137	Customer Training	14767	LMS - Community Package	The "Community County" packages are the essential digital training solution for smaller counties, providing comprehensive self-paced learning for up to 500 active users annually. This foundational offering ensures your core election staff, poll workers, and rovers gain crucial expertise on Clear Ballot technology through accessible mobile and web-based courses. Designed for engagement, users can track progress, earn badges, and participate in discussion forums, fostering a well-prepared and connected election team. These packages provide the vital training needed to run seamless elections.	Each	1	Clear Ballot		\$14,000.00	0%	0%	\$14,000.00
138	Customer Training	14770	LMS - District County Package	The "District County" package, tailored for medium-sized counties supporting up to 750 active users annually. Building on the Community County features, this package provides 12 months of access to a dedicated County Training Portal for centralized access, alongside 3 custom Level 2 E-Learning courses (limited interactivity) aligned with the counties workflows/procedures (outside of Clear Ballot Group technology).
