Other factors also affect color over time such as exposure to light. The finishes on tables may vary slightly from those on seating due to the natural characteristics of the wood. All of our veneers are carefully selected for uniformity of color and grain, however Keilhauer makes no warranty with respect to matching of grain, textures, patterns, including an exact match to our wood samples. All other warranties (including any warranty of fitness whether by law, implied or expressed, or otherwise are hereby excluded.

Base finish is available in powder coat. Caster base models ship standard with carpet casters, for softwheel casters, specify SOF and add $58. If combo cover is requested, please add cushions, arms and shell pricing together for final price. For combo covers, all yardages provided are based on non-patterned textiles and do not include allowances for pattern matching. Due to the number of individual panels involved, using patterned fabrics for the cushions may require significant additional yardage to accommodate proper pattern alignment.

Base finish is available in powder coat. Tablet arm is available in powder coat. Tablet is available for an upcharge; standard laminate $800, matte laminate $1300. Model 100000 ships standard with height-adjustable glides. Caster base models ship standard with carpet casters, for softwheel casters, specify SOF and add $58. If combo cover is requested, please add cushions, arms and shell pricing together for final price. For combo covers, all yardages provided are based on non-patterned textiles and do not include allowances for pattern matching. Due to the number of individual panels involved, using patterned fabrics for the cushions may require significant additional yardage to accommodate proper pattern alignment.
