluminum with a powder coated enamel paint finish. To clean the frames of the panels, and all hardware associated with the Evolve line, simply utilize a clean, damp cloth. For stubborn stains on the panel frames, you may consider adding a mild detergent.

GLAZED PANELS

Cleaning of the glazing in panels should only be done with a damp lint-free cloth. A mild detergent can be used if necessary. Do not use paper towels in combination with a window cleaner-this may cause scratches to the glazing.

WORKSURFACES

The worksurfaces are manufactured using primarily Nevamar Brand laminates as the exposed surface. To properly clean these areas, it is best to use a clean, damp cloth and circular motion to prevent streaks. For stubborn stains, you are able to add a mild detergent to the water. Be certain not to use an ammonia-based solution. It will react with the PVC, or wood edge trim, causing permanent damage to the contacted areas.

ACCESSORIES

The accessories sold with the Evolve product line can be simply cleaned with a clean, damp cloth. If they are really dirty, a mild, non-abrasive solution may be added. Wipe with a damp cloth after the solution, and finally, a dry clot

*Premium paint selections are available on the following components: Panels (top trim and frame), Hardware, End-of run/Post Kits, and Accessories at a 22% upcharge. Storage with no upcharge.

*Please note all Double Wall Storage units must be ordered in a minimum quantity of 50 when ordering in a premium paint finish. Different model types can be combined to achieve the minimum quantity required. See pages 192-193 for affected models.

All special and premium paint match orders of 50 panels or less will incur a $500 net setup fee. Panels, hardware, accessories and storage may be combined on orders to achieve minimum of 50 pieces or more and will not be subject to $500 net set up fee. Add on orders will not have that charge for 90 days after the original order has shipped and must have the original PO# quoted otherwise they will not qualify for the program.

Global matte paint finishes are available on most Evolve Storage pieces without an up charge regardless of quantities.

All Mica and Metallic paint finishes will incur a minimum up charge of 10%.

All non-standard paint finishes must be approved by Evolve prior to placing an order.

ADA Overheads are not available in Evolve premium color paints. ADA Overheads are available in Evolve standard paint colors only.

Frames for all Open Panel models, all panel retainers, PVC components for panels and connectors are unavailable in premium or special/custom paint colors. They are available in standard Evolve paint colors only.

Fax completed form to: 856.596.5684

MAIL FORM AND TEXTILE SAMPLE ONLY TO:

GLOBAL - COM Department
17 West Stow Road
Marlton, NJ 08053 | 856.596.3390

Please contact your local EVOLVE CustomeCare representative for status of all COM requests. When textile is approved and an authorization number issued, a set of shipping instructions will be faxed or e-mailed to you.

Approved textiles are to be shipped to the address that will be included with instructions. Do not ship textiles to the address on this form. Dealer is responsible for the shipping expenses. Brokerage fees will be paid for by Global. However, duties imposed by North American Governments related to textile materials, content and Country of Origin, additional fees may apply and will be billed separately.

Please Note: C.O.M Textiles may not be shipped without shipping documents. GLOBAL is not responsible for any material shipped without the authorization number.

Please be advised that Global has phased out the use of textiles that contain certain Phthalates, including but not limited to: DEHP (di (2-ethylhexyl) phthalate), DBP (di-n-butyl phthalate), BBP (butyl benzyl phthalate) and DINP (di-isononyl phthalate) (collectively the "Listed Chemiclas"). The Listed Chemicals are used in certain types of vinyls. Global cannot accept orders for textiles that contain the Listed Chemicals, if such orders are to be shipped to the U.S.A. or are intended for customer in the U.S.A. If you are not sure if the C.O.M you have selected contains the Listed Chemicals, please contact the manufacturer or supplier of the fabric to verify.

TERMS & CONDITIONS

APPLICATION OF STANDARD TERMS

Sales of Evolve products are made only on Evolve standard terms and conditions of sale which are contained in the Price Book and in Evolve's order acknowledgments. These standard terms and conditions may be modified or supplemented only by a separately written document signed by Evolve's authorized personnel at its head office in Marlton, New Jersey. An offer by Purchaser of said terms and conditions shall not be binding until accepted by Evolve in writing.

All illustrations, specifications and prices in this Price List are based on the latest product information available at the time of publication. Evolve reserves the right to make changes, at any time and without prior notice, to prices, colors, materials, specifications and models offered.

PRICES AND PAYMENT

The prices shown in this Price List, as well as those quoted by Evolve, shall be in US dollars for orders shipped to destinations within the continental United States.

Prices listed herein are for standard product. Quotations for special product are available through Evolve Customer Support Department in Marlton, New Jersey.

If shipping date requested is more than 90 days from date of order Evolve shall use published list prices effective at the time of shipment.

Not included in the list price are special or export packing, unpacking and installation. Orders are invoiced at the time of shipment. The Customer agrees to pay a charge of 2% per month of invoices outstanding more than 30 days.

FOR PAYMENTS ONLY, MAIL TO:

Evolve Furniture Group, a division of:
Global Industries, Inc.
17 West Stow Road
P.O. Box 562
Marlton, New Jersey 08053

Any products sold shall remain the property of Evolve until fully paid for in cash. The Purchaser agrees to perform all acts which may be necessary to perfect and assure retention of title to such products to Evolve until such time as the goods have been paid for in full.

Free freight applies to orders dock delivered to one commercial business location in the contiguous United States during normal business hours. Residential deliveries will incur additional delivery charges.

Please note exception below:
All showroom and mock-up orders will be subject to actual freight charges.

Evolve shall, in its sole discretion, determine the most appropriate method of shipment routing and carrier. Shipments of less than a full trailer load (LTL) shall ship via common carrier. **These LTL shipments are not subject to specific delivery days or times.** Full trailer loads will provide for dedicated delivery time and schedule. Purchaser may request special packaging or method of shipment at Purchaser's sole expense.

TAXES

All sales, use, excise and other applicable taxes and the collection and reporting thereof (excluding only taxes on the net income of Evolve) are the Purchaser's responsibility and will be invoiced to the Purchaser. If Purchaser claims an exemption from such taxes, it shall be the Purchaser's responsibility to furnish an appropriate exemption certificate to Evolve.

ORDER INFORMATION

Evolve requires that **all orders be submitted in writing** to avoid errors and/or duplication. Orders will be acknowledged with Evolve's acknowledgement forms governing the transaction. The details appearing on the acknowledgement will describe the items to be shipped to Purchaser who must ascertain that they are correct. If not correct, Purchaser should notify Evolve immediately by telephone or fax followed by written confirmation. Acknowledgment shows approximate shipping date of items ordered. **Shipping dates are assigned to orders based on the item having the longest manufacturing lead time.** Orders with Customer's Own Material (C.O.M.), or missing or incorrect information (finish selections, fabric selections, etc.) will be scheduled for manufacturing upon receipt of COM or correct complete information. Purchaser must indicate if multiple shipping schedules are required including noting if the shipping date requested is longer than standard posted lead time. Each shipment will be invoiced at time of shipping and will be subject to payment terms described herein.

C.O.M. CUSTOMER'S OWN MATERIAL

Should Purchaser request a fabric, not standard to the Evolve upholstery line, Purchaser shall submit a sample of not less than two yards for approval. Evolve will determine whether fabric is suitable to manufacturing process and applicable UL or code requirements. Should Evolve be required to test such fabric, it shall so advise Purchaser, and Purchaser shall be responsible for all costs associated therewith. This includes all duty and brokerage fees.

Fabric yardage requirement will be determined by Evolve. An additional charge may be made to cover the cost of cutting, matching or sewing unusual or directional patterns. Evolve shall have no responsibility for condition, quality, performance, physical properties or any other aspect of C.O.M. For panels, price as if grade 1 fabric is used.

Evolve reserves the right to reject any C.O.M. deemed unsuitable.

Evolve reserves the right to cancel an order at any time if C.O.M. is, in the sole judgement of Evolve, inadequate for any reason.

CHANGES AND CANCELLATION

The order may not be changed or cancelled by Purchaser without the written consent of Evolve. This charge can be as much as 100% based upon proximity to scheduled shipment date. Special order items and fabric-covered items already in production are not subject to change or cancellation under any circumstances. Fabric-covered items are considered to be in production once the fabric has been cut.

DEPOSIT ON SPECIAL ORDERS

Orders for nonstandard products may, at Evolve's discretion, require deposit prior to scheduling of production, the amount of the deposit being credited against the total price of the project.

SUSPENSION

In the event that the Purchaser defaults in the payment of any sum due Evolve, or in the event the Purchaser's financial condition becomes unsatisfactory to Evolve, Evolve shall have the right at its option, upon written notice to the Purchaser, to cancel shipment of any goods, unless within ten (10) days of Purchaser's receipt of such notice Purchaser provides assurance of payment to Evolve in such form, content and/or amounts as Evolve, in its sole discretion, deems adequate.

COMBINED SHIPMENTS

Evolve will make every effort to combine shipments and orders on written request. However, acceptance of such request shall be with Evolve's sole discretion.

CODE RESTRICTIONS

Evolve portable furniture may be subject to local fire, electrical and/or building codes applicable to portable furniture. It shall be Purchaser's sole responsibility for the proper application of Evolve items within the limitations of such local codes, which may be different from area to area.

SERVICE

Service problems shall be handled by the authorized Evolve dealer. Where this cannot be accomplished on a local level, service problems should be referred to:
Evolve Furniture Group
Customer Support
17 West Stow Road
Marlton, New Jersey USA 08053
856-552-4000 888-827-2500
Attention: Evolve Operations Manager

STORAGE

In the event Purchaser requests postponement of delivery beyond the acknowledged shipping date, Evolve may transfer the goods to storage on Purchaser's account and at Purchaser's risk and expense subject to a daily storage rate. Such transfer to storage shall be deemed shipment to Purchaser for all purposes, including invoicing and payment.

DELAYS

Evolve's order acknowledgement will state a shipping date which is Evolve's best estimate at the time the order is acknowledged. However, Evolve shall not incur any obligation or liability to Purchaser for failure to ship by a specified date. In addition, Evolve shall not be liable for any loss or damage resulting from any delay or failure in shipment or other failure to perform all or any part of the agreement between the parties with respect to the goods shown on the face of the order acknowledgement where such delay, failure, loss or damage is the proximate result of any act of any governmental authority or political subdivision thereof, revolution, riot, civil disorder or disturbance, act of enemies, delay or default in transportation, strike disputes among or between unions or other labor disputes, delay or inability in obtaining materials and facilities, fire, flood, act of God or any cause not within the reasonable control of Evolve, whether of the class of causes enumerated or otherwise. Without limiting the generality of the foregoing, Evolve may, without causing any breach or incurring liability, allocate goods which are in short supply, regardless of the reasons therefore, among purchasers, in any manner which Evolve, in its sole discretion, deems advisable.

BACK CHARGES

Evolve will not accept charges for expense incurred by the Purchaser in expediting shipments or otherwise. Evolve will not accept charges for the repair of damage by others.

CLAIMS

All goods are sold F.O.B. Toronto, Canada, unless otherwise agreed to in writing by Evolve. Evolve is not responsible for damage which occurs in transit or in storage. The carrier signs for all goods received in good order. It is the Purchaser's responsibility to examine goods upon receipt and to file any claims with the carrier. Any claims made against Evolve for apparent defects, errors or shortages must be made by the Purchaser in writing, within fifteen (15) working days after any delivery. Failure by the Purchaser to make any claim against Evolve within the above-described fifteen days shall constitute acceptance of the goods and a waiver of any apparent defects, errors or shortages.

RETURNS

No returns of goods will be accepted without written consent and shipping instructions, including Evolve's Return Goods Authorization (R.G.A.) numbers, to Evolve. A minimum restocking charge of 35% is made on all authorized returns for credit or refund, provided goods are received by Evolve in the condition in which they left the factory. No credit will be given if goods cannot be reused. Special order items and fabric-covered items are in no event subject to return. All returns must be approved and authorized in writing by Evolve Customer Support, Marlton, New Jersey.

LIFETIME WARRANTY

Evolve warrants that all commercial products are free from defects in material and workmanship, for the life of the product, to the original purchaser. This warranty is made by Evolve only to original customers acquiring the product directly from Evolve's authorized dealers. The customer's sole remedy pursuant to this warranty is limited to repair or replacement of parts or product at Evolve's option. Consent from Evolve must be obtained before any warranty work is performed. This warranty shall not apply to any products which must be replaced because of normal wear and tear, negligence, abuse or "accident", shipping damage, or product use and installation other than in accordance with written instructions or warnings. It shall also not apply when product has been modified or altered, repaired or refurbished by someone other than Evolve or an authorized dealer or because of natural variations over which Evolve has no control. In the event of repair and/or replacement of any defective product, Evolve does not warrant matching color, grain, texture or dye lots. Evolve's warranty does not cover the cost of transportation or labor. Repair or replacement will be at Evolve's option. Evolve makes no warranty that any of its products are suitable for any particular purpose and makes no other warranties, expressed or implied, other than those set forth in this Price List. As codes and standards vary from one jurisdiction to another, references to compliance are soley for convenience and without any representation as to accuracy or suitability. Users must verify the suitability of such information or product for their specific application. In no event shall Evolve be liable in either tort or contract for any loss or direct, special, incidental, consequential, or exemplary damages.

This Lifetime Warranty is NOT applicable to customers who use Evolve products for rental purposes and is effective only for products, parts or components manufactured after January 1, 2011.

Exceptions to this warranty include:

- Global fabrics and wood veneers, which are warranted for five years from date of delivery.
- Electrical components, which are warranted for ten years from the date of delivery.
- Moving parts such as glides, slides, casters, user-adjustable worksurface mechanisms, which are warranted for five years from date of delivery.
- Fading on fabric and wood veneers can be caused by exposure to U.V. rays/sunlight. Natural wood veneer, being a natural material, will have shade differences between veneer sheers, the difference will be more apparent between dye lots.

Evolve does not warrant color fastness on Customer's Own Material.

Because of natural variations over which Evolve has no control, this warranty does not extend to color, grain or texture of wood, and Evolve does not warrant matching of color, grain or texture.

Evolve makes no warranties, including implied warranties of merchantability and fitness for a particular purpose, other than the express warranties contained herein.

LIMITATION OF REMEDY

Purchaser's sole and exclusive remedy (excluding the repair or replacement of goods for breach of the express warranty above) for any matter or claim arising under or relating to these terms and conditions, the goods covered hereby and any transaction involving or relating to such goods, whether in contract, tort (including negligence) or otherwise, shall be payment of the lesser of the cost to repair or replace said product or the purchase price for the goods to which the claim relates. In no event shall Evolve be liable for any special, indirect, consequential, or incidental damages, including without limitation, damages for loss of business profits, business interruptions, or loss of information.

EVOLVE'S WARRANTY DOES NOT APPLY (FOR ANY PRODUCT CATEGORY) TO THE FOLLOWING:

- Failures due to wear and tear
- Failures which result from negligence, abuse, accident or misuse
- Failure to apply, install or maintain products according to Evolve's written instructions and warnings
- Modifications, attachments or repair methods not approved by Evolve
- Damage caused by a carrier in transit, or delivery/installation contractors
- The matching of colors, grains or textures (wood, leather, etc.) of natural materials and color matching of textiles
- Products exposed to extreme hot or cold temperatures or excessively dry or humid environments
- Colorfastness or the matching of color of textiles
- Damage by markings or staining; damage by sharp objects or imprinting from instruments
- Damage to textiles or laminate and wood surfaces/edges from exposure to sunlight (including UV rays)
- Products used for rental purposes

Evolve's warranty applies to products sold within the United States of America, Mexico, the Commonwealth of Puerto Rico and Canada.

PROTECTING THE ENVIRONMENT FOR FUTURE GENERATIONS

Our environmental success story began with the challenge to create an office system that would meet today's business requirements while maintaining a firm commitment to save and protect the environment.

Sustainability became a part of the creative focus and development of Compile that incorporates the latest technology and design features to provide excellent performance at a competitive price.

As government and industry environment ratings such as LEEDS & Greenguard become more prevalent, Compile offers designers and architects functional, attractive, and economical office designs that meet these standards.

Evolve Furniture Group is a leader in reducing waste in the manufacturing of its products as well as utilizing recycled materials wherever possible. We make extensive use of recycled plastic and wood waste from other Global factories.

Evolve Furniture Group is committed to the continuous improvement of our environmental systems, the prevention of pollution, and to comply with both the spirit and the letter of all relevant environmental legislation.

Compile Panels are 100% recyclable at the end of their lifespan. Nothing from an Evolve Panel needs to end up in a landfill.

SUSTAINABILITY INFORMATION

Compile offers fabrics that are made from 100% recycled polyester, which means less waste going to landfills. These fabrics also reduced the demand for petroleum products, and decrease the environmental impacts of processing those petroleum products into polyester.

Compile's epoxy powder coating process involves no liquids and is solvent free. It contains no harmful VOC's or lead. Up to 99% of over sprayed powdered is reclaimed, mixed with virgin powder and reused.

Compiles's entire panel is up to 82% recycled.

Compile masonite is up to 85% recycled.

Compile's entire product line is up to 99% recyclable.

PANELS

- Panel Fabric modules consist of Module Frames, Module Interiors and Fabric Skins.

Fabric

- Fabric offerings include selections woven with 100% recycled yarn.

Panel Frame

- Typical workstation contains up to 62.2% recycled material.
- Panel is made of 82.3% recycled material.
- Acoustic panels are light tackable with 0.70 NRC and a 26 STC rating.
- Non Acoustic panels are not tackable with 0.17 NRC and a 28 STC rating.
- Raceway covers are aluminum.
- Plastic top cap vs Aluminum top cap.

Metal Components/Raceway Finish

- All aluminum components are painted with environmentally friendly epoxy powder.
- Raceway interiors are coated with recycled epoxy powder.
- The entire Compile Panel and the processes used to manufacture it are designed to save and protect the environment. Compile Panels are made from recycled materials and are 99% recyclable.

Panel Options

- Compile Panels come in 5 heights: 30", 42", 48" 54" and 66".
- Panel widths come in 7 sizes including: 24", 30", 36", 42", 48", 54" and 60".
- Panels conform to CGSB and ANSI/BIFMA standards. - This is your assurance that the quality, and performance level of these Panels have been tested to equal or exceed the requirements of the US government.
- Rigid, aluminum Panel Frame is 2 3/8" thick.
- Aluminum Panel Frame combined with easy to assemble "Quick Connect" clips, create a rigid Panel Wall.
- Levelling glides extend 2". Enables the client to deal with severe undulations in the flooring levels of a building.
- Compile makes it easy to select a Panel function that is suitable for your application.
- Compile makes it easy to select a Panel type and height that is suitable for your application.

VOICE/DATA AND ELECTRICAL POWER

- Voice/data cables can be inserted at the base. 8 wire, 4 circuit electrical capability, 2 utility + 2 dedicated circuits, each with 10 gauge (oversized) neutrals. All circuits can support up to 20 amps (15 CSA).
- Raceway Cover opening sizes conform to the ANSI/TIA/EIA Furniture Opening Standard of 1.345"x 2.680".
- Panels 24" wide include raceway covers with 2 knockouts.
- Panels 30" – 60" wide include raceway covers with 3 knockouts.
- Panels and electrical components are CSA/UL approved.
- Compile panel raceway is roughly 2.13" x 4.6" without power distribution housing installed. With power distribution housing installed inside, the dimension is reduced to roughly 2.13" x 2.13
- The base raceway cavity accommodates 50 .25" diameter communication cables without power installed or 30 .25" diameter communication cables with power installed.
- 90-degree posts accommodate 25 .25"diameter communication cables without a ceiling infeed or 20 .25" diameter communication cables with a ceiling infeed installed.
- 120-degree posts may not be utilized for power infeeds or communication cables. 90-degree posts may be utilized at the end of a 120-degree configuration if ceiling infeed of power and/or data cables is required.
- No tools are required to install electrical in the Compile Panel System.

WORKSURFACES

- 1" thick worksurfaces come in a variety of shapes and sizes. Essentially, they are 24" or 30" deep and are available in 6" increments from 24" to 84" wide.
- Cable scoops located at the back of each Worksurface provide routing of power and data cables.
- This convenient feature, together with a 3/8" gap between the Worksurface and the Panel, allows access to cables without having grommet holes in the Worksurface.
- With this choice of product, we can tailor each installation to your requirements. The addition of custom sizes shows a commitment to client satisfaction that not every manufacturer offers.
- Thermally fused laminate tops are standard.
- All Worksurfaces utilize balanced construction.
- Predrilled holes in worksurfaces enable installer to properly align worksurface.

STORAGE

- 19", 23" and 29" deep Pedestals. Freestanding and Worksurface supporting options available.
- Drawer divider and pencil tray included in all Freestanding Pedestals containing box drawers. Drawer divider and pencil tray not included in Worksurface Supporting Pedestals.
- Adjustable glides are accessible from the inside of the cabinet.
- Positive and secure locking system on all Pedestals is standard.
- Full height drawer sides are standard on all file drawers. This enables you to hang files from the drawer side so no extra hardware is necessary. File drawers accept letter sized files. Optional file bars are available to file legal and metric sized files.
- Steel construction guarantees the performance of the product over the long term. Welded joints with a full top, back and base ensure that the Pedestal will sit square and adequately support the Worksurface where necessary.
- Worksurface supporting Pedestals are standard with Compile.
- Shelves feature all metal construction.
- All storage components as well as the Panel Frames are epoxy powder coated.
- Glides enable you to level the cabinet to the floor and or Worksurface. The convenient adjustment feature allows the installer to adjust the height of the cabinet while it is under the Worksurface. This saves time in the installation process.
- For additional security and peace of mind, locks can be keyed alike or master keyed for additional convenience. Standard recessed handle offers uncluttered aesthetic.
- "Environmentally friendly" epoxy powder coat is 15 times more durable in independent testing than a wet paint spray. This helps maintain the look of the product over its many years of service.

WARRANTIES AND PERFORMANCE

- A Lifetime Warranty
- Non Obsolescence Warranty
- Reduced cost of assembly and reconfiguration
- ISO9001:2008 Registered
- ISO14001:2004 Registered
- GreenGuard Certified
- Level 3 Certified
- ANSI/BIFMA CGSB testing on all products
- For piece of mind over the long term, we cover you with a comprehensive warranty that is supported by our dealer network.
- Some installation companies claim that the Compile Panels System can be installed in half the time it takes to install most of our competitor's segmented panels. This cost saving can amount to thousands of dollars over the lifetime of our furniture.
- Your assurance of consistent quality to an international standard. Evolve Furniture Group is committed to design, manufacture and distribute superior quality office furniture, which meets or exceeds the requirements of our customers.
- Confirmation that Evolve Furniture Group is committed (1) to providing product that, through their entire life cycle, minimize negative environmental impacts on the environment, (2) to continuous improvement to our environmental systems and programs and (3) to comply to all relevant environmental legislation and regulations.
- Compile Panel System can help a company meet LEED requirements for office furniture.
- Compile components are tested to the highest standard in the industry. This is your assurance of quality and longevity.
- Panel textiles, adjustable keyboard mechanisms, task lights and electrical devices = five (5) Years
- Other parts = Lifetime Warranty

Compile products have been coded using alphas that correspond with the product name. This creates an easy-to-remember code. The following breaks down the coding logic and highlights the required code components needed to order within each product category.

Panels

Example: **Product**: Compile Fabric Monolithic Panel

Specify: (1) **C M F M**

- C — **C**o**M**pile product line
- M — **F**abric-covered Panel
- F — **M**onolithic panel category
- M

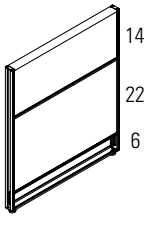
(2) CMFM**6648** — Panel size offering. Listed on every product page with price listing.
Note: Additional dimensions are provided for most products on the far right hand side of each page. These dimensions are not required in the ordering code.

(3) CMFM6648–**BK** — Standard paint code for frame. See the Fabric & Finish listing in this section.

To specify fabric for a Compile Panel, please note:

(4) CMFM6648–BK–**B84A** — Fabric code for all modules on both sides of the Panel*. See the Fabric & Finish listing in this section.

* **NOTE**: If different fabrics are to be included on a Compile Panel, please use the following ordering format. **Start at the bottom** of one side of a Panel and work to the top module of that Panel. Then start the process over on the other side of the Panel. As an example:



= 42

Position 2

Position 1

I1	B86A	I = Inside
I2	B84A	O = Outside
O1	B86A	
O2	B84A	

Electrical

Example: **Product:** Flexible Mesh Jumper Cable

Specify:

1 **C E 8 C P 1 7**

C — **C**ompile product line.

E — **E**lectrical category.

C — **C**able Panel.

P — **P**ass-Through.

2 CE8CP**17** — Product size offering – length. Listed on every product page with price listing. Note: Additional dimensions are provided for most products on the far right hand side of each page. These dimensions are not required in the ordering code.

Worksurfaces

Example: **Product:** Curvilinear Worksurface – Left

Specify:

1 **C W V L**

C — **C**ompile product line.

W — **W**orksurface category.

V — Cur**V**ilinear shape.

L — **L**eft hand configuration.

2 CWVL**3042** — Worksurface size offering. Listed on every product page with price listing. Note: Additional dimensions are provided for most products on the far right hand side of each page. These dimensions are not required in the ordering code.

3 CWVL3042–**T431** — Laminate code for surface. See the Fabric & Finish listing in this section.

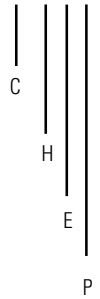
4 CWVL3042–T890–**CR** — PVC code for trim. See the Fabric & Finish listing in this section.

Worksurfaces – Hardware

Example: **Product:** End Panel

Specify:

1. **C H E P**



Base Code found on the product page to the left of the product name and a simple product illustration.

Compile product line.

Hardware category.

End Panel.

End **P**anel.

2. CHEP–**T431**

Laminte code for End Panel. See the Fabric & Finish listing in this section.

Storage

Example: **Product:** Box, Box, File Pedestal

Specify:

1. **C S 1 9 2 3 B B F**

Base Code found on the product page to the left of the product name and a simple product illustration.

Compile product line.

Storage category.

2. CS**19**23BBF

19 Product Series.

3. CS19**23**BBF

23" Pedestal depth in inches.

4. CS1923**BBF**

Box drawer, **B**ox drawer, **F**ile drawer.

panels

THE INFORMATION LISTED BELOW PROVIDES YOU WITH BASIC FEATURES OF COMPILE PANELS:

- Compile Panels are:
  - Available in four (5) heights: 30", 42", 48", 54" and 66"; and seven (7) widths: 24", 30" 36", 42", 48", 54" and 60".
  - 2 3/8" thick.
  - Monolithic, Segmented, Acoustic, and Glazed.
- Acoustic panels are lightly tackable with 0.70 NRC rating and a 26 STC rating.
- Compile Non - Acoustic panels are not tackable.
- Raceway openings are 1.375" x 2.680".
- Panels 24" wide include raceway covers with 2 knockouts.
- Panels 30" – 60" wide include raceway covers with 3 knockouts.
- Opposite sides of each Module may have a different fabric within the same grade at no upcharge.
- If different grades of fabric are used on one panel, the entire panel must be priced at the highest grade.
- Standard with aluminum frame.
- Individual fabric covered acoustic modules incorporated into an aluminum frame.
- Reinforced aluminum raceway covers are included when ordering panel packages or may be ordered and shipped separately. Raceway covers can be replaced in the field to change a panel from non-powered to powered (or vice versa).
- Base raceway lifts up and locks in an upright 90-degree position, or can be removed for open access to base raceway.
- Electric knockouts in the raceway have black plastic covers that snap into place from the outside of the cover, when a duplex is not required. Electric knockout covers must be specified separately. Available in standard paint finishes.
- 3 panel connector brackets per side for 30"h, 42"h and 54"h come installed on panels and universal posts.
- 4 panel connector brackets per side for 66"h panels come installed on panels and universal posts.
- Panel connector brackets are opposite direction of each other per panel side, and can be removed with one screw per bracket.

Package Components

Package 1 CMFM6636N0

A. (1) 66"h x 36"w Monolithic Fabric Panel

B. (2) 36"w Raceway Covers Without Knockouts

Package 2 CMFF6636P2

C. (1) 66"h x 36"w Single Segmented Fabric Panel

D. (2) 36"w Raceway Covers With Knockouts

E. (1) 36"w Power Distribution Housing

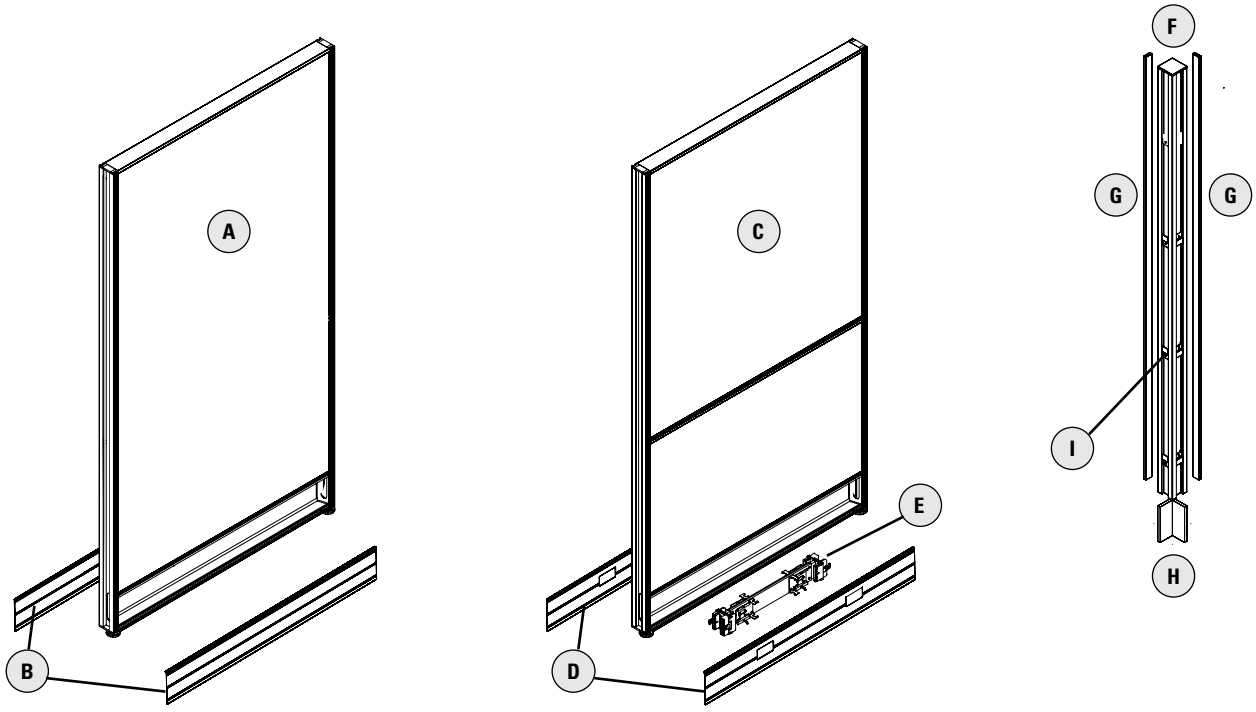
Package 3 CHP66-2

F. (1) 66"h Universal Corner Post

G. (2) Trim Inserts for 66" Universal Corner Post

H. (1) Post Base Cover for 2-Way Application

I. "Quick Connect" comes standard with Panels and Universal Corner Post



CMFMXXYYN_ - NON-POWERED COMPILE FABRIC MONOLITHIC PANEL PACKAGE

- Non powered.
- Includes one panel and two raceway covers with no punchouts.
- Individual fabric-covered modules incorporated into an aluminum frame.
- Opposite sides of each module may have a different fabric within the same grade at no upcharge.
- If different grades of fabric are used on one panel, the entire panel must be priced at highest grade.
- Panels are not tackable or acoustical.
- Note: Trim is not required at a straight connection between two panels of the same height.
- 3 Panel connector brackets per side come standard with 30"h, 42"h, 48"h and 54"h panels.
- 4 Panel connector brackets per side come standard with 66"h panels.
- Panels contain leveling glides. Maximum extension of glides is 2".

Raceway Cover Options (1) Shown

- **RACEWAY COVER OPTIONS (Suffix)**

(**0**) No Knockouts Side 1 and Side 2

(**1**) Knockouts Side 1 – No Knockout Side 2

(**2**) Knockouts Side 1 and Side 2

CMFFXXYYP_ - POWERED COMPILE SINGLE SEGMENTED FABRIC PANEL PACKAGE

- With power distribution harness.
- Includes one panel, power harness, one raceway cover with punchout and one raceway cover with no punchout.
- Individual fabric-covered modules incorporated into an aluminum frame.
- Opposite sides of each module may have a different fabric within the same grade at no upcharge.
- If different grades of fabric are used on one panel, the entire panel must be priced at highest grade.
- Panels are not tackable or acoustical.
- Note: Trim is not required at a straight connection between two panels of the same height.
- 3 Panel connector brackets per side come standard with 42"h, 48"h and 54"h panels.
- 4 Panel connector brackets per side come standard with 66"h panels.
- Panels contain leveling glides. Maximum extension of glides is 2".

CMLLMXXYYP_ - MONOLITHIC LAMINATE DOUBLE SIDED PANEL – POWERED

- Individual laminate modules incorporated into an aluminum frame.
- Modules have laminate on both sides.
- Opposite sides of each module may have a different laminate within the same grade at no upcharge.
- 3 panel connector brackets per side come standard with 30"h, 42"h, 48"h and 54"h panels.
- 4 panel connector brackets per side come standard with 66"h panels.
- 24" wide panels have two punchouts, one for electrical and one for data.
- 30" wide panels and wider have three punchouts, two for electrical and one for data.
- Note: Trim is not required at a straight connection between two panels of the same height.

CMFWXXYYP_ - SEGMENTED WRITE BOARD SINGLE SIDED PANEL – POWERED

- Individual fabric or write board covered modules incorporated into an aluminum frame.
- Modules have write board on one side and fabric on the other at the top and fabric on two sides at the bottom.
- Opposite sides of each module may have a different fabric within the same grade at no upcharge.
- If different grades of fabric are used on one panel, the entire panel must be priced at highest grade.
- Panels are not tackable.
- Note: Trim is not required at a straight connection between two panels of the same height.
- 3 Panel connector brackets per side come standard with 48"h. and 54"h. panels.
- 4 Panel connector brackets per side come standard with 66"h. panels.
- 24" wide panels have two punchouts, one for electrical and one for data.
- 30" wide panels and wider have three punchouts, two for electrical and one for data.

  (**1**) Knockouts Side 1 – No Knockout Side 2
  (**2**) Knockouts Side 1 and Side 2

CMPGXXYYN_ - COMPILE PARTLY GLAZED PANEL PACKAGE – NON-POWERED

- Non powered.
- Includes one panel and two raceway covers with no punchouts.
- Individual fabric-covered module in lower position incorporated into a solid steel frame.
- Opposite sides of each module may have a different fabric within the same grade at no upcharge.
- If different grades of fabric are used on one panel, the entire panel must be priced at highest grade.
- Panels are not tackable or acoustical.
- Trim is not required at a straight connection between two panels of the same height.
- 3 Panel connector brackets per side come standard with 48"h and 54"h panels.
- 4 Panel connector brackets per side come standard with 66"h panels.
- Panels contain leveling glides. Maximum extension of glides is 2".
- Standard clear (CLR) plexi.
- Optional Frosted Plexi with 10% upcharge.
- PVC glass retainer in matching paint color.
- Glazing is 14" nominal from the top of the panel.

CMETP - TRIM INSERT FOR UNIVERSAL CORNER POST

- Does not come with a post.
- Trim installs on all exposed sides of a Universal Corner Post.
- Specify to equal post height.
- Trims must be specified separately. Trim snaps in the post.
- Available in standard Compile paint options.
- 6" shorter than Universal Corner Post to accommodate Post Base Cover (must be specified separate)
- See Panel Configuration Tips for application.

DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D

CMET - TRIM INSERT FOR STEP DOWN

- Does not come with a post. Trim inserts are not included with Universal Corner Posts.
- Specify to meet the taller post.
- Trim snaps in the post or end of run at a change in height.
- Available in standard Compile paint options.
- Can not be applied to 60 degree posts.
- See Panel Configuration Tips for application.

DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
Trim Insert for Step Down	CMET06	12	6

CWMA - VERTICAL CHANNEL

- Used to attach system components to fixed wall.
- Panel frame finish.
- Comes in 60" length only.
- Care should be taken to mount adapters only to wall studs using correct fasteners.
- Does not include mounting hardware. Mounting hardware selection to be based on wall material.
- Failure to do this may result in collapse of the unit and subsequent possible personal injury.
- Compile vertical channels cannot be shared.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Vertical Channel Sold in pairs	CWMA60	42	60	0.6	0.7

CMPC - UNIVERSAL POST CAP

- Comes standard with universal post.
- Specified separately for reconfiguration purposes.
- Available in standard Compile paint options.
- Made of PVC.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Universal Post Cap	CMPC	9	2 3/8		

CMPC - POST BASE COVER

- Post Base Covers are not included with Universal Corner Posts.
- Base trim for universal post. These are connected with screws at the base and the trims at the post will slide to meet.
- Available for 2-way and 3-way configurations.
- Finish is smooth plastic.
- Available in standard Compile paint options.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Post Base Cover - 3-Way Connection	CMPC1	14	6		
	Post Base Cover - 2-Way Connection	CMPC2	15	6		

CMHLPF - FLAT LEG FOR FREESTANDING PANELS

- Not intended to add to a run of panels in conjunction with Leveling Glides.
- Kit will contains one legs and all attachment hardware.
- For the installation the customer will have to remove the existing levelers on the panel and replace it with the legs.
- Please specify paint finish.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Single Flat Leg	CMHLPF01	135	.31	21	3

CMHLPF - FLAT LEG FOR FREESTANDING PANELS

- Double kit for freestanding applications.
- Kit will contains two legs and all attachment hardware.
- For the installation the customer will have to remove the existing levelers on the panel and replace it with the legs.
- Please specify paint finish.
- Note: Leg is on available for freestanding panels 42" to 60" wide.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Double Flat Leg	CMHLPF02	267	.31	21	3

CMHLLP01 - LOW PROFILE FOOT

- Provides added support to a panel under load.
- Adjustable glides and connectors included.
- Made of powder coated steel.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Low Profile Foot	CMHLLP01	200	12	11	1.1

CMHLLP02 - LOW PROFILE FOOT

- Provides added support to a panel under load.
- Adjustable glides and connectors included.
- Made of powder coated steel.
- Set includes 2 complete legs.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Double Low Profile Foot	CMHLLP02	397	12	11	1.1

CMPS - POST SEPARATOR

- Creates a diagonal division within a compile post.
- Please specify post height.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Post Separator	CMPS01	165	96	3.25	14

NOTES

electrical

STEP-BY-STEP SPECIFICATION – 8-WIRE ELECTRICAL SYSTEM

Step 1 **Determine the location of the source power entering the Panel Run.**

1. At the base of the Panel.
   (a) Use CE8FR1 Reversible Floor Power Entry (default to CE8FR1).
   (b) Select the Panel to which the Floor Power Entry will be attached.
   (c) Select the side of the Panel and the receptacle outlet to which the Floor Power Entry is to be attached.

   Note: When using Pass Through Connectors in conditions other than a straight line, you must use a CE8CI-1 I-Connector along with a CE8CP17 Flexible Mesh Jumper Cable through the corner post.

Step 2 **Determine which Panels are to be powered.**

1. Use CE8PD Power Distribution Housing that corresponds with the width of the Panel.

Step 3 **Connect power to the powered Panels.**

1. Use CE8CP17 Flexible Mesh Jumper Cable between two adjacent powered Panels.
2. Use CE8CP17 Flexible Mesh Jumper Cable between two adjacent powered Panels separated by a post.
3. Use CE8CP17 Flexible Mesh cable (to turn the post) and a CE8CI-1 "I" Connector to attach the CE8CP Pass Through Cable.
   (a) The length of the Pass-Through Cable is calculated by adding together the widths of the non-powered Panels that separate the two powered Panels and applying an additional 16" to the total. (CE8PD Power Distribution Housing is positioned 8" in from the ends of the powered Panel.)
   (b) An additional 3" must be added to the Pass-Through Cable for each post that the cable passes through.
   (c) Subtract 17" from the total length to find the pass through cable length required.
4. From the price list, select the CE8CP Pass-Through Cable that matches the calculated length. If the length is between listed sizes, use the next size up.

Step 4 **Determine the location and circuitry of the receptacles.**

1. Each powered Panel has four (4) potential locations for CE8RD Duplex Receptacles – 2 per side. (Exception: 24" wide Panel has only two potential locations – 1 per side.)
2. At each receptacle location there is a choice of four circuit options. Select a circuit option for each location. Circuits one & two are utility circuits; circuits A & B are dedicated circuits.

COMPILE'S 8-WIRE ELECTRICAL SYSTEM

Electrical
This modification allows for the integration of the commonly required "2+2" configuration (2 utility circuits, 2 dedicated circuits) found in the source power of most of today's North American buildings.

This system is rated for connection to:

1. A grounded 120/240V, single phase, 20 A, 60Hz
2. A 120/208V, 3 phase, 20 A, 60Hz branch circuit

Data/Comm

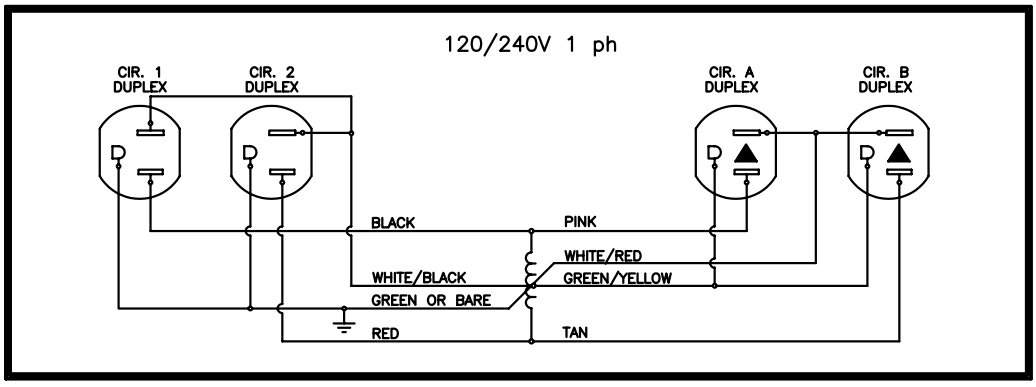
Compile's duplex receptacle openings (1.345 x 2.80) will conform to the ANSI/TIA/EIA Furniture Opening Standard of 1.38 +/- .035 x 2.71 +/- .04

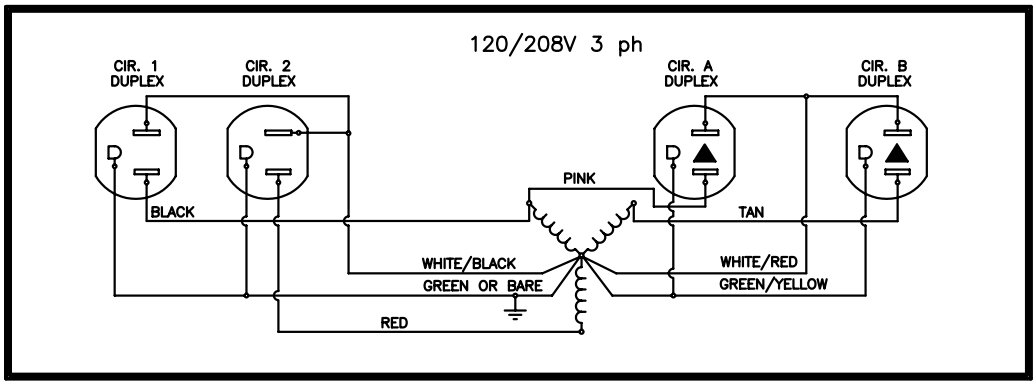
EQUIPMENT AMPERAGE

Calculator	0.25
Electric Eraser	0.50
Pencil Sharpener	1.00
Radio	0.05
Paper Shredder	4.40 - 13.00
Electric Typewriter	1.20
Personal Computer	2.00 - 4.00
Video Display Terminal	0.08
Draft / Letter Quality Printer	1.20 - 3.00
Laser Printer	5.00 - 8.00
Processor / Disk Unit	1.00 - 10.00
Desk Top Plotter	1.50
Fan	1.00
Heater	8.50 - 12.50
Coffee Pot	15.00
Task Light	1.00
Slide Projector	2.00 - 6.00

Since some equipment, such as large copiers, printers, plotters, heaters and coffee makers would occupy most of the circuit capacity, it is recommended that such devices be supplied with the power directly from the wall or building receptacle.

Wiring Schematic





Defining "2 + 2" Wiring Configurations

2 + 2 Configuration (8 wire, 4 circuit)
Two Utility Circuits [Compile's new #1 & #2 circuits] share one neutral wire and one ground wire.
(2 hot [circuit] wires + 1 neutral wire*** + 1 green ground wire* = 4 wires)

Two Dedicated Circuits [Compile's new "A" & "B" circuits] share one neutral wire and one ground wire.
(2 hot [circuit] wires + 1 neutral wire *** + 1 green/yellow ground wire** = 4 wires)

Note:
It is the ground wire that makes the difference between "Utility" and "Dedicated" circuits. Refer to Wiring Schematics found above.

* A Green ground wire is a "system" ground. This means it could be grounded to any piece of metal, including the Panel.
** A Green/Yellow ground wire is isolated, within the wiring conduit, all the way back to the box at the source (building ground).
*** All Neutral Wires are 10 gauge rather than 12 gauge meaning they are larger than normal, allowing greater protection against "noise" or interference on the circuit.

This page provides an exploded view of a sample configuration highlighting each **Electrical** component required when specifying this configuration.

Components

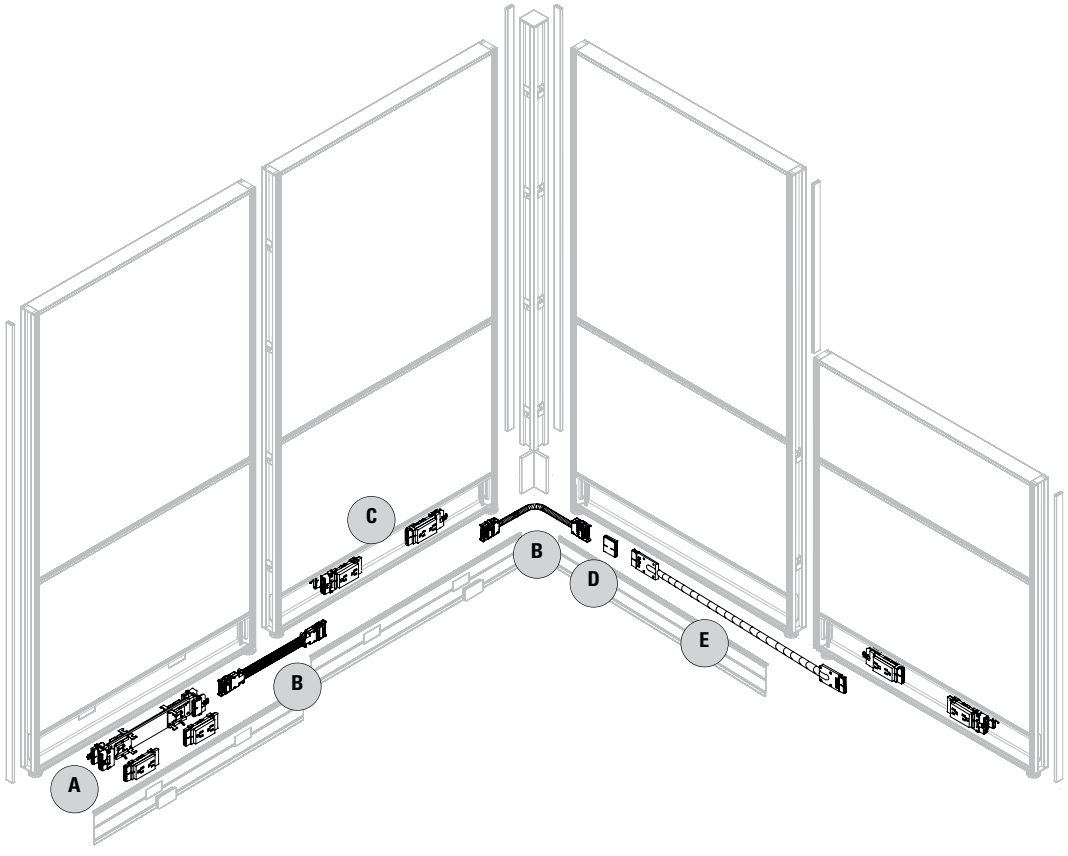
A. CE8PD36 Power Distribution Housing
Note: 8 wire, 4 circuits, 2+2 configuration

B. CE8CP17 Flexible Mesh Jumper Cable (connects two panels side by side or separated by a post)

C. CE8RD Duplex Receptacle

D. CE8CI-1 "I" Connector

E. CE8CP Pass-Through Cable
Note: Must run in a straight line application only
Note: Pass-Through Extension Cable (CE8CPF154) available – extends power capability beyond 208".



CE8PD - POWER DISTRIBUTION HOUSING

- Power housing is specified per panel size (e.g. CE8PD36 is for use in a 36" panel).
- 8 wire, 4 circuits (4th circuit dedicated).
- Power distribution housing is required for each powered panel, the power distribution housing should equal the width of the panel that it is specified in.
- Provides two duplex receptacle ports per panel side on all panel widths except the 24" wide panel.
- 24" wide panel allows for only one (1) duplex receptacle on one panel side.
- Each power distribution housing supports 15-20 amps.
- Must specify Raceway Cover with Knockouts on panels, where Power Distribution Housings will be utilized.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Power Distribution Housing	CE8PD24	165		6 1/4	
		CE8PD30	224		11 1/2	
		CE8PD36	235		17 1/2	
		CE8PD42	240		23 1/2	
		CE8PD48	258		29 1/2	
		CE8PD60	262		41 1/2	

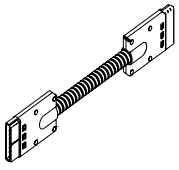
CE8CP17 - FLEXIBLE MESH JUMPER CABLE

- 17" mesh jumper.
- Jumper cable is used to pass through a post or connect two panels together.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Flexible Mesh Jumper Cable	CE8CP17	129		17	

CE8CP - PASS THROUGH CABLE

- Flexible metal conduit is used to distribute electrical power through non-powered panels.
- Metal conduit pass through cables should be in used in a straight runs. Metal conduit pass through cables cannot pass through a post.
- Flexible conduit is required to turn a post. This only comes as 17"w. If panels at the posts do not all have power distribution housings, they must be added even if duplexes are not specified.
- To calculate the length of a Pass-Through Cable, add the widths of the non-powered panels separating the powered panels (panels with distribution housing attached). To this add 16" (distance from the edge of the panel to the distribution housing x 2).
- Add additional 3" when passing through a corner post. See the Tips at the beginning of the section for more details.



DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
Pass Through Cable	CE8CP28	171		28 1/2	
	CE8CP40	179		40 1/2

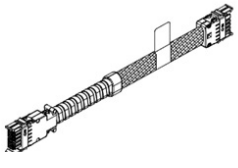
	CE8CP100	248		100 1/2	

CE8CP-H - HYBRID PASS THROUGH CABLES WITH WIRE MESH

- Flexible metal conduit with wire mesh distributes electrical power through non powered panels.
- Hybrid Pass through cables with wire mesh allows to connect at 90 degree post at one end.
- To calculate the length of a Pass-Through Cable, add the widths of the non-powered panels separating the powered panels (panels with distribution housing attached). To this, add 16" (distance from the edge of the panel to the distribution housing x 2).
- Add additional 3" when passing through a post. See tips at the beginning of the section for more details.
- Hybrid pass-through cables with wire mesh allows connection at 90 degree post at one end for panels.



DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D

CE8CI-1 - "I" CONNECTOR

- Female - Female connector connects two Pass-Through Cables.
- Connects 17" Flexible Jumper Cable or ceiling feeds to pass through cables.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	"I" Connector	CE8CI-1	95			

CE8RD - DUPLEX RECEPTACLE

- Up to 3 receptacles per circuit
- Up to 6 receptacles per circuit (24 per infeed), not to exceed total of 15 Amps per circuit.
- Duplex Receptacles standard in Black (BLK).
- CE8RD1 = Circuit #1 (utility circuit)
- CE8RD2 = Circuit #2 (utility circuit)
- CE8RDA = Circuit A (dedicated)
- CE8RDB = Circuit B (dedicated)
- CE8RD1 and CE8RD2 (#1 and #2 share common ground)
- CE8RDA and CE8RDB (A and B share common ground)

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Duplex Receptacle	CE8RD1 CE8RD2 CE8RDA CE8RDB	36 36 36 36			

CE8RDXCA - CALIFORNIA CONTROLLED DUPLEX RECEPTACLE

- California Title 24 meets federal and LEED certification guidelines
- Allows circuit to be controlled or switched off when utility is not in use.
- Duplex receptacles are rated for 15 Amps.
- CE8RD1CA = Circuit #1 (utility circuit)
- CE8RD2CA = Circuit #2 (utility circuit)
- CE8RDACA = Circuit A (dedicated)
- CE8RDBCA = Circuit B (dedicated)

NOTE:

- CE8RD1CA and CE8RD2CA (#1 and #2 share common ground)
- CE8RDACA and CE8RDBCA (A and B share common ground)
- Up to 6 receptacles per circuit (24 per infeed), not to exceed total of 15 Amps per circuit.
- Available in BLK finish only.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D

CE8FR1 - REVERSIBLE FLOOR POWER ENTRY

- Takes the place of a duplex receptacle by snapping into the base power way.
- Includes 72" long flexible metal conduit.
- Must be hard wired to source power by a licensed electrician.
- Diameter is 0.85"

CE8FR2 - REVERSIBLE FLOOR POWER ENTRY

- Takes the place of a duplex receptacle by snapping into the base power way.
- Includes 144" long flexible metal conduit.
- Must be hard wired to source power by a licensed electrician.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Reversible Floor Power Entry	CE8FR1 CE8FR2	372 479		72 144	

CE8F - FLOOR POWER ENTRY

- Snaps in end of power distribution housing.
- Includes flexible vinyl conduit.
- Must be hard wired to source power by a licensed electrician.
- Diameter is 0.85"

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	L	D
	Reversible Floor Power Entry	CE8F1P CE8F2P	382 494		72 144	

CMEB01 - ELECTRICAL BOX - CHICAGO

- Can be retrofitted in any size of panel at the receptacle location.
- Gives access from one side only at each location.
- Customer to supply conduit, wiring, receptacle, and face plate.
- 2 per panel ,except 24" panel only one
- Note: A licensed electrician must provide hardware connection with the junction box.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Electrical Box - Chicago	CMEB01	109			

CMEB02NY - ELECTRICAL BOX - NEW YORK

- Shipped assembled.
- Comes with pig tail electric.
- Use with 30" wide Panel of larger
- Post extension cable capacities: without electric, 30 with electric, 20
- Includes ceiling bezel and screws.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Electrical Box - New York	CMEB02NY	476			

CEPEXX - POST EXTENSION

- Same profile as post.
- Includes two post extension brackets, four screws and four trim inserts.
- Includes ceiling bezel and screws.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Post Extension	CEPE64	206	64		
		CEPE82	258	82		

CE8ECX - CEILING FEED

- Snaps into the end of a Power Distribution Housing.
- Flexible metal conduit extends into the ceiling through a corner post and post extension.
- Must be hard wired to source power by a licensed electrician.
- 4" junction box included.
- Post extension ordered separately

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Ceiling Feed	CE8EC1	286	132		
		CE8EC2	502	144		
		CE8EC3	568	180		

CMECC - CABLE COVER

- Attaches to panels vertically between modules to provide enclosures for power or data cords.
- Available in 21" and 36" lengths, 6 per pack.
- Available in Steel (STL), Black (BLK), Nevada (NEV) only.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Cord Cover	CMECC21	35	21	0.5	1
		CMECC36	54	36	0.5	1

CMLEDES - STARTER LED TASK LIGHT

- Undercabinet slim profile LED linear light fixture with lens and On/Off switch.
- May be used as stand-alone or extended with add-on section below (CMLEDES_DSC).
- Plug-in power supply with 72" cord length plus 78" DC cable.
- Includes magnet mounting bracket with optional adhesive metal plate.
- Light enclosure in clear anodizing finish. Color temperature cool white 4000K.
- Lifespan rated 30,000 hours.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Led Task Light	CMLEDES24	297	1	22.9	1
		CMLEDES36	341	1	33.5	1
		CMLEDES48	379	1	45.5	1

CMLEDES - ADD-ON LED TASK LIGHT

- Undercabinet slim profile LED linear add-on light fixture with lens.
- Daisy chain unit with 39" linking cable, no power supply.
- Add-on units can only be linked up to a total of 48 watts per power supply; this is equivalent to 10 feet of nominal length of light per power supply.
- Includes magnet mounting bracket with optional adhesive metal plate. Light enclosure in clear anodizing finish. Color temperature cool white 4000K. Lifespan rated 30,000 hours.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D

		CMLEDES36DSC	286	1	36	39
		CMLEDES48DSC	325	1	48	39

CMLEDESOS - OCCUPANCY SENSOR

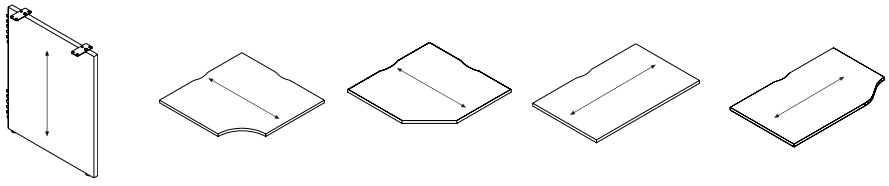
- Inline add-on controller for dimming and occupancy sensor.
- Sensor bypass switch.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Occupancy Sensor	CMLEDESOS	122	6	2.4	2

worksurfaces

The information listed below provides you with basic features of Compile Worksurfaces.

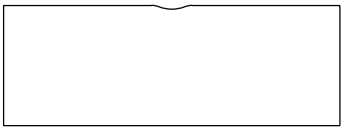
- Compile thermally fused Worksurfaces are 1" thick and are finished with 3 mm PVC edging on all sides.
- Worksurfaces are predrilled to enable proper alignment with worksurface supports.
- Standard laminate offerings are available in thermally-fused (T). See laminate listings for details.
- Wood grain laminates on corner Worksurfaces up to 42" available in laminate run diagonally for an upcharge. Otherwise, standard horizontal application of laminate will be used.
- Most wood grain laminate Worksurfaces will have matching woodgrain trim unless specified otherwise.
- Depth of the Worksurface scoops are 1 1/8" when measured from the Panel the Worksurface is attached to.
- All Worksurfaces require support items. These are priced separately within this section.
- Grain Direction for Worksurfaces are as follows:



CHEP End Panels **CWCC Worksurfaces** **CWCF Worksurfaces** **CWS Worksurfaces** **CWVL/R Worksurfaces**

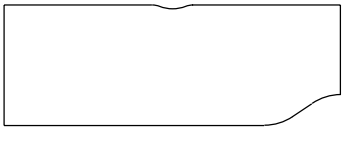
- Communication and electrical wires are routed through a cable scoop located at the back of the Worksurface. When specifying a Straight Worksurface (CWS) or a Curvilinear Worksurface (CWVL), note that the number of cable scoops depends upon the width of the Worksurface. All other Worksurface shapes have one scoop on Panel edges.

One Scoop
CWS 24" – 48"

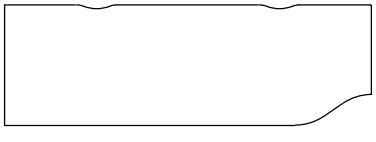


Two Scoops
CWS 54" – 84"

One Scoop
CWVL 24" – 48"



Two Scoops
CWVL 54" – 84"



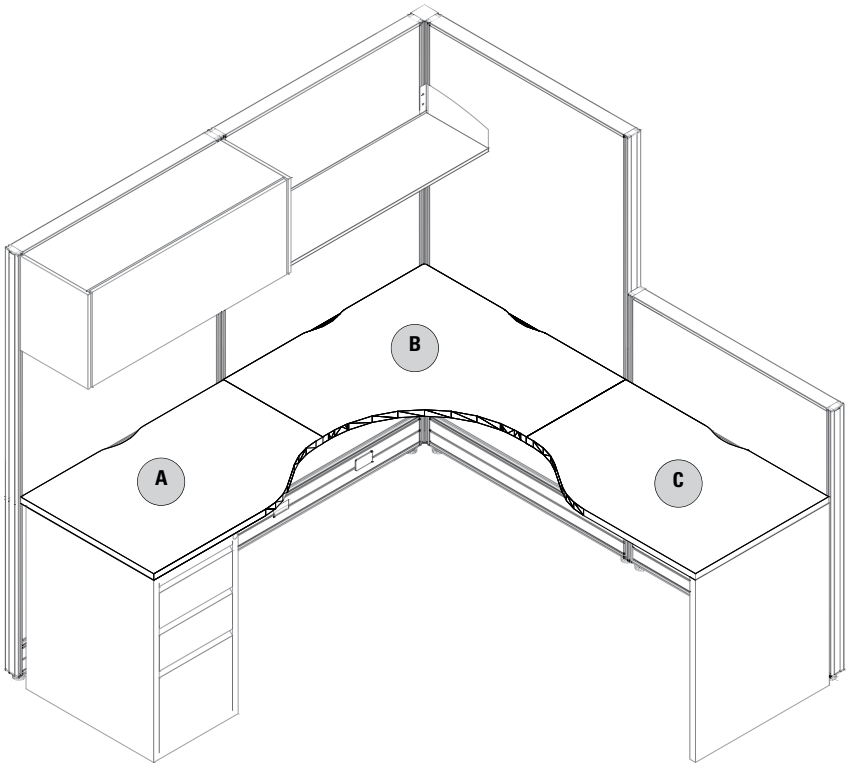
This page provides a three dimensional view of a sample configuration highlighting each **Worksurface** component required when specifying this configuration.

Components

A. CWVL2436 Curvilinear Worksurface – Left
Note: When deepest end equals 24", opposite depth is 18"
When deepest end equals 30", opposite depth is 24"

B. CWCC3618 Corner Curved Worksurface

C. CWVR2436 Curvilinear Worksurface – Right



CWS - RECTANGULAR WORKSURFACES

- All tops are thermally fused 1" thick with pilot holes to enable proper alignment with worksurface supports. Wood screws must be used.
- Compile worksurfaces feature a 3mm edge.
- Support hardware must be ordered separately. See the listings in this section.
- Width and depth dimensions listed include a nominal measurement (3/8") to account for wire management between the worksurface and adjoining panel.
- All surfaces over 48" will have two scoops, all others have one.
- Worksurfaces greater than 48" wide require additional structural support.

CHCB2 - CORNER BRACKET

- Attaches the corner of any worksurface to a panel connector.
- Priced and shipped in pairs.
- Available in standard paint colors.
- Cannot be used off modular.
- Can be used when a panel is the same depth as the worksurface in the front and back application.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES D	W
	Corner Bracket	CHCB2	24	2.5	

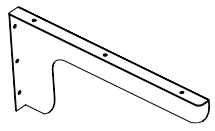
CHWB1 - MID SPAN SUPPORT BRACKET

- Does not need to be on module.
- Used when a panel exceeds the depth of the adjacent worksurface.
- Can only be used with a Segmented Panel.
- Comes in unfinished zinc.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES D	W
	Mid Span Support Bracket	CHWB1	15		

CHC15 & CHC22- CANTILEVER

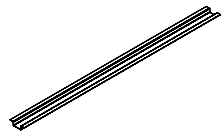
- Attaches a worksurface to a panel.
- Use one cantilever to support two convergent worksurfaces when specified with 3 Flat Brackets or two cantilevers with one flat bracket to support two convergent worksurfaces.
- Does not include Flat Brackets.
- Priced individually
- Specify handedness of each cantilever
- Available in standard paint colors.
- Right and left Cantilever needs to be specified unless flat brackets are also specified.



DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES D	W
Cantilever - 15"	CHC15L	54	15	6
	CHC15R	54	15	6
Cantilever - 22"	CHC22L	83	22	6
	CHC22R	83	22	6

CMHC - WORKSURFACE SUPPORT CHANNEL

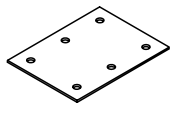
- Support channel attaches to underside of worksurface with screws
- Support channel should be 14" shorter than top length.
- Screws are included.
- Only available in Black.
- Tops with post legs should be specified with support channel for structural reinforcement.



DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES L	D
Worksurface Support Channel	CMHC40 - for 54" wide table	90	40	5
	CMHC46 - for 60" wide table	98	46	5
	CMHC52 - for 66" wide table	109	52	5
	CMHC58 - for 72" wide table	122	58	5
	CMHC64 - for 78" wide table	133	64	5
	CMHC70 - for 84" wide table	148	70	5

CHFB1 - FLAT BRACKET

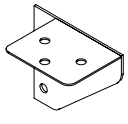
- Use in conjunction with Cantilever to make it a shared Cantilever to support convergent worksurfaces.
- Used at the front of 2 convergent worksurfaces to keep worksurfaces flush at seams.
- Available in Black only.



DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES D	W
Flat Bracket	CHFB1	23	3	4

CHTB2 - TRANSACTION TOP BRACKETS

- Securely attaches a transaction surface to the top of a panel.
- One pair must be on each side of transaction surface.
- Priced and shipped in pairs.
- Available in Anodized Aluminum only.



DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES D	W
Flat Bracket	CHTB2	24	2.5	

CHEP - END PANEL

- Supports the worksurface and enhances the stability of connected panels.
- Provides solid support at the end of a run of worksurfaces.
- Finished in thermally-fused laminate.
- Includes flat brackets and hardware.
- End panel height is inclusive of panel glides extended to their fullest height.
- If wood grains is selected, grain runs vertically.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES D	W
	End Panel - 28"High	CHEP2924	283	28	24
		CHEP2930	333	28	30

CHMSL - MID SUPPORT LEG

- Provides support for a worksurface.
- Includes leveling glide, PVC Sleeve and 4.8" x 4.8" attachment plate.
- 1.5" diameter.
- Available in standard paint colors.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H
	Mid Support Leg - Round	CHMSL1	98	28
	Mid Support Leg - Square	CHMSL2	98	28

CMHCL & CHHCL - CORNER LEG WITH LEVELER

- Provides support for a worksurface.
- Includes leveling glide, PVC Sleeve and attachment plate.
- 1.5" diameter
- Available in standard paint colors.
- Legs can be used in the corner of a single worksurface or be rotated 45 degrees to support the corners of two worksurfaces.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H
	Corner Leg Round	CMHCL1	136	28

storage

LATERAL FILE FEATURES

DRAWERS/SHELVES

- Drawer interlocking system
- Three-stage, anti-bounceback suspension
- Pre-installed, side-to-side file bars for letter, legal and A4
- Front-to-back file bars – optional
- Full-height dividers – optional
- Angled full pull

CONSTRUCTION

- Top stiffener bar
- Corner gussets
- Four (4) ganging drill points are marked to ensure correct positioning
- Cam lock included
- Leveling glides
- Counterweights are included in 2, 3 and 4 drawer cabinets. BIFMA does not require counterweight in 5 drawer cabinets.

PEDESTAL FEATURES

DRAWERS/SHELVES

- All drawer fronts feature a recessed, angled full pull.
- Drawers feature ball bearing suspension.

CONSTRUCTION

- Central Core removable cam locks.
- Pedestals are 15" wide.
- Counterweight is standard on all Freestanding models.
- Worksurfaces supporting models have holes drilled in top to attach underneath a worksurface.

STANDARD PAINT COLORS

BLACK	BLK
DESIGNER WHITE	DWT
NEVADA	NEV
STEEL	STL

TEXTURED PAINT COLORS

Only available on Compile Storage.

BLIZZARD	BZD
STONE DUST	SDT

GENERAL WARRANTY INFORMATION

- Evolve warrants all components of metal storage and filing for the lifetime of the product to the original purchaser.

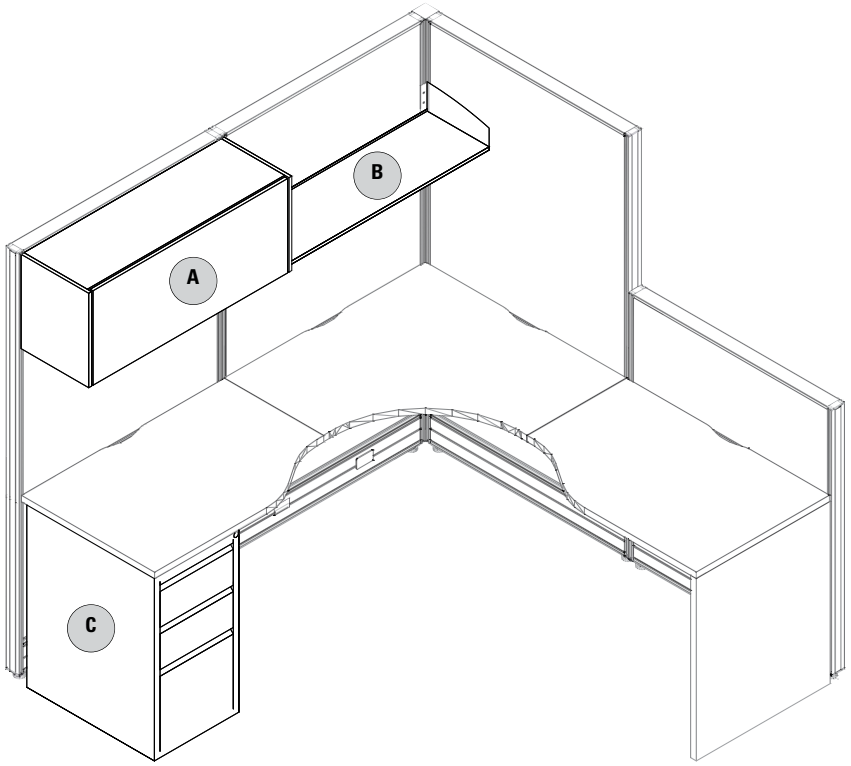
This page provides a three dimensional view of a sample configuration highlighting each storage component required when specifying this configuration.

Components

A. CSOF13XX KD Overhead

B. CSSL13XX Low-Profile Shelf

C. CM19XXBBF Worksurface Supporting Box, Box, File Pedestal



CS19XXBBF - WORKSURFACE SUPPORTING BOX/BOX/FILE 15" PEDESTAL

- Worksurface supporting, with predrilled holes in the top.
- Also available as freestanding with finished top.
- All drawer fronts feature a recessed, angled full pull.
- Pedestal height shown includes glide.
- Pencil tray and Lock included.
- File Bars are not included with Compile pedestals. To order file bars, use product code CSPEDHFB at $29.00 each list.

	Touch-Up Paint Kit	CATP91	54			

NOTES

textiles and finishes

Care and Cleaning

The following guide encompasses the Compile System line.
The guide was compiled using information from our "raw" material suppliers and is relevant only to our standard offering finishes and textiles.

FABRICS

To extend the life of your upholstered panels, regularly dust the panel to prevent airborne particles from penetrating the fabric surface.

For light soiling, use a damp cloth and blot the spot with very slight pressure, taking care never to soak the fabric. Dry with a clean cloth by blotting - never rub fabric. More intense stains can be treated the same way, but with a mild detergent. Always test fabric first in an unseen area before using any cleaning method.

PANEL FRAMES

The panel frames are manufactured out of sturdy aluminum with a powder coated enamel paint finish. To clean the frames of the panels, and all hardware associated with the Evolve line, simply utilize a clean, damp cloth. For stubborn stains on the panel frames, you may consider adding a mild detergent.

GLAZED PANELS

Cleaning of the glazing in panels should only be done with a damp lint-free cloth. A mild detergent can be used if necessary. Do not use paper towels in combination with a window cleaner-this may cause scratches to the glazing.

WORKSURFACES

The worksurfaces are manufactured using primarily Nevamar Brand laminates as the exposed surface. To properly clean these areas, it is best to use a clean, damp cloth and circular motion to prevent streaks. For stubborn stains, you are able to add a mild detergent to the water. Be certain not to use an ammonia-based solution. It will react with the PVC, or wood edge trim, causing permanent damage to the contacted areas.

ACCESSORIES

The accessories sold with the Evolve product line can be simply cleaned with a clean, damp cloth. If they are really dirty, a mild, non-abrasive solution may be added. Wipe with a damp cloth after the solution, and finally, a dry cloth.

PREVIOUSLY APPROVED TEXTILE

Fax completed form to: 856.596.5684

MAIL FORM AND TEXTILE SAMPLE ONLY TO:

GLOBAL - COM Department
17 West Stow Road
Marlton, NJ 08053 | 856.596.3390

Please contact your local EVOLVE CustomeCare representative for status of all COM requests. When textile is approved and an authorization number issued, a set of shipping instructions will be faxed or e-mailed to you.

Approved textiles are to be shipped to the address that will be included with instructions. Do not ship textiles to the address on this form. Dealer is responsible for the shipping expenses. Brokerage fees will be paid for by Global. However, duties imposed by North American Governments related to textile materials, content and Country of Origin, additional fees may apply and will be billed separately.

Please Note: C.O.M Textiles may not be shipped without shipping documents. GLOBAL is not responsible for any material shipped without the authorization number.

Please be advised that Global has phased out the use of textiles that contain certain Phthalates, including but not limited to: DEHP (di (2-ethylhexyl) phthalate), DBP (di-n-butyl phthalate), BBP (butyl benzyl phthalate) and DINP (di-isononyl phthalate) (collectively the "Listed Chemiclas"). The Listed Chemicals are used in certain types of vinyls. Global cannot accept orders for textiles that contain the Listed Chemicals, if such orders are to be shipped to the U.S.A. or are intended for customer in the U.S.A. If you are not sure if the C.O.M you have selected contains the Listed Chemicals, please contact the manufacturer or supplier of the fabric to verify.

TERMS & CONDITIONS

APPLICATION OF STANDARD TERMS

Sales of Evolve products are made only on Evolve standard terms and conditions of sale which are contained in the Price Book and in Evolve's order acknowledgments. These standard terms and conditions may be modified or supplemented only by a separately written document signed by Evolve's authorized personnel at its head office in Marlton, New Jersey. An offer by Purchaser of said terms and conditions shall not be binding until accepted by Evolve in writing.

All illustrations, specifications and prices in this Price List are based on the latest product information available at the time of publication. Evolve reserves the right to make changes, at any time and without prior notice, to prices, colors, materials, specifications and models offered.

PRICES AND PAYMENT

The prices shown in this Price List, as well as those quoted by Evolve, shall be in US dollars for orders shipped to destinations within the continental United States.

Prices listed herein are for standard product. Quotations for special product are available through Evolve Customer Support Department in Marlton, New Jersey.

If shipping date requested is more than 90 days from date of order Evolve shall use published list prices effective at the time of shipment.

Not included in the list price are special or export packing, unpacking and installation. Orders are invoiced at the time of shipment. The Customer agrees to pay a charge of 2% per month of invoices outstanding more than 30 days.

FOR PAYMENTS ONLY, MAIL TO:

Evolve Furniture Group, a division of:
Global Industries, Inc.
17 West Stow Road
P.O. Box 562
Marlton, New Jersey 08053

Any products sold shall remain the property of Evolve until fully paid for in cash. The Purchaser agrees to perform all acts which may be necessary to perfect and assure retention of title to such products to Evolve until such time as the goods have been paid for in full.

Free freight applies to orders dock delivered to one commercial business location in the contiguous United States during normal business hours. Residential deliveries will incur additional delivery charges.

Please note exception below:
All showroom and mock-up orders will be subject to actual freight charges.

Evolve shall, in its sole discretion, determine the most appropriate method of shipment routing and carrier. Shipments of less than a full trailer load (LTL) shall ship via common carrier. **These LTL shipments are not subject to specific delivery days or times.** Full trailer loads will provide for dedicated delivery time and schedule. Purchaser may request special packaging or method of shipment at Purchaser's sole expense.

TAXES

All sales, use, excise and other applicable taxes and the collection and reporting thereof (excluding only taxes on the net income of Evolve) are the Purchaser's responsibility and will be invoiced to the Purchaser. If Purchaser claims an exemption from such taxes, it shall be the Purchaser's responsibility to furnish an appropriate exemption certificate to Evolve.

ORDER INFORMATION

Evolve requires that **all orders be submitted in writing** to avoid errors and/or duplication. Orders will be acknowledged with Evolve's acknowledgement forms governing the transaction. The details appearing on the acknowledgement will describe the items to be shipped to Purchaser who must ascertain that they are correct. If not correct, Purchaser should notify Evolve immediately by telephone or fax followed by written confirmation. Acknowledgment shows approximate shipping date of items ordered. **Shipping dates are assigned to orders based on the item having the longest manufacturing lead time.** Orders with Customer's Own Material (C.O.M.), or missing or incorrect information (finish selections, fabric selections, etc.) will be scheduled for manufacturing upon receipt of COM or correct complete information. Purchaser must indicate if multiple shipping schedules are required including noting if the shipping date requested is longer than standard posted lead time. Each shipment will be invoiced at time of shipping and will be subject to payment terms described herein.

C.O.M. CUSTOMER'S OWN MATERIAL

Should Purchaser request a fabric, not standard to the Evolve upholstery line, Purchaser shall submit a sample of not less than two yards for approval. Evolve will determine whether fabric is suitable to manufacturing process and applicable UL or code requirements. Should Evolve be required to test such fabric, it shall so advise Purchaser, and Purchaser shall be responsible for all costs associated therewith. This includes all duty and brokerage fees.

Fabric yardage requirement will be determined by Evolve. An additional charge may be made to cover the cost of cutting, matching or sewing unusual or directional patterns. Evolve shall have no responsibility for condition, quality, performance, physical properties or any other aspect of C.O.M. For panels, price as if grade 1 fabric is used.

Evolve reserves the right to reject any C.O.M. deemed unsuitable.

Evolve reserves the right to cancel an order at any time if C.O.M. is, in the sole judgement of Evolve, inadequate for any reason.

CHANGES AND CANCELLATION

The order may not be changed or cancelled by Purchaser without the written consent of Evolve. This charge can be as much as 100% based upon proximity to scheduled shipment date. Special order items and fabric-covered items already in production are not subject to change or cancellation under any circumstances. Fabric-covered items are considered to be in production once the fabric has been cut.

DEPOSIT ON SPECIAL ORDERS

Orders for nonstandard products may, at Evolve's discretion, require deposit prior to scheduling of production, the amount of the deposit being credited against the total price of the project.

SUSPENSION

In the event that the Purchaser defaults in the payment of any sum due Evolve, or in the event the Purchaser's financial condition becomes unsatisfactory to Evolve, Evolve shall have the right at its option, upon written notice to the Purchaser, to cancel shipment of any goods, unless within ten (10) days of Purchaser's receipt of such notice Purchaser provides assurance of payment to Evolve in such form, content and/or amounts as Evolve, in its sole discretion, deems adequate.

COMBINED SHIPMENTS

Evolve will make every effort to combine shipments and orders on written request. However, acceptance of such request shall be with Evolve's sole discretion.

CODE RESTRICTIONS

Evolve portable furniture may be subject to local fire, electrical and/or building codes applicable to portable furniture. It shall be Purchaser's sole responsibility for the proper application of Evolve items within the limitations of such local codes, which may be different from area to area.

SERVICE

Service problems shall be handled by the authorized Evolve dealer. Where this cannot be accomplished on a local level, service problems should be referred to:
Evolve Furniture Group
Customer Support
17 West Stow Road
Marlton, New Jersey USA 08053
856-552-4000 888-827-2500
Attention: Evolve Operations Manager

STORAGE

In the event Purchaser requests postponement of delivery beyond the acknowledged shipping date, Evolve may transfer the goods to storage on Purchaser's account and at Purchaser's risk and expense subject to a daily storage rate. Such transfer to storage shall be deemed shipment to Purchaser for all purposes, including invoicing and payment.

DELAYS

Evolve's order acknowledgement will state a shipping date which is Evolve's best estimate at the time the order is acknowledged. However, Evolve shall not incur any obligation or liability to Purchaser for failure to ship by a specified date. In addition, Evolve shall not be liable for any loss or damage resulting from any delay or failure in shipment or other failure to perform all or any part of the agreement between the parties with respect to the goods shown on the face of the order acknowledgement where such delay, failure, loss or damage is the proximate result of any act of any governmental authority or political subdivision thereof, revolution, riot, civil disorder or disturbance, act of enemies, delay or default in transportation, strike disputes among or between unions or other labor disputes, delay or inability in obtaining materials and facilities, fire, flood, act of God or any cause not within the reasonable control of Evolve, whether of the class of causes enumerated or otherwise. Without limiting the generality of the foregoing, Evolve may, without causing any breach or incurring liability, allocate goods which are in short supply, regardless of the reasons therefore, among purchasers, in any manner which Evolve, in its sole discretion, deems advisable.

BACK CHARGES

Evolve will not accept charges for expense incurred by the Purchaser in expediting shipments or otherwise. Evolve will not accept charges for the repair of damage by others.

CLAIMS

All goods are sold F.O.B. Toronto, Canada, unless otherwise agreed to in writing by Evolve. Evolve is not responsible for damage which occurs in transit or in storage. The carrier signs for all goods received in good order. It is the Purchaser's responsibility to examine goods upon receipt and to file any claims with the carrier. Any claims made against Evolve for apparent defects, errors or shortages must be made by the Purchaser in writing, within fifteen (15) working days after any delivery. Failure by the Purchaser to make any claim against Evolve within the above-described fifteen days shall constitute acceptance of the goods and a waiver of any apparent defects, errors or shortages.

RETURNS

No returns of goods will be accepted without written consent and shipping instructions, including Evolve's Return Goods Authorization (R.G.A.) numbers, to Evolve. A minimum restocking charge of 35% is made on all authorized returns for credit or refund, provided goods are received by Evolve in the condition in which they left the factory. No credit will be given if goods cannot be reused. Special order items and fabric-covered items are in no event subject to return. All returns must be approved and authorized in writing by Evolve Customer Support, Marlton, New Jersey.

LIFETIME WARRANTY

Evolve warrants that all commercial products are free from defects in material and workmanship, for the life of the product, to the original purchaser. This warranty is made by Evolve only to original customers acquiring the product directly from Evolve's authorized dealers. The customer's sole remedy pursuant to this warranty is limited to repair or replacement of parts or product at Evolve's option. Consent from Evolve must be obtained before any warranty work is performed. This warranty shall not apply to any products which must be replaced because of normal wear and tear, negligence, abuse or "accident", shipping damage, or product use and installation other than in accordance with written instructions or warnings. It shall also not apply when product has been modified or altered, repaired or refurbished by someone other than Evolve or an authorized dealer or because of natural variations over which Evolve has no control. In the event of repair and/or replacement of any defective product, Evolve does not warrant matching color, grain, texture or dye lots. Evolve's warranty does not cover the cost of transportation or labor. Repair or replacement will be at Evolve's option. Evolve makes no warranty that any of its products are suitable for any particular purpose and makes no other warranties, expressed or implied, other than those set forth in this Price List. As codes and standards vary from one jurisdiction to another, references to compliance are solely for convenience and without any representation as to accuracy or suitability. Users must verify the suitability of such information or product for their specific application. In no event shall Evolve be liable in either tort or contract for any loss or direct, special, incidental, consequential, or exemplary damages.

This Lifetime Warranty is NOT applicable to customers who use Evolve products for rental purposes and is effective only for products, parts or components manufactured after January 1, 2011.

Exceptions to this warranty include:

- Global fabrics and wood veneers, which are warranted for five years from date of delivery.
- Electrical components, which are warranted for ten years from the date of delivery.
- Moving parts such as glides, slides, casters, user-adjustable worksurface mechanisms, which are warranted for five years from date of delivery.
- Fading on fabric and wood veneers can be caused by exposure to U.V. rays/sunlight. Natural wood veneer, being a natural material, will have shade differences between veneer sheers, the difference will be more apparent between dye lots.

Evolve does not warrant color fastness on Customer's Own Material.

Because of natural variations over which Evolve has no control, this warranty does not extend to color, grain or texture of wood, and Evolve does not warrant matching of color, grain or texture.
Evolve makes no warranties, including implied warranties of merchantability and fitness for a particular purpose, other than the express warranties contained herein.

LIMITATION OF REMEDY

Purchaser's sole and exclusive remedy (excluding the repair or replacement of goods for breach of the express warranty above) for any matter or claim arising under or relating to these terms and conditions, the goods covered hereby and any transaction involving or relating to such goods, whether in contract, tort (including negligence) or otherwise, shall be payment of the lesser of the cost to repair or replace said product or the purchase price for the goods to which the claim relates. In no event shall Evolve be liable for any special, indirect, consequential, or incidental damages, including without limitation, damages for loss of business profits, business interruptions, or loss of information.

EVOLVE'S WARRANTY DOES NOT APPLY (FOR ANY PRODUCT CATEGORY) TO THE FOLLOWING:

- Failures due to wear and tear
- Failures which result from negligence, abuse, accident or misuse
- Failure to apply, install or maintain products according to Evolve's written instructions and warnings
- Modifications, attachments or repair methods not approved by Evolve
- Damage caused by a carrier in transit, or delivery/installation contractors
- The matching of colors, grains or textures (wood, leather, etc.) of natural materials and color matching of textiles
- Products exposed to extreme hot or cold temperatures or excessively dry or humid environments
- Colorfastness or the matching of color of textiles
- Damage by markings or staining; damage by sharp objects or imprinting from instruments
- Damage to textiles or laminate and wood surfaces/edges from exposure to sunlight (including UV rays)
- Products used for rental purposes

Evolve's warranty applies to products sold within the United States of America, Mexico, the Commonwealth of Puerto Rico and Canada.

PROTECTING THE ENVIRONMENT FOR FUTURE GENERATIONS

Our environmental success story began with the challenge to create an office system that would meet today's business requirements while maintaining a firm commitment to save and protect the environment.

Sustainability became a part of the creative focus and development of Compile that incorporates the latest technology and design features to provide excellent performance at a competitive price.

As government and industry environment ratings such as LEEDS & Greenguard become more prevalent, Compile offers designers and architects functional, attractive, and economical office designs that meet these standards.

Evolve Furniture Group is a leader in reducing waste in the manufacturing of its products as well as utilizing recycled materials wherever possible. We make extensive use of recycled plastic and wood waste from other Global factories.

Evolve Furniture Group is committed to the continuous improvement of our environmental systems, the prevention of pollution, and to comply with both the spirit and the letter of all relevant environmental legislation.

Compile Panels are 100% recyclable at the end of their lifespan. Nothing from an Evolve Panel needs to end up in a landfill.

SUSTAINABILITY INFORMATION

Compile offers fabrics that are made from 100% recycled polyester, which means less waste going to landfills. These fabrics also reduced the demand for petroleum products, and decrease the environmental impacts of processing those petroleum products into polyester.

Compile's epoxy powder coating process involves no liquids and is solvent free. It contains no harmful VOC's or lead. Up to 99% of over sprayed powdered is reclaimed, mixed with virgin powder and reused.

Compiles's entire panel is up to 82% recycled.

Compile masonite is up to 85% recycled.

Compile's entire product line is up to 99% recyclable.

COMPILE SYSTEMS

As your business grows, Compile adapts to changes within your workplace and grows with you. Compile's simplicity and flexibility aim to keep your long-term costs low. It's the affordable furniture solution to complete your office environment today AND tomorrow without sacrificing quality or beauty.

SIMPLY SIMPLE

Compile panels and universal corner posts ship with pre-assembled "Quick Connect", which makes it one of the easiest system products to install and reconfigure. Aluminum raceway covers hinge upward and lock in place or can be easily removed providing open access and better protection for power and data in the base of the panel.

SIMPLY CLEAN

The Compile system offers a clean appearance from top to bottom. Quick Ship panels are available in a clean monolithic appearance and utilize aluminum raceway covers that are available with or without knockouts. An innovative worksurface support and overhead storage mounting system eliminates the need for slots in the panel frames, providing a softer visual appearance.

SIMPLY QUICK

Compile's Quick ship program offers a carefully curated collection of pieces that deliver maximum functionality and value, are easy to specify and install and ship within 10 manufacturing days. Blend Compile panels with Offices to Go height adjustable bases, monitor arms and seating for an even wider array of Quick Ship planning solutions.

Ideal for workplace, education and healthcare environments, Compile can create a range of planning applications in a curated palette of textiles and finishes.

QUICK SHIP LEAD TIMES

Orders will be manufactured and shipped 10 Business Days after receipt of clean order. This excludes shipping and delivery which vary based on location. Processing of all orders will begin the following business day. No exceptions.

ORDERING PROCESS

- Orders must be placed electronically via SP4 or SIF file
- Email orders with SP4 or SIF file to: Orders-CompileQS@Globalfurnituregroup.com
- Compile Quick Ship orders must be ordered separately from Non-Compile Quick Ship orders
- Purchase orders must clearly indicate "Quick Ship" in the subject line
- If applicable, Special Pricing Quote # must be indicated on order
- End user name and installation address MUST be included on order
- Salesperson KEY CODES must be included

ORDER CHANGES AND CANCELLATIONS

Once an order has been placed, it cannot be changed or canceled. No Exceptions.

ORDER LIMITS

The maximum Quick Ship order limit is $150,000 list or 40 workstations Orders exceeding these quantities are subject to standard lead times.

FREIGHT

Free freight applies to orders dock delivered to one commercial business location in the contiguous United States during normal business hours. Residential deliveries will incur additional delivery charges.

PANELS

- Panel Fabric modules consist of Module Frames, Module Interiors and Fabric Skins.

Fabric

- Fabric offerings include selections woven with 100% recycled yarn.

Panel Frame

- Typical workstation contains up to 62.2% recycled material.
- Panel is made of 82.3% recycled material.
- Acoustic panels are light tackable with 0.70 NRC and a 26 STC rating.
- Non Acoustic panels are not tackable with 0.17 NRC and a 28 STC rating.
- Raceway covers are aluminum.
- Plastic top cap vs Aluminum top cap.

Metal Components/Raceway Finish

- All aluminum components are painted with environmentally friendly epoxy powder.
- Raceway interiors are coated with recycled epoxy powder.
- The entire Compile Panel and the processes used to manufacture it are designed to save and protect the environment. Compile Panels are made from recycled materials and are 99% recyclable.

Panel Options

- Compile Panels come in 4 heights: 42", 54" and 66".
- Panel widths come in 7 sizes including: 24", 30", 36", 42", 48", 54" and 60".
- Panels conform to CGSB and ANSI/BIFMA standards. - This is your assurance that the quality, and performance level of these Panels have been tested to equal or exceed the requirements of the US government.
- Rigid, aluminum Panel Frame is 2 3/8" thick.
- Aluminum Panel Frame combined with easy to assemble "Quick Connect" clips, create a rigid Panel Wall.
- Levelling glides extend 2". Enables the client to deal with severe undulations in the flooring levels of a building.
- Compile makes it easy to select a Panel function that is suitable for your application.
- Compile makes it easy to select a Panel type and height that is suitable for your application.

VOICE/DATA AND ELECTRICAL POWER

- Voice/data cables can be inserted at the base. 8 wire, 4 circuit electrical capability, 2 utility + 2 dedicated circuits, each with 10 gauge (oversized) neutrals. All circuits can support up to 20 amps (15 CSA).
- Raceway Cover opening sizes conform to the ANSI/TIA/EIA Furniture Opening Standard of 1.345"x 2.680".
- Panels 24" wide include raceway covers with 2 knockouts.
- Panels 30" – 60" wide include raceway covers with 3 knockouts.
- Panels and electrical components are CSA/UL approved.
- Compile panel raceway is roughly 2.13" x 4.6" without power distribution housing installed. With power distribution housing installed inside, the dimension is reduced to roughly 2.13" x 2.13
- The base raceway cavity accommodates 50 .25" diameter communication cables without power installed or 30 .25" diameter communication cables with power installed.
- 90-degree posts accommodate 25 .25"diameter communication cables without a ceiling infeed or 20 .25" diameter communication cables with a ceiling infeed installed.
- 120-degree posts may not be utilized for power infeeds or communication cables. 90-degree posts may be utilized at the end of a 120-degree configuration if ceiling infeed of power and/or data cables is required.
- No tools are required to install electrical in the Compile Panel System.

WORKSURFACES

- 1" thick worksurfaces come in a variety of shapes and sizes. Essentially, they are 24" or 30" deep and are available in 6" increments from 24" to 84" wide.
- Cable scoops located at the back of each Worksurface provide routing of power and data cables.
- This convenient feature, together with a 3/8" gap between the Worksurface and the Panel, allows access to cables without having grommet holes in the Worksurface.
- With this choice of product, we can tailor each installation to your requirements. The addition of custom sizes shows a commitment to client satisfaction that not every manufacturer offers.
- Thermally fused laminate tops are standard.
- All Worksurfaces utilize balanced construction.
- Predrilled holes in worksurfaces enable installer to properly align worksurface.

STORAGE

- 22 5/8" deep Pedestals. Freestanding and Worksurface supporting options available.
- Drawer divider and pencil tray included in all Freestanding Pedestals containing box drawers. Drawer divider and pencil tray not included in Worksurface Supporting Pedestals.
- Adjustable glides are accessible from the inside of the cabinet.
- Positive and secure locking system on all Pedestals is standard.
- Full height drawer sides are standard on all file drawers. This enables you to hang files from the drawer side so no extra hardware is necessary. File drawers accept letter sized files. Optional file bars are available to file legal and metric sized files.
- Steel construction guarantees the performance of the product over the long term. Welded joints with a full top, back and base ensure that the Pedestal will sit square and adequately support the Worksurface where necessary.
- Worksurface supporting Pedestals are standard with Compile.
- Shelves feature all metal construction.
- All storage components as well as the Panel Frames are epoxy powder coated.
- Glides enable you to level the cabinet to the floor and or Worksurface. The convenient adjustment feature allows the installer to adjust the height of the cabinet while it is under the Worksurface. This saves time in the installation process.
- For additional security and peace of mind, locks can be keyed alike or master keyed for additional convenience. Standard recessed handle offers uncluttered aesthetic.
- "Environmentally friendly" epoxy powder coat is 15 times more durable in independent testing than a wet paint spray. This helps maintain the look of the product over its many years of service.

WARRANTIES AND PERFORMANCE

- A Lifetime Warranty
- Non Obsolescence Warranty
- Reduced cost of assembly and reconfiguration
- ISO9001:2008 Registered
- ISO14001:2004 Registered
- GreenGuard Certified
- Level 2 Certified
- ANSI/BIFMA CGSB testing on all products
- For piece of mind over the long term, we cover you with a comprehensive warranty that is supported by our dealer network.
- Some installation companies claim that the Compile Panels System can be installed in half the time it takes to install most of our competitor's segmented panels. This cost saving can amount to thousands of dollars over the lifetime of our furniture.
- Your assurance of consistent quality to an international standard. Evolve Furniture Group is committed to design, manufacture and distribute superior quality office furniture, which meets or exceeds the requirements of our customers.
- Confirmation that Evolve Furniture Group is committed (1) to providing product that, through their entire life cycle, minimize negative environmental impacts on the environment, (2) to continuous improvement to our environmental systems and programs and (3) to comply to all relevant environmental legislation and regulations.
- Compile Panel System can help a company meet LEED requirements for office furniture.
- Compile components are tested to the highest standard in the industry. This is your assurance of quality and longevity.
- Panel textiles, adjustable keyboard mechanisms, task lights and electrical devices = five (5) Years
- Other parts = Lifetime Warranty

Compile products have been coded using alphas that correspond with the product name. This creates an easy-to-remember code. The following breaks down the coding logic and highlights the required code components needed to order within each product category.

Panels

Example: **Product**: Compile Fabric Monolithic Panel

Specify: (1) **C M F M**

- C — **C**o**M**pile product line
- M — **F**abric-covered Panel
- F — **M**onolithic panel category
- M

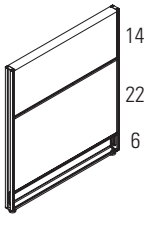
(2) CMFM**6648** — Panel size offering. Listed on every product page with price listing.
Note: Additional dimensions are provided for most products on the far right hand side of each page. These dimensions are not required in the ordering code.

(3) CMFM6648–**BK** — Standard paint code for frame. See the Fabric & Finish listing in this section.

To specify fabric for a Compile Panel, please note:

(4) CMFM6648–BK–**B84A** — Fabric code for all modules on both sides of the Panel*. See the Fabric & Finish listing in this section.

* **NOTE**: If different fabrics are to be included on a Compile Panel, please use the following ordering format. **Start at the bottom** of one side of a Panel and work to the top module of that Panel. Then start the process over on the other side of the Panel. As an example:



= 42

Position 2

Position 1

I1	B86A	I = Inside
I2	B84A	O = Outside
O1	B86A	
O2	B84A	

Electrical

Example: **Product:** Flexible Mesh Jumper Cable

Specify:

1 **C E 8 C P 1 7**

C — **C**ompile product line.

E — **E**lectrical category.

C — **C**able Panel.

P — **P**ass-Through.

2 CE8CP**17** — Product size offering – length. Listed on every product page with price listing. Note: Additional dimensions are provided for most products on the far right hand side of each page. These dimensions are not required in the ordering code.

Worksurfaces

Example: **Product:** Curvilinear Worksurface – Left

Specify:

1 **C W V L**

C — **C**ompile product line.

W — **W**orksurface category.

V — Cur**V**ilinear shape.

L — **L**eft hand configuration.

2 CWVL**3042** — Worksurface size offering. Listed on every product page with price listing. Note: Additional dimensions are provided for most products on the far right hand side of each page. These dimensions are not required in the ordering code.

3 CWVL3042–**T431** — Laminate code for surface. See the Fabric & Finish listing in this section.

4 CWVL3042–T890–**CR** — PVC code for trim. See the Fabric & Finish listing in this section.

Worksurfaces – Hardware

Example: **Product:** End Panel

Specify:

1. **C H E P**

   C — **C**ompile product line.

   H — **H**ardware category.

   E — **E**nd Panel.

   P — End **P**anel.

   Base Code found on the product page to the left of the product name and a simple product illustration.

2. CHEP–**T431**

   Laminte code for End Panel. See the Fabric & Finish listing in this section.

Storage

Example: **Product:** Box, Box, File Pedestal

Specify:

1. **C S 1 9 2 3 B B F**

   C — **C**ompile product line.

   S — **S**torage category.

   Base Code found on the product page to the left of the product name and a simple product illustration.

2. CS**19**23BBF

   19 Product Series.

3. CS19**23**BBF

   23" Pedestal depth in inches.

4. CS1923**BBF**

   Box drawer, **B**ox drawer, **F**ile drawer.

panels

THE INFORMATION LISTED BELOW PROVIDES YOU WITH BASIC FEATURES OF COMPILE PANELS:

- Compile Panels are:
  - Available in three (3) heights: 42", 54" and 66"; and seven (7) widths: 24", 30" 36", 42", 48" and 60".
  - 2 3/8" thick.
  - Monolithic
- Compile monolithic panels are not tackable.
- Raceway openings are 1.375" x 2.680".
- Panels 24" wide include raceway covers with 2 knockouts.
- Panels 30" – 60" wide include raceway covers with 3 knockouts.
- Opposite sides of each Module may have a different fabric within the same grade at no upcharge.
- If different grades of fabric are used on one panel, the entire panel must be priced at the highest grade.
- Standard with aluminum frame.
- Individual fabric covered modules incorporated into an aluminum frame.
- Reinforced aluminum raceway covers are included when ordering panel packages or may be ordered and shipped separately. Raceway covers can be replaced in the field to change a panel from non-powered to powered (or vice versa).
- Base raceway lifts up and locks in an upright 90-degree position, or can be removed for open access to base raceway.
- Electric knockouts in the raceway have color matched plastic covers that snap into place from the outside of the cover, when a duplex is not required. Electric knockout covers must be specified separately.
- 3 panel connector brackets per side for 42"h and 54"h come installed on panels and universal posts.
- 4 panel connector brackets per side for 66"h panels come installed on panels and universal posts.
- Panel connector brackets are opposite direction of each other per panel side, and can be removed with one screw per bracket.

Package Components

Package 1 CMFM6636N0

A. (1) 66"h x 36"w Monolithic Fabric Panel

B. (2) 36"w Raceway Covers Without Knockouts

Package 2 CMFM6636P2

C. (1) 66"h x 36"w Single Segmented Fabric Panel

D. (2) 36"w Raceway Covers With Knockouts

E. (1) 36"w Power Distribution Housing

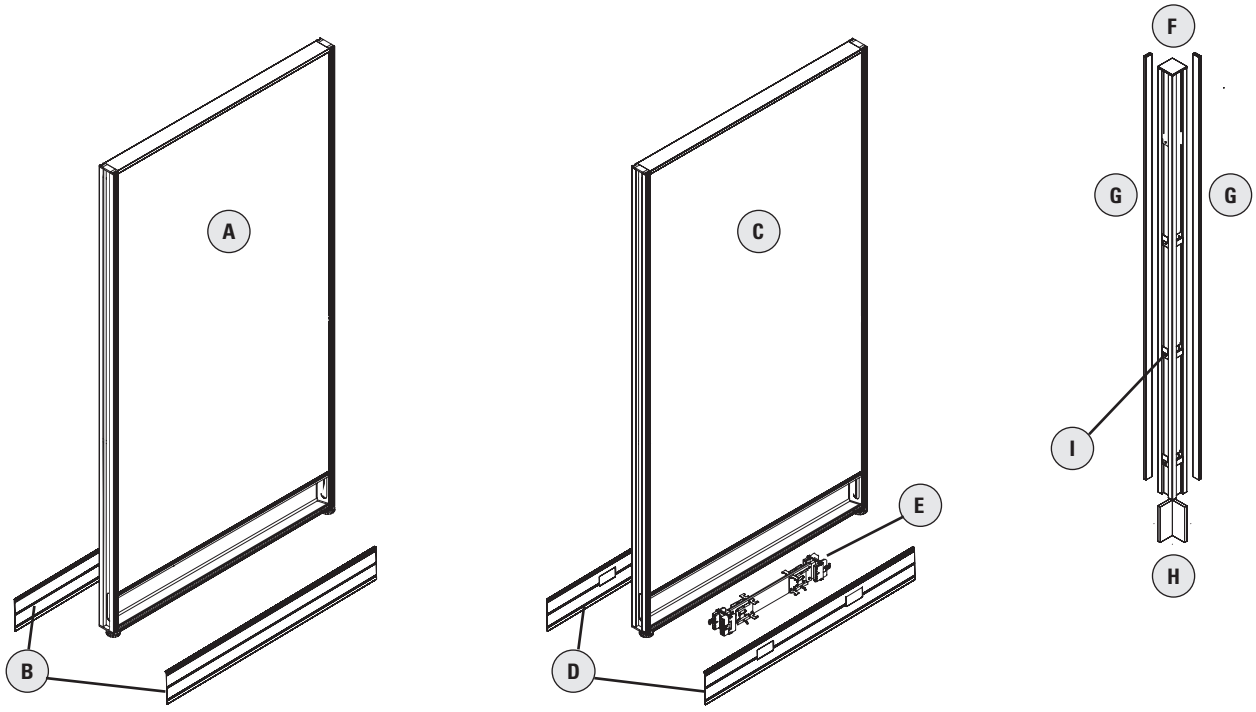
Package 3 CHP66-2

F. (1) 66"h Universal Corner Post

G. (2) Trim Inserts for 66" Universal Corner Post

H. (1) Post Base Cover for 2-Way Application

I. "Quick Connect" comes standard with Panels and Universal Corner Post



CMFMXXYYN_ - NON-POWERED COMPILE FABRIC MONOLITHIC PANEL PACKAGE

- Non powered.
- Includes one panel and two raceway covers with no punchouts.
- Individual fabric-covered modules incorporated into an aluminum frame.
- Opposite sides of each module may have a different fabric within the same grade at no upcharge.
- If different grades of fabric are used on one panel, the entire panel must be priced at highest grade.
- Panels are not tackable or acoustical.
- Note: Trim is not required at a straight connection between two panels of the same height.
- 3 Panel connector brackets per side come standard with 42"h, 48"h and 54"h panels.
- 4 Panel connector brackets per side come standard with 66"h panels.
- Panels contain leveling glides. Maximum extension of glides is 2".

CMLEPXXXXNC - END OF RUN GALLERY PANEL WITH NO END CONNECTION

- Provides floor standing support while enclosing the end of a panel run.
- Attached at the end of a straight panel run with connectors to form a T configuration.
- No connections at both ends, connection is at the center interior face.
- Includes all attachment hardware and glides.
- Total height is inclusive of panel glides extended to their full height.
- 51" wide gallery panel accommodates two 24" deep surface while the 63" wide accommodates two 30" deep surfaces.
- Please specify LP laminate finish and PVC edge finish.
- If a wood grain laminate is chosen, grain direction run horizontally.
- Gallery panel is edged in PVC on exposed edges and self edged on bottom.

electrical

STEP-BY-STEP SPECIFICATION – 8-WIRE ELECTRICAL SYSTEM

Step 1 **Determine the location of the source power entering the Panel Run.**

1. At the base of the Panel.
   (a) Use CE8FR1 Reversible Floor Power Entry (default to CE8FR1).
   (b) Select the Panel to which the Floor Power Entry will be attached.
   (c) Select the side of the Panel and the receptacle outlet to which the Floor Power Entry is to be attached.

   Note: When using Pass Through Connectors in conditions other than a straight line, you must use a CE8CI-1 I-Connector along with a CE8CP17 Flexible Mesh Jumper Cable through the corner post.

Step 2 **Determine which Panels are to be powered.**

1. Use CE8PD Power Distribution Housing that corresponds with the width of the Panel.

Step 3 **Connect power to the powered Panels.**

1. Use CE8CP17 Flexible Mesh Jumper Cable between two adjacent powered Panels.
2. Use CE8CP17 Flexible Mesh Jumper Cable between two adjacent powered Panels separated by a post.
3. Use CE8CP17 Flexible Mesh cable (to turn the post) and a CE8CI-1 "I" Connector to attach the CE8CP Pass Through Cable.
   (a) The length of the Pass-Through Cable is calculated by adding together the widths of the non-powered Panels that separate the two powered Panels and applying an additional 16" to the total. (CE8PD Power Distribution Housing is positioned 8" in from the ends of the powered Panel.)
   (b) An additional 3" must be added to the Pass-Through Cable for each post that the cable passes through.
   (c) Subtract 17" from the total length to find the pass through cable length required.
4. From the price list, select the CE8CP Pass-Through Cable that matches the calculated length. If the length is between listed sizes, use the next size up.

Step 4 **Determine the location and circuitry of the receptacles.**

1. Each powered Panel has four (4) potential locations for CE8RD Duplex Receptacles – 2 per side. (Exception: 24" wide Panel has only two potential locations – 1 per side.)
2. At each receptacle location there is a choice of four circuit options. Select a circuit option for each location. Circuits one & two are utility circuits; circuits A & B are dedicated circuits.

COMPILE'S 8-WIRE ELECTRICAL SYSTEM

Electrical
This modification allows for the integration of the commonly required "2+2" configuration (2 utility circuits, 2 dedicated circuits) found in the source power of most of today's North American buildings.

This system is rated for connection to:

1. A grounded 120/240V, single phase, 20 A, 60Hz
2. A 120/208V, 3 phase, 20 A, 60Hz branch circuit

Data/Comm

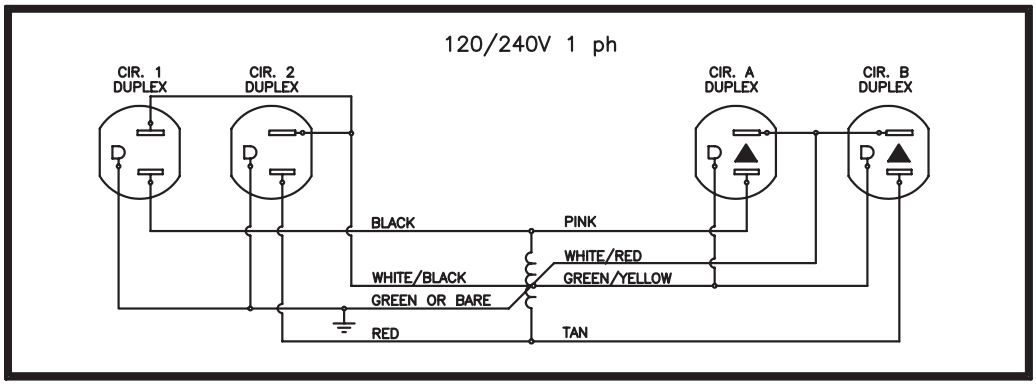
Compile's duplex receptacle openings (1.345 x 2.80) will conform to the ANSI/TIA/EIA Furniture Opening Standard of 1.38 +/- .035 x 2.71 +/- .04

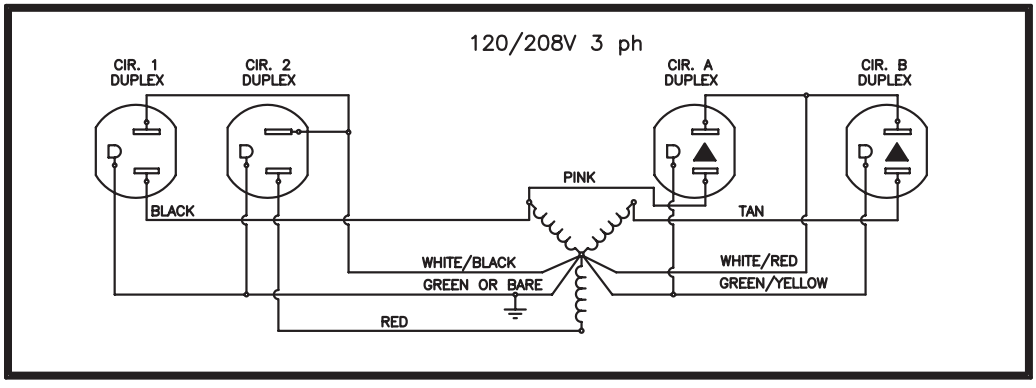
EQUIPMENT AMPERAGE

Calculator	0.25
Electric Eraser	0.50
Pencil Sharpener	1.00
Radio	0.05
Paper Shredder	4.40 - 13.00
Electric Typewriter	1.20
Personal Computer	2.00 - 4.00
Video Display Terminal	0.08
Draft / Letter Quality Printer	1.20 - 3.00
Laser Printer	5.00 - 8.00
Processor / Disk Unit	1.00 - 10.00
Desk Top Plotter	1.50
Fan	1.00
Heater	8.50 - 12.50
Coffee Pot	15.00
Task Light	1.00
Slide Projector	2.00 - 6.00

Since some equipment, such as large copiers, printers, plotters, heaters and coffee makers would occupy most of the circuit capacity, it is recommended that such devices be supplied with the power directly from the wall or building receptacle.

Wiring Schematic





Defining "2 + 2" Wiring Configurations

2 + 2 Configuration (8 wire, 4 circuit)
Two Utility Circuits [Compile's new #1 & #2 circuits] share one neutral wire and one ground wire.
(2 hot [circuit] wires + 1 neutral wire*** + 1 green ground wire* = 4 wires)

Two Dedicated Circuits [Compile's new "A" & "B" circuits] share one neutral wire and one ground wire.
(2 hot [circuit] wires + 1 neutral wire *** + 1 green/yellow ground wire** = 4 wires)

Note:
It is the ground wire that makes the difference between "Utility" and "Dedicated" circuits. Refer to Wiring Schematics found above.

* A Green ground wire is a "system" ground. This means it could be grounded to any piece of metal, including the Panel.
** A Green/Yellow ground wire is isolated, within the wiring conduit, all the way back to the box at the source (building ground).
*** All Neutral Wires are 10 gauge rather than 12 gauge meaning they are larger than normal, allowing greater protection against "noise" or interference on the circuit.

This page provides an exploded view of a sample configuration highlighting each **Electrical** component required when specifying this configuration.

Components

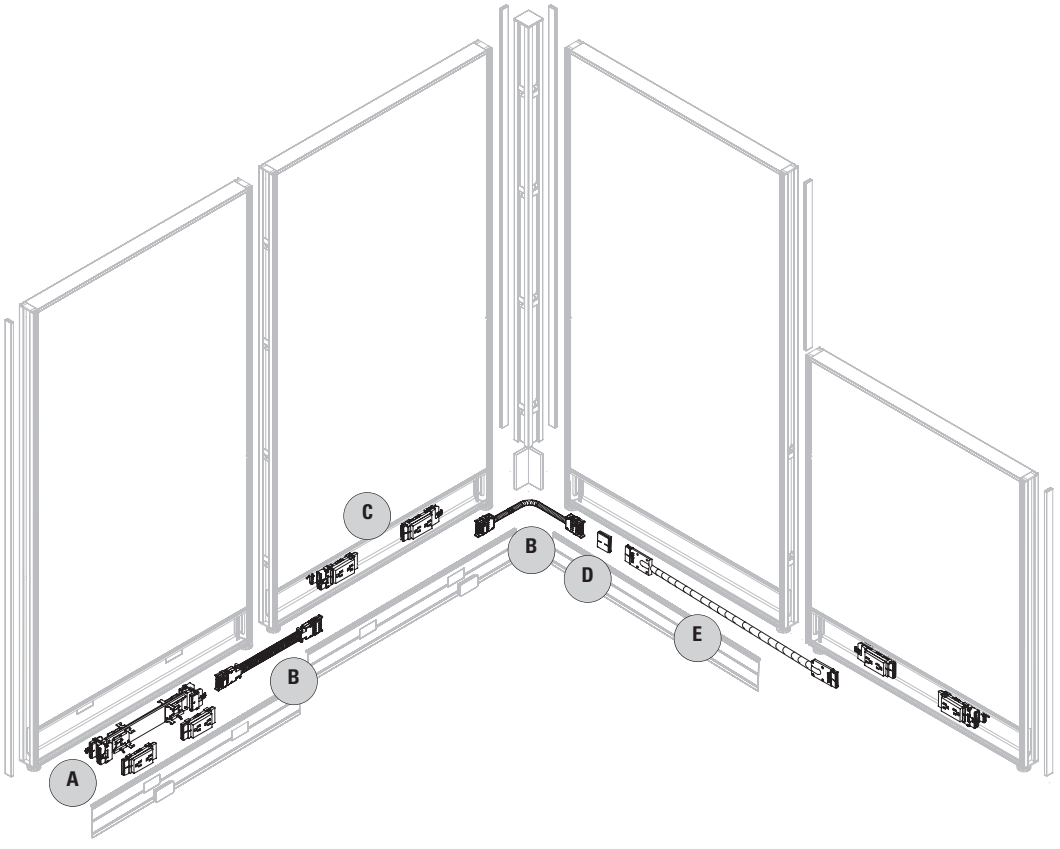
A. CE8PD36 Power Distribution Housing
Note: 8 wire, 4 circuits, 2+2 configuration

B. CE8CP17 Flexible Mesh Jumper Cable (connects two panels side by side or separated by a post)

C. CE8RD Duplex Receptacle

D. CE8CI-1 "I" Connector

E. CE8CP Pass-Through Cable
Note: Must run in a straight line application only
Note: Pass-Through Extension Cable (CE8CPF154) available – extends power capability beyond 208".



E8PD - POWER DISTRIBUTION HOUSING

- Power housing is specified per panel size (e.g. CE8PD36 is for use in a 36" panel).
- 8 wire, 4 circuits (4th circuit dedicated).
- Power distribution housing is required for each powered panel, the power distribution housing should equal the width of the panel that it is specified in.
- Provides two duplex receptacle ports per panel side on all panel widths except the 24" wide panel.
- 24" wide panel allows for only one (1) duplex receptacle on one panel side.
- Each power distribution housing supports 15-20 amps.
- Must specify Raceway Cover with Knockouts on panels, where Power Distribution Housings will be utilized.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Power Distribution Housing	QSCE8PD24	165		9 1/4	
		QSCE8PD30	224		15 1/4	
		QSCE8PD36	235		21 1/4	
		QSCE8PD42	240		27 1/4	
		QSCE8PD48	258		33 1/4	
		QSCE8PD60	262		45 1/4	

CE8CP17 - FLEXIBLE MESH JUMPER CABLE

- 17" mesh jumper.
- Jumper cable is used to pass through a post or connect two panels together.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Flexible Mesh Jumper Cable	QSCE8CP17	129		17	

CE8CP - PASS THROUGH CABLE

- Flexible metal conduit is used to distribute electrical power through non-powered panels.
- Metal conduit pass through cables should be in used in a straight runs. Metal conduit pass through cables cannot pass through a post.
- Flexible conduit is required to turn a post. This only comes as 17"w. If panels at the posts do not all have power distribution housings, they must be added even if duplexes are not specified.
- To calculate the length of a Pass-Through Cable, add the widths of the non-powered panels separating the powered panels (panels with distribution housing attached). To this add 16" (distance from the edge of the panel to the distribution housing x 2).
- Add additional 3" when passing through a corner post. See the Tips at the beginning of the section for more details.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D

CE8CI-1 - "I" CONNECTOR

- Female - Female connector connects two Pass-Through Cables.
- Connects 17" Flexible Jumper Cable or ceiling feeds to pass through cables.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	"I" Connector	QSCE8CI-1	95	1.5	1.5	

CE8RD - DUPLEX RECEPTACLE

- Up to 3 receptacles per circuit
- Up to 6 receptacles per circuit (24 per infeed), not to exceed total of 15 Amps per circuit.
- Duplex Receptacles standard in Black (BLK).
- CE8RD1 = Circuit #1 (utility circuit)
- CE8RD2 = Circuit #2 (utility circuit)
- CE8RDA = Circuit A (dedicated)
- CE8RDB = Circuit B (dedicated)
- CE8RD1 and CE8RD2 (#1 and #2 share common ground)
- CE8RDA and CE8RDB (A and B share common ground)

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Duplex Receptacle	QSCE8RD1	36	2	4 5⁄8	1 1⁄4
		QSCE8RD2	36	2	4 5⁄8	1 1⁄4

		QSCE8RDB	36	2	4 5⁄8	1 1⁄4

CE8RDXCA - CALIFORNIA CONTROLLED DUPLEX RECEPTACLE

- California Title 24 meets federal and LEED certification guidelines
- Allows circuit to be controlled or switched off when utility is not in use.
- Duplex receptacles are rated for 15 Amps.
- CE8RD1CA = Circuit #1 (utility circuit)
- CE8RD2CA = Circuit #2 (utility circuit)
- CE8RDACA = Circuit A (dedicated)
- CE8RDBCA = Circuit B (dedicated)

NOTE:

- CE8RD1CA and CE8RD2CA (#1 and #2 share common ground)
- CE8RDACA and CE8RDBCA (A and B share common ground)
- Up to 6 receptacles per circuit (24 per infeed), not to exceed total of 15 Amps per circuit.
- Available in BLK finish only.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Duplex Receptacle	QSCE8RD1CA	41	2	4 5⁄8	1 1⁄4
		QSCE8RD2CA	41	2	4 5⁄8	1 1⁄4

CE8FR1 - REVERSIBLE FLOOR POWER ENTRY

- Takes the place of a duplex receptacle by snapping into the base power way.
- Includes 72" long flexible metal conduit.
- Must be hard wired to source power by a licensed electrician.
- Diameter is 0.85"

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Reversible Floor Power Entry	QSCE8FR1	372	6	72	

CE8F - FLOOR POWER ENTRY

- Snaps in end of power distribution housing.
- Includes flexible vinyl conduit.
- Must be hard wired to source power by a licensed electrician.
- Diameter is 0.85"

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	L	D
	Reversible Floor Power Entry	QSCE8F1P QSCE8F2P	382 449		72 144	

CMEB01 - ELECTRICAL BOX - CHICAGO

- Can be retrofitted in any size of panel at the receptacle location.
- Gives access from one side only at each location.
- Customer to supply conduit, wiring, receptacle, and face plate.
- 2 per panel ,except 24" panel only one
- Note: A licensed electrician must provide hardware connection with the junction box.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Electrical Box - Chicago	QSCMEB01	109			

CMEB02NY - ELECTRICAL BOX - NEW YORK

- Shipped assembled.
- Comes with pig tail electric.
- Use with 30" wide Panel of larger
- Post extension cable capacities: without electric, 30 with electric, 20
- Includes ceiling bezel and screws.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Electrical Box - New York	QSCMEB02NY	476			

CEPEXX - POST EXTENSION

- Same profile as post.
- Includes two post extension brackets, four screws and four trim inserts.
- Includes ceiling bezel and screws.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Post Extension	QSCEPE64	206	64	2.3	2.3
		QSCEPE82	258	82	2.3	2.3

CE8ECX - CEILING FEED

- Snaps into the end of a Power Distribution Housing.
- Flexible metal conduit extends into the ceiling through a corner post and post extension.
- Must be hard wired to source power by a licensed electrician.
- 4" junction box included.
- Post extension ordered separately

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Ceiling Feed	QSCE8EC2	502	144		

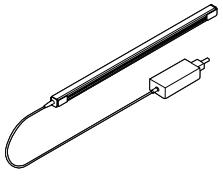
CMECC - CABLE COVER

- Attaches to panels vertically between modules to provide enclosures for power or data cords.
- Available in 21" and 36" lengths, 6 per pack.
- Available in Steel (STL), Black (BLK), Nevada (NEV) only.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Cord Cover	QSCMECC21	35	21	0.5	1
		QSCMECC36	54	36	0.5	1

CMLEDES - STARTER LED TASK LIGHT

- Undercabinet slim profile LED linear light fixture with lens and On/Off switch.
- May be used as stand-alone or extended with add-on section below (CMLEDES_DSC).
- Plug-in power supply with 72" cord length plus 78" DC cable.
- Includes magnet mounting bracket with optional adhesive metal plate.
- Light enclosure in clear anodizing finish. Color temperature cool white 4000K.
- Lifespan rated 30,000 hours.



DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
Led Task Light	QSCMLEDES24	297	1	22.9	1
	QSCMLEDES36	341	1	33.5	1

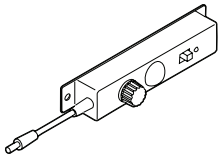
CMLEDESOS - OCCUPANCY SENSOR

- Inline add-on controller for dimming and occupancy sensor.
- Sensor bypass switch.

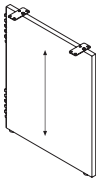


DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
Occupancy Sensor	QSCMLEDESOS	122	6	2.4	2

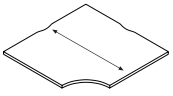
worksurfaces

The information listed below provides you with basic features of Compile Worksurfaces.

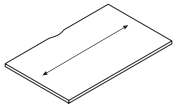
- Compile thermally fused Worksurfaces are 1" thick and are finished with 3 mm PVC edging on all sides.
- Worksurfaces are predrilled to enable proper alignment with worksurface supports.
- Standard laminate offerings are available in thermally-fused (T). See laminate listings for details.
- Laminate Worksurfaces will have matching woodgrain trim only.
- Depth of the Worksurface scoops are 1 1/8" when measured from the Panel the Worksurface is attached to.
- All Worksurfaces require support items. These are priced separately within this section.
- Grain Direction for Worksurfaces are as follows:



CHEP End Panels



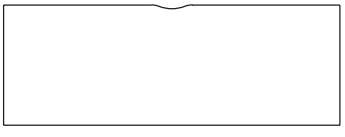
CWCC Worksurfaces



CWS Worksurfaces

- Communication and electrical wires are routed through a cable scoop located at the back of the Worksurface. When specifying a Straight Worksurface (CWS) or a Curvilinear. Worksurface (CWVL), note that the number of cable scoops depends upon the width of the Worksurface. All other Worksurface shapes have one scoop on Panel edges.

One Scoop
CWS 24" – 48"

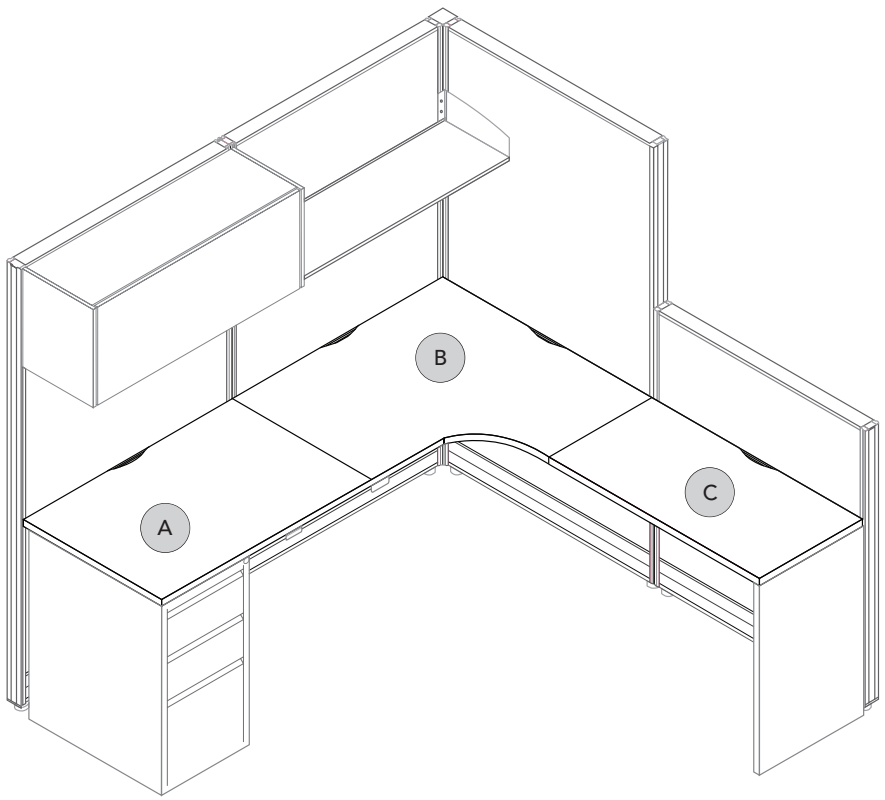


Two Scoops
CWS 54" – 84"

This page provides a three dimensional view of a sample configuration highlighting each **Worksurface** component required when specifying this configuration.

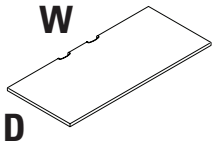
Components

A.	QSCWS2424P	Rectangular Worksurface
B.	QSCWCC3624P	Corner Curved Worksurface
C.	QSCWS2424P	Rectangular Worksurface



CWS - RECTANGULAR WORKSURFACES

- All tops are thermally fused 1" thick with pilot holes to enable proper alignment with worksurface supports. Wood screws must be used.
- Compile worksurfaces feature a 3mm edge.
- Support hardware must be ordered separately. See the listings in this section.
- Width and depth dimensions listed include a nominal measurement (3⁄8") to account for wire management between the worksurface and adjoining panel.
- All surfaces over 48" will have two scoops, all others have one.
- Worksurfaces greater than 48" wide require additional structural support.



DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES D	W

CWCC - CORNER CURVED WORKSURFACES

- All tops are thermally fused 1" thick with pilot holes to enable proper alignment with worksurface supports. Wood screws must be used.
- Compile worksurfaces feature a 3mm edge.
- Support hardware must be ordered separately. See the listings in this section.
- Note: Width and depth dimensions listed include a nominal measurement (3/8") to account for wire management between the worksurface and adjoining panel.
- Note: Wood grain laminates do not run diagonally on corner worksurfaces.
- Worksurfaces greater than 48" wide require additional structural support.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES D	W

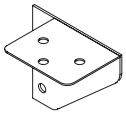
CHCB2 - CORNER BRACKET

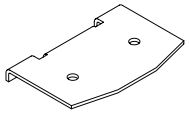
- Attaches the corner of any worksurface to a panel connector.
- Priced and shipped in pairs.
- Available in standard Fog (FOG) or Designer White (DWT).
- Cannot be used off modular.
- Can be used when a panel is the same depth as the worksurface in the front and back application.



DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES D	W
Corner Bracket	QSCHCB2	24	2.5	

CHWB1 - MID SPAN SUPPORT BRACKET

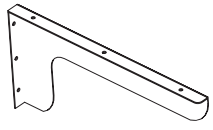
- Does not need to be on module.
- Used when a panel exceeds the depth of the adjacent worksurface.
- Can only be used with a Segmented Panel.
- Comes in unfinished zinc.



DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES D	W
Mid Span Support Bracket	QSCHWB1	15		

CHC15 & CHC22- CANTILEVER

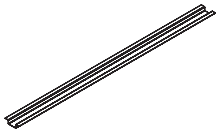
- Attaches a worksurface to a panel.
- Use one cantilever to support two convergent worksurfaces when specified with 3 Flat Brackets or two cantilevers with one flat bracket to support two convergent worksurfaces.
- Does not include Flat Brackets.
- Priced individually
- Specify handedness of each cantilever
- Available in standard Fog (FOG) or Designer White (DWT).
- Right and left Cantilever needs to be specified unless flat brackets are also specified.



DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES D	W
Cantilever - 15"	QSCHC15L	54	15	6
	QSCHC15R	54	15	6
Cantilever - 22"	QSCHC22L	83	22	6
	QSCHC22R	83	22	6

CMHC - WORKSURFACE SUPPORT CHANNEL

- Support channel attaches to underside of worksurface with screws
- Support channel should be 14" shorter than top length.
- Screws are included.
- Only available in Black.
- Tops with post legs should be specified with support channel for structural reinforcement.



DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES L	D
Worksurface Support Channel	QSCMHC40 - for 54" wide table	90	40	5
	QSCMHC46 - for 60" wide table	98	46	5
	QSCMHC52 - for 66" wide table	109	52	5
	QSCMHC58 - for 72" wide table	122	58	5
	QSCMHC64 - for 78" wide table	133	64	5
	QSCMHC70 - for 84" wide table	148	70	5

CHFB1 - FLAT BRACKET

- Use in conjunction with Cantilever to make it a shared Cantilever to support convergent worksurfaces.
- Used at the front of 2 convergent worksurfaces to keep worksurfaces flush at seams.
- Available in Black only.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES D	W
	Flat Bracket	QSCHFB1	23	3	4

CHEP - END PANEL

- Supports the worksurface and enhances the stability of connected panels.
- Provides solid support at the end of a run of worksurfaces.
- Finished in thermally-fused laminate.
- Includes flat brackets and hardware.
- End panel height is inclusive of panel glides extended to their fullest height.
- If wood grains is selected, grain runs vertically.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES D	W
	End Panel - 28"High	QSCHEP2924	283	28	24

	Metal End Gable - Left	QSCHMEG24L	305	28	23	4
		QSCHMEG30L	321	28	29	4

CHMSL - METAL SUPPORT LEG

- Supports two adjoining worksurfaces and enhances the stability of connected panels.
- Includes a levelling glide and decorative PVC sleeve to cover the glide.
- Available in standard Fog (FOG) or Designer White (DWT).
- Flat brackets recommended to ensure alignment of neighboring surface.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	Metal Support Leg	QSCHMSL12	256	28	11	4

CHMSL - MID SUPPORT LEG

- Provides support for a worksurface.
- Includes leveling glide, PVC Sleeve and 4.8" x 4.8" attachment plate.
- 1.5" diameter.
- Available in standard Fog (FOG) or Designer White (DWT).

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H
	Mid Support Leg - Round	QSCHMSL1	98	28
	Mid Support Leg - Square	QSCHMSL2	98	28

CMHCL & CHHCL - CORNER LEG WITH LEVELER

- Provides support for a worksurface.
- Includes leveling glide, PVC Sleeve and attachment plate.
- 1.5" diameter
- Available in standard Fog (FOG) or Designer White (DWT).
- Legs can be used in the corner of a single worksurface or be rotated 45 degrees to support the corners of two worksurfaces.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H
	Corner Leg Round	QSCMHCL1	136	28
	Corner Leg Square	QSCMHCL2	136	28

CHWS - 5" SURFACE TO STORAGE SUPPORT LEG

- Provides support for a worksurface.
- Includes leveling glide, PVC Sleeve and 4.8" x 4.8" attachment plate.
- 1.5" diameter.
- Available in standard Fog (FOG) or Designer White (DWT).

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H

storage

LATERAL FILE FEATURES

DRAWERS/SHELVES

- Drawer interlocking system
- Three-stage, anti-bounceback suspension
- Pre-installed, side-to-side file bars for letter, legal and A4
- Front-to-back file bars – optional
- Full-height dividers – optional
- Angled full pull

CONSTRUCTION

- Top stiffener bar
- Corner gussets
- Four (4) ganging drill points are marked to ensure correct positioning
- Cam lock included
- Leveling glides
- Counterweights are included in 2, 3 and 4 drawer cabinets. BIFMA does not require counterweight in 5 drawer cabinets.

PEDESTAL FEATURES

DRAWERS/SHELVES

- All drawer fronts feature a recessed, angled full pull.
- Drawers feature ball bearing suspension.

CONSTRUCTION

- Central Core removable cam locks.
- Pedestals are 15" wide.
- Counterweight is standard on all Freestanding models.
- Worksurfaces supporting models have holes drilled in top to attach underneath a worksurface.

STANDARD PAINT COLORS

DESIGNER WHITE	DWT
FOG	FOG

GENERAL WARRANTY INFORMATION

- Evolve warrants all components of metal storage and filing for the lifetime of the product to the original purchaser.

This page provides a three dimensional view of a sample configuration highlighting each **Worksurface** component required when specifying this configuration.

TERMS & CONDITIONS

APPLICATION OF STANDARD TERMS

Sales of Evolve products are made only on Evolve standard terms and conditions of sale which are contained in the Price Book and in Evolve's order acknowledgments. These standard terms and conditions may be modified or supplemented only by a separately written document signed by Evolve's authorized personnel at its head office in Marlton, New Jersey. An offer by Purchaser of said terms and conditions shall not be binding until accepted by Evolve in writing.

All illustrations, specifications and prices in this Price List are based on the latest product information available at the time of publication. Evolve reserves the right to make changes, at any time and without prior notice, to prices, colors, materials, specifications and models offered.

PRICES AND PAYMENT

The prices shown in this Price List, as well as those quoted by Evolve, shall be in US dollars for orders shipped to destinations within the continental United States.

Prices listed herein are for standard product. Quotations for special product are available through Evolve Customer Support Department in Marlton, New Jersey.

Not included in the list price are special or export packing, unpacking and installation. Orders are invoiced at the time of shipment. The Customer agrees to pay a charge of 2% per month of invoices outstanding more than 30 days.

FOR PAYMENTS ONLY, MAIL TO:

Evolve Furniture Group, a division of:
Global Industries, Inc.
17 West Stow Road
P.O. Box 562
Marlton, New Jersey 08053

Any products sold shall remain the property of Evolve until fully paid for in cash. The Purchaser agrees to perform all acts which may be necessary to perfect and assure retention of title to such products to Evolve until such time as the goods have been paid for in full.

Freight charges will be prepaid by Evolve to destinations within the contiguous United States on shipments of $10,000 list and greater. For shipments less than $10,000 list, the freight charge will be 5% of the total list price.

Please note exception below:
All showroom and mock-up orders will be subject to actual freight charges.

Evolve shall, in its sole discretion, determine the most appropriate method of shipment routing and carrier. Shipments of less than a full trailer load (LTL) shall ship via common carrier. **These LTL shipments are not subject to specific delivery days or times.** Full trailer loads will provide for dedicated delivery time and schedule. Purchaser may request special packaging or method of shipment at Purchaser's sole expense.

TAXES

All sales, use, excise and other applicable taxes and the collection and reporting thereof (excluding only taxes on the net income of Evolve) are the Purchaser's responsibility and will be invoiced to the Purchaser. If Purchaser claims an exemption from such taxes, it shall be the Purchaser's responsibility to furnish an appropriate exemption certificate to Evolve.

ORDER INFORMATION

Evolve requires that **all orders be submitted electronically** to avoid errors and/or duplication. Orders will be acknowledged with Evolve's acknowledgement forms governing the transaction. The details appearing on the acknowledgement will describe the items to be shipped to Purchaser who must ascertain that they are correct. If not correct, Purchaser should notify Evolve immediately by telephone or fax followed by written confirmation. Acknowledgment shows approximate shipping date of items ordered. **Shipping dates are assigned to orders based on the item having the longest manufacturing lead time.** Orders with missing or incorrect information (finish selections, fabric selections, etc.) will be scheduled for manufacturing upon receipt correct complete information. Purchaser must indicate if multiple shipping schedules are required including noting if the shipping date requested is longer than standard posted lead time. Each shipment will be invoiced at time of shipping and will be subject to payment terms described herein.

CHANGES AND CANCELLATION

The order may not be changed or cancelled by Purchaser without the written consent of Evolve. This charge can be as much as 100% based upon proximity to scheduled shipment date. Special order items and fabric-covered items already in production are not subject to change or cancellation under any circumstances. Fabric-covered items are considered to be in production once the fabric has been cut.

SUSPENSION

In the event that the Purchaser defaults in the payment of any sum due Evolve, or in the event the Purchaser's financial condition becomes unsatisfactory to Evolve, Evolve shall have the right at its option, upon written notice to the Purchaser, to cancel shipment of any goods, unless within ten (10) days of Purchaser's receipt of such notice Purchaser provides assurance of payment to Evolve in such form, content and/or amounts as Evolve, in its sole discretion, deems adequate.

CODE RESTRICTIONS

Evolve portable furniture may be subject to local fire, electrical and/or building codes applicable to portable furniture. It shall be Purchaser's sole responsibility for the proper application of Evolve items within the limitations of such local codes, which may be different from area to area.

SERVICE

Service problems shall be handled by the authorized Evolve dealer. Where this cannot be accomplished on a local level, service problems should be referred to:
Evolve Furniture Group
Customer Support
17 West Stow Road
Marlton, New Jersey USA 08053
856-552-4000 888-827-2500
Attention: Evolve Operations Manager

STORAGE

In the event Purchaser requests postponement of delivery beyond the acknowledged shipping date, Evolve may transfer the goods to storage on Purchaser's account and at Purchaser's risk and expense subject to a daily storage rate. Such transfer to storage shall be deemed shipment to Purchaser for all purposes, including invoicing and payment.

DELAYS

Evolve's order acknowledgement will state a shipping date which is Evolve's best estimate at the time the order is acknowledged. However, Evolve shall not incur any obligation or liability to Purchaser for failure to ship by a specified date. In addition, Evolve shall not be liable for any loss or damage resulting from any delay or failure in shipment or other failure to perform all or any part of the agreement between the parties with respect to the goods shown on the face of the order acknowledgement where such delay, failure, loss or damage is the proximate result of any act of any governmental authority or political subdivision thereof, revolution, riot, civil disorder or disturbance, act of enemies, delay or default in transportation, strike disputes among or between unions or other labor disputes, delay or inability in obtaining materials and facilities, fire, flood, act of God or any cause not within the reasonable control of Evolve, whether of the class of causes enumerated or otherwise. Without limiting the generality of the foregoing, Evolve may, without causing any breach or incurring liability, allocate goods which are in short supply, regardless of the reasons therefore, among purchasers, in any manner which Evolve, in its sole discretion, deems advisable.

BACK CHARGES

Evolve will not accept charges for expense incurred by the Purchaser in expediting shipments or otherwise. Evolve will not accept charges for the repair of damage by others.

CLAIMS

All goods are sold F.O.B. Toronto, Canada, unless otherwise agreed to in writing by Evolve. Evolve is not responsible for damage which occurs in transit or in storage. The carrier signs for all goods received in good order. It is the Purchaser's responsibility to examine goods upon receipt and to file any claims with the carrier. Any claims made against Evolve for apparent defects, errors or shortages must be made by the Purchaser in writing, within fifteen (15) working days after any delivery. Failure by the Purchaser to make any claim against Evolve within the above-described fifteen days shall constitute acceptance of the goods and a waiver of any apparent defects, errors or shortages.

RETURNS

No returns of goods will be accepted without written consent and shipping instructions, including Evolve's Return Goods Authorization (R.G.A.) numbers, to Evolve. A minimum restocking charge of 35% is made on all authorized returns for credit or refund, provided goods are received by Evolve in the condition in which they left the factory. No credit will be given if goods cannot be reused. Special order items and fabric-covered items are in no event subject to return. All returns must be approved and authorized in writing by Evolve Customer Support, Marlton, New Jersey.

LIFETIME WARRANTY

Evolve warrants that all commercial products are free from defects in material and workmanship, for the life of the product, to the original purchaser. This warranty is made by Evolve only to original customers acquiring the product directly from Evolve's authorized dealers. The customer's sole remedy pursuant to this warranty is limited to repair or replacement of parts or product at Evolve's option. Consent from Evolve must be obtained before any warranty work is performed. This warranty shall not apply to any products which must be replaced because of normal wear and tear, negligence, abuse or "accident", shipping damage, or product use and installation other than in accordance with written instructions or warnings. It shall also not apply when product has been modified or altered, repaired or refurbished by someone other than Evolve or an authorized dealer or because of natural variations over which Evolve has no control. In the event of repair and/or replacement of any defective product, Evolve does not warrant matching color, grain, texture or dye lots. Evolve's warranty does not cover the cost of transportation or labor. Repair or replacement will be at Evolve's option. Evolve makes no warranty that any of its products are suitable for any particular purpose and makes no other warranties, expressed or implied, other than those set forth in this Price List. As codes and standards vary from one jurisdiction to another, references to compliance are solely for convenience and without any representation as to accuracy or suitability. Users must verify the suitability of such information or product for their specific application. In no event shall Evolve be liable in either tort or contract for any loss or direct, special, incidental, consequential, or exemplary damages.

This Lifetime Warranty is NOT applicable to customers who use Evolve products for rental purposes and is effective only for products, parts or components manufactured after January 1, 2011.

Exceptions to this warranty include:

- Global fabrics and wood veneers, which are warranted for five years from date of delivery.
- Electrical components, which are warranted for ten years from the date of delivery.
- Moving parts such as glides, slides, casters, user-adjustable worksurface mechanisms, which are warranted for five years from date of delivery.
- Fading on fabric and wood veneers can be caused by exposure to U.V. rays/sunlight. Natural wood veneer, being a natural material, will have shade differences between veneer sheers, the difference will be more apparent between dye lots.

Evolve does not warrant color fastness on Customer's Own Material.

Because of natural variations over which Evolve has no control, this warranty does not extend to color, grain or texture of wood, and Evolve does not warrant matching of color, grain or texture.
Evolve makes no warranties, including implied warranties of merchantability and fitness for a particular purpose, other than the express warranties contained herein.

LIMITATION OF REMEDY

Purchaser's sole and exclusive remedy (excluding the repair or replacement of goods for breach of the express warranty above) for any matter or claim arising under or relating to these terms and conditions, the goods covered hereby and any transaction involving or relating to such goods, whether in contract, tort (including negligence) or otherwise, shall be payment of the lesser of the cost to repair or replace said product or the purchase price for the goods to which the claim relates. In no event shall Evolve be liable for any special, indirect, consequential, or incidental damages, including without limitation, damages for loss of business profits, business interruptions, or loss of information.

EVOLVE'S WARRANTY DOES NOT APPLY (FOR ANY PRODUCT CATEGORY) TO THE FOLLOWING:

- Failures due to wear and tear
- Failures which result from negligence, abuse, accident or misuse
- Failure to apply, install or maintain products according to Evolve's written instructions and warnings
- Modifications, attachments or repair methods not approved by Evolve
- Damage caused by a carrier in transit, or delivery/installation contractors
- The matching of colors, grains or textures (wood, leather, etc.) of natural materials and color matching of textiles
- Products exposed to extreme hot or cold temperatures or excessively dry or humid environments
- Colorfastness or the matching of color of textiles
- Damage by markings or staining; damage by sharp objects or imprinting from instruments
- Damage to textiles or laminate and wood surfaces/edges from exposure to sunlight (including UV rays)
- Products used for rental purposes

Evolve's warranty applies to products sold within the United States of America, Mexico, the Commonwealth of Puerto Rico and Canada.

PROTECTING THE ENVIRONMENT FOR FUTURE GENERATIONS

Our environmental success story began with the challenge to create an office system that would meet today's business requirements while maintaining a firm commitment to save and protect the environment.

Sustainability became a part of the creative focus and development of Evolve that incorporates the latest technology and design features to provide excellent performance at a competitive price.

As government and industry environment ratings such as LEEDS & Greenguard become more prevalent, Evolve offers designers and architects functional, attractive, and economical office designs that meet these standards.

Evolve is a leader in reducing waste in the manufacturing of its products as well as utilizing recycled materials wherever possible. We make extensive use of recycled plastic and wood waste from other Global factories.

Evolve is committed to the continuous improvement of our environmental systems, the prevention of pollution, and to comply with both the spirit and the letter of all relevant environmental legislation.

Evolve Panels are 100% recyclable at the end of their lifespan. Nothing from an Evolve Panel needs to end up in a landfill.

PRODUCT INFORMATION

Evolve offers fabrics that are made from 100% recycled polyester, which means less waste going to landfills. These fabrics also reduced the demand for petroleum products, and decrease the environmental impacts of processing those petroleum products into polyester.

Evolve has developed a Panel interior made from 100% recycled wood and polypropylene. Through innovative design and technology, Evolve utilizes waste that would have normally been sent to landfill.

Evolve Panels are insulated with Roxul, a mineral wood insulation made from slag, an inert steel by-product, and basalt rock. Roxul is a high density product that provides maximum sound absorption to reduce noise in the work environment. Roxul insulation is fire resistant, water repellent and will not support the growth of fungi or mildew.

Evolve's epoxy powder coating process involves no liquids and is solvent free. It contains no harmful VOC's or lead. Up to 99% of over sprayed powdered is reclaimed, mixed with virgin powder and reused.

BEAM

Power Beam

- All metal components are painted with environmentally friendly epoxy powder.
- Raceway Interiors are coated with recycled epoxy powder.
- The entire Evolve Power Beam and the processes used to manufacture it are designed to save and protect the environment. Evolve panels are made from recycled materials and are 100% recyclable.
- Componets conform to CGSB and ANSI/BIFMA Standards
- The quality and performance level of these panels have been tested to equal or exceed the requirements of the U.S. Government.
- Power Beam has a steel frame and is 2 7⁄8" thick. Corner posts create a panel creep of 3 1⁄4".
- Leveling Glides extend 1 1⁄2" high.

Power Beam Options

- Power Beams are available in the following heights: 24", 30", and 36".
- Module widths come in seven (7) sizes: 36", 42", 48", 54", 60", 66" and 72"
- Straight, 90 Degree & 120 Degree

Extension Module Options

- Acoustic Fabric (Tackable), Glazed, Open, Laminate, Whiteboard,, Air Flow.
- Attaches to the top of the Power Beam or another extension module (not to exceed 42"h above finished floor).
- Offered in 6", 12", and 18" heights
- Can be stacked up to 42" high above the finished floor (A.F.F.)

Beam Reconfiguration

- Extension Modules can be modified on site by replacing fabric modules with Glazed, Open, Laminate, Whiteboard or Air Flow at any time after the initial installation.
- Fabric can be replaced easily; using pre-cut segments of fabric, a drawstring (C-Jex) is sewn in around the edges. Then a rubber spline is used to 'screen' the fabric in place.

VOICE/DATA AND ELECTRICAL POWER

- NOTE: Panels and Electric components are CSA/UL approved. Tools are not required to install electrical in the Power Beam.

Electric Information

- Electric can be run in all three Power Beam heights (24'h, 30"h or 36"h)
  - 8-Wire, 4-Circuit Capability
  - 2 Utility + 2 Dedicated Circuits
  - 10 Gauge (oversized) Neutrals
- All circuits can support up to 20 amps (15 CSA)
- Contact Evolve customer care for additional wiring options.

Raceway Information

- Raceway knockouts sizes conform to the ANSI/TIA/EIA Furniture Opening Standard of 1.38" x 2.71".
- Power Beam raceway is available at 36"- 72" wide.
- 36"- 60" - 2 electric / 1 data on each side.
- 66" & 72" - 4 electric / 1 data on each side. (When specifying 4 duplexes on one side 2 i-connectors are required per side.)
- Standard data face mount plates can be used without the need of adapter plates (supplied by others).
- **Cabling Capacities**
  (calculations below are based on .25" diameter communication cables.)
- **Power Modules**
  - Without Electric – 65 Cables
  - With Electric – 54 Cables
- **Panel Connectors - 90 Degree Connector Posts**
  - Without Electric – 45 cables
  - With Electric – 25 Cables

WORK TABLES

Freestanding Tables

- Foli height adjustable (23" or 29"d)
- Bungee (20", 24" or 30"d)
- Junction (20", 24" or 30"d)
- 2gether (18" or 24"d)

- **Power Beam is a freestanding beam system and does not support attachment of an Evolve brackets or overhead storage including cantilevers or other support brackets.**

WARRANTIES AND PERFORMANCE

- A Lifetime Warranty
- Non Obsolescence Warranty
- Reduced cost of assembly and reconfiguration
- ISO9001:2000 Registered
- ISO14001:2004 Registered
- GreenGuard Certified
- ANSI/BIFMA CGSB testing on all products
- For piece of mind over the long term, we cover you with a comprehensive warranty that is supported by our dealer network.
- Some installation companies claim that the Evolve Panels System can be installed in half the time it takes to install most of our competitor's segmented panels. This cost saving can amount to thousands of dollars over the lifetime of our furniture.
- Your assurance of consistent quality to an international standard. Evolve Systems is committed to design, manufacture and distribute superior quality office furniture, which meets or exceeds the requirements of our customers.
- Confirmation that Evolve is committed (1) to providing product that, through their entire life cycle, minimize negative environmental impacts on the environment, (2) to continuous improvement to our environmental systems and programs and (3) to comply to all relevant environmental legislation and regulations.
- Evolve Systems can help a company meet LEED requirements for office furniture.
- Evolve components are tested to the highest standard in the industry. This is your assurance of quality and longevity.

TECHNICAL FEATURES OF POWER BEAM:

- Evolve Power Beam is 2 7⁄8" thick.
- An aluminum low profile top cap is included with Power Beams.
- Power Beam will accommodate 65 .25" diameter communication cables without electrical or 54 .25" diameter communication cables with electrical.
- 90-degree post extension accommodates 45 .25" diameter communication cables without electrical and 25 .25" diameter communication cables with electric.
- Raceway knockout openings are 1.38" x 2.71".

BASIC FEATURES OF POWER BEAM:

- Power Beam is available in three (3) heights: 24"h, 30"h and 36"h; and seven (7) widths: 36"w, 42"w, 48"w, 54"w, 60"w, 66"w and 72"w.
- There is no panel creep in a straight Beam-to-Beam configuration; however, a corner post (2, 3, 4 way) will add 3.25" inches to a beam run.

BASIC FEATURES OF EXTENSION MODULES:

- Extension modules stack on the top of a Power Beam or another extension module (maximum height - 42"h, above finished floor).
- Fabric extension modules may have different fabrics on opposite sides within the same grade with no up-charge.
- If different grades of fabric are used on one module, the entire modules will be priced utilizing the fabric with the highest grade.

GENERAL WARRANTY INFORMATION:

- Panel and tackboard textiles, adjustable keyboard mechanisms, tasklights and electrical devices = ten (10) Years
- Other parts = Lifetime Warranty

EVPB24CPSANR - NR PANEL TO 36"H POWER BEAM 3 WAY CORNER POST

- Connects NR panels and 36"H power beams in 90 degree configuration
- Post and connecting hardware ad 3.25" to power beam run
- Includes post, panel connectors and power beam connectors, post with trim all around, levelling glide, hardware and trim kit. Pass through only for power beam, power beam leg slotted

EVPBGICBS - POWER BEAM SLOTTED CONNECTOR WITH BASE FOR GLIDE

- Slotted connector allows to attached brackets for worksurfaces
- Connects two power beams on equal height
- Includes slotted connector with glide and connecting hardware

DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	EVPBGICBS24	76	24	2	
	EVPBGICBS30	83	30	2	
	EVPBGICBS36	90	36	2	

Note: Power Beam to be installed in stable configuration using two way posts, three way posts, four way posts to provide support for worksurfaces.

EVPBLS - POWER BEAM SLOTTED CONNECTOR WITH LEG

- Slotted connector allows to attached brackets for worksurfaces
- Connects two power beams on equal height
- Includes slotted connector with leg, glides and connecting hardware

DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	EVPBLS24	116	24	18	
	EVPBLS30	122	30	18	
	EVPBLS36	128	36	18	

Note: Power Beam to be installed in stable configuration using two way posts, three way posts, four way posts to provide support for worksurfaces.

EVPBFCGS - VERTICAL BASE POWER FEED COVER WITH GLIDE

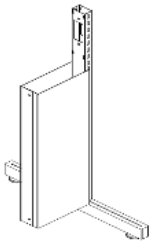
- Slotted connector allows to attached brackets for worksurfaces
- Connects to electrical cut out power beam
- Includes vertical covers and slotted connector with glide base, end-of-run trim below power beam. Power Beam with electrical cut out to be ordered separately.

DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	EVPBFCGS24	198	24	6	3
	EVPBFCGS30	224	30	6	3
	EVPBFCGS36	255	36	6	3

Note: Power Beam to be installed in stable configuration using two way posts, three way posts, four way posts to provide support for worksurfaces.

EVPBFCLS - VERTICAL BASE POWER FEED COVER WITH SLOTTED LEG

- Slotted connector allows to attached brackets for worksurfaces
- Connects to electrical cut out power beam
- Includes vertical covers and slotted connector with leg, end-of-run trim below power beam. Power Beam with electrical cut out to be ordered separately



DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	EVPBFCLS24	235	24	6	21
	EVPBFCLS30	264	30	6	21
	EVPBFCLS36	290	36	6	21

Note: Power Beam to be installed in stable configuration using two way posts, three way posts, four way posts to provide support for worksurfaces.

EVPBIEC - EXTENSION CONNECTOR SLOTTED FOR POWER

- Attaches to power beam connector
- Includes slotted extension connector and connecting hardware
- Must be attached to power beam connector with provided screw before installing power beam

DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	EVPBIECS06	53	6	2.875	
	EVPBIECS12	53	12	2.875	
	EVPBIECS18	63	18	2.875	
	EVPBIECS24	63	24	2.875	

EVPBLERT - END OF RUN TRIM FOR CONNECTOR

- Finishes exposed connector at the end of a run of Power Beam
- Power Beam connector nor included

DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	EVPBLERT48	91	45.4	2.875	
	EVPBLERT54	97	51.4	2.875	
	EVPBLERT66	102	63.4	2.875	

Note: Power Beam to be installed in stable configuration using two way posts, three way posts, four way posts to provide support for worksurfaces.

EVPBGICBM - POWER BEAM CONNECTOR WITH BASE AND CASTOR

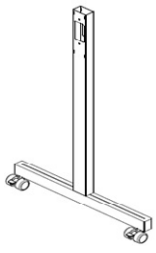
- Connects two power beams on equal height
- Includes connector with castor and connecting hardware
- Castors are lockable
- Laminate end panel with castors must be used at end with T leg for stability

DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	EVPBGICB24M	95	25	2	
	EVPBGICB30M	102	31	2	
	EVPBGICB36M	109	37	2	

Note: Castors to be locked when power feed is connected to wall outlet. Disconnect power feed from power before moving power beam.

EVPBLM - POWER BEAM CONNECTOR WITH LEG AND CASTORS

- Connects two power beams on equal height
- Includes connector with leg, castors and connecting hardware
- Castors are lockable
- Laminate end panel with castors must be used at end for stability

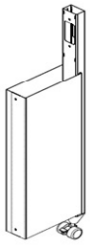


DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	EVPBL24M	152	25	18	
	EVPBL30M	158	31	18	
	EVPBL36M	163	37	18	

Note: Castors to be locked when power feed is connected to wall outlet. Disconnect power feed from power before moving power beam.

EVPBFCGM - VERTICAL BASE POWER FEED COVER WITH CASTOR

- Connects to electrical cut out power beam
- Includes vertical covers and connector with castor
- Castors are lockable
- End of run trim below power beam included
- Power beam with electrical cut out to be ordered separately
- Power beam base feed with plug to be used, to be ordered separately
- Laminate end panel with castors must be used at end with T leg for stability



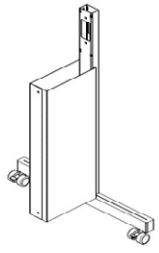
DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	EVPBFCG24M	216	25	6	3
	EVPBFCG30M	243	31	6	3
	EVPBFCG36M	273	37	6	3

Note: Castors to be locked when power feed is connected to wall outlet. Disconnect power feed from power before moving power beam.

POWER BEAM MOBILE

EVPBFCLM - VERTICAL BASE POWER FEED COVER WITH LEG AND CASTORS

- Connects to electrical cut out power beam
- Includes vertical covers and connector with leg with castors
- Castors are lockable
- End of run trim below power beam included
- Power beam with electrical cut out to be ordered separately
- Power beam base feed with plug to be used, to be ordered separately
- Laminate end panel with castors must be used at end with T leg for stability



DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D

Note: Castors to be locked when power feed is connected to wall outlet. Disconnect power feed from power before moving power beam.

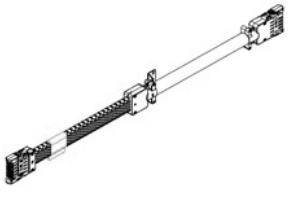
EVE8FR3PBP - POWER ENTRY FOR POWER BEAM WITH PLUG FOR WALL PLATE INFEED

- Snaps in to power distribution housing
- Includes 48" long flexible vinyl conduit with Dekko plug
- Includes bracket to attach to Vertical raceway panel
- Power beam with electrical cut out must be ordered
- 71" long base feed will work with 24"and 36" H Power beam
- Power beam base feed with Dekko plug will fit only into wall plate infeed
- Wall plate infeed must be hardwired to source by licensed electrician



DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	EVE8FR3PBP	369		71	

Note: Only compatible with wall plate infeed EVE8WPIPB

EVE8WPIPB - WALL PLATE INFEED FOR POWER BEAM WITH DEKKO PLUG

- Wall plate infeed must be installed and hardwired to source by licensed electrician
- Only Power beam base feed with Dekko plug will fit into Wall plate infeed
- Power beam base feed with Dekko plug to be ordered separately

DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	EVE8WPIPB	600	5.25	5.25	1.75

Note: Only compatible with power beam base feed with Dekko plug EVE8FR3PBP

EVE8CP-H - CEILING PASS THRU CABLES WITH WIRE MESH

- Pass thru cable to connect from ceiling to power beam
- Pass thru cables with wire mesh allows to connect thru ceiling post to Panels, Beltline and Power beam
- In ceiling connects thru "I" connector to hardwired standard ceiling feed laying in ceiling
- "I" connector and standard ceiling feed to be ordered separately

DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D

TIPS!!

When ordering Beam Extension Modules, Inline Extension Connectors (EVPIEC) must be ordered separately. Please see EVPBIEC for details.

Inline Extension Connectors for Power Beam connect two Beam Extension Modules of equal height in a straight run.

Extension connectors do **not** provide support for hang-on storage components.

EVPFE - FABRIC PANEL EXTENSION MODULE

- Attaches on top of a panel.
- Modules can be stacked to add privacy or divide space.
- Each side of the fabric module may have a different fabric within the same grade at no charge.
- Panel Extension Modules cannot install higher than 42" high above finished floor.
- If different grades of fabric are used on one module, the entire module must be priced at highest grade.
- When ordering Panel Extension Modules, additional connectors are required.
- Fabric on 66" and 72" wide fabric panel extension modules is applied railroaded. Any connecting beams in other widths should be specified with railroaded fabric as well to match.
- *Top Trims are not included with Extension Modules.

EVPBLEPDCNC - POWER BEAM LAMINATE DOUBLE SIDED MIDDLE GALLERY PANEL, 24" ELECTRICAL CUTOUT, FINISHED ENDS

- Attaches to power beam channel.
- To be installed in middle between two power beam in straight run.
- Cut out for electric at 24" power beam height
- Finished in thermally fused laminate.
- No connection both sides.
- Laminate Gallery Panel height is inclusive of panel glides extended to their full height.
- If wood grain is selected, grain runs horizontally.
- Power beam channel and bottom connecting bracket to be ordered separately.

EV2LXP - LAMINATE GALLERY TWO-WAY EXTENSION PANEL, FINISHED ENDS

- Panel connects at 90 degree with extension panel.
- Finished in thermally fused laminate.
- Laminate Gallery Extension Panel height is inclusive of panel glides extended to their full height.
- If wood grain is selected, grain runs horizontally.
- Corner connecting brackets to be ordered separately.

		EVE8PD66	288		41 1⁄2	
		EVE8PD72	304		41 1⁄2	

EVE8CP - FLEXIBLE MESH JUMPER CABLE

- Used to connect two power distribution housings in a straight run, 90-degree or 120-degree connections.
- 18.5" flexible mesh jumper replaces EVE8CP20 jumper for corner post applications.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	L	D
	Flexible Mesh Jumper Cable	EVE8CP17	135		17 1/2	
		EVE8CP18	167		18 1/2	

EVE8CPXX-H - PASS-THROUGH CABLE

- Flexible metal conduit with wire mesh distributes electrical power through non-powered beams.
- To calculate the length of a Pass-Through Cable, add the widths of the non-powered beam separating the powered panels (panels with distribution housing attached). To this, add 16" (distance from the edge of the panel to the distribution housing x 2).
- Add additional 3" when passing through a post. See the Tips at the beginning of the section for more details.
- Hybrid pass-through cables with wire mesh allows connection at 90 degree post at one end for Evolve panels including Beltline and Power Beam.

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	L	D

EVE8CP50-H - JUMPER CABLE PANEL TO POWER BEAM

- Jumper cable to connect panel power distribution housing to power beam
- Hybrid jumper cable with metal conduit and with 24" long wire mesh end to be able to plug into power beam
- Panel to Power beam Post with vertical base feed covers to be ordered separately
- Power beam with electrical cut out must be ordered
- 50" long Jumper cable will work with 24", 30" and 36" H Power beam

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	L	D
	Jumper cable Panel to Power Beam	EVE8CP50-H	229		50	

EVE8CI-1 - "I" CONNECTOR

- Female - Female connector used to connect two Pass-Through Cables
- Connects receptacles for 66" w and 72" w modules when two are required on one end

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	"I" Connector	EVE8CI-1	101			

EVE8RD - DUPLEX RECEPTACLE TO CONVERT STANDARD 2 + 2 SYSTEM TO 3 + 1

- Duplex receptacle are rated for 15 Amps
- EVE8RDA-4 = Duplex receptacle A without triangle to be utility circuit
- EVE8RDB-4 = Duplex receptacle B without triangle to be utility circuit
- Up to 6 receptacles per circuit (24 per infeed) not to exude total 15 Amps per circuit
- Standard in black. Available in White or Nevada with upcharge. Add $3

	DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	L	D

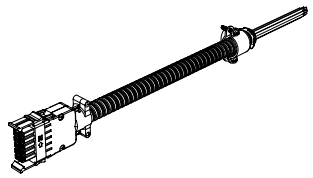
EVE8FR3PB - POWER ENTRY FOR POWER BEAM

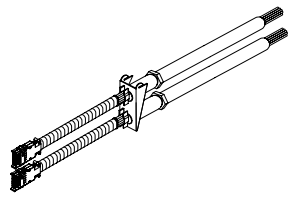
- Snaps in to power distribution housing
- Includes 84" long flexible vinyl conduit
- Includes bracket to attach within vertical infeed cover
- Must be hardwired to source by licensed electrican



DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	EVE8FR3PB	518		84	

EVE8FR3PBD - DOUBLE POWER ENTRY FOR POWER BEAM

- Each power feed entry snaps into separate power distribution housing
- Includes two 84" long flexible vinyl conduit
- Includes double bracket to attach to Vertical base power feed cover leg
- Must be installed in middle between two power beams, one base feed plugs to power beam on opposite side of leg than attached bracket
- Vertical base power feed cover with leg to be ordered separately
- Must be hardwired to source by licensed electrician

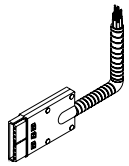


DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	W	D
	EVE8FR3PBD	865		84	

NOTE: Always determine that each individual harness is electrically connected to only one power supply.

EVE8EC - CEILING POWER ENTRY

- Must specify at a 90 or 120 Degree Post
- Post extension specified separate
- Floor plate must be separate on post with ceiling infeed



DESCRIPTION	PRODUCT CODE	LIST PRICE	DIMENSIONS/INCHES H	L	D
Ceiling Power Entry	EVE8EC1	304		132

NOTES

textiles and finishes

Care and Cleaning

The following guide encompasses the Power Beam System line.
The guide was compiled using information from our "raw" material suppliers and is relevant only to our standard offering finishes and textiles.

FABRICS

To extend the life of your upholstered panels, regularly dust the panel to prevent airborne particles from penetrating the fabric surface.

For light soiling, use a damp cloth and blot the spot with very slight pressure, taking care never to soak the fabric. Dry with a clean cloth by blotting - never rub fabric. More intense stains can be treated the same way, but with a mild detergent. Always test fabric first in an unseen area before using any cleaning method.

PANEL FRAMES

The panel frames are manufactured out of sturdy aluminum with a powder coated enamel paint finish. To clean the frames of the panels, and all hardware associated with the Evolve line, simply utilize a clean, damp cloth. For stubborn stains on the panel frames, you may consider adding a mild detergent.

GLAZED PANELS

Cleaning of the glazing in panels should only be done with a damp lint-free cloth. A mild detergent can be used if necessary. Do not use paper towels in combination with a window cleaner-this may cause scratches to the glazing.

WORKSURFACES

The worksurfaces are manufactured using primarily Nevamar Brand laminates as the exposed surface. To properly clean these areas, it is best to use a clean, damp cloth and circular motion to prevent streaks. For stubborn stains, you are able to add a mild detergent to the water. Be certain not to use an ammonia-based solution. It will react with the PVC, or wood edge trim, causing permanent damage to the contacted areas.

ACCESSORIES

The accessories sold with the Evolve product line can be simply cleaned with a clean, damp cloth. If they are really dirty, a mild, non-abrasive solution may be added. Wipe with a damp cloth after the solution, and finally, a dry cloth.

*Premium paint selections are available on the following components: Panels (top trim and frame), Hardware, End-of run/Post Kits, and Accessories at a 22% upcharge. Storage with no upcharge.

*Please note all Double Wall Storage units must be ordered in a minimum quantity of 50 when ordering in a premium paint finish. Different model types can be combined to achieve the minimum quantity required. See pages 192-193 for affected models.

All special and premium paint match orders of 50 panels or less will incur a $500 net setup fee. Panels, hardware, accessories and storage may be combined on orders to achieve minimum of 50 pieces or more and will not be subject to $500 net set up fee. Add on orders will not have that charge for 90 days after the original order has shipped and must have the original PO# quoted otherwise they will not qualify for the program.

Global matte paint finishes are available on most Evolve Storage pieces without an up charge regardless of quantities.

All Mica and Metallic paint finishes will incur a minimum up charge of 10%.

All non-standard paint finishes must be approved by Evolve prior to placing an order.

ADA Overheads are not available in Evolve premium color paints. ADA Overheads are available in Evolve standard paint colors only.

Frames for all Open Panel models, all panel retainers, PVC components for panels and connectors are unavailable in premium or special/custom paint colors. They are available in standard Evolve paint colors only.

Fax completed form to: 856.596.5684

MAIL FORM AND TEXTILE SAMPLE ONLY TO:

GLOBAL - COM Department
17 West Stow Road
Marlton, NJ 08053 | 856.596.3390

Please contact your local EVOLVE CustomeCare representative for status of all COM requests. When textile is approved and an authorization number issued, a set of shipping instructions will be faxed or e-mailed to you.

Approved textiles are to be shipped to the address that will be included with instructions. Do not ship textiles to the address on this form. Dealer is responsible for the shipping expenses. Brokerage fees will be paid for by Global. However, duties imposed by North American Governments related to textile materials, content and Country of Origin, additional fees may apply and will be billed separately.

Please Note: C.O.M Textiles may not be shipped without shipping documents. GLOBAL is not responsible for any material shipped without the authorization number.

Please be advised that Global has phased out the use of textiles that contain certain Phthalates, including but not limited to: DEHP (di (2-ethylhexyl) phthalate), DBP (di-n-butyl phthalate), BBP (butyl benzyl phthalate) and DINP (di-isononyl phthalate) (collectively the "Listed Chemiclas"). The Listed Chemicals are used in certain types of vinyls. Global cannot accept orders for textiles that contain the Listed Chemicals, if such orders are to be shipped to the U.S.A. or are intended for customer in the U.S.A. If you are not sure if the C.O.M you have selected contains the Listed Chemicals, please contact the manufacturer or supplier of the fabric to verify.

TERMS & CONDITIONS

APPLICATION OF STANDARD TERMS

Sales of Evolve products are made only on Evolve standard terms and conditions of sale which are contained in the Price Book and in Evolve's order acknowledgments. These standard terms and conditions may be modified or supplemented only by a separately written document signed by Evolve's authorized personnel at its head office in Marlton, New Jersey. An offer by Purchaser of said terms and conditions shall not be binding until accepted by Evolve in writing.

All illustrations, specifications and prices in this Price List are based on the latest product information available at the time of publication. Evolve reserves the right to make changes, at any time and without prior notice, to prices, colors, materials, specifications and models offered.

PRICES AND PAYMENT

The prices shown in this Price List, as well as those quoted by Evolve, shall be in US dollars for orders shipped to destinations within the continental United States.

Prices listed herein are for standard product. Quotations for special product are available through Evolve Customer Support Department in Marlton, New Jersey.

If shipping date requested is more than 90 days from date of order Evolve shall use published list prices effective at the time of shipment.

Not included in the list price are special or export packing, unpacking and installation. Orders are invoiced at the time of shipment. The Customer agrees to pay a charge of 2% per month of invoices outstanding more than 30 days.

FOR PAYMENTS ONLY, MAIL TO:

Evolve Furniture Group, a division of:
Global Industries, Inc.
17 West Stow Road
P.O. Box 562
Marlton, New Jersey 08053

Any products sold shall remain the property of Evolve until fully paid for in cash. The Purchaser agrees to perform all acts which may be necessary to perfect and assure retention of title to such products to Evolve until such time as the goods have been paid for in full.

Free freight applies to orders dock delivered to one commercial business location in the contiguous United States during normal business hours. Residential deliveries will incur additional delivery charges.

Please note exception below:
All showroom and mock-up orders will be subject to actual freight charges.

Evolve shall, in its sole discretion, determine the most appropriate method of shipment routing and carrier. Shipments of less than a full trailer load (LTL) shall ship via common carrier. **These LTL shipments are not subject to specific delivery days or times.** Full trailer loads will provide for dedicated delivery time and schedule. Purchaser may request special packaging or method of shipment at Purchaser's sole expense.

TAXES

All sales, use, excise and other applicable taxes and the collection and reporting thereof (excluding only taxes on the net income of Evolve) are the Purchaser's responsibility and will be invoiced to the Purchaser. If Purchaser claims an exemption from such taxes, it shall be the Purchaser's responsibility to furnish an appropriate exemption certificate to Evolve.

ORDER INFORMATION

Evolve requires that **all orders be submitted in writing** to avoid errors and/or duplication. Orders will be acknowledged with Evolve's acknowledgement forms governing the transaction. The details appearing on the acknowledgement will describe the items to be shipped to Purchaser who must ascertain that they are correct. If not correct, Purchaser should notify Evolve immediately by telephone or fax followed by written confirmation. Acknowledgment shows approximate shipping date of items ordered. **Shipping dates are assigned to orders based on the item having the longest manufacturing lead time.** Orders with Customer's Own Material (C.O.M.), or missing or incorrect information (finish selections, fabric selections, etc.) will be scheduled for manufacturing upon receipt of COM or correct complete information. Purchaser must indicate if multiple shipping schedules are required including noting if the shipping date requested is longer than standard posted lead time. Each shipment will be invoiced at time of shipping and will be subject to payment terms described herein.

C.O.M. CUSTOMER'S OWN MATERIAL

Should Purchaser request a fabric, not standard to the Evolve upholstery line, Purchaser shall submit a sample of not less than two yards for approval. Evolve will determine whether fabric is suitable to manufacturing process and applicable UL or code requirements. Should Evolve be required to test such fabric, it shall so advise Purchaser, and Purchaser shall be responsible for all costs associated therewith. This includes all duty and brokerage fees.

Fabric yardage requirement will be determined by Evolve. An additional charge may be made to cover the cost of cutting, matching or sewing unusual or directional patterns. Evolve shall have no responsibility for condition, quality, performance, physical properties or any other aspect of C.O.M. For panels, price as if grade 1 fabric is used.

Evolve reserves the right to reject any C.O.M. deemed unsuitable.

Evolve reserves the right to cancel an order at any time if C.O.M. is, in the sole judgement of Evolve, inadequate for any reason.

CHANGES AND CANCELLATION

The order may not be changed or cancelled by Purchaser without the written consent of Evolve. This charge can be as much as 100% based upon proximity to scheduled shipment date. Special order items and fabric-covered items already in production are not subject to change or cancellation under any circumstances. Fabric-covered items are considered to be in production once the fabric has been cut.

DEPOSIT ON SPECIAL ORDERS

Orders for nonstandard products may, at Evolve's discretion, require deposit prior to scheduling of production, the amount of the deposit being credited against the total price of the project.

SUSPENSION

In the event that the Purchaser defaults in the payment of any sum due Evolve, or in the event the Purchaser's financial condition becomes unsatisfactory to Evolve, Evolve shall have the right at its option, upon written notice to the Purchaser, to cancel shipment of any goods, unless within ten (10) days of Purchaser's receipt of such notice Purchaser provides assurance of payment to Evolve in such form, content and/or amounts as Evolve, in its sole discretion, deems adequate.

COMBINED SHIPMENTS

Evolve will make every effort to combine shipments and orders on written request. However, acceptance of such request shall be with Evolve's sole discretion.

CODE RESTRICTIONS

Evolve portable furniture may be subject to local fire, electrical and/or building codes applicable to portable furniture. It shall be Purchaser's sole responsibility for the proper application of Evolve items within the limitations of such local codes, which may be different from area to area.

SERVICE

Service problems shall be handled by the authorized Evolve dealer. Where this cannot be accomplished on a local level, service problems should be referred to:
Evolve Furniture Group
Customer Support
17 West Stow Road
Marlton, New Jersey USA 08053
856-552-4000 888-827-2500
Attention: Evolve Operations Manager

STORAGE

In the event Purchaser requests postponement of delivery beyond the acknowledged shipping date, Evolve may transfer the goods to storage on Purchaser's account and at Purchaser's risk and expense subject to a daily storage rate. Such transfer to storage shall be deemed shipment to Purchaser for all purposes, including invoicing and payment.

DELAYS

Evolve's order acknowledgement will state a shipping date which is Evolve's best estimate at the time the order is acknowledged. However, Evolve shall not incur any obligation or liability to Purchaser for failure to ship by a specified date. In addition, Evolve shall not be liable for any loss or damage resulting from any delay or failure in shipment or other failure to perform all or any part of the agreement between the parties with respect to the goods shown on the face of the order acknowledgement where such delay, failure, loss or damage is the proximate result of any act of any governmental authority or political subdivision thereof, revolution, riot, civil disorder or disturbance, act of enemies, delay or default in transportation, strike disputes among or between unions or other labor disputes, delay or inability in obtaining materials and facilities, fire, flood, act of God or any cause not within the reasonable control of Evolve, whether of the class of causes enumerated or otherwise. Without limiting the generality of the foregoing, Evolve may, without causing any breach or incurring liability, allocate goods which are in short supply, regardless of the reasons therefore, among purchasers, in any manner which Evolve, in its sole discretion, deems advisable.

BACK CHARGES

Evolve will not accept charges for expense incurred by the Purchaser in expediting shipments or otherwise. Evolve will not accept charges for the repair of damage by others.

CLAIMS

All goods are sold F.O.B. Toronto, Canada, unless otherwise agreed to in writing by Evolve. Evolve is not responsible for damage which occurs in transit or in storage. The carrier signs for all goods received in good order. It is the Purchaser's responsibility to examine goods upon receipt and to file any claims with the carrier. Any claims made against Evolve for apparent defects, errors or shortages must be made by the Purchaser in writing, within fifteen (15) working days after any delivery. Failure by the Purchaser to make any claim against Evolve within the above-described fifteen days shall constitute acceptance of the goods and a waiver of any apparent defects, errors or shortages.

RETURNS

No returns of goods will be accepted without written consent and shipping instructions, including Evolve's Return Goods Authorization (R.G.A.) numbers, to Evolve. A minimum restocking charge of 35% is made on all authorized returns for credit or refund, provided goods are received by Evolve in the condition in which they left the factory. No credit will be given if goods cannot be reused. Special order items and fabric-covered items are in no event subject to return. All returns must be approved and authorized in writing by Evolve Customer Support, Marlton, New Jersey.

LIFETIME WARRANTY

Evolve warrants that all commercial products are free from defects in material and workmanship, for the life of the product, to the original purchaser. This warranty is made by Evolve only to original customers acquiring the product directly from Evolve's authorized dealers. The customer's sole remedy pursuant to this warranty is limited to repair or replacement of parts or product at Evolve's option. Consent from Evolve must be obtained before any warranty work is performed. This warranty shall not apply to any products which must be replaced because of normal wear and tear, negligence, abuse or "accident", shipping damage, or product use and installation other than in accordance with written instructions or warnings. It shall also not apply when product has been modified or altered, repaired or refurbished by someone other than Evolve or an authorized dealer or because of natural variations over which Evolve has no control. In the event of repair and/or replacement of any defective product, Evolve does not warrant matching color, grain, texture or dye lots. Evolve's warranty does not cover the cost of transportation or labor. Repair or replacement will be at Evolve's option. Evolve makes no warranty that any of its products are suitable for any particular purpose and makes no other warranties, expressed or implied, other than those set forth in this Price List. As codes and standards vary from one jurisdiction to another, references to compliance are soley for convenience and without any representation as to accuracy or suitability. Users must verify the suitability of such information or product for their specific application. In no event shall Evolve be liable in either tort or contract for any loss or direct, special, incidental, consequential, or exemplary damages.

This Lifetime Warranty is NOT applicable to customers who use Evolve products for rental purposes and is effective only for products, parts or components manufactured after January 1, 2011.

Exceptions to this warranty include:

- Global fabrics and wood veneers, which are warranted for five years from date of delivery.
- Electrical components, which are warranted for ten years from the date of delivery.
- Moving parts such as glides, slides, casters, user-adjustable worksurface mechanisms, which are warranted for five years from date of delivery.
- Fading on fabric and wood veneers can be caused by exposure to U.V. rays/sunlight. Natural wood veneer, being a natural material, will have shade differences between veneer sheers, the difference will be more apparent between dye lots.

Evolve does not warrant color fastness on Customer's Own Material.

Because of natural variations over which Evolve has no control, this warranty does not extend to color, grain or texture of wood, and Evolve does not warrant matching of color, grain or texture.

Evolve makes no warranties, including implied warranties of merchantability and fitness for a particular purpose, other than the express warranties contained herein.

LIMITATION OF REMEDY

Purchaser's sole and exclusive remedy (excluding the repair or replacement of goods for breach of the express warranty above) for any matter or claim arising under or relating to these terms and conditions, the goods covered hereby and any transaction involving or relating to such goods, whether in contract, tort (including negligence) or otherwise, shall be payment of the lesser of the cost to repair or replace said product or the purchase price for the goods to which the claim relates. In no event shall Evolve be liable for any special, indirect, consequential, or incidental damages, including without limitation, damages for loss of business profits, business interruptions, or loss of information.

EVOLVE'S WARRANTY DOES NOT APPLY (FOR ANY PRODUCT CATEGORY) TO THE FOLLOWING:

- Failures due to wear and tear
- Failures which result from negligence, abuse, accident or misuse
- Failure to apply, install or maintain products according to Evolve's written instructions and warnings
- Modifications, attachments or repair methods not approved by Evolve
- Damage caused by a carrier in transit, or delivery/installation contractors
- The matching of colors, grains or textures (wood, leather, etc.) of natural materials and color matching of textiles
- Products exposed to extreme hot or cold temperatures or excessively dry or humid environments
- Colorfastness or the matching of color of textiles
- Damage by markings or staining; damage by sharp objects or imprinting from instruments
- Damage to textiles or laminate and wood surfaces/edges from exposure to sunlight (including UV rays)
- Products used for rental purposes

Evolve's warranty applies to products sold within the United States of America, Mexico, the Commonwealth of Puerto Rico and Canada.

Lounge

Flexible + fluid.
Soft seating for shared spaces.

Add a pop of color or a soft, comforting seating solution to your workspace. Lounge ottomans can be used together as benches in an open space or individually as additional seating for guests. Add casters to ottomans for quick mobility when the occasion arises. Lounge pieces are flexible and rearrange effortlessly. Customizable in a range of colors to accent any interior.

Desking + Tables

Contemporary Styling. Superior Construction.

- Five contemporary laminate finishes include Autumn Walnut (AWL), American Mahogany (AML), American Dark Cherry (ADC), American Espresso (AEL) + Artisan Grey (AGL) all accented with 3mm matching impact resistant edges.
- White (WHI) laminate is available on table tops.
- Box and file drawers feature full extension ball bearing drawer slides.
- Lateral files and file/file pedestals come equipped with a mechanical safety interlock.
- Pedestals, lateral files + multi-storage files are designed to connect to the appropriate desk, credenza + return shells.
- Metal pins + cam fasteners are designed for easy assembly (where applicable). Metal brackets (where applicable) are also included for additional strength and rigidity.
- Autumn Walnut (AWL), American Espresso (AEL) + Artisan Grey (AGL) are standard with silver handles. Black handles optional (an upcharge applies - see page 113 for more information).
- American Mahogany (AML) + American Dark Cherry (ADC) are standard with black handles. Silver handles optional (an upcharge applies - see page 113 for more information).

Features

Black grommets are standard on desks, returns, bridges, credenzas, extended corners and hutches. Silver grommets optional (an upcharge applies - see page 111 for SLGRSIL).

Top quality full extension ball bearing slides on all box and file drawers.

Black handles standard on AML + ADC. Silver handles optional (an upcharge applies - see page 113 for SLHDSIL).

Silver handles standard on AWL, AEL + AGL. Black handles optional (an upcharge applies - see page 113 for SLHDBLK).

Think Global. Think Green.

The Environment — We believe now more than ever, that it is our responsibility to protect the environment and our precious natural resources for future generations. The growing importance of energy and environmental concerns continues to challenge us in this ever changing marketplace.

As an industry leader, Global continues to take proactive steps towards reducing the negative impacts on the environment. We are building "healthier" offices; investing in Research & Development and new technologies; reducing waste and the consumption of energy; and improving the quality of the air we breathe, all which can have a significant impact on our quality of life.

Global's recycled fabrics offer affordable, environmentally responsible alternatives to commercial textiles. We recycle 35,000 lbs. of fabric off cuts.

Epoxy powder coating process is solvent free. No harmful VOC's or lead. No toxins are released into the atmosphere.

Global has the products and resources to help your projects achieve LEED certification.

New technology allows us to reduce glue usage by 50%. In addition, our water based glue reduces emissions and requires less energy to apply.

MEMBER BIFMA

Green Key

Greenguard Certification

The GREENGUARD mark means that a product has been tested using stringent environmental chamber methods and found to meet GREENGUARD's Indoor Air Quality Standards. GREENGUARD Certified Products are low emitting and contribute minimal levels of pollutants to indoor environment.

GREENGUARD

GREENGUARD GOLD

Level Certification

level™ certification, based on the ANSI/BIFMA e3-2012 furniture sustainability standard, sets furniture manufacturers on a path toward greater sustainability over time. Based on environmental and social criteria set forth in the standard, a product's entire supply chain is assessed.

level

What's covered under the Global Lifetime Warranty?

Global's Lifetime Warranty covers manufacturer defects for seating, desks, tables, panels, metal storage and filing... everything you would need in a contract work environment covered for the life of the product.

NO WORRIES on plastic components, casters, glides, pneumatic cylinders, arm structures, arm caps and bases

NO WORRIES on drawer slides, trays, locks, keys, metal legs and grommets.

NO WORRIES on panel frames, edges and work surfaces.

For complete details, visit www.globalfurnituregroup.com.

fast5

A Tilt Tension

Increase or decrease to match body weight. Allows you to rock comfortably, without heavy pushing, reducing muscle fatigue.

B Chair Tilt Lock

Lock the tilt movement in position(s) to accommodate your working posture. Allows you to lock your chair in a comfortable and supportive position. (can be either single position or infinite style).

C Seat Height

Raise or lower to allow your feet to rest flat on the floor. Avoids pressure under your thighs, easing blood flow.

D Back Height

Raise or lower to position lumbar support in your lumbar area. Reduces likelihood of back pain.

E Seat Depth

Change the depth of the seat to accommodate the length of your thighs. Keeps your back in contact with the backrest while avoiding pressure behind your knees.

G Back Angle

Adjust to change the angle of your torso in relation to your thighs. Helps reduce disc pressure and relaxes your back muscles.

H Arm Height

Raise or lower to support your forearms. Reduces muscular effort in neck and shoulders, minimizing risk of pain.

Truform 5451-3 - page 10

L Synchro-Tilt Movement

Backrest reclines at a faster rate than the seat, increasing the angle between your torso and thighs. Enhances comfort and encourages dynamic body movement.

M Waterfall Seat Edge

Reduces pressure at the back of the knee, contributing to good blood flow.

N Properly Contoured Cushions

Support the body effectively, allowing you to sit longer without discomfort.

Q Width Adjustable Arms

Allows outward movement of armrests to match shoulder breadth. Ensures armrests properly support forearms, reducing muscular effort in neck and shoulders.

R Arm Rotation

Rotate armcap to support your forearm in various positions. Reduces muscular effort in neck and shoulders, minimizing risk of pain.

S Center-Tilt Movement

Chair tilts from a pivot point under the center of the seat allowing you to rock. When your feet are well supported, blood flow is enhanced.

V Lumbar Depth Adjustment

Increase or decrease curvature of the back to match the profile of your lower back. Enhances comfort and support in the lower lumbar area.

Luray 6461 - page 25

High Back Tilter

File Buddy 1105 - page 15, 59

Pneumatic Swivel Stool

Dimensions: 14dia x 16.25h - 21.25h

- Allante FRee, Ink (A16F)

List Price **$472**

A Tilt Tension

Increase or decrease to match body weight. Allows you to rock comfortably, without heavy pushing, reducing muscle fatigue.

B Chair Tilt Lock

Lock the tilt movement in position(s) to accommodate your working posture. Allows you to lock your chair in a comfortable and supportive position. (can be either single position or infinite style).

C Seat Height

Raise or lower to allow your feet to rest flat on the floor. Avoids pressure under your thighs, easing blood flow.

D Back Height

Raise or lower to position lumbar support in your lumbar area. Reduces likelihood of back pain.

E Seat Depth

Change the depth of the seat to accommodate the length of your thighs. Keeps your back in contact with the backrest while avoiding pressure behind your knees.

G Back Angle

Adjust to change the angle of your torso in relation to your thighs. Helps reduce disc pressure and relaxes your back muscles.

H Arm Height

Raise or lower to support your forearms. Reduces muscular effort in neck and shoulders, minimizing risk of pain.

List Price **$2717**

fast10

L Synchro-Tilt Movement

Backrest reclines at a faster rate than the seat, increasing the angle between your torso and thighs. Enhances comfort and encourages dynamic body movement.

M Waterfall Seat Edge

Reduces pressure at the back of the knee, contributing to good blood flow.

N Properly Contoured Cushions

Support the body effectively, allowing you to sit longer without discomfort.

Q Width Adjustable Arms

Allows outward movement of armrests to match shoulder breadth. Ensures armrests properly support forearms, reducing muscular effort in neck and shoulders.

R Arm Rotation

Rotate armcap to support your forearm in various positions. Reduces muscular effort in neck and shoulders, minimizing risk of pain.

S Center-Tilt Movement

Chair tilts from a pivot point under the center of the seat allowing you to rock. When your feet are well supported, blood flow is enhanced.

V Lumbar Depth Adjustment

Increase or decrease curvature of the back to match the profile of your lower back. Enhances comfort and support in the lower lumbar area.
