Description

List Price

In addition to our listed part numbers and sizes, Mediatechnologies is pleased to be able to offer many of our products in modified sizes.

Pricing for Non-Standard Sizes: If a requested dimension falls between two standard part number offerings (1" increments), the price will default to the next highest standard product price. Modified sizes must be clearly specified at the time of quote. Note that modifications are only available between the minimum and maximum standard sized items.

As an Example: If you want a 21 series bookcase 36” wide and 22” deep this falls between our standard depths of 20” and 24” so you would follow the process below:
