

NOTICE TO AUTHORIZED USERS OF AWARD #23295 - Furniture, All Types (Except Hospital Room and Patient Handling)

This pricelist/catalog **may** contain items that are not within the Scope of the Contract Award and/or not within this Contractor's approved furniture Categories. All Authorized Users are strongly encouraged to review the Scope of the Award and the Contractor's Category Matrix prior to selecting items for purchase under the Contract. Per Solicitation Section 4.5 (D) - Procurement Instructions for Authorized Users: When placing orders under this Award, the Authorized User should follow and be familiar with the terms and conditions governing the Contract and are responsible for determining that the product(s) they intend to purchase fit within the scope of the Award.

References to other government contracts that may be included in a Contractor's pricelist/catalog, including any additional terms or conditions, are void under the OGS Award and should be disregarded. Only OGS' Terms and Conditions, including those within a Contractor's posted Contractor Information and Supplemental Information sheet, are valid under the Contract.

Additionally, Authorized Users are reminded that where discrepancies exist between Price List documents, the lowest price shall prevail (see Section 5.3 Price).

All orders must be placed with the Contractor, or the Contractor's OGS approved Authorized Reseller listed on the OGS website under the Award. Orders placed with a reseller not approved by OGS are not considered contract orders and therefore are not subject to the same terms and conditions of the OGS Award.

Authorized Users should contact the OGS Contract Manager listed on the Award with any questions pertaining to this pricelist/catalog.

Evolve II helps students balance their social and academic needs by providing adaptive, modular pieces that can move with the user as their priorities shift through the semester.

Evolve II

Room Solutions

Evolve II

features

- Evolve II consists of innovative furniture pieces that serve multiple functions; each segment is easy to move or reconfigure, provides ample storage options, and offers students a variety of places to study.
- Constructed using veneer with PVC edge banding in maple or oak.
- Height adjustable bed; 7 bed deck heights on the single bed and 19 bed deck heights on the studio bed.
- Deck: spring or 3-piece wood.
- Double sided pin channel allows for the worksurface and cubbies to be placed on either side of the headboard and footboard.
- 3-drawer chest includes integral pulls and allows for a stacking wardrobe with an integrated safety clip at rear.
- Adjustable worksurface allows for multiple heights and allows a student to move around their room for the best experience. It can also be used as additional wardrobe storage.
- Optional hanging bar and pencil tray can be added to the worksurface for a fully functional unit.
- Additional modular pieces such as the cubbies, storage cart and tray give the student not only more storage, but also more versatility in their space.
- Tackable panels add privacy and personalization.
- Lounge chair and stool provide a comfortable place to relax while keeping the same aesthetics of the bed furniture.

Modern styling meets flexibility. Lucy is the perfect solution for collaborative spaces. Many options for altering Lucy's look or function make it a versatile partner. You can even add a tablet arm for learning or meeting areas. Lucy occasional tables are designed to coordinate.

Lucy Lounge

Lucy

features

- Modular design allows both straight and curved units to be arranged and rearranged to create endless configurations. Ganging kit available to keep pieces neatly aligned (sold separately).
- Two back-heights available. The high-back is 6" taller to help define spaces.
- Leg options provide aesthetic and functional choices. Select from metal, wood or casters for mobility.
- Available with wood arms, single wood arm or armless. Wood arms are bent hardwood veneer plywood.
- Optional tablet arm rotates 180 degrees and has a laminate surface.
- Integrated power options available upon custom request.
- Seat and back are constructed as separate units for component re-upholstery. Ottomans can be field re-upholsterable.
- Renewable construction available on select models. Field replaceable components and covers make repairs and updates possible in minutes.
- Ottomans available with 1" laminate top and 3mm edgeband.
- Designed to coordinate with Lucy Occasional Tables and Lucy Lu ottomans.
