 BIDDER PRICING DOCUMENT
 Solicitation 23185 - STEM/STEAM and Science Laboratory Educational Supplies and Equipment
 Attachment 1 - Pricing**

Bidder Name:	Edvotek, Inc.
---------------------	----------------------

Pricing Sheets
 Bidder shall offer a Product Category Discount on the 'Product Category Discounts' tab for each Lot and category being bid and pricing for specific products on the Lot 1 and/or Lot 2 tabs.

The shaded cells in the Lot 1 and Lot 2 tabs provide the Bidder with additional information in a read-only format. Only those unshaded cells provided for entering information are to be accessed by the Bidder.

New York State Office of General Services Procurement Services reserves the right to reject any bid submission or portion(s) thereof determined to have been altered/modified from the original format by the vendor. Such alterations/modifications include but are not limited to any change(s) to document header(s), footer(s) and/or cell(s); unprotecting worksheet(s)/workbook(s); hiding/unhiding cell (s)/column(s)/row(s)/worksheet(s); and locking/unlocking cell(s).

Successful Bidders will only be able to sell those items listed and accepted by OGS, so be as inclusive as possible when entering products for consideration.

Bidder's Part/Stock Number	Bidder shall enter the Part/Stock Number used by the Bidder for ordering purposes.
Deeper Discount	The Bidder may enter a Deeper Discount for individual products in order to customize pricing.
Item Description	Bidder shall enter a description of the Product.
List Price	Bidder shall enter the price published in the regularly published commercial catalog for the Product being offered.
Manufacturer Name	Bidder shall provide the name of the manufacturer of the Product offered.
Manufacturer Part No.	Bidder shall enter the manufacturer's unique identifier assigned to the item, which consists of alphanumeric characters. Examples of manufacturer's part numbers include Product Order Codes, ID Numbers, Model Numbers and Catalog Numbers. Should the Manufacturer's Part Number and the Bidder's Part Number be identical, then this information should be listed in both the 'Manufacturer's Part Number' and 'Bidder's Part Number' fields.
Net NYS Price	This column is automatically calculated for Bidder using the Total Discount and List Price.
Product Category	Types of Products being requested in this Solicitation (i.e. 3D Printing, Science Laboratory and Teaching Supplies, Robotics Kits and Parts, etc.) The Product Category has been pre-filled for each individual price sheet to reflect the Product Category.

Product Category Discount	The Bidder shall enter a discount for each category being bid on.
Qty per UOM	The Bidder shall enter the quantity offered for the Unit of Measure (i.e. '1' for a UOM of 'Each' or '12' for a UOM of 'Package')
Total Discount	This is the sum of the Product Category Discount and the Deeper Discount, and is automatically calculated.
Unit of Measure (UOM)	Bidder shall enter the packing size of Product.

Bidder's Name: Edvotek, Inc.

For each Product Category being bid, Bidder shall offer a single category discount percentage (must be greater than 0%) from their regularly published commercial price list which shall apply to all items within the product category.

The category discount entered on this tab (yellow highlighted fields below) will populate the appropriate spreadsheet related to the product category.

If Bidder is not bidding a specific product category, Bidder may leave category discount blank on this tab.
