NOTICE TO AUTHORIZED USERS OF AWARD #23295 - Furniture, All Types (Except Hospital Room and Patient Handling)

This pricelist/catalog **may** contain items that are not within the Scope of the Contract Award and/or not within this Contractors approved furniture Categories. All Authorized Users are strongly encouraged to review the Scope of the Award and the Contractors Category Matrix prior to selecting items for purchase under the Contract. Per Solicitation Section 4.5 (D) - Procurement Instructions for Authorized Users: When placing orders under this Award, the Authorized User should follow and be familiar with the terms and conditions governing the Contract and are responsible for determining that the product(s) they intend to purchase fit within the scope of the Award.

References to other government contracts that may be included in a Contractor's pricelist/catalog, including any additional terms or conditions, are void under the OGS Award and should be disregarded. Only OGS' Terms and Conditions, including those within a Contractor's posted Contractor Information and Supplemental Information sheet, are valid under the Contract.

Additionally, Authorized Users are reminded that where discrepancies exist between Price List documents, the lowest price shall prevail (see Section 5.3 Price).

All orders must be placed with the Contractor, or the Contractor's OGS approved Authorized Reseller listed on the OGS website under the Award. Orders placed with a reseller not approved by OGS are not considered contract orders and therefore are not subject to the same terms and conditions of the OGS Award.

Authorized Users should contact the OGS Contract Manager listed on the Award with any questions pertaining to this pricelist/ catalog.

LEED CERTIFICATION

MATERIAL CONTENT:

PRE-CONSUMER RECYCLED CONTENT = 81%

POST-CONSUMER RECYCLED CONTENT = 3%

		CONTRIBUTES TO
CREDIT 2.1 - 2.2	Construction Waste Management	1-2 point(s)
CREDIT 4.1	Recycled Content	1 point
CREDIT 4.2	Recycled Content	1 point
CREDIT 4.5	Low Emitting Materials, (MUST BE REQUESTED) Systems Furniture & Seating	1 point
CREDIT 5.1	Regional Materials*	1 point
CREDIT 7	Certified Wood (PLEASE ENQUIRE)	1 point

* This credit is only applicable if in total 20% of the combined value of the procurement of construction materials and in the furniture are manufactured within a radius of 500 miles. This credit will apply if the installation of the finished product occurs within 500 miles of Toronto, Ontario.

level® CERTIFICATION
BIFMA's e3 Furniture Sustainability Standard is a voluntary, multi-attribute standard that measures the degree of sustainability of furniture. This standard evaluates product and company environmental attributes and compliance systems in a wide range of elements which include Materials, Energy & Atmosphere, Human & Ecosystem Health and Social Responsibility. Adesso products have earned level®, BIFMA's sustainability certification program for furniture, certification through third-party verification against the e3 standard.

AIR EMISSIONS
All Adesso products can be supplied with air emissions-certification. Contact customer service for information and upcharges.

FSC®
FSC® In 2005, Krug received Forest Stewardship Council® (FSC®) Chain-of-Custody certification for our manufacturing facilities. The FSC® Chain-of-Custody tracks certified wood from seedling to final sale. It verifies that the material for our FSC® certified products only come from well-managed, FSC®-certified forests and other controlled sources. FSC® is dedicated to the promotion of responsible forest management worldwide helping to take care of forests for future generations. Adesso and other Krug products can be specified with FSC® Certification. Contact customer service for further information, pricing and lead times.

In addition, architects, designers, and building professionals can specify FSC®-certified products in order to achieve a point from the US. Green Building Council's Leadership in Energy and Environmental Design (LEED) Rating System.

WORK SURFACES
Tops are 1 1/2" thick veneered particle board & MDF core with face and back veneer.

MODESTY PANELS
Modesty panels are standard on all desks, and optional on shaped tops, returns, linking units and credenzas. Modesty panels are 3/4" thick, with the exception of linking unit modesty panels which are 1 1/8" thick.

VENEER
Adesso veneers are quarter cut, except for White Oak, which is rift cut - both quarter cut and rift cut veneers provide a straight grain appearance. The grain direction of the veneers on vertical faces is horizontal.

FINISH
A five step catalyzed varnish finish that when dry has a sheen value of 32°, is applied to all finished cases. A lower sheen topcoat, 20°, can also be specified at standard pricing. All purchase orders must clearly note "lower sheen finish" in order to receive the optional selection.

LOCKS
Locks are provided as standard features on all pedestals, except bookcase pedestals, including those in desks, credenzas, and lateral file storage units. Satin Aluminum lock plugs are located on the fronts of all cases.
Locks are available on the bookcase doors at an upcharge of **$159 list** per set of (2) doors, please specify at time of order. If a hutch or overhead has an uneven amount of doors the single lock required is also **$159** Locks for bookcase doors are generally located on the top inside corner of the door front. Locks for hutch and overhead doors are generally located on the lower inside corners. Suites can be keyed alike at no upcharge, please specify on purchase order.

LATCHES
All hutch, overhead and bookcase hinged doors (above the worksurface height), are equipped with touch latches mounted inside the top edge of the door.

DRAWERS
Desk box drawers have fully progressive full extension slides and are load rated at 100 lbs. per drawer. Desk file drawers have a load bearing capacity of 130 lbs per drawer. All other pedestal file drawers have fully progressive, full extension slides and are load rated at 100 lbs. per drawer. All file drawers are equipped for letter and legal filing. All box and pedestal file drawer slides have an optional soft-closing feature. Lateral file drawers do not have this option. All drawer interiors are veneer on plywood, constructed with finger dovetail joints. All box/box/file pedestals in desks are supplied with one molded black pencil tray.

GLIDES
Adjustable glides are 1 1/4" long and allow for a range of adjustment of 1". Glide inserts are installed at factory, glides need to be field installed.

METAL LEGS
The metal legs in Adesso have a Brushed Stainless finish.

HINGES
Hinges on all hutch, overhead and bookcase doors are European style with 110 degree opening. All hinges are fully adjustable.

ADESSO PULL STYLE

Pulls are available in Clear Satin Anodized Aluminum. Adesso pulls are located on the top right corner of each drawer front and cover 2/3rds of the drawer front. Pulls on storage doors are placed in the top corner opposite the door hinges. Pulls are not available on storage doors above the worksurface. These cases will feature a touch latch operation.

ADESSO EDGE PROFILE

Desks, Credenzas, Curvilinear Desks, Returns, Linking Units, Bookcases have profiles on all edges.

TESTING INFORMATION
Adesso meets or exceeds the testing requirements of ANSI/BIFMA X5.5-2014 and/or X5.9 - 2012..

	Park Avenue Walnut
	Chocolate on Walnut
	Nutmeg on Walnut
	Hardrock Maple

VENEERS

Adesso veneers are quarter cut, except for White Oak, which is rift cut - both quarter cut and rift cut veneers provide a straight grain appearance. The grain direction of the veneers on vertical faces is horizontal.

NON-STANDARD VENEER SPECIES

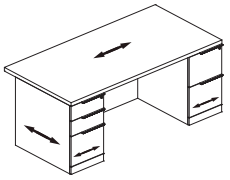
In addition to range of standard wood species, Adesso can be made with virtually any commercially available veneers. To specify Sycamore, Mozambique or Zebrano add 5% List to Walnut list price. Mozambique, Zebrano & Sycamore are available in clear finish only. Other veneers are also available on Adesso, please contact customer service for more information and pricing on additional wood species not included in Adesso's standard offering.

NATURAL CHARACTERISTICS OF WOOD

Wood is a natural product with inherent color variations that will never be fully mitigated by the finishing process. Please anticipate variation in colors within a single unit, from piece to piece, and from Krug wood finish samples. If a very close match is required, a sample must be provided with the order and an upcharge will apply. Exact color matches are not possible.

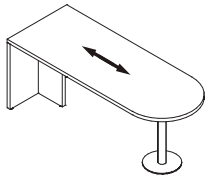
CUSTOM WOOD FINISHES

Add 10% list to your order for special finishes, minimum upcharge is $630 list per finish per order. (For example, on all orders up to $6300 list, an upcharge of $630 will apply, on orders $6300 and up add 10% list to your order.)



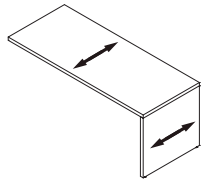
For orders with special finishes, a sample that is a minimum 3" by 3" must be received with the order. Special finishes may add additional lead time to production schedules. Since wood is a natural product, some variations in grain, color and stain acceptance will occur. In our finishing processes, we try to minimize variations, but some variation between samples and finished goods should be anticipated.

FINISH



Adesso Casegoods feature Krug's finish, a proprietary catalyzed varnish formulation, that has repeatedly shown through independent laboratory testing to be the industry leader in durability and abrasion resistance. The Krug finish looks better longer than competitors and is uniquely suited to the demands of high traffic environments.

GRAIN DIRECTION



Adesso grain direction runs left to right on all cases. Providing a consistent wood grain direction is important in maintaining consistent color on adjacent worksurface. The arrows on the illustrations below show the grain direction on typical worksurfaces and case fronts.

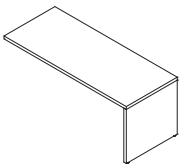
ORDERING NOTES:
All desk runoffs are available with three floating modesty panel options: wood, acrylic and back-painted glass. For floating modesty panel upcharges, please see page 28. To order, add the floating modesty panel reference number to the end of the runoff model number.

ORDERING PROCEDURE
To order, please specify the following:
1) Krug product model number
2) Wood species and finish
3) Grommet location and style if applicable.

* Indicates model illustrated by line drawing



CODE DESCRIPTION
4 - over full height credenza
L - left-handed position
R - right-handed position
DB - disc base
WB - wood/aluminum base
V21 - floating wood modesty panel
V29 - floating acrylic modesty panel
V24 - floating back-painted glass modesty panel

STANDARD FINISHES
For a complete list of standard wood finishes please see page 4. Disc bases and metal legs are available in a Brushed Stainless finish.

GROMMETS
One wiring grommet in standard position is optional at no charge.

	88DR72303R4D	4348	4784	71.5	30	29.5	40.5	293	46.5

ORDERING NOTES:
All desk runoffs are available with three floating modesty panel options: wood, acrylic and back-painted glass. For floating modesty panel upcharges, please see page 28. To order, add the floating modesty panel reference number to the end of the runoff model number. Pedestals are available with a soft-closing drawer option, add "S" to the model # and **$159 list** per pedestal. e.g. 88DR84363L4F**S**. To specify an Extended Pedestal in Palette finish, add the suffix "P" to the end of the model number. e.g. 88DRPM72303L3F**P**. To replace a standard wood riser with a metal riser for 3/4 height desk runoffs add suffix M to the end of the model # and **$159 list** to the price. e.g. 88DR84363LLG**M**

ORDERING PROCEDURE
To order, please specify the following:
1) Krug product model number
2) Wood species and finish
3) Grommet location and style if applicable.

* Indicates model illustrated by line drawing

CODE DESCRIPTION
3 - over 3/4 height credenza
L - left-handed position
R - right-handed position
3F - 1 box, 1 file drawer
4F - box, box, file drawer
4D - file, file drawer
V21 - floating wood modesty panel
V29 - floating acrylic modesty panel
V24 - floating back-painted glass modesty panel
M - metal riser

STANDARD FINISHES
For a complete list of standard wood finishes please see page 4.

GROMMETS
One wiring grommet in standard position is optional at no charge.

ORDERING NOTES:
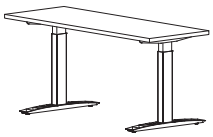
All desk runoffs are available with three floating modesty panel options: wood, acrylic and back-painted glass. For floating modesty panel upcharges, please see page 28. To order, add the floating modesty panel reference number to the end of the runoff model number. Pedestals are available with a soft-closing drawer option, add "S" to the model # and **$159 list** per pedestal. e.g. 88DR84363L4F**S**. To specify an Extended Pedestal in Palette finish, add the suffix "P" to the end of the model number. e.g. 88DRPM72303L3F**P**. To replace a standard wood riser with a metal riser for 3/4 height desk runoffs add suffix M to the end of the model # and **$159 list** to the price. e.g. 88DR84363LLG**M**

ORDERING PROCEDURE
To order, please specify the following:
1) Krug product model number
2) Wood species and finish
3) Grommet location and style if applicable.



* Indicates model illustrated by line drawing

CODE DESCRIPTION
P - Pedestal Mount
3 - 3/4 height pedestal
L - left-handed pedestal position
R - right-handed pedestal position
F - 1 box, 1 file drawer
0 - no pedestal
V21 - floating wood modesty panel
V29 - floating acrylic modesty panel
V24 - floating back-painted glass modesty panel

STANDARD FINISHES
For a complete list of standard wood finishes please see page 4.

GROMMETS

ORDERING NOTES:
To order a height adjustable worksurface with a top overhang of 16" at one end add O16 to the end of the model number. eg. 88HA6024ETS**O16**. Please note that this option is not available on electronic height adjustable worksurfaces that are 42" or less in length. This option is not available on dual stage electronic height adjustable worksurfaces.

To order a dual stage height adjustable base add **$707** to the list price and replace ETS with ETD. eg. 88HA6030**ETD**.

Lifts come standard with an up/down button.Standard colors are Silver Metallic & Black, please contact customer service for other available colors. A 4 position programable display is available, please see page 48 for price and model number.

Standard base is a T-base. A C base can be specified at the same price. To order a C-base on worksurfaces, up to 30” deep only, replace “T” with “C” e.g. 88HA8430E**C**S

Single stage height adjustable range: 26" - 45.5"
Dual stage height adjustable range: 21" - 47"
Power cord is 10 feet long.

DIMENSION KEY
W — width
D — depth
H — height of worksurface
KW— kneehole width

Dimensions are in inches and approximate. Contact Customer Service if dimensions are critical.

ORDERING NOTES:
To order a height adjustable worksurface with a top overhang of 16" at one end insert O16 into the model number after ETS. eg. 88HA6024ETSO16GV21. Please note that this option is not available on height adjustable work surfaces that have base enclosures and are 48" or less in length. This option is not available on dual stage electronic height adjustable .worksurfaces.

To order a dual stage height adjustable base add **$707** to the list price and replace ETS with ETD. eg.88HA6030**ETD**GV21.

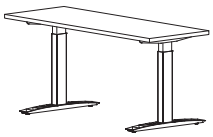
Lifts come standard with an up/down button.Standard colors are Silver Metallic & Black, please contact customer service for other available colors. A 4 position programable display is available, please see page 48 for price and model number.

Single stage height adjustable range: 26" - 45.5"
Dual stage height adjustable range: 21" - 47"
Power cord is 10 feet long.

Modesty panels are available in low pressure laminate, please replace V21 with V26 for this option. e.g. 88HA6030ETSG**V26**.
Modesty panels are also available in palette, please replace V21 with V22 for this option. e.g. 88HA6030ETSG**V22**.

ORDERING PROCEDURE
To order, please specify the following:
1) Krug product model number
2) Wood species and finish
3) Grommet location and style if applicable.

* Indicates model illustrated by line drawing



CODE DESCRIPTION
HA - height adjustable
E - electric
T - T- base
C - C- base
S - single stage
D - dual stage
RH - top with cross grain
V21- half height floating wood modesty panel
V22- half height floating palette modesty panel
V26- half height floating laminate modesty panel

STANDARD FINISHES
For a complete list of standard wood finishes please see page 4.

GROMMETS
One wiring grommet in standard position is optional at no charge.

ORDERING NOTES:
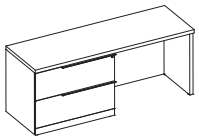
For the hinged modesty panel option add Y after C and add a 10% upcharge. e.g. 88C**Y**6024L0RD. Optional grommets are available in modesty panels for cable management. Half gables are required for additional support for unsupported spans greater than 60", please see page 95 for model number and list price. Pedestals with box and file drawers are available with a soft-closing drawer option. Please add "S" to the model # and **$159 list** per pedestal. e.g.88C6024LDRF**S**. Lateral file drawers are not available with this option.

ORDERING PROCEDURE
To order, please specify the following:
1) Krug product model number
2) Wood species and finish
3) Grommet location and style if applicable.



* Indicates model illustrated by line drawing

CODE DESCRIPTION
4 - full height pedestal
L - left-handed pedestal position
R - right-handed pedestal position
D - 2 file drawers
F - 2 box, 1 file drawer
Y - hinged modesty

STANDARD FINISHES
For a complete list of standard wood finishes, please see page 4.

GROMMETS
One grommet in a standard position is optional at no charge.

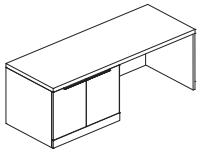
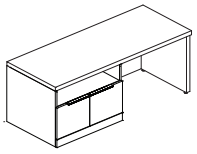
ORDERING NOTES: For the hinged modesty panel option add Y after C and add a 10% upcharge. e.g. 88C**Y**66243L0R3016. If a runoff with power/data option is to be mounted onto a 3/4 height credenza please specify location ML -Mounted Left or MR-Mounted Right. This will ensure that access grommets will be drilled in the credenza top and back. Pedestals with box and file drawers are available with a soft-closing drawer option. Please add "S" to the model # and **$159 list** per pedestal. e.g. 88C6024LDRF**S**. Lateral file drawers are not available with this option.

DIMENSION KEY
W — width
D — depth
H — height of worksurface
KW— kneehole width

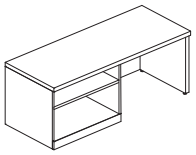
Dimensions are in inches and approximate. Contact Customer Service if dimensions are critical.



CODE DESCRIPTION
3 - 3/4 height pedestal
L - left-handed pedestal position
R - right-handed pedestal position
B - bookcase
30 - 30” wide pedestal
36 - 36” wide pedestal
11 - closed storage
15 - open, lateral file
16 - box, lateral file
17 - open bookcase shelf
18 - open, closed bookcase



STANDARD FINISHES
For a complete list of standard wood finishes, please see page 4.



GROMMETS
One grommet in a standard position is optional at no charge.

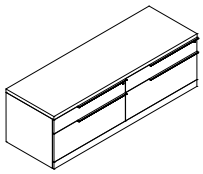
ORDERING NOTES: The -15 open/file module can be used in place of the -16 box/file module at the same price. The -18 open/closed module can be used in place of the -11 closed module at the same price. Please contact customer service for other available combinations. Pedestals with box and file drawers are available with a soft-closing drawer option. Please add "S" to the model # and **$159 list** per pedestal. e.g.88C6024LDRF**S**. Lateral file drawers are not available with this option.

ORDERING PROCEDURE
To order, please specify the following:
1) Krug product model number
2) Wood species and finish
3) Grommet location and style if applicable.



* Indicates model illustrated by line drawing

CODE DESCRIPTION
3 - 3/4 height credenza
L - left-handed position
R - right-handed position
30 - 30” wide pedestal
36 - 36” wide pedestal
11 - closed bookcase
15 - open, lateral file
16 - box, lateral file
17 - bookcase
18 - open, closed bookcase

STANDARD FINISHES
For a complete list of standard wood finishes, please see page 4.

GROMMETS
One grommet in a standard position is optional at no charge.

Description	Model	Price	W	D	H	Shipping Weight	Cubic Feet
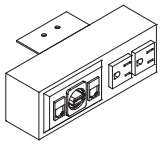
Under Mount Power/Data Module	88PDM01	481	-	-	-	-	-

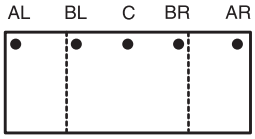


Under Mount Power Data includes: 2 Simplex receptacles, 1 RJ11, 1 RJ45 & 1 USB Type A/B

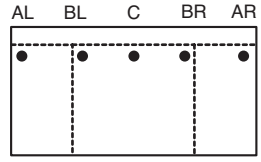
ORDERING NOTES:
Under mount power data unit can be used for charging with a USB patch cord connected to a transformer.

POWERPORT
A PowerPort is a unique worksurface mounted module that can be specified to a location that best serves the user's needs. It includes a UL approved electrical, voice and data power bar, containing 115 - volt electrical simplex outlets which are accessible from the work surface, plus a utility outlet at the end for daisy chaining purposes. 6 data versions are available, please see page 98.

PORT
A service module having no power bar will serve as a large grommet. A hinged lid easily enables the passage of several cables and devices.



UNDER MOUNT POWER DATA MODULE
The Power Data Module is mounted under the worksurface to provide connectivity to the user. The unit contains 2 simplex receptacles, 1 RJ11, 1 RJ45 and 1 USB Type A/B port. This power data module can be used for charging with a USB patch cord connected to a transformer. This provides the user a simple and convenient way to charge their electronic devises. Patch cords and transformer are conveniently available at most local electronic stores.



Grommets - Round
The round grommet, available in a Sliver or Black finish, features an open and shut mouse hole to provide cable passage for areas not requiring a large opening. Grommets can be field installed with a power drill, 60 mm hole saw. All cases may be specified with one grommet in a standard position at no upcharge. A an upcharge will apply to additional grommets in standard positions and for grommets requested in non-standard positions of **$159 list**. Please clearly specify location(s) of grommet when ordering.

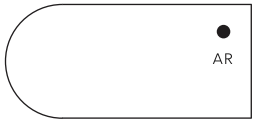
STANDARD GROMMET & POWERPORT POSITIONS

Desks, Credenzas, Link Units & Returns

30" deep desks:
Position Code:
AL – left corner
BL – left end beside pedestal gable
C – center
BR – right end beside pedestal gable
AR – right corner

36" deep desks:
Position Code:
AL – left corner
BL – left end beside pedestal gable
C – center
BR – right end beside pedestal gable
AR – right corner

"BR" and "BL" are only available on tops 60" or longer.

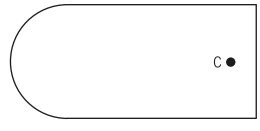


3/4 height Credenzas for Mounted Runoffs with Power/Data Option

ML MC MR

Position Code:
ML - Mounted Left
MC - Mounted Center (applies to 90" and 96" tops only)
MR - Mounted Right

Rectangular Runoff Top Grommet & PowerPort



Guest Side

Position code:
AL - left corner on right hand runoff
AR - right corner on left hand runoff
C - center

"AL" grommet and PowerPort locations apply to **rectangular runoffs**.

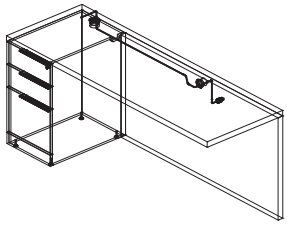
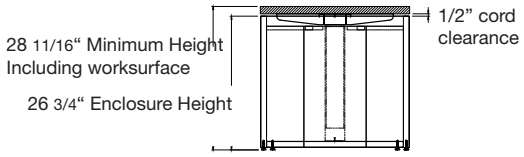
Grommet and PowerPort locations

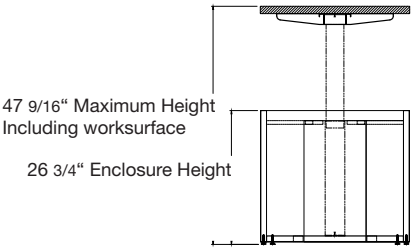


User Side

User Side

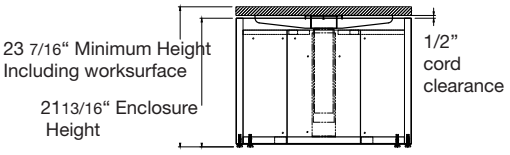


PEDESTAL ACCESS CABLE MANAGEMENT

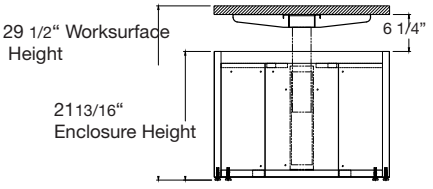


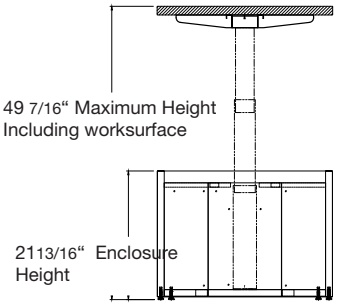
All Adesso casegood desks, returns and credenzas allow for wire management behind the pedestal drawers. Pedestal gables feature a standard cable management opening allowing access to the rear of the pedestal cavity. By specifying a wiring grommet in a standard AL or AR position (see grommet locations above) cable can be conveniently threaded behind the pedestal drawers and through the wire management access grommet.

ADESSO HEIGHT ADJUSTABLE WORKSURFACE WITH BASE ENCLOSURE

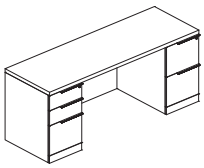


Single Stage Mechanism
With Base Enclosure

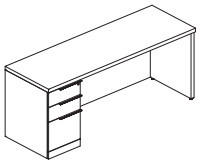




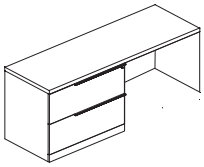
The Single Stage mechanism with Base Enclosure has an adjustable height range of 28 11/16 - 47 9/16 inches. When the worksurface is at the lowest stage - desk height, the space between underside of the worksurface and the top of the Base Enclosure is 1 1/2 inches.



Dual Stage Mechanism
With Base Enclosure

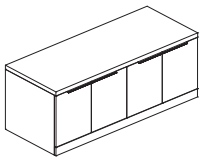


The Dual Stage mechanism with Base Enclosure has an adjustable height range of 23 7/16 - 49 7/16 inches. When the worksurface is at the standard desk height setting of 29 1/2”, the space between underside of the worksurface and the top of the Base Enclosure is 6 1/4 inches. This allows for the full range of height adjustments.
Custom Base Enclosures for the Dual Stage are available decreasing the gap below the worksurface to 1 1/2” inches.
Caution: this eliminates the ability to use the lower stage settings.
Custom Base Enclosures to further lower the minimum worksurface height are also available, removing the inside enclosure floor completely and allowing a minimum desk height of 22 7/16”. Contact customer service for a quote.

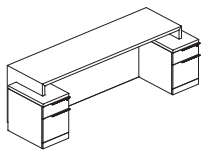


CREDENZAS - Desk Height
Adesso offers a wide variety of credenzas for use as stand alone storage pieces, part of a connected worksurface configuration, or behind a desk.

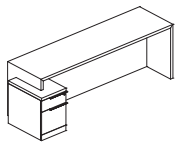
Choose from single or double pedestal options, with fixed or hinged modesty panel.



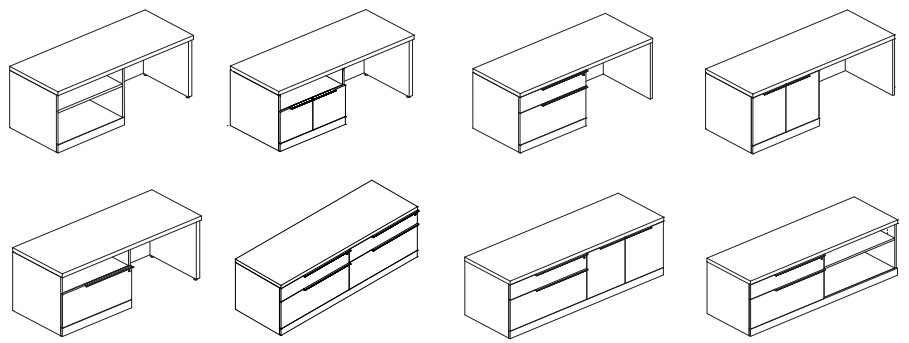
MODESTY PANELS
Credenzas with hinged modesty panels provide easy access to wall mounted electrical sources without wiring difficulties.



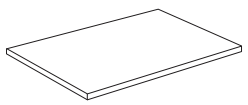
Credenzas with modesty panels have an added finished look, and all cases are available with a wiring grommet in a standard position for added cable management, please specify on your order. Wiring grommets can be specified above the pedestal location.



PEDESTALS
Adesso credenzas are available with single, lateral file, combination pedestals or bookcase pedestals.

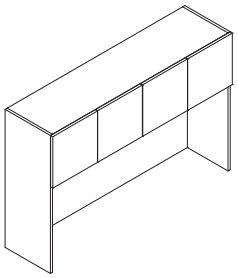


FULL FACE CREDENZAS
Full face credenzas are available in a variety of lateral file/bookcase & open bookcase combinations in 3/4 and full height cases



EXTENDED PEDESTALS CREDENZAS
These are offered in both single & double pedestal options. Pedestals extend 6” beyond the end and front of the case.

CREDENZAS - 3/4 HEIGHT
A large offering of Credenza sizes and configurations are available in single pedestal and full face versions

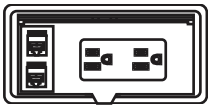


LINKING UNITS
Adesso linking units are available in a range of sizes for ease of use in configuring a connected worksurface.

Linking Units are for use between desks and credenzas in creating a U-shaped configuration, and must be supported at both ends. They are available with or without modesty panels.

Linking Units, Tops and Returns
It is important that the main units (desk, credenza) to which the linking unit or return is being attached be in their final position and leveled. Units are connected with mending plates under the worksurface from the modesty to the end panels. Attach the mending plates under the worksurface, ensure cases are level and if necessary adjust the glides to achieve flush and firm joints before completing installation of mending plates to the modesty and end panels.

ADESSO HUTCHES, OVERHEADS, TACKBOARDS & WALL UNIT

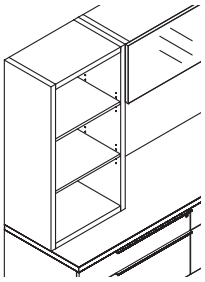


Hutches and Overheads
Adesso offers hutch and overhead options for use in a work area configuration.
All hutches and overheads include L.E.D. tasklights that are factory installed and require no field adjustment. Tasklights are mounted beneath the cabinet.

A variety of hutches are available with aluminum framed, back-painted white glass doors.

Doors
Doors are equipped with fully adjustable European style hinges. Locks are optional and can be specified at time of order for an upcharge of **$159** per set of (2) doors. If an uneven amount of doors require locks, the lock on the single door is also **$159**. Locks are not available on glass doors.

Hutch Power/ Data/ Voice Module
Access to power and data is made simple by using a hutch with a power/data/voice module built right into the tackboard. The module is fully installed at the factory but can be removed to connect data links on site. It features a flip door that retracts into the case of the unit when open.



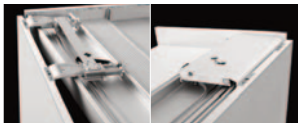
Tackboards
All hutches come standard with grade 1 tackboards. For other tackboard grade pricing, see chart on page 74, please note, not all fabrics are suitable for tackboard application. Tackboard fabric selections should be supplied with the order information.

Tackboards are not included with overheads, see page 58 for pricing. Overhead tackboards include wall mounting hardware and instructions.

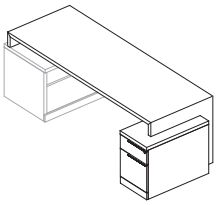
Only hutches and overhead tackboards in Krug panel fabrics are available on KrugExpress.

Wall Mounted Back-Painted Glass
Glass panels are 4mm clear finish tempered back-painted glass with aluminum frame. Magnetic backpainted glass is also available. Back-painted glass is available in nine colors; White, Giada, Silk, Mandarino, Rosso, Pearl, Caffe, Black.

Piers
Piers are used in conjunction with overhead/hutches, glass wall panels & tackboards



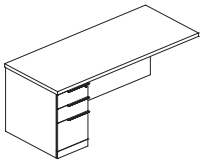
L.E.D. Tasklights
Tasklights are included with hutches and overheads. On hutches, the tasklight cord is threaded behind the hutch though a standard access grommet on the upper right hand side of the back panel.
Tasklights are installed on the underside of overhead units. Cords run down the right hand side of the task-light to the worksurface where they can be routed behind the worksurface top. The use of a wall mounted



Overhead
tackboard, back-painted glass wall panel or wood wall panel conceals the cord from view.

Installation
Hutch and overhead installation instructions are included with every case. All mounting hardware required is included with the product.

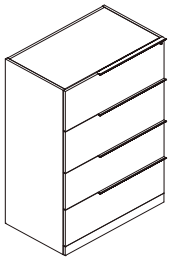
Sliding door wall units
Sliding door wall units feature a Coplanar mechanism, meaning - when the doors are closed the faces are flush, when a door is opened it moves forward in front of the other door.
This feature is not available on overheads or hutches.



Drawers will be offered for letter and legal size filing. All units are equipped with file bars that are fixed in place for shipping.

DESK RUNOFFS & DESK PEDESTAL FILE DRAWERS

Filing Capacity
15” drawers:
21” of letter filing front to back or
12” of legal filling side to side
22” pedestal drawer depths allow only one row of side to side files.

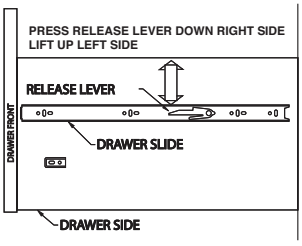


Weight capacity of pedestal file drawers is 100 lbs.

CREDENZA AND RETURN PEDESTAL FILE DRAWERS

Filing Capacity
15” drawers:
15” of letter filing front to back or
12” of legal filling side to side
16” pedestal drawer depths allow only one row of side to side files.

Weight capacity of pedestal file drawers is 100 lbs.

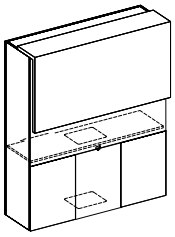


CREDENZA, RETURN OR STORAGE LATERAL FILE DRAWERS

Filing Capacity
30” wide drawers:
30” letter filing front to back, or
25” legal filing side to side
15” or legal filing front to back.

When filing front to back, 30” lateral file drawer widths allow two rows of letter filing, but only one row of legal file width.

Filing capacity
36” wide drawers:
30” letter filing front to back, or
36” legal filing side to side, or
30” legal filing front to back.



Weight capacity of lateral file drawers is 130 lbs.

Drawer Removal
Pull drawer and slide out to the full extension position. With index finger, lift up the release lever on the left and press down the release lever on the right side of the drawer (as shown).

Pull out the drawer with the attached drawer channel from the cabinet member.

To re-assemble, insert the drawer through the guide.

Media Hub:
Bookcase storage comes with touch latch doors.
Wire management cutout in the base of center bookcase is 10-1/4" x 12-3/4".

Optional hangover panel comes standard in any of our palette finishes and can be specified with or without white boards.

Optional runoff tops and bases sold separately and available in both desk and bar heights.
Desk height runoff tops are mounted at 29.5" in height.
Bar height runoff tops are mounted at 42" in height.

Bank of drawers includes 3 box drawers.
Back of unit is finished.

FSC® C021699
The mark of responsible forestry

FSC®
FSC® In 2005, Krug received Forest Stewardship Council® (FSC®) Chain-of-Custody certification for our manufacturing facilities. The FSC® Chain-of-Custody tracks certified wood from seedling to final sale. It verifies that the material for our FSC® certified products only come from well-managed, FSC®-certified forests and other controlled sources. FSC® is dedicated to the promotion of responsible forest management worldwide helping to take care of forests for future generations. Artemis and other Krug products can be specified with FSC® Certification. Contact customer service for further information, pricing and lead times.

In addition, architects, designers, and building professionals can specify FSC®-certified products in order to achieve a point from the US. Green Building Council's Leadership in Energy and Environmental Design (LEED) Rating System.

ARTEMIS FEATURES & OPTIONS

WORK SURFACES
Tops are 1 1/4 ” thick veneered particle board core with face and back veneer. All worksurface height tops have profiled edges on all sides, except when using the M Profile in a Polymer Edge where the profile appears on the front and back sides only of desks. Credenzas, returns, and link units side and back edges are flush. All worksurface height tops have a chemically impregnated polycell backer for additional strength.

VENEER
External face veneers are rift cut Red Oak, and flat sliced Cherry, Maple, and Walnut bookmatched veneer.

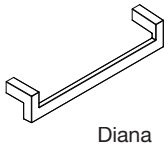
FINISH
A five step catalyzed varnish finish that when dry has a sheen value of 35°, is applied to all finished cases.

MODESTY PANELS
Modesty panels are standard on all desks, and optional on shaped tops, returns, linking units and credenzas. Modesty panels on credenzas are 3/4” thick, and linking unit modesty panels are 1 1/8” thick.

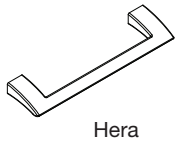
LATCHES
All hutch, overhead and bookcase doors are equipped with touch latches mounted inside the top edge of the door.

HINGES
Hinges on all hutch, overhead and bookcase doors are European style with 110 degree opening. All hinges are fully adjustable.

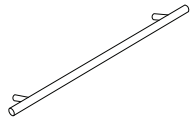
DRAWERS
Desk box and file drawers have fully progressive full extension slides and are load rated at 125 lbs. per drawer. All drawer interiors are birch components. All file drawers are equipped for letter and legal filing. All box/box/file pedestals in desks are supplied with one molded black pencil tray.



LOCKS
Locks are standard on all pedestals and storage unit lateral file drawers. Locks are optional on door fronts, at an up charge of **$159 list** and must be specified at time of order. Lock plugs are are Silver Metallic and located on the fronts of all cases. If a hutch or overhead has an uneven amount of doors the single lock required is also **$159 list**. Lock plugs for bookcase doors are generally located on the top inside corner of the door front. Lock plugs for hutch and overhead doors are generally located on the lower inside corners. Suites can be keyed alike at no upcharge, please specify on purchase order. Locks are not available on glass doors.



METAL LEGS
The metal legs in Artemis have a Silver Metallic finish.



GLIDES
Adjustable glides are 1” long and allow for a range of adjustment of 1”. Glide inserts are installed at factory. Glides need to be field installed.

PULLS
All pulls are die cast with a choice of Silver Metallic powder coat, and Grey Metallic powder coat finish options. Artemis pulls are standard on drawer fronts and can be specified on doors. Please specify finish color on purchase order. . See below for orientation of pulls.

TESTING INFORMATION
Artemis meets or exceeds the testing requirements of ANSI/BIFMA X5.5-2014 and/or X5.9 - 2012.

BIFMA INTERNATIONAL

WOOD FINISHES
Standard wood finishes are:

SPECIES	FINISH
Cherry	Light Cherry Natural Cherry American Cherry Medium Cherry Standard Cherry Imperial Cherry Appalachian Cherry Sable Cherry
Maple	Clear Maple Honey Maple Wheat Maple
Oak*	Light Oak SilverGrey on Oak
* Oak veneers are rift cut	Harvest Oak Mahogany Oak Medium Cherry on Oak Mellow Oak Walnut on Oak Espresso on Oak
Walnut	Natural Walnut Regular Walnut Mahogany on Walnut Dark Walnut Cordovan Walnut
WOOD FINISHES TO MATCH STANDARD LAMINATES	Willow on Rift Oak Dune on Rift Oak Portobello on Rift Oak Ash on Rift Oak Copper on Cherry Shiraz Cherry Park Avenue Walnut Chocolate on Walnut Nutmeg on Walnut Dark Walnut Hardrock Maple

Natural Characteristics of Wood
Wood is a natural product with inherent color variations that will never be fully mitigated by the finishing process. Please anticipate variation in colors within a single unit, from piece to piece, and from Krug wood finish samples. If a very close match is required, a sample must be provided with the order and an upcharge will apply. Exact color matches are not possible.

Custom Wood Finishes
Add 10% list to your order for special finishes, minimum upcharge is $630 list per finish per order. (For example, on all orders up to $6300 list, an upcharge of $630 will apply, on orders $6300 and up add 10% list to your order.)

For orders with special finishes, a sample that is a minimum 3" by 3" must be received with the order. Special finishes may add additional lead time to production schedules. Since wood is a natural product, some variations in grain, color and stain acceptance will occur. In our finishing processes, we try to minimize variations, but some variation between samples and finished goods should be anticipated.

Dual Finishes
Add 10% list per item if specifying dual finish.

Palette Finishes
Artemis Casegoods are available fully finished in Palette solid color finishes at the same pricing as the Rift Oak pricing in the price list. Artemis Casegoods can also be specified with a combination of Palette finishes and veneer. For pricing and specific lead times, please contact Customer Service. Please note Palette finishes are not available on the KrugExpress Program.
When specifying Palette in first column pricing please change the model number prefix to 74. Ie. 74OHW721616

PALETTE FINISHES
Standard solid color finishes are:
Black White Sand Soft green Steel blue Slate

LAMINATES
Krug's in-stock Laminates are available in 17 different laminate selections. Please note that 4 of the colors (Gingerbread, Portobello, Ash and Willow) have textured finishes and may not be appropriate for use in patient areas due to infection control concerns. Minimum order quantities and extended lead times may apply for exotic laminate colors, please check with customer service. Polymer Edge will be selected to match the worksurface. Krug's previous laminate in-stock program will be phased out as in-stock supply depletes. Please contact customer service for availability.

IN-STOCK LAMINATES

Wood Grain Laminates	High Pressure Laminate Supplier
Champagne	Tafisa T492CR
Hardrock Maple	Formica 86992-58
Dune	Tafisa T491CR
Copper	Tafisa T521CR
Shiraz Cherry	Tafisa T472CR
Park Avenue Walnut	Wilsonart 7984–38

ORDERING PROCEDURE
To order, please specify the following:
1) Krug product model number
2) Wood species and finish, see page 4
3) Wood edge detail, see Page 3
4) Pull style, see Page 3
5) Grommet location if applicable

*Indicates model illustrated by line drawing.

CODE DESCRIPTION
4 - full height pedestal
D - 2 file drawers
F - 2 box, 1 file drawer
L - left handed pedestal position
R - right handed pedestal position
0 - no pedestal

STANDARD FINISHES
For a complete list of standard wood finishes please see page 4.

GROMMETS
One grommet in standard position is optional at no charge. Additional grommets are available at an upcharge of **$159 List**.

ORDERING NOTES:
To order a height adjustable work surface with a top overhang of 16" at one end add O16 to the end of the model number. eg. 76HA6024ETS**O16**. Please note that this option is not available on electronic height adjustable work surfaces that are 42" or less in length. This option is not available on dual stage electronic height adjustable worksurfaces.

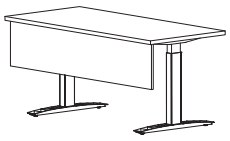
To order a dual stage height adjustable base **add $707 to the list price** and replace ETS with ETD. eg. 76HA6030**ETD**. Lifts come standard with an up/down button. Standard color is silver, please contact customer service for other available colors. A 4 position programable display is available, please see page 112 for price and model number.
Standard base is a T-base. A C base can be specified at the same price. To order a C-base on worksurfaces, up to 30” deep only, replace “T” with “C” e.g. 76HA4830E**C**S.

Single stage mechanism height adjustable range: 26" - 45.5"
Dual stage mechanism height adjustable range: 21" - 47"

ORDERING PROCEDURE
To order, please specify the following:

1) Krug product model number
2) Wood species and finish, see page 4
3) Wood edge detail, see Page 3
4) Pull style, see Page 3
5) Grommet location if applicable

*Indicates model illustrated by line drawing.



CODE DESCRIPTION
ETS - electric T- base single stage
O16 - top overhang of 16"
D - dual stage height adjustable base
C - C- base

STANDARD FINISHES
For a complete list of standard wood finishes please see page 4.

GROMMETS
One grommet in standard position is optional at no charge. Additional grommets are available at an upcharge of **$159 List**.

ORDERING NOTES:
To order a height adjustable work surface with a top overhang of 16" at one end insert O16 into the model number after ETS. eg. 76HA6024ETS**O16**V21. Please note that this option is not available on electronic height adjustable work surfaces that are 42" or less in length. This option is not available on dual stage electronic height adjustable worksurfaces.

To order a dual stage height adjustable base **add $707 to the list price** and replace ETS with ETD. eg. 76HA6030**ETD**V21.
Lifts come standard with an up/down button. Standard color is silver, please contact customer service for other available colors. A 4 position programable display is available, please see page 112 for price and model number.

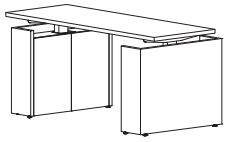
Standard base is a T-base. A C base can be specified at the same price. To order a C-base on worksurfaces, up to 30” deep only, replace “T” with “C” e.g. 76HA3030E**C**SV21

Single stage mechanism height adjustable range: 26" - 45.5"
Dual stage mechanism height adjustable range: 21" - 47"

Modesty Panel options (replace "V21" with suffix below)

Floating Laminate	V26
Floating Palette	V22
Floating Acrylic	V29
Full Fixed Wood	X41

DIMENSION KEY
W - width
D - depth
H - height



Dimensions are in inches and approximate. Contact Customer Service if dimensions are critical.

CODE DESCRIPTION
ETS - electric T- base single stage
V21- half height floating wood modesty panel
O16 - top overhang of 16"
D - dual stage height adjustable base
C - C- base

STANDARD FINISHES
For a complete list of standard wood finishes please see page 4.

GROMMETS
One grommet in standard position is optional at no charge. Additional grommets are available at an upcharge of **$159 List**.

ORDERING NOTES:
To order a height adjustable work surface with a top overhang of 16" at one end insert O16 into the model number after ETS.
eg. 76HA6024ETS**O16**GV21. Please note that this option is not available on height adjustable work surfaces that have base enclosures and are 48" or less in length. This option is not available on dual stage electronic height adjustable worksurfaces.

To order a dual stage height adjustable base **add $707 to the list price** and replace ETS with ETD. eg.76HA6030**ETD**GV21.
Lifts come standard with an up/down button. Standard color is silver, please contact customer service for other available colors. A 4 position programable display is available, please see page 112 for price and model number.

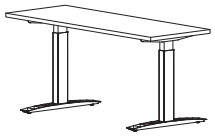
Single stage height adjustable range: 26" - 45.5"
Dual stage height adjustable range: 21" - 47"

Modesty Panel options (replace "V21" with suffix below)

Floating Laminate	V26
Floating Palette	V22
Floating Acrylic	V29
Full Fixed Wood	X41

DIMENSION KEY
W - width
D - depth
H - height

Dimensions are in inches and approximate. Contact Customer Service if dimensions are critical.



CODE DESCRIPTION
ETSG - electric T- base single stage with base enclosure
V21- half height floating wood modesty panel
O16 - top overhang of 16"
D - dual stage height adjustable base
C - C- base

STANDARD FINISHES
For a complete list of standard wood finishes please see page 4.

GROMMETS
One grommet in standard position is optional at no charge. Additional grommets are available at an upcharge of **$159 List**.

ORDERING NOTES:
To order a height adjustable work surface with a top overhang of 16" at one end add O16 to the end of the model number. eg. 76HA6024ETS**O16**. Please note that this option is not available on electronic height adjustable work surfaces that are 42" or less in length. This option is not available on dual stage electronic height adjustable worksurfaces.

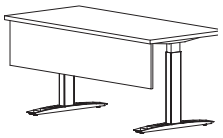
To order a dual stage height adjustable base **add $707 to the list price** and replace ETS with ETD.
Please contact customer service for other available colors. A 4 position programmable display is available, please see page 112 for price and model number. Standard base is a T-base. A C base can be specified at the same price. To order a C-base on worksurfaces, up to 30" deep only, replace "T" with "C" e.g. 76HA4830E**C**S.

Single stage mechanism height adjustable range: 26" - 45.5"
Dual stage mechanism height adjustable range: 21" - 47"

ORDERING PROCEDURE
To order, please specify the following:

1) Krug product model number
2) Wood species and finish, see page 4
3) Wood edge detail, see Page 3
4) Pull style, see Page 3
5) Grommet location if applicable

*Indicates model illustrated by line drawing.



CODE DESCRIPTION
ETS - electric T- base single stage
O16 - top overhang of 16"
D - dual stage height adjustable base
C - C- base

STANDARD FINISHES
For a complete list of standard wood finishes please see page 4.

GROMMETS
One grommet in standard position is optional at no charge. Additional rectangular grommets are available at an upcharge of **$159 list.**

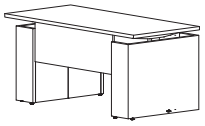
ORDERING PROCEDURE
To order, please specify the following:

1) Krug product model number
2) Wood species and finish, see page 4
3) Wood edge detail, see Page 3
4) Pull style, see Page 3
5) Grommet location if applicable



*Indicates model illustrated by line drawing.

CODE DESCRIPTION
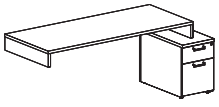
L - left hand position
R - right hand position
GB - gable support
LG - legs support
DB - disc base support



STANDARD FINISHES
For a complete list of standard wood finishes please see page 4.

GROMMETS
One grommet in standard position is optional at no charge. Additional grommets are available at an upcharge of **$159 List**.

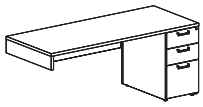
ORDERING NOTES:
Add -20 before V21 when runoff is to be used with a 20" deep credenza.
Add -24 before V21 when runoff is to be used with a 24" deep credenza

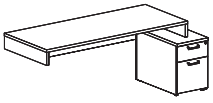
ORDERING PROCEDURE
To order, please specify the following:

1) Krug product model number
2) Wood species and finish, see page 4
3) Wood edge detail, see Page 3
4) Pull style, see Page 3
5) Grommet location if applicable

*Indicates model illustrated by line drawing.



CODE DESCRIPTION
L - left hand position
R - right hand position
GB - gable support
LG - legs support
DB - disc base support
V21 - 1/2 height floating wood modesty panel



STANDARD FINISHES
For a complete list of standard wood finishes please see page 4.

GROMMETS
One grommet in standard position is optional at no charge. Additional grommets are available at an upcharge of **$159 List**.

ORDERING NOTES:
Add -20 before V29 when runoff is to be used with a 20" deep credenza
Add -24 before V29 when runoff is to be used with a 24" deep credenza

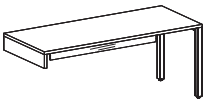
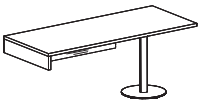
ORDERING PROCEDURE
To order, please specify the following:

1) Krug product model number
2) Wood species and finish, see page 4
3) Wood edge detail, see Page 3
4) Pull style, see Page 3
5) Grommet location if applicable

*Indicates model illustrated by line drawing.



CODE DESCRIPTION
L - left hand position
R - right hand position
3F - 1 box, 1 file drawer
GB - gable support
V29 - 1/2 height floating acrylic modesty panel
V24 - 1/2 height glass modesty panel



STANDARD FINISHES
For a complete list of standard wood finishes please see page 4.

GROMMETS
One grommet in standard position is optional at no charge. Additional grommets are available at an upcharge of **$159 List**.

ORDERING NOTES:
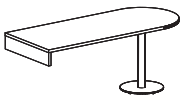
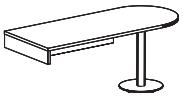
Add -20 before V when runoff is to be used with a 20" deep credenza
Add -24 before V when runoff is to be used with a 24" deep credenza

ORDERING PROCEDURE
To order, please specify the following:

1) Krug product model number
2) Wood species and finish, see page 4
3) Wood edge detail, see Page 3
4) Pull style, see Page 3
5) Grommet location if applicable





*Indicates model illustrated by line drawing.

CODE DESCRIPTION
L - left hand position
R - right hand position
DB - disc base support
V29 - 1/2 height floating acrylic modesty panel
V24 - 1/2 height glass modesty panel

STANDARD FINISHES
For a complete list of standard wood finishes please see page 4.

GROMMETS
One grommet in standard position is optional at no charge. Additional grommets are available at an upcharge of **$159 List**.

ORDERING NOTE: Add -20 before V when runoff is to be used with a 20" deep credenza Add -24 before V when runoff is to be used with a 24" deep credenza

ORDERING PROCEDURE

To order, please specify the following:

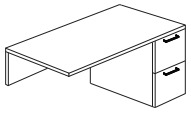
1) Krug product model number
2) Wood species and finish, see page 4
3) Wood edge detail, see Page 3
4) Pull style, see Page 3
5) Grommet location if applicable

*Indicates model illustrated by line drawing.

CODE DESCRIPTION

L - left hand position
R - right hand position
DB - disc base support
V29 - 1/2 height floating acrylic modesty panel
V24 - 1/2 height glass modesty panel
X41 - full height wood modesty panel

STANDARD FINISHES



For a complete list of standard wood finishes please see page 4.

GROMMETS

One grommet in standard position is optional at no charge. Additional grommets are available at an upcharge of **$159 List**.

DIMENSION KEY
W - width
D - depth
H - height

Dimensions are in inches and approximate.
Contact Customer Service if dimensions are critical.

CODE DESCRIPTION
L - left hand pedestal position
R - right hand pedestal position
V29 - 1/2 height floating acrylic modesty panel
S1 - square wood leg
D8- 4" metal leg
P1- panel leg
DB - disc base support

STANDARD FINISHES
For a complete list of standard wood finishes please see page 4.

GROMMETS
One grommet in standard position is optional at no charge. Additional grommets are available at an upcharge of **$159 List**.

ORDERING PROCEDURE
To order, please specify the following:

1) Krug product model number
2) Wood species and finish, see page 4
3) Wood edge detail, see Page 3
4) Pull style, see Page 3
5) Grommet location if applicable

*Indicates model illustrated by line drawing.

CODE DESCRIPTION
L - left hand position
R - right hand position
DB - disc base support

STANDARD FINISHES
For a complete list of standard wood finishes please see page 4.

GROMMETS
One grommet in standard position is optional at no charge. Additional grommets are available at an upcharge of **$159 List**.

ORDERING PROCEDURE
To order, please specify the following:

1) Krug product model number
2) Wood species and finish, see page 4
3) Wood edge detail, see Page 3
4) Pull style, see Page 3
5) Grommet location if applicable

*Indicates model illustrated by line drawing.

CODE DESCRIPTION
L - left hand pedestal position
R - right hand pedestal position
V29 - 1/2 height floating acrylic modesty panel
M - twin metal legs

STANDARD FINISHES
For a complete list of standard wood finishes please see page 4.

GROMMETS
One grommet in standard position is optional at no charge. Additional grommets are available at an upcharge of **$159 List**.

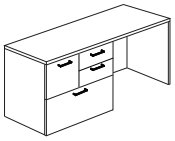
ORDERING NOTES: Credenzas have the option of pulls instead of the standard touch latch doors. To select this option, please change the prefix in the model number from "76" to "77" ie: **77**C7224XLBR0. Please refer to page 3 for pull orientation below the worksurface. Locks are available on wood doors for an upcharge of **$159 list.**

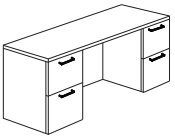
ORDERING PROCEDURE
To order, please specify the following:

1) Krug product model number
2) Wood species and finish, see page 4
3) Wood edge detail, see Page 3
4) Pull style, see Page 3
5) Grommet location if applicable

*Indicates model illustrated by line drawing.



CODE DESCRIPTION
X - full height modesty
L - left handed pedestal
R - right handed pedestal
B - bookcase
F - lateral file
0 - no pedestal



STANDARD FINISHES
For a complete list of standard wood finishes please see page 4.

GROMMETS
One grommet in standard position is optional at no charge. Additional grommets are available at an upcharge of **$159 list**.

ORDERING PROCEDURE
To order, please specify the following:

1) Krug product model number
2) Wood species and finish, see page 4
3) Wood edge detail, see Page 3
4) Pull style, see Page 3
5) Grommet location if applicable

*Indicates model illustrated by line drawing.

CODE DESCRIPTION
4 - full height pedestal
L - left hand pedestal position
R - right hand pedestal position
D - 2 file drawers
F - 2 box, 1 file drawer
0 - no pedestal

STANDARD FINISHES
For a complete list of standard wood finishes please see page 4.

GROMMETS
One grommet in standard position is optional at no charge. Additional grommets are available at an upcharge of **$159 List**.

ORDERING NOTES:
Credenzas have the option of pulls instead of the standard touch latch doors. To select this option, please change the prefix in the model number from "76" to "77" ie: **77**C7220XLXRX. Please refer to Page 4 for pull orientation below the worksurface. Locks are available on wood doors for an upcharge of **$159 list.**

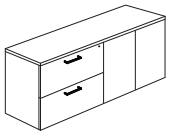
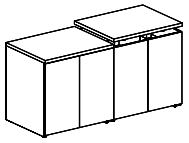
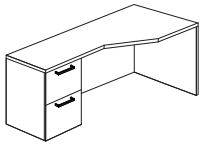
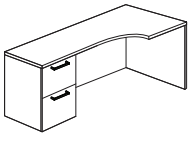
ORDERING PROCEDURE
To order, please specify the following:

1) Krug product model number
2) Wood species and finish, see page 4
3) Wood edge detail, see Page 3
4) Pull style, see Page 3
5) Grommet location if applicable









*Indicates model illustrated by line drawing.

CODE DESCRIPTION
4 - full height pedestal
L - left hand pedestal position
R - right hand pedestal position
D - 2 file drawers
F - 2 box, 1 file drawer
Y - wood hinged modesty panel

STANDARD FINISHES
For a complete list of standard wood finishes please see page 4.

GROMMETS
One grommet in standard position is optional at no charge. Additional grommets are available at an upcharge of **$159 List**.

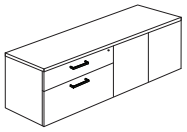
ORDERING NOTES:
For the hinged modesty panel option add Y after C -eg. 76C**Y**60203L0R3011 and add a 10% upcharge.
Credenzas have the option of pulls instead of the standard touch latch doors. To select this option, please change the prefix in the model number from "76" to "77" ie: **77**C7220XLXRX. Please refer to Page 4 for pull orientation below the worksurface.
Locks are available on wood doors for an upcharge of **$159 list.**
The 15 open/lateral file module can be used in place of the 16 box/file module at the same price.
The 18 open/closed bookcase module can be used in place of the 11 closed module at the same price.

ORDERING PROCEDURE
To order, please specify the following:

1) Krug product model number
2) Wood species and finish, see page 4
3) Wood edge detail, see Page 3
4) Pull style, see Page 3
5) Grommet location if applicable

*Indicates model illustrated by line drawing.



CODE DESCRIPTION
3 - 3/4 height credenza
L - left hand pedestal position
R - right hand pedestal position
11 - closed bookcase
16 - box, lateral file
17 - open bookcase
0 - no pedestal
15 - top open, lateral file
18 - top open, closed bookcase

STANDARD FINISHES
For a complete list of standard wood finishes please see page 4.

GROMMETS
One grommet in standard position is optional at no charge. Additional grommets are available at an upcharge of **$159 List**.

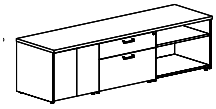
ORDERING NOTES:
Credenzas have the option of pulls instead of the standard touch latch doors. To select this option, please change the prefix in the model number from "76" to "77" ie: **77**C7220XLXRX. Please refer to Page 4 for pull orientation below the worksurface. Locks are available on wood doors for an upcharge of **$159 list.**
The 15 open/lateral file module can be used in place of the 16 box/file module at the same price.
The 18 open/closed bookcase module can be used in place of the 11 closed module at the same price.

DIMENSION KEY
W - width
D - depth
H - height

Dimensions are in inches and approximate. Contact Customer Service if dimensions are critical.



CODE DESCRIPTION
3 - 3/4 height credenza
L - left hand pedestal position
R - right hand pedestal position
11 - closed bookcase
16 - box, lateral file
17 - open bookcase
15 - top open, lateral file
18 - top open, closed bookcase

STANDARD FINISHES
For a complete list of standard wood finishes please see page 4.

ORDERING NOTES:
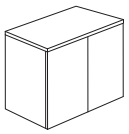
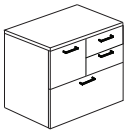
Artemis includes a range of standard components for creating modular and reconfigurable units that are non-handed, and adaptable to changing needs. Non standard modular components can also be specified. In addition, a number of the desk, credenza and return models in the price list-as well as non standard models and sizes-can be quoted and ordered as KD (Knockdown) units, please contact Customer Service for assistance in specifying and pricing modular and KD components.

ORDERING PROCEDURE
To order, please specify the following:





1) Krug product model number
2) Wood species and finish, see page 4
3) Wood edge detail, see Page 3
4) Pull style, see Page 3
5) Grommet location if applicable

*Indicates model illustrated by line drawing.

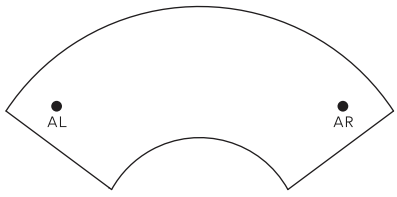
User Side



User Side

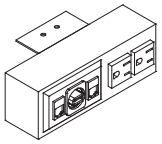
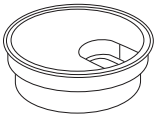
Position Code: C center

Crescent Return Grommets
Grommets and PowerPorts are available on Crescent returns.



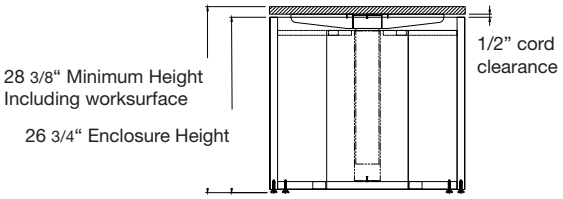
Position Code:
AL - left corner on return
AR - right corner on return

ARTEMIS POWER & CABLE MANAGEMENT

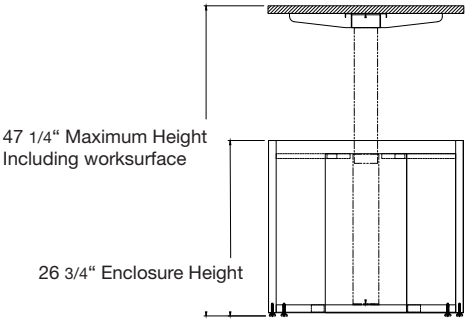


POWERPORT
A PowerPort is a unique worksurface mounted module that can be specified to a location that best serves the user's needs. It includes a UL approved electrical, voice and data power bar, containing 115 - volt electrical simplex outlets which are accessible from the work surface, plus a utility outlet at the end for daisy chaining purposes. 6 data versions are available, please see page 110.

PORT
A service module having no power bar will serve as a large grommet. A hinged lid easily enables the passage of several cables and devices.

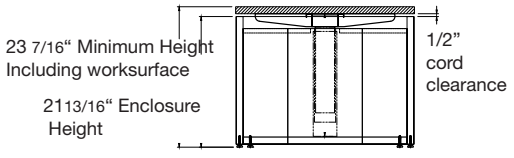


UNDER MOUNT POWER DATA MODULE
The Power Data Module is mounted under the worksurface to provide connectivity to the user. The unit contains 2 simplex receptacles, 1 RJ11, 1 RJ45 and 1 USB Type A/B port. This power data module can be used for charging with a USB patch cord connected to a transformer. This provides the user a simple and convenient way to charge their electronic devises. Patch cords and transformer are conveniently available at most local electronic stores.

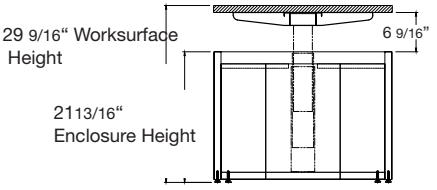


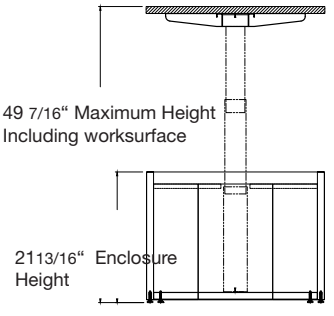
Grommets - Round
The round grommet, available in a Sliver or Black finish, features an open and shut mouse hole to provide cable passage for areas not requiring a large opening. Grommets can be field installed with a power drill, 60 mm hole saw. All cases may be specified with one grommet in a standard position at no upcharge. A an upcharge will apply to additional grommets in standard positions and for grommets requested in non-standard positions of **$159 list**. Please clearly specify location(s) of grommet when ordering.

ARTEMIS HEIGHT ADJUSTABLE WORKSURFACE WITH BASE ENCLOSURE



Single Stage Mechanism
With Base Enclosure

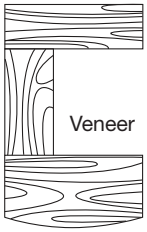




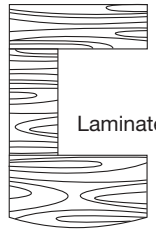
The Single Stage mechanism with Base Enclosure has an adjustable height range of 28 3/8 - 47 1/4 inches. When the worksurface is at the lowest stage - desk height, the space between underside of the worksurface and the top of the Base Enclosure is 1 1/2 inches.

Dual Stage Mechanism
With Base Enclosure

The Dual Stage mechanism with Base Enclosure has an adjustable height range of 23 7/16 - 49 7/16 inches. When the worksurface is at the standard desk height setting of 29 1/2”, the space between underside of the worksurface and the top of the Base Enclosure is 6 9/16 inches. This allows for the full range of height adjustments.
Custom Base Enclosures for the Dual Stage are available decreasing the gap below the worksurface to 1 1/2” inches.
Caution: this eliminates the ability to use the lower stage settings.
Custom Base Enclosures to further lower the minimum worksurface height are also available, removing the inside enclosure floor completely and allowing a minimum desk height of 22 7/16”. Contact customer service for a quote.

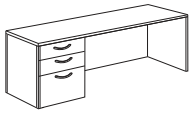


ARTEMIS WORKSURFACES, CREDENZAS, LINKING & CORNER UNITS



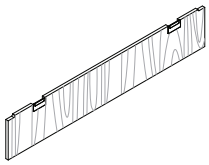
LAMINATE WORKSURFACES

Krug defines "HPL" as High-Pressure Laminate. Laminate worksurfaces are available for the Artemis product line with two options - Laminate Tops with Wood Edge or Laminate Tops with Polymer Edge.

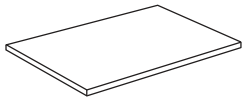


Krug will order and procure laminates. Purchase orders with a plastic laminate option must include laminate name.

When specifying laminate worksurfaces, the grain direction is such that the grain pattern runs as shown in the diagrams below. Please note, in veneer grain direction runs lengthwise on desks and credenzas and front to back on returns and linking units. In laminate the grain direction runs lengthwise on all components. Please contact Krug Customer Service for questions pertaining to laminate grain direction.
The diagram below illustrates the placement of laminate on Krug worksurfaces.
The shaded areas represent laminate, while the non-shaded area indicates the profiled wood edge or polymer.

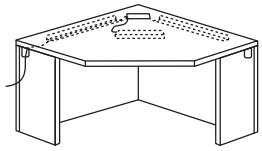


CREDENZAS



Credenzas
Artemis offers a wide variety of credenzas for use as stand alone storage pieces, part of a connected work surface configuration, or behind a desk. Choose from single or double pedestal options, with fixed or hinged modesty panel.

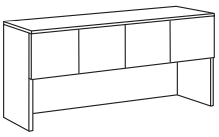
Modesty Panels
Credenzas without hinged modesty panels provide ease access to wall mounted electrical sources. Credenzas with modesty panels have an added finished look, and all cases are available with a wiring grommet in a standard position for added cable management, please specify on your order. Wiring grommets can be specified above the pedestal location.



Pedestals
Artemis credenzas are available with single, lateral file, combination pedestals or bookcase pedestals.

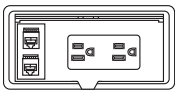
LINKING UNITS AND CORNER UNITS

Artemis linking units and corner units are available in a range of sizes for ease of use in configuring a connected worksurface.



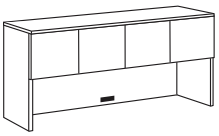
Linking Units
Linking Units are for use between desks and credenzas in creating a U-shaped configuration, and must be supported at both ends. They are available with or without modesty panels.

Corner Units
A corner unit can also be used on a U-shaped configuration, or it can be an integral part of a L-shaped work area with returns linked to either side. Corner units have a standard grommet included in the back corner for ease of cable management, and have additional wire management access grommets in the half gables so that cable can be run to other areas of the connected worksurface. This can be assisted by a cut length of wire management cover.



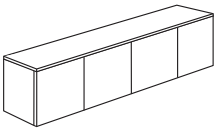
ARTEMIS HUTCHES, OVERHEADS & MEDIA HUBS

HUTCHES, OVERHEADS, & TACKBOARDS



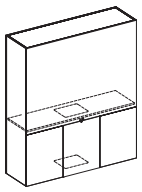
Hutches and Overheads
Artemis offers hutch and overhead options for use in a work area configuration. All hutches and overheads include tasklights that are factory installed and require no field adjustment. Tasklights are mounted beneath the cabinet and hidden from view. Selected hutches and overheads are available with silver metallic framed frosted glass doors.

Doors
Doors are equipped with fully adjustable European style hinges. Locks are optional and can be specified at time of order for an upcharge of **$159 per set** of (2) doors. If an uneven amount of doors require locks, the lock on the single door is **$159**. Locks are not available on glass doors.

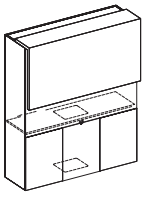


Hutch Power/ Data/ Voice Module
Access to power and data is made simple by using a hutch with a power/data/voice module built right into the tackboard. The module is fully installed at the factory but can be removed to connect data links on site. It features a flip door that retracts into the case of the unit when open.

Tackboards
Please note, not all fabrics are suitable for tackboard application. Tackboard fabric selections should be supplied with the order information. Tackboards are not included with overheads, see page 69 for pricing. Overhead tackboards include wall mounting hardware and instructions. Tackboards for hutches are installed at the factory and require no additional set up on site. Only hutches and overhead tackboards in Krug panel fabrics are available on KrugExpress.



Tasklights
Tasklights are included with hutches and overheads. On hutches, the tasklight cord is threaded behind the hutch through a standard access grommet on the upper right hand side of the back panel. Tasklights are installed on the underside of overhead units. Cords run down the right hand side of the tasklight to the worksurface where they can be routed behind the worksurface top. The use of a wall mounted Overhead tackboard conceals the cord from view.

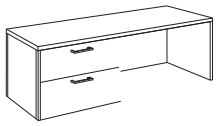


Installation
Hutch and overhead installation instructions are included with every case or can be found in this guide on page 118. All mounting hardware required is included with the product.

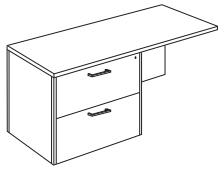
MEDIA HUB AND MEDIA WALL

Media Hub
Bookcase storage comes with touch latch doors. Wire management cutout in the base of center bookcase is 10-1/4" x 12-3/4". Optional hangover panel comes standard in any of our palette finishes and can be specified with or without white boards. Optional runoff tops and bases sold separately and available in both desk and bar heights. Desk height runoff tops are mounted at 29.5" in height. Bar height runoff tops are mounted at 42" in height. Bank of drawers includes 3 box drawers. Back of unit is finished.

Media Wall
No storage. Removable access panel for wire management. Wire management cutout in the base of center bookcase is 10-1/4" x 12-3/4". Media Wall units must be used in conjunction with a media hub runoff top and base. Runoff tops and bases sold separately and available in both desk and bar heights. Desk height runoff tops are mounted at 29.5" in height. Bar height runoff tops are mounted at 42" in height. Bank of drawers includes 3 box drawers. Back of unit is unfinished.



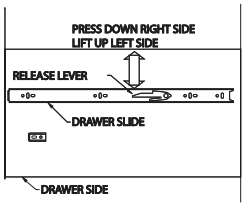
Drawers will be offered for letter and legal size filing. All units are equipped with file bars that are fixed in place for shipping.



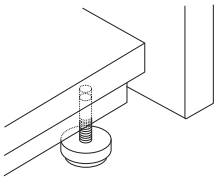
Desk Pedestal File Drawers

Filing Capacity:
15” DRAWERS:
21” of letter filing front to back or
12” of legal filling side to side
22” pedestal drawer depths allow only one row of side to side files.
Weight capacity of pedestal file drawers is 90 lbs.
Credenza and Return Pedestal File Drawers

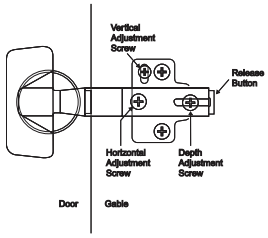
Filing Capacity:
15” DRAWERS:
15” of letter filing front to back or
12” of legal filling side to side
16” pedestal drawer depths allow only one row of side to side files.
Weight capacity of pedestal file drawers is 90 lbs.
Credenza, Return or Storage Lateral File Drawers



Filing Capacity:
30” WIDE DRAWERS:
30” letter filing front to back, or 25” legal filing
side to side 15” or legal filing front to back.
When filing front to back, 30” lateral file drawer widths allow two rows of
letter filing, but only one row of legal file width.



Filing capacity:
36” WIDE DRAWERS:
30” letter filing front to back, or
36” legal filing side to side, or 30”
legal filing front to back.
Weight capacity of lateral file drawers is 135 lbs.



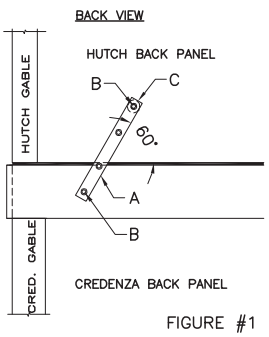
Linking Units, Tops and Returns
It is important that the main units (desk, credenza) to which the linking unit or return is being attached be in their final position and leveled. Units are connected with mending plates under the worksurface and from the modesty and to the end panel off the connecting units. Attach the mending plates under the worksurface, level cases if necessary by adjusting the glides to achieve flush and firm joints before installation of mending plates to modesty and end panels.

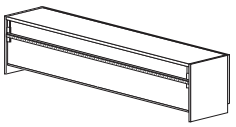
Drawer Removal
Pull drawer and slide out to the full extension position. With index finger, lift up the release lever on the left and press down the release lever on the right side of the drawer (as shown).
Pull out the drawer with the attached drawer channel from the cabinet member.
To re-assemble, insert the drawer through the guide.

Glide Adjustment
Raise one corner of the unit at a time and adjust the glide to the desired height by turning the glide to the hole. Make sure unit is level after adjusting the glides. Please note that the maximum adjustment range of the glides is 1 1/4”. When moving units after glides have been inserted, dial the glides to the lowest position to prevent damage.

Door Adjustments
Hinges on all bookcase, overhead and hutch doors are designed to be adjusted for depth, horizontal and vertical alignment. This is easily done by adjusting the appropriate screw. See drawing.
To remove a door, pull the release clip and pull out the door, disconnecting hinges.

ARTEMIS INSTALLATION INSTRUCTIONS





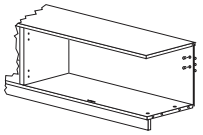


FIGURE #1

Hutch Installation
Before installing the hutch, insure that the worksurface has been placed in the final position and leveled. The worksurface should then be moved out a sufficient distance to allow access to the back. It is recommended that the minimum amount of movement be used with the leveling glides extended to prevent damage to the glides.The hutch comes with self-adhesive foam strips that must be applied to the bottom edge prior to placing the hutch on the credenza. The foam is best applied with the hutch lying on its back. Do not leave any gaps in the foam strip, in order to prevent scratches to the credenza top while placing the hutch. Place the hutch securely on the worksurface. Try to minimize any movement of the hutch to prevent scratching. Use of a blanket on the front portion of the credenza is recommended. Using the supplied hardware, screw the ° at bracket (A) to the top of the credenza at each end, using the 3/4" screws (B). Swing the bracket up to approximately 60° and place the supplied washer (C) behind the top hole in the bracket. Screw through the bracket and washer into the hutch back with the 3/4" screws (B). Tighten all screws. Move combined hutch and credenza back to final location. Check for level again and adjust as required.

Overhead Unit
The wall mount overhead units must be installed on wall studs. The first step for installation is to locate the studs in the wall where the overhead is to be mounted. Position the overhead hanger rail on the wall to insure studs line up with pre-drilled holes in the hanger rail and mark the location on the wall. Drill holes at the marked hole locations. Fasteners are to be provided by the installer, so hole size will be determined by size of fastener chosen . If studs cannot be accessed, then appropriate drywall plugs or butterfly bolts should be used. If the end of the wall rail is further than 3 " from a stud , toggle bolts must be fastened through holes 1 and 3. Fasten the mounting rail to the wall insuring that it is level. Remove the black plugs located on the inside face of the back panel to gain access to the adjusting screws on the hanging brackets. Hang the overhead on the mounting rail. The hanging brackets provide vertical and plumb adjusting screws. Level the cabinet by using these screws. All brackets must be adjusted so that they all support the cabinet. When leveling of the overhead is complete, insert the black plugs in the holes to cover the adjusting screws. Installation instructions included with each case must be followed exactly.

* This credit is only applicable if in total 20% of the combined value of the procurement of construction materials and in the furniture are manufactured within a radius of 500 miles. This credit will apply if the installation of the finished product occurs within 500 miles of Toronto, Ontario.

level® CERTIFICATION
BIFMA's e3 Furniture Sustainability Standard is a voluntary, multi-attribute standard that measures the degree of sustainability of furniture. This standard evaluates product and company environmental attributes and compliance systems in a wide range of elements which include Materials, Energy & Atmosphere, Human & Ecosystem Health and Social Responsibility. Artemis products have earned level®, BIFMA's sustainability certification program for furniture, certification through third-party verification against the e3 standard.

AIR EMISSIONS
All Artemis products can be supplied with air emissions-certification. Contact customer service for information and upcharges.

FSC®
FSC® In 2005, Krug received Forest Stewardship Council® (FSC®) Chain-of-Custody certification for our manufacturing facilities. The FSC® Chain-of-Custody tracks certified wood from seedling to final sale. It verifies that the material for our FSC® certified products only come from well-managed, FSC®-certified forests and other controlled sources. FSC® is dedicated to the promotion of responsible forest management worldwide helping to take care of forests for future generations. Artemis and other Krug products can be specified with FSC® Certification. Contact customer service for further information, pricing and lead times.

In addition, architects, designers, and building professionals can specify FSC®-certified products in order to achieve a point from the US. Green Building Council's Leadership in Energy and Environmental Design (LEED) Rating System.

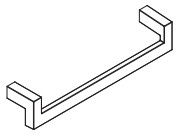
WORK SURFACES
Laminate worksurfaces are 1-1/4" thick, and have thermally fused laminate applied to particle board core. High Pressure plastic Laminate (HPL) worksurfaces are 1-1/8" thick, and have plastic laminate applied to particle board core, with a laminate backer. All worksurface height tops have profiled edges on all sides. On credenza, return, linking unit, and 2 hi storage unit tops the side and back edges are not profiled Standard Artemis laminate casegoods will have low pressure laminate worksurfaces and a low pressure laminate chassis. Optional high pressure laminate worksurfaces are available.

MODESTY PANELS
Modesty panels are standard on all desks, and optional on shaped tops, returns, linking units and credenzas.

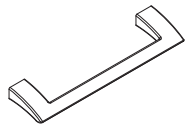
LATCHES
Bookcase doors are equipped with touch latches mounted inside the top edge of the door when no pulls are specified. Pier hutches have an option of a pull on the pier door only, touch latch will not be provided.

HINGES
Hinges on all hutch, overhead and bookcase laminate doors are European style with 165 degree opening. Frosted glass doors have 105 degree opening. All hinges are fully adjustable.

DRAWERS
Desk box and file drawers have fully progressive full extension slides and are load rated at 125 lbs. per drawer. All drawer interiors are birch components. All file drawers are equipped for letter and legal filing. All box/box/file pedestals in desks are supplied with one molded black pencil tray.



LOCKS
Locks are standard on all pedestals and storage unit lateral file drawers. Locks are optional on door fronts and must be specified at time of order. All lock cores are Silver. Locks are not available on glass doors.



METAL LEGS
The metal legs in Artemis Laminate have a Silver Metallic finish.

GLIDES
Adjustable glides are 1-1/2" long and allow for a range of adjustment of 1 1/4".

PULLS
All pulls are die cast with a choice of Silver Metallic powder coat and Grey metallic powder coat finish options. Pulls are supplied on all drawers.

Radius Edge - D

METAL CABINETS
Steel frame construction is welded and channels are formed in key areas for strength. Inner frame is 20 gauge metal. Fronts, tops, outer panels are 20 and 22 gauge steel.

TESTING INFORMATION
Artemis meets or exceeds the testing requirements of ANSI/BIFMA X5.5-2014 and/or X5.9 - 2012.

BIFMA INTERNATIONAL

ARTEMIS LAMINATE LAMINATES & GRAIN DIRECTION

LAMINATES

Krug's in-stock Laminates are available in 17 different laminate selections. Please note that 4 of the colors (Gingerbread, Portobello, Ash and Willow) have textured finishes and may not be appropriate for use in patient areas due to infection control concerns. Minimum order quantities and extended lead times may apply for exotic laminate colors, please check with customer service. Polymer Edge will be selected to match the worksurface. Krug's previous laminate in-stock program will be phased out as in-stock supply depletes. Please contact customer service for availability.

IN-STOCK LAMINATES

Wood Grain Laminates	High Pressure Laminate Supplier
Champagne	Tafisa T492CR
Hardrock Maple	Formica 86992-58
Dune	Tafisa T491CR
Copper	Tafisa T521CR
Shiraz Cherry	Tafisa T472CR
Park Avenue Walnut	Wilsonart 7984–38
Chocolate	Tafisa T498CR
Nutmeg	Tafisa T477CR
Dark Walnut	Tafisa T469CR

Textured Wood Grain Laminates	High Pressure Laminate Supplier
Gingerbread	Tafisa T556UR
Portobello	Tafisa T557UR
Ash	Tafisa T535AT
Willow	Tafisa T543AT
Solid Laminates

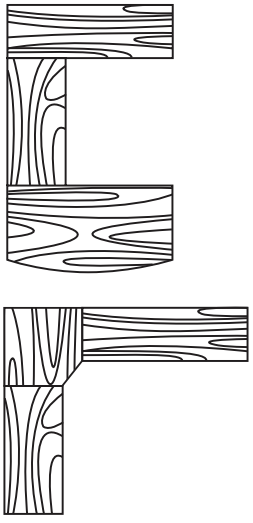
Platinum	Tafisa T202CR
Earth	Tafisa T767CR
Charcoal	Tafisa T228CR

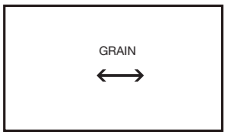
PHASE OUT LAMINATES

Almond - Black- Shadows - Edgewood Sycamore - Gunstock Walnut

Non-Stocked Laminates

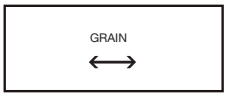


For specific lead time and application questions, please contact Krug Customer Service for your requirement. Upcharges will be applicable for non-stocked laminates, depending on their cost. Non-stock laminates may require a minimum order quantity, please contact customer service. Stocked polymer edges only can be specified for use with non-stocked laminates or tops will be self-edged.



Dual Laminates

Two laminate colors can be combined on the same unit, with one laminate color on the worksurface and another laminate on the rest of the unit, at an upcharge of 5%. Combinations of more than one laminate in the body of the unit are not available.



GRAIN DIRECTION

The grain direction runs lengthwise on all worksurfaces.

ORDERING PROCEDURE

To order, please specify the following:
1) Krug product model number
2) Laminate selection, see page 4
3) Edge profile, see page 3
4) Pull style, see Page 3
5) Grommet location if applicable

*Indicates model illustrated by line drawing.

CODE DESCRIPTION

L - left handed pedestal position
R - right handed pedestal position
4 - full height pedestal
D - 2 file drawers
F - 2 box, 1 file drawer
0 - no pedestal

STANDARD LAMINATES

For a complete list of standard laminates please see page 4.

GROMMETS

One grommet in standard position is optional at no charge. Additional grommets are available at an upcharge of **$159 List**.

ORDERING NOTES:
Curved Corner desks are not stand alone cases. They must be used in conjunction with returns or linking units. All Desks with a "S6" at the end of the model number are available with a 4" diameter metal leg. To order the metal leg please replace "S6" with a "D8" to the existing model number ie: 72DA6630**D8**. All Desks with a "S6" at the end of the model number are available with a Panel Leg. To order panel leg please replace "S6" with "P6" in the model number ie: 72DA6630**P6.**

DIMENSION KEY
W - width
D - depth
H - height

Dimensions are in inches and approximate. Contact Customer Service if dimensions are critical.

CODE DESCRIPTION
L - left-handed position
R - right-handed position
S6 - square Laminate leg
V26 - 1/2 height floating Laminate modesty panel

STANDARD LAMINATES
For a complete list of standard wood finishes please see page 4.

GROMMETS
One grommet in standard position is optional at no charge. Additional grommets are available at an upcharge of **$159 List**.

ORDERING NOTES:
All Returns with a "S6" at the end of the model number are available with a 4" diameter metal leg, replace "S6" with a "D8" to the existing model number ie: 72RHB6630L**D8**. All returns with a "S6" at the end of the model number are available with a Panel Leg, replace "S6" with "P6" in the model number ie: 72RH6630L**P6**.

DIMENSION KEY
W - width
D - depth
H - height

Dimensions are in inches and approximate. Contact Customer Service if dimensions are critical.

CODE DESCRIPTION
L - left-handed position
R - right-handed position
S6 - square wood leg
V26- 1/2 height floating Laminate modesty panel
X26- 1/2 height fixed Laminate modesty panel

STANDARD LAMINATES
For a complete list of standard wood finishes please see page 4.

GROMMETS
One grommet in standard position is optional at no charge. Additional grommets are available at an upcharge of **$159 list**.

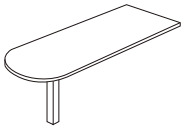
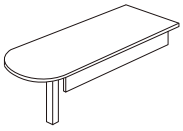
ORDERING NOTES:
All Returns with a "S6" at the end of the model number are available with a 4" diameter metal leg, replace "S6" with a "D8" to the existing model number ie: 72RHA8436RV29**D8**. All returns with a "S6" at the end of the model number are available with a Panel Leg, replace "S6" with "P6" in the model number ie: 72RHA8436RV29**P6**.





ORDERING PROCEDURE
To order, please specify the following:
1) Krug product model number
2) Laminate selection, see page 4
3) Edge profile, see page 3
4) Pull style, see Page 3
5) Grommet location if applicable

*Indicates model illustrated by line drawing.

CODE DESCRIPTION
L - left-handed position
R - right-handed position
X26- 1/2 height fixed Laminate modesty panel
V29- 1/2 height floating acrylic modesty panel
S6 - square wood leg

STANDARD LAMINATES
For a complete list of standard laminates please see page 4.

GROMMETS
One grommet in standard position is optional at no charge. Additional grommets are available at an upcharge of **$159 List**.

Legs required per runoff: 1

ORDERING NOTES:
Please note that 29" base is to be used to achieve a desk height runoff, 42" base is to be used for bar height runoff.

ORDERING PROCEDURE
To order, please specify the following:
1) Krug product model number
2) Laminate selection, see page 4
3) Edge profile, see page 3
4) Pull style, see Page 3
5) Grommet location if applicable

*Indicates model illustrated by line drawing.

CODE DESCRIPTION
6 - use with bar height runoff

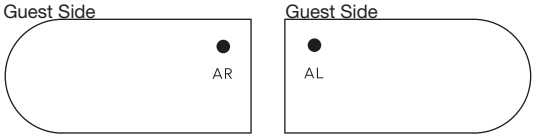
ORDERING NOTES: This pencil drawer is required on any item that has a stiffener bar.

ARTEMIS POWER MANAGEMENT OPTIONS

Standard Grommet & PowerPort Positions
Desks, Credenzas, Link Units & Returns



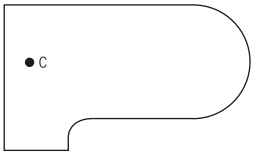
30” deep desks:
Position Code:
AL – left corner
BL – left end beside pedestal gable
C – center
BR – right end beside pedestal gable
AR – right corner

36” deep desks:
Position Code:
AL – left corner
BL – left end beside pedestal gable
C – center
BR – right end beside pedestal gable
AR – right corner

“BR” and “BL” are only available on tops 60” or longer.

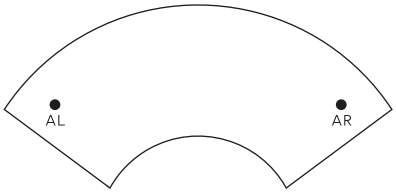
Curvilinear Top Grommets & PowerPorts
“AL” and “AR” are the only grommet and PowerPort locations that apply to curvilinear returns. Please note these locations are not applicable on the 36” deep top and fixed modesty panel.

Position code:
AL - left corner on right hand return
AR - right corner on left hand return



Curvilinear desk grommets and PowerPorts can only be specified in “C” position.

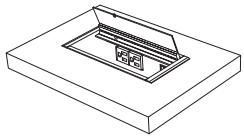
User Side



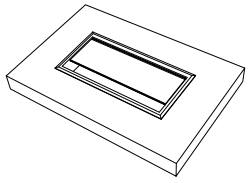
User Side

User Side

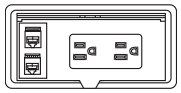
Position Code: C center



Crescent Return Grommets
Grommets and PowerPorts are available on Crescent returns.

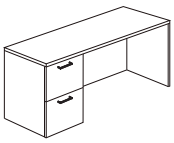


Position Code:
AL - left corner on return
AR - right corner on return



Grommets - Round
The round grommet, available in a Sliver or Black finish, features an open and shut mouse hole to provide cable passage for areas not requiring a large opening. Grommets can be field installed with a power drill, 60 mm hole saw. All cases may be specified with one grommet in a standard position at no upcharge. A an upcharge will apply to additional grommets in standard positions and for grommets requested in non-standard positions of **$159 list**. Please clearly specify location(s) of grommet when ordering.

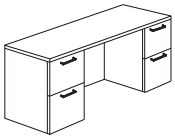
POWERPORT
A PowerPort is a unique worksurface mounted module that can be specified to a location that best serves the user's needs. It includes a UL approved electrical, voice and data power bar, containing 115 - volt electrical simplex outlets which are accessible from the work surface, plus a utility outlet at the end for daisy chaining purposes. 6 data versions are available, please see page 58.



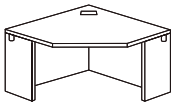
PORT
A service module having no power bar will serve as a large grommet. A hinged lid easily enables the passage of several cables and devices.

76PDVM (Power/ Data/ Voice Module)
The worksurface mounted 76PDVM can be specified to a standard location that best serves the user's needs. It is CSA/UL approved, and comes with 2 - 115 volt electrical convenience outlets, 1 - RJ 11 communication port, and 1 - RJ 45 data port.

Please keep in mind the location of Powerports, Ports, and 76PDVM's when specifying paper managers or pier door hutches for use with worksurfaces. For example, a paper manager or a pier on the left-hand side may be use with a "C", "BR", or "AR" Power port.

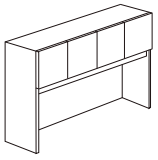


ARTEMIS LAMINATE CREDENZAS, LINKING, CORNER UNITS & HUTCHES



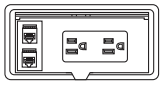
CREDENZAS
Artemis Laminate offers a wide variety of credenzas for use as stand alone storage pieces, part of a connected worksurface configuration, or behind a desk.Choose from single or double pedestal options, with fixed or hinged modesty panel

Modesty Panels
Credenzas with hinged modesty panels provide easy access to wall mounted electrical sources without wiring difficulties Credenzas with modesty panels have an added finished look, and all cases are available with a wiring grommet in a standard position for added cable management, please specify on your order. Wiring grommets can be specified above the pedestal location



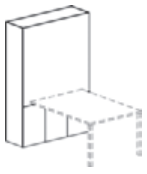
Pedestals
Artemis Laminate credenzas are available with single, lateral file, combination pedestals or bookcase pedestals. Artemis Laminate linking units and corner units are available in a range of sizes for ease of use in configuring a connected worksurface.

LINKING UNITS
Artemis Laminate linking units and corner units are available in a range of sizes for ease of use in configuring a connected worksurface. Linking Units are for use between desks and credenzas in creating a U-shaped configuration, and must be supported at both ends. They are available with or without modesty panels.



CORNER UNITS
A corner unit can also be used on a U-shaped configuration, or it can be an integral part of a L-shaped work area with returns or linking units linked to either side. Corner units have a standard grommet included in the back corner for ease of cable management, and have additional wire management access grommets in the half gables so that cable can be run to other areas of the connected worksurface. This can be assisted by a cut length of wire management cover.

HUTCHES AND OVERHEADS
Artemis Laminate offers hutch and overhead options for use in a work area configuration All hutches and overheads include tasklights that are factory installed and require no field adjustment. Tasklights are mounted beneath the cabinet and hidden from view. Selected hutches are available with Silver Metallic framed frosted glass doors.



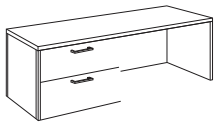
Doors
Doors are equipped with fully adjustable European style hinges. Locks are optional and can be specified at time of order for an upcharge of $159 per set of (2) doors. If an uneven amount of doors require locks, the lock on the single door is **$159**. Locks are not available on glass doors.

Hutch Power/ Data/ Voice Module
Access to power and data is made simple by using a hutch with a power/data/voice module built right into the tackboard. The module is fully installed at the factory but can be removed to connect data links on site. It features a flip door that retracts into the case of the unit when open. Please note, not all fabrics are suitable for tackboard application. Tackboard fabric selections should be supplied with the order information. Tackboards are not included with overheads. Overhead tackboards include wall mounting hardware and instructions. Only hutches and overhead tackboards in Krug panel fabrics are available on KrugExpress.

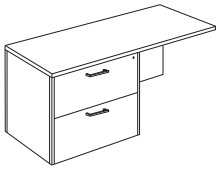
Tasklights
Tasklights are included with hutches and overheads. On hutches, the tasklight cord is threaded behind the hutch though a standard access grommet on the upper right hand side of the back panel. Tasklights are installed on the underside of overhead units. Cords run down the right hand side of the tasklight to the worksurface where they can be routed behind the worksurface top. The use of a wall mounted Overhead tackboard conceals the cord from view.

Installation
Hutch and overhead installation instructions are included with every case or can be found in this guide on page 66. All mounting hardware required is included with the product.

MEDIA WALL
No storage. Removable access panel for wire management. Wire management cutout in the base of center bookcase is 10-1/4" x 12-3/4". Media Wall units must be used in conjunction with a media hub runoff top and base. Runoff tops and bases sold separately and available in both desk and bar heights. Desk height runoff tops are mounted at 29.5" in height. Bar height runoff tops are mounted at 42" in height. Bank of drawers includes 3 box drawers. Back of unit is unfinished.

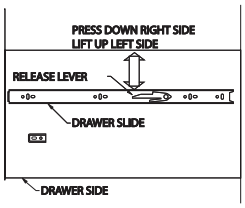


Drawers will be offered for letter and legal size filing. All units are equipped with file bars that are fixed in place for shipping.

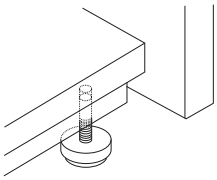


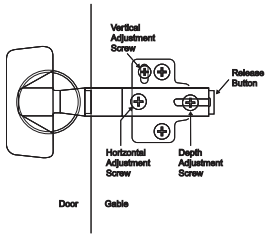
Desk Pedestal File Drawers
Filing Capacity:
15” drawers
21” of letter filing front to back or
12” of legal filling side to side
22” pedestal drawer depths allow only one row of side to side files
Weight capacity of pedestal file drawers is 125 lbs

Credenza and Return Pedestal File Drawers
Filing Capacity:
15” drawers
15” of letter filing front to back or
12” of legal filling side to side
16” pedestal drawer depths allow only one row of side to side files
Weight capacity of pedestal file drawers is 125 lbs



Credenza, Return or Storage Lateral File Drawers
Filing Capacity:
30” wide drawers:
30” letter filing front to back, or
25” legal filing side to side
15” or legal filing front to back.
When filing front to back, 30” lateral file drawer widths allow two rows of letter filing, but only one row of legal file width
Filing capacity:
36” wide drawers:
30” letter filing front to back, or
36” legal filing side to side, or
30” legal filing front to back.
Weight capacity of lateral file drawers is 135 lbs





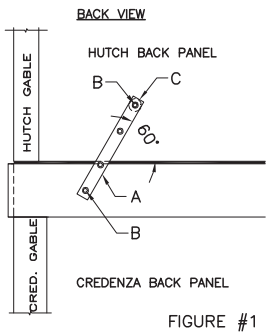
Linking Units, Tops and Returns
It is important that the main units (desk, credenza) to which the linking unit or return is being attached be in their final position and leveled.
Units are connected with mending plates under the worksurface from the modesty to the end panels. Attach the mending plates under the worksurface, ensure cases are level and if necessary adjust the glides to achieve flush and firm joints before completing installation of mending plates to the modesty and end panels.

Drawer Removal
Pull drawer and slide out to the full extension position. With index finger, lift up the release lever on the left and press down the release lever on the right side of the drawer (as shown).
Pull out the drawer with the attached drawer channel from the cabinet member.
To re-assemble, insert the drawer through the guide.

Glide Adjustment
Raise one corner of the unit at a time and adjust the glide to the desired height by turning the glide to the hole. Make sure unit is level after adjusting the glides. Please note that the maximum adjustment range of the glides is 1 1/4”. When moving units after glides have been inserted, dial the glides to the lowest position to prevent damage.

Door Adjustments
Hinges on all bookcase, overhead and hutch doors are designed to be adjusted for depth, horizontal and vertical alignment. This is easily done by adjusting the appropriate screw. See drawing.
To remove a door, pull the release clip and pull out the door, disconnecting hinges.

ARTEMIS LAMINATE INSTALLATION INSTRUCTIONS



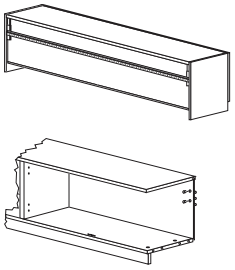


FIGURE #1

Hutch Installation
Before installing the hutch, insure that the worksurface has been placed in the final position and leveled. The worksurface should then be moved out a sufficient distance to allow access to the back. It is recommended that the minimum amount of movement be used with the leveling glides extended to prevent damage to the glides. The hutch comes with self-adhesive foam strips that must be applied to the bottom edge prior to placing the hutch on the credenza. The foam is best applied with the hutch lying on its back. Do not leave any gaps in the foam strip, in order to prevent scratches to the credenza top while placing the hutch. Place the hutch securely on the worksurface. Try to minimize any movement of the hutch to prevent scratching.
Use of a blanket on the front portion of the credenza is recommended.
Using the supplied hardware, screw the flat bracket (A) to the top of the credenza at each end, using the 3/4" screws (B). Swing the bracket up to approximately 60° and place the supplied washer (C) behind the top hole in the bracket. Screw through the bracket and washer into the hutch back with the 3/4" screws (B). Tighten all screws. Move combined hutch and credenza back to final location. Check for level again and adjust as required.

Overhead Units
The wall mount overhead units must be installed on wall studs. The first step for installation is to locate the studs in the wall where the overhead is to be mounted. Position the overhead hanger rail on the wall to insure studs line up with pre-drilled holes in the hanger rail and mark the location on the wall. Drill holes at the marked hole locations. Fasteners are to be provided by the installer, so hole size will be determined by size of fastener chosen. If studs cannot be accessed, then appropriate drywall plugs or butterfly bolts should be used. If the end of the wall rail is further than 3" from a stud, toggle bolts must be fastened through holes 1 and 3. Fasten the mounting rail to the wall insuring that it is level.
Remove the black plugs located on the inside face of the back panel to gain access to the adjusting screws on the hanging brackets. Hang the overhead on the mounting rail. The hanging brackets provide vertical and plumb adjusting screws. Level the cabinet by using these screws. All brackets must be adjusted so that they all support the cabinet. When leveling of the overhead is complete, insert the black plugs in the holes to cover the adjusting screws.
Installation instructions (included with each case) must be followed exactly.

CUSTOM PRICING METHODS

CUSTOM PRICING METHODS
Custom widths: Apply the price that is one standard size larger than the desired case size (but same depth).
Example: The required custom dimension is 74" x 30". The first standard size above this is 78" x 30", so in this case you would apply the price of the 78" x 30" unit.

Custom depths: Apply the price of the same unit one size deeper (but same width).
Example: The required custom dimension is 72" x 26". The first standard size above this is 72" x 30", so in this case you would apply the price of the 72" x 30" unit.

Custom width & depth: Apply the price of the same unit both one size wider and one size deeper.
Example: The required custom dimension is 74" x 26". The first standard size above this is 84" x 30", so in this case you would apply the price of the 84" x 30" unit.

Custom height of desk height cases: Add 18% (31-32" hi)

Grommets in non-standard positions, add: $159 list
To remove hutch or overhead doors, deduct: 4% list
Bookcase with optional vent in back (includes 2 vents and 1 grommet), add: $302 list
2 lateral files and 3 or 4 closed shelves - convert to half open, half closed shelves,add: 15% list
2 lateral files and 3 or 4 closed shelves - convert to half open, half wardrobe, add: 15% list
To remove storage doors for open shelves, deduct: 4% list

EXCEPTIONS TO THE PRICING METHODS ABOVE
Sizes larger than largest shown in Price List.
Glass door – any style.
Cases with curvilinear tops where the radius becomes non-standard.

NOTE: Cases with non-standard features do not apply to the rules above.
Please contact Krug Customer Service at 1.888.578.KRUG for assistance.

		CONTRIBUTES TO
CREDIT 2.1 - 2.2	Construction Waste Management	1-2 point(s)
CREDIT 4.1	Recycled Content	1 point
CREDIT 4.2	Recycled Content	1 point
CREDIT 4.5	Low Emitting Materials, (MUST BE REQUESTED) Systems Furniture & Seating	1 point
CREDIT 5.1	Regional Materials*	1 point
CREDIT 7	Certified Wood (PLEASE ENQUIRE)	1 point

* This credit is only applicable if in total 20% of the combined value of the procurement of construction materials and in the furniture are manufactured within a radius of 500 miles. This credit will apply if the installation of the finished product occurs within 500 miles of Toronto, Ontario.

level® CERTIFICATION
BIFMA's e3 Furniture Sustainability Standard is a voluntary, multi-attribute standard that measures the degree of sustainability of furniture. This standard evaluates product and company environmental attributes and compliance systems in a wide range of elements which include Materials, Energy & Atmosphere, Human & Ecosystem Health and Social Responsibility. Latitude products have earned level®, BIFMA's sustainability certification program for furniture, certification through third-party verification against the e3 standard.

AIR EMISSIONS
All Latitude products can be supplied with air emissions-certification. Contact customer service for information and upcharges.

FSC®
FSC® In 2005, Krug received Forest Stewardship Council® (FSC®) Chain-of-Custody certification for our manufacturing facilities. The FSC® Chain-of-Custody tracks certified wood from seedling to final sale. It verifies that the material for our FSC® certified products only come from well-managed, FSC®-certified forests and other controlled sources. FSC® is dedicated to the promotion of responsible forest management worldwide helping to take care of forests for future generations. Latitude and other Krug products can be specified with FSC® Certification. Contact customer service for further information, pricing and lead times.

In addition, architects, designers, and building professionals can specify FSC®-certified products in order to achieve a point from the US. Green Building Council's Leadership in Energy and Environmental Design (LEED) Rating System.

WORK SURFACES
Tops are 1 1/4" thick veneered MDF core with face and back veneer. All Desks, Credenzas, Curvilinear Desks, Returns, Linking Units, Bookcases and 2Hi Storage unit tops have beveled profile edges on all sides.

LATITUDE EDGE PROFILE

MODESTY PANELS
Modesty panels are standard on all desks, and optional on shaped tops, returns, linking units and credenzas. Modesty panels on desks and Credenzas are 3/4" thick and 1 1/8" thick on returns and linking units.

VENEER
Latitude veneers are quarter cut, except for White Oak, which is rift cut - both quarter cut and rift cut veneers provide a straight grain appearance. The grain direction of the veneers on vertical faces is vertical.

FINISH
A five step catalyzed varnish finish that when dry has a sheen value of 32°, is applied to all finished cases. A lower sheen topcoat, 20°, can also be specified at standard pricing. All purchase orders must clearly note "lower sheen finish" in order to receive the optional selection.

BASES
The Latitude disc base has a Brushed Stainless finish, O-base and Square base have a Brushed Stainless finish.

LOCKS
Locks are provided as standard features on all pedestals, except bookcase pedestals, including those in desks, credenzas, and lateral file storage units. Satin Aluminum lock plugs are located on the fronts of all cases.
Locks are available on the bookcase doors at an upcharge of **$159 list** per set of (2) doors, or one single door with an odd number of doors, please specify on the purchase order. Locks for bookcase doors are generally located on the top inside corner of the door front.
Locks for hutch and overhead doors are generally located on the lower inside corners. Suites can be keyed alike at no upcharge, please specify on purchase order. For Master key, note clearly on your purchase order and add **$42 list**.

PULLS
Standard pulls on drawers are Gloss Aluminum. Latitude drawers have the option of finger pulls in the same finish as the drawer front. To order, note clearly on the purchase order and add **$290 list** per pedestal. Doors feature touch latches.

LATITUDE STANDARD PULL

LATITUDE FINGER PULL OPTION

LATCHES
All hutch, overhead and bookcase hinged doors (above the worksurface height), are equipped with touch latches mounted inside the top edge of the door.

HINGES
Hinges on all hutch, overhead and bookcase doors are European style with 110 degree opening. All hinges are fully adjustable.

DRAWERS
Desk box and file drawers have fully progressive full extension slides and are load rated at 125 lbs per drawer. All drawer interiors are birch components. All file drawers are equipped for letter and legal filing. All box/box/file pedestals in desks are supplied with one molded black pencil tray.

GLIDES
Adjustable glides are 1 1/4" long and allow for a range of adjustment of 1". Glide inserts are installed at factory, glides need to be field installed.

TESTING INFORMATION
Latitude meets or exceeds the testing requirements of ANSI / BIFMA X5.5-2014 and/or X5.9-2012.

BIFMA INTERNATIONAL

LATITUDE FINISHES & VENEER

WOOD FINISHES
Standard wood finishes are:

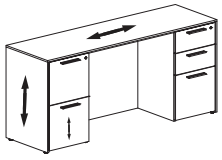
SPECIES	FINISH
OAK	Light Oak
	SilverGrey on Oak
	Espresso Oak
	Harvest Oak
	Mahogany Oak
	Medium Cherry on Oak
	Mellow Oak
WALNUT	Natural Walnut
	Walnut on Oak
	SilverGrey on Walnut
	Regular Walnut
	Dark Walnut
	Cordovan Walnut
PALETTE	Black
	White
	Sand
	Soft Green
	Steel Blue
	Slate

Note: Palette is available on door fronts, drawer fronts and 1/2 height modesty panels.

WOOD FINISHES TO MATCH STANDARD LAMINATES
Willow on Rift Oak
Dune on Rift Oak
Portobello on Rift Oak
Ash on Rift Oak
Park Avenue Walnut
Chocolate on Walnut
Nutmeg on Walnut

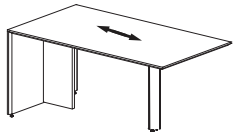
VENEERS
Latitude is available in Quarter Cut Walnut and Rift Cut Oak veneers, and each is priced in this price guide. Maple and Cherry are also available: for Flat Cut Maple or Cherry veneer, use Column 1 pricing; for Quarter Cut Maple or Cherry, use Column 2 pricing. The grain direction of the veneers on vertical faces is vertical - see below for grain direction specifications.

NON-STANDARD VENEER SPECIES
In addition to range of standard wood species, Latitude can be made with virtually any commercially available veneers. To specify Anigre, Mozambique or Zebrano add 5% List, for Sycamore add 10% list to Walnut list price. Anigre is available in clear or medium finish, Mozambique, Zebrano & Sycamore are available in clear finish only. Other veneers are also available on Latitude, please c ontact customer service for more information and pricing on additional wood species not included in Latitude's standard offering.



NATURAL CHARACTERISTICS OF WOOD
Wood is a natural product with inherent color variations that will never be fully mitigated by the finishing process. Please anticipate variation in colors within a single unit, from piece to piece, and from Krug wood finish samples. If a very close match is required, a sample must be provided with the order and an upcharge will apply. Exact color matches are not possible.

CUSTOM WOOD FINISHES
Add 10% list to your order for special finishes, minimum upcharge is $630 list per finish per order. (For example, on all orders up to $6300 list, an upcharge of $630 will apply, on orders $6300 and up add 10% list to your order.)



FINISH
Latitude Casegoods feature Krug's finish, a proprietary catalyzed varnish formulation, that has repeatedly shown through independent laboratory testing to be the industry leader in durability and abrasion resistance. The Krug finish looks better longer than competitors and is uniquely suited to the demands of high traffic environments.

GRAIN DIRECTION
Providing a consistent wood grain direction is important in maintaining consistent color on adjacent worksurface. The arrows on the illustrations below show the grain direction on typical worksurfaces and case fronts.

ORDERING NOTES:
Drawer fronts are available in pallet at an upcharge of **$374 list** per unit, add P at the end of the model number.

ORDERING PROCEDURE
To order, please specify the following:
1) Krug product model number
2) Wood species and finish
3) Grommet location and style if applicable.

* Indicates model illustrated by line drawing

CODE DESCRIPTION
4 - full height pedestal
L - left hand position
R - right hand position
D - 2 file drawers
F - 2 box, 1 file drawer
0 - no pedestal

STANDARD FINISHES
For a complete list of standard wood finishes please see page 4.

GROMMETS
One grommet in standard position is optional at no charge. Additional grommets are available at an upcharge of **$159 List**.

ORDERING NOTES: Open Desks with 4” metal leg (D8) support are not stand alone cases. They must be used in conjunction with returns or linking units. To specify optional bases on Open Desks see option chart below, replace “D8” in the model number with suffix below and add list upcharge. See page 729 for Modesty Panel options. Left or right designation MUST be specified when specifying a modesty panel. Designate by adding left (L) or by adding right (R) after the item size in the item number. i.e. 65DQ6030D8**LV21**

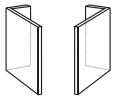
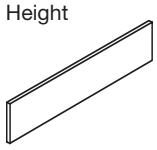
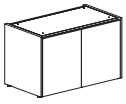
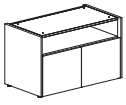
ORDERING NOTES: When specifying modular pedestals please state left, center or right. For a pedestal in the left position add L to the end of the model number, center position add C to the end of the model number and right position add R to the end of the model number.









ORDERING PROCEDURE
To order, please specify the following:
1) Krug product model number
2) Wood species and finish
3) Grommet location and style if applicable.

* Indicates model illustrated by line drawing

CODE DESCRIPTION
L - left hand position
R - right hand position
4 - full height pedestal
C - center position
01 - lateral file
11 - closed bookcase
02 - 2 box right, 1 file left, lateral file
04 - 1 file right, 2 box left, lateral file

STANDARD FINISHES
For a complete list of standard wood finishes please see page 4.

LOCKS
Locks are available on all wood doors at **$159 list** per lock.

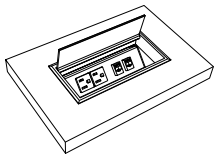
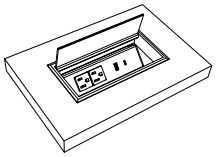
ORDERING PROCEDURE
To order, please specify the following:
1) Krug product model number
2) Wood species and finish
3) Grommet location and style if applicable.



* Indicates model illustrated by line drawing

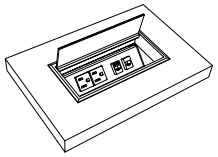
CODE DESCRIPTION
4 - full height pedestal
L - left hand position
R - right hand position
D - 2 file drawers
F - 2 box, 1 file drawer
0 - no pedestal

STANDARD FINISHES
For a complete list of standard wood finishes please see page 4.



GROMMETS
One grommet in standard position is optional at no charge. Additional grommets are available at an upcharge of **$159 List**.

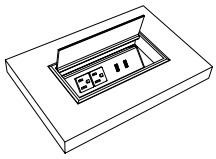
Description	Model	Price	W	D	H	Shipping Weight	Cubic Feet
PowerPort 1 - 2 RJ45s (Category 5/6)	PORT1	291	8	4	-	-	-



Port Includes: 2 accessible power outlets & 1 side utility outlet powered by a 10' plug-in cord; 2 RJ45 (category 5/6) each with hard wired 10' data cords; 2 velcro wire managers and metal PowerPort shroud. PortPort lid is Silver Metallic.
NOTE: RJ45 jacks with hard wired data cords included here must be within 10' of building utilities source to be functional.

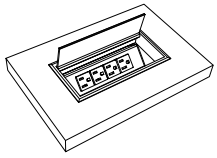
PowerPort 2 - USB-A & USB-C	PORT2	294	8	4	-	-	-

Port Includes: 2 accessible power outlets & 1 side utility outlet;1 USB-A & 1 USB-C charging ports all powered by a 10' plug-in cord; 2 velcro wire managers and metal PowerPort shroud. PortPort lid is Silver Metallic.



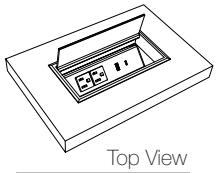
PowerPort 3 - RJ11 & RJ45	PORT3	283	8	4	-	-	-

Port Includes: 2 accessible power outlets & 1 side utility outlet; 1 RJ11 & 1 RJ45 (Category 5/6); 2 Velcro wire managers & PowerPort Shroud; 1 x 10 Foot Data Cords (T568A) & 1 x 14 Foot RJ11 (Telecomm); powered by a 10' plug-in cord.PortPort lid is Silver Metallic.



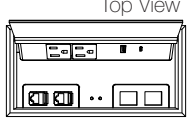
NOTE: RJ45 & RJ11 jacks with hard wired data cords included here must be within 10' of building utilities source to be functional.

PowerPort 4 - 2 USB-A	PORT4	300	8	4	-	-	-



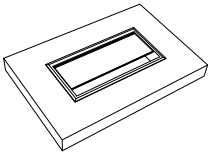
Port Includes: 2 accessible power outlets & 1 side utility outlet; 2- USB-A charging ports all powered by a 10' plug-in cord; 2 velcro wire managers and metal PortPort shroud. PortPort lid is Silver Metallic.

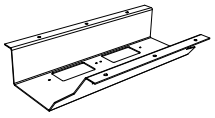
PowerPort 5 - 4 Receptacles	PORT5	294	8	4	-	-	-

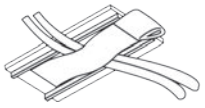


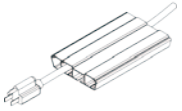
Port Includes: 4 accessible power outlets & 1 side utility outlet powered by a 10' plug-in cord; 2 velcro wire managers and metal power port shroud. PortPort lid is Silver Metallic.

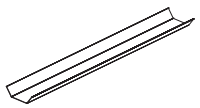
PowerPort 6 - USB-A, USB-C & RJ45	PORT6	426	8	4	-	-	-

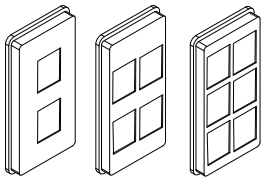


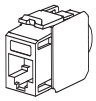


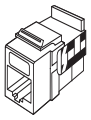


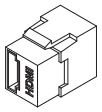


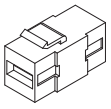




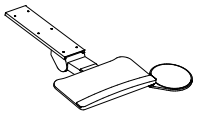


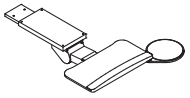


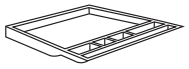


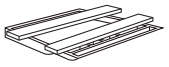


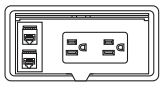
Top View

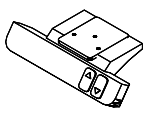












Port Includes: 2 accessible power outlets & 1 side utility outlet 1 USB-A, 1 USB-C charging ports all powered by a 10' plug-in power cord. Includes 2 velcro wire managers and metal PortPort shroud with 2 data plate knock outs, 1 #M02 plate insert & 2 #S01W RJ45 female input, punch down terminal output snap in jacks. 2nd data plate knock out is blank for future use. PortPort lid is Silver Metallic.

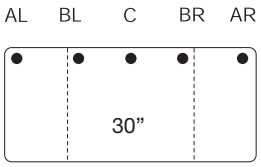
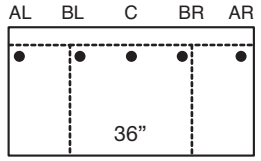
Grommets - Round
The round grommet, available in a Sliver or Black finish, features an open and shut mouse hole to provide cable passage for areas not requiring a large opening. Grommets can be field installed with a power drill, 60 mm hole saw. All cases may be specified with one grommet in a standard position at no upcharge. A an upcharge will apply to additional grommets in standard positions and for grommets requested in non-standard positions of **$159 list**. Please clearly specify location(s) of grommet when ordering.



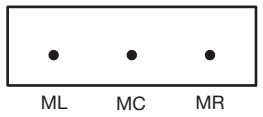
POWERPORT
A PowerPort is a unique worksurface mounted module that can be specified to a location that best serves the user's needs. It includes a UL approved electrical, voice and data power bar, containing 115 - volt electrical simplex outlets which are accessible from the work surface, plus a utility outlet at the end for daisy chaining purposes. 6 data versions are available, please see page 58.



PORT
A service module having no power bar will serve as a large grommet. A hinged lid easily enables the passage of several cables and devices.

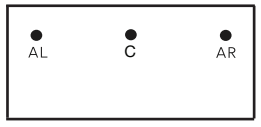
STANDARD GROMMET & POWERPORT POSITIONS

Desks, Credenzas, Link Units & Returns



Position Code:
AL – left corner
BL – left end beside pedestal gable
C – center
BR – right end beside pedestal gable
AR – right corner

“BR” and “BL” are only available on tops 60” or longer.



3/4 height Credenzas for Mounted Runoffs with Power/Data Option

Position Code:
ML - Mounted Left
MC - Mounted Center (applies to 90” and 96” tops only)
MR - Mounted Right

Rectangular Runoff Top Grommet & PowerPort

Guest Side

Position code:
AL - left corner on right hand runoff (“AL” grommet and PowerPort locations apply to **rectangular runoffs**.)
AR - right corner on left hand runoff
C – center

Curvilinear Top Grommets & PowerPorts
“AL” and “AR” are the only grommet and PowerPort locations that apply to curvilinear returns. Please note these locations are not applicable on the 36” deep top and fixed modesty panel.

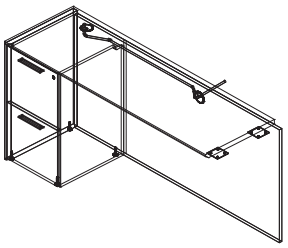
Guest Side

Guest Side

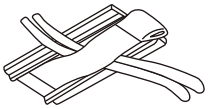
Position code:
AL - left corner on right hand return
AR - right corner on left hand return

Curvilinear desk grommets and PowerPorts can only be specified in “C” position.

User Side

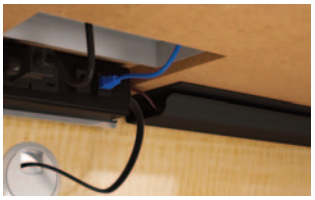


User Side



Position Code: C center

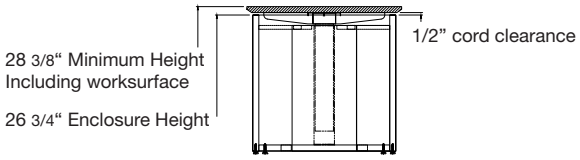
LATITUDE | CABLE MANAGEMENT



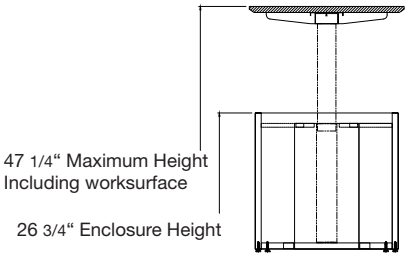
PEDESTAL ACCESS CABLE MANAGEMENT

All Latitude casegood desks, returns and credenzas allow for wire management behind the pedestal drawers. Pedestal gables feature a standard cable management opening allowing access to the rear of the pedestal cavity. By specifying a wiring grommet in a standard AL or AR position (see grommet locations above) cable can be conveniently threaded behind the pedestal drawers and through the wire management access grommet.

Velcro Cable Manager
A velcro wire management strip is available to assist in containing the cables

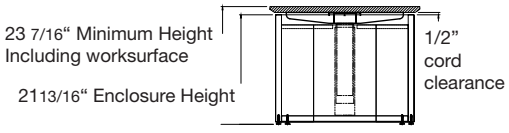


Cable Management PVC Trough
PVC Cable manager is used in credenzas, L and U workstations.

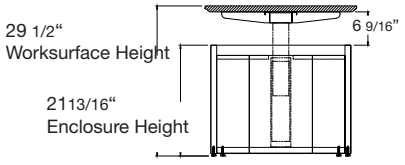


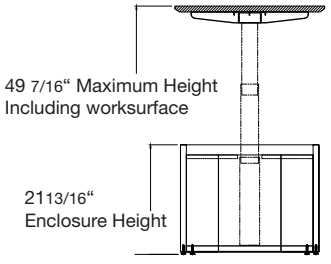
Cable Management for Runoffs
The Silver Metallic Trough is used to route cables from desk runoffs to credenza and out to the source.

HEIGHT ADJUSTABLE WORKSURFACE WITH BASE ENCLOSURE



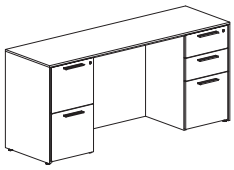
Single Stage Mechanism
With Base Enclosure





The Single Stage mechanism with Base Enclosure has an adjustable height range of 28 3/8 - 47 1/4 inches. When the worksurface is at the lowest stage - desk height, the space between underside of the worksurface and the top of the Base Enclosure is 1 1/2 inches.

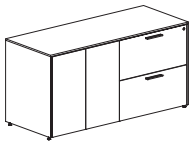
Dual Stage Mechanism
With Base Enclosure



The Dual Stage mechanism with Base Enclosure has an adjustable height range of 23 7/16 - 49 7/16 inches. When the worksurface is at the standard desk height setting of 29 1/2", the space between underside of the worksurface and the top of the Base Enclosure is 6 inches. This allows for the full range of height adjustments.
Custom Base Enclosures for the Dual Stage are available decreasing the gap below the worksurface to 1 1/2" inches.
Caution: this eliminates the ability to use the lower stage settings.
Custom Base Enclosures to further lower the minimum worksurface height are also available, removing the inside enclosure floor completely and allowing a minimum desk height of 22 7/16". Contact customer service for a quote.

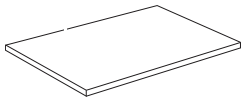
LATITUDE CREDENZAS, LINKING & CORNER UNITS

CREDENZAS - Desk Height
Latitude offers a wide variety of credenzas for use as stand alone storage pieces, part of a connected worksurface configuration, or behind a desk.



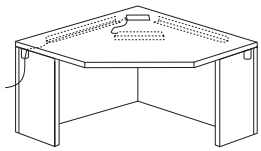
Choose from single or double pedestal options, with fixed or hinged modesty panel.

Modesty Panels
Credenzas with modesty panels have an added finished look, and all cases are available with a wiring grommet in a standard position for added cable management, please specify on your order. Credenzas with hinged modesty panels provide easy access to wall mounted electrical sources without wiring difficulties.



Pedestals
Latitude credenzas are available with single, lateral file, combination pedestals or bookcase pedestals. 3/4 height credenzas are available with box/lateral file, open/lateral file, bookcase, open/bookcase and/or open bookcase pedestals.

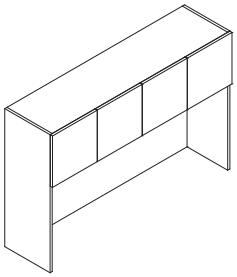
Full Face Credenzas
Full face credenzas are available in a variety of lateral file/bookcase & open bookcase combinations in 3/4 and full height cases.



Credenzas - 3/4 Height
A large offering of Credenza sizes and configurations are available in single pedestal and full face versions.

LINKING UNITS
Latitude linking units are available in a range of sizes for ease of use in configuring a connected worksurface.

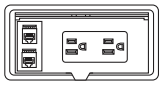
Linking Units are for use between desks and credenzas in creating a U-shaped configuration, and must be supported at both ends. They are available with or without modesty panels.



Linking Units, Tops and Returns
It is important that the main units (desk, credenza) to which the linking unit or return is being attached be in their final position and leveled. Units are connected with mending plates under the worksurface from the modesty to the end panels. Attach the mending plates under the worksurface, ensure cases are level and if necessary adjust the glides to achieve flush and firm joints before completing installation of mending plates to the modesty and end panels.

CORNER UNITS
A corner unit can also be used on a U-shaped configuration, or it can be an integral part of a L-shaped work area with returns linked to either side.

Corner units have a standard grommet included in the back corner for ease of cable management, and have additional wire management access grommets in the half gables so that cable can be run to other areas of the connected worksurface. This can be assisted by a cut length of wire management cover.

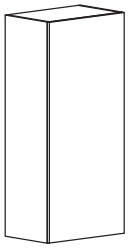


LATITUDE | HUTCHES, OVERHEADS, & TACKBOARDS

HUTCHES AND OVERHEADS
Latitude offers hutch and overhead options for use in a work area configuration.
All hutches and overheads include L.E.D. tasklights that are factory installed and require no field adjustment.
Tasklights are mounted beneath the cabinet and hidden from view.
All hutches are available with Palette doors at no upcharge.

Doors
Doors are equipped with fully adjustable European style hinges. Locks are optional and can be specified at time of order for an upcharge of $159 per set of (2) doors. If an uneven amount of doors require locks, the lock on the single door is also $159. Locks are not available on glass doors.

Flip-Up Doors
Flip-up doors include standard European style hinges and an additional lift and stay mechanism.



Hutch Power/ Data/ Voice Module
Access to power and data is made simple by using a hutch with a power/data/voice module built right into the tackboard. The module is fully installed at the factory but can be removed to connect data links on site. It features a flip door that retracts into the case of the unit when open.

Tackboards
All hutches come standard with grade 1 tackboards. For other tackboard grade pricing, see chart on page 753, please note, not all fabrics are suitable for tackboard application. Tackboard fabric selections should be supplied with the order information.

Tackboards are not included with overheads, see page 751 for pricing. Overhead tackboards include wall mounting hardware and instructions.

Only hutches and overhead tackboards in Krug panel fabrics are available on *KrugExpress.*

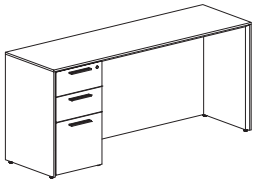
Wall Mounted Back-Painted Glass
Glass panels are 4mm tempered white back-painted glass with aluminum frame. Magnetic back-painted glass is also available.

Piers
Piers are used in conjunction with overhead/hutches, glass wall panels & tackboards

L.E.D. Tasklights
Tasklights are included with hutches and overheads. On hutches, the tasklight cord is threaded behind the hutch though a standard access grommet on the upper right hand side of the back panel.

Tasklights are installed on the underside of overhead units. Cords run down the right hand side of the tasklight to the worksurface where they can be routed behind the worksurface top. The use of a wall mounted Overhead tackboard, back-painted glass wall panel or wood wall panel conceals the cord from view.

Installation
Hutch and overhead installation instructions are included with every case.

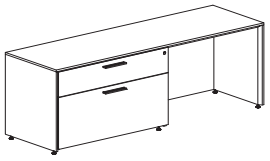


Drawers will be offered for letter and legal size filing. All units are equipped with file bars that are fixed in place for shipping.

DESK RUNOFFS & DESK PEDESTAL FILE DRAWERS

Filing Capacity
15” drawers:
21” of letter filing front to back or
12” of legal filling side to side
22” pedestal drawer depths allow only one row of side to side files.

Weight capacity of pedestal file drawers is 100 lbs.

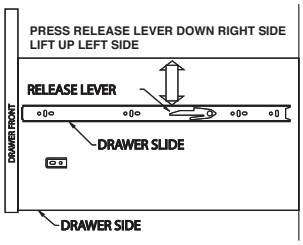


CREDENZA AND RETURN PEDESTAL FILE DRAWERS

Filing Capacity
15” drawers:
15” of letter filing front to back or
12” of legal filling side to side
16” pedestal drawer depths allow only one row of side to side files.

Weight capacity of pedestal file drawers is 100 lbs.

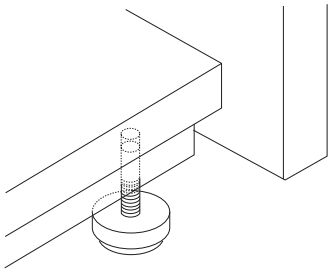
CREDENZA, RETURN OR STORAGE LATERAL FILE DRAWERS



Filing Capacity
30” wide drawers:
30” letter filing front to back, or
25” legal filing side to side
15” or legal filing front to back.

When filing front to back, 30” lateral file drawer widths allow two rows of letter filing, but only one row of legal file width.

Filing capacity
36” wide drawers:
30” letter filing front to back, or
36” legal filing side to side, or
30” legal filing front to back.

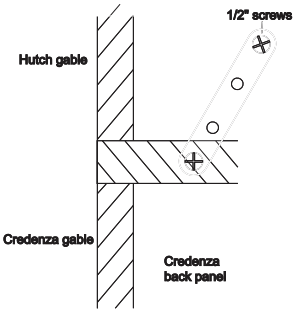


Weight capacity of lateral file drawers is 130 lbs.

Drawer Removal
Pull drawer and slide out to the full extension position. With index finger, lift up the release lever on the left and press down the release lever on the right side of the drawer (as shown).

Pull out the drawer with the attached drawer channel from the cabinet member.

To re-assemble, insert the drawer through the guide.

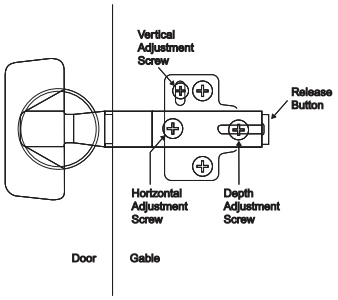


Glide Adjustment

Raise one corner of the unit at a time and adjust the glide to the desired height by turning the glide to the hole. Make sure unit is level after adjusting the glides.

Please note that the maximum adjustment range of the glide is 1 1/4”.

When moving units after glides have been inserted, dial the glides to the lowest position to prevent damage.



Hutch Installation

Before installing the hutch, insure that the worksurface has been placed in the final position and leveled. The worksurface should then be moved out a sufficient distance to allow access to the back. It is recommended that the minimum amount of movement be used with the leveling glides extended to prevent damage to the glides.

The hutch comes with self-adhesive foam strips that must be applied to the bottom edge prior to placing the hutch on the credenza. The foam is best applied with the hutch lying on its back. Do not leave any gaps in the foam strip, in order to prevent scratches to the credenza top while placing the hutch.

Place the hutch securely on the worksurface. Try to minimize any movement of the hutch to prevent scratching. Use of a blanket on the front portion of the credenza is recommended.

Using the supplied hardware, screw the flat bracket to the top of the credenza at each end, using the 3/4” screws provided. Swing the bracket up to approximately 60° and screw through the bracket into the hutch back with the 1/2” screws. Tighten all screws. Move combined hutch and credenza back to final location. Check for level again and adjust as required.

Door Adjustments

Hinges on all bookcase, overhead and hutch doors are designed to be adjusted for depth, horizontal and vertical alignment. This is easily done by adjusting the appropriate screw. See drawing.

To remove a door, push the release button and pull out the door, disconnecting hinges.

level® CERTIFICATION
BIFMA's e3 Furniture Sustainability Standard is a voluntary, multi-attribute standard that measures the degree of sustainability of furniture. This standard evaluates product and company environmental attributes and compliance systems in a wide range of elements which include Materials, Energy & Atmosphere, Human & Ecosystem Health and Social Responsibility. Millennium products have earned level®, BIFMA's sustainability certification program for furniture, certification through third-party verification against the e3 standard.

AIR EMISSIONS
All Millennium products can be supplied with air emissions-certification. Contact customer service for information and upcharges.

FSC®
FSC® In 2005, Krug received Forest Stewardship Council® (FSC®) Chain-of-Custody certification for our manufacturing facilities. The FSC® Chain-of-Custody tracks certified wood from seedling to final sale. It verifies that the material for our FSC® certified products only come from well-managed, FSC®-certified forests and other controlled sources. FSC® is dedicated to the promotion of responsible forest management worldwide helping to take care of forests for future generations. Millennium and other Krug products can be specified with FSC® Certification. Contact customer service for further information, pricing and lead times.

In addition, architects, designers, and building professionals can specify FSC®-certified products in order to achieve a point from the US. Green Building Council's Leadership in Energy and Environmental Design (LEED) Rating System.

WORKSURFACES
Tops are made of 1 1/2" - 45 lbs. per cubic foot density particle board core with face and back veneer. All edges have 1 1/2" wide 3/4" thick solid Oak, Walnut, Cherry or Maple headers.

EDGE PROFILES
An edge detail profile must be selected for every Millennium product. Millennium product is available in the following profile options:

Seville

Valen

Torrens

Madrid

Barcelona

Zamora

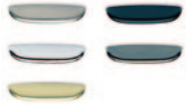
Williamsburg

Desk, Curvilinear Shaped Tops, Credenzas, Shells, Bookcase and Storage Units profile is located on all sides.
Hutches: profile is located on all three sides. Link Units, Curvilinear Returns and Returns; when units are connected to create a larger worksurface area, some profile options have coved edges to create a smooth transition from one surface to another. The following profiles have coved edges on connecting ends of return and linking units: Seville, Valen, Barcelona, Williamsburg, Zamora All other profile options will appear on all sides of the case, meeting each other face to face at worksurface connection points.

GABLES
Gables are 1 1/8" thick - 45 lbs. per cubic foot density particle board core, 3 ply. Edges are banded with veneer.

VENEER
External face veneers are #1 grade flat sliced Red Oak, Black Walnut, Cherry or Maple book-matched and of uniform color and grain pattern. Birdseye Maple Veneer is available on Millennium worksurfaces at an upcharge of **$79 l**ist per square foot. Birdseye Maple is recommended in a clear finish only. This option could extend regular lead times.

SOLIDS
All solids used shall be Appalachian Red Oak, American Black Walnut, Cherry or Maple kiln-dried by the manufacturer to a 6% moisture content, using U.S.D.A. Bulletin #FP-1136.



FINISH
All finished surfaces are well sanded before applying finishing materials. The procedure begins by applying a base color via an N.G.R. stain. A wash coat follows to further enhance the color. A filter coat is applied to fill open pores and wipe clean. A sealer coat is applied and scuff-sanded to prepare for the top coat (finish). The final procedure is to apply catalyzed varnish that when dry has a sheen value of 32°.

LOCKS
Locks are a standard feature on all pedestals, including those in desks, credenzas and lateral file storage units. Lock plugs on desks are located in the kneespace on the pedestal side panel. Locks are not available on all glass doors. Locks are available on bookcase doors at an upcharge of **$159 list** per set of 2 doors, please specify at time of order. If a hutch or overhead has an uneven amount of doors the single lock required is also **$159.** Lock plugs for bookcase doors are standard on the top inside corner of the door front. Lock plugs for hutch and overhead doors are standard on the lower inside corners. Suites can be keyed alike at no upcharge, please specify on the purchase order.

DRAWERS
Desk box drawers have fully progressive full extension slides and are load rated at 100 lbs. per drawer. Desk files drawers have a load bearing capacity of 130 lbs. and box drawers have a load bearing capacity of 100 lbs. Other pedestal file drawers have fully progressive, full extension slides and are load rated at 100 lbs. per drawer. All drawer interiors are clear finished Birch on particle board constructed with dowels. All file drawers are equipped for letter and legal filing. All box/box/file pedestals in desks only are supplied with one pencil tray.

PULLS
Luna, Eclipse and Cresent Pulls are available in Satin Nickel, Matte Black, Polished Chrome, Black Chrome, and Brushed Brass. Pull color and style must be stated clearly on the purchase order. Pulls are located on all drawer fronts and bookcase wood doors. Glass door bookcases feature the Luna knob in the same finish as pulls on the order. Glass door and wood door hutches/overheads do not have pulls.

Luna

Eclipse

Cresent

Oyster pulls are available in Matte Black, Polished Chrome, and Brushed Brass.

A Williamsburg pull in Polished Brass is standard on all products specified with the Williamsburg edge detail.

HINGES
Doors have a European style hinges with a 95° opening.

GLIDES
Adjustable glides are installed at factory and allow for 3/4" adjustment.

TESTING INFORMATION
Millennium meets or exceeds the testing requirements of ANSI/BIFMA X5.5-2014 and/or X5.9 - 2012.

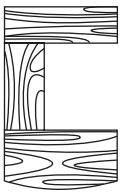
BIFMA INTERNATIONAL

MILLENNIUM FINISHES & LAMINATES

WOOD FINISHES
Standard wood finishes are:

SPECIES	FINISH
Cherry	Light Cherry Natural Cherry American Cherry Medium Cherry Standard Cherry Imperial Cherry Appalachian Cherry Sable Cherry
Maple	Clear Maple Honey Maple Wheat Maple
Walnut	Natural Walnut Regular Walnut Mahogany on Walnut Dark Walnut Cordovan Walnut
WOOD FINISHES TO MATCH STANDARD LAMINATES	Copper on Cherry Shiraz Cherry Park Avenue Walnut Chocolate on Walnut Nutmeg on Walnut Dark Walnut Hardrock Maple

NATURAL CHARACTERISTICS OF WOOD
Wood is a natural product with inherent color variations that will never be fully mitigated by the finishing process. Please anticipate variation in colors within a single unit, from piece to piece, and from Krug wood finish samples. If a very close match is required, a sample must be provided with the order and an upcharge will apply. Exact color matches are not possible.



CUSTOM WOOD FINISHES
Add 10% list to your order for special finishes, minimum upcharge is $630 list per finish per order. (For example, on all orders up to $6300 list, an upcharge of $630 will apply, on orders $6300 and up add 10% list to your order.)
For orders with special finishes, a sample that is a minimum 3” by 3” must be received with the order. Special finishes may add additional lead time to production schedules. Since wood is a natural product, some variations in grain, color and stain acceptance will occur. In our finishing processes, we try to minimize variations, but some variation between samples and finished goods should be anticipated.

DUAL FINISHES
Add 10% list per item if specifying dual finish.

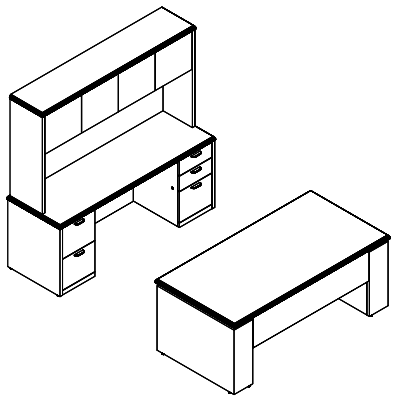
VENEER
Millennium veneer is flat cut

BIRDSEYE MAPLE OPTION
Bookmatched Birdseye Maple veneer is available on Millennium at an upcharge of $76 list per square foot. Specify clearly on order. Birdseye Maple is recommended in clear finish only. Birdseye Maple only applies to tops.

LAMINATE WORKSURFACE OPTION
Millennium worksurfaces are available laminate at an upcharge of 10% (a higher upcharge may apply to specially priced plastic laminates). Where there are wood profile edges on worksurface tops, they will remain as wood profile on laminate tops. Krug will order and procure laminates. Purchase orders with a plastic laminate option must include Laminate name. When specifying laminate worksurfaces, the grain direction is such that the grain pattern runs the length of each surface, as shown in the diagram on the right. Please contact Krug Customer Service for questions pertaining to laminate grain direction.

LAMINATES
Krug’s in-stock Laminates are available in 17 different laminate selections. Please note that 4 of the colors (Gingerbread, Portobello, Ash and Willow) have textured finishes and may not be appropriate for use in patient areas due to infection control concerns. Minimum order quantities and extended lead times may apply for exotic laminate colors, please check with customer service. Polymer Edge will be selected to match the worksurface. Krug’s previous laminate in-stock program will be phased out as in-stock supply depletes. Please contact customer service for availability.

IN-STOCK LAMINATES



Wood Grain Laminates	High Pressure Laminate Supplier
Champagne	Tafisa T492CR
Hardrock Maple	Formica 86992-58
Dune	Tafisa T491CR

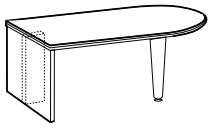
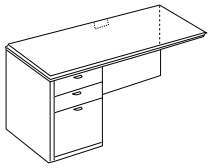
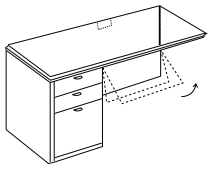
MILLENNIUM PRODUCT ENHANCEMENTS



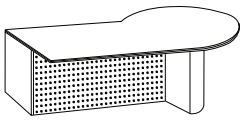
Please follow the instructions below to enhance Millennium with optional product features.



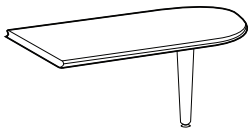
DESK WITH PERFORATED METAL MODESTY PANEL
Not available on 3/4 Height Pedestal Desks
Available on Desks 66" and up
Add 'P' to model number prefix
Example: 68-D**P**-6030-LDRD
10% list upcharge



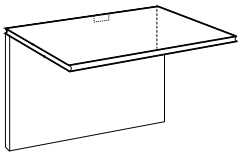
CURVILINEAR DESKS WITH PERFORATED METAL MODESTY PANEL
Only available on 71" & 84" units and only available in conjunction with Half Drum Base
Add 'P' to model number prefix
Example: 68BD**P**-7130-DB
20% list upcharge



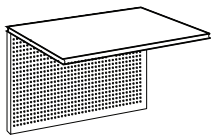
CURVILINEAR DESKS WITH TAPERED BRUSHED ALUMINUM POST LEG
Only available on Desks without Modesty Panels
Add 'T' to model number suffix
Example: 68BD-6630-**T**
No upcharge



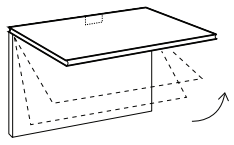
RETURNS WITH WIRE MANAGEMENT CUT-OUT ON MODESTY PANEL
Not available on Desk Depth Returns
Available in standard center position on modesty panel
Note clearly on purchase order
$203 list upcharge



RETURNS WITH HINGED WOOD MODESTY PANEL OPTION
Add 'Y' to model number prefix
Example: 68RHY-4220-L4D
10% list upcharge



CURVILINEAR RETURNS WITH PERFORATED METAL MODESTY PANEL
Only available on 71" & 84" units and only available in conjunction with Half Drum Base
Add 'P' to model number prefix
Example: 68**P**PRL-7130-DB
20% list upcharge



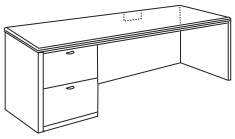
CURVILINEAR RETURNS WITH TAPERED BRUSHED ALUMINUM POST LEG
Only available on Returns without Modesty Panels
Add 'T' to model number suffix
Example: 68BR-6630-**T**
No upcharge

LINK UNIT WITH WIRE MANAGEMENT CUT-OUT ON MODESTY PANEL
Available in standard center position
Note clearly on purchase order
$203 list upcharge

LINK UNITS WITH PERFORATED METAL MODESTY PANEL
Add 'P' to model number prefix
Example: 68-LU**P**-3024-H
40% list upcharge

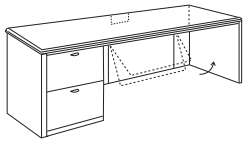
LINK UNITS WITH HINGED WOOD MODESTY PANEL
Add 'Y' to model number prefix
Example: 68-LU**Y**-3024-H
10% list upcharge

ORDERING PROCEDURE
To order, please specify the following:
1) Krug product model number
2) Wood species and finish
3) Wood edge detail - S, V, T, M, B, Z or W, see page xx
.
*Indicates model illustrated by line drawing.



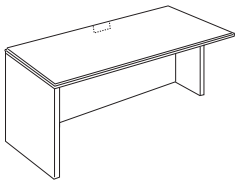
CODE DESCRIPTION
P — perforated metal modesty panel
T — tapered brushed aluminum panel
Y — hinged wood modesty panel

The metal finish on perforated metal modesty panels, tapered brushed aluminum post legs, tackboard organizer rail, and accessories all match the Millennium satin nickel pull finish.

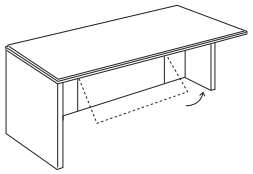


STANDARD FINISHES
For a complete list of standard wood finishes please see page 368.

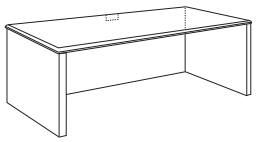
PERFORATED METAL MODESTY PANEL
Perforated metal modesty panels are 16 gage thick steel panels with a brushed metal finish.



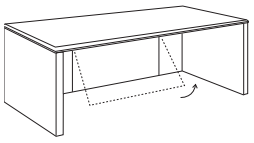
Please follow the instructions below to enhance Millennium with optional product features.



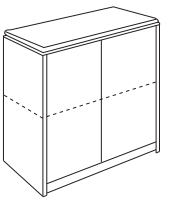
CREDENZAS WITH CUT-OUT GROMMET OPTION ON MODESTY PANEL
Note clearly on purchase order
$203 list upcharge



CREDENZAS WITH HINGED WOOD MODESTY PANEL
Not available on Ganged Pedestal, or Lateral File/Bookcase Credenzas
Add 'Y' to model number prefix
Example: 68CY-6020-4-LDR0
10% list upcharge



OPEN RETURNS WITH WIRE MANAGEMENT CUT-OUT ON MODESTY PANEL
Available in standard center position
Note clearly on purchase order
$203 list upcharge



OPEN RETURNS WITH HINGED WOOD MODESTY PANEL
Add 'Y' to model number prefix
Example: 68RHY-4224
10% list upcharge

SHELLS WITH WIRE MANAGEMENT CUT-OUT ON MODESTY PANEL
Wire Management Cut-Out:
7 7/28" x 4 9/16"
Available in standard center position and
also available on Corner Credenza Shell Model
Note clearly on purchase order
$203 list upcharge

SHELLS WITH HINGED WOOD MODESTY PANEL
Width of hinged modesty panel allows for installation of 16" pedestals
Also available on Corner Credenza Shell Model
Add 'Y' to model number prefix
Example: 68SY-3020
10% list upcharge

DOUBLE HEIGHT OVERHEADS
Only available on 36", 42" and 48" hinged door and open models
Add '29' to model number suffix
Example: 680H-3629
25% list upcharge

DOUBLE HEIGHT PAPER MANAGEMENT OVERHEADS
Only available on 36", 42" and 48" hinged door and open models Add 'PM' to model number suffix
Example: 680HPM-3629
35% list upcharge

PAPER MANAGEMENT OVERHEADS
Not available on Flipper Door Models
Add 'PM' to model number prefix
Example: 680HPM-36
10% list upcharge

MOBILE PEDESTAL WITH UPHOLSTERED SEAT

ORDERING NOTES & OPTIONS

Lifts come standard with an up/down button. Standard colors are Silver Metallic & Black, please contact customer service for other available colors. An optional 4 position programmable display can be specified above.

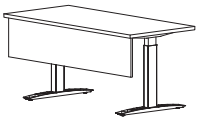
To order a height adjustable work surface with a top overhang of 16" at one end add O16 to the end of the model number. eg. 68HA6024ETSO16. Please note that this option is not available on height adjustable work surfaces that are 42" or less in length or on dual stage electronic height adjustable worksurfaces.

To order a dual stage height adjustable base add **$707** to the list price and replace ETS with ETD. eg. 68HA6030ETD.

Standard base is a T-base. A C base can be specified at the same price. To order a C-base on worksurfaces, up to 30" deep only, replace "T" with "C" e.g. 68HA8430ECS

Single stage height adjustable range: 26" - 45.5" & Dual stage height adjustable range: 21" - 47"
Power cord is 10 feet long.

DIMENSION KEY
W - width
D - depth
H - height



CODE DESCRIPTION
HA - height adjustable

Programmable Display-4 Position Memory	68HAPD	394	-	-	-		-	-

ORDERING NOTES:
Lifts come standard with an up/down button. Standard colors are Silver Metallic & Black, please contact customer service for other available colors. An optional 4 position programmable display can be specified above.

To order a height adjustable work surface with a top overhang of 16" at one end insert O16 into the model number after ETS. eg. 68HA8436RHETSO16GV21. Please note that this option is not available on height adjustable work surfaces with base enclosures that are 54" or less in length. This option is not available on dual stage electronic height adjustable worksurfaces.

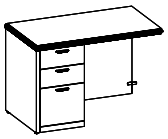
To order a dual stage height adjustable base add **$707** to the list price and replace ETS with ETD. eg.68HA6030RHETDGV21.

Standard base is a T-base. A C base can be specified at the same price. To order a C-base on worksurfaces, up to 30" deep only, replace "T" with "C" e.g. 68HA6630RHECSV21

Modesty panels are available in low pressure laminate, please replace V21 with V26 for this option or in palette, please replace V21 with V22 for this option.

Single stage height adjustable range: 26" - 45.5"
Dual stage height adjustable range: 21" - 47"
Power cord is 10 feet long.

ORDERING PROCEDURE
To order, please specify the following:
1) Krug product model number
2) Wood species and finish, see page 354
3) Wood edge detail, see page 353
4) Pull style, see page 353
5) Grommet location if applicable



.

CODE DESCRIPTION
HA - height adjustable
RH - return (cross grain)
E - electric
T - T- base
C - C- base
S - single stage
D - dual stage
G - base enclosure
V21 - 1/2 height floating wood modesty panel

STANDARD FINISHES
For a complete list of standard wood finishes please see page 354. Standard Laminate worksurfaces are available at a 10% up-charge.

GROMMETS
One grommet in standard position is optional at no charge. Additional grommets are available at an upcharge of **$159 List**.

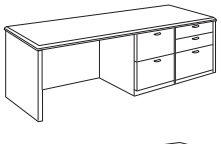
ORDERING NOTES: "C" position grommets are not available on 60-71" Ganged Pedestal Credenzas. Ganged pedestals are specified in the product code beginning with the pedestal closest to the end panel.

ORDERING PROCEDURE
To order, please specify the following:
1) Krug product model number
2) Wood species and finish, see page 354
3) Wood edge detail, see page 353
4) Pull style, see page 353
5) Grommet location if applicable



*Indicates model illustrated by line drawing.

CODE DESCRIPTION
4 - full height pedestal
D - 2 file drawers
F - 2 box, 1 file drawer
L - left handed pedestal position
R - right handed pedestal position
0 - no pedestal

STANDARD FINISHES
For a complete list of standard wood finishes please see page 354. Standard Laminate worksurfaces are available at a 10% up-charge.

GROMMETS
One grommet in standard position is optional at no charge. Additional grommets are available at an upcharge of **$159 List**.

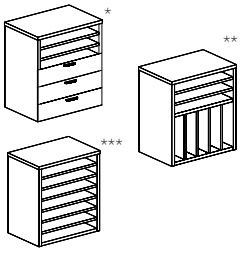
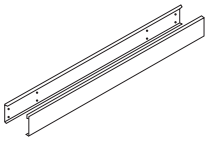
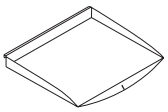
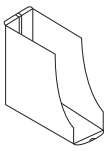
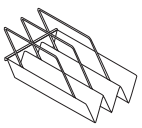
108"" wall unit tackboard"	271	583	856	1137	1407	1683	1683	2300	2.5

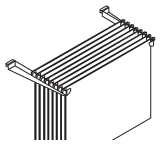












On single piece hutches, the yardage requirement for two tackboards is the same as for one tackboard. Please keep this in mind when ordering more than one tackboard. For example, if the number of tackboards required is 7 and the COM requirement for 1 tackboard is 1.5 yards, the calculation for COM yardage is as follows: 4.5 yards are required for 6 tackboards + 1.5 yards for the 7th tackboard for a total of 6 yards. In the case of an even number of tackboards, divide the number of tackboards required by 2 and multiply that number by COM requirement on the chart. The fabric must be at least 54” wide in order to qualify for this procedure. If the fabric is less than 54” wide, the COM yardage listed on the chart is the amount required for each tackboard.

COM Yardage Calculation Chart for Tackboards

Quantity of Tackboards Required (example: 60”)	Number of Yards Required per Tackboard (example: 60”)	Number of Yards Required in Total (example: 60”)
one	2 yards	2
two	2 yards	2
three	2 yards	4
four	2 yards	4
five	2 yards	6
six	2 yards	6
seven	2 yards	8
eight	2 yards	8

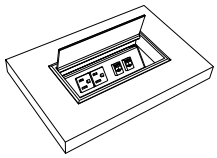
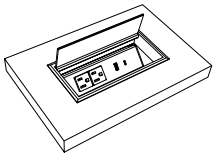
ORDERING NOTE: Optional reveals are available at an upcharge of $304 list per running foot of surface area.



ORDERING PROCEDURE
To order, please specify the following:
1) Krug product model number
2) Wood species and finish, see page 354
3) Wood edge detail, see page 353
4) Pull style, see page 353
5) Grommet location if applicable

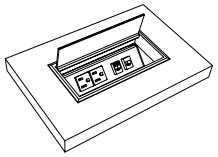
*Indicates model illustrated by line drawing.

CODE DESCRIPTION
4 - full height pedestal
D - 2 file drawers
F - 2 box, 1 file drawer
L - left handed pedestal position
R - right handed pedestal position



STANDARD FINISHES
For a complete list of standard wood finishes please see page 354. Standard Laminate worksurfaces are available at a 10% upcharge.

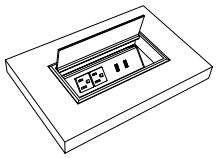
Description	Model	Price	W	D	H	Shipping Weight	Cubic Feet
PowerPort 1 - 2 RJ45s (Category 5/6)	PORT1	291	8	4	-	-	-



Port Includes: 2 accessible power outlets & 1 side utility outlet powered by a 10' plug-in cord; 2 RJ45 (category 5/6) each with hard wired 10' data cords; 2 velcro wire managers and metal PowerPort shroud. PortPort lid is Silver Metallic.
NOTE: RJ45 jacks with hard wired data cords included here must be within 10' of building utilities source to be functional.

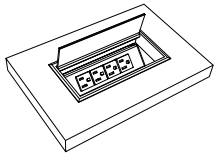
PowerPort 2 - USB-A & USB-C	PORT2	294	8	4	-	-	-

Port Includes: 2 accessible power outlets & 1 side utility outlet;1 USB-A & 1 USB-C charging ports all powered by a 10' plug-in cord; 2 velcro wire managers and metal PowerPort shroud. PortPort lid is Silver Metallic.



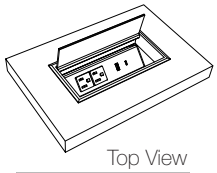
PowerPort 3 - RJ11 & RJ45	PORT3	283	8	4	-	-	-

Port Includes: 2 accessible power outlets & 1 side utility outlet; 1 RJ11 & 1 RJ45 (Category 5/6); 2 Velcro wire managers & PowerPort Shroud; 1 x 10 Foot Data Cords (T568A) & 1 x 14 Foot RJ11 (Telecomm); powered by a 10' plug-in cord.PortPort lid is Silver Metallic.



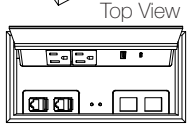
NOTE: RJ45 & RJ11 jacks with hard wired data cords included here must be within 10' of building utilities source to be functional.

PowerPort 4 - 2 USB-A	PORT4	300	8	4	-	-	-



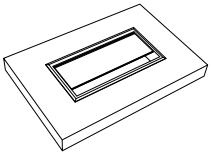
Port Includes: 2 accessible power outlets & 1 side utility outlet; 2- USB-A charging ports all powered by a 10' plug-in cord; 2 velcro wire managers and metal PortPort shroud. PortPort lid is Silver Metallic.

PowerPort 5 - 4 Receptacles	PORT5	294	8	4	-	-	-



Port Includes: 4 accessible power outlets & 1 side utility outlet powered by a 10' plug-in cord; 2 velcro wire managers and metal power port shroud. PortPort lid is Silver Metallic.

PowerPort 6 - USB-A, USB-C & RJ45	PORT6	426	8	4	-	-	-



Top View

Port Includes: 2 accessible power outlets & 1 side utility outlet 1 USB-A, 1 USB-C charging ports all powered by a 10' plug-in power cord. Includes 2 velcro wire managers and metal PortPort shroud with 2 data plate knock outs, 1 #M02 plate insert & 2 #S01W RJ45 female input, punch down terminal output snap in jacks. 2nd data plate knock out is blank for future use. PortPort lid is Silver Metallic.

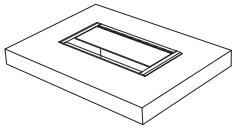
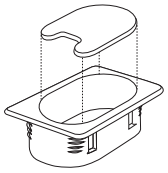
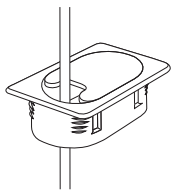
MILLENNIUM GROMMETS & POWERPORTS



POWER / DATA / VOICE MODULE (SUPPLIED WITH WIRED HUTCHES)
Black, rectangular with flip down cove . Includes two power outlets, one voice port, and one data port.
Two Simplex outlets 15 Amp, 10 ft. cord and one 6-pin and one 8-pin connector
Access to power and data is made simple by using a hutch with a power data module built right into the tackboard. The module is fully installed at the factory but can be removed to connect data links on site. It features a flip door that retracts into the case of the unit when open. See page 251 in the grommets section for complete power specifications

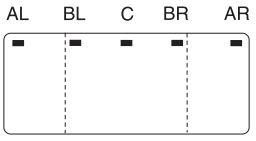


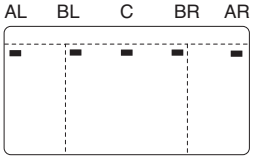
WIRE MANAGEMENT CUT-OUT AND HINGED MODESTY PANELS
Returns, link units and credenzas with fixed modesty panels can be specified with an 8" x 1 1/2" wire management cut-out. All hinged modesty panels feature a cut-out as a standard. The discreet cut-out allows for clean and easy access to power, data and communication sources.



POWERPORT
A PowerPort is a unique worksurface mounted module that can be specified to a location that best serves the user's needs. It includes a UL approved electrical, voice and data power bar, containing two 115 - volt electrical simplex outlets which are accessible from the work surface, plus a utility outlet at the end for daisy chaining purposes. See pages xx for available data versions.

PORT
A service module having no power bar will serve as a large grommet. A hinged lid easily enables the passage of several cables and devices

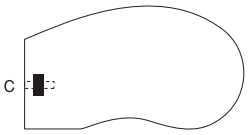




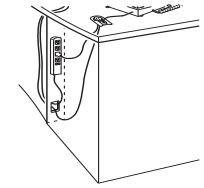
GROMMETS
All cases may be specified with one grommet in a standard position at no upcharge. A $159 **list** upcharge will apply to additional grommets in standard positions and for grommets requested in non-standard positions. The grommet position must be indicated for each case on the purchase order.
Standard grommet is available Black or Grey, rectangular, 4 1/8" x 2 11/16". Please specify grommet color when ordering, Grommets can also be field installed with power drill 2 1/4 hole saw and rasp or saber saw. Template for drilling is available. Please keep in mind the location of grommets when specifying paper managers for use with worksurfaces. For example, a paper manager on the left hand side may be used with a "C", "BR" or "AR" grommet.

STANDARD GROMMET POSITIONS

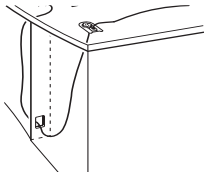
Desks, Credenzas, Link Units & Returns
30" Deep Desks:



36" Deep Desks:



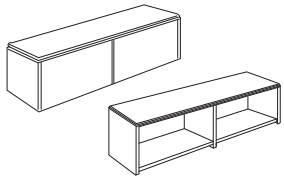
Position Code: Position Code:
AL – left corner AL – left corner
BL – left end beside pedestal gable BL – left end beside pedestal gable
C – center C – center
BR – right end beside pedestal gable BR – right end beside pedestal gable
AR – right corner AR – right corner



NOTE Please do not specify grommets in the "C" position for 60-71" ganged pedestal returns and credenzas. In these cases, the "C" position is over the top of a pedestal.

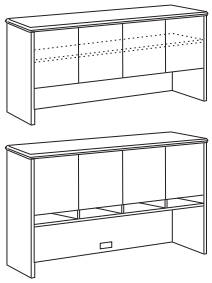
"BL" and "BR" are only available on tops 42" or longer.

CURVILINEAR TOPS
Position Code:
C – center
This key applies to all B, P, Q, and K shaped tops.
The support panel is notched out to accommodate wire management.



DESKS WIRE MANAGEMENT CAVITY

Millennium desks can also be specified with a hidden wire management cavity. This finished cavity is accessed from the front of the desk by a hinged door and is completely concealed in the closed position. The wire management cavity includes a four receptacle power bar mounted on the inside pedestal gable. This feature allows the use of several powered items on the desk surface and greatly reduces the number of cables routed to the primary power source. The hinged cavity also effectively conceals all excess cables from view.

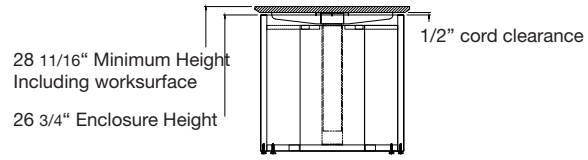


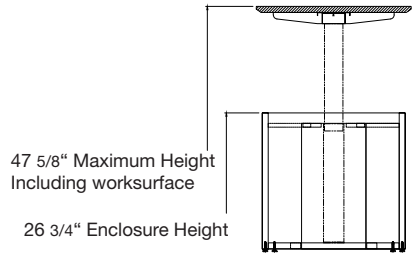
PEDESTAL ACCESS WIRING GROMMET

All Millennium desks allow for wire management behind the pedestal drawers. Pedestal gables feature a standard cable management opening allowing access to the rear of the pedestal cavity. By specifying a wiring grommet in a standard AL or AR position (see grommet locations on page 251, cable can be conveniently threaded behind the pedestal drawers and through the wire management access grommet.
Combined with our standard wire management cover, all cables are neatly tucked out of view.

OVERHEADS

Overheads include tasklights that are factory installed and require no field adjustment. Tasklights are mounted beneath the cabinet and hidden from view. Cords run down the right hand side of the tasklight to the worksurface where they can be routed behind the worksurface top. The use of a wall mounted tackboard conceals the cord from view. Tackboards must be ordered separately and can be specified in any fabric grade (1-9. Wall mounted tackboards for overheads are supplied with all necessary hardware for installation. Locks are optional on overheads and can be specified at time of order for an upcharge of **$159 list** per set of (2) doors.

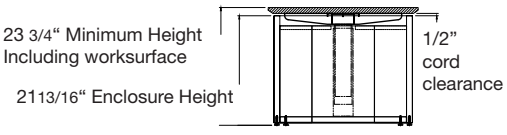




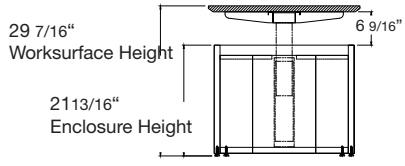
HUTCHES

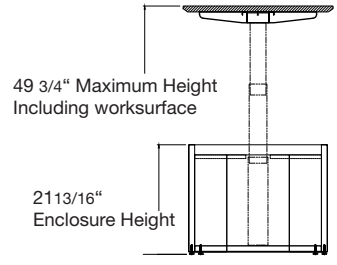
Hutches include tasklights that are factory installed and require no field adjustment. Tasklights are mounted beneath the cabinet and hidden from view. Glass doors on hutches are wood framed clear glass. A tackboard in Krug Momentum Panel grade 1 fabric is included with every hutch. Upcharges for higher graded fabrics are listed on page 297. Tackboard fabric selections should be supplied with the order information, fabric options are listed on page 4 of this price guide. Tackboards for hutches are installed at the factory and require no additional set up on site. Hutches over 84" in length are made in two pieces and require special installation. Hutches are available with a finished inside back panel at standard list price, but must be clearly specified on order. This option is available on hutches up to 84" in length only. This option does not include a tackboard. Locks are optional on overheads and can be specified at time of order for an upcharge of $159 list per set of (2) doors. Hutch and overhead installation instructions are included with every case, basic installation instructions can be found in this guide on page 253. All required mounting hardware is included with all hutches.

HEIGHT ADJUSTABLE WORKSURFACE WITH BASE ENCLOSURE



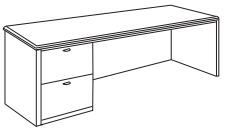
Single Stage Mechanism
With Base Enclosure



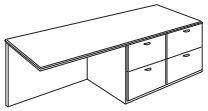


The Single Stage mechanism with Base Enclosure has an adjustable height range of 28 3/8 - 47 1/4 inches. When the worksurface is at the lowest stage - desk height, the space between underside of the worksurface and the top of the Base Enclosure is 1 1/2 inches.

Dual Stage Mechanism
With Base Enclosure



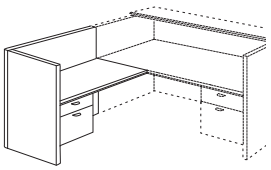
The Dual Stage mechanism with Base Enclosure has an adjustable height range of 23 3/4 - 49 3/4 inches. When the worksurface is at the standard desk height setting of 28 7/16", the space between underside of the worksurface and the top of the Base Enclosure is 6 inches. This allows for the full range of height adjustments. Custom Base Enclosures for the Dual Stage are available decreasing the gap below the worksurface to 1/2 inch. Caution: this eliminates the ability to use the lower stage settings. Custom Base Enclosures to further lower the minimum worksurface height are also available, removing the inside enclosure floor completely and allowing a minimum desk height of 22 7/16". Contact customer service for a quote.



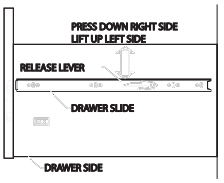
MILLENNIUM FILING INSTRUCTIONS & INSTALLATION

FILING INSTRUCTIONS
All file drawers will accept both letter and legal size filling. All units are equipped with file bars to accommodate either direction. File bars are shipped taped to the inside of the drawer for safety.

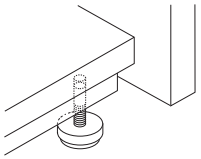
DESK PEDESTAL FILE DRAWERS
Filing Capacity:
25.5” of letter filing from front to back, or
12” of legal filing side to side
Pedestal drawer depths allow only one row of side to side files
Legal files can be positioned in the side to side direction only.
Weight capacity of pedestal file drawers is 130 lbs

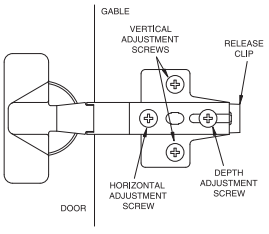


CREDENZA AND RETURN PEDESTAL FILE DRAWERS
Filing Capacity:
15” of letter filing f om front to back, or
12” of legal filing side to side
Pedestal drawer depths can be positioned in the side to side direction only.
Weight capacity of pedestal file drawers is 100 lbs



CREDENZA, RETURN OR STORAGE LATERAL FILE DRAWERS
Filing Capacity for 30” wide drawers:
30” of letter filing front to back, or
25” of legal filing side to side, o
15” of legal filing front to back
When filing front to back, 30” lateral file drawer widths allow two rows of letter filing, but only one row of legal file width
Filing Capacity for 36” wide drawers:
30” of letter filing front to back, or
36” of legal filing side to side, or
30” of legal filing front to back
Weight capacity of lateral file drawers is 150 lbs





CONNECTING WORKSURFACES
It is important that the product is in its final position and the primary worksurface is leveled before connecting other joining pieces. Detailed installation instructions are included with each unit, or available from Krug Customer Service. Units are connected with mending plates under worksurfaces, and linking brackets on modesty and end panels. Locate connections and attach the mending plates under the worksurface. Level pieces if necessary by adjusting the glides to achieve flush and firm joints before completing installation of all hardware.

DRAWER REMOVAL
To remove pedestal drawers, open to the extended position, press down on the right side nylon release lever and pull the drawers up on the left side lever at the same time. Continue pulling the drawers out of the case.

GLIDE ADJUSTMENT
Raise one corner of the unit at a time and adjust the glide to the desired height by turning the glide in the hole. Make sure unit is level after adjusting the glides. Please note that the maximum adjustment range of the glides is 1 1/2”. When moving units after glides have been inserted, dial the glides to the lowest position to prevent damage to the case.

BOOKCASE OR HUTCH DOOR ADJUSTMENT
Hinges on all hutch and bookcase doors are designed to be adjusted for depth, horizontal and vertical adjustment by means of screws into the hinge mounting plates. To remove a door, squeeze the release clip and pull out the door, disconnecting the hinges.

OVERHEAD INSTALLATION
The wall mount overhead storage units must be installed on wall studs. The first step for installation is to locate the studs in the wall where the overhead is to be mounted. Measure the stud center line location and use this measurement to mark the hole locations on the mounting rail and the overhead back. Drill clearance holes at the hole locations. Hole requirements will depend on the fasteners chosen by the installer. 2 1/2” x #10 wood screws are adequate if going into wood studs. If studs cannot be accessed, then appropriate drywall plugs or butterfly bolts should be used. We recommend 2 fasteners per stud. Fasten the mounting rail to the wall ensuring that it is level. Hang the overhead on the mounting rail and then fasten it to the wall. This prevents accidental removal and also allows for some leveling adjustment.

level® CERTIFICATION
BIFMA's e3 Furniture Sustainability Standard is a voluntary, multi-attribute standard that measures the degree of sustainability of furniture. This standard evaluates product and company environmental attributes and compliance systems in a wide range of elements which include Materials, Energy & Atmosphere, Human & Ecosystem Health and Social Responsibility. Stratford products have earned level®, BIFMA's sustainability certification program for furniture, certification through third-party verification against the e3 standard.

AIR EMISSIONS
All Stratford products can be supplied with air emissions-certification. Contact customer service for information and upcharges.

FSC®
FSC® In 2005, Krug received Forest Stewardship Council® (FSC®) Chain-of-Custody certification for our manufacturing facilities. The FSC® Chain-of-Custody tracks certified wood from seedling to final sale. It verifies that the material for our FSC® certified products only come from well-managed, FSC®-certified forests and other controlled sources. FSC® is dedicated to the promotion of responsible forest management worldwide helping to take care of forests for future generations. Stratford and other Krug products can be specified with FSC® Certification. Contact customer service for further information, pricing and lead times.

In addition, architects, designers, and building professionals can specify FSC®-certified products in order to achieve a point from the US. Green Building Council's Leadership in Energy and Environmental Design (LEED) Rating System.

WORKSURFACES
Tops are made of 1 1/4 ” - 42 lbs. per cubic foot density particle board core with face and back veneers. All edges have 1 1/8” wide 1” thick solid Cherry or Walnut headers

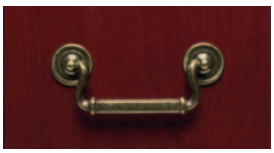
EDGE PROFILE
The standard edge detail is included on the following Stratford products:

-desks	-linking units
-credenzas	-returns
-corner units	-30” high and 57” high bookcases
-modular TP and TPR tops	-30” high freestanding storage
-occasional tables	-conference tables

VENEER
External face veneers are flat sliced Black Walnut or Cherry bookmatched and of uniform color and grain pattern.

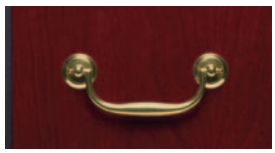
SOLIDS & BASE MOLDING
All solids used shall be American Black Walnut or Cherry kiln-dried by the manufacturer to a 6% moisture content. The base moldings are made of profiled solid Black Walnut or Cherry.

FINISH
All surfaces to be finished are well sanded before applying finish materials. The procedure begins with the application of a base color via a Non-Grain Raising stain. Next a wash coat is applied to seal the NGR stain and ensure an even colored finish. The a filler coat is applied and hand wiped to fill the open pores in the wood surface and further enhance the depth color. A sealer is applied and scuff sanded to prepare the surfaces for the top coat (finish). The final procedure is to apply a coat of 52° sheen catalyzed varnish to protect the surfaces and add luster.



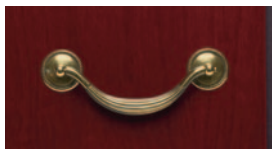
GABLES
Gables are 3/4” or 1 1/8” thick - 45 lbs. per cubic foot density particleboard core, 3 ply. Edges are banded with veneer. Bottom edges of 1 1/8” gables are banded with polyvinyl chloride edge banding.

DRAWER FRONTS AND DOORS
48 lbs. per cubic foot density Medium Density Fiberboard with face and back veneer.



HINGES
Doors have European style hinges with a 95° opening.

DRAWERS
Box drawers have ball bearing movement, full extension slides with urethane cushioned stops and hold-in catch. Box drawers have a load bearing capacity of 100 lbs. per drawer. File drawers have progressive action ball bearing full-extension slides with urethane cushioned stops and hold-in catch. File drawers have a load bearing capacity of 100 lbs. per drawer. Lateral file drawers have full-extension slides with over-travel ball movement slides with urethane cushioned stops. Lateral file drawers have a load bearing capacity of 150 lbs. per drawer. All drawer slides allow for easy removal of the drawers. All drawer interiors are birch veneer. All file drawers are equipped for letter and legal filing. All desks with the center drawer option include a matching pencil tray in the center drawer. All standard desks with 2 box 1 file pedestals are specified without a center drawer option include one matching pencil tray.



PULLS
Stratford traditional series offers a choice of three pull combinations as described below. Please indicate a pull designation for every Stratford product on your order. There is no default selection and orders will not be processed until a pull selection is received. Drawers are furnished with a Devon, Canterbury or Avon bail finished in antiqued brass and mounted with rosettes. Bookcase doors and hutch doors are provided with an antiqued brushed brass knob.

DEVON

CANTERBURY

AVON

LOCKS
Locks are standard on all pedestals and storage unit lateral file drawers. Optional locks are available on bookcase, hutch and overhead doors at an upcharge of **$159** list per set of (2) doors. Please specify at time of order. If a hutch or overhead has an uneven amount of doors the single lock required is also **$159** Locks are not available on glass doors.

GLIDES
Glides are provided for every case and allow for 1 1/2” of adjustment.

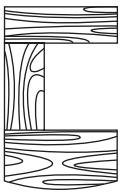
TESTING INFORMATION
Stratford desks, credenzas, hutches, link units, and returns meet or exceed the testing requirements of ANSI/BIFMA X5.5-2014 and/or X5.9 - 2012.

BIFMA INTERNATIONAL

STRATFORD FINISHES & LAMINATES

WOOD FINISHES
Standard wood finishes are:

SPECIES	FINISH
Cherry	Light Cherry Natural Cherry American Cherry Medium Cherry Standard Cherry Imperial Cherry Appalachian Cherry Sable Cherry
Walnut	Natural Walnut Regular Walnut Mahogany on Walnut Dark Walnut Cordovan Walnut
WOOD FINISHES TO MATCH STANDARD LAMINATES	Copper on Cherry Shiraz Cherry Park Avenue Walnut Chocolate on Walnut Nutmeg on Walnut Dark Walnut



NATURAL CHARACTERISTICS OF WOOD
Wood is a natural product with inherent color variations that will never be fully mitigated by the finishing process. Please anticipate variation in colors within a single unit, from piece to piece, and from Krug wood finish samples. If a very close match is required, a sample must be provided with the order and an upcharge will apply. Exact color matches are not possible.

CUSTOM WOOD FINISHES
Add 10% list to your order for special finishes, minimum upcharge is $630 list per finish per order. (For example, on all orders up to $6300 list, an upcharge of $630 will apply, on orders $6300 and up add 10% list to your order.)
For orders with special finishes, a sample that is a minimum 3" by 3" must be received with the order. Special finishes may add additional lead time to production schedules. Since wood is a natural product, some variations in grain, color and stain acceptance will occur. In our finishing processes, we try to minimize variations, but some variation between samples and finished goods should be anticipated.

DUAL FINISHES
Add 10% list per item if specifying dual finish.

VENEER
Stratford veneer is flat cut

LAMINATE WORKSURFACE OPTION
Laminate worksurfaces are available at an upcharge of 10% (a higher upcharge may apply to specially priced plastic laminates). Where there are wood profile edges on worksurface tops, they will remain as wood profile on laminate tops. Krug will order and procure laminates. Purchase orders with a plastic laminate option must include Laminate name. When specifying laminate worksurfaces, the grain direction is such that the grain pattern runs the length of each surface, as shown in the diagram on the right. Please contact Krug Customer Service for questions pertaining to laminate grain direction.

LAMINATES
Krug's in-stock Laminates are available in 17 different laminate selections. Please note that 4 of the colors (Gingerbread, Portobello, Ash and Willow) have textured finishes and may not be appropriate for use in patient areas due to infection control concerns. Minimum order quantities and extended lead times may apply for exotic laminate colors, please check with customer service. Polymer Edge will be selected to match the worksurface. Krug's previous laminate in-stock program will be phased out as in-stock supply depletes. Please contact customer service for availability.

guest side of a 36" deep desk**

ORDERING NOTES:
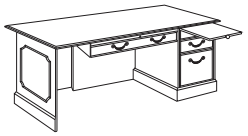
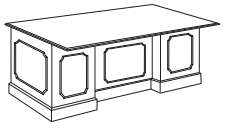
The oversized top option is only available on stand-alone double pedestal desks and cannot be used in conjunction with any other run-off or connecting worksurfaces. Specifying the oversized top option increases the top width, increasing the left and right overhang measurement to 4-1/2". The guest side remains 7-1/2" (as is standard for 36" and 42" deep desks). Laminate worksurfaces are available at a 10% upcharge.

DIMENSION KEY
W — width
D — depth
H — height of worksurface
KW— kneehole width

Dimensions are in inches and approximate. Contact Customer Service if dimensions are critical.
*See page 52 for KrugExpress program.



MODEL CODE DESCRIPTION
4 - full height pedestals
0 - no pedestal
L - left hand support position
R - right hand support position
D - 2 file drawers
F - 2 box, 1 file drawer
OT - oversized top option



STANDARD FINISHES
For a complete list of standard wood finishes please see page 53..

WIRING GROMMET
One rectangular black or one antique brass grommet in a standard position is optional at no charge. Please note grommet choice clearly on order form. Additional grommets are available at an upcharge of $159 list.

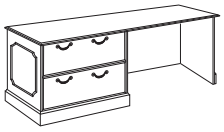
	98C84244LFRF	5437	83.75	23.75	30.5	49.5	259	48
Oversized Top Option	OT98C6620	323	71.75	19.75	-		15	-
	OT98C6624	323	71.75	23.75	-		15	-
	OT98C7220	323	77.75	19.75	-		15	-
	OT98C7224	323	77.75	23.75	-		15	-
	OT98C7820*	323	83.75	19.75	-		15	-
	OT98C7824	323	83.75	23.75	-		15	-

The oversized top option is only available on stand-alone double pedestal credenzas and cannot be used in conjunction with any other run-off connecting worksurfaces. Specifying the oversized top option increases the top width, increasing the left and right overhang measurement to 4 1/2". The front and rear overhang remains unchanged. In the 20" deep knee hole credenzas and/or shells the pencil drawer cannot be used.

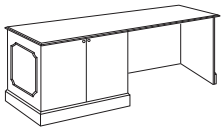
ORDERING NOTES:
Laminate worksurfaces are available at a 10% upcharge. For wire management cut out option on modesty panel add $203 list upcharge.
For hinged modesty panel add a 10% upcharge and insert Y after the C in the model number. e.g. 98CY7224LFRF
Please note on the order if picture frame molding is required on hinged modesty panel.

ORDERING PROCEDURES
To order, please specify the following:

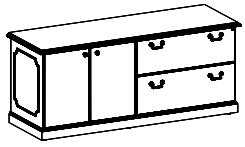
1) Krug product model number
2) Wood species and finish, see page 53.
4) Pull style and finish, see page 7.
5) Grommet location and style if applicable



* Indicates model illustrated by line drawing



CODE DESCRIPTION
4 - full height pedestals
L - left hand support position
R - right hand support position
D - 2 file drawers
F - 2 box, 1 file drawer
Y - hinged modesty option



STANDARD FINISHES
For a complete list of standard wood finishes please see page 53..

WIRING GROMMET
One rectangular black or one antique brass grommet in a standard position is optional at no charge. Please note grommet choice clearly on order form. Additional grommets are available at an upcharge of $159 list.

Hutch tackboard upgrade chart
Use this chart to find the upcharge for tackboard fabrics graded 2–9 and add it to the cost of the hutch.

FABRIC GRADES	2	3	4	5	6	7	8	9	COM
65” hutch tackboard	138	299	433	577	717	856	998	1274	2
71” hutch tackboard	143	308	447	596	740	884	1030	1346	2.25
78” hutch tackboard	161	349	509	675	843	1002	1162	1398	2.5
84” hutch tackboard	192	410	609	815	1004	1198	1342	1715	2.5
91” hutch tackboard	231	487	765	1006	1258	1473	1583	1903	2.75

On single piece hutches, the yardage requirement for two tackboards is the same as for one tackboard. Please keep this in mind when ordering more than one tackboard. For example, if the number of tackboards required is 7 and the COM requirement for 1 tackboard is 1.5 yards, the calculation for COM yardage is as follows: 4.5 yards are required for 6 tackboards + 1.5 yards for the 7th tackboard for a total of 6 yards. In the case of an even number of tackboards, divide the number of tackboards required by 2 and multiply that number by the COM requirement on the chart. The fabric must be at least 54” wide in order to qualify for this procedure. If the fabric is less than 54” wide, the COM yardage listed on the chart is the amount required for each tackboard.

COM Yardage Calculation Chart of Tackboards

Quantity of Tackboards Required (example: 60”)	Number of Yards Required per Tackboard (example: 60”)	Number of Yards Required in Total (example: 60”)
one	2 yards	2
two	2 yards	2
three	2 yards	4
four	2 yards	4
five	2 yards	6
six	2 yards	6
seven	2 yards	8
eight	2 yards	8
nine	2 yards	10
ten	2 yards	10

DIMENSION KEY
W — width

CODE DESCRIPTION
L - left hand position
R - right hand position

OPEN SPANS
It is not recommended that modular units be combined together to create open spans greater than 60".

STRATFORD MODULAR COMPONENTS - STORAGE

Ordering modular storage with 98TP tops
30” high modular storage units are created by combining 98TP modular tops and modular bases. The top profile on a 98TP matches that of all other 30” high Stratford products including desks and credenzas. For example:

One 98TP-9224 modular top.
Two 98STM-302430-11 modular bookcase pedestals.
One 98STM-302430-01 modular lateral file pedestal.

The modular components can be used together to create a variety of custom storage.

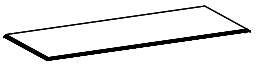
Ordering modular storage with 98TPR tops
30” high modular run-off units are created by combining 98TPR modular tops and modular bases.
For example:

One 98TPR-6624 modular top.
One 98STM-302430-01 modular lateral file pedestal. One 98P-162430-4F modular B/B/F pedestal.

The modular components can be used together to create a variety of custom run-off units.

Modular Top and Storage Flush Combinations
Use this guide of recommendations to create flush units with modular tops and storage.

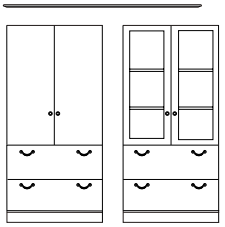
TOP SIZE	PEDESTAL COMBINATIONS THAT FIT FLUSH	LEFT/RIGHT OVERHANG
2-hi modular storage		
98TP-63	(2) 30” wide pedestals	1 1/2”
98TP-69	(1) 30” wide pedestal and (1) 36 wide	1 1/2”
98TP-75	pedestal (2) 36” wide pedestals	1 1/2”
98TP-92	(3) 30” wide pedestals	1 1/2”



ORDERING PROCEDURES
To order, please specify the following:

1) Krug product model number
2) Wood species and finish, see page 53.
4) Pull style and finish, see page 7
5) Grommet location and style if applicable

* Indicates model illustrated by line drawing



STANDARD FINISHES
For a complete list of standard wood finishes please see page 53.

Description	Model	Cherry Walnut	W	D	H	Shipping Weight	Cubic Feet
Tops for 5-Hi Modular Storage	98TPI6220	1236	61.75	19.75	1.25	45	2
	98TPI6224	1306	61.75	23.75	1.25	52	2

ORDERING NOTES:
Profile of 98TPI tops are inverted.

Ordering modular storage with 98TPI tops
71 high modular storage units are created by combining 98TPI modular tops and modular bases.
The top profile on a 98TPI matches that of all other 71 high Stratford products including hutches and freestanding storage. For example:

One 98TPI-7424 modular top.
One 98STM-362471-04G modular storage. One 98STM-362471-04 modular storage.

The modular components can be used together to create a variety of custom storage.

Modular Top and Storage Flush Combinations
Use this guide of recommendations to create flush units with modular tops and storage.

TOP SIZE 5-hi modular storage	PEDESTAL COMBINATIONS THAT FIT FLUSH	LEFT/RIGHT OVERHANG
98TPI-62	(2) 30 wide pedestals	1
98TPI-68	(2) 30 wide pedestals and (1) 36 wide	1
98TPI-74	pedestal (2) 36 wide pedestals	1
98TPI-92	(3) 30 wide pedestals	1

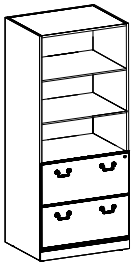
Pot light option for modular storage

Upcharge 723

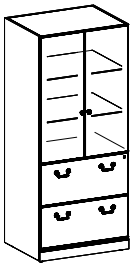
The factory installed pot light option is available on any glass door or grill door modular storage unit at an upcharge of $525.
The light is mounted through the top of the storage unit and the modular top and activated by a switch located on the light inside the case.
Please add the upcharge shown to storage price and specify pot light option on your order.

A drawing showing assembled configuration of all modular storage must be provided when ordering the pot light option to accurately determine grommet locations.

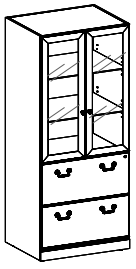
DIMENSION KEY
W — width
D — depth
H — height of worksurface
KW— kneehole width



Dimensions are in inches and approximate.
Contact Customer Service if dimensions are critical.
*See page 52 for KrugExpress program.



STANDARD FINISHES
For a complete list of standard wood finishes please see page 53.



STORAGE
Freestanding storage has finished, profiled tops and base molding on three sides. Modular storage does not have finished tops (they must be ordered separately) and base molding is only across the front.

ORDERING PROCEDURES
To order, please specify the following:

1) Krug product model number
2) Wood species and finish, see page 53.
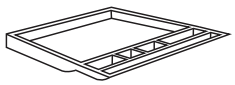
4) Pull style and finish, see page 7
5) Grommet location and style if applicable
.
* Indicates model illustrated by line drawing

CODE DESCRIPTION
4 - full height pedestals
0 - no pedestal
L - left hand support position
R - right hand support position
D - 2 file drawers
F - 2 box, 1 file drawer

STANDARD FINISHES
For a complete list of standard wood finishes please see page 53.



WIRING GROMMET
One rectangular black or one antique brass grommet in a standard position is optional at no charge. Please note grommet choice clearly on order form. Additional grommets are available at an upcharge of $159 list.

4) Pull style and finish, see page 7.
5) Grommet location and style if applicable

* Indicates model illustrated by line drawing

STRATFORD SPECIFICATIONS

DESKS

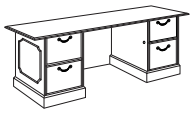
Breakfront Modesty Panel

All single pedestal and double pedestal desks have a breakfront modesty panel on the guest side of the desk. The dimension of recess is 4 1/2”.

Oversized Top Option

The oversized top option increases the overhang on the left and right sides of desks to 4 1/2” on each end, the guest and user side overhang remain unchanged.

Center Drawer Option



Desks specified with the optional locking center drawer include the following features:
– center drawer lined with burgundy felt and a pencil tray.
– a pull out dictation slide in each pedestal
– a central locking system activated by a single lock located on the center drawer front
Recent modifications:
– dictation slides are flush with drawer fronts and feature molding detail
– center drawer extends to underside of top with the lock on the drawer front

Chassis Dimensions

Please use the reference chart below to determine chassis dimensions, top dimensions, and overhang dimensions for all desk sizes:

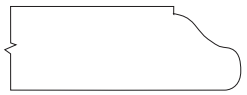
Desk	Chassis dimension	Left overhang	Right overhang	Guest overhang	User overhang
60” x 30”	57” x 27”	1 1/2”	1 1/2”	1 1/2”	3/4”
66” x 30”	63” x 27”	1 1/2”	1 1/2”	1 1/2”	3/4”
66” x 36”	63” x 27”	1 1/2”	1 1/2”	7 1/2”	3/4”
72” x 36” (oversized top)	63” x 27”	4 1/2”	4 1/2”	7 1/2”	3/4”
72” x 36”	69” x 27”	1 1/2”	1 1/2”	7 1/2”	3/4”
78” x 36” (oversized top)	69” x 27”	4 1/2”	4 1/2”	7 1/2”	3/4”
78”x 42”	75” x 33”	1 1/2”	1 1/2”	7 1/2”	3/4”
84” x 42” (oversized top)	75” x 33”	4 1/2”	4 1/2”	7 1/2”	3/4”
84” x 42”	81” x 33”	1 1/2”	1 1/2”	7 1/2”	3/4”

Dimensions have been rounded to the nearest 1/4”, please contact Customer Service for exact measurements.

CREDENZAS

Oversized Top Option

The oversized top option increases the overhang on the left and right sides of credenzas to 4 1/2” on each side, the guest and user side overhang remain unchanged. When using a hutch and credenza combination, we do not recommend specifying a hutch greater in size than the standard chassis size of the credenza. The left/right extensions on the oversized top should not be used for the support of a hutch.



Chassis Dimensions

Please use the reference chart below to determine chassis dimensions, top dimensions, and overhang dimensions for all desk sizes:

	Credenza dimension	Chassis overhang	Left overhang	Right overhang	Guest User overhang
66” x 20”	63” x 18 1/4”	1 1/2”	1 1/2”	3/4”	1/8”
72” x 20” (oversized top)	63” x 18 1/4”	4 1/2”	4 1/2”	3/4”	1/8”
66” x 24”	63” x 22 1/4”	1 1/2”	1 1/2”	3/4”	1/8”
72” x 24” (oversized top)	63” x 22 1/4”	4 1/2”	4 1/2”	3/4”	1/8”
72” x 20”	69” x 18 1/4”	1 1/2”	1 1/2”	3/4”	1/8”
78” x 20” (oversized top)	69” x 18 1/4”	4 1/2”	4 1/2”	3/4”	1/8”
72” x 24”	69” x 22 1/4”	1 1/2”	1 1/2”	3/4”	1/8”
78” x 24” (oversized top)	69” x 22 1/4”	4 1/2”	4 1/2”	3/4”	1/8”
78” x 20”	75” x 18 1/4”	1 1/2”	1 1/2”	3/4”	1/8”
84” x 20” (oversized top)	75” x 18 1/4”	4 1/2”	4 1/2”	3/4”	1/8”
78” x 24”	75” x 22 1/4”	1 1/2”	1 1/2”	3/4”	1/8”
84” x 24” (oversized top)	75” x 22 1/4”	4 1/2”	4 1/2”	3/4”	1/8”
84” x 20”	81” x 18 1/4”	1 1/2”	1 1/2”	3/4”	1/8”
84” x 24”	81” x 18 1/4”	1 1/2”	1 1/2”	3/4”	1/8”

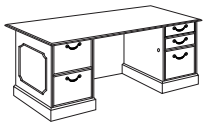
Dimensions have been rounded to the nearest 1/4”, please contact Customer Service for exact measurements.

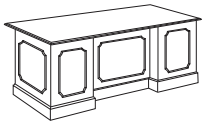
PROFILES, PROFILE DIRECTION AND OVERHANG

PROFILE - STANDARD

The standard edge detail is included on the following Stratford products:

-desks
-credenzas
-corner units
-modular TP and TPR tops
-occasional tables
-linking units
-returns
-30" high and 57" high bookcases
-30" high freestanding storage
-conference tables

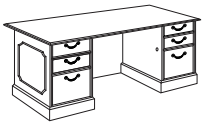




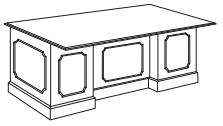
PROFILE - INVERTED

The inverted edge detail is included on the following Stratford products:

-hutches
-71" high bookcase
-visual boards
-wall mounted overheads
-modular TPI tops
-71" high and 84" high freestanding storage

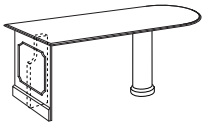


Please use the following summary of products to determine the profile direction and overhang dimensions.



DESKS 30" DEEP

Profile Location: profile on all four sides
Profile Direction: standard
Overhang: left 1 1/2"
right 1 1/2"
user 3/4"
guest 1 1/2"
Picture Frame: on end panels, modesty panel and pedestal backs



DESKS 36" DEEP

Profile Location: profile on all four sides
Profile Direction: standard
Overhang: left 1 1/2"
right 1 1/2"
user 3/4"
guest 7 1/2"
Picture Frame: on end panels, modesty panel and pedestal backs

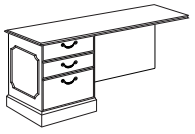


TABLE DESKS

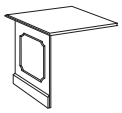
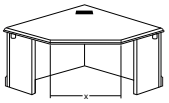
Profile Location: profile on all four sides
Profile Direction: standard
Overhang: left 1 1/2"
right 1 1/2"
user 3/4"
guest 1 1/2"
Picture Frame: none

BULLET AND P DESKS



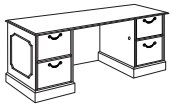
Profile Location: profile on all sides
Profile Direction: standard
Overhang: end panel 1 1/2"
Picture Frame: on end panel

RETURNS

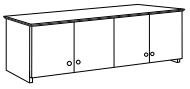


Profile Location: profile on all four sides, coved
Profile Direction: standard
Overhang: end panel 1 1/2"
user 3/4"
guest 1 1/2"
Picture Frame: on end panel, modesty panel and pedestal back

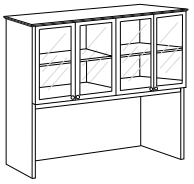
STRATFORD SPECIFICATIONS



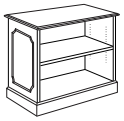
PROFILE DIRECTION AND OVERHANG
Please use the following summary of products to determine the profile direction and overhang dimensions.



LINK UNITS AND LINK TOPS:
Profile Location: profile on guest and suer sides, cover on connecting ends
Profile Direction: standard
Overhang: guest 1 1/2”
Picture Frame: on modesty panel

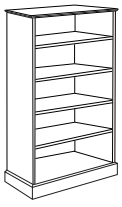


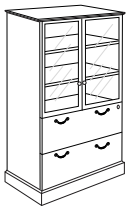
CORNER UNITS:
Profile Location: profile on outside and user sides, coved on connecting ends
Profile Direction: standard
Overhang: guest 1 1/2”
Picture Frame: on both outside panels



CREDENZAS:
Profile Location: profile on left, right and user side, flush on back edge
Profile Direction: standard
Overhang: left 1 1/2”
right 1 1/2”
user 3/4”
back 1/8”
Picture Frame: on left and right panels

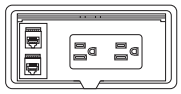
OVERHEADS:
Profile Location: inverted profile left, right, and user side, flush on back edge
Profile Direction: inverted
Overhang: left 1”
right 1”
user 3/4”
back flush
Picture Frame: none
Please specify if flush sides are necessary for the purpose of ganging overheads at time of order. Upcharge for this option is $183 list.



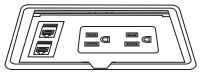


HUTCHES:
Profile Location: inverted profile on left, right, and user side, flush on back edge
Profile Direction: inverted
Overhang: left 1”
right 1”
user 3/4”
Picture Frame: none

BOOKCASES AND FREESTANDING STORAGE (30” HIGH ONLY)
Profile Location: profile on left, right, and user side, flush on back edge
Profile Direction: standard
Overhang: left 1 1/2”
right 1 1/2”
user 3/4” (if unit has doors or drawers)
1 1/2” (if unit is open)
back flush
Picture Frame: on left and right panels
Bookcases have non-shown wood backs, finished color.
Freestanding and modular storage have non-shown wood veneer, finished and top coated backs.

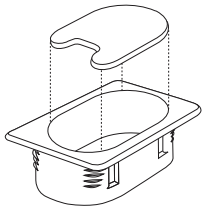


BOOKCASES AND FREESTANDING STORAGE (57”, 71” AND 84” HIGH)
Profile Location: profile on left, right, and user side, flush on back edge
Profile Direction: inverted
Overhang: left 1”
right 1”
user 3/4” (if unit has doors or drawers)
1 1/2” (if unit is open)
back flush
Picture Frame: none
Bookcases have non-shown wood backs, finished color. Freestanding and modular storage have non-shown wood veneer, finished and top coated backs.



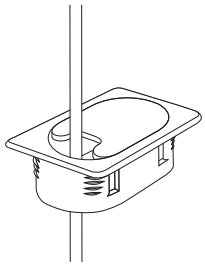
OVERHEADS
Overheads include tasklights that are factory installed and require no field adjustment. Tasklights are mounted beneath the cabinet and hidden from view. Cords run down the right hand side of the tasklight to the worksurface where they can be routed behind the worksurface top. The use of a wall mounted tackboard conceals the cord from view. Tackboards must be ordered separately and can be specified in any fabric grade (1-9). Wall mounted tackboards for overheads are supplied with all necessary hardware for installation.

HUTCHES
Hutches include tasklights that are factory installed and require no field adjustment. Tasklights are mounted beneath the cabinet and hidden from view. A tackboard in grade 1 fabric is included with most hutches, see the hutch product section for specific products & upcharges for higher graded fabrics. Tackboard fabric selections should be supplied with the order information. Tackboards for hutches are installed at the factory and require no additional set up on site.



LOCKS
Hutches and Overheads: Optional locks are available on bookcase, hutch and overhead doors at an upcharge of **$159 list** per set of (2) doors. Please specify at time of order. If a hutch or overhead has an uneven amount of doors the single lock required is also **$159 list**. Lock plugs are located on the lower inside corner of the doors. Locks are not available on glass doors.
Pedestal Drawers: Locks are provided as a standard features on all pedestal drawers, including those in desks, credenzas and freestanding or modular storage units. All lock plugs have an antiqued brass finish. Lock plugs are located in the kneespace of all desks, with the exception of desks with the center drawer option where the central locking system lock plug is located on the center of the drawer front.
Bookcase Doors: Lock plugs are located on the top inside corner of the door.
Suites can be keyed alike at no upcharge, please specify on your purchase order.

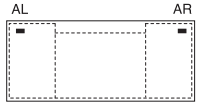
POWER/DATA/VOICE GROMMET



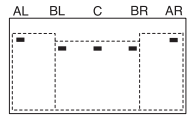
mounted in a hutch back panel

used as a surface grommet

Access to power and data is made simple by using a hutch with a power/data/voice module built right into the tackboard. The module is fully installed at the factory but can be removed to connect data links on site. It features a flip door that retracts into the case of the unit when open.
This unit is supplied in the wired hutches or can be ordered a surface mount power/data/voice option as a 98PDVM.
Black, rectangular with recessed cover.
Includes two power outlets, one voice port, and one data port.
Power Details: two Simplex outlets, 15 Amp, 10 ft. cord
Communication Details: one RJ11 phone line coupler, one RJ45 data coupler



GROMMETS
All products may be specified with either one black grommet or one brass grommet in a standard position at no upcharge. A **$159 list** upcharge will apply to additional grommets in standard positions and for grommets in non-standard positions. The grommet position must be indicated for each case on the purchase order.
Standard Grommet - Black, rectangular, 4 1/8” x 2 11/16” and Antiqued Brass Grommet 2 5/8” x 1 1/2”
Grommets can also be field installed with power drill, 2 1/4 hole saw and rasp or saber saw. Template for drilling is available.



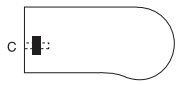
Standard Positions:

Desks

30” and 36" Deep Desks:

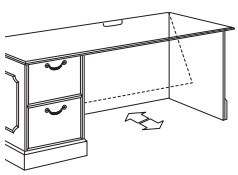
Position Code:
AL – left corner
BL – left end beside pedestal gable
C – center
BR – right end beside pedestal gable
AR – right corner

42” Deep Desks:



Position Code:
AL – left corner
BL – left end beside pedestal gable
C – center
BR – right end beside pedestal gable
AR – right corner

Linking Units, Credenzas & Returns

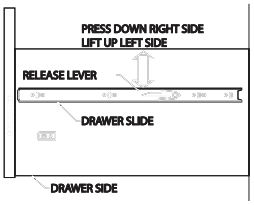


Grommets cannot be located over pedestals on 20” or 24” units
NOTE: ‘BL’ and “BR’ are only avail
Available on 42” on longer.

Curvilinear Tops

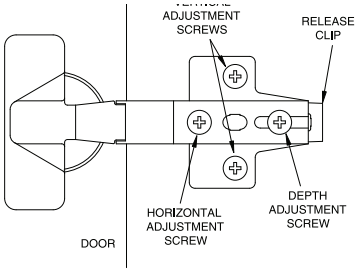
Position Code:
C – center

This key applies to all bullet and P shaped tops. The support panel is notched out to accommodate cable management and also allows the installation of a pop-up power grommet.



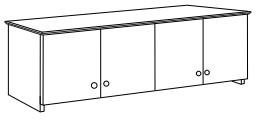
WIRE MANAGEMENT CUT-OUT AND HINGED MODESTY PANELS
Returns, link units and credenzas with fixed modesty panels can be specified with an 8” x 1 1/2” wire management cut-out. All hinged modesty panels feature a cut-out as a standard. The discreet cut-out allows for clean and easy access to power, data and communication sources.

CONNECTING WORKSURFACES
It is important that the product is in its final position and the primary worksurface is leveled before connecting other joining pieces.



Detailed installation instructions are included with each unit, or available from Krug Customer Service.

Units are connected with mending plates under worksurfaces, and linking brackets on modesty and end panels. Locate connections and attach the mending plate under the worksurface. Level pieces if necessary by adjusting the glides to achieve flush and firm joints before completing installation of all hardware.

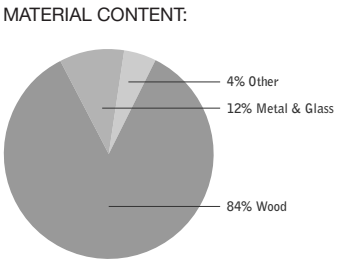


DRAWER REMOVAL
To remove pedestal drawers, open to the extended position, press down on the right side nylon release lever and pull the drawers up on left side lever at the same time. Continue pulling the drawer out of the case.

GLIDE ADJUSTMENTS
Raise one corner of the unit at a time and adjust the glide to the desired height by turning the glide in the hole. Make sure unit is level after adjusting the glides.
Please note that the maximum adjustment range of the glides is 1/2”.
When moving units after glides have been inserted, dial the glides to the lowest position to prevent damage to the case.

BOOKCASE OR HUTCH DOOR ADJUSTMENT
Hinges on all hutch and bookcase doors are designed to be adjusted fro depth, horizontal and vertical adjustment by means of screws into the hinge mounting plates.
To remove a door, pull the release clip away from the case, disconnecting the hinges.

OVERHEAD INSTALLATION
The wall mounted overhead storage units must be installed on wall studs. The first step for installation is to locate the studs in the wall where the overhead is to be mounted. Measure the stud center line location and use this measurement to mark the hole locations on the mounting rail and the overhead back. Drill clearance holes at the hole locations. Hole requirements will depend on the fasteners chosen by the installer. 2 1/2” x #10 wood screws are adequate if going into wood studs. If studs cannot be accessed, then appropriate drywall plugs or butterfly bolts should be used. We recommend 2 fasteners per stud.



Fasten the mounting rail to the wall ensuring that it is level. Hang the overhead on the mounting rail and then fasten it to the wall. This prevents accidental removal and also allows for some leveling adjustment.

level® CERTIFICATION
BIFMA's e3 Furniture Sustainability Standard is a voluntary, multi-attribute standard that measures the degree of sustainability of furniture. This standard evaluates product and company environmental attributes and compliance systems in a wide range of elements which include Materials, Energy & Atmosphere, Human & Ecosystem Health and Social Responsibility. Vestrada products have earned level®, BIFMA's sustainability certification program for furniture, certification through third-party verification against the e3 standard. All Vestrada products can be supplied with level® certification. In order to accomplish this, the product must also be ordered with the air-emissions-certification option. Contact customer service for information and upcharges.

AIR-EMISSIONS
All Vestrada products can be supplied with air-emissions-certified materials. Contact customer service for information and upcharges.

FSC®
FSC® In 2005, Krug received Forest Stewardship Council® (FSC®) Chain-of-Custody certification for our manufacturing facilities. The FSC® Chain-of-Custody tracks certified wood from seedling to final sale. It verifies that the material for our FSC® certified products only come from well-managed, FSC®-certified forests and other controlled sources. FSC® is dedicated to the promotion of responsible forest management worldwide helping to take care of forests for future generations. Vestrada and other Krug products can be specified with FSC® Certification. Contact customer service for further information, pricing and lead times.

In addition, architects, designers, and building professionals can specify FSC®-certified products in order to achieve a point from the US. Green Building Council's Leadership in Energy and Environmental Design (LEED) Rating System.

VESTRADA | FINISHES

WOOD FINISHES
Standard wood finishes are:

SPECIES	FINISH
Cherry	Light Cherry
	Natural Cherry
	American Cherry
	Medium Cherry
	Standard Cherry
	Imperial Cherry
	Appalachian Cherry
	Sable Cherry
Maple	Clear Maple
	Honey Maple
	Wheat Maple
Oak*	Light Oak
	Harvest Oak
	Mahogany Oak
	Medium Cherry on Oak
	Mellow Oak
	Walnut on Oak
	Espresso on Oak
Walnut	Natural Walnut
	Regular Walnut
	Mahogany on Walnut
	Dark Walnut
	Cordovan Walnut
Anigre	Clear Anigre
	Medium Anigre

*VESTRADA Oak veneers are rift cut.

PALETTE FINISHES
Standard solid color finishes are:

Black
White
Sand
Soft green
Steel blue
Slate
Please refer to VESTRADA brochure for color reference.

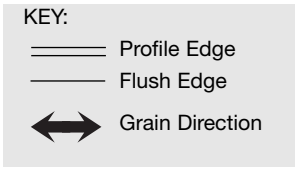
V-Beam
Standard finishes are:

Satin Aluminum
Matte Black

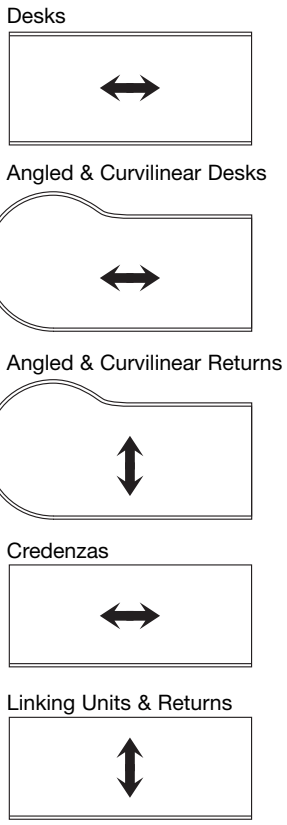
WOOD FINISHES TO MATCH STANDARD LAMINATES
Willow on Rift Oak
Dune on Rift Oak
Portobello on Rift Oak
Ash on Rift Oak
Copper on Cherry
Shiraz Cherry
Park Avenue Walnut
Chocolate on Walnut
Nutmeg on Walnut
Hardrock Maple

Wood is a natural product with inherent color variations that will never be fully mitigated by the finishing process. Please anticipate variation in colors within a single unit, from piece to piece, and from Krug wood finish samples. If a very close match is required, a sample must be provided with the order and an upcharge will apply. Exact color matches are not possible.

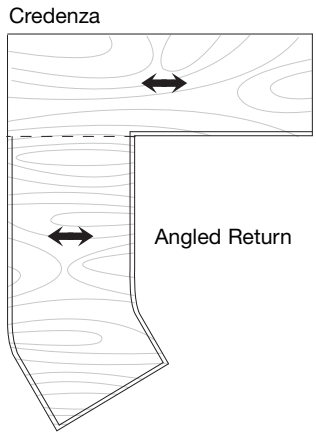
Custom Wood Finishes
Add 10% list to your order for special finishes, minimum upcharge is $600 list per finish per order. (For example, on all orders up to $6300 list, an upcharge of $630 will apply, on orders $6300 and up add 10% list to your order.)



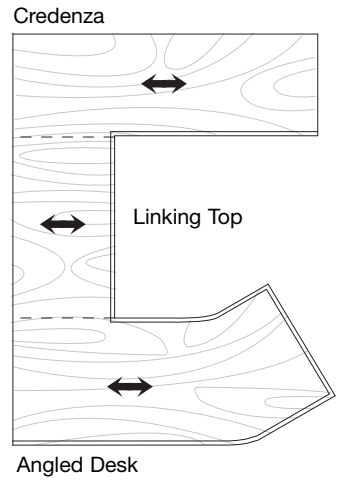
For orders with special finishes a sample that is a minimum 3" by 3" must be received with the order. Special finishes may add additional lead time to production schedules.
Since wood is a natural product, some variations in grain, color and stain acceptance will occur. In our finishing processes, we try to minimize variations, but some variation between samples and finished goods should be anticipated



Birdseye Maple
Bookmatched Birdseye Maple veneer is available on VESTRADA at an upcharge of $79 list per square foot. Specify clearly on order. Birdseye Maple is recommended in clear finish only. Birdseye Maple only applies to tops.



Dual Finishes
Add 10% list per item if specifying dual finish



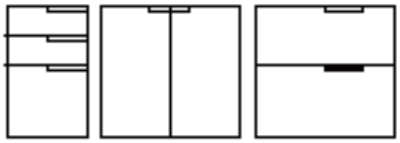
Custom Palette Finishes
Custom palette finishes are available at an upcharge of 10% list and an additional 2 weeks lead time after final color approval.

WORKSURFACE EDGE PROFILE
All work surfaces are 1 1/8" thick, veneered Medium Density Fiberboard. Worksurface height tops have a chemically impregnated backer for additional strength. Profiled edges of worksurfaces have a .12" (3mm wood banding with an under cut detail leaving a visible edge of 3/4".
Vestrada comes standard with a tapered edge.
Desk work surfaces have an edge profile on front and rear sides. Ends are flat with no profile shape.
Run-off work surfaces such as Bullet and "P" shapes have an edge profile that extends around the curved section.
The remaining blunt end is flush with no profile shape.
Credenza, Returns and Linking tops have profile on the front side while all remaining edges, are flush with no profile.

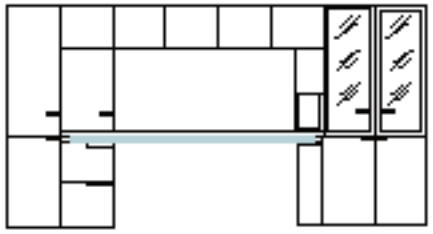
GRAIN DIRECTION
Vestrada grain direction runs left to right on all cases.
Providing a consistent wood grain direction is important in maintaining consistent color on adjacent work surfaces.
Such is the case with "L" or "U" configurations

The above illustrations explain the grain direction on typical worksurfaces that run at right angles to one another.

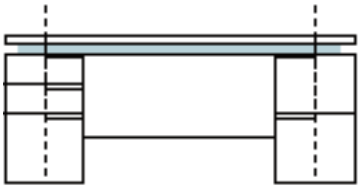
V-BEAMS
Raised worksurfaces are supported by 2" high accent V-Beams. Each V-Beam is available in either Silver or Black finish and is fixed to the underside of the worksurface. The V-Beam is undersized to the worksurface and is inset by 4" on all sides.



VESTRADA | DRAWER PULLS & LOCKS

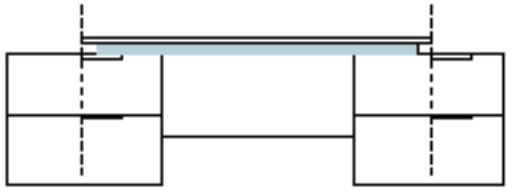


DRAWER PULLS

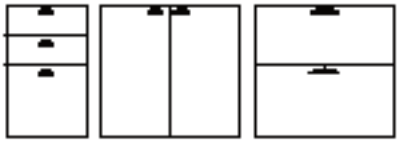


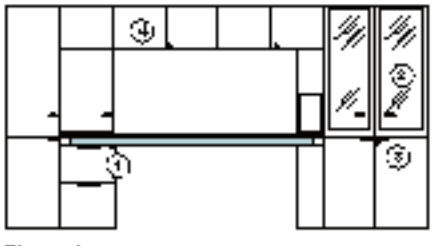
Two drawer pull options are available, each metal pull is available in a Satin Aluminum finish. The Fimosa is also available in Matte Black. Both style and finish must be specified on order. The Mazara pull is located asymmetrically on each face. Combinations of long and short pulls and their bias mounting locations add to the visual dynamic of Vestrada. Mazara pulls are designed to be placed to the right of the center line regardless of the drawer width. Therefore, pulls on a 16” pedestal will extend to the outer edge while on a 24” pedestal, the pulls fall short of the edge. Mazara pulls when specified on factory assembled desks are located toward the kneespace rather than the typical right bias position as described above. Factory assembled desks include double pedestal desks with 16” or 24” wide pedestals.

Mazara



Factory assembled and Modularly shipped Desk Mazara pull locations.





Modularly shipped Mazara pull locations.

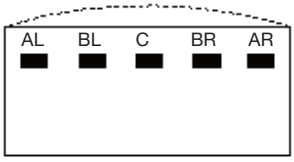
An alternative to the asymmetrically located pull, is the Fimosa pull, with a centered mounting location.

Fimosa

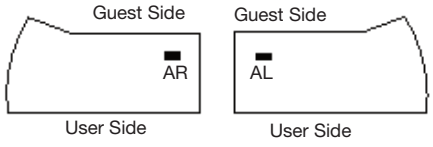
WORKSURFACE ELLIPTICAL BASE SUPPORTS
The Vestrada Elliptical base is a refreshing change from the standard supports offered in most casegood lines. End caps are made from aluminum and the body of the base is covered in either wood veneer or grade 3 palette panel fabric, and has Satin Aluminum end caps. Its design allows for not only a stylish look but provides for unseen wire management. By removing the veneer panels, access is gained to the interior where wiring can be routed from the worksurface to floor or wall receptacles. Small cut-outs at the top and bottom of the base along the inside center allow wires to be channeled down through the length of the base and into floor mounted power/data monuments

POWERPORT
A PowerPort is a unique worksurface mounted module that can be specified to a location that best serves the user's needs. PowerPort is constructed of anodized aluminum and it includes a UL approved electrical, voice and data power bar, containing two 115 - volt electrical simplex outlets which are accessible from the work surface, plus a utility outlet at the end for daisy chaining purposes. 3 data versions are available, please see page 202 for options. A Port, a service module having no power bar will serve as a large grommet. A hinged lid easily enables the passage of several cables and devices.

GROMMET
A plastic rectangular grommet in black or grey is also available. It has no optional electrical service, but serves to provide cable passage for areas not requiring a large opening. One rectangular grommet in a standard location accompanies any worksurface. For additional grommets see page 202 for pricing. Grommets can be field installed with a power drill, 2 1/4" hole saw and rasp or saber saw. Template for drilling is available.



WIRE MANAGEMENT TROUGH
Beneath the worksurface is a series of wire management troughs that can be field installed. Every trough is divided into four separate channels, each with a flexible cover that permits easy insertion of wire cables. The supporting worksurface frame will be encountered at intersections of interconnecting tops. It will be necessary to "loop" any cabling below the frame and return it to the next series of wire management troughs. A velcro wire management strip is provided to assist in containing the cables as near the area where the cables are looped around the frame. (Only comes with PowerPorts).
Double pedestal desks feature a wire management passage in the back of the pedestal for use when PowerPorts or rectangular grommets are located above pedestals.
Connecting to wall located outlets, requires passage through modesty panels. Hinged modesty panels feature a crescent shape cut-out. The wire management cut-out is also available on fixed modesty panels



V-BEAM
The underside of VESTRADA tops feature a concealed wire management cavity created by the V-Beam. The V-Beam also gives VESTRADA its unique floating top appearance. The V-Beam is available is Satin Aluminum or Matte Black.

Rectangular grommet and PowerPort positions
Worksurfaces
Locations apply to both Rectangular and Bow Top Desks.

This key applies to all Run-off Desk shapes.

Position code:
AR - Right Corner on left hand Return / Desks
AL - Left Corner on right hand Return / Desks

Only Rectangular grommets are available on Elliptical Tops

Position code:
AL – left corner
BL – left end beside pedestal gable
C – center
BR – right end beside pedestal gable
AR – right corner

Please note pedestals have access wiring cut-outs for wire management. Applicable to factory assembled cases only.

VESTRADA | FEATURES

LAMINATE WORKSURFACES
Laminate worksurfaces are available for the VESTRADA product line at an upcharge of 10% (a higher upcharge may apply to specially priced plastic laminates. See page 6 for a list of Krug standard laminates.
Where there are wood profile edges on worksurface tops, they will remain as wood profiles on laminate tops. Where there are flush edges, as in the backs of c edenzas or link units, they will be self edged with laminate.

Krug will order and procure laminates. Purchase orders with a plastic laminate option must include:
Manufacturer's Name
Laminate Name
Laminate Number

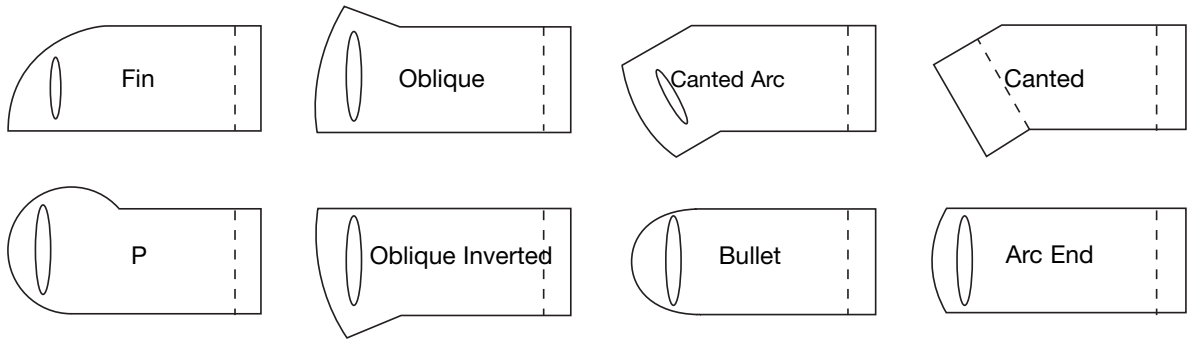
Laminate sheen level should not exceed 60º for maximum durability of work surfaces.
Please contact Krug Customer Service if ordering wood grain patterned laminate for VESTRADA product to ensure proper ordering procedure for grain direction.
Krug reserves the right to decline a laminate that may not be suitable for the application. Krug assumes no responsibility for the durability, consistent coloration or any other performance characteristic of a customer specified laminate. Laminates will extend the normal lead-time, check with Customer Service for current scheduling information.

MODESTY PANELS
VESTRADA modesty panels are available in a variety of styles and sizes with many unique features.
Floating modesty panels are available on all free standing and transitional Run-Off Desks and Table Desks.
Tempered glass face-mounted modesty panels are available on all double pedestal desks.
Wood face-mounted modesty panels are available on rectangular and bow-top double pedestal desks only.
Recessed modesty panels, available on desks, returns and credenzas are available in both 3/4 and full eight versions.
Recessed modesty panels are inset by 4.75" inches.
Hinged modesty panels are optional on all credenzas, returns and link units and feature a wire management cut-out in a top centered position to allow access to wall mounted power and data outlets.
The wire management cut-out option is available on returns and link units, and is standard on hinged modesty panels and credenzas with fixed modesty panels.

Glass Face Mounted Modesty Panel

PEDESTAL OFFSETTING
VESTRADA offers the unique and functional feature of offsetting pedestals when ordering modular product. This feature is available on VESTRADA desks, returns and credenzas. (please see modular pricing section for options. Pedestal offsetting provides the flexibility for more or less kneespace depending on the space constraints involved. Using either anti-skid tape (comes standard with all modular VESTRADA product to provide infinite off setting amount or VESTRADA's unique metal-to-metal fitments (provided for preset positions only. 2 per case regardless of width, tops can be placed over pedestals in a variety of locations at any time.

This feature not only provides solutions where space and comfort is required, but also gives each VESTRADA setting the unique style and design. Whether it is a dramatic 32" offset left and right pedestal credenza, or a classic 16" inset left and right pedestal credenza, VESTRADA gives every user the option to change as the workplace evolves. Because tops must be under supported by at least 12" of pedestal, offsetting is only available when used in conjunction with 24, 32 and 36" wide pedestals (please see modular pricing section for options.



GLASS SCREENS
Glass screen dividers can be mounted to credenzas, returns or linking units to form a stylish visual barrier.
The ma-terial selection for the screen is a 14" high, 6mm thick etched glass.
As a means of securing each panel to the work surface, metal screen holders are attached to the worksurface. Quantity varies by length, 2-4 brackets.

DESKS
Single and double pedestal desks are available with rectangular, bow or elliptical top shapes. Vestrada desk compositions have numerous features that allow each user the ability to customize their workspace. 8 different top shapes, a huge selection of pedestal styles and sizes, and a unique modesty panel offering combine to make the Vestrada desk incredibly functional and stylish. Additional features include a bow top option on rectangular desks as well as leather inserts, which are available on Rectangular or Bow-top desks. Please see Desk section for more information.

VESTRADA run-off desks are available in 8 unique shapes as shown below.

RETURNS & RUN OFFS
In terms of options and versatility, the Vestrada Return offering is second to none. Basic pedestal returns, curvilinear returns with elliptical bases and sliding returns allow the user to move the return to various positions. Please see pages 152-167 for options and pricing. The TracDesk is a unique worksurface that moves along a track facilitated by a mobile elliptical base. Please see pages 168-169 for pricing and options.

TABLE DESKS
Table desks are available in rectangular and elliptical tops, which can accommodate pedestals on either side of its bases for storage. Turn to page 136 for compatible pedestals. Floating modesty panels are available on both size options. A bow top option is also available for the rectangular top.

CREDENZAS
VESTRADA credenzas offer a broad selection of storage solutions for any office. Credenzas are available as full-face units, and units with fixed pedestals that are offset from the worksurface. Additionally, a select number of credenzas offer an added feature, pedestals that are movable. These pedestals can be moved laterally in relation to the worksurface. Moving a pedestal outward provides for more knee-space, while moving the pedestal inward will allow for more space around the unit. Credenzas in this line are available with inset pedestals, with inset and offset pedestal combinations, or as full face units. Credenzas can be specified using modular components (see pages 197-207 or as a factory assembled cases. Modular versions offer the option to move pedestals in toward the kneespace or away from the kneespace depending on space constraints.

ACCESSORIES
All upper storage configurations having a tackboard will provide an area for the support of convenience accessories. An optional extruded aluminum rail is attached to the tackboard in a manner that leaves no visible screws. With the rail attached, suspension of each accessory is a simple manner of hooking onto the rail's edge. Each accessory can be removed or repositioned along the entire length of the rail at any time.
Accessories include a binder bin, flip sorter, paper tray and file hanger .
Each item is construction of eighteen-gauge sheet metal and finished in a powder coated Silver Metallic, to compliment all other metal finishes.

WORK / MOBILE WORK TABLES
Mobile tables are available in two heights in wood or paint. The lower height tables are designed to fit beneath standard worksurface heights. All mobile tables feature 3" locking casters to facilitate easy movement on any floor surface. Alternatively, stationary work tables are available with adjustable glides.
Glass tops are available for the Delta shape only. The 10mm thick tempered glass top is supported on three legs connected to a triangular metal frame.
Each leg is powder coated Silver Metallic to complement all other metal components.

VESTRADA | FEATURES

HUTCHES
VESTRADA hutches provide a traditional solution to overhead storage. See pages 243-245 for more information.

WORKWALL COMPONENTS
Workwall components provide custom overhead storage solutions. See pages 237-242 for Workwall component guidelines.

MODULE
An intrinsic design theme establishes the use of an 8” module throughout the product range. This horizontal dimensional grid establishes a harmonious alignment of cabinet faces when cabinets are combined as a group. Horizontal alignment of drawer and door faces is maintained between cabinets. These properties ensure that the overall appearance of cabinets will be aligned with one another when combined into different settings. To further reinforce a consistent appearance of this module, an 8” wide end support is used for supporting worksurfaces.

MODULARITy
VESTRADA has been designed for change with an enormous standard product offering and the ability to reconfigure and change-out components effortlessly. Pedestals are designed to be offset when space becomes constrained or increased. Metal-to-metal fitments and precise tolerances allow changes to be made quickly and easily without the need for an installer or confusing instructions. With features like TracDesk, mobile pedestals, and mobile work tables, the office can now adjust to the user rather than the user adjusting to the office. VESTRADA is flexible and eady for the changes and demands associated with the workplace – the way it should be.

LATCHES
Hinged door overheads and 8” piers feature touch latches. All other hinged doors are self-closing with pulls.

GLIDES
Adjustable glides are installed at factory and are 1 1/4” long and allow for a range of adjustment of 3/4”.

HINGES
Hinged doors are European style with a 95 degree opening angle. Hinges on 8” pier cabinets providing end support have 83 degree hinges to prevent contact with adjacent cabinets or walls. All hinges are fully adjustable.

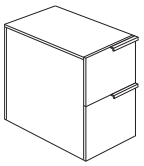
VESTRADA CUSTOM SIZING

As you can see, the standard range of sizes and options in VESTRADA is huge. But it doesn't end there. Using the instructions below, you can customize the sizing of most components and price yourself. Custom-sized products may require an extended lead time if they have not been previously engineered.

Products that can be custom sized:

Desks	(excluding elliptical top desks and face-mounted modesty panels)
Table Desks	(excluding elliptical top desks)
Run-Off Desks	(excluding curvilinear shaped units with a non-standard radius)
Link Units	
Returns	
Run-Off Worksurfaces	
Kneehole Credenzas	
Shells	
Modular Tops	
Modesty Panels	
Run-Off Worksurfaces	(excluding curvilinear shaped units with a non-standard radius
Kneehole Credenzas	
Shells	
Modular Tops	
Modesty Panels	(excluding face-mounted glass modesty panel)
Wood Door Overheads	
Wood Door WorkWalls	
Bookcases	
Wood Door Storage Units	

Custom widths: Apply the price of the same unit in the price list that is one standard size larger than the desired case size (same depth). For example: The required custom dimension is 74"x24". The first standard size above this is 80"x24", so in this case, you would apply the price of the 80"x24" unit.

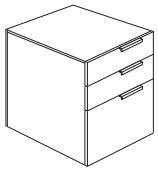


Custom depths: Apply the price of the same unit one size deeper. For example: The required custom dimension is 72"x26". The first standard size above this is 72"x30", so in this case, you would apply the price of the 72"x30" unit.

Custom width & depth: Apply the price of the same unit both one size wider and one size deeper. For example: The required custom dimension is 74"x26". The first standard size above this is 80"x30", so in this case you would apply the price of the 80"x30" unit.

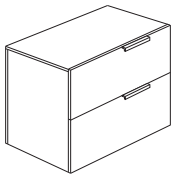
TESTING INFORMATION

VESTRADA meets or exceeds the testing requirements of ANSI/BIFMA X5.5-2014 and/or X5.9 - 2012.



VESTRADA | FILING INSTRUCTIONS

FILING INSTRUCTIONS
All file drawers will accept both letter and legal size filing
All units are equipped with file bars to accommodate filing in either direction

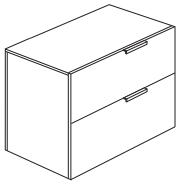


Desk filing capacity
- 16” wide file drawer
- 21” of letter filing front to back
- 12” of letter filing side to side and 8” of letter filing front to back
- 12” of legal filing side to side and 5” of letter filing front to back

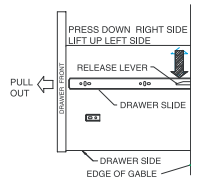
Weight capacity of the pedestal file drawers is 100 pounds

Credenza and Return Pedestal File Drawers
- 16” wide file drawer
- 15” of letter filing front to back
- 12” of legal filing side to side
- 24” wide file drawer
- 20” of letter filing side to side
- 20” of legal filing side to side

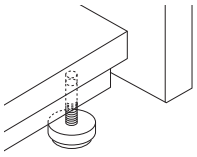
Weight capacity of the pedestal file drawers is 100 pound



Lateral File : 32” wide drawers:
- 2 rows 15” of letter filing front to back
- 28” of legal filing side to side
- 15” of legal filing front to back and 12” of legal filing side to side
- 15” of letter filing front to back and 14” of legal filing side to side

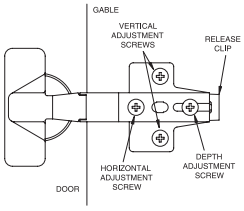


Weight capacity of the pedestal file drawers is 150 pound

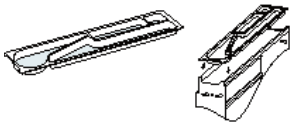


Lateral File : 36” wide drawers:
- 2 rows 15” of legal filing front to back
- 2 rows 15” of letter filing front to back
- 1 row 15” of legal filing front to back and 1 row of 15” letter filing front to back
- 1 row of 15” legal filing front to back and 1 row 17” of letter filing side to side
- 2 rows of 15” letter filing side to side

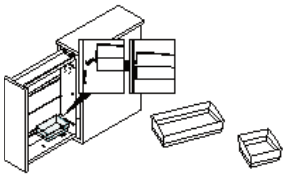
Weight capacity of lateral file drawers is 150 lbs



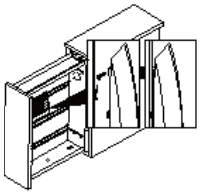
DRAWER REMOVAL
To remove pedestal drawers, open to the extended position, press down on the right side nylon release lever and pull the drawers up on left side lever at the same time. Continue pulling the drawer out of the case.



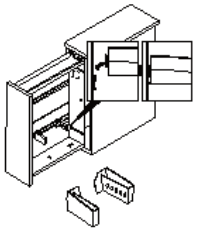
GLIDE ADJUSTMENT
Raise one corner of the unit at a time and adjust the glide to the desired height by turning the glide. Make sure unit is level after adjusting the glides. Please note that the maximum adjustment range of the glides is 3/4”. When moving units after glides have been inserted, dial the glides to the lowest position to prevent damage to the case.



BOOKCASE OR HUTCH DOOR ADJUSTMENT
Hinges on all hutch and bookcase doors are designed to be adjusted for depth, horizontal and vertical adjustment by means of screws into the hinge mounting plates. To remove a door, squeeze the release clip and pull out the door, disconnecting the hinges.

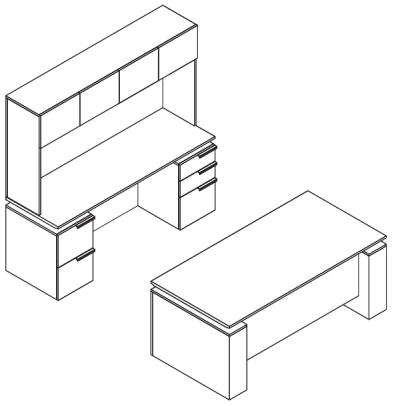


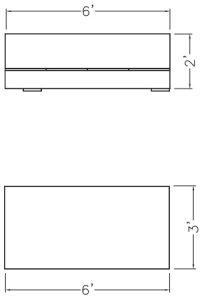
The VESTRADA V-Ped is a unique storage drawer consisting of components not normally found in case-goods pedestals. The unique vertical storage drawer is 8” wide and is available in conjunction with 16”, 24”, 32” pedestals. The interior is accessed by pulling the full vertical drawer face away from the pedestal body. The V-Ped cannot be used as a stand-alone pedestal, or ordered to be installed in the field. Please see below for a full breakdown of all components that come standard in V-Peds:



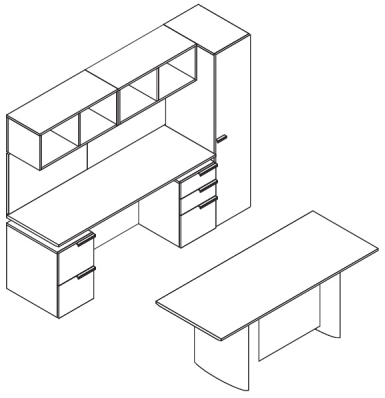
The top of the interior consists of a tray, into which a Silver plastic pencil tray is fitted. This pencil tray is partitioned into four separate storage areas suitable for a variety of stationery needs.

The V-Ped comes equipped with 2 different sized translucent boxes, which can clip onto one of the 3 bars on the interior of the pedestal. The brackets clip onto the bars on the interior panel of the pedestal. The organizer boxes are an easy way to reduce clutter for stationery.





A translucent CD box holds several CD’s and clips onto the interior bars.



Translucent universal brackets are provided for holding any size of hanging files. Simply snap the brackets in place anywhere on the horizontal hanging bars inside the pedestal.

ORDERING NOTES:
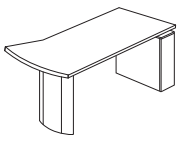
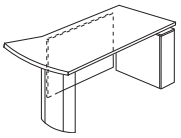
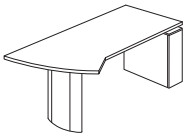
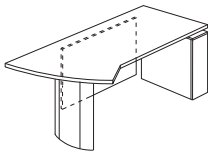
Canted Arc Inverted desks are to be used as stand alone desks. They are not to be used in 'U' configurations due to kneespace limitations. Laminate worksurfaces are available at a 10% upcharge, see page 118 for more information.

DIMENSION KEY
W - width
D - depth
H - height
KW - kneehole width
Dimensions are in inches and approximate. Contact customer service if dimensions are critical.
* Indicates model illustrated by the drawing.









CODE DESCRIPTION
L - left hand pedestal position
R - right hand pedestal position
D - 2 file drawer
F - 2 box, 1 file drawer
V - floating modesty panel
W - extended pedestal
E2 - wood elliptical base
X31 - 3/4 height recessed modesty panel
X41 - full height recessed modesty panel

STANDARD FINISHES
For a complete list of standard wood finishes please see page 114.

GROMMETS
One wiring grommet in standard position is optional at no charge. See page 202 for more wiring grommet information.

LOCKS
Locks are standard on all pedestals and all lateral file drawers, with the exception on bookcases.

ORDERING PROCEDURE
To order, please specify the following:
1) Krug product model number
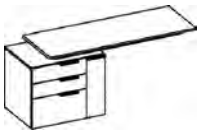
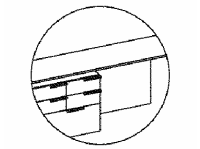
2) Wood species and finish, see page 114
3) Pull style and finish, see page 116
4) V-Beam color, see page 117
5) Grommet location and style if applicable



* Indicates model illustrated by line drawing



CODE DESCRIPTION
L - left hand pedestal position
R - right hand pedestal position
D - 2 file drawer
F - 2 box, 1 file drawer
H - desk height worksurface
01 - lateral file drawer
05 - 4 box/ 1 lateral file
X31 - 3/4 height recessed modesty panel

STANDARD FINISHES
For a complete list of standard wood finishes please see page 114.

SUPPORT
Any top with a V-Beam and a kneespace greater than 64" requires a half gable. Please see page 189.

ORDERING NOTES:
Replace 'H' in the model number prefix with 'M' to specify machine height at no upcharge.

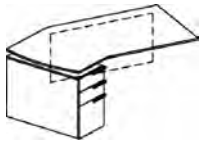
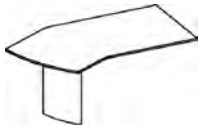
ORDERING PROCEDURE
To order, please specify the following:
1) Krug product model number
2) Wood species and finish, see page 114
3) Pull style and finish, see page 116
4) V-Beam color, see page 117
5) Grommet location and style if applicable



* Indicates model illustrated by line drawing



CODE DESCRIPTION
L - left hand pedestal position
R - right hand pedestal position
D - 2 file drawer
F - 2 box, 1 file drawer
H - desk height worksurface
M - machine height
V - floating modesty panel
E2 - wood elliptical base
X31 - 3/4 height recessed modesty panel
X41 - full height recessed modesty panel

STANDARD FINISHES
For a complete list of standard wood finishes please see page 114.

SUPPORT
Any top with a V-Beam and a kneespace greater than 64" requires a half gable. Please see page 189.

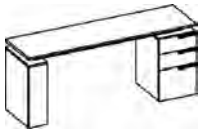
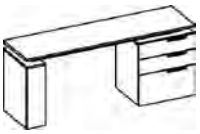
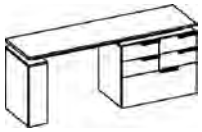
	81C88244L0R16D	5020	5771	88	24	29.25	64	204	43

ORDERING NOTES:
Pricing does not include a modesty panel. To add a full height wood modesty panel add (X41 to the end of the model number, e.g. 81C88244L0R0X41. Add 7% to list price. Credenzas above 80", 88" and 96" lengths are compatible with TracDesk (see page 160). For TracDesk option please **add $318 list** to your order and add a 'J' at the end of the model number, e.g. 81C88244L0R0J.

ORDERING PROCEDURE
To order, please specify the following:
1) Krug product model number
2) Wood species and finish, see page 114
3) Pull style and finish, see page 116
4) V-Beam color, see page 117
5) Grommet location and style if applicable







* Indicates model illustrated by line drawing

CODE DESCRIPTION
L - left hand pedestal position
R - right hand pedestal position
D - 2 file drawer
F - 2 box, 1 file drawer
H - desk height worksurface
M - machine height
V - floating modesty panel
E2 - wood elliptical base
X31 - 3/4 height recessed modesty panel
X41 - full height recessed modesty panel

STANDARD FINISHES
For a complete list of standard wood finishes please see page 114.

GROMMETS
One wiring grommet in standard position is optional at no charge. See page 202 for more wiring grommet information.

GLASS PRIVACY SCREEN
Please see page 204 for glass privacy screen options.

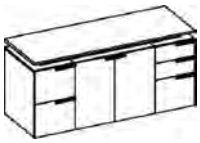
ORDERING NOTES: Wire management cut-out is standard on all credenza hinged modesty panels. Credenzas above in 80", 88" and 96" lengths are compatible with TracDesk (see page 106). For TracDesk option please **add $341 list** to your order and add a 'J' at the end of the model number, e.g. 81C88244L0R0J.

ORDERING PROCEDURE
To order, please specify the following:
1) Krug product model number
2) Wood species and finish, see page 114
3) Pull style and finish, see page 116
4) V-Beam color, see page 117
5) Grommet location and style if applicable



* Indicates model illustrated by line drawing

CODE DESCRIPTION
L - left hand pedestal position
R - right hand pedestal position
D - 2 file drawer
F - 2 box, 1 file drawer
0 - no pedestal
J - TracDesk option
W - extended pedestal option
X31 - 3/4 height recessed modesty panel
X41 - full height recessed modesty panel

STANDARD FINISHES
For a complete list of standard wood finishes please see page 114.

GROMMETS
One wiring grommet in standard position is optional at no charge. See page 117 for more wiring grommet information.

GLASS PRIVACY SCREEN
Please see page 204 for glass privacy screen options.

ORDERING NOTES: Wire management cut-outs are standard on all corner credenza modesty panels. The first dimension listed after the second"-" indicates connecting side dimensions, e.g. 81CC8036-24-L20R0 has a 20" connecting side. Please note 24" BBF or FF/V-Ped is one component. V-Ped is always towards kneespace and is not available for field installation. Corner Credenzas with V-Peds are NOT available on KrugExpress.

ORDERING PROCEDURE
To order, please specify the following:
1) Krug product model number
2) Wood species and finish, see page 114
3) Pull style and finish, see page 116
4) V-Beam color, see page 117
5) Grommet location and style if applicable

* Indicates model illustrated by line drawing

CODE DESCRIPTION
L - left hand pedestal position
R - right hand pedestal position
D - 2 file drawers
F - 2 box, 1 file drawer
0 - no pedestal
Q - V-Ped
X41 - full height modesty panel

STANDARD FINISHES
For a complete list of standard wood finishes please see page 114.

GROMMETS
One wiring grommet in standard position is optional at no charge. See page 117 for more wiring grommet information.

GLASS PRIVACY SCREEN
Please see page 204 for glass privacy screen options.

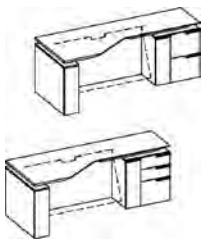
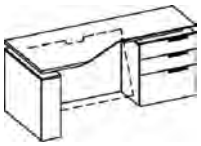
ORDERING NOTES: Wire management cut-outs are standard on all corner credenza modesty panels. The first dimension listed after the second"-" indicates connecting side dimensions, e.g. 81CC8036-24-L20R0 has a 20" connecting side. Please note 24" BBF or FF/V-Ped is one component. V-Ped is always towards kneespace and is not available for field installation. Corner Credenzas with V-Peds are NOT available on KrugExpress.

ORDERING PROCEDURE
To order, please specify the following:
1) Krug product model number
2) Wood species and finish, see page 115
3) Pull style and finish, see page 116
4) V-Beam color, see page 117
5) Grommet location and style if applicable

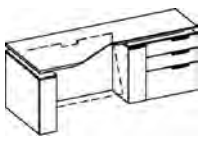
* Indicates model illustrated by line drawing



CODE DESCRIPTION
L - left hand pedestal position
R - right hand pedestal position
D - 2 file drawers
F - 2 box, 1 file drawer
0 - no pedestal
Q - V-Ped
X41 - full height modesty panel



STANDARD FINISHES
For a complete list of standard wood finishes please see page 114.



GROMMETS
One wiring grommet in standard position is optional at no charge. See page 117 for more wiring grommet information.

GLASS PRIVACY SCREEN
Please see page 204 for glass privacy screen options.

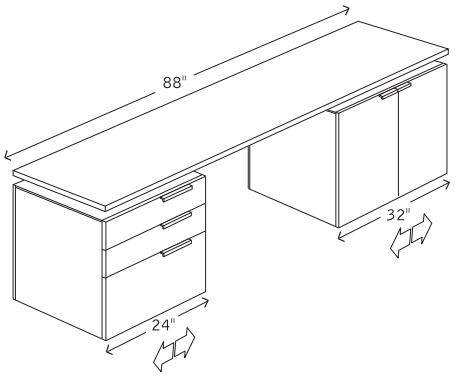
ORDERING VESTRADA MODULAR COMPONENTS

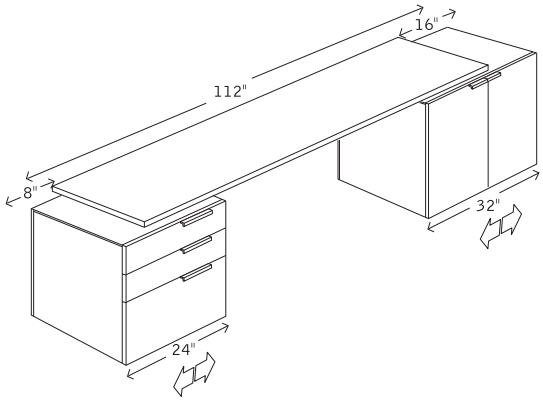
STEP 1

TOPS
Determine the size and shape of worksurface you require and find the corresponding model number (see page 188).
Example: A 72” x 36” rectangular desk top is listed as 81TPD-7236.

Installation Note
Case tops feature factory installed inserts while pedestals have blind holes which can be drilled out, and the top bolted in place as per the installation instructions. This provides 16” of pedestal under the top unless the pedestal features a V-Ped, in which case 24” of pedestal lies beneath the top. For situations where tops are not bolted into place, anti-skid tape is provided to be applied to the under side of the V-Beam. In this scenario a minimum of 12” of pedestal must support the top on both sides.



NOTE:
If you plan to order pedestals that extend out from the top, please take into consideration the overall floor space you have to work with when ordering your top size.



STEP 2

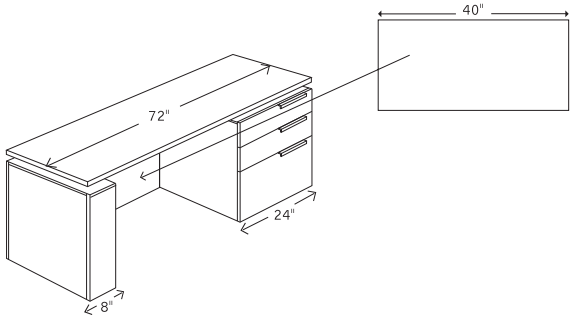
PEDESTALS

Determine the pedestal type, width and depth required, and find the corresponding model number (see pages 201-208). The pedestal(s) selected should be the same depth as the top that is ordered. If ordering a face mounted glass modesty panel, the pedestal(s) selected should be 6” less in depth than the top depth.
Pedestals may be positioned entirely under the worksurface or can extend out left or right from beneath the worksurface. A minimum of 16” of pedestal width must be located directly under the worksurface if the top is to be bolted in place. If the need to fill floor space exists, a minimum of 12” of pedestal must support the worksurface. However, in this situation, the top cannot be bolted into place, but rather placed on top of the pedestals with anti-skid tape to hold the top in place. These rules must be taken into consideration when determining what top, pedestal(s) and modesty panels to order.
Example: An 88” top with a 24” left pedestal and a 32” right pedestal can be extended to give an overall unit width of 112”.

NOTE: An 18” deep pedestal is required if positioning a pedestal in front of a modesty panel due to the inset of the V-Beam. Only the pedestals listed in 18” depths are available.

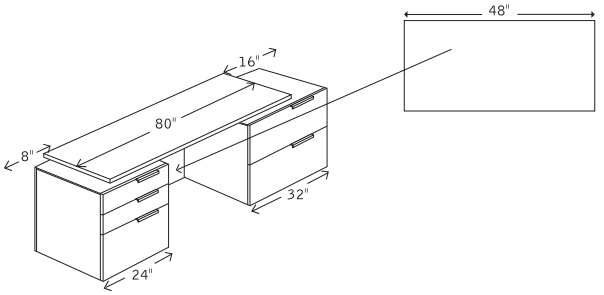
STEP 3

MODESTY PANELS



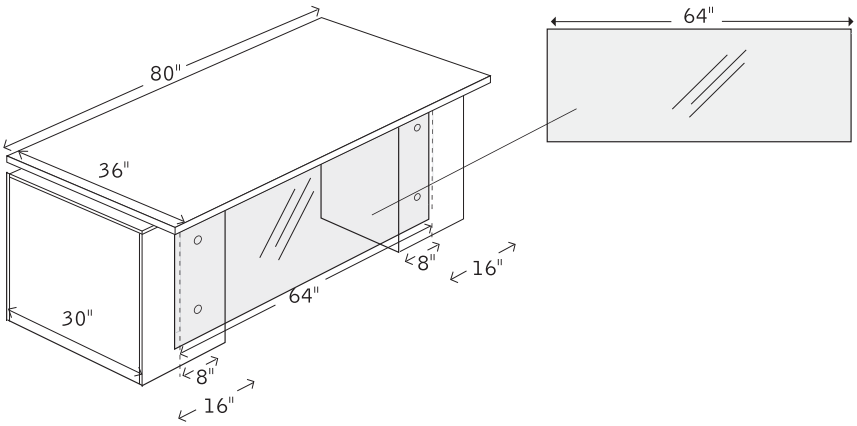
Modesty panels are available in a variety of sizes and materials. Please refer to the following chart to find applicable modesty panel for specific tops

Top Type	Modesty Type Available	Top Size
Rectangular Top Desk	3/4 & Full Height Wood	64” - 96”
	Face mounted Wood/Glass	72” - 88”
Elliptical Top Desk	Face mounted Glass	72” - 88”
Credenza	Full Height Wood*	64” - 96”
	Hinged Wood**	64” - 96”
Return	Full Height Wood***	36” - 88”
	Hinged Wood**	36” - 88”



* Wire management cut-out option available at **$194 list**
** Features wire management cut-out as standard
*** Wire management cut-out option available on wood modesty panel at **$194 list**

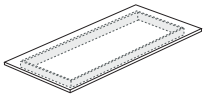
Recessed Modesty Panels
Determine the modesty panel style and size, and find the corresponding model number (see pages 209-210).
Modesty panel sizes are determined by subtracting the widths of the pedestals or supports that are located directly underneath the work-surface from your top width.



Example: A 72” top with a 24” pedestal on the right and an 8” support on the left would require a 40” wide modesty panel (72 minus 24 minus 8 = 40).

If specifying extended pedestals, at least 16” of each extended pedestal must be located underneath the worksurface if the top is to be bolted in place. Likewise, 12” of pedestal must support the top if only using the anti-skid tape method of installing. To determine the size of modesty panel required when using extended pedestals, subtract only the amount of each pedestal that is located directly underneath the worksurface from the overall worksurface width to determine the modesty panel width required.

Face Mounted Modesty Panels
Face mounted glass or wood modesty panel widths are determined by subtracting 16” of width from the top size you are ordering.
The reasoning behind this formula is simple. Face mounted modesty panels must attach to 8” of pedestal left and right. For this to work, the pedestals must be 16” wide minimum and must always be 6” shallower than the top depth. Please note that 8” modular support pedestals will not support a face mounted modesty panel. Example: If ordering an 80” top, the face mounted glass modesty panel required is 64” wide, regardless of pedestal widths (starting with 16” pedestals).



Modesty panels are available in a limited number of widths. This must be taken into consideration when planning out exactly how pedestals are to be situated. For example, you cannot have 51” of space between the pedestals because there is not a 67” modesty panel available. If a 51” kneespace is required, simply do not order a modesty panel. All available modesty panel widths are listed in the modular components section on pages 209-210.

If planning on extending or retracting your pedestal(s) into different positions in the future, a modesty panel should not be specified, as this will limit future space planning.

VESTRADA modular components are shipped with very durable anti-skid tape. The tape is designed to facilitate the need to move pedestals inward and outward as required, but prevents the top from moving when placed over the pedestals. Remember, a minimum of 12” of pedestal must be below the top for VESTRADA casegoods to be structurally supportive with the anti-skid tape method of installing, and 16” of pedestal below the worksurface to bolt the top in place.

VESTRADA | WORKWALL COMPONENTS | GUIDELINES

VESTRADA HUTCHES
Hutches include L.E.D. Lights that are factory installed and require no field adjustment
L.E.D. Lights are mounted beneath the cabinet and hidden from view.

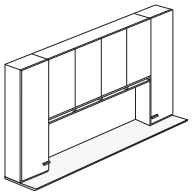
A tackboard in Grade 1 fabric is included with all Hutches.
Upcharges for higher graded fabrics are listed on page 234.
Tackboard fabric selections should be supplied with the order information. Palette options are listed on page 114.

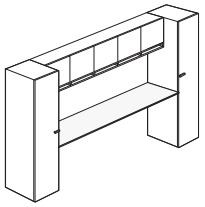
Tackboards for Hutches are installed at the factory and require no additional set up on site.

Hutches over 84” in length are made in two pieces and require special installation.

Hutches are available with a finished inside back panel at standard list price, but must be clearly specified on order.
This option is available on Hutches up to 84” in length only. This option does not include a tackboard.

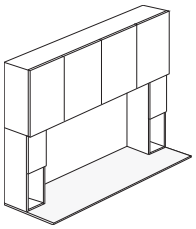
Locks are optional on wood hutch doors and can be specified at time of order for an upcharge of **$159 list per set** of (2) doors.

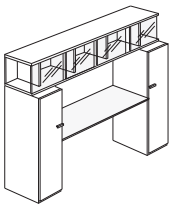


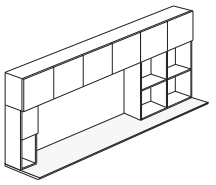


WORKWALL COMPONENTS | GUIDELINES
Unlike other Krug product lines, VESTRADA features the WorkWall as well as the traditional hutch.
WorkWalls are comprised of combination of overheads, worksurface piers and/or full height piers.
VESTRADA WorkWalls are available with an exceptional number of options and accommodate all standard credenza lengths.

THE BASICS
A WorkWall consists of 3 components: One Overhead and two storage Piers.
The Piers can either sit on the worksurface or extend to the floor.

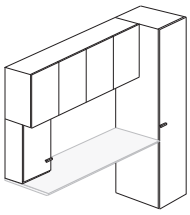


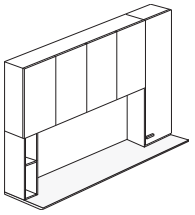




There are 3 types of WorkWalls. These types are determined by the way the Overhead Unit is supported.

NOTE: Shaded horizontal tops in the drawings above represent Credenza tops.

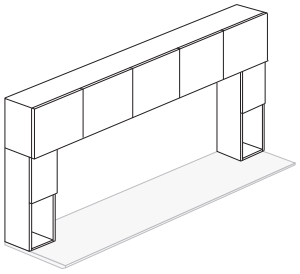


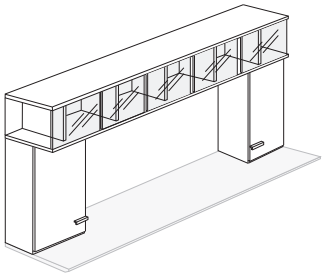


1. End supported WorkWalls*: Overhead is supported on both ends.

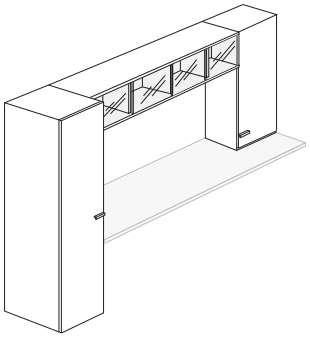
* WorkWalls that are End-Supported (as shown above) accommodate Paper Management Shelving.
2. Under supported WorkWalls: Overhead is supported from underneath on both ends.

3. Under and end supported WorkWalls: Overhead is under-supported on one side and end-supported on the other side.





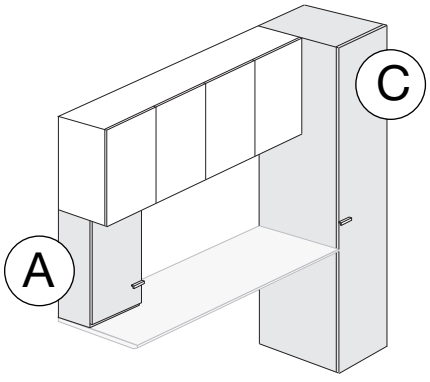
The following are guidelines to bear in mind when building a WorkWall from components.



PIERS

When supporting an Overhead in a WorkWall, there are some basic guidelines to follow:

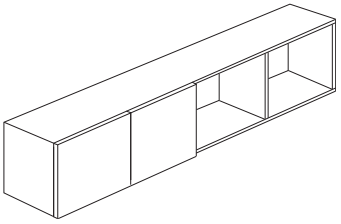
- Unless the Overhead is a Sliding Glass Door Overhead with open ends, any Overhead can be under-supported by 8” wide Piers as shown below/left.
- If the Overhead has open ends as shown below/center, it must be under-supported by a minimum of 16” wide Piers in order to sufficientl support the Overhead. Overheads with open ends can not be end-supported.
- 5 hi and 6 hi Storage Units can only be used as end-supporting Piers. 4 hi Storage Units can only be under-supporting.



As mentioned in THE BASICS section, the Pier can either end or under-support the Overhead in a WorkWall.

On page 243, you will have a selection of Piers to choose from. Once you have selected the style and options for your Piers, you will need to specify the designation for each Pier in order to indicate how you would like to support your WorkWall. For example, in the diagram shown below, we are showing a WorkWall that is both under and end-supported.
The codes for these designations are:

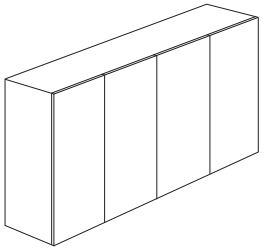
SUFFIXES FOR PIERS
LU – Left Pier / Under support
RU – Right Pier / Under support
LE – Left Pier / End support
RE – Right Pier / End support



In the example shown left the suffixes would be as follows

A : (Worksurface Pier) - LU Left Pier under support

C : (Storage Unit) - RE Right Pier end support



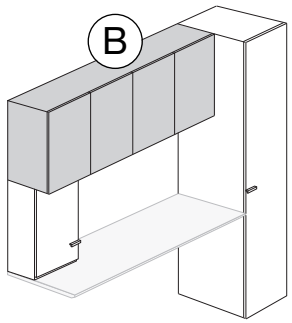
OVERHEADS
Overheads in this section are only to be used in WorkWalls with supporting Piers. For Wall Hung Overheads see page 235.

There are two different heights of Overheads in VESTRADA, single and double height.
Single height Overheads are available with the following options in wood or paint as shown on page 235:

- Hinged Doors
- Open
- Combination Open / Closed Hinged Doors
- Sliding Glass Door / Closed Ends
- Sliding Glass Door / Open Ends
- Aluminum Framed Glass Doors
- Combination Wood / Aluminum Framed Glass Doors

* Combination Sliding Glass / Open not available.

- Hinged Doors
- Aluminum Framed Glass Doors
- Combination Wood / Aluminum Framed Glass Doors



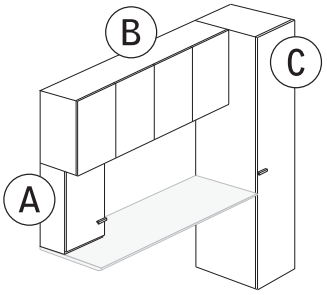
Therefore, Sliding Glass Doors are only available on single height Overheads, whereas Aluminum Framed Glass is available on single and double height Overheads.

As illustrated in the PIERS section, the user must indicate a suffix when ordering an Over-head for a WorkWall configuration. There is one exception to this: open ended Sliding Glass Door Overheads can only be under-supported by 16”or larger Piers.

For example, in the diagram shown below, we are showing a WorkWall with an Overhead that is both under and end-supported. The codes for all Overhead designations are:

SUFFIXES FOR OVERHEADS

LURU – Left Under and Right Under supported
LERE – Left End and Right End supported
LURE – Left Under and Right End supported
LERU – Left End and Right Under supported

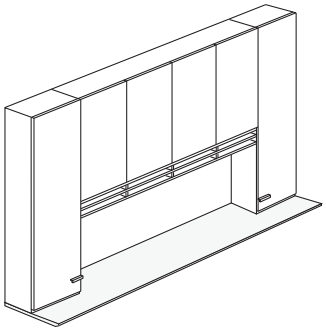


In the example shown left the suffixes would be as follows:

Ⓑ: (Overhead) - LURE Left Under supported / Right End supported

Piers and Overheads Summary

In conclusion, the suffixes for each component of the WorkWall line drawing are as follows:



A - Desk Top Pier	- LU	Left Under Support
B - Overhead	- LURE	Left Under supported/Right End supported
C - Full Height Pier Storage Unit	- RE	Right End support

OVERHEAD PAPER MANAGEMENT

Paper management in VESTRADA can be specified in 1 or 2 tier versions. The general guideline for paper management is that the overhead, for which the paper management is being specified, must be end-supported on both ends. To specify paper management for your WorkWall, the overhead for which the paper management is to be added must be designated. A “PM” in the model number denotes that the overhead will be machined to accept paper management.
For example, if the model number for the overhead being specified is 81OH-641628 and the user requires paper management (either 1 or 2 tier), the model number would change to: 81OH-641628PMLERE
It is not necessary to designate on the overhead model number whether a 1 or 2 tier paper management unit is required. The type of paper management used is to be specified in the tackboard, L.E.D. light model number
Depending on the size of WorkWall and location of piers and overheads, the paper management price will vary. For pricing on paper management options, please refer to the paper management upcharge/ sizing chart on page 242.

**The machining for paper management cannot be done in the field.

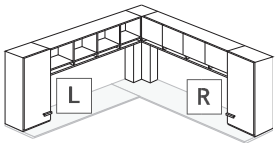
TACKBOARDS, L.E.D. LIGHTS AND PAPER MANAGEMENT SHELVING

Tackboards and L.E.D. lights need to be specified as a separate line item and are acknowledged separately on an order for WorkWall. A TBHL must be ordered to complete a WorkWall. The model number prefix for the tackboard, L.E.D. light is TBHL.

When paper management is to be added, it must also appear in the tackboard, L.E.D. light model number as they are all built as one part. The model number prefix for tackboard, L.E.D. light and paper management tiers are:
(a) 81TBHLPM1–(for one tier paper management)
(b) 81TBHLPM2–(for two tier paper management)

Depending on the size of WorkWall and location of piers and overheads, the 81TBHL price will vary. For pricing and model numbers, please refer to the TBHL pricing chart .

LINKWALLS

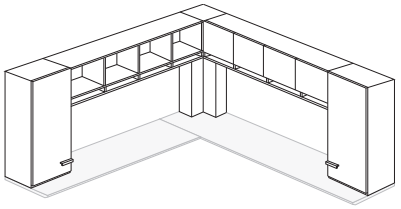


LinkWalls are WorkWall components that meet at a corner.
LinkWalls are comprised of two overheads that are end supported by a corner pier creating a corner solution.

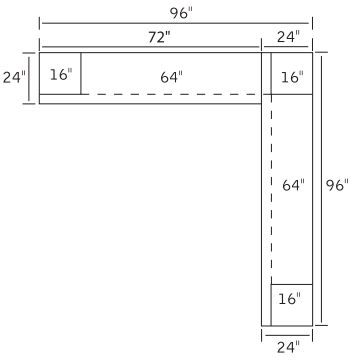
Please follow these steps to specify your LinkWall from WorkWall components:

STEP 1: Choose your left pier.
• Designate under or end-supporting.

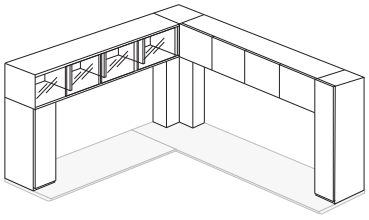
STEP 2: Choose your left overhead*
• Designate left end or under-supported.
• The right designation can only be end-supported.
• If specifying paper management add PM to overhead model number.
With paper management both sides must be end-supported.
*Sliding glass door overheads with open ends are not available in LinkWall configurations



STEP 3: Specify corner pier - model number 81PRC-161640
• If paper management** is required specify 1 or 2 tier by adding PM1 or PM2 to the end of the pier model number.
**The 1 or 2 tier paper management can only be ordered if used on both sides of the LinkWall.



STEP 4: Choose your right overhead*
• Designate end or under-supported.
• The left designation can only be end-supported.
• If specifying paper management add PM to overhead model number.
With paper management both sides must be end-supported.
*Sliding glass door overheads with open ends are not available in LinkWall configurations



STEP 5: Choose your right pier
• Designate under or end-supporting.

STEP 6: Specify tackboard - TBHL for both overheads
• Determine TBHL size.
If the overhead and piers are both end-supporting simply use the size of the overhead.
If a pier is under-supporting subtract the amount of the pier which sits underneath the overhead from the size of the overhead.
• If specifying paper management add PM1 or PM2 to TBHL model number and apply applicable upcharge to the price of the TBHL.

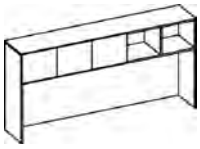
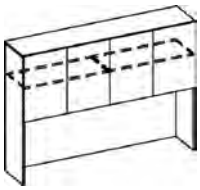
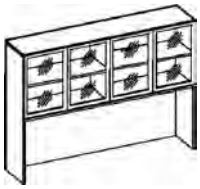
ORDERING NOTES:
Paper management shelving is not available on 88" and 96" wide hutches. 88" and 96" hutches come in two pieces. For paper management, please add PM1 or PM2 after the model number, e.g., 81HT801640PM1. Please see page 234. for upcharges. Specify a Voice/Power/Data module with any hutch by adding 'W' at the end of the model number and a **$264 list upcharge.** Hutches come standard with a Krug panel grade 1 fabric tackboard and L.E.D. lights. See page 234 for fabric upcharges. Locks are optional at an upcharge of **$159 list per set** of 2 doors. Locks are standard on all file and lateral file drawers. Glass door hutches are NOT available on KrugExpress. Locks are not available on glass door hutches.

ORDERING PROCEDURE
To order, please specify the following:
1) Krug product model number
2) Wood species and finish, see page 114
3) Pull style and finish, see page 116
4) V-Beam color, see page 117
5) Grommet location and style if applicable







* Indicates model illustrated by line drawing

CODE DESCRIPTION
G - matte Silver framed frosted glass doors
W - voice/power/data module
02 - two closed left, remainder open
04 - three closed left, remainder open
06 - four closed left, remainder open
PM - paper management (optional
HT - closed hinged door hutch
HT0 - open hutch
HTH0- combination open and closed hinged hutch
HUTCH- double height hinged closed/open hutch

STANDARD FINISHES
For a complete list of standard wood finishes please see page 114.

PAPER MANAGEMENT
For paper management, add PM1 or PM2 after hutch model number. Apply appropriate upcharge from page 234 to hutch.

TACKBOARDS
Hutches come standard with a Krug panel grade 1 fabric tackboard and L.E.D. lights. See page 234 for fabric upcharges.

For paper management, add PM1 or PM2 after hutch model number. Apply appropriate upcharge from page 248 to hutch.

VESTRADA | HUTCH, TACKBOARDS, PAPER MANAGEMENT PRICING

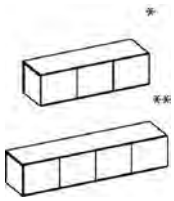
Tackboard upcharges for hutches.
Use this chart to find the upcha ge for tackboard fabrics graded 2–9 and add it to the cost of the hutch. FABRIC GRADES

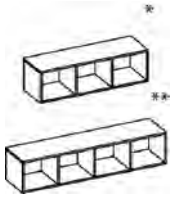
	2	3	4	5	6	7	8	9	com
64” hutch tackboard	184	396	396	777	962	1147	1333	1656	2
72” hutch tackboard	220	473	473	931	1150	1375	1598	1919	2.25
80” hutch tackboard	308	644	644	1262	1571	1879	2188	2586	2.5
88” hutch tackboard	349	722	722	1415	1764	2110	2455	2849	2.75
96” hutch tackboard	382	794	794	1556	1938	2322	2697	3132	3.00

On single piece hutches, the yardage requirement for two tackboards is the same as for one tackboard. Please keep this in mind when ordering more than one tackboard. For example, if the number of tackboards required is 7 and the COM requirement for 1 tackboard is 1.5 yards, the calculation for COM yardage is as follows: 4.5 yards are required for 6 tackboards + 1.5 yards for the 7th tackboard for a total of 6 yards. In the case of an even number of tackboards, divide the number of tackboards required by 2 and multiply that number by COM requirement on the chart.
The fabric must be at least 54” wide in order to qualify for this procedure. If the fabric is less than 54” wide, the COM yardage listed on the chart is the amount required for each tackboard.

* Palette Panel fabrics are Grade 3 fabrics.

A tackboard in grade 1 fabric is included in the price of the hutch.





Paper Management upcharges to be added to the price of the hutch.

Vanilla		Brick			

GRADED-IN UPHOLSTERY PROGRAMS

Krug has partnered with several textile brands to grade in their offerings, designed to provide a wide range of upholstery selections for our seating products.
Upholstery pricing and availability is subject to change without notice. We grade this upholstery according to the pricing of the fabric suppliers - when their pricing changes, the Krug grade may change. When placing an order, a Krug customer must specify the complete upholstery number, along with the appropriate Krug model number and finish. Krug will supply the complete product at the prices listed. Orders specifying graded-in upholstery cannot be cancelled once the upholstery has been ordered.

Upholstery Grades
To determine the price of a product for graded-in upholstery, use the reference lists located on Krug's website under - Products - Textiles, to view the upholstery grade (1-9). Krug is not responsible for the discontinuation of this upholstery. Please contact Customer Service for information on upholstery not listed.
When two upholstery selections are specified for use on seating, the higher grade upholstery price will apply to the order.

High Performance upholstery; Polyurethane, Vinyl or Crypton, is particularly suitable for healthcare and other intensive-use environments.

Upholstery Samples
If you require additional samples or memos for presentation, please contact fabric supplier directly.

Flammability Standards
- Tunnel Test Surface Ratings Class A rating
- Class 1 UFAC
- Passes State of California Technical Bulletin CAL 117-2013

Please contact fabric supplier directly for further flammability information pertaining to specific upholstery.

Special Conditions
Acknowledgements will give the estimated delivery date of the finished product. Some upholstery is imported, and availability may affect estimated delivery time. For large projects, please contact fabric supplier directly for availability of yardage.

TACKBOARD FABRICS

KRUG PANEL FABRIC PROGRAM
Tackboards can be upholstered in COM material supplied by the customer, and in a selection of stocked tackboard fabrics supplied by Momentum. The in-stock Momentum fabrics are priced at Grade 1 and are available on Krug Express. They are 100% polyester. For additional information and color selections, please refer to our Panel Fabrics card and Krug's website. www.krug.ca If memo samples are required please call Momentum at 1-800-366-6839. The Momentum panel fabrics pass ASTM-E84-87 Fire Codes.

KRUGEXPRESS

PROGRAM DETAILS
KrugExpress orders are ready to ship by the date acknowledged. Delivery and shipping schedules may result in actual shipping of orders at a later date. Statutory holidays and scheduled factory vacations may add to acknowledged lead times of KrugExpress orders. Unless otherwise specified on the order, the customer's standard method of shipping Krug products will be utilized. Available factory capacity for KrugExpress is filled by orders received on a "first come, first serve" basis. If the normal KrugExpress lead time is not available for your order because available capacity has been filled, you will be immediately advised of the earliest available ready-to-ship date. Please consult your Customer Service representative in advance if you wish to confirm the specific lead time availability for a KrugExpress order. Orders must be received by midnight of a given day for that day to be considered the official day the order is received. Order lead times are acknowledged from the date the order is received, but not including the date the order is received. KrugExpress orders must be "clean" when received in order to be considered officially received on a given day, and lead times will be acknowledged from the date orders are determined to be "clean". Changes to KrugExpress orders are not allowed under any circumstances. Orders for product on KrugExpress must clearly state: "KrugExpress". *Some conditions apply. Please note PALETTE finishes a e not available on KrugExpress.

CASEGOODS PROGRAM
Orders for casegood products on the KrugExpress program may be subject to quantity maximums. Please contact Krug Customer Service for more information. Quantity maximums are dependent upon available capacity, in order to insure that we ship all orders on time. Only actual casegood pieces and conference tables tops and bases are considered "units". Items such as tasklights, tackboards, keyboard trays and drawers, electrical and wire management components, etc., are not considered under the quantity restrictions. For example, a typical office configuration that includes a desk, linking unit, credenza and hutch/overhead, equals a total of four units for the purposes of the quantity maximum. Only Krug In-stock panel fabric is available on the KrugExpress program. Only standard wood finishes are available for KrugExpress orders. Grommets can be specified in standard positions only. KrugExpress also includes all Krug seating and occasional tables as well as Krug conference products to complement this casegoods offering.

CUSTOMER'S OWN MATERIAL - C.O.M.

Customer's Own Material (COM)
COM must be received three weeks prior to the acknowledged ship date. Orders with COM not received by the required deadline will be delayed.
A description of the fabric, including supplier name, fabric name and color number must be included with the purchase order. When the COM fabric is received at Krug, it must be clearly identified with the fabric name and color, and tagged with name of the Krug customer and purchase order number. Krug will inspect all COM fabric when received to determine if it will be suitable for upholstery. Where Krug feels that the fabric or leather specified will compromise the quality or integrity of our products, customers will be contacted to direct these concerns. Further, Krug reserves the right to refuse to accept and use any COM fabrics or leathers that will compromise our products in any way that is unacceptable to Krug. Krug cannot assume responsibility for the durability or tailoring quality of customer's own material.
Yardage specified in this price guide is app oximate. In the case of multiple product orders, multiply the number of items by the COM yardage specified to determine fabric required, unless otherwise indicated. Additional yardage may be needed if the material is less than 54" wide, or patterned or striped and requires matching. As fabric is applied horizontally, non-directional fabrics are recommended. COM fabrics are applied as they come off the roll unless otherwise specified. All striped fabrics will be applied vertically unless otherwise stated by the customer and after approval by Krug. It is the customer's responsibility to advise Krug if the upholstery is to be applied otherwise, and to advise Krug of any special upholstery instructions. Special instructions should be sent to Krug Customer Service, including a sample (or photocopy) of the fabric. Krug is not responsible for instructions sent with the fabric rolls, or for the method of upholstery if no instructions have -been provided. COM fabrics for tackboards may be specified in either Maharam or Momentum panel fabrics. Krug is not responsible for determining if a fabric is not ideal for tackboard application.
Please contact Maharam at 1-800-645-3943 or Momentum at

COM Shipping Procedures
For tackboard COM fabrics, please send fabrics to:
Krug Inc.
111 Ahrens Street
Kitchener, Ontario
Canada N2H 4C2
Attention: RECEIVER
All packages must be clearly marked "For Customs Clearance by Willson International Custom Brokers". According to the North American Free Trade Agreement (NAFTA), goods shipped between the United States and Canada can qualify for exemption from all duties, or for a reduction in duties, if the goods can be proven to originate in either the United States, Canada or Mexico.
Canada Customs requires that a NAFTA Certificate of Origin and Commercial Invoice be completed and sent with the fabric shipment. The Commercial Invoice must clearly state the description of the fabric, the selling price, the make-up or content, and the purchaser. The absence of these two documents will delay the shipments at the U.S./Canada border, thereby potentially delaying the customer order. If the total value of the shipment is less than $1200 U.S., Customs will accept a Low Value Statement of Origin in place of the NAFTA Certificate of Origin. The Low Value Statement must be signed by a representative of the exporting company. This statement may either be included on the commercial invoice or attached to the invoice.
Krug is happy to answer any questions or concerns about COM shipping procedures and the required documents. Please contact our Customs Specialist at 1.888.578.5784.

LAMINATES

LAMINATES
Krug's in-stock Laminates are available in 17 different laminate selections. Please note that 4 of the colors (Gingerbread, Portobello, Ash and Willow) have textured finishes and may not be appropriate for use in patient areas due to infection control concerns. Minimum order quantities and extended lead times may apply for exotic laminate colors, please check with customer service. Polymer Edge will be selected to match the worksurface. Krug's previous laminate in-stock program will be phased out as in-stock supply depletes. Please contact customer service for availability.

IN-STOCK LAMINATES

Wood Grain Laminates	High Pressure Laminate Supplier

GENERAL INFORMATION

Terms and Conditions
Net 30 days on approved credit. A late payment charge of 1% per month will be applied on overdue invoices. This charge will be pro-rated to the number of days past 30 days that the invoice is overdue. All applicable sales taxes are extra. Distribution of this price list does not in itself constitute an offer to sell. Orders can be received only from authorized Krug dealers. Acceptance of any order and terms of sale may be established at the discretion of Krug. Deposits are required on orders received from new accounts as well as on large or special orders. Krug reserves the right to discontinue designs, or to change designs, construction, prices, or materials without notice.

Customer Service Hours
Please note customer service hours are:
8:30 am to 5:00 pm est

Customer Satisfaction
It is the primary goal of Krug and our staff to ensure the complete satisfaction of our customers with our products and performance. If a problem arises with a Krug product after the expiration of the limited warranty period, Krug will exercise its best efforts to achieve the satisfaction of the customer in a manner that is fair to all concerned.

Order Acknowledgments
Each order will be acknowledged via e-mail or fax. This acknowledgments is the final agreement between Krug and the customer, superseding all previous communications regarding the purchase order. Where there is a discrepancy on a purchase order between a product code and a description, Krug will make every effort to resolve the discrepancy, but will be ruled by the product code ordered. Please check all acknowledgments for accuracy, and advise Krug of any discrepancies with a purchase order.

Order Cancellation
Krug reserves the right to not accept or allow cancellation of orders. All products are manufactured on a custom-made, make-to-order basis, and the purchasing, engineering and production of orders begins shortly after order placement - and the customer purchase order is a contract that authorizes Krug to manufacture the products. Acceptance of order cancellation (or partial cancellation) is solely at the discretion of Krug, and is dependent on the extent to which engineering, purchasing and manufacturing has been initiated by the time cancellation is requested. No order cancellations (partial or otherwise) are allowable more than 4 weeks from date of order placement (as order production is unable to be terminated by that point), and full payment of the acknowledged order value is required for any orders cancelled after 4 weeks. Cancellations may be allowable in less than 4 weeks after order placement, depending on the extent to which manufacturing has been initiated. An acceptance of order cancellation requires that the purchaser agrees to make payment for all costs incurred to the point of acceptance of cancellation. Cancellation charges include all costs for purchase of dedicated material and components, engineering costs for non-standard products, and all costs for manufacturing completed to that point, as well as a $367 net charge for processing of the original order and for processing of cancellation invoicing.

Pricing
Krug endeavors to ensure that all prices in this price list reflect accurately our current prices. However, errors do occur and will be rectified through notices to the field. Krug reserves the right to acknowledge pricing that may be different from the price list.

Warranty
Krug warrants the construction and the finish of all our products to be free from defects in materials and workmanship for a period of 10 years from the date of purchase. This warranty is applicable to products in use by their original purchaser. This warranty does not apply to components not manufactured by Krug including textiles, which are subject to the specific warranties of those manufacturers, if any. Textiles (fabric, leather, vinyl, or any other covering material) suppliers do not guarantee their products for durability and color fastness, and nor does Krug. Casters, mechanical and electrical components have a warranty of five years from the date of purchase. The Krug warranty does not apply to COM-specified materials, damage caused by a carrier other than Krug, or variation in wood finishes due to natural wood color variation. Krug cannot be held responsible for variations in fabric dye lots from order to order. All fabric is carefully inspected when it is received, but a degree of variation in color should be expected. Repairs or replacement of any defect covered under this warranty by Krug will be made, at our option and method, at no charge to the original purchaser during the warranty period. Krug's judgement is final and binding with respect to the nature or cause of defects or damage, and the necessity or manner of repair or replacement.

This warranty does not apply to defects or damage resulting from:
• normal wear and tear occurring with the use of the product
• negligence, misuse, excessive use, alteration, improper cleaning or repair
• substitution or use of incorrect or unauthorized components or material
• handling or installation that is incorrect, or that causes damage or defect
• damage incurred by a freight carrier other than Krug
• wearing of finishes and fabrics, and normal variations in materials (including dye lot variations)
• properties of natural materials, including wood and leather
• exposure to environments with uncontrolled temperature and humidity (products must be transported, stored and used in climate-controlled conditions)

Note, specific warranties for components and materials not manufactured by Krug:
Height Adjustable Mechanism Warranty
Krug warrants to the original consumer purchaser its Height Adjustable Mechanism that it will be free from defects in material and workmanship. This limited warranty covers material and manufacturing defects, which cause a non-conformance in the function of a table base and is limited to the following products and warranty term determined from their dates of purchase:
a) Electronic components such as control boxes, hand switches and motors – two (2) years
b) Mechanical components such as crank drives, spindles – five (5) years
c) Structural components such as J-channels, feet and top supports – ten (10) years.
The start of the warranty period is the documented date of your purchase of the product. The warranty herein is made to and for the benefit of the original consumer purchaser of the product and is non-transferable. If you discover a defect in material or workmanship during the warranty period, and Krug agrees that the defect exists, Krug will, at its option, repair or replace the Product at no charge to you, provided it is returned during the warranty period. In the unlikely event that your product should require repair or replacement during the warranty period, please contact Krug to obtain warranty service. The warranty period on replacement products is the remainder of the warranty on the original product or 30 days, whichever is longer.

Testing
All Krug Conference products meet or exceed the testing requirements of ANSI/BIFMA X5.5-2014 or X5.9-2012.

BIFMA INTERNATIONAL

Dimensions
Dimensions are in inches and approximate, and subject to change without notice. Contact Customer Service if dimensions are critical.

Installation Support
For assistance please contact Technical Support at 1-888-578-5784 x216 or e-mail installationhelp@krug.ca and you will be directed to the appropriate installation support person.

Storage Charges
Krug reserves the right to assess a nominal storage charge if a customer does not accept shipment of an order within a week of the ship date.

Export Packaging
Krug is pleased to provide the option for export packaging on all our products, to provide additional protection from damage. For shipments overseas, a quote for export packaging can be provided, based on the products to be ordered and the delivery destination - please contact Customer Service or Bids & Specification Support for more information and a quotation. KRUG is not responsible for shipment damage occurring on overseas shipments
Export Packaging is STRONGLY RECOMMENDED for:
(A) all shipments outside of the lower 48 states and Canada
(B) all shipments that will be held in storage for an extended period prior to installation. Important: Please note that Krug will not be responsible for damage claims on product shipped or stored in the above conditions where export packaging has not been utilized.
Please contact Customer Service for specifications or any other assistance regarding export packaging.

Freight Terms and Conditions
1. All product is shipped FOB the Krug factory. Freight is either pre-paid to the destination or not pre-paid, depending on established customer specific freight terms.
2. Docks at the selected delivery location must be equipped to handle a 53' trailer. If a dock is inadequate for delivery by Krug, Krug will re-deliver to another local location and any additional costs will be charged to the customer.
3. For all deliveries, it is understood that Krug or its agent is making a dock delivery only (equipped to handle a 53' trailer), and any further work of truck unloading, delivery beyond the dock, installation, and removal of packaging is not authorized or paid for by Krug.
4. Drop shipments to the installation site, and timed deliveries, are available on larger shipments (full truckloads or slightly less) at no additional charge. Drop shipments or timed deliveries for smaller shipments may not be available, or if available will require a surcharge. Deliveries on an after hours basis, or on weekends, or any other special requirements, may be subject to a surcharge. Location and contact information, and the requested time of delivery, is required at least one week prior to the acknowledged shipment date. If this information is not provided one week in advance, or if the location or time of the drop shipment is changed less than one week in advance, a surcharge may be applied, and/or the drop shipment may not be scheduled. For deliveries requested Monday to Thursday after 5:00 pm, please apply a surcharge of $275/shipment. For deliveries requested Monday to Friday before 7:00 am, please apply a surcharge of $275/shipment. For deliveries requested Friday (after 3:00 pm) or weekends, please apply a surcharge of $551/shipment. (local times).
5. For all deliveries - whether to the Customer location or drop shipment - any circumstances that result in the delay of our carrier (including unsuitable receiving facilities, or facilities not open or available), service charges will be applied at the rate of $131/hour. Where re-delivery is necessary because of these circumstances, the full cost of re-delivery will be charged. If Less Than Truck Load is delivering, one hour is allocated to unload. Any additional time required to unload after the first hour is $131/hour. If a Truck Load is delivering the order, three hours is allocated to unload. Any additional time required to unload is $131/hour. Direct deliveries to site for large orders are possible, (must exceed $60,000 net), and accommodate 48 - 53' trailers. Krug is responsible for delivery to the approved delivery address. If an address change is required, this must be authorized by Krug 5 business days prior to ship date. Any additional delivery costs incurred after this time will be charged to the customer.

Damaged Shipments
All Krug product is well engineered, carefully inspected, and expertly loaded onto our trucks at our Distribution Center. If you receive any damaged freight, we ask that you do not refuse the shipment. Krug is not responsible for damage to goods that occurs in transit or storage. It is the purchaser and/or receiver's responsibility to examine the goods upon receipt and to notify Krug of any damages, overages or shortages. Any discrepancies should be noted on the Bill of Lading. The delivering carrier will not accept responsibility for shortages or damages if signed "clear". Notification of concealed damage claims must be made to Krug Distribution within 5 days of delivery, along with digital pictures if available. All product and packaging must be available for inspection. Krug liability ceases after 5 business days and Krug will not be responsible for concealed damages if shipments are left unopened.Krug is not responsible for the condition of product that is stored or installed in an environment where temperature and humidity are not controlled.

Field Product Report Authorization
Krug's written authorization, in the form of an FPR number, must be obtained prior to incurring charges of any kind if Krug is expected to pay these charges. This includes authorization for returns, field repairs and replacements, post field repairs, installation and delivery charges. Krug reserves the right to have its representative inspect product related to any request for such authorizations, prior to that authorization being provided. Deductions from invoices paid for any charges to Krug, without prior written authorization in the form of an FPR, will not be accepted. Digital photographs may be required to complete the FPR process.

Care and Maintenance
Wood Finishes - Although Krug's extensive finishing process ensures a durable finish on all our products, there are several steps that can be taken to protect and prolong the life and beauty of the finish. Protect the top by placing felt pads on the bottom of any accessories and mechanical equipment. Rubber and oil will permanently mark surfaces. Use a desk pad to prevent possible damage and imprinting caused by writing instruments and sharp objects. Dust only with a clean, dry cloth, going with the grain. Clean any marks with a damp cloth, using a small quantity of mild soap or detergent. Do not use any wax-based polish, spray or silicone. Eventually, a film will build up and discolor the top. Do not place your furniture in a position of permanent exposure to direct sunlight.
Plastic Laminates - Clean plastic laminates with mild soap and warm water. Do not use steel wool, hot water, or any abrasive cleaning product.

Custom Capabilities
Over 15% of our orders involve some type of custom work, and we invite our customers to make use of our extensive capabilities. These include:
1) Dimensional customization of standard size products
2) Custom wood finishes
3) For larger orders, completely custom-designed products, as well as non-standard wood species can be specified.
Custom orders may require additional production lead times.
Contact Customer Service for more information.

Krug Panel Fabric Program
Tackboards can be upholstered in COM material supplied by the customer, and in a selection of stocked tackboard fabrics supplied by Momentum. The Momentum Panel fabrics are available on Krug Express. They are 100% polyester. For additional information and color selections, please refer to our Panel Fabrics card and Krug's website. www.krug.ca The Momentum panel fabrics pass ASTM-E84-87 Fire Codes. If memo samples are required please call Momentum at 1-800-366-6839.

***KrugExpress* Program Details**
KrugExpress orders are ready to ship by the date acknowledged. Delivery and shipping schedules may result in actual shipping of orders at a later date. Statutory holidays and scheduled factory vacations may add to acknowledged lead times of *KrugExpress* orders. Unless otherwise specified on the order, the customer's standard method of shipping Krug products will be utilized. Available factory capacity for *KrugExpress* is filled by orders received on a "first come, first serve" basis. If the normal *KrugExpress* lead time is not available for your order because available capacity has been filled, you will be immediately advised of the earliest available ready-to-ship date. Please consult your Customer Service representative in advance if you wish to confirm the specific lead time availability for a *KrugExpress* order. Orders must be received by midnight of a given day for that day to be considered the official day the order is received. Order lead times are acknowledged from the date the order is received, but not including the date the order is received.
KrugExpress orders must be "clean" when received in order to be considered officially received on a given day, and lead times will be acknowledged from the date orders are determined to be "clean". Changes to *KrugExpress* orders are not allowed under any circumstances. Orders for product on *KrugExpress* must clearly state: "*KrugExpress*".

CUSTOM PRICING METHODS

CUSTOM PRICING METHODS
Custom widths: Apply the price that is one standard size larger than the desired case size (but same depth).
Example: The required custom dimension is 74” x 30”. The first standard size above this is 78” x 30”, so in this case you would apply the price of the 78” x 30” unit.

Custom depths: Apply the price of the same unit one size deeper (but same width).
Example: The required custom dimension is 72” x 26”. The first standard size above this is 72” x 30”, so in this case you would apply the price of the 72” x 30” unit.

Custom width & depth: Apply the price of the same unit both one size wider and one size deeper.
Example: The required custom dimension is 74” x 26”. The first standard size above this is 84” x 30”, so in this case you would apply the price of the 84” x 30” unit.

Custom height of desk height cases: Add 18% (31-32” hi)

Grommets in non-standard positions, add: $159 list
To remove hutch or overhead doors, deduct: 4% list
Convert 5-hi hutch to 6-hi hutch, add: 20%
Bookcases with optional pull out printer shelf at standard shelf height, add: $249 List
Bookcase with optional vent in back (includes 2 vents and 1 grommet), add: $317 list
Cases where tops are flush left/right or both, add $126 list
Storage units flush, add: $208 list
2 lateral files and 3 or 4 closed shelves - convert to half open, half closed shelves,add: 15%
2 lateral files and 3 or 4 closed shelves - convert to half open, half wardrobe, add: 15%
To remove storage doors for open shelves, deduct: 4%

EXCEPTIONS TO THE PRICING METHODS ABOVE
Sizes larger than the largest shown Price List.
Non-standard extension on drawer slides.
Non-standard drawer depths in standard depth pedestals.
Glass door - any style.
Glass - face mounted modesty panels.
Perforated modesty panels.
Cases with curvilinear tops where the radius becomes non-standard.
A/V cabinets.
Any case with flipper doors

PLEASE NOTE: Cases with non-standard features do not apply to the rules above.
Contact Krug Customer Service if you require assistance.

KRUG*EXPRESS* CASEGOODS

CASEGOODS PROGRAM DETAILS*
*(In addition to previous page)
Orders for casegood products on the KrugExpress program may be subject to quantity maximums. Please contact Krug Customer Service for more information. Quantity maximums are dependent upon available capacity, in order to insure that we ship all orders on time. Only actual casegood pieces and conference tables tops and bases are considered “units”. Items such as tasklights, tackboards, keyboard trays and drawers, electrical and wire management components, etc., are not considered under the quantity restrictions.

For example, a typical office configuration that includes a desk, linking unit, credenza and hutch/overhead, equals a total of four units for the purposes of the quantity maximum. Only Krug In-stock panel fabric is available on the KrugExpress program. Only standard wood finishes are available for KrugExpress orders. Grommets can be specified in standard positions only. KrugExpress also includes all Krug seating and occasional tables as well as Krug conference products to complement this casegoods offering. Please note PALETTE finishes are not available on KrugExpress.

KRUG PANEL FABRIC PROGRAM

Tackboards can be upholstered in COM material supplied by the customer, and in a selection of stocked tackboard fabrics supplied by Momentum. The in-stock Momentum fabrics are priced at Grade 1 and are available on Krug Express. They are 100% polyester. For additional information and color selections, please refer to our Panel Fabrics card and Krug's website. www.krug.ca If memo samples are required please call Momentum at 1-800-366-6839. The Momentum panel fabrics pass ASTM-E84-87 Fire Codes.

CUSTOMER'S OWN MATERIAL - C.O.M.

Customer's Own Material (COM)

COM must be received three weeks prior to the acknowledged ship date. Orders with COM not received by the required deadline will be delayed.

A description of the fabric, including supplier name, fabric name and color number must be included with the purchase order. When the COM fabric is received at Krug, it must be clearly identified with the fabric name and color, and tagged with name of the Krug customer and purchase order number. Krug will inspect all COM fabric when received to determine if it will be suitable for upholstery. Where Krug feels that the fabric or leather specified will compromise the quality or integrity of our products, customers will be contacted to direct these concerns. Further, Krug reserves the right to refuse to accept and use any COM fabrics or leathers that will compromise our products in any way that is unacceptable to Krug. Krug cannot assume responsibility for the durability or tailoring quality of customer's own material. Yardage specified in this price guide is approximate. In the case of multiple product orders, multiply the number of items by the COM yardage specified to determine fabric required, unless otherwise indicated. Additional yardage may be needed if the material is less than 54" wide, or patterned or striped and requires matching. As fabric is applied horizontally, non-directional fabrics are recommended. COM fabrics are applied as they come off the roll unless otherwise specified. All striped fabrics will be applied vertically unless otherwise stated by the customer and after approval by Krug. It is the customer's responsibility to advise Krug if the upholstery is to be applied otherwise, and to advise Krug of any special upholstery instructions. Special instructions should be sent to Krug Customer Service, including a sample (or photocopy) of the fabric. Krug is not responsible for instructions sent with the fabric rolls, or for the method of upholstery if no instructions have been provided. COM fabrics for tackboards may be specified in either Maharam or Momentum panel fabrics. Krug is not responsible for determining if a fabric is not ideal for tackboard application.

Please contact Maharam at 1-800-645-3943 or Momentum at

COM Shipping Procedures

For tackboard COM fabrics, please send fabrics to:
Krug Inc.
111 Ahrens Street
Kitchener, Ontario
Canada N2H 4C2
Attention: RECEIVER

All packages must be clearly marked "For Customs Clearance by Willson International Custom Brokers". According to the North American Free Trade Agreement (NAFTA), goods shipped between the United States and Canada can qualify for exemption from all duties, or for a reduction in duties, if the goods can be proven to originate in either the United States, Canada or Mexico. Canada Customs requires that a NAFTA Certificate of Origin and a Commercial Invoice be completed and sent with the fabric shipment. The Commercial Invoice must clearly state the description of the fabric, the selling price, the make-up or content, and the purchaser. The absence of these two documents will delay the shipments at the U.S./Canada border, thereby potentially delaying the customer order. If the total value of the shipment is less than $1200 U.S., Customs will accept a Low Value Statement of Origin in place of the NAFTA Certificate of Origin. The Low Value Statement must be signed by a representative of the exporting company. This statement may either be included on the commercial invoice or attached to the invoice. Krug is happy to answer any questions or concerns about COM shipping procedures and the required documents. Please contact our Customs Specialist at 1.888.578.5784.

GRADED-IN UPHOLSTERY PROGRAMS

Krug has partnered with several textile brands to grade in their offerings, designed to provide a wide range of upholstery selections for our seating products.

Upholstery pricing and availability is subject to change without notice. We grade this upholstery according to the pricing of the fabric suppliers - when their pricing changes, the Krug grade may change. When placing an order, a Krug customer must specify the complete upholstery number, along with the appropriate Krug model number and finish. Krug will supply the complete product at the prices listed. Orders specifying graded-in upholstery cannot be cancelled once the upholstery has been ordered.

Upholstery Grades

To determine the price of a product for graded-in upholstery, use the reference lists located on Krug's website under - Resources, to view the upholstery. Krug is not responsible for the discontinuation of this upholstery. Please contact Customer Service for information on upholstery not listed.

When two upholstery selections are specified for use on seating, the higher grade upholstery price will apply to the order.

High Performance upholstery; Polyurethane, Vinyl or Crypton, is particularly suitable for healthcare and other intensive-use environments.

Upholstery Samples

If you require additional samples or memos for presentation, please contact fabric supplier directly.

Flammability Standards

- Tunnel Test Surface Ratings Class A rating
- Class 1 UFAC
- Passes State of California Technical Bulletin CAL 117-2013

Please contact fabric supplier directly for further flammability information pertaining to specific upholstery.

Special Conditions

Acknowledgements will give the estimated delivery date of the finished product. Some upholstery is imported, and availability may affect estimated delivery time. For large projects, please contact fabric supplier directly for availability of yardage.

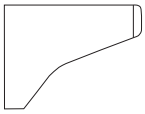
level® CERTIFICATION

BIFMA's e3 Furniture Sustainability Standard is a voluntary, multi-attribute standard that measures the degree of sustainability of furniture. This standard evaluates product and company environmental attributes and compliance systems in a wide range of elements which include Materials, Energy & Atmosphere, Human & Ecosystem Health and Social Responsibility. Nuvo products have earned level®, BIFMA's sustainability certification program for furniture, certification through third-party verification against the e3 standard. All Nuvo products can be supplied with level® certification. In order to accomplish this, the product must also be ordered with the air-emissions-certification option. Contact customer service for information and upcharges.

AIR-EMISSIONS

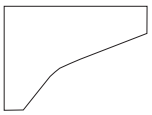
All Nuvo products can be supplied with air-emissions-certified materials. Contact customer service for information and upcharges.

FSC
www.fsc.org
FSC® C021699
he mark of responsible forestı



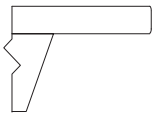
FSC®

FSC® In 2005, Krug received Forest Stewardship Council® (FSC®) Chain-of-Custody certification for our manufacturing facilities. The FSC® Chain-of-Custody tracks certified wood from seedling to final sale. It verifies that the material for our FSC® certified products only come from well-managed, FSC®-certified forests and other controlled sources. FSC® is dedicated to the promotion of responsible forest management worldwide helping to take care of forests for future generations. Nuvo and other Krug products can be specified with FSC® Certification. Contact customer service for further information, pricing and lead times..



In addition, architects, designers, and building professionals can specify FSC®-certified products in order to achieve a point from the US. Green Building Council's Leadership in Energy and Environmental Design (LEED) Rating System.

NUVO | FEATURES & OPTIONS



TOPS
Nuvo Conference products offers 8 table top shapes in 6 veneer species in addition to 13 wood grain, 4 solid laminate selections. Veneered tops are 1 1/2" thick veneered fiberboard MDF core and backer material, with a 1/8" wood edge. Laminate tops are 1 1/2" thick with fiberboard MDF core and backer material, with a PVC edge. Conference tops are available with these profiles.

Edge profile for wood tops Knife Edge

Edge profile for laminate tops

Edge profile for glass tops

BASES
All bases are shipped separately and require assembly to support beams and/or tops.
All wood bases, with the exception of panel bases, offer large interior cavities for cable routing and allow for total concealment of wiring when floor monuments are located underneath. Bases are equipped with removable panels which make access to the interior quick and easy.
Refer to the base requirements chart on page 60 to select the appropriate bases and sizes for conference tables.
Formed Metal Bases are available in Matte Chrome finish.
Base plates are available in a choice of Wood, Palette, Laminate or Gloss Aluminum finish.

CONSOLES
Consoles are available in 14", 27", 36", 42" and 50" lengths, and can be located within a top section or across a seam. Consoles located within a table section will be factory installed. Consoles located across the seam are ordered by a separate model number and will be shipped as a separate item for field installation. The console access cover allows wiring to pass through to the console module from all sides. The console access cover can be operated from either side of the table for easy access to the console module and opens to a 95° angle from the top of the table. Console access covers are available in Gloss Aluminum with Polished Chrome end bezels.

CONSOLE POWER/DATA/MEDIA MODULES
Console power/data/media modules are available in 18 preconfigured options or can be customized by adding plate-mounted or snap-in data ports to any of the 4 standard power modules. The number of console modules per console is dependent on the console size; 1 unit in 14" lengths, 2 units in 27" and 36" lengths, and 3 units in 42" and 50" lengths. Console power modules are available in three cord lengths (6', 16' and 25'). A utility outlet is available in some console module models for connecting power within a table. Up to 10 duplex receptacles can be connected to one electrical circuit. Faceplates, duplex receptacles and data components are white.

SUPPORT BEAMS
Aluminum support beams provide strength and support to the conference tops. Support beams are field installed onto the bases allowing for top-on-last installation for all base styles except the formed metal base. Powder coated steel trough pans located between the support beams accommodate under-surface cable management and runs cables to interior base cavities to access floor monuments.

SEATING CAPACITY
To establish seating capacity, an outside chair dimension of 24" has been used for this price guide, plus an allowance of 5" between chairs, for a total of 29". This is an approximation only. When using another chair, particularly seating with a 5 prong caster base, be sure to adjust the approximate seating capacity accordingly. Since not all manufacturers use the same formula, when seating capacity is in question, please contact Krug Customer Service to review the specific seating that is being used with Nuvo Conference Tables.

VENEER
Veneers available are Rift White Oak, Quarter Cut Maple, Cherry, Walnut.

FINISH
A five step catalyzed varnish finish that when dry has a sheen value of 32°, is applied to all tables, bases and cases. A lower sheen topcoat, 20°, can also be specified, at standard pricing. All purchase orders must clearly note "lower sheen finish" in order to receive this optional selection. All finished surfaces are well sanded before applying finishing materials. The procedure begins by applying a base color via an NGR stain. A wash coat follows to further enhance the color. Next is the glazing process, which provides the 3rd color step and fills the pores of the wood. A sealer coat is then applied, twice to the horizontal worksurfaces to enhance the finish. The product is then scuff sanded to prepare for the top coat. The top coat is a catalyzed varnish that when dry has a sheen value of 32°. Krug's catalyzed varnish has been tested to be one of the industry's most durable and long lasting. Custom finishes are available at an upcharge of 10% list per unit.

GLASS SURFACES
Nuvo conference tops are available in white back-painted 10mm tempered glass. Please contact customer service for additional color selections available at no upcharge. Color options also on website.

SOLID SURFACES
Solid Surface tops are available on conference tops. The solid surface standard top option is white, with additional colors available upon request. Solid surfaces are composed of minerals, acrylic resins that are non-porous and stain, scratch and dent resistant. Color is throughout the material, so surface scratches are not as visible. Please contact customer service with specifications for a quote.

GLIDES
Wood bases feature adjustable glides 1 ½" long and allow for a range of adjustment of ¾". Metal bases have ½" glides.

MICROPHONE CUT OUTS
Microphone cut outs are available for **$397 list** per table for up to 7 microphone cutouts. For Back-Painted Glass tops add an additional **$126 list** per cut-out.

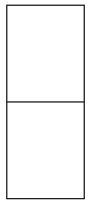
HOW TO SPECIFY NUVO

1) Specify table top shape, size, model number and top material. For wood and laminate tops see page 9, for Back-Painted Glass see page 36.
2) Select base shape, size and model number using Base Requirements chart on page 60.
3) Specify console location (end sections, middle sections or across the seam) and size option. For wood top see page 15, for Back-Painted Glass see page 40.
4) Cross seam console model number, where applicable. For wood top see page 15 for Back-Painted Glass see page 41.
   Please note: Across seam consoles are field installed and have a separate model number.
5) Specify Console Power module options. Preconfigured Console Modules, see page 49. Custom Console Modules, see page 53.
6) Add plate-mounted data or snap-in data options to custom module, see port options on page 49.

Purchase orders must include:

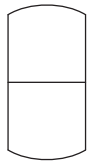
- Wood Species and Finish
- Base Plates - Gloss Aluminum, Palette, Laminate or Wood

LAMINATE WORKSURFACES



Laminate is available on all Nuvo Conference Tops; refer to Krug's standard laminate program on page 363. Krug will order and procure laminates. Purchase orders with a plastic laminate option must include Laminate Name.

Krug reserves the right to decline a laminate that may not be suitable for the application. Krug assumes no responsibility for durability or consistent color. The number of sections on 48" wide Laminate tops, on some table sizes, are different than the same size wood top. This is due to the size of laminates available. See table sections column on pages 25. Please note the grain direction of wood grain laminates will run lengthwise on 1 piece tops and crosswise on multiple piece tables. The grain direction of wood grain laminate will run horizontal on the backs of credenzas and buffets.



CUSTOM SIZING

Custom sizing and additional customization is available on Nuvo Conference Tables. Tops may be ordered with a reduced number of sections at an upcharge. For more information or to obtain quotations, please contact Customer Service.

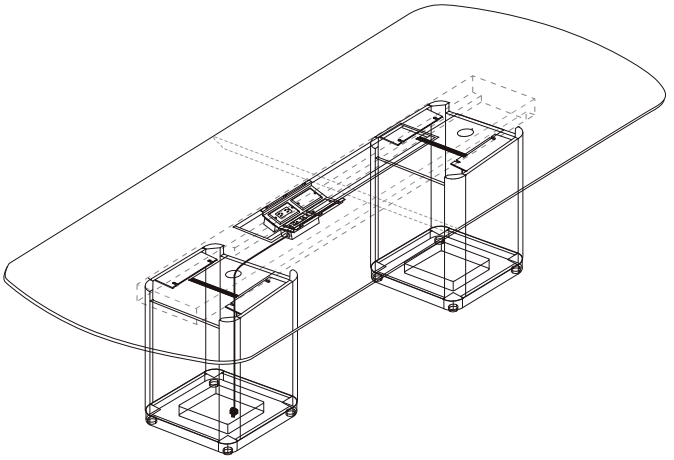
Nuvo conference tables may be specified with Square Corners in all shapes with rounded corners. To order these additional configurations, please replace the standard model number with the number listed: Rectangular = 5101, Arc End = 5106, Boat Shape-Straight End = 5104, Boat Shape-Arc End = 5154, Visio-Straight End = 5108, Visio-Arc End = 5158, Arc Square = 5156. Pricing for tops with square corners is the same as standard tops.

TESTING

All products have been tested in accordance with ANSI/BIFMA X5.5-2014 or X5.9-2012.

BIFMA INTERNATIONAL

NUVO | POWER MANAGEMENT



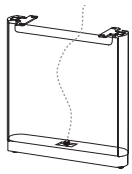
All Nuvo Conference tables feature cable management capabilities for routing cables between the floor monuments and the consoles that provide voice/power/data/media connections.

Support beams connect the bases and provide additional support for the conference top. Support beams enable top-on-last assembly of the tables - this shortens the installation time, requires fewer installers, and helps to prevent damage to table tops. Data cables can be connected to the power/data modules and dropped into the base and connected to the source prior to the installation of the top. After the top is installed, the power modules are bolted into the threaded inserts in the top. Cable troughs located between the support beams offer generous space for cable management and are supplied with grommets to allow for cables to pass through to the base interior cavities.

Bases feature sizable cutouts at the bottom, providing access to floor monuments. With the exception of Panel and Formed Metal Bases, bases allow for total concealment of wiring when floor monuments are located underneath. Access doors are provided on the inward-facing vertical side of the bases, providing quick access to cabling in the interior. Formed Metal bases are available with an external cable management system and cables are run to the floor using a Metal Cable Manager or Spine Cable Manager.

The Console modules are housed within the support beam and provide power and communications connectivity. Console modules utilize UL standard receptacle outlets. Console modules are available in 18 pre-configured configurations, or can be custom-configured in unique configurations - or alternatively can be specified with blank ports, so customers can purchase and insert their own outlets. Console modules also can be designed and built specifically to meet your connectivity needs by using the Snap-in or Plate mounted port options. Console modules are available with three electrical cord lengths (6', 16', and 25'). Console modules with a utility outlet will allow units to be linked together to a maximum of 10 duplex receptacles per circuit. The number of console modules is dependent on the console size; 1 unit in 14" lengths, 2 units in 27" and 36" lengths, and 3 units in 42" and 50" lengths.

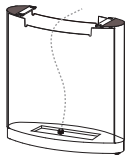
Consoles are available in 14", 27", 36", 42" and 50" lengths, and can be located within a top section, or can span top section seams. The console access cover allows wiring to pass through to the console module from all sides. Console access covers are operated from either side of the table for easy access to the console module and open to a 95° angle from the top of the table. Console access covers are available in a Gloss Aluminum finish with polished chrome end bezel. There are some limitations in glass, please see page 41.



SUPPORT BEAMS & CABLE TROUGH

CONSOLE MODULE

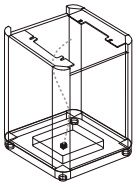
Panel Base



Base Size — Base Floor Monument Cut Out Dimension

Note: Panel bases will not completely conceal floor monuments.
Panel bases have 2 cable access panels

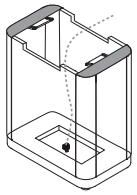
21” x 3”	4” X 1.5”
25” x 3”	4” X 1.5”
31” x 3”	4” X 1.5”



Oval Base

Oval bases have 2 cable access panels16” x 16”

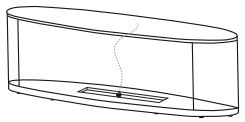
21” x 8”	12” X 5”
25” x 10”	12” X 6.5”
31” x 12”	12” X 9.5”



Square Base

Square bases have 1 cable access panel

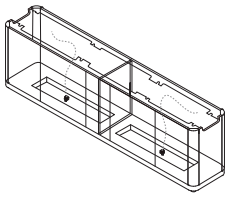
16”x16”	6.25” X 6.25”
20” x 20”	9.5” X 9.5”
24” x 24”	14.5” X 14.5”
30” x 30”	20.5” X 20.5”



Rectangular Base

Rectangular bases have 1 cable access panel

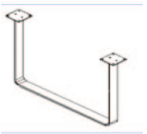
21” x 12”	15” X 6”
25” x 12”	19” X 6”
31” x 12”	25” X 6”



Oval Island Base

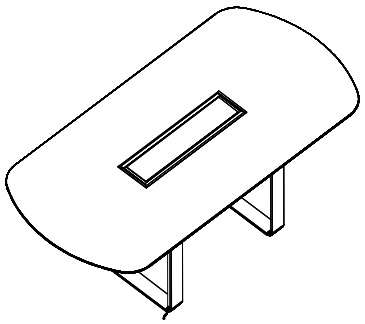
Oval Island bases have 2 cable access panels

18” x 47”	10” X 20”
18” x 71”	(2) 6 X 11 (1) 6 X 15
24” x 71”	13 X 33
24” x 95”	(2) 13 X 12 (1) 13 X 26
24” x 107”	(2) 13 X 17 (1) 13 X 33



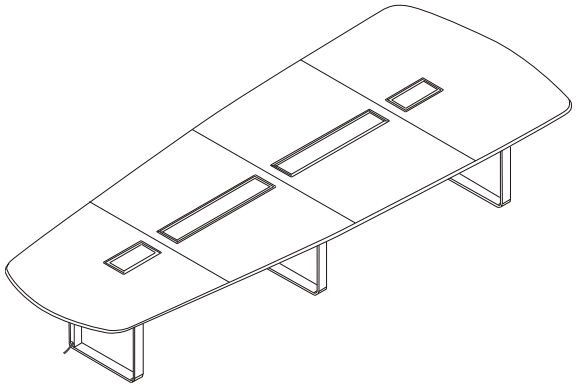
Rectangular Island Base

Rectangular Island bases have 1, 2 or 3 cable access panels depending on base size



18” x 27”	9” X 9”
18” x 39”	9” X 22”
18” x 63”	9” X 29”
18” x 99”	(2) 9” X 33”
18” x 123	(2) 9” X 43”
18” x 171	(4) 8” X 34”
24” x 63”	11” X 29”
24” x 99”	(2) 11” X 33”
24” x 123”	(2) 11” X 43”
24” x 171”	(4) 11” X 34”
24” x 219”	(3) 11” X 40”

Formed Metal Base



NOTE: Formed Metal bases do not feature an interior cavity. Formed Metal bases have external cable management systems allowing cables to run to the floor monument. See page 60 for model numbers and cable management options. Overall table height is 29.5”

NOTE: Support Beams are included in top price. An additional line item for the support beam will be included on the order acknowledgment at no charge.

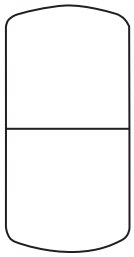
RECTANGULAR - SQUARE CORNER TOPS:
Rectangular tops with square corners are available. Replace the model prefix with **5101**. e.g. **5161**14448 becomes **5101**14448 Pricing is the same as standard tops.

LAMINATE TABLE SECTIONS:
The number in brackets under table sections, refers to the number of sections when ordering laminate tops, if different than the number of sections for the same size wood top. Please note the grain direction of wood grain laminates will run lengthwise on 1 piece tops and crosswise on multiple piece table tops.

ORDERING PROCEDURES
To order, please specify the following:
1) Table top shape, size, model number and wood species
2) Base model number
3) Console location and size option
4) Cross seam console model number, where applicable
5) Console power module and data options

DIMENSION KEY
L - length
W - Width
Dimensions are in inches and approximate.
Contact Customer Service if dimensions are critical.

STANDARD FINISHES
For a complete list of standard wood finishes, please see page 363



BASE REQUIREMENTS
See page 60 for base requirements

CONSOLE SIZE & LOCATIONS
For information on Console locations and size options, see page 15 for wood and page 25 for laminate.

CONSOLE POWER/DATA MODULE OPTIONS
See page 49 for Console Module Options

TABLE SECTION SIZE
Section sizes can be calculated by dividing the table length by the # of sections

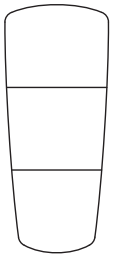
	51642886048	23818	26200	288	60/48	6	22	704	36

NOTE: Support Beams are included in top price. An additional line item for the support beam will be included on the order acknowledgment at no charge.



BOAT SHAPE - ARC END, SQUARE CORNERS:
Boat Shape tops are available with Arc ends and Square corners. For Arc End, Square Corner tops replace model suffix with **5154**. e.g. **5164**1204842 becomes **5154**1204842. Pricing is the same as standard tops.

BOAT SHAPE - STRAIGHT END, SQUARE CORNERS:
Boat Shape tops are available with Straight ends and square corners. For Straight End, Square Corner tops replace model suffix with **5104**. e.g. **5164**1204842 becomes **5104**1204842. Pricing is the same as standard tops.

LAMINATE TABLE SECTIONS:
The number in brackets under table sections, refers to the number of sections when ordering laminate tops, if different than the number of sections for the same size wood top. Please note the grain direction of wood grain laminates will run lengthwise on 1 piece tops and crosswise on multiple piece table tops.

SEATING CAPACITY:
The number in brackets is the seating capacity when formed metal legs are used if different than the seating capacity when other bases are used.

Visio - Arc End Rounded Corners	51681206042	10038	11039	120	60/42	3	8	268	15
	51681446042*	13737	15108	144	60/42	3	10	323	18

	51682407642	18383	20221	240	76/42	5	19	651	38

NOTE: Support Beams are included in top price. An additional line item for the support beam will be included on the order acknowledgment at no charge.

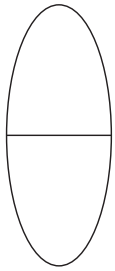
VISIO - ARC END, SQUARE CORNERS:
Visio Shape Tops with Arc Ends are available with square corners. For Arc End-Square corners, replace the model suffix with **5158**. e.g. **5168**1446042 becomes **5158**1446042. Pricing is the same as standard tops.

VISIO - STRAIGHT END, SQUARE CORNERS:
Visio Shape Tops with Straight Ends are available with square corners. For Arc Straight End-Square corners, replace the model suffix with **5108**. e.g. **5168**1446042 becomes **5108**1446042. Pricing is the same as standard tops.

ORDERING PROCEDURES
To order, please specify the following:
1) Table top shape, size, model number and wood species
2) Base model number
3) Console location and size option
4) Cross seam console model number, where applicable
5) Console power module and data options

DIMENSION KEY
L - Length
W - Width
Dimensions are in inches and approximate.
Contact Customer Service if dimensions are critical.

STANDARD FINISHES
For a complete list of standard wood finishes, please see page 363



BASE REQUIREMENTS
See page 60 for base requirements

CONSOLE SIZE & LOCATIONS
For information on Console locations and size options, see page 15 for wood and page 25 for laminate.

CONSOLE POWER/DATA MODULE OPTIONS
See page 49 for Console Module Options

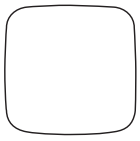


TABLE SECTION SIZE
Section sizes can be calculated by dividing the table length by the # of sections

NUVO | OVAL, ARCED SQUARE & ROUND CONFERENCE TOPS

L - Length
W - Width
D - Depth
H - Height

Dimensions are in inches and approximate.
Contact Customer Service if dimensions are critical.

STANDARD FINISHES
For a complete list of standard wood finishes, please see page 363

BASE REQUIREMENTS
See page 60 for base requirements

CONSOLE SIZE & LOCATIONS
For information on Console locations and size options, see page 15 for wood and page 25 for laminate.

CONSOLE POWER/DATA MODULE OPTIONS
See page 49 for Console Module Options

TABLE SECTION SIZE
Section sizes can be calculated by dividing the table length by the # of sections

NUVO | CONSOLE PLANNING FOR WOOD TOPS

CONSOLE ORDERING CODE (WITHIN THE TABLE SECTION - 4 CHARACTER CODE)

1st character specifies top sections from left to right on table: A, B, C, D, E, F

2nd character specifies console location within top section: M, I, L, R

M- Middle of top on one piece table

M- Middle of top section on multi section table

I - Inset 3” from seam on end sections

L- Left side of a one piece top

R- Right side of a one piece top

3rd and 4th characters specify console size: 14, 27, 36, 42, 50

Examples:

Table Size: 96” x 36”

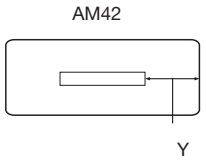

Table Size: 168” x 48”

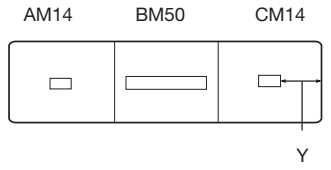

Table Size: 96 “x 36”

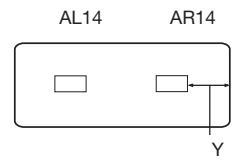

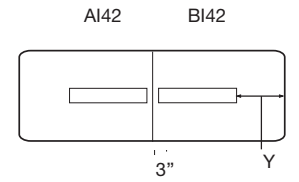

Table Size: 144” x 48”

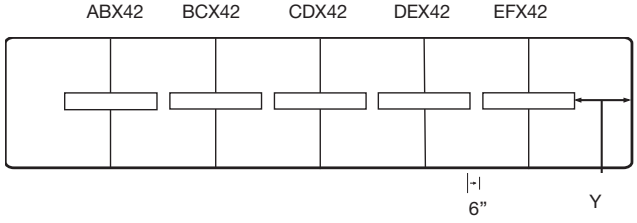
Y= Dimension from end of table to end of console
18” or greater, cannot be less than 18”

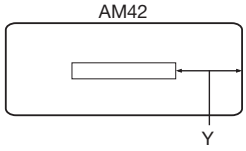
CONSOLE ORDERING CODE (ACROSS SEAM - 5 CHARACTER CODE)

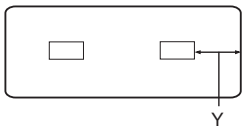


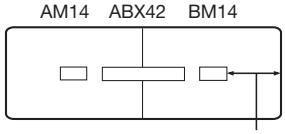
1st and 2nd character specifies section from left to right on table: AB, BC, CD, DE, EF

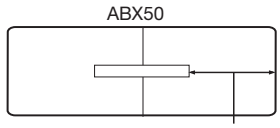
3rd character specifies console location across the seam: X

4th and 5th characters specify console size: 14, 27, 36, 42, 50









Examples:

Table Size: 288” x 60”

Y= Dimension from end of table to end of console

NUVO | CONSOLE SIZE & LOCATION - RECTANGULAR, ARC END, RACETRACK

Wood Top Console Options	Top Length	Console Options Top End Section	Console Options Within Top Center Section	Console Options Across Seam	Y
WIDTHS 36" - 48"	60	M14			23
60" - 84" X 36", 42", 48" 96" X 36"	72	M14			29
		M27			22.5
