NOTICE TO AUTHORIZED USERS OF AWARD #23295 - Furniture, All Types (Except Hospital Room and Patient Handling)

This pricelist/catalog **may** contain items that are not within the Scope of the Contract Award and/or not within this Contractors approved furniture Categories. All Authorized Users are strongly encouraged to review the Scope of the Award and the Contractors Category Matrix prior to selecting items for purchase under the Contract. Per Solicitation Section 4.5 (D) - Procurement Instructions for Authorized Users: When placing orders under this Award, the Authorized User should follow and be familiar with the terms and conditions governing the Contract and are responsible for determining that the product(s) they intend to purchase fit within the scope of the Award.

References to other government contracts that may be included in a Contractor's pricelist/catalog, including any additional terms or conditions, are void under the OGS Award and should be disregarded. Only OGS' Terms and Conditions, including those within a Contractor's posted Contractor Information and Supplemental Information sheet, are valid under the Contract.

Additionally, Authorized Users are reminded that where discrepancies exist between Price List documents, the lowest price shall prevail (see Section 5.3 Price).

All orders must be placed with the Contractor, or the Contractor's OGS approved Authorized Reseller listed on the OGS website under the Award. Orders placed with a reseller not approved by OGS are not considered contract orders and therefore are not subject to the same terms and conditions of the OGS Award.

Authorized Users should contact the OGS Contract Manager listed on the Award with any questions pertaining to this pricelist/ catalog.

  - 5 sided 129
- task seating 130

Caution

Load Bottom Drawer First

- Operate one drawer at a time
- Units may tip if loaded incorrectly
- Units should be attached to a wall or other furniture to reduce tipping hazard
- Always load the heaviest files in the bottom drawer

Heavy Load

- Some products must be anchored to wall to ensure stability & safety.
- It is the owner and installers responsibility to ensure that the wall type and construction is of sufficient strength to carry the loads of any wall mounted products and their contents.
- Failure of the wall and anchors to support all imposed loads may result in property damage and/or personal injury.
- Tayco can provide size and empty weight of its products only. As wall blocking is considered a building construction process, Tayco cannot provide recommendations in this respect and cannot be responsible for damage or injury that may occur as a result of improper installation and/or blocking.

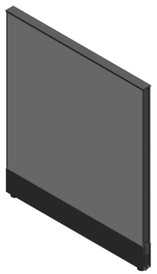

Instability Hazard

Mobile items on casters such as flip top, personal and movable tables of any type and storage items of any type may present an instability hazard if not secured correctly while in use or in storage. Flip top tables or training tables of any type, are inherently more unstable when folded. Tayco provides the following guidelines & warnings when using mobile products:

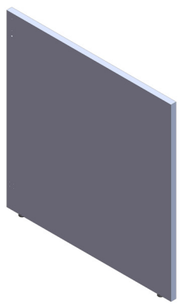

- Lock casters immediately after moving. Do not leave the casters unlocked when in use or in storage.
- Motion may increase the instability of any item with casters. If the wheels hit an obstruction the table's forward momentum often causes overturn, especially if the item is not equipped with wheel extensions. Exercise strong caution while moving these items.
- Use caution when abrupt level changes in the floor are present (such as a doorway or room threshold) as caster failure or tipping may result.
- Do not stand, sit or lean on mobile items for support. They are not intended for this use and personal injury or property damage may result.
- Mobile units that feature height adjustable elements must be lowered to the minimum compressed height when moving to prevent instability. It is also recommended the user remove all computer equipment or other accessories to prevent possible weight imbalance or damage to equipment.
- Failure to follow the guidelines above may result in property damage or personal injury.

Straight Worksurface with 1” Wire Play

What’s Included:

One (1) worksurface

How to Specify:

Refer to page 12, Laminate Page for laminate selections

Notes:

Worksurface sits 1” from the panel to allow for wire routing. No grommet is included with this worksurface

Options:

Width:	23”, 24”, 29”, 30”, 35”, 36”, 41”, 42”, 47”, 48”, 53”, 54”, 59”, 60”, 65”, 66”, 71”, 72”, 76”, 77”, 78”, 82”, 83”, 84”, 88”, 89,” 90”, 94”, 95”, 96”
Depth:	19”, 23”, 29”
Thickness:	1”

Caution

Load Bottom Drawer First

- Operate one drawer at a time
- Units may tip if loaded incorrectly
- Units should be attached to a wall or other furniture to reduce tipping hazard
- Always load the heaviest files in the bottom drawer

Heavy Load

- Some products must be anchored to wall to ensure stability & safety.
- It is the owner and installers responsibility to ensure that the wall type and construction is of sufficient strength to carry the loads of any wall mounted products and their contents.
- Failure of the wall and anchors to support all imposed loads may result in property damage and/or personal injury.
- Tayco can provide size and empty weight of its products only. As wall blocking is considered a building construction process, Tayco cannot provide recommendations in this respect and cannot be responsible for damage or injury that may occur as a result of improper installation and/or blocking.

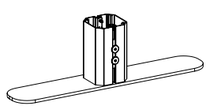

Instability Hazard

Mobile items on casters such as flip top, personal and movable tables of any type and storage items of any type may present an instability hazard if not secured correctly while in use or in storage. Flip top tables or training tables of any type, are inherently more unstable when folded. Tayco provides the following guidelines & warnings when using mobile products:

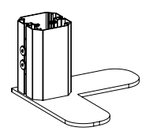

- Lock casters immediately after moving. Do not leave the casters unlocked when in use or in storage.
- Motion may increase the instability of any item with casters. If the wheels hit an obstruction the table's forward momentum often causes overturn, especially if the item is not equipped with wheel extensions. Exercise strong caution while moving these items.
- Use caution when abrupt level changes in the floor are present (such as a doorway or room threshold) as caster failure or tipping may result.
- Do not stand, sit or lean on mobile items for support. They are not intended for this use and personal injury or property damage may result.
- Mobile units that feature height adjustable elements must be lowered to the minimum compressed height when moving to prevent instability. It is also recommended the user remove all computer equipment or other accessories to prevent possible weight imbalance or damage to equipment.
- Failure to follow the guidelines above may result in property damage or personal injury.

product overview

Cosmopolitan is an environment within a workplace. Characterized by a unique upgraded system of segmented and monolithic tiles and streamlined furniture, Cosmopolitan caters to evolving spatial relationships and the modular needs of modern business.

Cosmopolitan's tiles are stackable and are offered in a variety of fabrics and finishes to complement any space.

The hinged access door discreetly conceals electrical wires, opens easily with one hand and stays open while access is required.

Durable laminate worksurfaces in a variety of shapes offer flexibility in space planning and are available in solids, patterns and wood grains with matching vinyl edge trims.

A selection of accessories round out the line, including: whiteboards, pencil drawers, task lighting, paper trays, pencil holders and more.

pedestals

All pedestal drawers are outfitted with full extension slides. Drawers can be easily removed by releasing the small catches on either side of the slide. Pedestals come standard with locks. One lock will lock both file drawers in a file/file pedestal and one box drawer and the file drawer in the box/box/file pedestal. File drawers will accommodate legal or letter sized documents.

freestanding storage and combo cabinets

Various combination filing and storage units provide a place to store personal items and documents to suit any individual's needs.

Cabinets are offered in a variety of solid, pattern and wood grain laminates and are available with or without doors. Cabinets with doors include locks.

default vinyl color selections

Each laminate comes with matching vinyl trim color unless otherwise specified on the purchase order. Refer to the laminate finish card for details.

accessories

Computer accessories include flat screen monitor arms, articulating keyboard trays and CPU holders.

Heavy duty flat screen monitor arms adjust to the user while storing wire within the arm. The monitor arm mounting plate meets VESA standards to accommodate most monitors. Monitor arms can be grommet or clamp mounted to the worksurface. Articulating and retractable keyboard trays and mobile or underdesk mounted CPU holders complete the workstation.

handle details

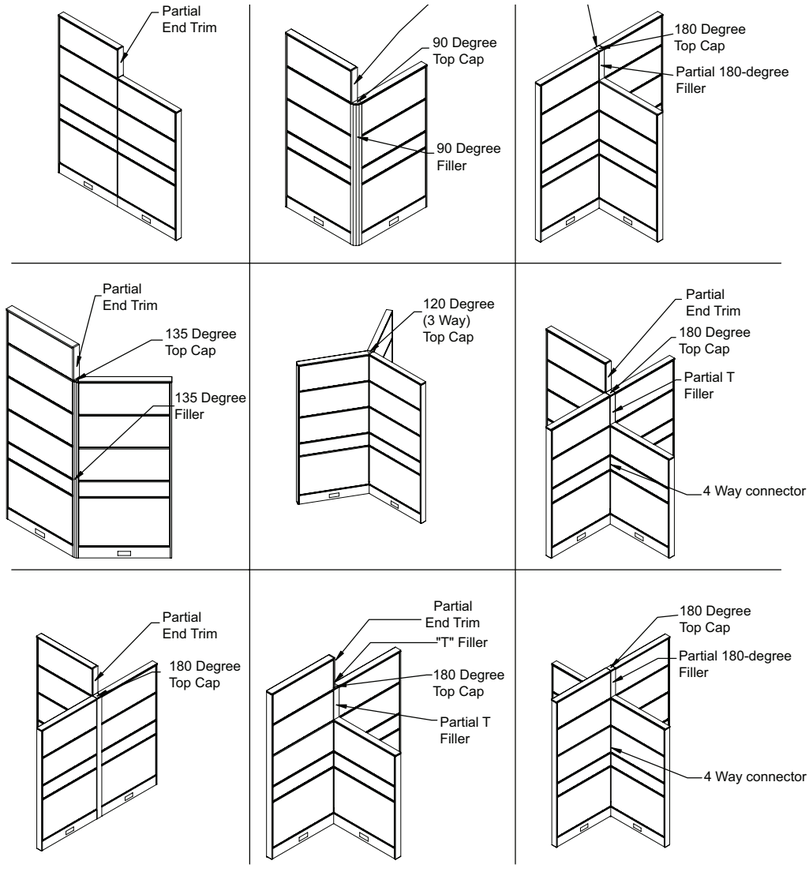

Six handle options are available in a brushed nickel finish. Melbourne is the standard handle option unless otherwise specified on your purchase order. Handles are five inches in length.

features and benefits

FEATURES	BENEFITS
◊ tackable, load-bearing frames	◊ Flexibility to reconfigure as privacy equirements change, lowering the cost of ownership and reducing inventory levels ◊ Accommodates mounted storage
◊ Tiles are offered in a variety of fabrics and finishes	◊ Complements existing furniture or infrastructure ◊ Finish offering allows for easy customization or personalization of an environment
◊ The belt-line hinged electrical access door easily opens with one hand and stays open while access is required	◊ Discreetly conceals electrical and data cables at the belt-line ◊ Provides comfortable access to power and data for the user
◊ Complemented by a selection of accessories including whiteboards, keyboard drawers, task lighting, paper trays, pencil holders, etc.	◊ Enhances the functionality of a workspace in a multi-task environment ◊ Facilitates paper management in a workstation
◊ Durable laminate worksurfaces in a variety of shapes and colors ◊ 1-inch or 1.5-inch thickness option	◊ Increases space planning possibilities ◊ Adds distinction to private offices
◊ A variety of acrylic options for tiles	◊ Elevates the overall aesthetic of the system ◊ Controls the degree of privacy required in a workspace ◊ Allows access to natural light throughout the office, resulting in greater productivity
◊ Metal trim and top caps	◊ Aesthetically more attractive and environmentally friendly than plastic trim
◊ Tiles are mounted to the frame independently of one another and can be removed without having to remove the tiles above	◊ Ability to create a dynamic, fully functional workspace capable of addressing multiple workplace needs
◊ Electrics are centrally located at the raceway level	◊ Easy to change the functionality of panel frames as the needs of the workspace evolves (i.e. increase or decrease visual and accoustical privacy, add a pass-through, tackable or accessory tiles)
◊ Tiles are quality engineered from a superior gauge of steel	◊ Access to power and data will not be obstructed by items such as storage towers and pedestal
◊ Panels are shipped complete with tiles installed	◊ Provides maximum strength and durability, which increases the life span of the product, and protects the end user's investment ◊ Increases accuracy and reduces time of installation

variable height panel combinations

Cosmopolitan offers the flexibility of 90, 180, 120, and 135 degree connections at varying heights. Illustrated below are a few connection possibilities for Cosmopolitan panel frames.

maximum span of panels

When specifying Cosmopolitan, it is important to be mindful of the width that panels are required to span. The following examples illustrate the maximum width that panels can span before they need to be supported by a return panel or wall.

Maximum Span of Panels

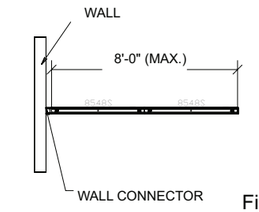

Figure 1

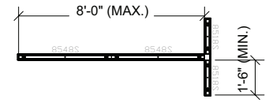

Figure 5

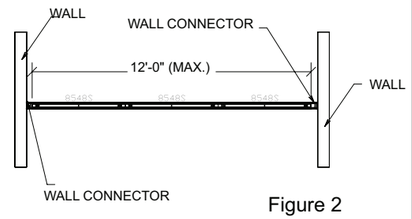

Figure 2

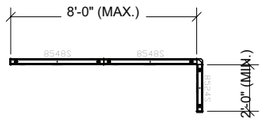

Figure 6

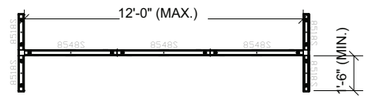

Figure 3

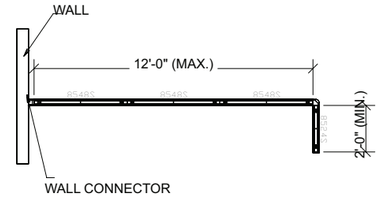

Figure 7

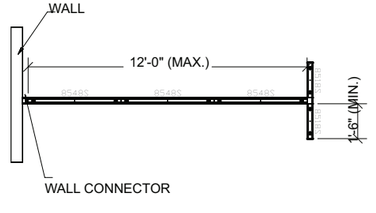

Figure 4

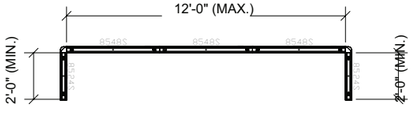

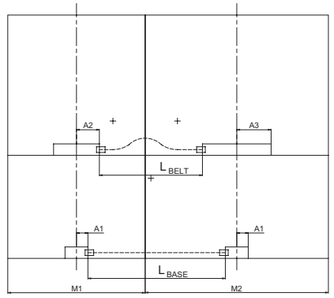

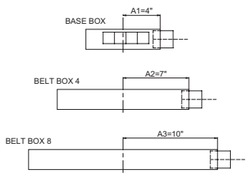

Figure 8

electrical cable length calculation

Use the following diagrams to calculate
baseline and belt-line cabling requirements.

electrical cable length calculation on a straight panel connection

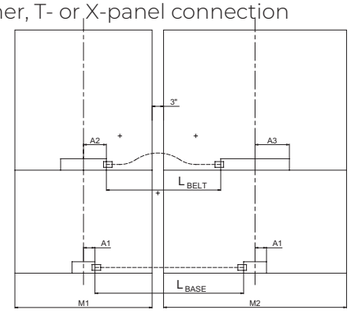

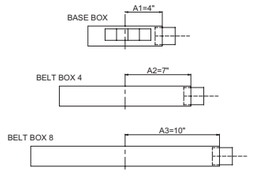

$$L_{BASE} = \frac{M1 + M2}{2} - 8"$$

$$L_{BELT} = \frac{M1 + M2}{2} + 3" - A2 - A2 \quad (A3)\ (A3)$$

electrical cable length calculation on a corner, T- or X-panel connection

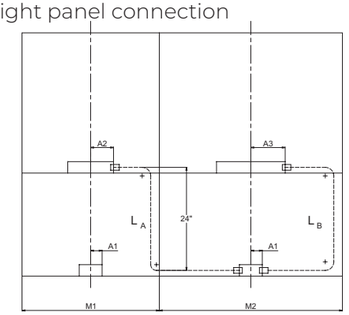

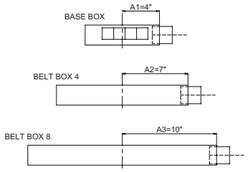

$$L_{BASE} = \frac{M1 + M2}{2} + 3" - 8"$$

$$L_{BELT} = \frac{M1 + M2}{2} + 6" - A2 - A2 \quad (A3)\ (A3)$$

electrical cable length calculation on a straight panel connection

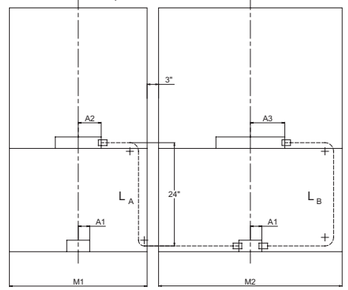

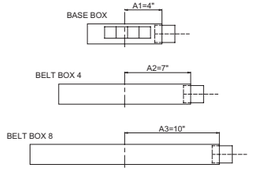

$$L_A = \frac{M1 + M2}{2} + 24" - A1 - A2 \quad (A3)$$

$$L_B = M + 21" - A1 - A2 \quad (A3)$$

electrical cable length calculation on a corner, T- or X-panel connection

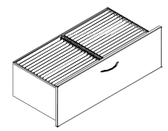

$$L_A = \frac{M1 + M2}{2} + 24" + 3" - A1 - A2 \quad (A3)$$

$$L_B = M + 21" - A1 - A2 \quad (A3)$$

Caution

Load Bottom Drawer First

- Operate one drawer at a time
- Units may tip if loaded incorrectly
- Units should be attached to a wall or other furniture to reduce tipping hazard
- Always load the heaviest files in the bottom drawer

Heavy Load

- Some products must be anchored to wall to ensure stability & safety.
- It is the owner and installers responsibility to ensure that the wall type and construction is of sufficient strength to carry the loads of any wall mounted products and their contents.
- Failure of the wall and anchors to support all imposed loads may result in property damage and/or personal injury.
- Tayco can provide size and empty weight of its products only. As wall blocking is considered a building construction process, Tayco cannot provide recommendations in this respect and cannot be responsible for damage or injury that may occur as a result of improper installation and/or blocking.

Instability Hazard

Mobile items on casters such as flip top, personal and movable tables of any type and storage items of any type may present an instability hazard if not secured correctly while in use or in storage. Flip top tables or training tables of any type, are inherently more unstable when folded. Tayco provides the following guidelines & warnings when using mobile products:

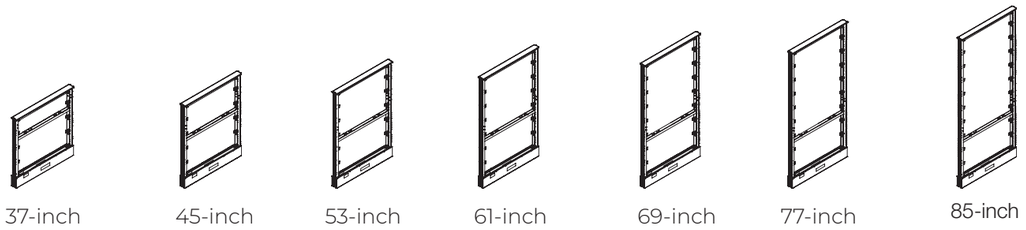

- Lock casters immediately after moving. Do not leave the casters unlocked when in use or in storage.
- Motion may increase the instability of any item with casters. If the wheels hit an obstruction the table's forward momentum often causes overturn, especially if the item is not equipped with wheel extensions. Exercise strong caution while moving these items.
- Use caution when abrupt level changes in the floor are present (such as a doorway or room threshold) as caster failure or tipping may result.
- Do not stand, sit or lean on mobile items for support. They are not intended for this use and personal injury or property damage may result.
- Mobile units that feature height adjustable elements must be lowered to the minimum compressed height when moving to prevent instability. It is also recommended the user remove all computer equipment or other accessories to prevent possible weight imbalance or damage to equipment.
- Failure to follow the guidelines above may result in property damage or personal injury.

January 2026
Panel Frames

panel frames and connectors

panel frame	20
panel frame for full acrylic panel	22
panel frame with countertop capability	24
panel frame with flip-up capability	26
stack-on panel frame	28
panel door	30
acrylic sliding door	31
lockable acrylic sliding door	32
end trim	33
wall-to-panel connector	34
t-connection filler	36
90-degree filler	37
180-degree connection filler	38
135-degree 2-way connector	39
120-degree 2-way connection filler	40
120-degree 3-way connection filler	42
4-way connection filler	43
floor grippers	44

What's Included:

Panel frame, metal base raceway, metal to metal connection hardware

How to Specify:

Specify panel trim finish.

The color of the raceway defaults to the color of the top trim when a metal color is specified.

Notes:

Any Cosmo stack-on frame of the same width can be stacked on top of this panel frame.

An 8 wire, 4 circuit electrical system is available for the base-line or belt-line. 37-inch panel frames do not accommodate a flip-up belt-line tile. Specify the panel frame with flip-up capability page 26 when this function is required.

Power and communications November be run into the panel frame using either a power pole or an electrical harness. See the electrics, communication, and lighting section for details.

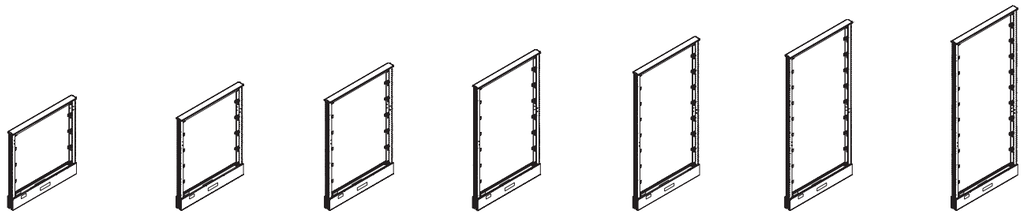

The metal frame is only available in black.

Options:

height	37, 45, 53, 61, 69, 77, 85
width	18, 24, 30, 36, 42, 48, 54, 60
top cap finish	metal colors
panel trim	style
power	8 wire 4 circuit electrical system (to be specified separately)

Capability: single panel

Capability:1 hole

Capability: 54-inch countertop

What's Included:

Panel frame with countertop capability, metal base raceway, metal to metal connection hardware.

How to Specify:

Specify panel trim finish.

Specify this item when a 37-inch high or 45-inch high panel with countertop capabilities is required, but an electrical access door is not needed.

When a 54-inch countertop is supported by a 30-inch wide panel and a 24-inch wide panel, the hole in the 30-inch panel will be located 6 inches away from the end of the panel. When two 30-inch wide panels are used to support a 54-inch wide countertop, the holes will be located 9 inches away from the end of the panel. A 60-inch panel has two holes located 9 inches away from the ends of the panel to accommodate 54-inch wide countertops.

The color of the raceway defaults to the color of the top trim when a metal color is specified.

Notes:

An 8 wire, 4 circuit electrical system is available at the base-line. For belt-line, specify the panel frame with flip-up capabilities page 26.

Power and communications November be run into the panel frame using either a power pole or an electrical harness. See the electrics, communication, and lighting section for details.

2 holes are used when a single panel frame is supporting a countertop of the same width.

1 hole, 6 inches away from the end of the panel frame is used when two panels are supporting a countertop equal to the sum of their widths.

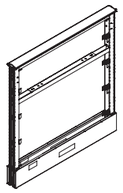

1 hole, 9 inches away from the end of the panel frame is used when two 30-inch wide panels are supporting a 54-inch countertop.

The metal frame is only available in black.

Capability:
without countertop

Capability:
single panel

Capability:
1 hole

Capability:
54-inch countertop

What's Included:

Panel frame with flip-up capability, metal base raceway, metal to metal connection hardware.

How to Specify:

Specify panel trim finish.

Specify this product when a 37-inch high panel frame with a flip-up belt line is required.

When a countertop is supported by a single panel (C), the holes will be located six inches away from the end of the panel.

When a 54-inch countertop is supported by a 30-inch wide panel and a 24-inch wide panel, the holes in the 30-inch panel will be located 6 inches away from the end of the panel. When two 30-inch wide panels are used to support a 54-inch wide countertop, the holes will be located 9 inches away from the end of the panel. A 60-inch panel has 2 holes located 9 inches away from the ends of the panel to accommodate 54-inch wide countertops.

The color of the raceway defaults to the color of the top trim when a metal color is specified.

Notes:

An 8 wire, 4 circuit electrical system is available for the base-line or belt-line.

Power and communications November be run into the panel frame using either a power pole or an electrical harness. See the electrics, communication, and lighting section page 186 for details.

2 holes are used when a single panel frame is supporting a countertop of the same width.

1 hole, 6 inches away from the end of the panel frame is used when two panels are supporting a countertop equal to the sum of their widths.

1 hole, 9 inches away from the end of the panel frame is used when two 30-inch wide panels are supporting a 54-inch countertop.

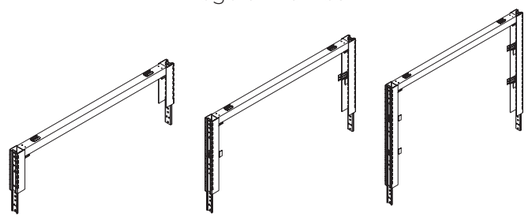

The metal frame is only available in black.

right hand

left hand

What's Included:

Panel door, door frame, lever type handle, connection hardware.

How to Specify:

Specify panel trim finish.

The panel trim finish must be specified. The door and door frame are available in all paint colors and will match the color of the top trim.

Right or left hand must be specified.

Specify laminate

Notes:

Door is powder painted MDF.

The door must be connected to 85-inch high panel frames or panel fillers.

Options:

width	36, 42		
hand	**R** right	**L** left	
laminate	**L167** black	**L121** white	**L112** silver
door & door frame finish	metal colors		
top cap finish	metal colors		

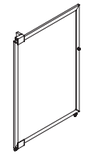

How to Order and Read your Code:

right hand

left hand

What's Included:

Acrylic sliding door, metal to metal connection hardware.

How to Specify:

Specify panel trim finish.

A metal color must be specified for the panel trim.

Right or left hand must be specified.

The acrylic option must be specified. When frosted or clear acrylic is specified, an upcharge is applicable.

Notes:

The sliding door height must be connected to a panel of equal height.

The acrylic sliding door provides visual privacy for individual stations.

Sliding doors must always be connected to a panel.

Options:

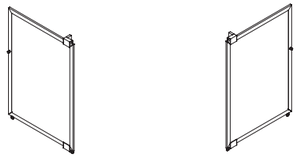

height	61, 69		
width	30, 36, 42		
hand	**R** right	**L** left	
acrylic option	Fluted	Frosted*	Clear*
frame finish	metal colors

full end trim

partial end trim

What's Included:

Full End Trim: full end trim, connection hardware.

Partial End Trim: partial end trim, connection hardware, bottom plastic connector trim.

How to Specify:

Specify panel trim finish.

A metal color must be specified.

Notes:

Use the full end trim to finish a panel at the end of a run.

Use the partial end trim to finish a panel where a change of height occurs

Options:

height	8, 16, 24, 32, 37, 40, 45, 48, 53, 56, 61, 64, 69, 72, 77, 85, 93, 101, 109

type 1 type 2 type 3

What's Included:

Wall-to-Panel Connector (Type 1, 2 or 3, as specified), top cap, connection hardware for drywall applications.

How to Specify:

Specify panel trim finish.

A metal color must be specified for the top cap finish.

The wall-to-panel connector finish color defaults to match the top cap.

Notes:

Wall-to-panel connectors fill in the gap between the wall and the panel.

Type 1 connectors allow for an adjustment range of 2.25 to 3.25 inches

Type 2 connectors allow for an adjustment range of 3 to 4.25 inches.

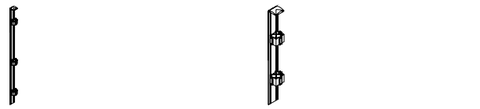

Type 3 connectors allow for an adjustment range of 4 to 5.25 inches.

The top cap is 66-inches and must be cut to the proper size on-site.

Options:

type	**1** - type 1	**2** - type 2	**3** - type 3

120-degree 3-way
connection filler

What's Included:

120-degree 3-way connection filler, top cap, connection hardware

How to Specify:

Specify panel trim finish.

A metal color and panel trim style must be specified for the top cap finish.

Notes:

Use the 120-degree 3-way connection filler to connect three panel frames that are the same height.

Options:

height	29, 37, 45, 53, 61, 69, 77, 85, 93, 101, 109
top cap finish	metal colors

Code	Price	H (in.)	W (in.)	Weight (lb.)	Volume (ft^3)

4-way connection filler

What's Included:

4-way connection filler, top cap, connection hardware

How to Specify:

Specify panel trim finish.

A metal color and panel trim style must be specified for the top cap finish.

Notes:

Use 4-way connection filler to connect four panel frames that are the same height.

Options:

height	29, 37, 45, 53, 61, 69, 77, 85, 93, 101, 109
top cap finish	metal colors

carpet floors

non-carpet floors

What's Included:

Floor Gripper (for carpet floors or non-carpet floors, as specified)

How to Specify:

There are no color options for floor grippers.

Notes:

Floor grippers stabilize panels on either carpet floors or non-carpet floors.

Options:

type **C** carpeted floors **N** non-carpeted floors

Code	Price	Weight (lb.)	Volume (ft^3)

Tiles

tiles

acoustic tackable fabric tile 48

monolithic fabric tile 52

acrylic tiles 56

magnetic whiteboard tile 59

laminate tile 60

monolithic laminate tile 62

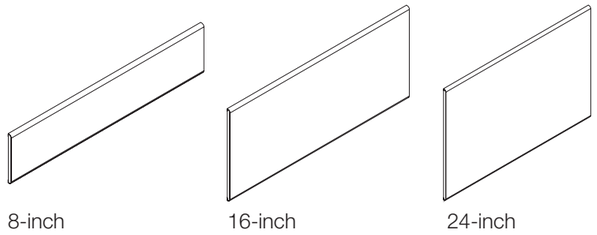

monolithic laminate tile 64

perforated metal tile 68

pass-through tile 70

fabric flip-up belt-line tile 71

accessory tile 72

What's Included:

Acoustic Tackable Fabric Tile, installation hardware.

How to Specify:

Refer to the finish card for a complete listing of metal colors.

Notes:

Acoustic tackable fabric tiles provide acoustical privacy and a tackable vertical surface.

Options:

fabric grade	**1** - grade 1 **2** - grade 2 **3** - grade 3
height	8, 16, 24
width	18, 24, 30, 36, 42, 48, 54, 60
finish	panel fabrics

What's Included:

Monolithic fabric tile, installation hardware.

How to Specify:

Refer to the finish card for a complete listing of fabric colors.

Notes:

Monolithic fabric tiles are solid-faced, tackable and offer visual and acoustical privacy.

Monolithic tiles are five inches less than the complete height of the panel frame.

Options:

fabric grade	**1** - grade 1 **2** - grade 2 **3** - grade 3
height	32, 40, 48, 56, 64, 72, 80
width	18, 24, 30, 36, 42, 48
finish	panel fabrics

What's Included:

Monolithic laminate tile, installation hardware.

How to Specify:

Refer to the laminate card for a complete listing of laminate colors.

Notes:

Monolithic laminate tiles provide an easy to clean hard surface.

Monolithic laminate tiles are five inches less than the complete height of the panel frame.

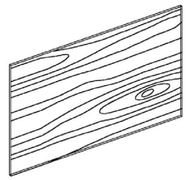

Grain direction is vertical.

Options:

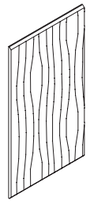

height	32, 40, 48, 56, 64, 72, 80
width	18, 24, 30, 36, 42, 48
finish	laminate colors

8-inch 16-inch 24-inch

What's Included:

Perforated metal tile, installation hardware.

How to Specify:

Refer to the metal card for a complete listing of metal colors.

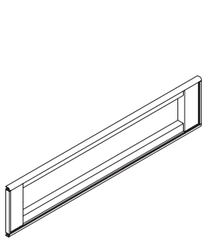

Notes:

Perforated metal tiles provide a unique architectural element, while allowing for airflow.

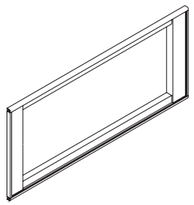

Options:

height	8, 16, 24
width	18, 24, 30, 36, 42, 48, 54, 60
finish	metal colors

8-inch

16-inch

24-inch

What's Included:

Pass-Through Tile, installation hardware.

How to Specify:

Refer to the metal card for a complete listing of metal colors.

Options:

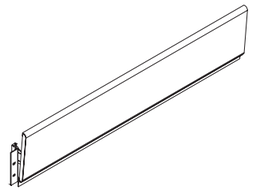

height	8,16, 24
width	18, 24, 30, 36, 42, 48, 54, 60
finish	metal colors

Notes:

The pass-through tile allows data and communication cables to be shared between workstations.

8-inch

What's Included:

Fabric Flip-Up Belt-Line Tile, installation hardware.

How to Specify:

Options:

height	8
width	18, 24, 30, 36, 42, 48, 54, 60
finish	panel fabrics

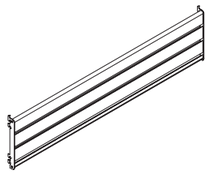

Notes:

The fabric flip-up belt-line tile can be used in place of an 8-inch high tile at desk height when access to power, data and communication is required at the belt-line.

The fabric flip-up belt-line tile is compatible with panel frames that have flip-up capability.

straight end
right hand

straight end
left hand

What's Included:

Wave Return, grommets
(24 to 48-inch worksurfaces include one grommet, 54 to 84-inch worksurfaces include two grommets, 90 to 96-inch worksurfaces include three grommets).

Notes:

Grain direction is indicated in the above illustration.

Worksurfaces 54-inches and longer require a horizontal surface support (CH00), which must be specified separately.

How To Specify:

Specify laminate color.

The wave return worksurface must be specified as left or right.

The worksurface trim color will default to match the laminate color unless otherwise specified, see the laminate finish card for details.

Edge profile must be specified for 1.5-inch thick worksurfaces.

Options:

thickness	**C** 1-inch	**CT** 1.5-inch
end shape	straight end	curved end
hand	**R** right	**L** left
width	30, 36, 42, 48, 54, 60, 66, 72, 78, 84, 90, 96	
depth	24, 30, 36	
surface finish	laminate colors	
edge profile (1.5-inch only)	straight

straight end
right hand

straight end
left hand

What's Included:

Extended Corner with curved front, grommets (48-inch worksurfaces include one grommet, 54-inch worksurfaces and above include two grommets).

Notes:

Grain direction is indicated in the above illustration.

Worksurfaces 54-inches and longer require a horizontal surface support (CH00), which must be specified separately.

How To Specify:

Specify laminate color.

The straight worksurface with curved end must be specified as left or right. When the straight end is specified, the handed end will be longer. When the curved end is specified, the handed end will be longer and curved.

The worksurface trim color will default to match the laminate color unless otherwise specified, see the laminate finish card for details.

Edge profile must be specified for 1.5-inch thick worksurfaces.

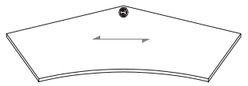

Keyboard tray can be mounted to this worksurface. Refer to the Accessories section on page 164 for details.

Options:

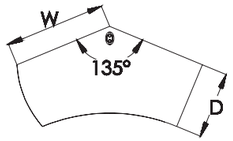

thickness	**C** 1-inch	**CT** 1.5-inch
hand	**R** right	**L** left
width	36, 42, 48	
depth	18, 24, 30	
length	48, 54, 60, 66, 72	
surface finish	laminate colors	
edge profile (1.5-inch only)	straight

Right hand

Left hand

What's Included:

Panel-Mounted P-Table, 2 metal support posts, laminate partial modesty panel.

Notes:

Grain direction is indicated in the above illustration.

How To Specify:

Specify laminate color.

The panel-mounted P-table must be specified as left or right. The handed end has a bubble on the outside.

The worksurface trim color will default to match the laminate color unless otherwise specified, see the laminate finish card for details.

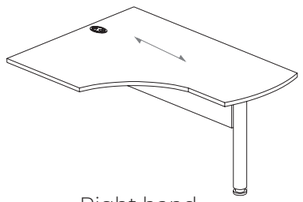

Edge profile must be specified for 1.5-inch thick worksurfaces. The color of the modesty panel will default to match the worksurface.

Options:

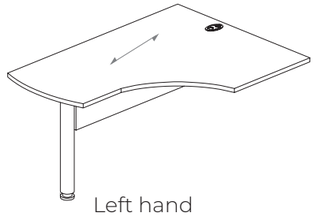

thickness	**C** 1-inch	**CT** 1.5-inch
width	60, 66, 72, 78, 84	
depth	30, 36	
hand	**R** right	**L** left
surface finish	laminate colors	
edge profile (1.5-inch only)	straight	
support finish	metal colors

Right hand

Left hand

What's Included:

Panel-Mounted J-Table, grommet, metal support post, laminate partial modesty panel.

Notes:

Grain direction is indicated in the above illustration.

How To Specify:

Specify laminate color.

Specify metal color for support posts.

The panel-mounted J-table must be specified as left or right. The handed end is the longer side of the J-tab

The worksurface trim color will default to match the laminate color unless otherwise specified, see the laminate finish card for details.

Edge profile must be specified for 1.5-inch thick worksurfaces.

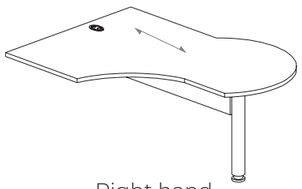

The color of the modesty will default to match the worksurface.

Keyboard tray can be mounted to this worksurface. Refer to the Accessories section on page 164 for details.

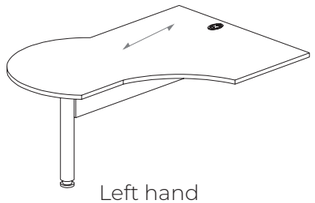

Options:

thickness	**C** 1-inch	**CT** 1.5-inch
width	60, 66, 72, 78	
depth	24, 30	
hand	**R** right	**L** left
surface finish	laminate colors	
edge profile (1.5-inch only)	straight	
support finish	metal colors

What's Included:

Radiused Extended Surface

Notes:

Grain direction is indicated in the above illustration.

How To Specify:

Specify laminate color.

Specify metal color for support posts.

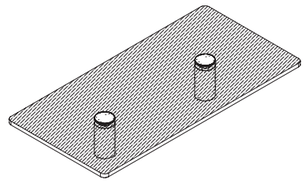

The worksurface trim color will default to match the laminate color unless otherwise specified, see the laminate finish card for details.

Edge trim style must be specified for 1.5-inch thick worksurfaces.

Options:

thickness	**C** 1-inch	**CT** 1.5-inch
width	27, 33	
depth	27, 33	
surface finish	laminate colors	
edge profile (1.5-inch only)	straight

1.5 " thick					
CT-WC01-2727	535	27	27	13.81	0.33
CT-WC01-3333	652	33	33	14.3	0.49

What's Included:

Tempered Glass transaction top, installation hardware, two post legs.

Notes:

The tempered glass transaction top can be mounted on top of one or two 37-inch high panel frames to provide a transaction surface for a reception station or between two workstations in a team environment.

The tempered glass transaction top is not applicable on 90, 120, or 135-degree configurations.

How To Specify:

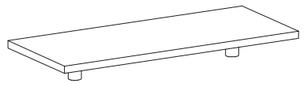

Specify metal finish.

When the tempered glass transaction top is to be mounted over a single panel frame, specify the transaction top to be the same width as the panel frame. When it is to be mounted over two panel frames, specify the transaction top to be the total width of the two panel frames.

Options:

width	24, 30, 36, 42, 48, 54,
depth	12
metal finish	metal colors

What's Included:

Laminate countertop, installation hardware, two post legs.

Notes:

How To Specify:

Specify laminate color.

Specify metal finish.

When the laminate countertop is to be mounted over a single panel frame, specify the countertop to be the same width as the panel frame. When it is to be mounted over two panel frames, specify the countertop to be the total width of the two panel frames.

Options:

width	24, 30, 36, 42, 48, 54, 60			
depth	15

Worksurface Supports

worksurface supports

cantilever arm	118
universal bracket	119
single post	120
horizontal surface support	121
laminate gable	122
intermediate gable	123
open metal gable	124

What's Included:

Cantilever Arm, installation hardware.

How to Specify:

Cantilever arms are available only in black.

Options:

size	16, 22	
position	**R** right	**L** left

Notes:

The cantilever arm mounts to the panel frame to support worksurfaces.

Worksurfaces 24 inches and greater require the 22-inch cantilever to be used.

How to Order and Read your Code:

C	**CCAB**	**16**	**L**
product line	item	width	position

Code	Price	D 1 (in.)	Weight (lb)	Volume (ft^3)
C-CCAB-16	120	16	2.2	0.01
C-CCAB-16-L	120	16	2.2	0.01
C-CCAB-16-R	120	16	2.2	0.01
C-CCAB-22	129	22	2.7	0.01
C-CCAB-22-L	129	22	2.7	0.01
C-CCAB-22-R	129	22	2.7	0.01

right hand

left hand

What's Included:

Universal Bracket, installation hardware.

How to Specify:

Specify right or left hand according to the position of the worksurface.

The universal bracket is available only in black.

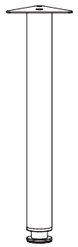

Options:

hand	**R** right	**L** left

Notes:

The universal bracket is primarily used for end or side corner support and must be used in conjunction with other primary supports, such as gables, cantilever arms, or single posts.

Code	Price	Weight (lb)	Volume (ft^3)
C-CB01-L	9	1	0.01
C-CB01-R	9	1	0.01

What's Included:

Single Post, leveler, installation hardware.

How to Specify:

Specify metal finish. See the metal finish card for details.

Options:

finish	metal finish colors

Notes:

The single post is 28-inch in height and includes an integral leveler that provides a 3-inch levelling range.

This item should be used together with panel-mounted worksurface supports to support semi-suspended worksurfaces.

Code	Price	H (in.)	Weight (lb)	Volume (ft^3)
C-CP1G-03	170	28	7	0.11

What's Included:

Horizontal Surface Support, installation hardware.

How to Specify:

The horizontal surface support is available only in silver.

Options:

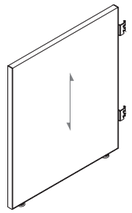

width	51, 57, 63, 69, 75

Notes:

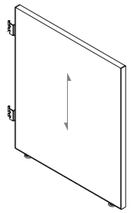

The horizontal surface support is used to support worksurfaces 54-inches and longer.

This item is mounted to the underside of a worksurface.

Code	Price	W (in)	Weight (lb)	Volume (ft^3)
C-CH00-54	81	51	4	0.05
C-CH00-60	87	57	4.5	0.05

C-CH00-72	98	69	5.5	0.06
C-CH00-78	104	75	6	0.07

right

left

What's Included:

Gable, installation hardware.

How to Specify:

Specify laminate color.

The vinyl trim color will default to match the laminate color unless otherwise specified. See the laminate finish card for details.

Notes:

Grain direction is indicated in the above illustration.

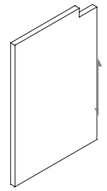

Gables can be used for single or dual worksurface support in the left, right and center positions.

The left and right gables are designed to match the depth of standard worksurfaces. The center gable will be slightly shorter than the depth of the worksurface to allow for below worksurface leg room.

Options:

position	**R** right	**L** left	**U** - universal
depth	12, 18, 24, 30, 36

What's Included:

Gable, installation hardware.

How to Specify:

Specify laminate color.

The vinyl trim color will default to match the laminate color unless otherwise specified. See the laminate finish card for details.

Notes:

Grain direction is indicated in the above illustration.

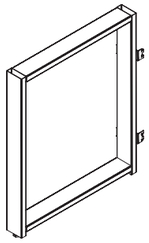

Gables can be used for single or dual worksurface support in the left, right and center positions.

The left and right gables are designed to match the depth of standard worksurfaces. The center gable will be slightly shorter than the depth of the worksurface to allow for below worksurface leg room.

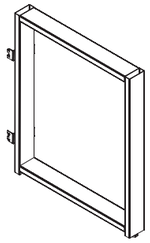

Options:

position	**R** right	**L** right	**U** - universal
depth	12, 18, 24		
finish	laminate colors		

Code	Price	H (in.)	D 1 (in.)	Weight (lb)	Volume (ft³)

C-CGUC-24	198	28	24	16.5	0.01

right hand

left hand

What's Included:

Open metal gable, installation hardware.

How to Specify:

Specify metal color.

Notes:

Open metal gables can be used to support worksurfaces in the left or right position.

The depth of the open metal gable should match the depth of the worksurface that it will support at the end of a run.

Use the 12 or 18-inch pen metal gable to support worksurface in the middle of a run.

Open metal gables cannot be used in freestanding applications

Options:

position	**R** right	**L** right
size	12, 18, 24, 30	
finish	metal colors

single shared shelf
right hand left hand

double shared shelf
front view back view

What's Included:

Top mounted shared open shelf, installation hardware

How to Specify:

Specify laminate color.

Specify back option.

Notes:

Grain direction is indicated in the above illustration.

The top mounted shared shelf mounts on top of a panel frame and provides open storage to two workstations.

The back of the top mounted shared shelf can be finished in acrylic or whiteboard.

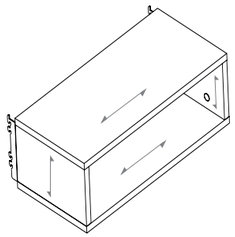

The single unit can be used on top of one or two panel frames.

The double units is used over two or more panel frames where a 3-way or 4-way 90 degree connector is also present, as illustrated above

Options:

worksurface edge mounted screen

What's Included:

Worksurface edge mounted screen, two clamps.

How to Specify:

The worksurface edge mounted screen is off-module and can be specified the same width as the worksurface it is to be mounted to, or smaller.

The worksurface edge mounted screen does not provide accoustical privacy.

Notes:

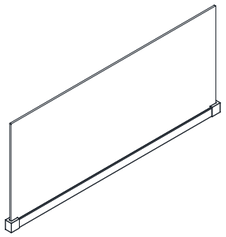

The clamps on the worksurface edge mounted screens are finished in silver only.

Specify the width of the worksurface screen to be the same width or less than the worksurface or table that it is to be mounted to.

Options:

width	24, 30, 36, 42, 48, 54, 60, 66, 72, 78, 84, 90
screen finish	**F** - frosted
metal finish	**P112** silver

C-VGGW-90-F	1273	24	90	1129	20.38

What's Included:

Panel mounted acrylic screen, installation hardware. .

How to Specify:

Specify metal color.

Specify the width of the panel top mounted privacy screen to be the same width of the panel frame that it is to be mounted to.

Notes:

The panel top mounted privacy screen is on-module to panel frames of the same width.

The panel top mounted privacy screen does not provide accoustical privacy.

Double span panel top mounted privacy screen can be placed across the width of two equal sized panels

Options:

height	8, 16
width	18, 24, 30, 36, 42, 48, 54, 60
finish	**F** frosted acrylic **C** clear acrylic **C-G** clear glass **F-G** frosted glass

Lighting

electrics, communication, lighting

task light 188

power modules 189

electric starter harness 190

communication kit 191

power pole 192

belt-line electrics power module 194

horizontal wire manager 195

connector harness 196

male/female extension harness 198

What's Included:

Task Light, installation hardware.

How to Specify:

This product is available only in silver.

Notes:

The task light can be mounted beneath an overhead cabinet or shelf to provide focused lighting within the workstation.

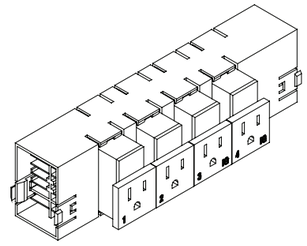

The task light cord is 9-feet long from the end of the task light.

Task lights come with built-in occupancy sensor with 30 minute delay

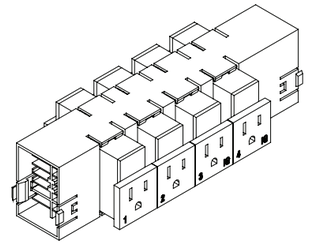

Options:

width	24, 36, 48

single sided

double sided

What's Included:

Base electrics power module as specified.

How to Specify:

This product is available only in black.

Notes:

8 wire 4 circuit electrical system.

The base electrics power module can be retrofitted into the base raceway of existing Cosmo panel frames.

Base electrics power modules can be single-sided or double-sided.

18-inch wide panel frame does not accommodate a base power module.

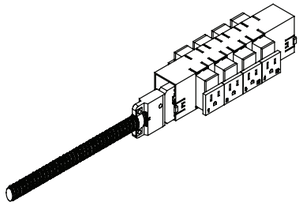

24-inch wide panel frames placed side-by-side only accommodates one base power module in one panel.

24-inch wide panel frame with base power module does not accommodate base data/communication kits.

Options:

type	**S** single-sided	**D** double-sided

90-degree connection

t-connection

straight connection

4-way connection

What's Included:

Power pole, top cap, ceiling grommet.

How to Specify:

Specify vinyl color.

Refer to the vinyl/metal finish card for details.

Notes:

8 wire 4 circuit electrical system.

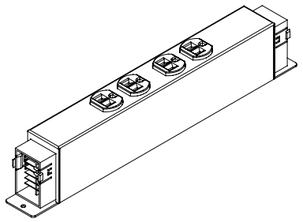

The vinyl power pole attaches to cosmo panel connectors in 90-degree connections, T-connections, straight connections or 4-way connections.

144-inch power poles have the option of being divided.

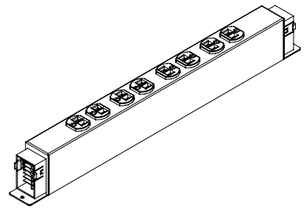

Options:

type	**D** - divided	**0** - non-divided
height	72, 144	
connection	**N** 90-degree connection	**T** t-connection
	S straight connection	**4** 4-way connection

4 outlets

8 outlets

What's Included:

Belt-line electrics power module as specified.

How to Specify:

This product is available only in black.

Notes:

8 wire 4 circuit electrical system.

Belt-line electrics power modules are available with four outlets or eight outlets.

18-inch and 24-inch wide panel frames do not accommodate a belt-line power module.

30-inch wide panel frame accommodates belt-line power module with 4 outlets only.

30-inch wide panel frames placed side-by-side can only accommodate one 4 outlet module in one of the panel frames.

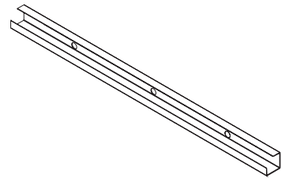

30-inch wide panel frame with a belt-line power module does not accommodate belt-line data/communication kits.

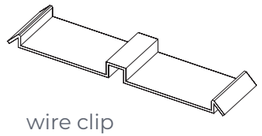

36-inch wide panel frame with a belt-line power module (8 outlets) does not accommodate belt-line data/communication kits.

Options:

type	**B14** 4 outlets (14")	**B20** 8 outlets (20")

Code	Price	Weight (lb)	Volume (ft³)
4 outlets

wire clip

What's Included:

Wire Manager, installation hardware.

How to Specify:

Specify the length of the wire manager to be 6-inches less than the width of the workstation to which it will be mounted.

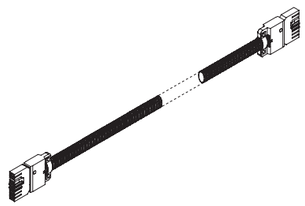

Notes:

The horizontal wire manager attaches to the underside of a worksurface.

Options:

width	12, 18, 24, 30, 36, 42, 48, 54, 60, 66, 72

Code	Price	W (in.)	Weight (lb)	Volume (ft³)

What's Included:

Connector Harness, as specified.

How to Specify:

Notes:

8 wire 4 circuit electrical system.

The connector harness is equipped with two male ends.

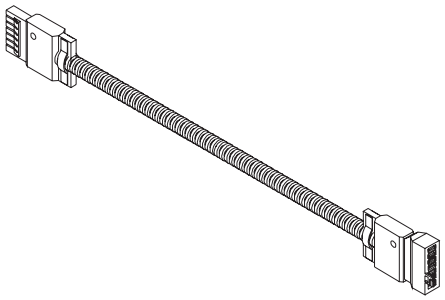

Connector harnesses, 148-inches and longer are comprised of two pieces connected together.

Options:

length	22, 25, 28, 31, 34, 37, 40, 43, 46, 49, 52, 55, 58, 61, 64, 67, 70, 73, 76, 79, 82, 85, 88, 91, 94, 97, 100, 103, 106, 109, 112, 115, 118, 121, 124, 127, 130, 133, 136, 139, 142, 145, 148, 151, 154, 157, 160, 163, 166, 169, 172, 175, 178, 181

Caution

Load Bottom Drawer First

- Operate one drawer at a time
- Units may tip if loaded incorrectly
- Units should be attached to a wall or other furniture to reduce tipping hazard
- Always load the heaviest files in the bottom drawer

Heavy Load

- Some products must be anchored to wall to ensure stability & safety.
- It is the owner and installers responsibility to ensure that the wall type and construction is of sufficient strength to carry the loads of any wall mounted products and their contents.
- Failure of the wall and anchors to support all imposed loads may result in property damage and/or personal injury.
- Tayco can provide size and empty weight of its products only. As wall blocking is considered a building construction process, Tayco cannot provide recommendations in this respect and cannot be responsible for damage or injury that may occur as a result of improper installation and/or blocking.

Instability Hazard

Mobile items on casters such as flip top, personal and movable tables of any type and storage items of any type may present an instability hazard if not secured correctly while in use or in storage. Flip top tables or training tables of any type, are inherently more unstable when folded. Tayco provides the following guidelines & warnings when using mobile products:

- Lock casters immediately after moving. Do not leave the casters unlocked when in use or in storage.
- Motion may increase the instability of any item with casters. If the wheels hit an obstruction the table's forward momentum often causes overturn, especially if the item is not equipped with wheel extensions. Exercise strong caution while moving these items.
- Use caution when abrupt level changes in the floor are present (such as a doorway or room threshold) as caster failure or tipping may result.
- Do not stand, sit or lean on mobile items for support. They are not intended for this use and personal injury or property damage may result.
- Mobile units that feature height adjustable elements must be lowered to the minimum compressed height when moving to prevent instability. It is also recommended the user remove all computer equipment or other accessories to prevent possible weight imbalance or damage to equipment.
- Failure to follow the guidelines above may result in property damage or personal injury.

With Power

What's Included:

- 1" thick super ellipse top
- Sizes: 60"-96: 1-piece top, 4 A-legs with removable infill
- Sizes: 108"-144: 2-piece top, 6 A-legs with removable infill
- Reinforcement bar(s)
- Leg support structure
- Optional Electrics

    In-surface powered option comes with one grommet per table piece with 2 AC outlets, dual USB-A chargers, and a blank slot to add an optional HDMI, RJ11, or RJ45 (see page 180 for more options)

How to Specify:

Table is sold with base

Each laminate comes with matching vinyl trim unless otherwise specified on the order cover sheet

Infill can match the paint finish of the A-leg or can be specified in a different finish

Notes:

Table corners have 4" radius

Table legs come with adjustable glides up to 1/2"

A-leg has removable infill for wire management capabilities

One of the A-Legs will come with an infill with a small hole to run wires out the bottom

Reinforcement bars have wire management capabilities

Optional Electrics

In-surface power+USB module available, offered in silver finish

Optional side-mount USB module, offered in black finish

Options:

Widths:	72", 84", 96", 108", 120", 132", 144"
Depths:	30", 36", 42", 48"
Worksurface Laminate

Coffee Table

What's Included:

- 3/4" thick super ellipse top
- 4 A-legs with infill

How to Specify:

Table is sold with base

Each laminate comes with matching vinyl trim unless otherwise specified on the order cover sheet

Infill can match the paint finish of the A-leg or can be specified in a different finish

Notes:

Table corners have 4" radius

Table legs come with adjustable glides up to 1/2"

A-leg has removable infill for wire management capabilities

One of the A-Legs will come with an infill with a small hole to run wires out the bottom

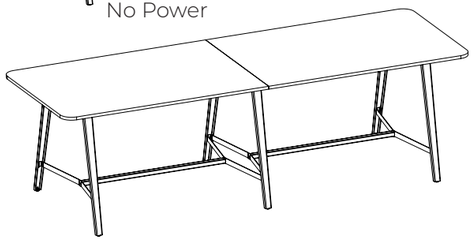

Options:

24"D:	Widths: 36", 42", 48", 54", 60"
30"D:	Widths: 48", 54", 60"
36"D:	Widths: 60"
Height:	14"
Worksurface Laminate

Table is sold with base

Each laminate comes with matching vinyl trim unless otherwise specified on the order cover sheet

Infill can match the paint finish of the A-leg or can be specified in a different finish

Notes:

Table corners have 4" radius

Table legs come with adjustable glides up to 1/2"

A-leg has removable infill for wire management capabilities

One of the A-Legs will come with an infill with a small hole to run wires out the bottom

Reinforcement bars have wire management capabilities

Optional Electrics

In-surface power+USB module available, offered in silver finish

Optional side-mount USB module, offered in black finish

Options:

Widths:	72", 84", 96", 108", 120", 132", 144"
Depths:	42", 48"
Worksurface Laminate	
A-Leg paint

no Grommet

With Grommet

What's Included:

- Worksurface
- Modesty
- V-leg
- Reinforcement bar
- Credenza mounting box

How to Specify:

Notes:

Application is for layout with a freestanding hutch or a gallery wall

Options:

Widths:	60", 66", 72", 78", 84"
Depths:	30"
Laminate	
Paint Finish	
Electrics

Caution

Load Bottom Drawer First

- Operate one drawer at a time
- Units may tip if loaded incorrectly
- Units should be attached to a wall or other furniture to reduce tipping hazard
- Always load the heaviest files in the bottom drawer

Heavy Load

- Some products must be anchored to wall to ensure stability & safety.
- It is the owner and installers responsibility to ensure that the wall type and construction is of sufficient strength to carry the loads of any wall mounted products and their contents.
- Failure of the wall and anchors to support all imposed loads may result in property damage and/or personal injury.
- Tayco can provide size and empty weight of its products only. As wall blocking is considered a building construction process, Tayco cannot provide recommendations in this respect and cannot be responsible for damage or injury that may occur as a result of improper installation and/or blocking.

Instability Hazard

Mobile items on casters such as flip top, personal and movable tables of any type and storage items of any type may present an instability hazard if not secured correctly while in use or in storage. Flip top tables or training tables of any type, are inherently more unstable when folded. Tayco provides the following guidelines & warnings when using mobile products:

- Lock casters immediately after moving. Do not leave the casters unlocked when in use or in storage.
- Motion may increase the instability of any item with casters. If the wheels hit an obstruction the table's forward momentum often causes overturn, especially if the item is not equipped with wheel extensions. Exercise strong caution while moving these items.
- Use caution when abrupt level changes in the floor are present (such as a doorway or room threshold) as caster failure or tipping may result.
- Do not stand, sit or lean on mobile items for support. They are not intended for this use and personal injury or property damage may result.
- Mobile units that feature height adjustable elements must be lowered to the minimum compressed height when moving to prevent instability. It is also recommended the user remove all computer equipment or other accessories to prevent possible weight imbalance or damage to equipment.
- Failure to follow the guidelines above may result in property damage or personal injury.

Overview

Tayco introduces Metro, a full line of case goods and conference furniture.

Metro is divided into three distinct product groups for ease of specifying: Executive, Professional and Conference. The prefix of the product code indicates the product group.

T – Metro Executive
TL – Metro Professional
TB – Metro Conference

Metro Executive and Professional series contain the building blocks for the CEO's office, a flexible team environment or a welcoming reception area. An abundance of freestanding storage towers are available for places to hang your coat, file important papers or store personal items. Whether you need to create an impression, save space or encourage collaboration, Metro does it all.

Metro Conference can be formal or casual, a place for working meetings, video-conferencing or large presentations. It customizes to your needs through a wide selection of sizes and mix-and-match table shapes and base styles. Cabinetry has been made larger to match the proportions of the conference room. Accessory items such as audiovisual cabinets, mobile media centers, lecterns, whiteboards and serving cabinets round out the line.

Metro Executive and Conference feature 1.5"-thick worksurfaces, hutch and freestanding storage tops. These items also have a choice of Straight or Gothic trim styles. Metro Professional has 1"-thick worksurfaces, hutch tops, filing and storage tops with a straight 2-mm vinyl edge.

desks, returns, bridges and credenzas
Desks are available with a choice of recessed or flush modesties. Metro desks, end gables and modesties are made with 45 lb./cubic foot density industrial-grade composite wood core, finished on both sides. Many pieces are available with partial or full modesties. Partial modesties (12"H) should be ordered only for pieces located next to a wall. Otherwise, full modesties should be used.

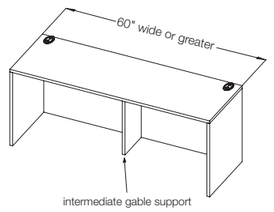

pedestals
All pedestal drawers are outfitted with full extension slides. Drawers can be easily removed by releasing the small catches on either side of the slide. Pedestals come standard with locks. One lock will lock both file drawers in a file/file pedestal and one box drawer and the file drawer in the box/box/file pedestal. File drawers will accommodate legal- or letter-size documents.

freestanding storage and combo cabinets
Various combination filing and storage units provide a place to hang a coat, store personal items and documents to suit any individual's needs.

intermediate gable supports
Some configurations require the use of an intermediate gable support. This support must be ordered separately. The situations requiring an intermediate gable support are:

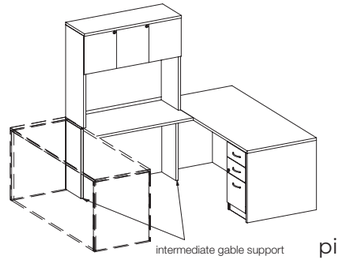

> For use under surfaces 60" wide or greater where there is no filing or storage to support the worksurface (see picture 1). This applies to Metro Professional only. The intermediate support is not necessary for Metro Executive configurations, unless a hutch is placed over a bridge or return surface (see picture 2).

surfaces 60" wide or greater

picture 1

under surfaces with a hutch

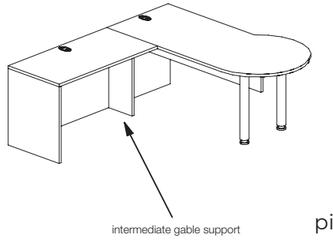

picture 2

> Under return surfaces where the return meets the primary desk or Peninsula table. This applies to Metro Professional only.

The 12" wide intermediary gable is for 21"- and 24"-deep surfaces and the 18"-wide intermediate gable is used with 30"- and 36"-deep worksurfaces.

universal gable support

picture 3

accessories
Computer accessories include flat-screen monitor arms, articulating keyboard trays and CPU holders.

Heavy-duty flat-screen monitor arms adjust to the user while storing wires within the arm. The monitor mounting plate meets VESA standards to accommodate most monitors. Monitor arms can be grommet- or clamp-mounted to the worksurface. Articulating and retractable keyboard trays and mobile or underdesk-mounted CPU holders complete the workstation.

Hutch-mounted tackboards can be finished in any Tayco standard fabric to match the office decor. The conference room whiteboard comes standard with a dry erase board and two fabric-wrapped tackboards.
Standard task lights are available in two sizes and come with vertical wire management. An optional task light is available.

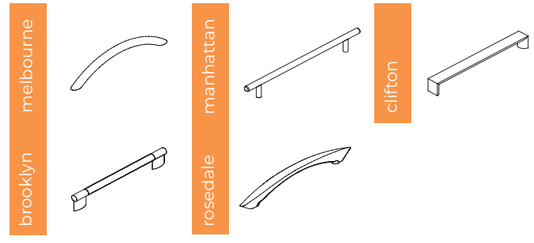

hutches and cabinets
Hutch and cabinet doors come in a choice of classic laminate or aluminum-framed frosted acrylic. Hutches with laminate doors always come standard with locking doors.
Hutches come open or closed, with or without pigeonholes and a flexible apron for wire management. Optional hutch mounted tackboards finished in any of Tayco fabrics can be ordered to complete the look.

coffee and end tables
Metro coffee and end tables coordinate with reception units and are available with or without a fixed shelf.

bookcases
Straight and radius bookcases have height-adjustable shelves with the exception of any desk-height shelves. They are fixed to add structural stability to the bookcase.

handle details
Six handle options are available in choice of colors. Melbourne is the standard handle option unless otherwise specified on your Purchase Order. All Executive and Professional handles are 5" long.

brooklyn melbourne manhattan rosedale clifton

default vinyl color selections
Each laminate comes with matching vinyl trim color unless otherwise specified on your purchase order. Refer to the laminate finish card for details.

edge profile
Metro Executive, Professional and Conference is available in a straight edge profile.

straight

Straight profile is available in:
> Executive
> Professional
> Conference

decorative trim placement

Generally the decorative trim is placed on the exposed surface edge.
Straight trim is applied to surface edges that are placed next to a wall or another surface.

desks

tables

returns and bridges

filing and storage

hutches

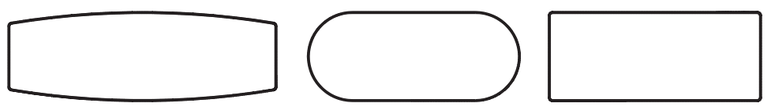

credenzas

bookcases

conference tables

coffee & end tables

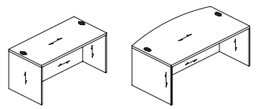

grain direction

Horizontal Surfaces
When ordering a directional laminate, the grain will run the direction of the width of the worksurface (excluding bridge surfaces), hutch or storage top. Grain on bridge modesty runs vertically so the grain will run the same direction on the entire suite.

Vertical Surfaces
Directional laminates run vertically on vertical surfaces such as cabinet doors, pedestal drawer fronts and gables, as well as all cabinet, lateral file and pedestal kick-plates. The grain runs horizontally across the width of modesty panels.

Note: Boardroom tables with tops comprised of 2 or more pieces will not have a consistent grain pattern.

filing options

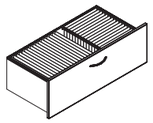

Pedestal file drawers can accommodate letter- or legal-size documents. Letter-size papers can be filed either front to back or side to side. Lateral drawers can accommodate front to back or side to side filing of legal- or letter-size documents.

Disclaimer: Please note that lateral file drawers are intended for filing letter and legal size paper front to back or side to side only. For details and weight restrictions please contact customer service.

1.5” Straight Tabletop w/Power and Data

How to Specify:

Each laminate comes with matching vinyl trim color unless otherwise specified on your purchase order. Refer to the laminate finish card for details.

Notes:

Tabletops 72”-96”W are configured in one-piece top.

Tabletops 108”-192”W are configured in two-piece tops.

Tabletops 204”-240”W are configured in three-piece tops.

Single-piece tabletops are equipped with one power and data grommet, two-piece tabletops are equipped with two power and data grommets, and three-piece tabletops are equipped with three power and data grommets.

Two power and dual USB-A receptacles with 3 open slots to accommodate RJ11, RJ45, HDMI, VGA or Stereo. Items for 3 open slots must be specified and purchased separately.

Boardroom tables with tops comprised of 2 or more pieces will not have a consistent grain pattern.

Options:

1.5” Racetrack Tabletop w/Power and Data

How to Specify:

Each laminate comes with matching vinyl trim color unless otherwise specified on your purchase order. Refer to the laminate finish card for details.

Notes:

Tabletops 72”-96”W are configured in one-piece top.

Tabletops 108”-192”W are configured in two-piece tops.

Tabletops 204”-240”W are configured in three-piece tops.

Single-piece tabletops are equipped with one power and data grommet, two-piece tabletops are equipped with two power and data grommets, and three-piece tabletops are equipped with three power and data grommets.

Two power and dual USB-A receptacles with 3 open slots to accommodate RJ11, RJ45, HDMI, VGA or Stereo. Items for 3 open slots must be specified and purchased separately.

Boardroom tables with tops comprised of 2 or more pieces will not have a consistent grain pattern.

Options:

laminate color

edge profile

grommet color (for tabletops with power and data)

OVERVIEW

Tayco introduces Metropolis Collaborate, a full line of casegoods with a post and screen component that refreshes open spaces, private, and semi-private work areas for today's office environment. Collaborate is divided into two distinct product groups for specifying: Executive and Professional. Executive offers surfaces and tops that are 1.5" thick, Professional offers 1" thick. Listed below are features and benefits of collaborate along with a typical layout.

1

a. Aluminum posts are available in 8, 12, 16, 24, 32 inches high.
b. Large posts are required to support overhead storage.
c. Hutches 54 inches and wider require 4 posts in a single span.
d. Transaction countertops 54 inches and wider require 4 small aluminum posts.
e. Posts are available in silver, black, and ginger.

2

a. Screens are available in tackable fabric, laminate, whiteboard, glazed or with accessory slots.
b. Heights are available in 4, 8, 12, 16, 20, 24, 32 inches high.

3

a. Countertops are available in tempered glass and laminate finishes.
b. They are supported by small aluminum posts.

4

a. Overhead storage is available for assorted desk layouts, optional features include: open, hinged doors, glazed and open laminate.

application guidelines Step 1

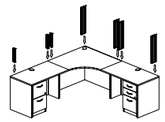

STEP

1

EXPLAINED

First select the appropriate base components to fit the space planning needs of your customer. Below is a typical corner workstation that consists of the basic items commonly used in today's office environment.

NEXT

CURVED FRONT CORNER

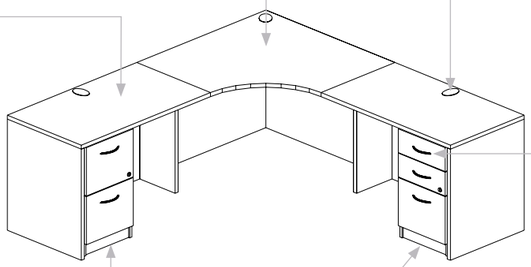

This item is for use in corners when connected to returns or bridges.

GROMMET

Grommets are available in black or silver. Black is the standard grommet option unless otherwise specified on your Purchase Order.

STRAIGHT RETURNS

This return is semi-supported, it must be connected to a freestanding desk, corner desk or credenza. Allows for fixed and modular underdesk storage.

HANDLES

Six handle options are available in several styles and colors. Melbourne is the standard handle option unless otherwise specified on your Purchase Order.

UNDERDESK FF PEDESTAL

This return is semi-supported, it must be connected to a freestanding desk, corner desk or credenza. Allows for fixed and modular underdesk storage. All pedestals come standard with locks.

UNDERDESK BBF PEDESTAL

This product includes box and file drawers and can be used under a desk, return or credenza for storage. Its full extension drawers can accommodate both letter and legal-size paper. All pedestals come standard with locks and pencil trays.

COLORS

Brushed Nickel (standard)

Ginger

Black

Polished Metal

Silver

application guidelines Step 2

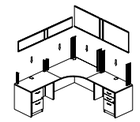

STEP

2

EXPLAINED

Select the appropriate post heights to fit the specification needs by your customer. There are only two post structures to work with. Small posts support countertops and all screen heights. Large posts support overheads in conjuction with large screens.

NEXT

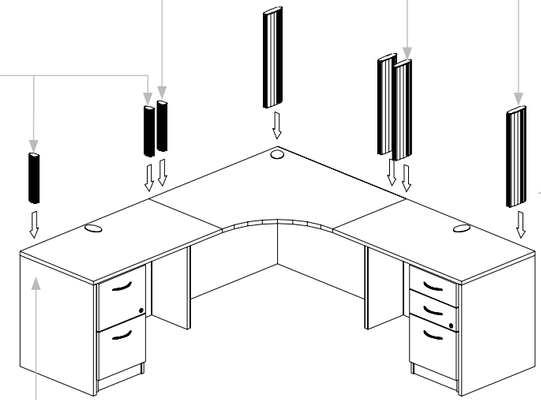

SMALL POSTS

These posts will support a screen only since the transaction top will only span the return. Available in silver, black and ginger.

LARGE POSTS

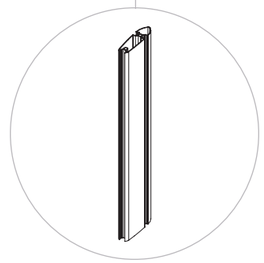

Large aluminum posts are required to support overhead storage. Hutches 54" and wider require 4 posts in a single span. These posts will also hold the approprate screen in place. Available in silver, black and ginger.

SMALL POSTS

These small posts will support a glass transaction top and screen. Countertops 54" and wider require 4 small posts. Available in silver, black and ginger.

application guidelines Step 3

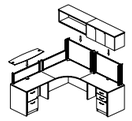

STEP

3

EXPLAINED

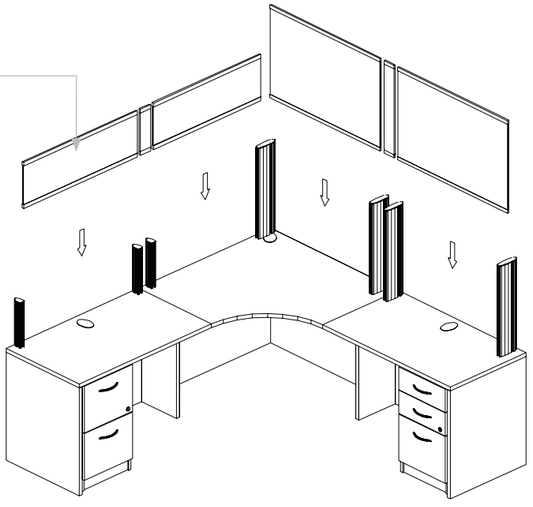

Choose the appropriate screen heights based on post heights. Metropolis Collaborate offers several screen types: laminate, fabric, glazed, whiteboard, and accessory.

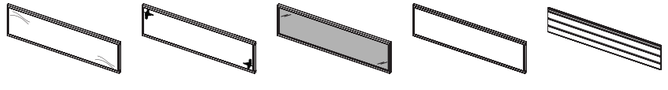

NEXT

SCREENS

Screens selected in conjunction with corresponding post height and surface width.

Laminate Fabric Glazed Whiteboard Accessory

application guidelines Step 4

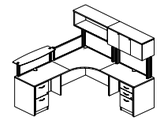

STEP

4

EXPLAINED

Overhead storage and hutches can now be added to any 24” large vertical posts. In this case an Open and Hinged Door Hutch are being used for storage. A transaction top is placed on the smaller posts.

COMPLETE

OPEN HUTCH

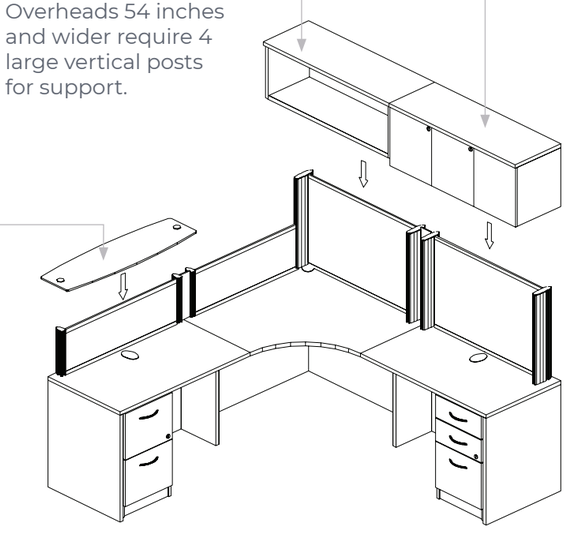

Provides overhead storage within the workstation. Overheads 54 inches and wider require 4 large vertical posts for support.

HINGED DOOR HUTCH

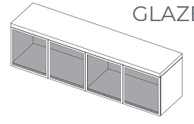

Provides overhead storage within the worksation. Overheads 54 inches and wider require 4 large vertical posts for support.

TRANSACTION TOP

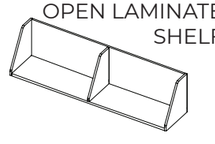

Transaction tops are available in tempered glass, 1 & 1.5 inches thick laminate surfaces. Transaction tops 54 inches and wider require 4 small vertical posts for support.

HINGED DOOR HUTCH GLAZED

OPEN LAMINATE SHELF

application guidelines Step 5

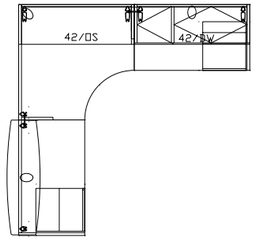

STEP

5

EXPLAINED

The workstation is now complete. Providing detailed floorplans with each order will help avoid errors when quoting Metropolis Collaborate. Tayco can assist with space planning needs by generating proper layouts and pricing.

FLOORPLAN

CURVED FRONT CORNER

This item is for use in corners when connected to returns or bridges.

SCREENS

Screens selected in conjunction with corresponding post height.

TRANSACTION TOP

Transaction tops are available in tempered glass, 1 & 1.5 inches thick laminate surfaces. Transaction tops 54 inches and wider require 4 small vertical posts for support.

STRAIGHT RETURN

This return is semi-supported, it must be connected to a freestanding desk, corner desk or credenza. Allows for fixed and modular underdesk storage.

UNDERDESK FF PEDESTAL

This return is semi-supported, it must be connected to a freestanding desk, corner desk or credenza. Allows for fixed and modular underdesk storage. All pedestals come standard with locks.

OPEN HUTCH

Provides overhead storage within the worksation. Overheads 54 inches and wider require 4 large vertical posts for support.

HINGED DOOR HUTCH

Provides overhead storage within the workstation. Overheads 54 inches and wider require 4 large vertical posts for support.

GROMMET

Grommets are available in black or silver to coordinate with furniture. Black is the standard grommet option unless otherwise specified on your Purchase Order.

HANDLES

Six handle options are available in several colors. Melbourne is the standard handle option unless otherwise specified on your Purchase Order. (Refer to “HANDLES” on page 10 for styles and color).

UNDERDESK BBF PEDESTAL

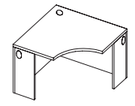

This product includes box and file drawers and is to be used under a desk, return or credenza for stability. Its full extension drawers can accommodate both letter and legal-size paper. All pedestals come standard with locks.

application guidelines Grain direction

HORIZONTAL SURFACES

When ordering a directional laminate, the grain will run the direction of the width of the worksurface (excluding bridge surfaces), hutch or storage top. Grain on bridge modesty run vertically so the grain will run the same direction on the entire suite.

VERTICAL SURFACES

Directional laminates run vertically on vertical surfaces such as cabinet doors, pedestal drawer fronts and gables, as well as all cabinet, lateral file and pedestal kick-plates. The grain runs horizontally across the width of modesty panels.

Caution

Load Bottom Drawer First

- ☐ Operate one drawer at a time
- ☐ Units may tip if loaded incorrectly
- ☐ Units should be attached to a wall or other furniture to reduce tipping hazard
- ☐ Always load the heaviest files in the bottom drawer

Heavy Load

- ☐ Some products must be anchored to wall to ensure stability & safety.
- ☐ It is the owner and installers responsibility to ensure that the wall type and construction is of sufficient strength to carry the loads of any wall mounted products and their contents.
- ☐ Failure of the wall and anchors to support all imposed loads may result in property damage and/or personal injury.
- ☐ Tayco can provide size and empty weight of its products only. As wall blocking is considered a building construction process, Tayco cannot provide recommendations in this respect and cannot be responsible for damage or injury that may occur as a result of improper installation and/or blocking.

Instability Hazard

Mobile items on casters such as flip top, personal and movable tables of any type and storage items of any type may present an instability hazard if not secured correctly while in use or in storage. Flip top tables or training tables of any type, are inherently more unstable when folded. Tayco provides the following guidelines & warnings when using mobile products:

- ☐ Lock casters immediately after moving. Do not leave the casters unlocked when in use or in storage.
- ☐ Motion may increase the instability of any item with casters. If the wheels hit an obstruction the table's forward momentum often causes overturn, especially if the item is not equipped with wheel extensions. Exercise strong caution while moving these items.
- ☐ Use caution when abrupt level changes in the floor are present (such as a doorway or room threshold) as caster failure or tipping may result.
- ☐ Do not stand, sit or lean on mobile items for support. They are not intended for this use and personal injury or property damage may result.
- ☐ Mobile units that feature height adjustable elements must be lowered to the minimum compressed height when moving to prevent instability. It is also recommended the user remove all computer equipment or other accessories to prevent possible weight imbalance or damage to equipment.
- ☐ Failure to follow the guidelines above may result in property damage or personal injury.

Straight Desk Full Modesty,
1.5” Thick Surface

This desk can be used alone or connected to a bridge or return to complete a full workstation. Allows for fixed and modular underdesk storage.

Ordering Options:

Use the following checklist to customize the finishes on your order:

- ☐ laminate
- ☐ trim color
- ☐ edge profile
- ☐ grommet color

Each laminate comes with matching vinyl trim color unless otherwise specified on your purchase order. Refer to the laminate finish card for our current offering.

Details:

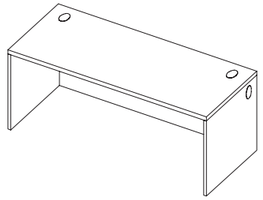

Modesty is full height.

Grommets are available in black or silver. Black is the standard grommet option unless otherwise specified on your purchase order.

Surfaces up to and including 48” wide have one grommet located at the back center of the surface. Surfaces 54” wide and greater have two grommets at either side of the back of the surface.

All gables include grommets

Caution

Load Bottom Drawer First

- Operate one drawer at a time
- Units may tip if loaded incorrectly
- Units should be attached to a wall or other furniture to reduce tipping hazard
- Always load the heaviest files in the bottom drawer

Heavy Load

- Some products must be anchored to wall to ensure stability & safety.
- It is the owner and installers responsibility to ensure that the wall type and construction is of sufficient strength to carry the loads of any wall mounted products and their contents.
- Failure of the wall and anchors to support all imposed loads may result in property damage and/or personal injury.
- Tayco can provide size and empty weight of its products only. As wall blocking is considered a building construction process, Tayco cannot provide recommendations in this respect and cannot be responsible for damage or injury that may occur as a result of improper installation and/or blocking.

Instability Hazard

Mobile items on casters such as flip top, personal and movable tables of any type and storage items of any type may present an instability hazard if not secured correctly while in use or in storage. Flip top tables or training tables of any type, are inherently more unstable when folded. Tayco provides the following guidelines & warnings when using mobile products:

- Lock casters immediately after moving. Do not leave the casters unlocked when in use or in storage.
- Motion may increase the instability of any item with casters. If the wheels hit an obstruction the table's forward momentum often causes overturn, especially if the item is not equipped with wheel extensions. Exercise strong caution while moving these items.
- Use caution when abrupt level changes in the floor are present (such as a doorway or room threshold) as caster failure or tipping may result.
- Do not stand, sit or lean on mobile items for support. They are not intended for this use and personal injury or property damage may result.
- Mobile units that feature height adjustable elements must be lowered to the minimum compressed height when moving to prevent instability. It is also recommended the user remove all computer equipment or other accessories to prevent possible weight imbalance or damage to equipment.
- Failure to follow the guidelines above may result in property damage or personal injury.

general instructions

installation checklist

Perform a site inspection prior to the installation date to check existing site conditions and identify constraints and limitations that could possibly cause delays or problems during the actual installation.

Site Accessibility

1. Verify existing loading facilities and proximity of loading dock to staging area.
2. Verify if receiving area is accessible by trailer.
3. Verify access to service elevators.
4. Reserve service elevators in advance, if necessary.

Site Preparation

1. Clear all obstacles that could interfere with the installation process.
2. When doing a reconfiguration, ensure that all furniture to be re-used is clear of computers, accessories, books, papers and all personal effects.
3. Ensure that all live wires and data/communications wires are disconnected prior to installation.

Furniture Plans

1. Labeled furniture plans for installation purposes are located in the hardware box. Ensure that drawings are complete and handy before beginning installation.

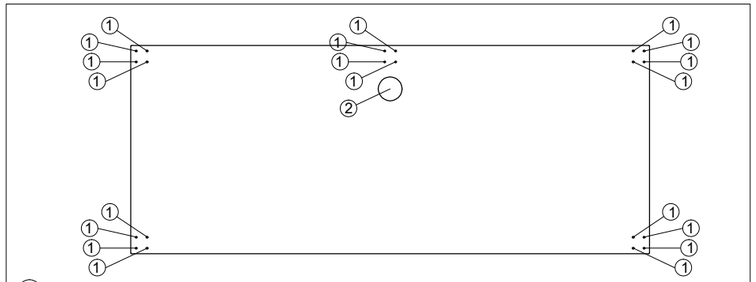

Waste Management

1. Establish a trash removal area separate from the product staging area.

installation sequence

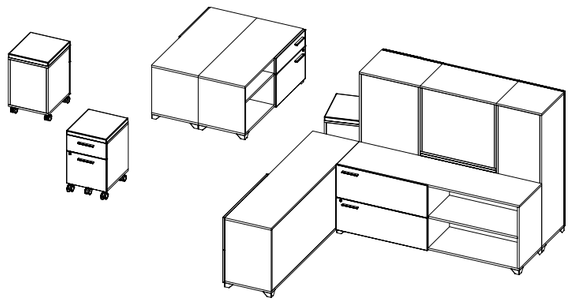

installation sequence

The following application guidelines provide detailed instructions for planning with the Elevation product line.

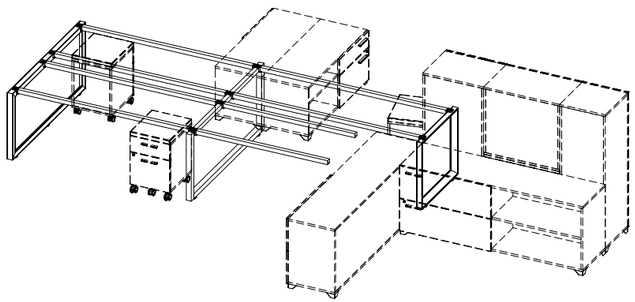

1. Position all the storages (Towers, cabinets, lateral files and cabinets).

2. Assemble all worksurface supports (gables and reinforcement bars).

STEP 1

STEP 2

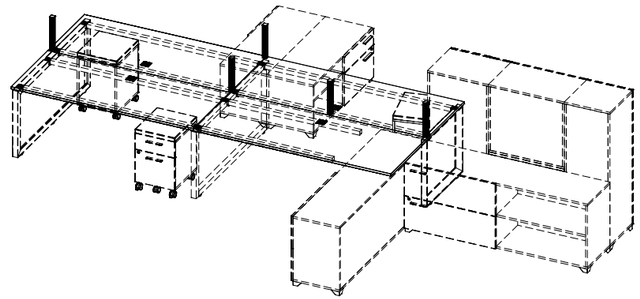

installation sequence (cont'd)

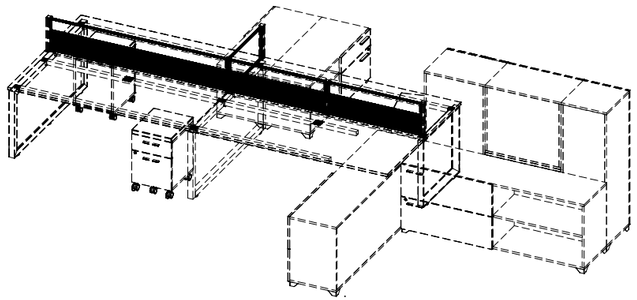

3. Install the posts to the surfaces. Position all worksurfaces. Mount them to the worksurface supports or credenza.

4. Install the screens.

STEP 3

STEP 4

screen post to surface

screen post to surface

1. To install the screen post, place worksurface face down on a solid surface or floor. Place a wooden block underneath the pre-drilled holes and level the worksurface. Drill through the pre-drilled holes with a 5 mm V-point drill bit, (Figure 1).

2. Flip the worksurface and place it on top of the assembled worksurface supports or elevated surfaces with the topside facing up. Place screen post in position shown in (Figure 2). Use four screws (4) to attach the screen post to the surface.

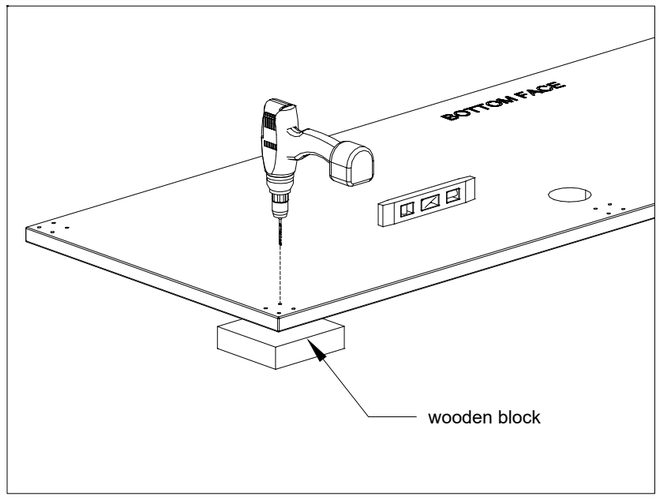

FIGURE 1

IMPORTANT NOTES:

- Do not drill all the pre-drilled holes, drill only where required as per furniture layout configuration.
- Check the layout for post positioning.

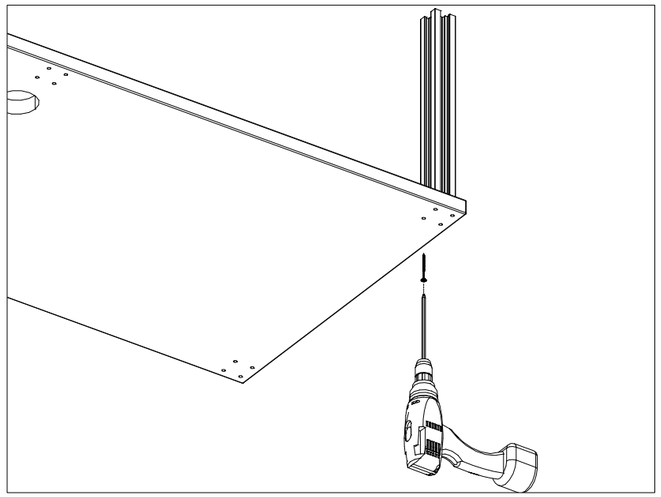

FIGURE 2

screens to screen post

screens to screen post

1. Make sure the posts are not tightly secured to the worksurface, (Figure 1).

2. Slide the bottom screen extrusion down the screen post, (Figure 2). For felt screen installation, see "felt screen to screen post".

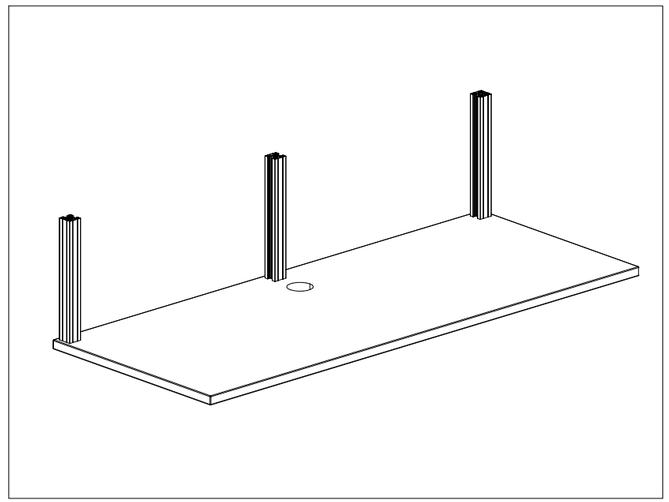

FIGURE 1

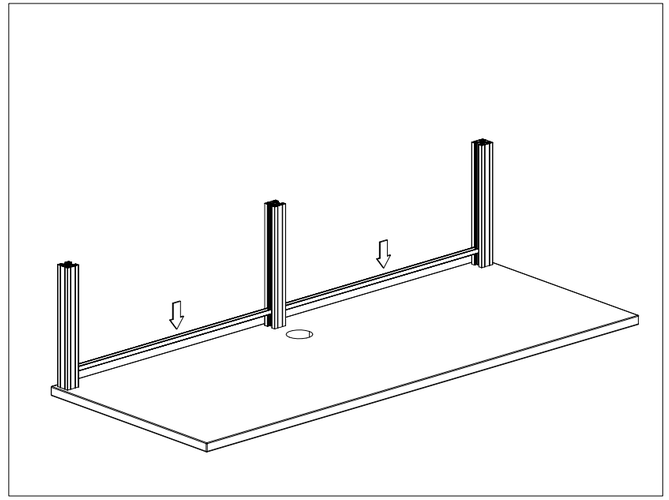

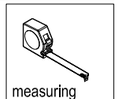

FIGURE 2

tools & hardware needed

measuring tape

screens to screen post (cont'd)

3. Insert the appropriate screen gasket into the screen post grooves, (Figure 3). Slide the gasket down the screen post until it bottoms out.

4. Slide the screen into the gaskets within the posts, (Figure 4).

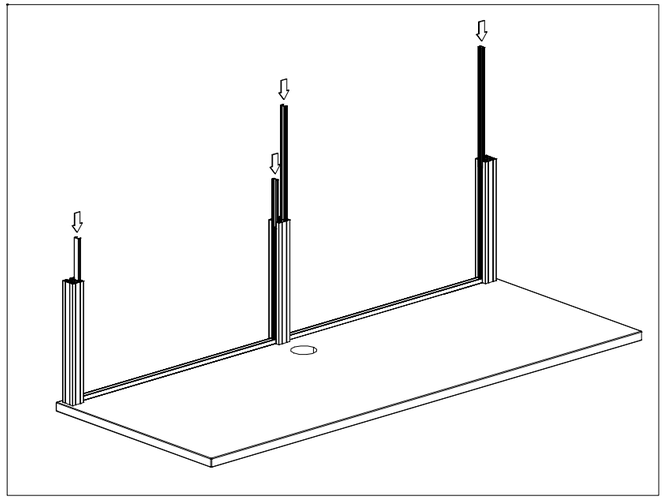

FIGURE 3

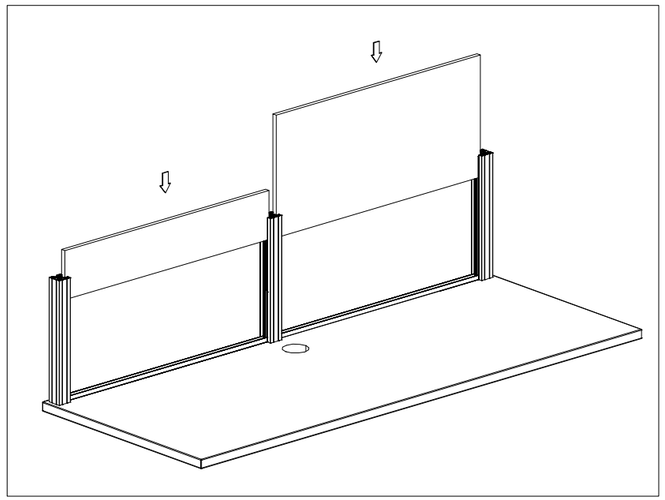

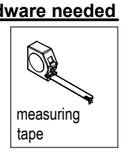

FIGURE 4

tools & hardware needed

screens to screen post (cont'd)

5. Place the top screen extrusion on top of the screen.

6. Repeat steps 3 to 5 until all screens are in position except accessory screen shown in (Figure 5).

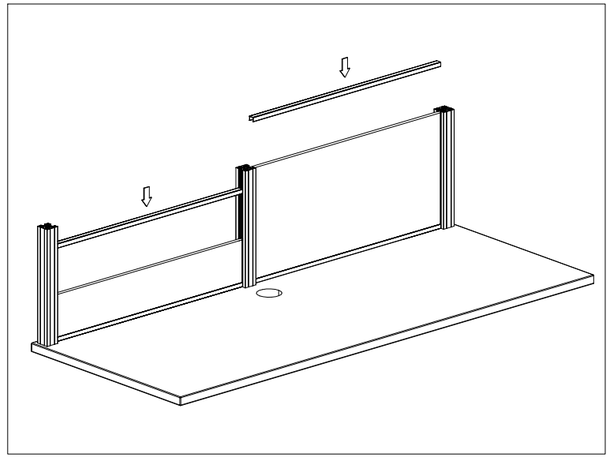

FIGURE 5

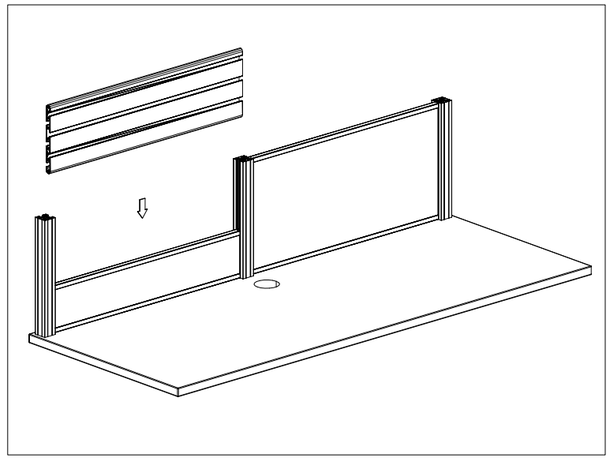

FIGURE 6

tools & hardware needed

SEPTEMBER 2015

scene 18

screens to screen post (cont'd)

7. Place the post top cap shown in (Figure 7).

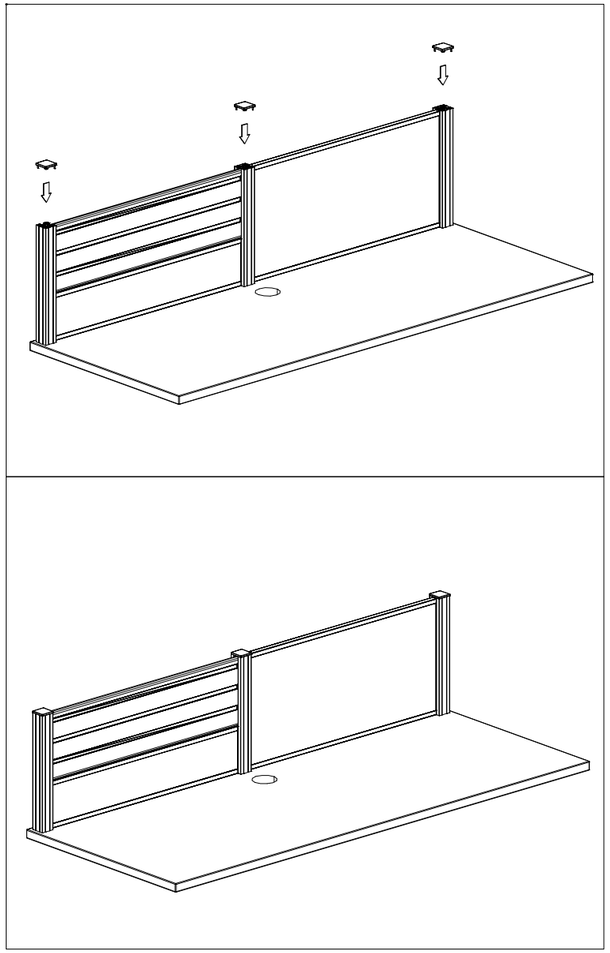

FIGURE 7

tools & hardware needed

end reinforcement bars to open center gable

1. Slide the bottom extrusion sideways, (Figure 1).

2. Slide the appropriate screen gasket down the felt screen, (Figure 2).

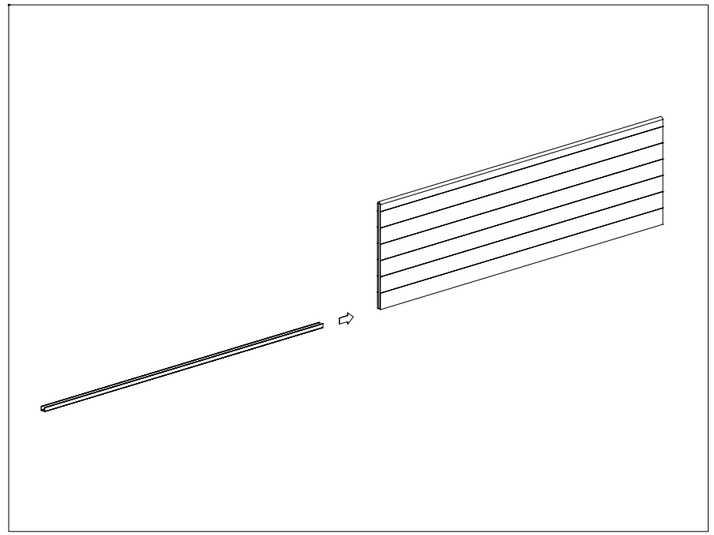

FIGURE 1

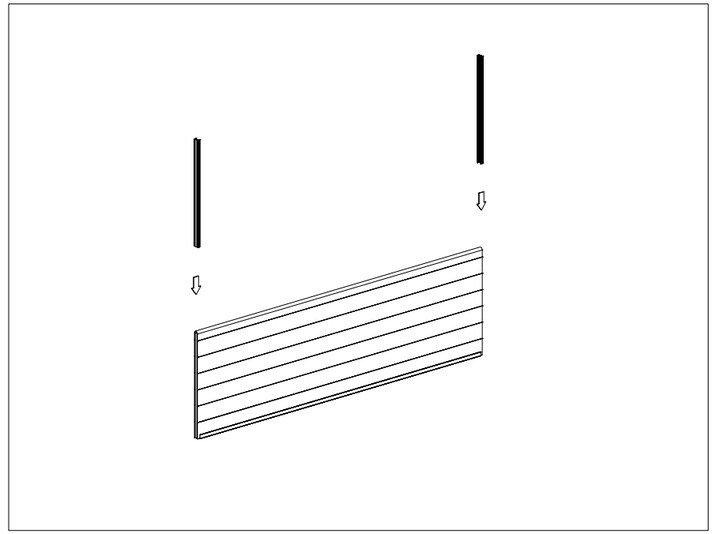

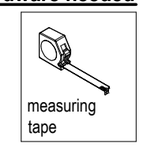

FIGURE 2

tools & hardware needed

shared reinforcement bars to open center gable

1. Ensure that the connector at the ends of the reinforcement beam is firmly attached; tighten the screws as necessary.

2. Attach the end connector to the end gable with 1/4 #20 1-inch quadrex pan head screws above, (Figure 1) and at the bottom, (Figure 2).

3. Proceed to attach the other end of the reinforcement bar to the required gable.

Figure 1

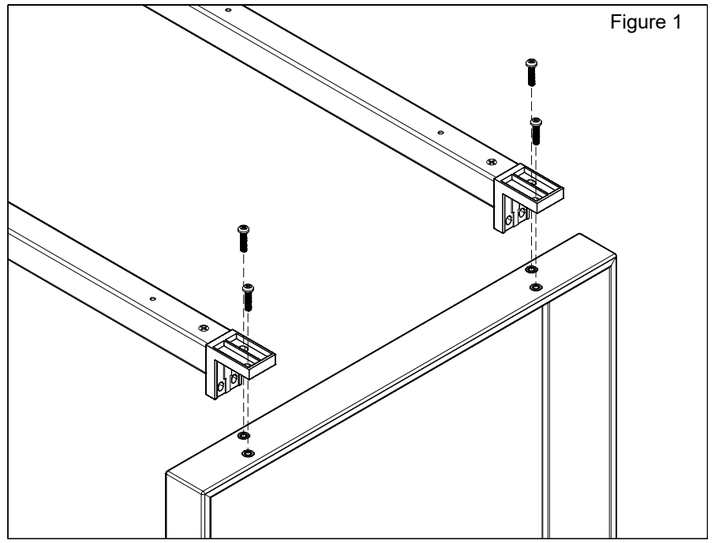

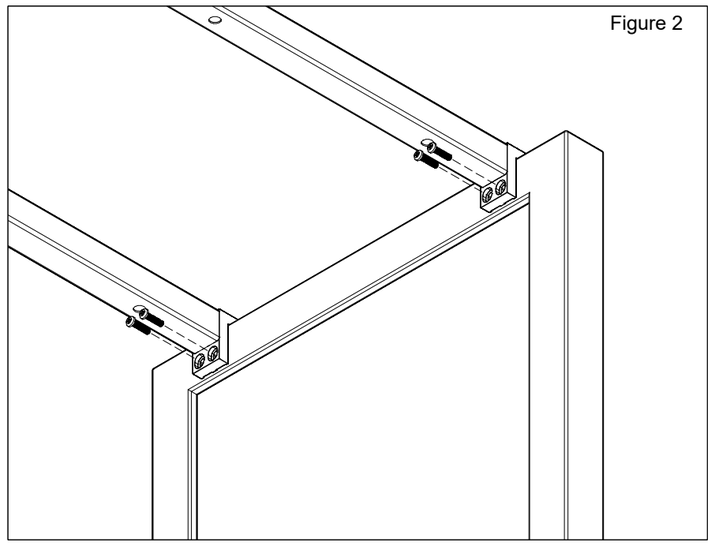

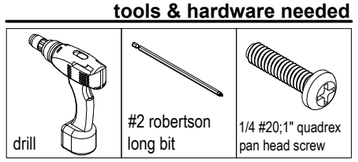

Figure 2

tools & hardware needed

no connector reinforcement bars to worksurface

1. Position the no connector reinforcement bars 3-1/16 inches from the edge of the worksurface, (Figure 1).

2. Attach the no connector reinforcement bars tothe worksurface with #10; 1-inch oval head screws (Figure 2).

Figure 1

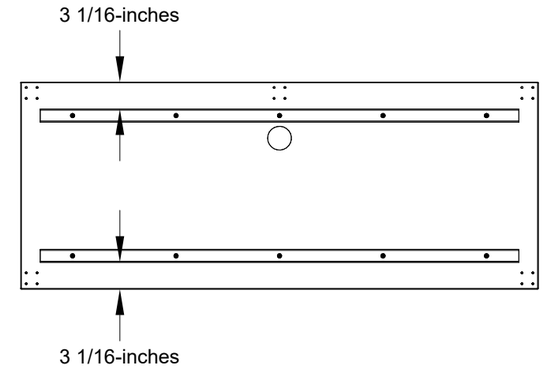

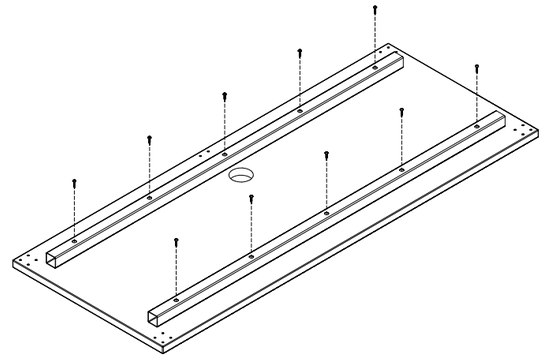

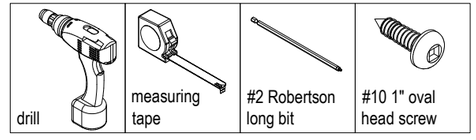

Figure 2

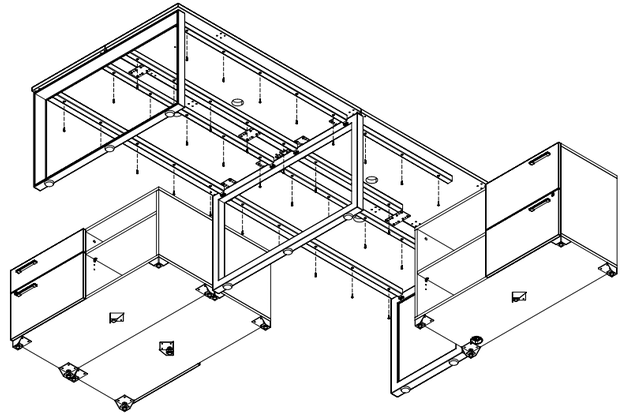

tools & hardware needed

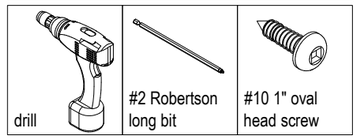

worksurface to worksurface flush plate

1. With the worksurface assembled; secure the worksurface to the reinforcement beams with #10; 1-inch oval head screws, (Figure 1).

Figure 3

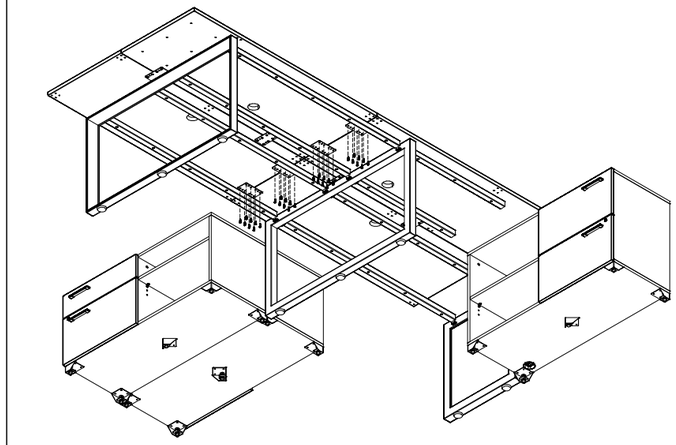

tools & hardware needed

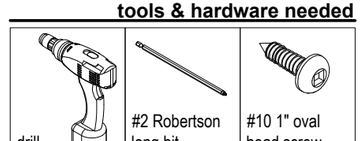

worksurface to worksurface flush plate (cont.)

3. Move the worksurface to one side and secure the remaining worksurfaces with flush plates and #10; 1-inch oval head screws, (Figure 3).

Figure 3

tools & hardware needed

flag storage installation

1. Install the required reinforcement beam to the flag storage support; following the instructions for end reinforcement bars to open end gables, (Figure 1; short beam shown).

2. Attach the the flag storage support with reinforcement to the bottom of the flag storage with 11/16-inch oval head screws, (Figure 2).

Figure 1

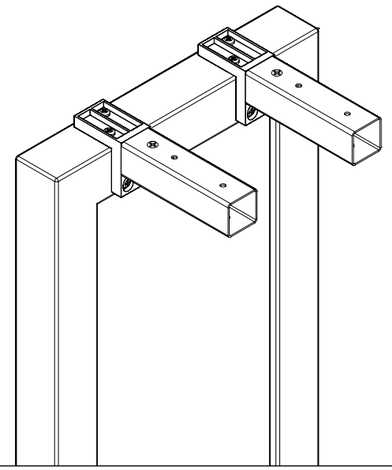

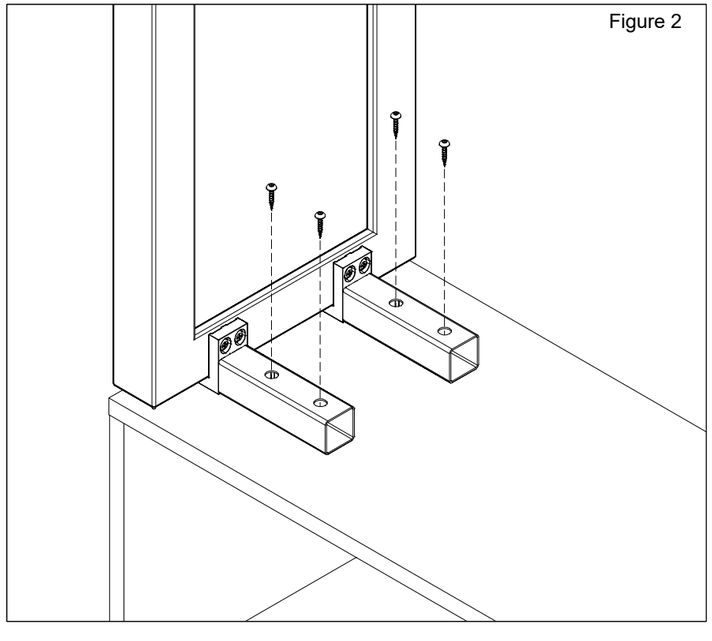

Figure 2

single post support

1. Position the single post support at the center of the surface and measure 11-1/4 inches from the edge of the support plate to the edge of the surface (Figure 1; D-top shown).

2. Secure the single post support with #10; 11/16-inch oval head screws, (Figure 2).

Figure 1

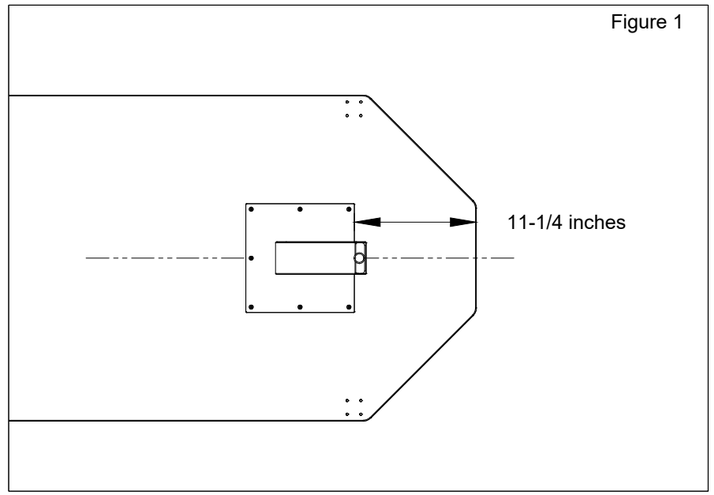

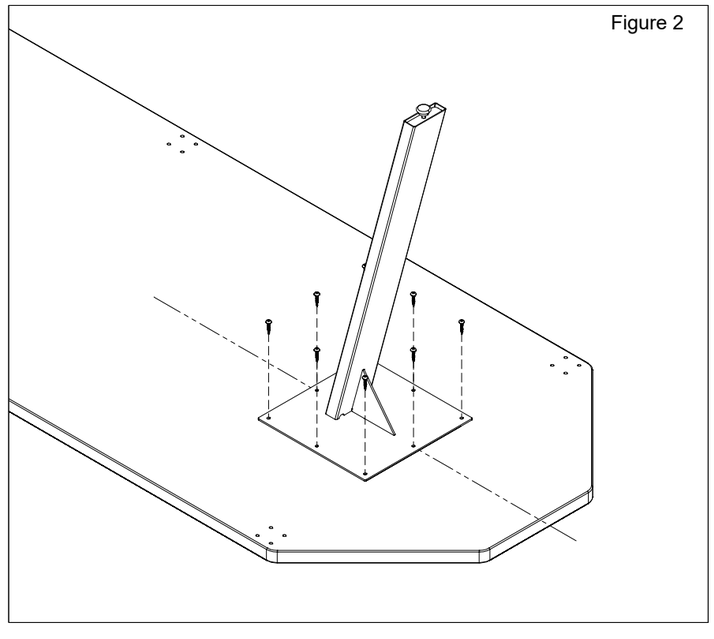

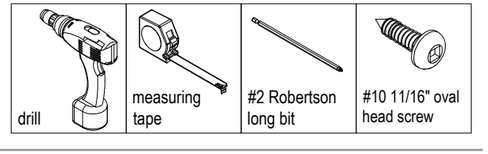

Figure 2

tools & hardware needed

low credenza to worksurface fixed support

1. Along the center of the worksurface, install the low credenza worksurface support 7-1/16 inches from the edge of the worksurface with #10; 11/16-inch oval head screws (Figure 1).

2. Mount the worksurface above the credenza and secure the reinforcement beams to the surface (Figure 2).

Figure 1

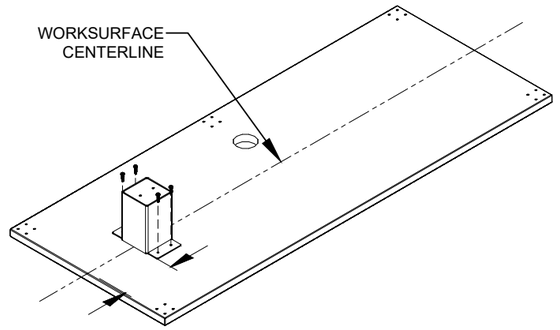

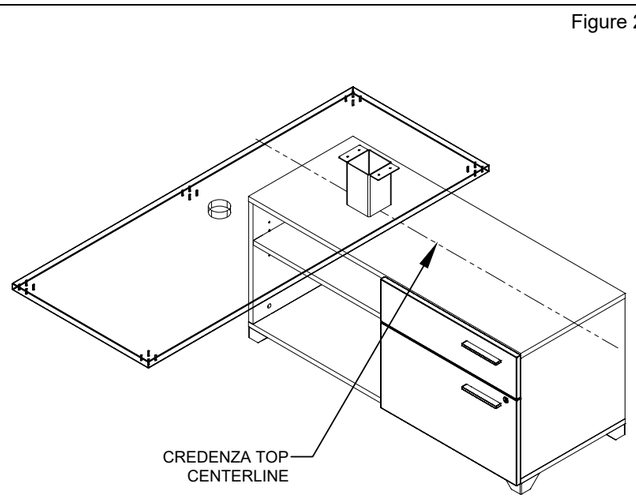

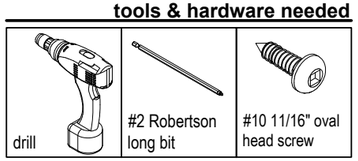

Figure 2

tools & hardware needed

low credenza to wide worksurface fixed support

1. Install two low credenza worksurface supports 5-3/8 and 7-1/16 inches from the edge of the worksurface with #10; 11/16-inch oval head screws (Figure 1).

2. Mount the worksurface above the credenza and secure the flush plates to the surface with #10; 1-inch oval head screws (Figure 2).

3. Align the credenza to the worksurface.

Figure 1

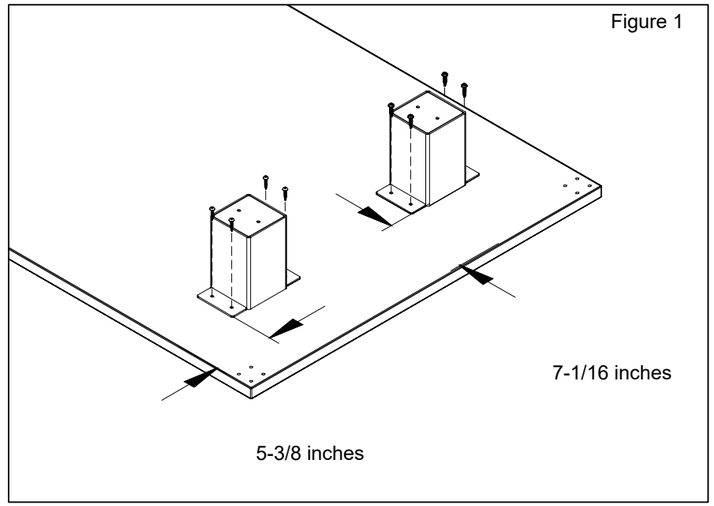

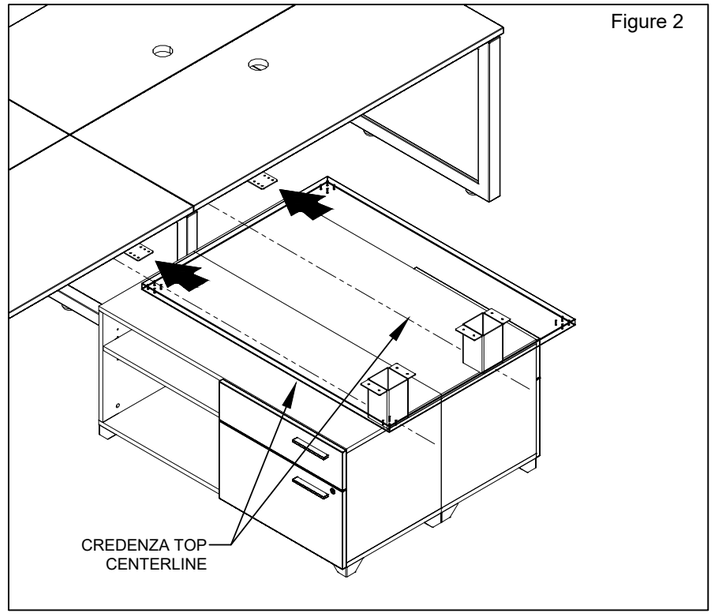

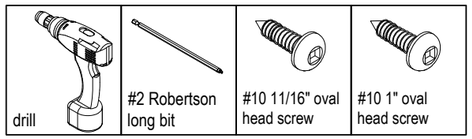

Figure 2

tools & hardware needed

worksurface to high credenza installation

1. From the inside of the credenza, drill through the top following the corresponding drilling points to match the inserts on the required worksurface depth, (Figure 1).

2. Secure the worksurface to the high credenza with #10-24; 1-1/4 inch machine screws, (Figure 2).

Figure 1

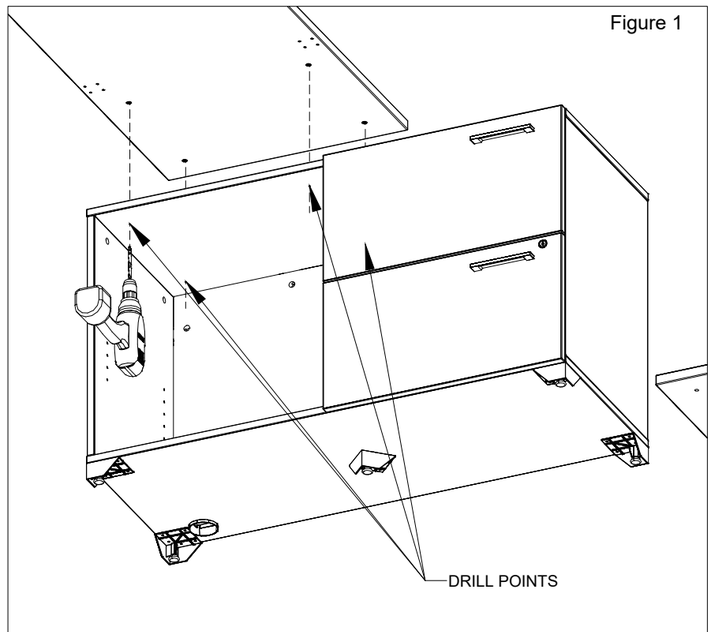

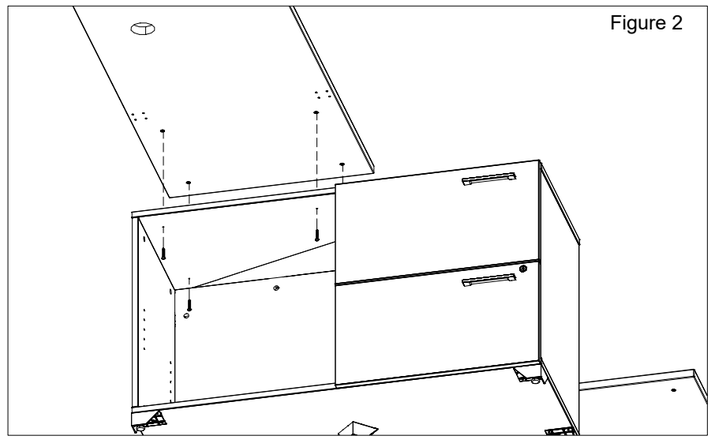

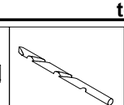

Figure 2

Figure 3

tools & hardware needed

 drill	 #2 Robertson long bit	 #10 1" oval head screw

front inset spacer to high credenza installation

1. Remove the drawers from the credenza by disengaging the safety lock on the sides of the drawer, (Figure 1).

2. From the inside of the credenza, drill through the top following the corresponding drilling points to match the required worksurface spacer, (Figure 2).

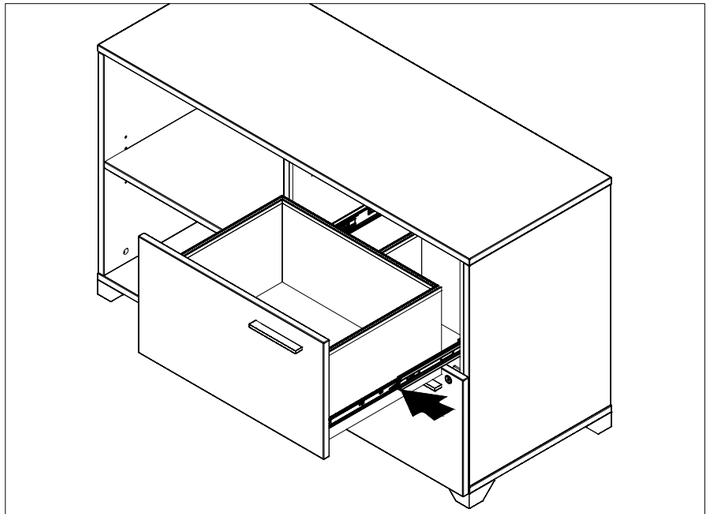

Figure 1

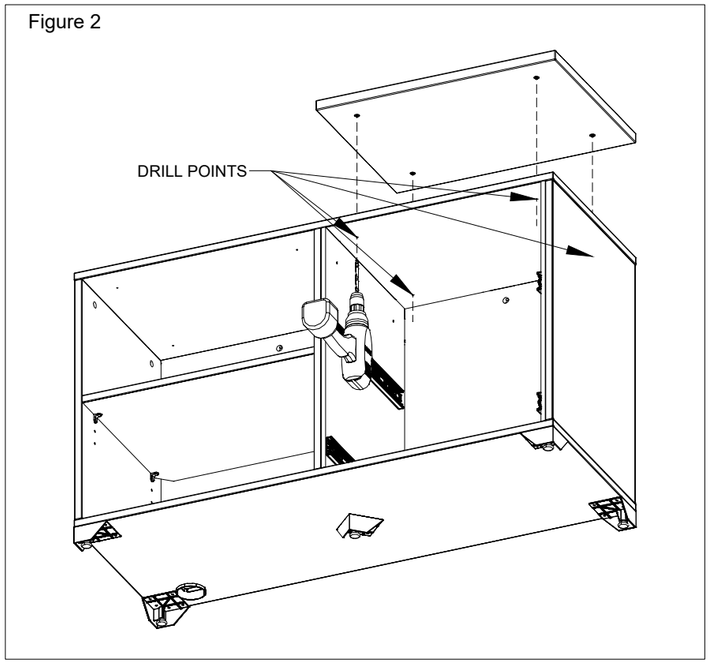

Figure 2

front inset spacer to high credenza installation (cont'd)

3. Figure 3 shows the bottom of the spacer with the inserts spaced 3 inches at the back and 2-1/2 inches in front.

4. Secure the inset spacer to the credenza with #10-24; 1-1/4 inch machine screws, (Figure 4).

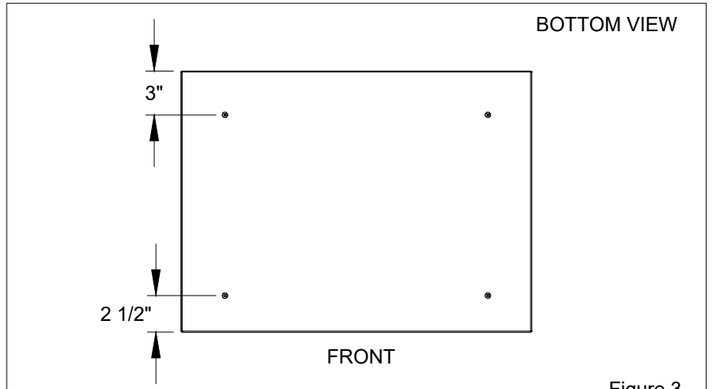

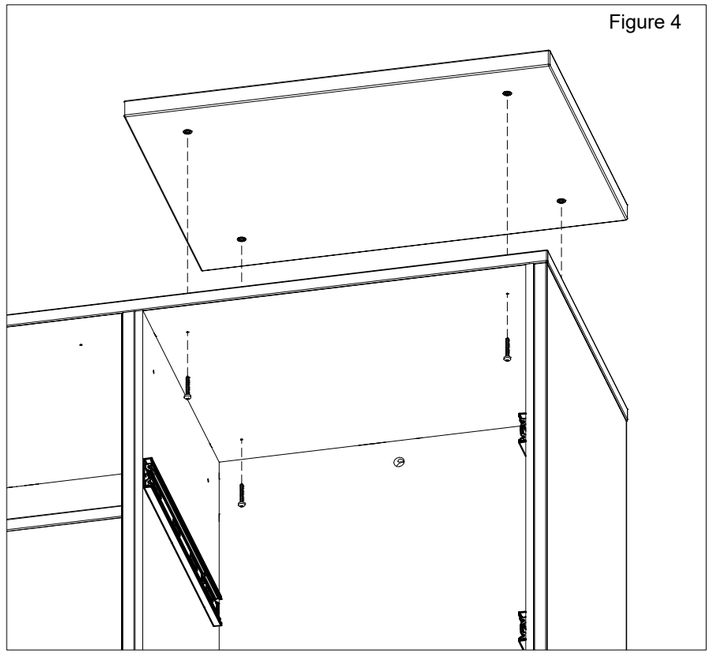

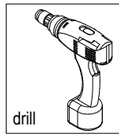

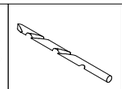

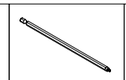

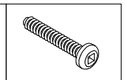

Figure 3

Figure 4

tools & hardware needed

 drill	 #3 drill bit	 #2 Robertson long bit	 #10-24; 1 1/4" machine screw

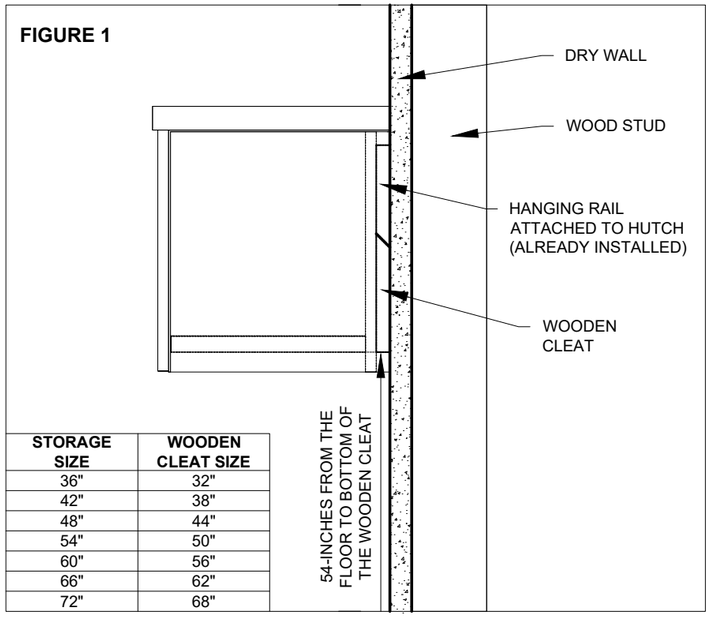

overhead storage - attachment to dry wall with wood studs

1. Find the location of the studs with a stud finder; make marks on the wall.

2. Mark the location of the wooden cleat on the wall and position it to the previously marked studs. The recommended height is 54-inches from the floor to the bottom of the wooden cleat. Use the following size as a guide for mounting the wooden cleats on the wall listed in Figure 1.

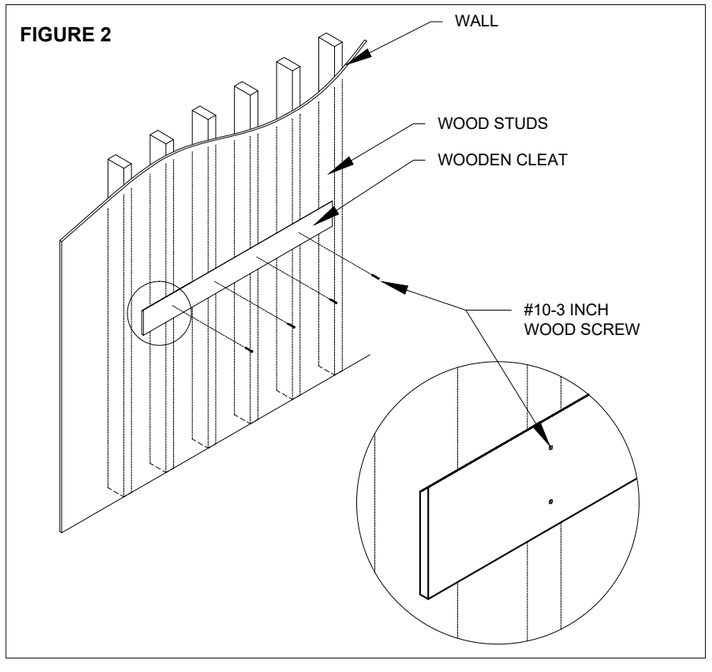

3. Level the wooden cleat and attach it to studs with #10, 3-inch wood screws, (Figure 2).

60"	56"
66"	62"
72"	68"

FIGURE 2

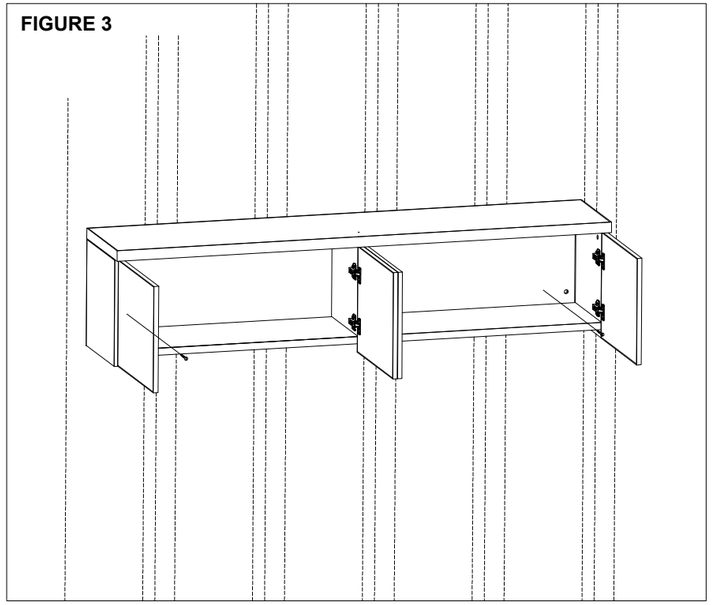

overhead storage - attachment to dry wall with wood studs (cont'd)

4. Hang the hutch over the installed wooden cleat.

5. Secure with #10, 3-inch wood screws from the inside back panel of the hutch through the wooden cleat, (Figure 3).

FIGURE 3

NOTES:

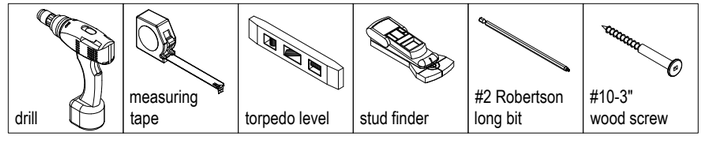

> use 6 screws for hutches w/o dividers (48-inches and 54-inches wide) and 8 screws for hutches with dividers (60-inches, 66-inches and 72-inches wide).

> make sure no electrical wires are on the way of the screws.

⚠ WARNING

It is the owner's responsibility to ensure that the wall type and construction is of sufficient strength to carry the loads of the overhead storage unit and its contents. Failure of the wall to support all imposed loads may result in property damage and/or personal injury. When in doubt, the use of other methods of storage such as freestanding storage units, hutches and bookcases is strongly recommended.

tools & hardware needed

credenza mounted storage to high credenza installation

1. Secure the credenza mounted storage to the spacer with two 1-1/2 inch flat head screws, (Figure 1).

2. The credenza mounted storage is mounted with 1/2 inch space at the front of the credenza; flush on the sides and at the back, (Figure 2).

Figure 1

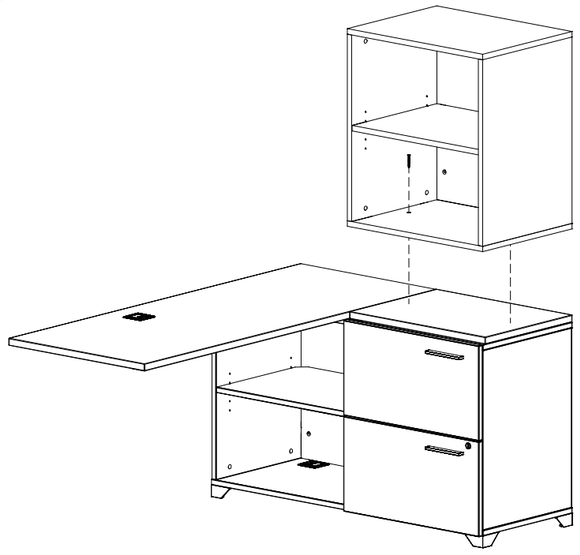

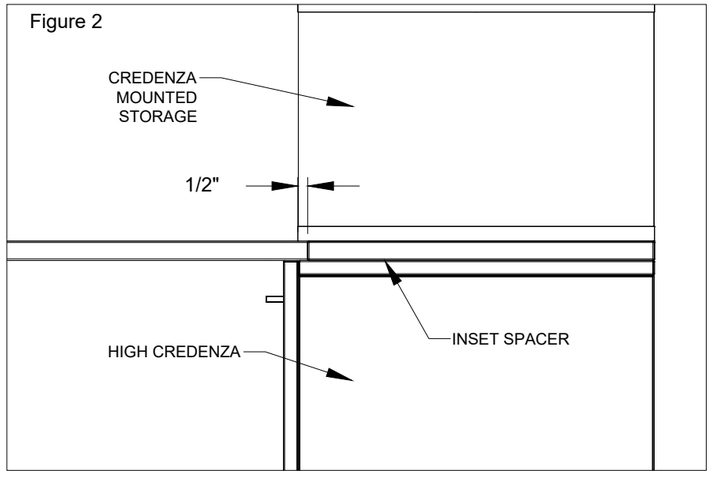

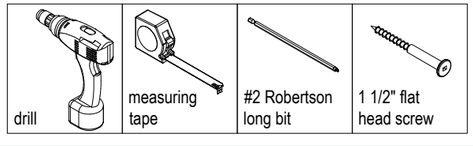

Figure 2

tools & hardware needed

surface mounted screen

1. Position the surface mounted screen to the worksurface (Figure 1).

2. Attach the surface mounted screen to the underside of the worksurface using #10 1" oval head screws (Figure 2).

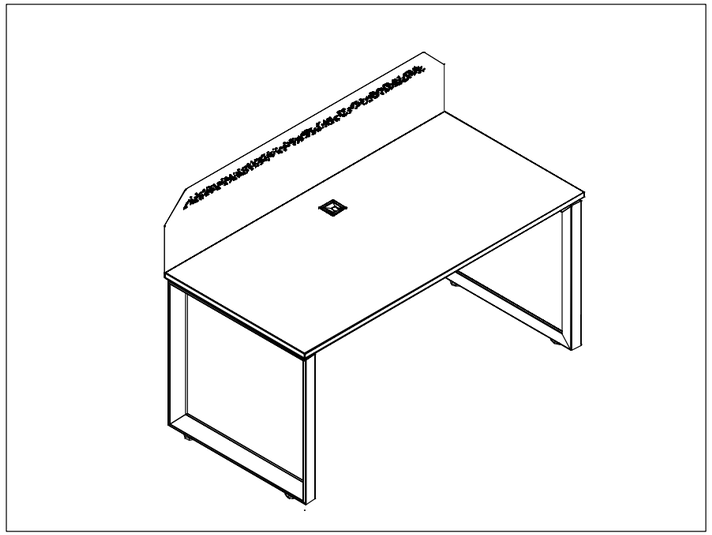

FIGURE 1

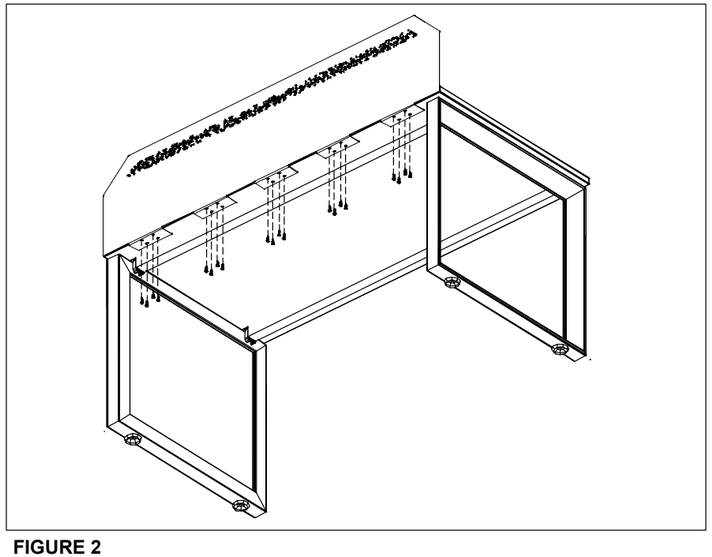

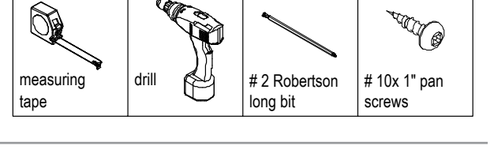

FIGURE 2

tools & hardware needed

trough mounted modesty screen

1. Position the trough mounted modesty screen.

2. Attach the trough mounted modesty screen to the wire management trough using 1/4-20 round head screws with three washers on each screw (Figure 1).

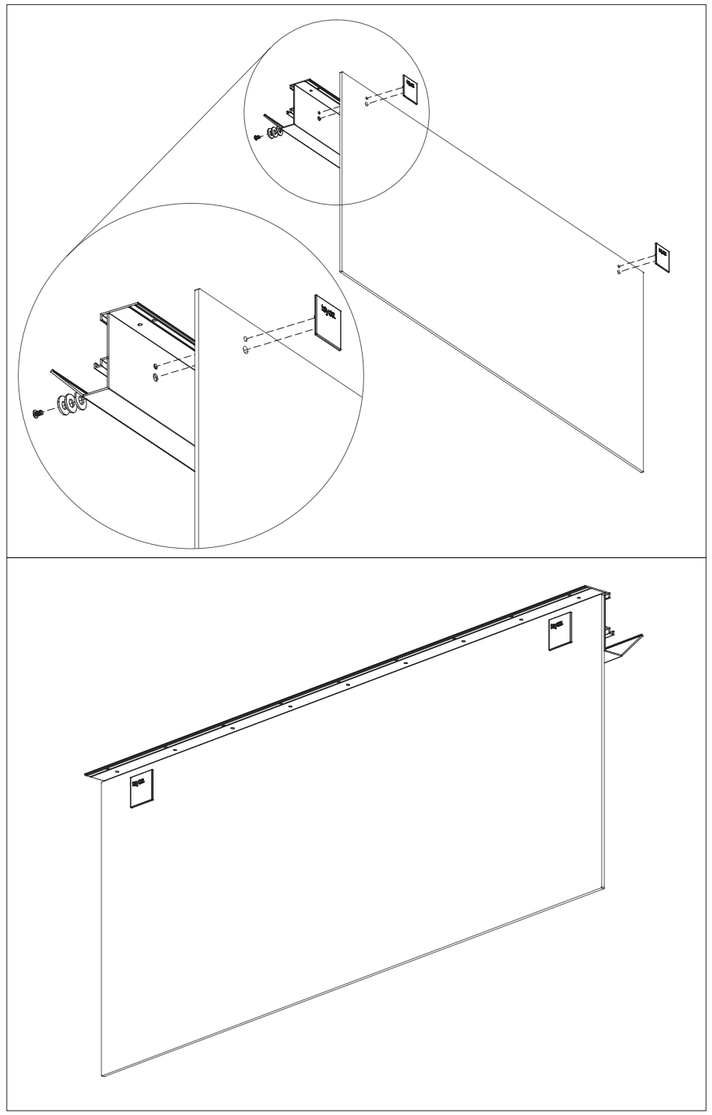

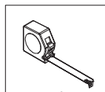

FIGURE 1

tools & hardware needed

 measuring tape	 drill	 # 2 Robertson long bit		 washers (3)	 1/4-20 Round machine screw

wire management trough to surface

The wire management trough mounts to the underside of a reinforcement bar to manage power and communication cables horizontally below the worksurface level. Also, the power and/or communication box can be mounted to channels on the trough.

1. Ensure the worksurface is properly supported and all brackets are secured.

2. Position the worksurface wire management trough at the specified location (Figure 1). Use #10 1" oval head screws to attach the wire management trough to the underside of the worksurface (Figure 2).

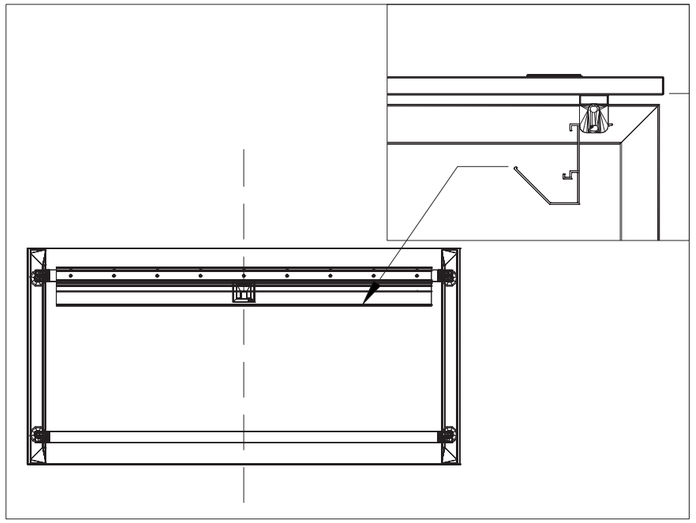

FIGURE 1

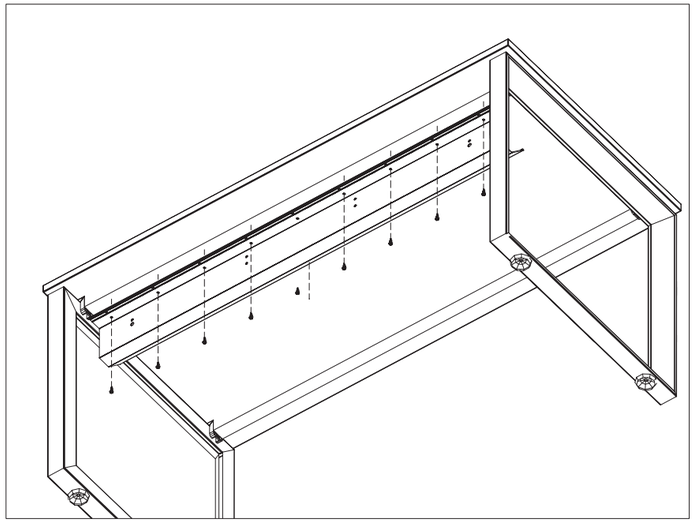

FIGURE 2

tools & hardware needed

 measuring tape	 drill	 # 2 Robertson long bit	 # 10x 1" pan screws

power pole installation

The power pole is attached to the open gables to manage cables from the ceiling to a worksation below the worksurface level.

1. Attach brackets to the open end gable using #10-5/8" pan self drilling screws.

2. Inspect ceiling condition before beginning installation if the ceiling tile is acoustical, remove the tile above the power pole before attaching the power pole to the bracket. (Figure 2).

3. Attach half of the power pole to the bracket using #10-32 machine screws.

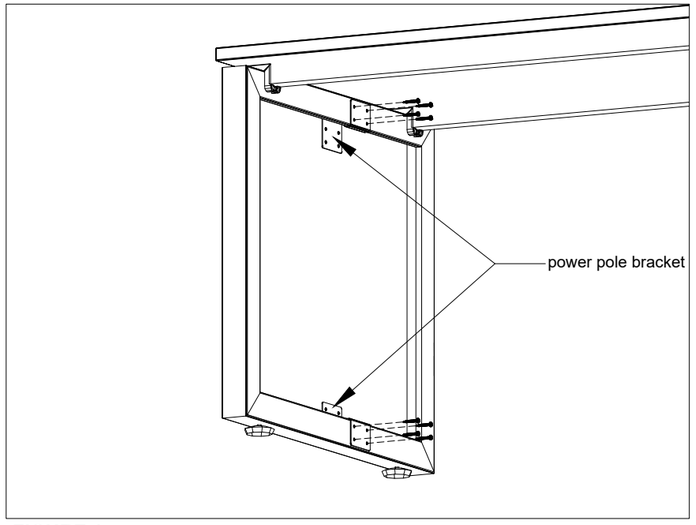

FIGURE 1

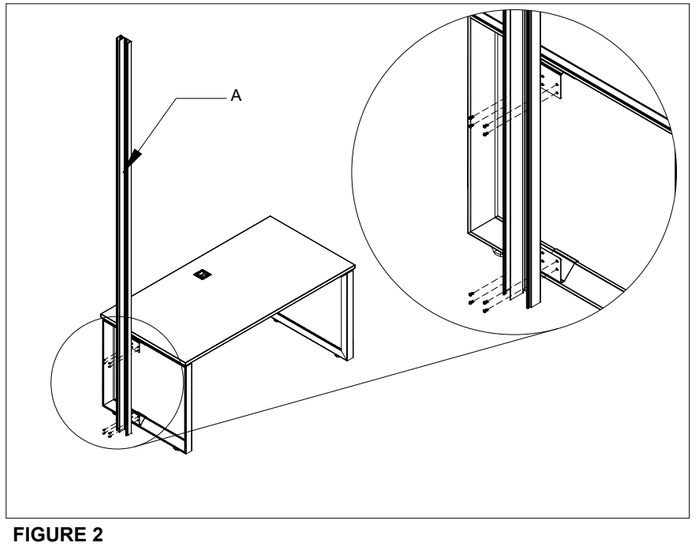

FIGURE 2

tools & hardware needed

measuring tape	drill	# 2 Robertson long bit	#10 x 5/8" pan self drilling screws	# 10- 32 machine screws

power pole installation (cont'd)

4. Lay the data and power cables in the power pole. Clip the two halves of the power pole together (Figure 3).

5. Place the ceiling collar around the management column and mount to the cieling with 6 screws; (Figure 4).

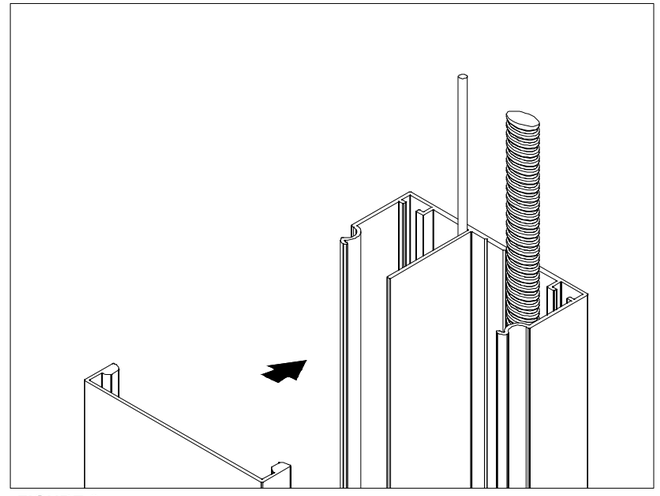

FIGURE 3

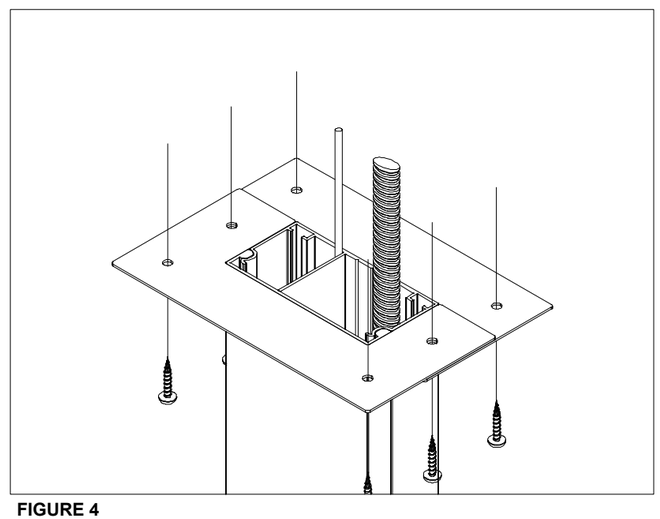

FIGURE 4

tools & hardware needed

drill	#2 Robertson long bit	#10 11/16" oval head screw

trough mounted communication box installation

box installation

The cable management trough communication box mounts to the worksurface cable management trough to provide communication access below the worksurface level.

1. Insert the bottom edge of the trough mounted communication box, (Figure 1).

2. Secure in place with 3/8" metal screws, (Figure 2).

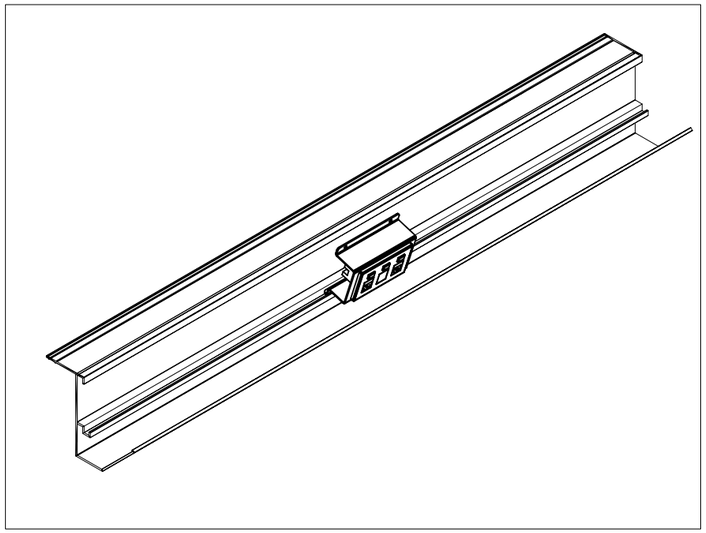

FIGURE 1

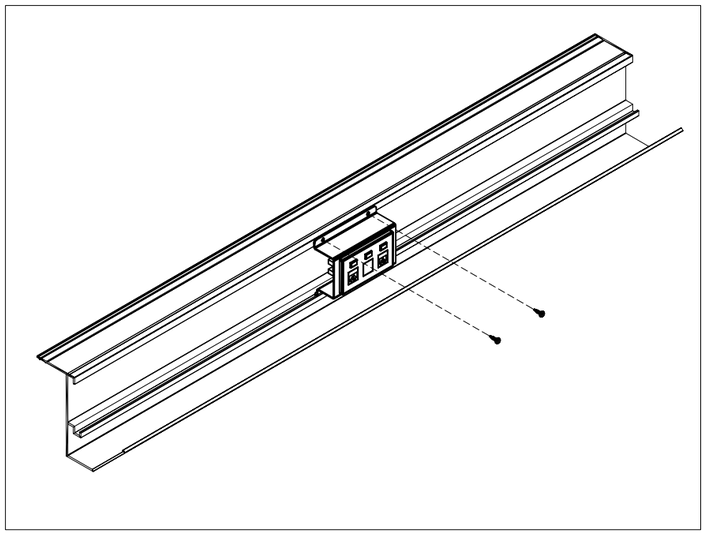

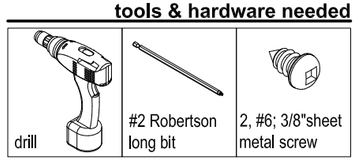

FIGURE 2

NOTES:

> The trough mounted communication box does not come with any data cables.

> The trough mounted communication box is equipped with one RJ11, RJ45 and a spare opening.

tools & hardware needed

trough mounted power box installation

The cable management trough power box mounts to the worksurface cable management trough to provide power access below the worksurface level.

1. Attach the harness(es) to the power box before installation, (Figure 1).

2. Mount the trough mounted power box to the horizontal wire management trough with 5/8" metal screws, (Figure 2).

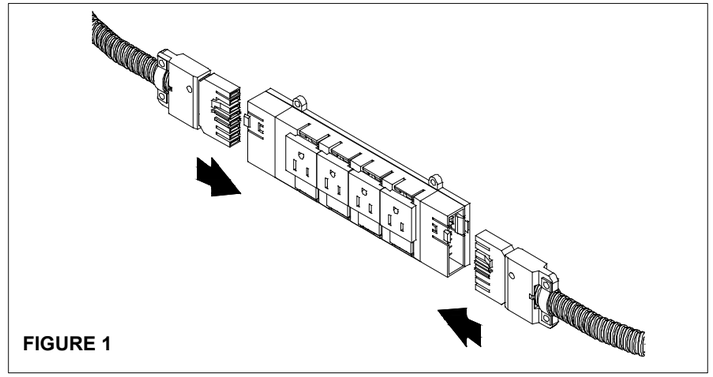

FIGURE 1

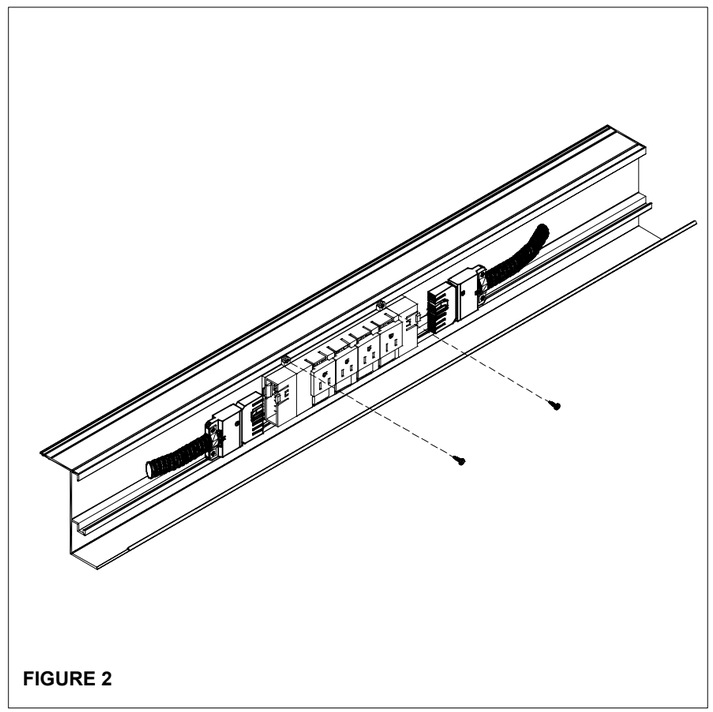

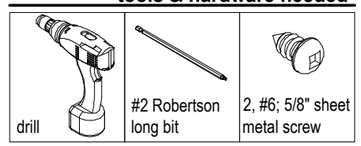

FIGURE 2

NOTES:

> The trough mounted power box does not come with any electrical harnesses.

Pedestals

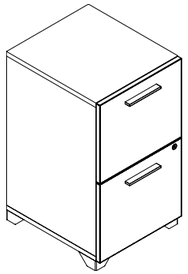

pedestals

freestanding 54

mobile 56

box/box/file pedestal
without seat cushion

file/file pedestal
without seat cushion

What's Included:

Tall stationary pedestal (box/box/file or file/file drawer configuration) (1), box drawer pencil tray (box/box/file drawer configuration) (1), and keys for lock (2).

Notes:

Tall stationary pedestal is 16" wide.

Available in box/box/file or file/file drawer configuration.

Top box drawer (box/box/file configuration) includes a plastic pencil tray to enhance organizational capabilities.

File drawer(s) accommodate either legal paper or letter paper hanging folders.

Contemporary metal handles on the drawers are standard.

Four levelers with a leveling range of 2.5" are included.

How to Specify:

Specify the drawer configuration to suit the storage requirements.

Specify the depth of the pedestal to be the same as the depth of the worksurface being utilized above.

Body refers to the top, side and back panels of the freestanding pedestal.

Face refers to the drawer front of the freestanding pedestal.

Pencil tray is available in white translucent plastic only.

Internal drawer bodies are black low pressure laminate only.

Freestanding pedestal can be keyed alike or keyed randomly for a workstation.

Lock is available in satin silver metal only.

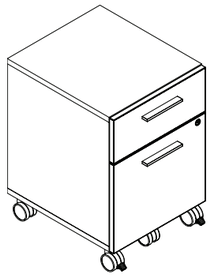

Options:

What's Included:

Arc worksurface (1) with a center grommet (1).

How to Specify:

Worksurface can be supported by a high credenza and a single support leg, a high credenza with one support gable or two support gables.

Square grommet can be specified in silver, white or black.

Edge color will default to match the surface color of the worksurface unless otherwise specified.

Notes:

Arc worksurface is 1-inch thick.

All worksurfaces have 2mm vinyl edge trim.

Low pressure laminate is available on the top surface of a worksurface.

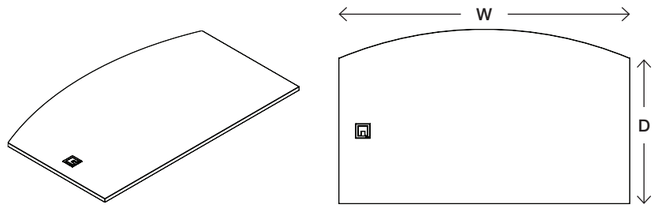

Options:

Width	60", 66", 72", 78", 84"		
Depth	30", 36"		
Grommet Color	**P112** silver	**P121** white	**P114** black
Worksurface Laminate	laminate color

What's Included:

Straight worksurface (1) with a center grommet (1).

How to Specify:

Worksurface can be supported by a high credenza and a single support leg, a high credenza with one support gable or two support gables.

Square grommet can be specified in silver, white or black.

Edge color will default to match the surface color of the worksurface unless otherwise specified.

Notes:

Straight worksurface is 1-inch thick.

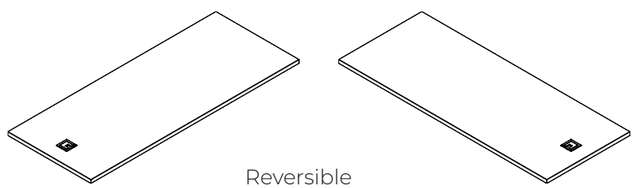

All worksurfaces have 2mm vinyl edge trim.

Low pressure laminate is available on the top surface of a worksurface.

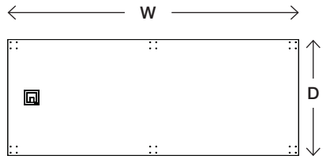

Options:

Width	36", 42", 48", 54", 60", 66", 72", 78", 84", 90", 94"

What's Included:

D worksurface (1) with a grommet (1).

How to Specify:

Worksurface can be supported by a high credenza and a single support leg, a high credenza with one support gable or two support gables.

Edge color will default to match the surface color of the worksurface unless otherwise specified.

Notes:

D worksurface is 1-inch thick.

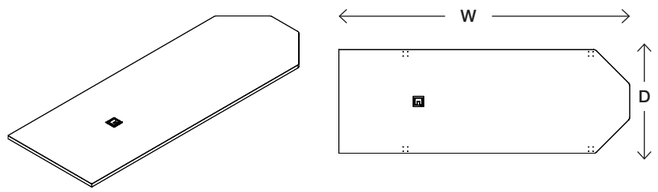

All worksurfaces have 2mm vinyl edge trim.

Low pressure laminate is available on the top surface of a worksurface.

Options:

What's Included:

D worksurface (1) .

How to Specify:

Worksurface can be supported by a high credenza and a single support leg, a high credenza with one support gable or two support gables.

Edge color will default to match the surface color of the worksurface unless otherwise specified.

Notes:

D worksurface is 1-inch thick.

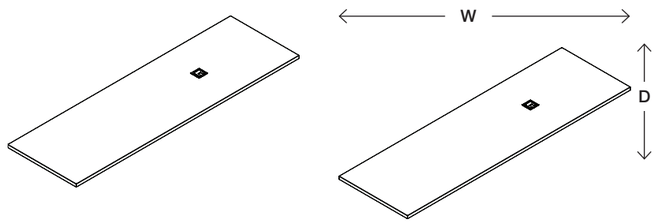

All worksurfaces have 2mm vinyl edge trim.

Low pressure laminate is available on the top surface of a worksurface.

Options:

Width	54", 60", 66", 72", 78", 84", 90", 96"		
Depth	24", 30", 36"		
Grommet Color	**P112** silver	**P121** white	**P114** black
Worksurface Laminate	laminate color

What's Included:

Straight worksurface (1)

How to Specify:

Worksurface can be supported by a high credenza and a single support leg, a high credenza with one support gable or two support gables.

Edge color will default to match the surface color of the worksurface unless otherwise specified.

Notes:

Straight worksurface is 1-inch thick.

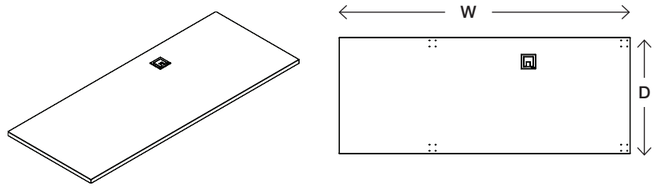

All worksurfaces have 2mm vinyl edge trim.

Low pressure laminate is available on the top surface of a worksurface.

Options:

What's Included:

Privacy screen (1), Horizontal rails (2), vertical retainers (2).

How to Specify:

Available in various heights and widths to provide specific workstation requirements

Privacy screens can be specified in solid laminate, whiteboard, fabric tackboard, and frost acrylic.

Notes:

Privacy screen posts are 2-inches by 2-inches wide and are sold seperately.

Options:

Height	6", 12", 14", 20"
Width	24", 30", 36", 42", 44", 45", 46", 48", 50", 51", 52", 53", 54", 56", 57", 58", 59", 60", 62", 63", 64", 65", 66", 68", 69", 70", 71", 72"
Screen material	**S** solid **W** whiteboard **T** fabric/tackboard **F** frost

What's Included:

Privacy screen (1), Horizontal rails (2), vertical retainers (2).

How to Specify:

Available in various heights and widths to provide specific workstation requirements

Privacy screens can be specified in sold laminate, whiteboard, fabric/tackboard, and frost acrylic.

Notes:

Privacy screen posts are 2-inches by 2-inches wide and are sold seperately.

Options:

Height	6", 12", 14", 20"
Width	24", 30", 36", 42", 44", 45", 46", 48", 50", 51", 52", 53", 54", 56", 57", 58", 59", 60", 62", 63", 64", 65", 66", 68", 69", 70", 71", 72"
Screen material	**S** solid **W** whiteboard **T** fabric/tackboard **F** frost

Supports

supports

spacer 224

end gable 226

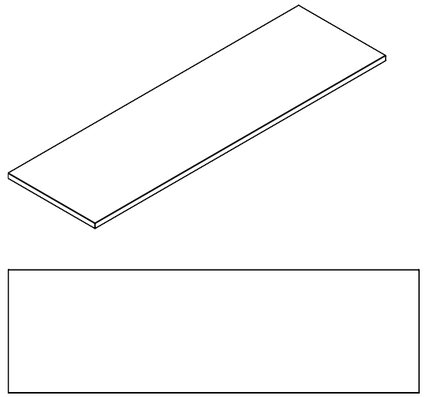

flag storage gable 227

center gable 228

single support leg 229

low credenza support 230

mending plate 231

What's Included:

Spacer (1).

How to Specify:

Edge color will default to match the surface color of the worksurface unless otherwise specified.

Notes:

Spacer is 1-inch thick.

All spacers have 2mm vinyl edge trim.

Low pressure laminate is available on the top surface of a spacer

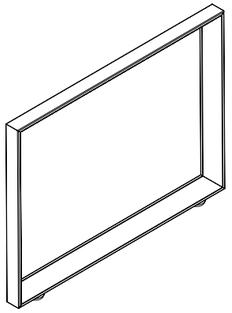

Options:

Width	12", 18", 24", 30", 36", 42", 48", 54", 60", 66", 72", 78", 84", 90", 96"
Depth	18"

What's Included:

End gable (1) and two levelers (2).

How to Specify:

Specify the width of the end gable to be the same as the depth of the worksurface being supported.

Refer to metal paint card for metal paint colors..

Notes:

Used at the end of a worksurface run for support.

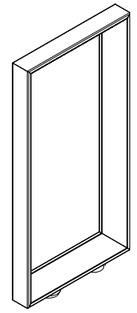

Two levelers with a leveling range of 2.5-inches are included.

Supports a worksurface at a height of 28".

Options:

Width	24", 30", 36", 42", 48", 60"
Gable color	Refer to metal paint card for metal paint colors.

What's Included:

Center gable (1) and two levelers (2).

How to Specify:

Specify the width of the center gable to be the same as the depth of the worksurface being supported.

Refer to metal paint card for metal paint colors..

Notes:

Used as a shared support for worksurfaces in the middle of a worksurface run.

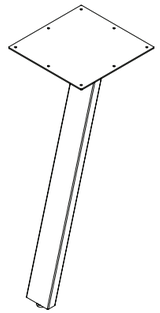

Two levelers with a leveling range of 2.5-inches are included.

Supports a worksurface at a height of 28".

Options:

Width	12", 24", 30", 36", 48", 60"
Leg Color	Refer to metal paint card for metal paint colors.

Code	Price	H (in.)	W (in.)	D 1 (in.)	Weight (lb)	Volume (ft^3)

Electrics

electrics

wire management trough 248

trough mounted power box 250

electrical splitter harness 252

connector harness (female to female) 254

connector harness (female to female) continued 256

connector harness (female to male) 257

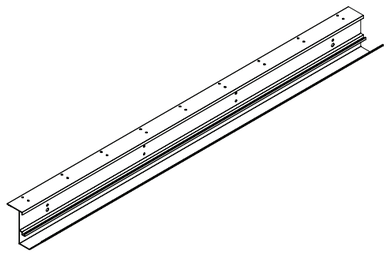

power pole 258

power pole bracket 259

under worksurface mounted wire manager 260

task light 261

pop-up grommet 262

What's Included:

Wire management trough (1), and fasteners (2).

How to Specify:

Length of the wire management trough is referred to as the width to correspond to the worksurface.

Specify the width of the wire management trough to the same or less than the width of the worksurface.

Available in the same nominal widths as the worksurface, but is actually shorter to accommodate worksurface supports.

Notes:

Wire management trough is 4.375-inches high and 5.375-inches deep.

Trough mounted power and/or communication box can be mounted to the wire management trough when power and/or communication access is required below the worksurface.

Facilitates lay-in cable management below the worksurface.

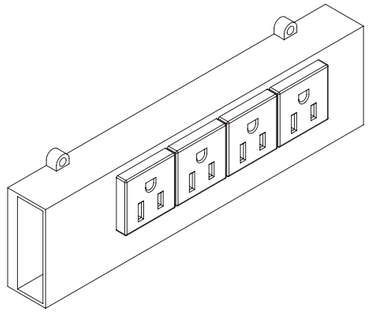

Options:

Width	36", 42", 48", 54", 60", 66", 72", 78", 84", 90", 96"
Leg color	Refer to metal paint card for metal paint colors.

What's Included:

Trough mounted power box (1), and removable fasteners (2).

How to Specify:

Specify electrical harnesses separately.

Available in grey plastic only.

Notes:

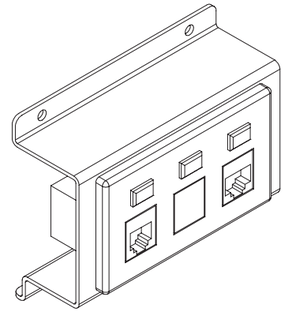

Mounted to the worksurface wire management trough when power access is required below the worksurface.

Equipped with an 8-wire, 4-circuit electrical configuration (four electrical receptacles).

Options:

output	national code

Code	Price	H (in.)	W (in.)	D 1 (in.)	Weight (lb)	Volume (ft^3)
F-EM84-T	233	2.88	8.38	1.25	0.6	0.02

What's Included:

Trough mounted data box (1), and removable fasteners (2).

How to Specify:

Specify communication cables separately.

Refer to metal paint card for metal paint colors.

Interface with communication receptacles is grey only.

Notes:

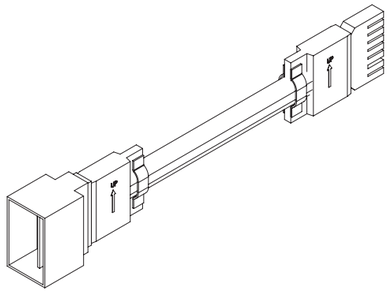

Mounted to the worksurface wire management trough when communication access is required below the worksurface.

Equipped with one RJ11 outlet, one RJ45 outlet, and a spare opening.

Options:

Output	11/45	**K3**	11/11/45	**K6**	11/45/45
Data box color	Refer to metal paint card for metal paint colors.				

Code	Price	H (in.)	W (in.)	D 1 (in.)	Weight (lb)	Volume (ft^3)

What's Included:

Connector harness (1).

How to Specify:

Refer to local codes for limits or restrictions on harness length.

Notes:

A qualified electrician must perform the connection to the building power supply.

Equipped with one male end and one female end.

Options:

Width	44", 122"

Code	Price	W (in.)	Weight (lb)	Volume (ft³)
F-E8FM-044	313	44	1.5	1.45
F-E8FM-122	521	122	2.5	2.15

What's Included:

Power pole back and cover (1), ceiling grommet - two halves (1), removable fasteners (9), and screw caps (2).

How to Specify:

The ceiling feed cable management column must be attach to a partition.

Back and cover finished in silver, black or white powder coat.

Ceiling grommet finished in white powder coat only.

Notes:

The power pole is 1.875-inches wide and 3.75-inches deep.

Power and communication cables are laid into separate channels of the power pole back.

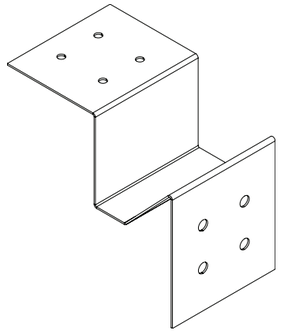

Spans from the ceiling to the floor allowing power and communication cables access from the ceiling into the wire trough on a partition.

Can be stacked to span heights greater than 120-inches with stacking brackets included, however a second power pole must be specified.

Options:

Width	96", 108", 120"		
Leg color	**P112** silver	**P121** white	**P114** black

Code	Price	H (in.)	Weight (lb)	Volume (ft³)

F-ECCC-108	451	108	1.73	0.44
F-ECCC-120	496	120	1.92	0.49

What's Included:

Power pole bracket (2) and fasteners (8).

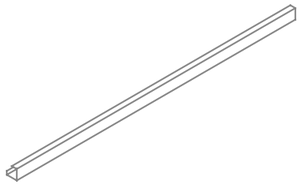

How to Specify:

Power pole bracket is finished in silver, black or white powder coat.

Notes:

The power pole bracket connects a worksurface to a power pole.

Code	Price	H (in.)	W (in.)	D 1 (in.)	Weight (lb)	Volume (ft³)
F-ECBK	156	5	5.62	3.5	1	0.06

What's Included:

Under worksurface mounted wire manager (1).

How to Specify:

Specify the size needed.

Available in black only.

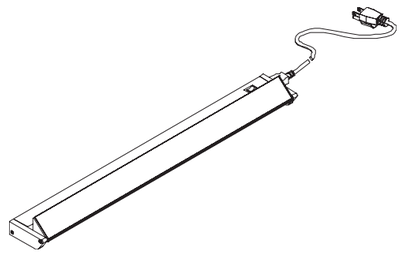

Notes:

Under worksurface wire manager attaches to the under side of the worksurface.

Options:

Size	12"W	24"W	36"W

Code	Price	H (in.)	W (in.)	D 1 (in.)	Weight (lb)	Volume (ft^3)

V-EWHB-36	26	1.5	36	1.5	0.6	0.06

What's Included:

Task Light (1) and installation hardware.

How to Specify:

This product is available only in silver.

Notes:

The task light can be mounted beneath an overhead cabinet or shelf to provide focused lighting within the workstation.

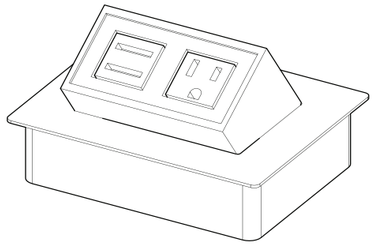

The task light cord is 9-feet long from the end of the task light.

Task lights come with built-in occupancy sensor with 30 minute delay

Options:

Width	24", 36", 48"

Code	Price	H (in.)	W (in.)	D 1 (in.)	Weight (lb)	Volume (ft^3)

Accessories

accessories

trough mounted modesty 266

surface mounted metal screen 268

accessory screen 269

storage cube 270

paper sorter 271

paper tray 272

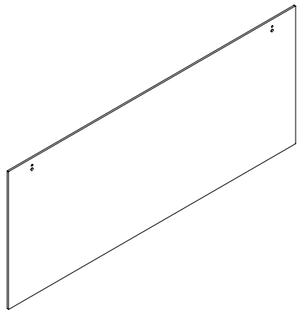

pen holder 273

monitor arm 274

keyboard tray 275

pencil tray 276

credenza seat cushion 277

What's Included:

Trough mounted modesty (1), two square mounting clamp caps and removable fasteners (2-4).

How to Specify:

Specify the width of the screen to the same or less than the width of the worksurface being used for support.

Specify the width of the screen to the 18-inches or less than the width of the worksurface being used for support if a credenza is specified to support one end of the worksurface.

Available in the same nominal widths as the worksurface, but is actually shorter to accommodate worksurface supports.

Constructed of acrylic and available in frosted finish.

Notes:

Trough mounted modesty is 1/8-inch thick.

Positioned on the bottom of a worksurface with the vertical face approximately 10-inches from the vistor edge of the worksurface.

Mounting clamps with clamping screw are fastened to the mounting clamp retaining plates that are fitted into the hole sets located in two/three locations on the screen.

A top mounting flange fits into the inward facing top channel of the perpendicular reinforcement beam closest to the visitor edge of the worksurface if specified.

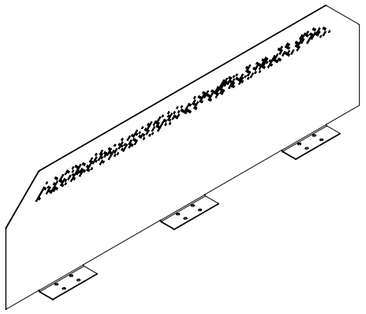

Options:

Width	28", 36", 42", 48", 54", 60", 66", 72", 78", 84", 90", 96"

Articulating Keyboard Tray

What's Included:

Keyboard Tray, installation hardware.

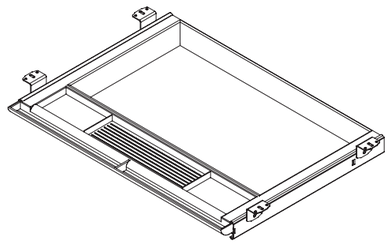

How to Specify:

The articulating keyboards are available only in black.

Notes:

Keyboard trays provide adjustable ergonomic support for individuals in multi-task environments

Code	Price	H	W	D	Volume (ft^3)	Weight (lb)
Articulating Keyboard Tray						
V-KASX-2510	459	0	25	10	0	15

What's Included:

Pencil Drawer (1) installation hardware and mounting slides.

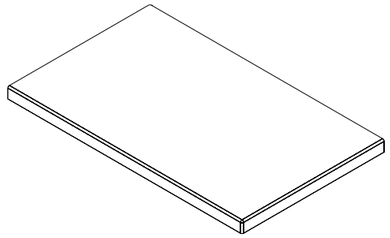

How to Specify:

This product is available only in black.

Notes:

Pencil drawers provide compartmentalized pencil and stationary storage below the worksurface.

Code	Price	H (in.)	W (in.)	Weight (lb)	Volume (ft^3)
V-ADPP	100	21	16	1.8	0.62

What's Included:

Credenza seat cushion (1).

How to Specify:

Specify the width of the seat cushion to be the same as the width of the credenza used for support if a full seat cushion to cover the entire top of a credenza is required

Specify the width of the seat cushion to be 18-inches if an off-modular smaller seat cushion is required to accommodate power access, top mounted storage, and worksurfaces supports.

Refer to the swatches presented on Tayco Seating fabric cards.

Options:

Width	18, 24, 30, 36, 42, 48, 54, 60, 66, 72

Notes:

Mounting brackets on the bottom of the seat fit into the channel rail on the top of credenza allowing the seat cushion to slide from side-to-side along the width of the credenza.

Caution

Load Bottom Drawer First

- Operate one drawer at a time
- Units may tip if loaded incorrectly
- Units should be attached to a wall or other furniture to reduce tipping hazard
- Always load the heaviest files in the bottom drawer

Heavy Load

- Some products must be anchored to wall to ensure stability & safety.
- It is the owner and installers responsibility to ensure that the wall type and construction is of sufficient strength to carry the loads of any wall mounted products and their contents.
- Failure of the wall and anchors to support all imposed loads may result in property damage and/or personal injury.
- Tayco can provide size and empty weight of its products only. As wall blocking is considered a building construction process, Tayco cannot provide recommendations in this respect and cannot be responsible for damage or injury that may occur as a result of improper installation and/or blocking.

Instability Hazard

Mobile items on casters such as flip top, personal and movable tables of any type and storage items of any type may present an instability hazard if not secured correctly while in use or in storage. Flip top tables or training tables of any type, are inherently more unstable when folded. Tayco provides the following guidelines & warnings when using mobile products:

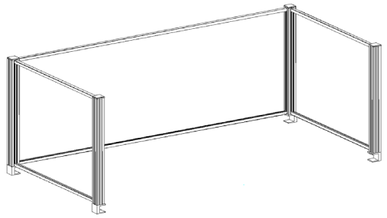

- Lock casters immediately after moving. Do not leave the casters unlocked when in use or in storage.
- Motion may increase the instability of any item with casters. If the wheels hit an obstruction the table's forward momentum often causes overturn, especially if the item is not equipped with wheel extensions. Exercise strong caution while moving these items.
- Use caution when abrupt level changes in the floor are present (such as a doorway or room threshold) as caster failure or tipping may result.
- Do not stand, sit or lean on mobile items for support. They are not intended for this use and personal injury or property damage may result.
- Mobile units that feature height adjustable elements must be lowered to the minimum compressed height when moving to prevent instability. It is also recommended the user remove all computer equipment or other accessories to prevent possible weight imbalance or damage to equipment.
- Failure to follow the guidelines above may result in property damage or personal injury.

36"W-60"W:

- 4 Scene posts with 4 clamps
- 1 front shield and 2 side shields to create a u-shape
- 3 sets of horizontal retainers

66"W-72":

- 5 Scene posts with 5 clamps
- 2 front shield and 2 side shields to create a u-shape
- 4 sets of horizontal retainers

How to Specify:

Specify based on width and depth of the worksurface the shield will be fastened to

Notes:

Attached to surface with a clamp and does not require drilling into the surface

Clamp mount is clamped onto the worksurface and requires 1.5" of clearance

Front of shield is raised 4" off the worksurface

Shield finish available in clear acrylic only

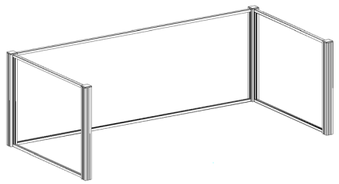

Acrylic is 3/16" thick

Standard Options:

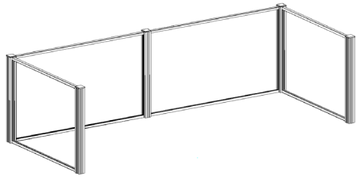

Depth:	30"
Widths:	48", 54", 60, 66, 72
Heights:	24"
Metal post & retainer paint finish

standard scene post | post w/ clamp | post w/ bracket | post w/ four way connection bracket

What's Included:

1 Scene post

Mounting hardware

How to Specify:

Specify by mounting type

Notes:

Direct mount is fastened through the underside of the worksurface

Flat bracket mount is fastened through the top of the worksurface

Clamp mount is clamped onto the worksurface and requires 1.5" of clearance

W-PS-24-C clamp mount accommodates 1" - 1 1/4" thick surface

W-PS-24-CT clamp mount accommodates 1 1/4" - 1 5/8" thick surface

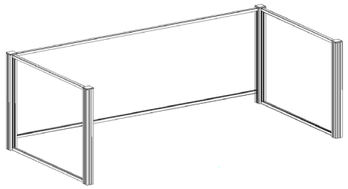

Options:

Height: 24"

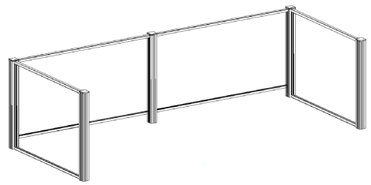

Mounting hardware

Metal post paint finish

Code	Price	Height (in)
W-PS-24	$102	24

1 front shield

2 front shields

What's Included:

34"W-60"W:

- 4 Scene posts with 4 flat brackets
- 1 front shield and 2 side shields to create a u-shape
- 3 sets of horizontal retainers

64"W-72":

- 5 Scene posts with 5 flat brackets
- 2 front shield and 2 side shields to create a u-shape
- 4 sets of horizontal retainers

How to Specify:

Specify based on width and depth of the worksurface the shield will be fastened to

Specify regular or cropped width

Notes:

Attached to surface with a clamp and does not require drilling into the surface

Shield can be placed along the width or the depth of the worksurface

Cropped width is 2" shorter

Clamp mount is clamped onto the worksurface and requires 1.5" of clearance

Front shield is raised 4" off the worksurface

Available in clear acrylic only

Acrylic is 3/16" thick

Integrated Options

Depth: 24", 30"

Width: 34", 40", 52", 58", 64", 70"

Heights: 24"

Metal post & retainer paint finish

Standard Width Options:

1 front shield

2 front shields

What's Included:

24"W-60"W:

- 2 Scene posts with 2 flat brackets
- 1 front shield
- 1 set of horizontal retainers

64"W-72":

- 3 Scene posts with 3 flat brackets
- 2 front shields
- 2 sets of horizontal retainers

How to Specify:

Specify based on width and depth of the worksurface the shield will be fastened to

Specify regular or cropped width

Notes:

Attached to surface with a clamp and does not require drilling into the surface

Shield can be placed along the width or the depth of the worksurface

Raised shield sits 4" above worksurface

Cropped width is 2" shorter

Clamp mount is clamped onto the worksurface and requires 1.5" of clearance

Available in clear acrylic only

Acrylic is 3/16" thick

Integrated Width Options:

Width: 34", 40", 52", 58", 64", 70"

Heights: 24"

Metal post & retainer paint finish

Standard Width Options:

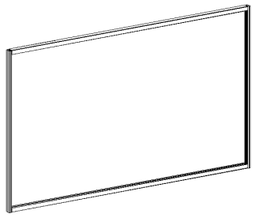

Widths: 24", 30", 36", 42", 48", 54", 60", 66", 72

Heights: 24"

Metal post & retainer paint finish

Caution

Load Bottom Drawer First

- Operate one drawer at a time
- Units may tip if loaded incorrectly
- Units should be attached to a wall or other furniture to reduce tipping hazard
- Always load the heaviest files in the bottom drawer

Heavy Load

- Some products must be anchored to wall to ensure stability & safety.
- It is the owner and installers responsibility to ensure that the wall type and construction is of sufficient strength to carry the loads of any wall mounted products and their contents.
- Failure of the wall and anchors to support all imposed loads may result in property damage and/or personal injury.
- Tayco can provide size and empty weight of its products only. As wall blocking is considered a building construction process, Tayco cannot provide recommendations in this respect and cannot be responsible for damage or injury that may occur as a result of improper installation and/or blocking.

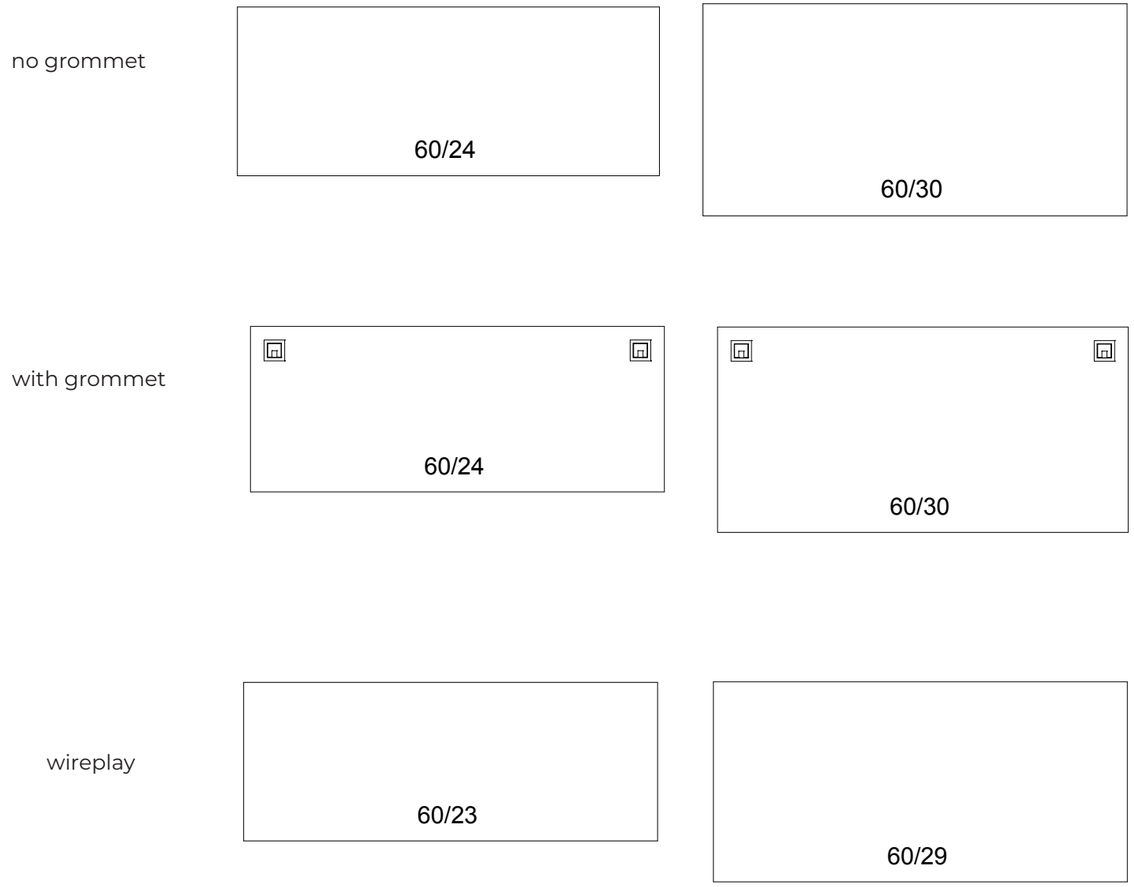

Instability Hazard

Mobile items on casters such as flip top, personal and movable tables of any type and storage items of any type may present an instability hazard if not secured correctly while in use or in storage. Flip top tables or training tables of any type, are inherently more unstable when folded. Tayco provides the following guidelines & warnings when using mobile products:

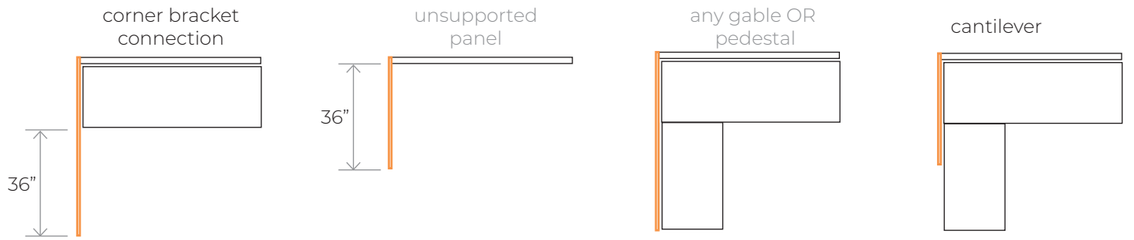

- Lock casters immediately after moving. Do not leave the casters unlocked when in use or in storage.
- Motion may increase the instability of any item with casters. If the wheels hit an obstruction the table's forward momentum often causes overturn, especially if the item is not equipped with wheel extensions. Exercise strong caution while moving these items.
- Use caution when abrupt level changes in the floor are present (such as a doorway or room threshold) as caster failure or tipping may result.
- Do not stand, sit or lean on mobile items for support. They are not intended for this use and personal injury or property damage may result.
- Mobile units that feature height adjustable elements must be lowered to the minimum compressed height when moving to prevent instability. It is also recommended the user remove all computer equipment or other accessories to prevent possible weight imbalance or damage to equipment.
- Failure to follow the guidelines above may result in property damage or personal injury.

Elevated Non-Powered
Fabric Panel

What's Included:

One (1) 2" thick fabric panel with
1" incremented slotted channels,
One (1) top trim

How to Specify:

Refer to panel fabric cards for fabric selections

Choose White, Black, Silver, Charcoal for Panel Frame colour

Notes:

Non-power capable panel.

Can be used in run with power-capable panels and allows wires to pass through.

Panels are non tackable. For tackable option see Panel Add-On section.

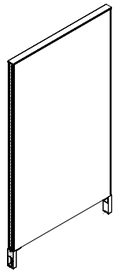

Fabric Upcharge
Grade 2 - $226 per panel,
Grade 3- $278 per panel

Options:

Height*:	34", 42", 50", 66", 82"
Width:	24", 30", 36", 42", 48", 54", 60", 66", 72"
Fabric	
Metal Powder Coat Paint: White, Black, Silver, Charcoal

Glass Frameless Blade for Standard and Elevated Panels

Double span panel top mounted privacy screen can be placed across the width of two equal sized panels

What's Included:

One (1) tempered glass piece, One (1) channel extrusion, Two (2) end caps, One (1) top trim

How to Specify:

Refer to metal finish card for metal finish options

Notes:

One (1) glass piece can span the width of one or two panels up to 72"W

Glass is tempered

Options:

Height:	8", 16", 20"
Width:	24", 30", 36", 42", 48", 54", 60", 66", 72"
Clear, Frosted

Straight Worksurface with 1” Wire Play

What’s Included:

One (1) worksurface

How to Specify:

Refer to laminate card for laminate options

Notes:

Worksurface sits 1” from the panel to allow for wire routing. No grommet is included with this worksurface

Options:

Width:	23”, 24”, 29”, 30”, 35”, 36”, 41”, 42”, 47”, 48”, 53”, 54”, 59”, 60”, 65”, 66”, 71”, 72”, 77”, 78”, 83”, 84”, 89,” 90”, 95”, 96”
Depth:	19”, 20” 23”, 24”, 29”, 30”
Thickness:	1”

Curved 5-Sided Worksurface with Grommet

Straight 5-Sided Worksurface with Grommet

What's Included:

One (1) worksurface, One (1) grommet

How to Specify:

Refer to laminate card for laminate options

Notes:

Worksurface sits 1" from the panel to allow for wire routing. No grommet is included with this worksurface

Surface has a curved front

Options:

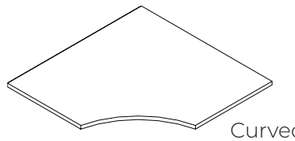

Side A*:	36", 42", 48"
Side B:	24", 30"
Thickness:	1"

Straight, Curved Front

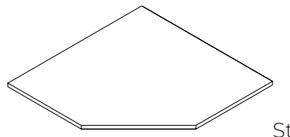

Grommet Type & Color: Square (Silver, Black, White), Oval (Silver, Black)

*36" on side A only available in 24" on side B

Unitized Worksurface with 1" Wire Play

What's Included:

One (1) worksurface

How to Specify:

Refer to laminate card for laminate options

Notes:

Worksurface sits 1" from the panel to allow for wire routing. No grommet is included with this worksurface

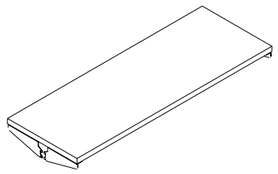

Surface has a curved front

Options:

Side A:	53", 54", 59", 60", 65", 66", 71", 72", 77", 78", 83", 84", 89", 90", 95", 96"
Side B:	23", 24"
Side C:	35", 36"
Side D:	23", 24"

Standard Panel
Wrap Laminate Gable

What's Included:

One (1) wrap gable, one (1) standard panel mount bracket, (1) surface to gable connector

How to Specify:

Laminate Gable Paint Colour: Silver, White, Black, Charcoal

Laminate Gable Laminate Colour: Refer to laminate card for laminate options

End gable (Left hand, right hand)

Notes:

Laminate Gable can be used with worksurface with grommet, worksurface without grommet, worksurface for 1" wire play

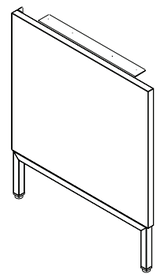

Freestanding gable is used when one side of the surface is connected to a panel and the other is open

Options:

Heights*:	25", 28"
Depth:	20", 24", 30"

*25" high to be used to Tech Drop surface

Standard Panel
Tech Drop

Gallery Panel
Tech Drop

What's Included:

One (1) tech drop, one (1) power module with two (2) AC outlets and two (2) USB-A outlets, one (1) panel connector hardware

How to Specify:

Choose White, Black, Silver, Charcoal for Tech Drop

Left, right

Notes:

Tech drop offers a 3" drop between main surface and return surface

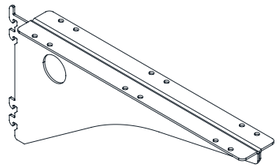

Tech drop must be mounted to the panel

Options:

Heights:	3"
Depth*:	19", 23"

*19" is used with the 20" deep surface

Electrics

Electrics

Power Module 178

Starter Harness 179

Connector Harness 180

Male to Female Extension Harness 182

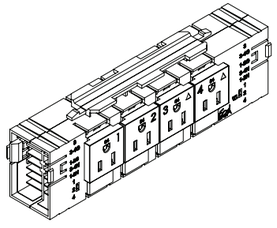

New York Junction Box 183

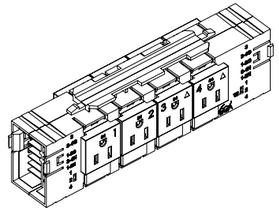

Chicago Electrical Box 184

Power Pole 185

Communication Kit 186

Conversion Kit 187

What's Included:

One (1) single power module with four (4) ac outlets or one (1) double sided power module with eight (8) ac outlets (four on each side)

How to Specify:

Available in grey only

Single sided, double sided

Notes:

Power modules are installed in the center cut out power capable panels only

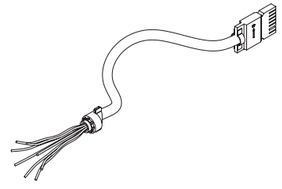

Double sided power module has four (4) ac outlets on each side

Refer to Switch electrical specification guide for more information

Options:

Width: 8”

Code	Price	H	W	D	Weight (lb.)	Volume (ft³)

Caution

Load Bottom Drawer First

- Operate one drawer at a time
- Units may tip if loaded incorrectly
- Units should be attached to a wall or other furniture to reduce tipping hazard
- Always load the heaviest files in the bottom drawer

Heavy Load

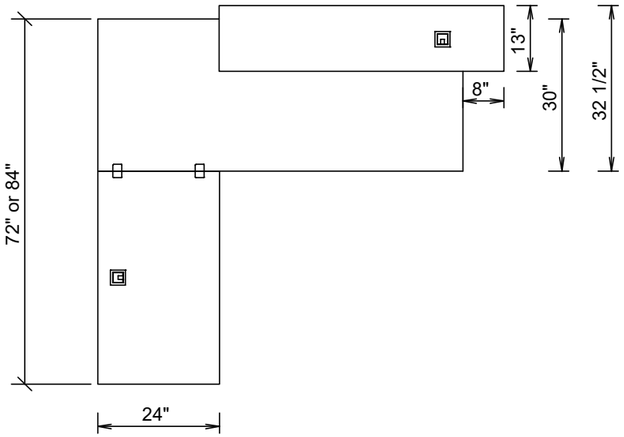

- Some products must be anchored to wall to ensure stability & safety.
- It is the owner and installers responsibility to ensure that the wall type and construction is of sufficient strength to carry the loads of any wall mounted products and their contents.
- Failure of the wall and anchors to support all imposed loads may result in property damage and/or personal injury.
- Tayco can provide size and empty weight of its products only. As wall blocking is considered a building construction process, Tayco cannot provide recommendations in this respect and cannot be responsible for damage or injury that may occur as a result of improper installation and/or blocking.

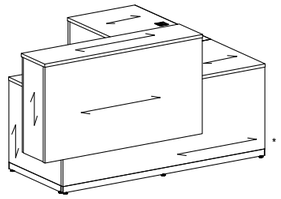

Instability Hazard

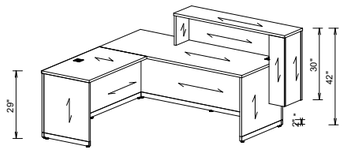

Mobile items on casters such as flip top, personal and movable tables of any type and storage items of any type may present an instability hazard if not secured correctly while in use or in storage. Flip top tables or training tables of any type, are inherently more unstable when folded. Tayco provides the following guidelines & warnings when using mobile products:

- Lock casters immediately after moving. Do not leave the casters unlocked when in use or in storage.
- Motion may increase the instability of any item with casters. If the wheels hit an obstruction the table's forward momentum often causes overturn, especially if the item is not equipped with wheel extensions. Exercise strong caution while moving these items.
- Use caution when abrupt level changes in the floor are present (such as a doorway or room threshold) as caster failure or tipping may result.
- Do not stand, sit or lean on mobile items for support. They are not intended for this use and personal injury or property damage may result.
- Mobile units that feature height adjustable elements must be lowered to the minimum compressed height when moving to prevent instability. It is also recommended the user remove all computer equipment or other accessories to prevent possible weight imbalance or damage to equipment.
- Failure to follow the guidelines above may result in property damage or personal injury.

When Leather Combo is specified, leather will be applied to the inside seat and back of the chair. The outside back, side panels and piping will be upholstered using a coordinating vinyl color.

Dimensions:

Overall height: 39.25”

Overall width adj. arm: 25.25”

Overall width fixed arm: 25”

Overall depth: 25”

Notes:

Advanced mesh distributes excellent support while being soft and warm to the touch and offers unimpeded airflow for maximum comfort.

Height adjustable arm with 3 directional movements.

J1 casters are suitable for hard surfaces and carpet flooring.

Adjustable lumbar support is built into the frame offering comfort and support with clean lines.

Streamlined, premium control with side tension allows for consistent and balanced support throughout its ride.

Frame is available in black finish with 701M black mesh, or bright white finish with 706M grey mesh.

Optional seat slider.

Optional polished aluminum base with chrome cylinder.

COM fabrics will also be charged the price of the fabric required for purchase

Caution

Load Bottom Drawer First

- Operate one drawer at a time
- Units may tip if loaded incorrectly
- Units should be attached to a wall or other furniture to reduce tipping hazard
- Always load the heaviest files in the bottom drawer

Heavy Load

- Some products must be anchored to wall to ensure stability & safety.
- It is the owner and installers responsibility to ensure that the wall type and construction is of sufficient strength to carry the loads of any wall mounted products and their contents.
- Failure of the wall and anchors to support all imposed loads may result in property damage and/or personal injury.
- Tayco can provide size and empty weight of its products only. As wall blocking is considered a building construction process, Tayco cannot provide recommendations in this respect and cannot be responsible for damage or injury that may occur as a result of improper installation and/or blocking.

Instability Hazard

Mobile items on casters such as flip top, personal and movable tables of any type and storage items of any type may present an instability hazard if not secured correctly while in use or in storage. Flip top tables or training tables of any type, are inherently more unstable when folded. Tayco provides the following guidelines & warnings when using mobile products:

- Lock casters immediately after moving. Do not leave the casters unlocked when in use or in storage.
- Motion may increase the instability of any item with casters. If the wheels hit an obstruction the table's forward momentum often causes overturn, especially if the item is not equipped with wheel extensions. Exercise strong caution while moving these items.
- Use caution when abrupt level changes in the floor are present (such as a doorway or room threshold) as caster failure or tipping may result.
- Do not stand, sit or lean on mobile items for support. They are not intended for this use and personal injury or property damage may result.
- Mobile units that feature height adjustable elements must be lowered to the minimum compressed height when moving to prevent instability. It is also recommended the user remove all computer equipment or other accessories to prevent possible weight imbalance or damage to equipment.
- Failure to follow the guidelines above may result in property damage or personal injury.

Height Adjustable Table, w/Box Enclosure, w/Grommet,
No Modesty

What's Included:

HAT table, box enclosure, grommet

How to Specify:

Edge color will default to match the surface color of the worksurface unless otherwise specified.

Grommet can be specified in silver or white.

Enclosure comes with automatically matching worksurface laminate unless otherwise specified.

HAT leg can be specified in silver, black or white.

Notes:

Worksurface is 1-inch thick.

All worksurfaces have 2mm vinyl edge trim.

Low pressure laminate is available on the top surface of a worksurface.

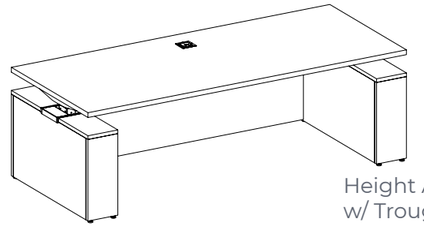

Table height can be adjusted to 25.5" from the ground and raised to a maximum height of 51" from the ground.

Load capacity of 350lb with worksurface.

Options:

Width	60", 66", 72", 78", 84"		
Depth	24", 30"		
Worksurface Laminate	laminate color		
Leg color	silver	white	black

Height Adjustable Table, w/Box Enclosure, w/Grommet,
w/ Trough & Modesty, 1" Top

What's Included:

HAT table, box enclosure, grommet, modesty

How to Specify:

Edge color will default to match the surface color of the worksurface unless otherwise specified.

Grommet can be specified in silver or white.

Enclosure comes with automatically matching worksurface laminate unless otherwise specified.

HAT leg can be specified in silver, black or white.

Modesty can be specified in frost acrylic or laminate. Laminate modesty will default to match the worksurface colour unless otherwise specified.

Notes:

Worksurface is 1-inch thick.

All worksurfaces have 2mm vinyl edge trim.

Low pressure laminate is available on the top surface of a worksurface.

Table height can be adjusted to 25.5" from the ground and raised to a maximum height of 51" from the ground.

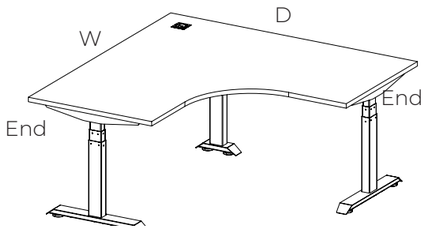

Load capacity of 350lb with worksurface.

Modesty size is adjusted to incorporate Volley height adjustable table enclosures

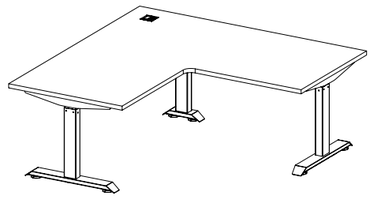

Options:

5 sided height adjustable table- curved

5 sided height adjustable table- 90 degree

5 sided base

5 sided surface - curved

5 sided surface - 90 degree

What's Included:

Unitized Volley tables (1) with one grommet (1), a set of height adjustable supports (1) and one digital height display unit (1).

How to Specify:

Grommet can be specified in silver or white.

Edge color will default to match the surface color of the worksurface unless otherwise specified.

Pinch points are taken into account in all of the Integrated tables.

Notes:

Straight desk worksurface is 1-inch thick.

Table height can be adjusted to 25" from the ground and raised to a maximum height of 51" from the ground. BIFMA bases can be adjusted to 22.75" from the ground and raised to a maximum height of 48.75" from the ground.

Load capacity of 330lb with worksurface.

Flex Cable Organizer

What's Included:

Flex Cable organizer

How to Specify:

This accessory is available in grey only.

Notes:

Designed to fit the Volley height adjustable table frame.

Attaches to frame using magnets. Can also be attached to underside of worksurface using screws.

Height under worksurface is 5" after installation.

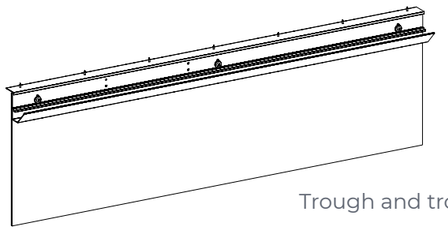

Made from flexible woven seam welded plastic.

Includes 2" opening midway on both sides for cable access

Options:

Depth	10"

Code	Price	W (in)	D (in)
V-EWMM-3610	106	36	10

Trough and trough mounted modesty

What's Included:

Trough and trough mounted modesty for Volley height adjustable table

How to Specify:

Modesty can be specified in frosted acrylic or laminate.

Laminate modesty will default to match the worksurface color unless otherwise specified.

Notes:

Modesty size is adjusted to incorporate Volley height adjustable table enclosures

Options:

Width	46", 52",58", 64", 70"
Modesty	frosted acrylic or laminate color

What's Included:

Steel bridge under structure.

1.5" thick laminate top plinth + gable covers.

Two metal gables with removable laminate covers for wire management.

Under bridge cover conceals all wires.

Sizes 108" and 240" come with a horizontal plinth with fixed laminate covers + removable metal insert.

How to Specify:

Laminate comes with automatically matching vinyl trim unless otherwise specified.

Metal accent color.

Plinth laminates and gable covers can match or contrast the chosen top color.

Metal Gables, bridge, and plinth side covers are painted in matching powder paint color.

Notes:

Sizes between 72"-96" come as a one-piece top.

Sizes between 108"-192" come as a two-piece top.

Sizes between 204"-240" come as a three-piece top.

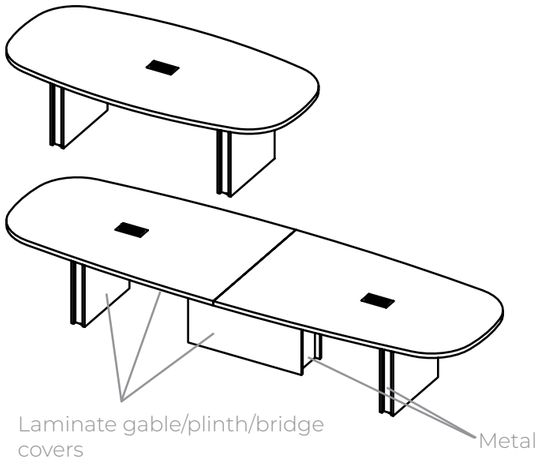

Tables between 132"-240" come with a 36" horizontal center plinth.

Boardroom tables with two or more tops will not have a consistent grain pattern.

Options:

Width	72", 84", 96", 108", 120", 132", 144", 156", 168", 180", 192", 204", 216", 228", 240"

Laminate comes with automatically matching vinyl trim unless otherwise specified.

Metal accent color.

Plinth laminates and gable covers can match or contrast the chosen top color.

Metal Gables, bridge, and plinth side covers are painted in matching powder paint color.

Notes:

Sizes between 72"-96" come as a one-piece top.

Sizes between 108"-192" come as a two-piece top.

Sizes between 204"-240" come as a three-piece top.

Tables between 132"-240" come with a 36" horizontal center plinth.

Tops from 72"-96" have one unit consisting of two power, dual USB, & one open slot for RS45/RJ11/HDMI/video.

Tops from 108"-192" have two units consisting of two power, dual USB, & one open slot for RS45/RJ11/HDMI/video.

Tops from 204"-240" have three units consisting of two power, dual USB, & one open slot for RS45/RJ11/HDMI/video.

Boardroom tables with two or more tops will not have a consistent grain pattern.

What's Included:

Steel bridge under structure.

1.5" thick laminate top plinth + gable covers.

Two metal gables with removable laminate covers for wire management.

Under bridge cover conceals all wires.

Sizes 108" and 240" come with a horizontal plinth with fixed laminate covers + removable metal insert.

How to Specify:

Laminate comes with automatically matching vinyl trim unless otherwise specified.

Metal accent color.

Plinth laminates and gable covers can match or contrast the chosen top color.

Metal Gables, bridge, and plinth side covers are painted in matching powder paint color.

What's Included:

Steel bridge under structure.

1.5" thick laminate top plinth + gable covers.

Two metal gables with removable laminate covers for wire management.

Under bridge cover conceals all wires.

Sizes 108" and 240" come with a horizontal plinth with fixed laminate covers + removable metal insert.

How to Specify:

Laminate comes with automatically matching vinyl trim unless otherwise specified.

Metal accent color.

Plinth laminates and gable covers can match or contrast the chosen top color.

Metal Gables, bridge, and plinth side covers are painted in matching powder paint color.

Notes:

Sizes between 72"-96" come as a one-piece top.

Sizes between 108"-192" come as a two-piece top.

Sizes between 204"-240" come as a three-piece top.

Tables between 132"-240" come with a 36" center plinth.

Boardroom tables with two or more tops will not have a consistent grain pattern.

What’s Included:

One (1) metal tubular T base.

How to Specify:

T bases should be specified in two’s.

Metal color.

24”d top - 16” spread

30”d top - 18” spread

36”d top - 22” spread

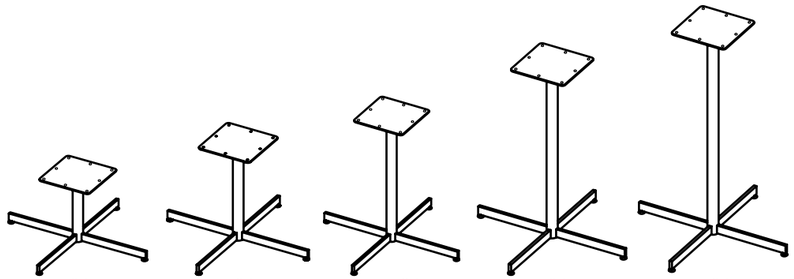

42”d top - 30” spread

48”d top - 34” spread

Options:

Spread	16”, 18”, 22”, 30”, 34”
Height	28”, 35”, 41”
Metal Color

Studi

Studi tables

with Power Module & Daisy Chain 80

with Power Module 82

with Grommet 84

without Grommet 86

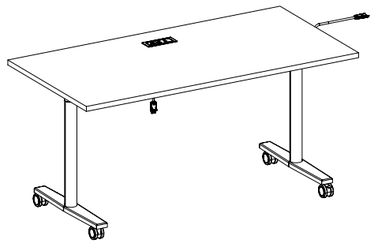

Add ons 88

PET Modesty 88

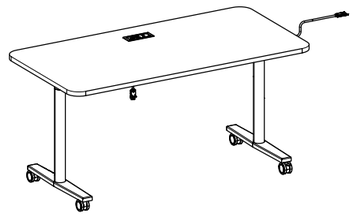

Frosted Acrylic Modesty 89

Ganging Mechanism 90

Daisy Chain 91

Straight Corner

Radius Corner

What's Included:

Studi table with surface power module, daisy chain in feed sold separately

How to Specify:

Specify laminate for surface

Each laminate comes with matching vinyl trim color unless otherwise specified on your purchase order.

Refer to the laminate finish card for details.

Specify straight or radius corner.

Studi table base is silver only.

Notes:

Two of the four casters on the Studi table are lockable.

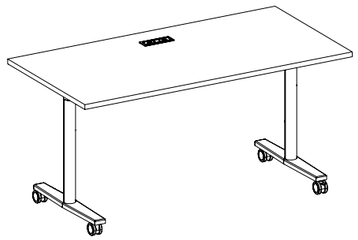

Surface power module comes in black only and includes 2 power, 1 USB A, and 1 USB C

Daisy chain in feed must be purchased separately. Check add ons section for details.

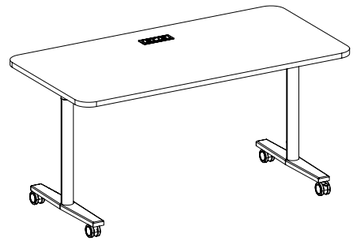

Options:

Width	48", 54", 60", 66", 72"
Depth	24", 30"
Laminate	laminate color
Corner	straight, radius

Caution

Load Bottom Drawer First

- Operate one drawer at a time
- Units may tip if loaded incorrectly
- Units should be attached to a wall or other furniture to reduce tipping hazard
- Always load the heaviest files in the bottom drawer

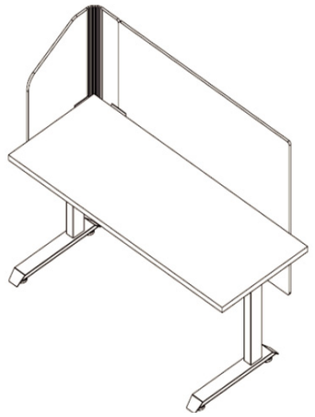

Heavy Load

- Some products must be anchored to wall to ensure stability & safety.
- It is the owner and installers responsibility to ensure that the wall type and construction is of sufficient strength to carry the loads of any wall mounted products and their contents.
- Failure of the wall and anchors to support all imposed loads may result in property damage and/or personal injury.
- Tayco can provide size and empty weight of its products only. As wall blocking is considered a building construction process, Tayco cannot provide recommendations in this respect and cannot be responsible for damage or injury that may occur as a result of improper installation and/or blocking.

Instability Hazard

Mobile items on casters such as flip top, personal and movable tables of any type and storage items of any type may present an instability hazard if not secured correctly while in use or in storage. Flip top tables or training tables of any type, are inherently more unstable when folded. Tayco provides the following guidelines & warnings when using mobile products:

- Lock casters immediately after moving. Do not leave the casters unlocked when in use or in storage.
- Motion may increase the instability of any item with casters. If the wheels hit an obstruction the table's forward momentum often causes overturn, especially if the item is not equipped with wheel extensions. Exercise strong caution while moving these items.
- Use caution when abrupt level changes in the floor are present (such as a doorway or room threshold) as caster failure or tipping may result.
- Do not stand, sit or lean on mobile items for support. They are not intended for this use and personal injury or property damage may result.
- Mobile units that feature height adjustable elements must be lowered to the minimum compressed height when moving to prevent instability. It is also recommended the user remove all computer equipment or other accessories to prevent possible weight imbalance or damage to equipment.
- Failure to follow the guidelines above may result in property damage or personal injury.

Ridge Power Module

What's Included:

Ridge Power Module with metal bracket

How to Specify:

The metal bracket is avaiable in all metal colors. Please refer to metal paint card. Also specify for power module color Black or White.

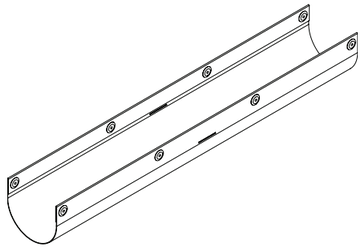

Notes:

The mountable power module avoids the visual mess of undersurface clamps.

Includes unique wire routing to clean up back of worksurface.

Includes upper ledge to accommodate cell phones and tablets.

- task light 225
- monitor arm 226

Caution

Load Bottom Drawer First

- Operate one drawer at a time
- Units may tip if loaded incorrectly
- Units should be attached to a wall or other furniture to reduce tipping hazard
- Always load the heaviest files in the bottom drawer

Heavy Load

- Some products must be anchored to wall to ensure stability & safety.
- It is the owner and installers responsibility to ensure that the wall type and construction is of sufficient strength to carry the loads of any wall mounted products and their contents.
- Failure of the wall and anchors to support all imposed loads may result in property damage and/or personal injury.
- Tayco can provide size and empty weight of its products only. As wall blocking is considered a building construction process, Tayco cannot provide recommendations in this respect and cannot be responsible for damage or injury that may occur as a result of improper installation and/or blocking.

Instability Hazard

Mobile items on casters such as flip top, personal and movable tables of any type and storage items of any type may present an instability hazard if not secured correctly while in use or in storage. Flip top tables or training tables of any type, are inherently more unstable when folded. Tayco provides the following guidelines & warnings when using mobile products:

- Lock casters immediately after moving. Do not leave the casters unlocked when in use or in storage.
- Motion may increase the instability of any item with casters. If the wheels hit an obstruction the table's forward momentum often causes overturn, especially if the item is not equipped with wheel extensions. Exercise strong caution while moving these items.
- Use caution when abrupt level changes in the floor are present (such as a doorway or room threshold) as caster failure or tipping may result.
- Do not stand, sit or lean on mobile items for support. They are not intended for this use and personal injury or property damage may result.
- Mobile units that feature height adjustable elements must be lowered to the minimum compressed height when moving to prevent instability. It is also recommended the user remove all computer equipment or other accessories to prevent possible weight imbalance or damage to equipment.
- Failure to follow the guidelines above may result in property damage or personal injury.

Overview

Tayco introduces Union, a full line of case goods and conference furniture.

Union is divided into three distinct product groups for ease of specifying: Executive, Professional and Conference. The prefix of the product code indicates the product group.

M 1.5” – Union Executive
ML 1” – Union Professional
MB 1.5” – Union Conference

Union Executive and Professional series contain the building blocks for the CEO’s office, a flexible team environment or a welcoming reception area. An abundance of freestanding storage towers are available for places to hang your coat, file important papers or store personal items. Whether you need to create an impression, save space or encourage collaboration, Union does it all.

Union Conference can be formal or casual, a place for working meetings, video-conferencing or large presentations. It customizes to your needs through a wide selection of sizes and mix-and-match table shapes and base styles. Cabinetry has been made larger to match the proportions of the conference room. Accessory items such as audiovisual cabinets, mobile media centers, lecterns, whiteboards and serving cabinets round out the line.

Union Executive and Conference feature 1.5"-thick worksurfaces, hutch and freestanding storage tops. These items have a Straight trim style. Union Professional has 1"-thick worksurfaces, hutch tops, filing and storage tops with a straight 2-mm vinyl edge.

desks, returns, bridges and credenzas
Desks are available with a choice of recessed or flush modesties. Union desks, end gables and modesties are made with 45 lb./cubic foot density industrial-grade composite wood core, finished on both sides. Many pieces are available with partial or full modesties. Partial modesties (12"H) should be ordered only for pieces located next to a wall. Otherwise, full modesties should be used.

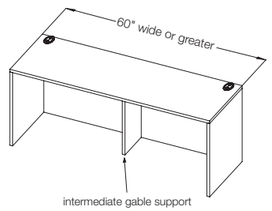

pedestals
All pedestal drawers are outfitted with full extension slides. Drawers can be easily removed by releasing the small catches on either side of the slide. Pedestals come standard with locks. One lock will lock both file drawers in a file/file pedestal and one box drawer and the file drawer in the box/box/file pedestal. File drawers will accommodate legal- or letter-size documents.

freestanding storage and combo cabinets
Various combination filing and storage units provide a place to hang a coat, store personal items and documents to suit any individual’s needs.

intermediate gable supports
Some configurations require the use of an intermediate gable support. This support must be ordered separately. The situations requiring an intermediate gable support are:

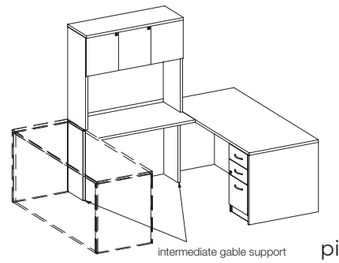

> For use under surfaces 60" wide or greater where there is no filing or storage to support the worksurface (see picture 1). This applies to Union Professional only. The intermediate support is not necessary for Union Executive configurations, unless a hutch is placed over a bridge or return surface (see picture 2).

surfaces 60" wide or greater

picture 1

under surfaces with a hutch

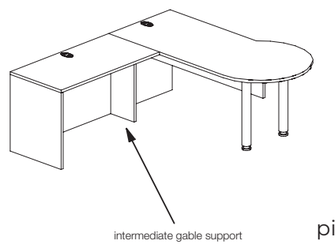

picture 2

> Under return surfaces where the return meets the primary desk or Peninsula table. This applies to Union Professional only.

The 12" wide intermediary gable is for 21"- and 24"-deep surfaces and the 18"-wide intermediate gable is used with 30"- and 36"-deep worksurfaces.

universal gable support

picture 3

accessories
Computer accessories include flat-screen monitor arms, articulating keyboard trays and CPU holders.

Heavy-duty flat-screen monitor arms adjust to the user while storing wires within the arm. The monitor mounting plate meets VESA standards to accommodate most monitors. Monitor arms can be grommet- or clamp-mounted to the worksurface. Articulating and retractable keyboard trays and mobile or underdesk-mounted CPU holders complete the workstation.

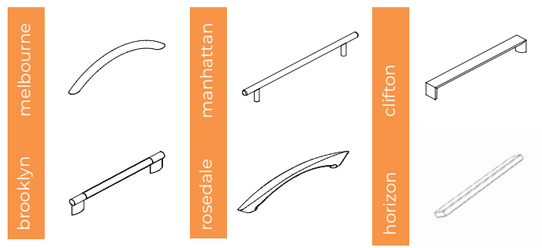

Hutch-mounted tackboards can be finished in any Tayco standard fabric to match the office decor. The conference room whiteboard comes standard with a dry erase board and two fabric-wrapped tackboards.
Standard task lights are available in two sizes and come with vertical wire management. An optional task light is available.

hutches and cabinets
Hutch and cabinet doors come in a choice of classic laminate or aluminum-framed frosted acrylic. Hutches with laminate doors always come standard with locking doors.
Hutches come open or closed, with or without pigeonholes and a flexible apron for wire management. Optional hutch mounted tackboards finished in any of Tayco fabrics can be ordered to complete the look.

coffee and end tables
Union coffee and end tables coordinate with reception units and are available with or without a fixed shelf.

bookcases
Straight and radius bookcases have height-adjustable shelves with the exception of any desk-height shelves. They are fixed to add structural stability to the bookcase.

handle details
Six handle options are available in choice of colors. See order cover sheet for color details.

default vinyl color selections
Each laminate comes with matching vinyl trim color unless otherwise specified on your purchase order. Refer to the laminate finish card for details.

How to Order and Read your Code:

M or ML	**TS0G**	**60**	**21**
product line	item	width	depth

decorative trim placement

Generally the decorative trim is placed on the exposed surface edge.
Straight trim is applied to surface edges that are placed next to a wall or another surface.

desks

tables

returns and bridges

filing and storage

hutches

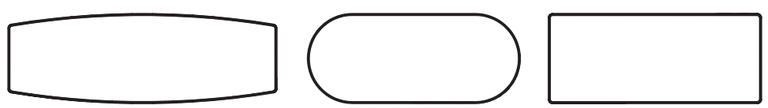

credenzas

bookcases

conference tables

coffee & end tables

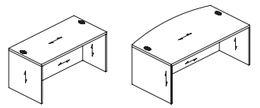

grain direction

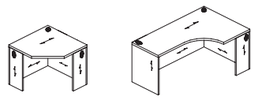

Horizontal Surfaces
When ordering a directional laminate, the grain will run the direction of the width of the worksurface (excluding bridge surfaces), hutch or storage top. Grain on bridge modesty runs vertically so the grain will run the same direction on the entire suite.

Vertical Surfaces
Directional laminates run vertically on vertical surfaces such as cabinet doors, pedestal drawer fronts and gables, as well as all cabinet, lateral file and pedestal kick-plates. The grain runs horizontally across the width of modesty panels.

Note: Boardroom tables with tops comprised of 2 or more pieces will not have a consistent grain pattern.

filing options

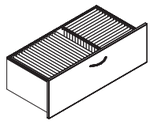

Pedestal file drawers can accommodate letter- or legal-size documents. Letter-size papers can be filed either front to back or side to side. Lateral drawers can accommodate front to back or side to side filing of legal- or letter-size documents.

Disclaimer: Please note that lateral file drawers are intended for filing letter and legal size paper front to back or side to side only. For details and weight restrictions please contact customer service.

Straight Tabletop w/Power and Data
1.5” thick

How to Specify:

Each laminate comes with matching vinyl trim color unless otherwise specified on your purchase order. Refer to the laminate finish card for details.

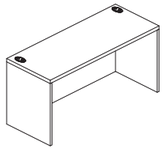

Notes:

Tabletops 72”-96”W are configured in one-piece top.

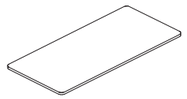

Tabletops 108”-192”W are configured in two-piece tops.

Tabletops 204”-240”W are configured in three-piece tops.

Single-piece tabletops are equipped with one power and data grommet, two-piece tabletops are equipped with two power and data grommets, and three-piece tabletops are equipped with three power and data grommets.

Two power and dual USB-A receptacles with 3 open slots to accommodate RJ11, RJ45, HDMI, VGA or Stereo. Items for 3 open slots must be specified and purchased separately.

Boardroom tables with tops comprised of 2 or more pieces will not have a consistent grain pattern.

Options:

laminate color

grommet color (for tabletops with power and data)

Boat-Shaped Tabletop w/Power and Data
1” thick

How to Specify:

Each laminate comes with matching vinyl trim color unless otherwise specified on your purchase order. Refer to the laminate finish card for details.

Notes:

Tabletops 72”-96”W are configured in one-piece top.

Tabletops 108”-192”W are configured in two-piece tops.

Tabletops 204”-240”W are configured in three-piece tops.

Single-piece tabletops are equipped with one power and data grommet, two-piece tabletops are equipped with two power and data grommets, and three-piece tabletops are equipped with three power and data grommets.

Two power and dual USB-A receptacles with 3 open slots to accommodate RJ11, RJ45, HDMI, VGA or Stereo. Items for 3 open slots must be specified and purchased separately.

Boardroom tables with tops comprised of 2 or more pieces will not have a consistent grain pattern.

Options:

laminate color

grommet color (for tabletops with power and data)

Racetrack Tabletop w/Power and Data
1” thick

How to Specify:

Each laminate comes with matching vinyl trim color unless otherwise specified on your purchase order. Refer to the laminate finish card for details.

Notes:

Tabletops 72”-96”W are configured in one-piece top.

Tabletops 108”-192”W are configured in two-piece tops.

Tabletops 204”-240”W are configured in three-piece tops.

Single-piece tabletops are equipped with one power and data grommet, two-piece tabletops are equipped with two power and data grommets, and three-piece tabletops are equipped with three power and data grommets.

Two power and dual USB-A receptacles with 3 open slots to accommodate RJ11, RJ45, HDMI, VGA or Stereo. Items for 3 open slots must be specified and purchased separately.

Boardroom tables with tops comprised of 2 or more pieces will not have a consistent grain pattern.

Options:

laminate color

grommet color (for tabletops with power and data)

Caution

Load Bottom Drawer First

- Operate one drawer at a time
- Units may tip if loaded incorrectly
- Units should be attached to a wall or other furniture to reduce tipping hazard
- Always load the heaviest files in the bottom drawer

Heavy Load

- Some products must be anchored to wall to ensure stability & safety.
- It is the owner and installers responsibility to ensure that the wall type and construction is of sufficient strength to carry the loads of any wall mounted products and their contents.
- Failure of the wall and anchors to support all imposed loads may result in property damage and/or personal injury.
- Tayco can provide size and empty weight of its products only. As wall blocking is considered a building construction process, Tayco cannot provide recommendations in this respect and cannot be responsible for damage or injury that may occur as a result of improper installation and/or blocking.

Instability Hazard

Mobile items on casters such as flip top, personal and movable tables of any type and storage items of any type may present an instability hazard if not secured correctly while in use or in storage. Flip top tables or training tables of any type, are inherently more unstable when folded. Tayco provides the following guidelines & warnings when using mobile products:

- Lock casters immediately after moving. Do not leave the casters unlocked when in use or in storage.
- Motion may increase the instability of any item with casters. If the wheels hit an obstruction the table's forward momentum often causes overturn, especially if the item is not equipped with wheel extensions. Exercise strong caution while moving these items.
- Use caution when abrupt level changes in the floor are present (such as a doorway or room threshold) as caster failure or tipping may result.
- Do not stand, sit or lean on mobile items for support. They are not intended for this use and personal injury or property damage may result.
- Mobile units that feature height adjustable elements must be lowered to the minimum compressed height when moving to prevent instability. It is also recommended the user remove all computer equipment or other accessories to prevent possible weight imbalance or damage to equipment.
- Failure to follow the guidelines above may result in property damage or personal injury.

Overview

Tayco introduces Union Quick Ship, a full line of case goods and conference furniture.

Union is divided into three distinct product groups for ease of specifying: Executive, Professional and Conference. The prefix of the product code indicates the product group.

QML 1” – Union Quick Ship Professional
QMB 1.5” – Union Quick Ship Conference

Tayco’s Quick Ship Program offers a selection of furniture systems and ergonomic accessories with a 10-day lead time. This program includes flexible panel systems designed for various work environments, casegoods suitable for private offices and meeting spaces, and ergonomic accessories such as monitor arms and power solutions.

The Union Quick Ship line provides casegoods for workspaces, featuring desks and storage. This program offers a modern design with durable construction. Each piece is made with 1” thick thermally fused melamine worksurfaces, desk-height storage cabinet tops and 3/4” thick tops.

desks, returns, bridges and credenzas
Desks are available with a choice of recessed or flush modesties. Union desks, end gables and modesties are made with 45 lb./cubic foot density industrial-grade composite wood core, finished on both sides. Many pieces are available with partial or full modesties. Partial modesties (10"H) should be ordered only for pieces located next to a wall. Otherwise, full modesties should be used.

pedestals
All pedestal drawers are outfitted with full extension slides. Drawers can be easily removed by releasing the small catches on either side of the slide. Pedestals come standard with locks. One lock will lock all drawers. File drawers will accommodate legal or letter-size documents.

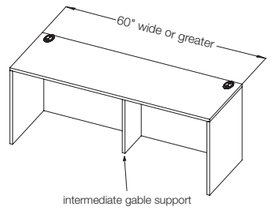

freestanding storage and combo cabinets
Various combination filing and storage units provide a place to hang a coat, store personal items and documents to suit any individual’s needs.

bookcases
Bookcases have height-adjustable shelves with the exception of any desk-height shelves. They are fixed to add structural stability to the bookcase.

intermediate gable supports
Some configurations require the use of an intermediate gable support. This support must be ordered separately. The situations requiring an intermediate gable support are:

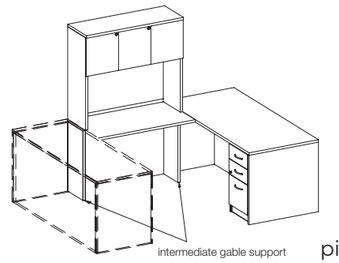

surfaces 60" wide or greater

- For use under surfaces 60" wide or greater where there is no filing or storage to support the worksurface (see picture 1). The intermediate support is necessary if a hutch is placed over a bridge or return surface (see picture 2).

picture 1

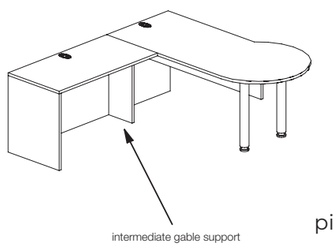

under surfaces with a hutch

picture 2

- Under return surfaces where the return meets the primary desk or Peninsula table.
- The 12" wide intermediary gable is for 21"- and 24"-deep surfaces and the 18"-wide intermediate gable is used with 30"- and 36"-deep worksurfaces. (see Picture 3)

universal gable support

picture 3

hutches and cabinets
Hutch and cabinet doors come in classic laminate. Hutches with laminate doors always come standard with locking doors.

accessories
Computer accessories include flat-screen monitor arms, and articulating keyboard trays.

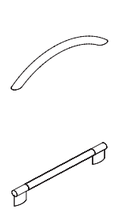

Heavy-duty flat-screen monitor arms adjust to the user while storing wires within the arm. The monitor mounting plate meets VESA standards to accommodate most monitors. Monitor arms can be grommet- or clamp-mounted to the worksurface. Articulating keyboard trays complete the workstation.

Hutch-mounted tackboards can be finished in any Tayco standard PET to match the office decor.

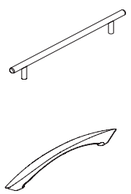

Standard LED task lights are available in two sizes.

handle details
Six handle options are available in choice of colors.

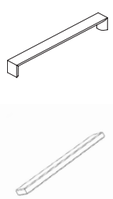

brooklyn melbourne

rosedale manhattan

horizon clifton

default vinyl color selections
Each laminate comes with matching vinyl trim color unless otherwise specified on your purchase order. Refer to the laminate finishes on page 19 for details.

filing options
Pedestal file drawers can accommodate letter- or legal-size documents. Letter-size papers can be filed either front to back or side to side. Lateral drawers can accommodate front to back or side to side filing of legal- or letter-size documents.

Disclaimer: Please note that lateral file drawers are intended for filing letter and legal size paper front to back or side to side only. For details and weight restrictions please contact customer service.

How to Order and Read your Code:

QM or QML	TS0G	60	21
product line	item	width	depth

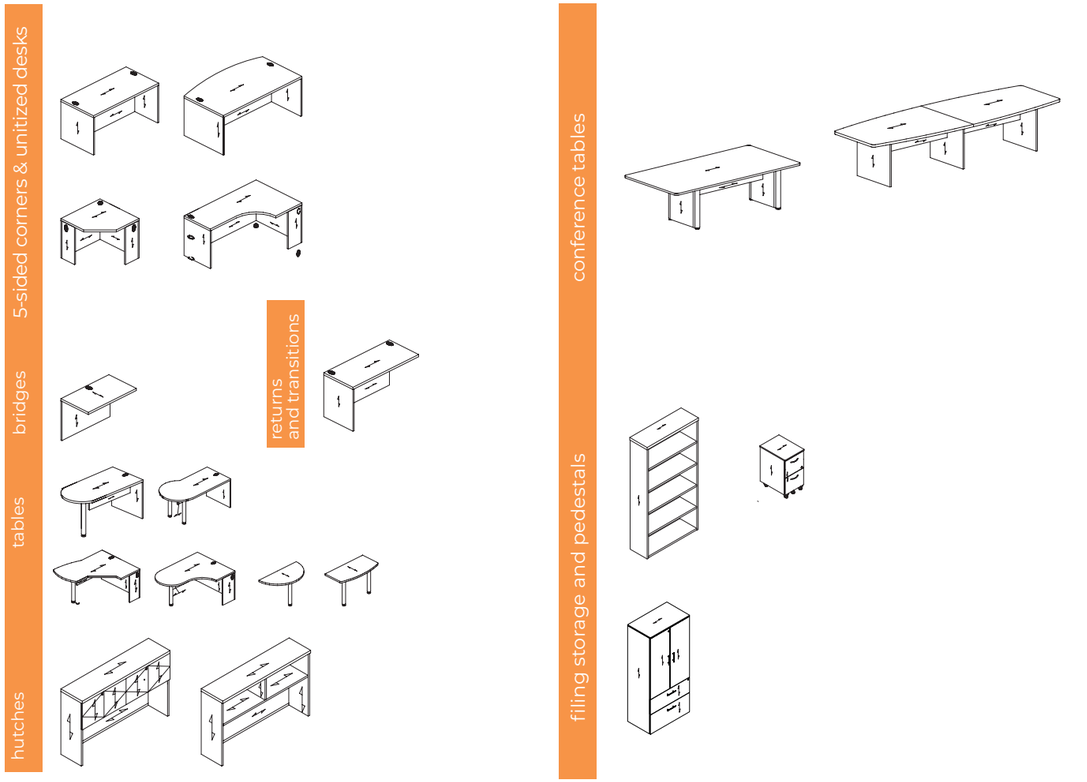

grain direction

Horizontal Surfaces

When ordering a directional laminate, the grain will run the direction of the width of the worksurface (excluding bridge surfaces), hutch or storage top. Grain on bridge modesty runs vertically so the grain will run the same direction on the entire suite.

Vertical Surfaces

Directional laminates run vertically on vertical surfaces such as cabinet doors, pedestal drawer fronts and gables, as well as all cabinet, lateral file and pedestal kick-plates. The grain runs horizontally across the width of modesty panels.

Note: Boardroom tables with tops comprised of 2 or more pieces will not have a consistent grain pattern.

grommets

Oval shaped grommets are available in black or silver and square shaped grommets are available in black, silver or white to coordinate with furniture.

Components Including Grommets

- Peninsula tables
- Arc desks with pedestals
- Straight desks with recessed modesties and pedestals
- Straight desks with flush modesties
- Returns
- Bridges
- 5-sided corner worksurfaces
- Unitized desks
- Reception units

Components Available With or Without Grommets

- Arc desks without pedestals
- Straight desks with recessed modesties

Components Without Grommets

- “U” and “C” Tables

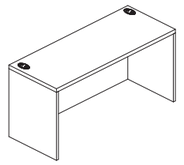

Grommet Placement

Surfaces up to and including 48” wide have one grommet located at back center of the surface. Surfaces 54” wide and wider have two grommets at either side of the back of the surface.

1.5” Racetrack Tabletop w/Power and Data

How to Specify:

Each laminate comes with matching vinyl trim color unless otherwise specified on your purchase order. Refer to the laminate finishes on page 19 for details.

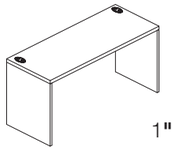

Notes:

Tabletops 72”-96”W are configured in one-piece top.

Tabletops 108”-192”W are configured in two-piece tops.

Tabletops 204”-240”W are configured in three-piece tops.

Single-piece tabletops are equipped with one power and data grommet, two-piece tabletops are equipped with two power and data grommets, and three-piece tabletops are equipped with three power and data grommets.

Two power and dual USB-A receptacles with 3 open slots to accommodate RJ11, RJ45, HDMI, VGA or Stereo. Items for 3 open slots must be specified and purchased separately.

Boardroom tables with tops comprised of 2 or more pieces will not have a consistent grain pattern.

Options:

laminate color

grommet color (for tabletops with power and data)
