

**NEW YORK STATE
BIDDER PRICING DOCUMENT
Solicitation 23185 - STEM/STEAM and Science Laboratory Educational Supplies and Equipment
Attachment 1 - Pricing**

Bidder Name:	Fisher Scientific Co. LLC
---------------------	---------------------------

Pricing Sheets

Bidder shall offer a Product Category Discount on the 'Product Category Discounts' tab for each Lot and category being bid and pricing for specific products on the Lot 1 and/or Lot 2 tabs.

The shaded cells in the Lot 1 and Lot 2 tabs provide the Bidder with additional information in a read-only format. Only those unshaded cells provided for entering information are to be accessed by the Bidder.

New York State Office of General Services Procurement Services reserves the right to reject any bid submission or portion(s) thereof determined to have been altered/modified from the original format by the vendor. Such alterations/modifications include but are not limited to any change(s) to document header(s), footer(s) and/or cell(s); unprotecting worksheet(s)/workbook(s); hiding/unhiding cell (s)/column(s)/row(s)/worksheet(s); and locking/unlocking cell(s).

Successful Bidders will only be able to sell those items listed and accepted by OGS, so be as inclusive as possible when entering products for consideration.

Bidder's Part/Stock Number	Bidder shall enter the Part/Stock Number used by the Bidder for ordering purposes.
Comparable Governmental Entity/Educational Agency, Contract or Invoice Number and Link (if applicable)	Bidder shall enter the name of either the Governmental Entity or Educational Agency, the associated contract or invoice number and a link to the contract (if applicable) that is being used to show reasonableness of pricing.
Comparable Contract or Invoice Price	Bidder shall enter the contract or invoice price offered to the comparable Government Entity or Educational Agency. See Solicitation Section 5.2 - <i>Reasonableness of Price</i> for further information.
Deeper Discount	The Bidder may enter a Deeper Discount for individual products in order to customize pricing.
Item Description	Bidder shall enter a description of the Product.
List Price	Bidder shall enter the price published in the regularly published commercial catalog for the Product being offered.
Manufacturer Name	Bidder shall provide the name of the manufacturer of the Product offered.
Manufacturer Part No.	Bidder shall enter the manufacturer's unique identifier assigned to the item, which consists of alphanumeric characters. Examples of manufacturer's part numbers include Product Order Codes, ID Numbers, Model Numbers and Catalog Numbers. Should the Manufacturer's Part Number and the Bidder's Part Number be identical, then this information should be listed in both the 'Manufacturer's Part Number' and 'Bidder's Part Number' fields.

NYS Price Comparison	This column is automatically populated for the Bidder by comparing the Net NYS Price to the Comparable Contract Price. This column will indicate whether the NYS Contract Price is 'Lower Than', 'Equal To', or 'Higher Than' the Comparable Contract Price. OGS reserves the right to conduct additional research and request additional information to verify the information provided and/or assess reasonableness of pricing. If the NYS Contract Price is higher than the Comparable Contract Price and an acceptable explanation is not provided, the Product will not be included in the resulting Contract Price List.
Net NYS Price	This column is automatically calculated for Bidder using the Total Discount and List Price.
Product Category	Types of Products being requested in this Solicitation (i.e. 3D Printing, Science Laboratory and Teaching Supplies, Robotics Kits and Parts, etc.) The Product Category has been pre-filled for each individual price sheet to reflect the Product Category.
Product Category Discount	The Bidder shall enter a discount for each category being bid on.
Qty per UOM	The Bidder shall enter the quantity offered for the Unit of Measure (i.e. '1' for a UOM of 'Each' or '12' for a UOM of 'Package')
Total Discount	This is the sum of the Product Category Discount and the Deeper Discount, and is automatically calculated.
Unit of Measure (UOM)	Bidder shall enter the packing size of Product.

Bidder's Name:	Fisher Science Education
-----------------------	--------------------------

For each Product Category being bid, Bidder shall offer a single category discount percentage (must be greater than 0%) from their regularly published commercial price list which shall apply to all items within the product category.

		Lot 1	Lot 2
Product Category		'NonInformation Technology Based STEM/STEAM Products' Category Discounts	'Information Technology Based STEM/STEAM Products' Category Discounts
1	3D Printing		
2	Science Laboratory and Teaching Supplies		
3	Robotics Kits and Parts		
4	Drone Kits and Parts		
5	Integrated STEM/STEAM Educational Materials	1.00%	
6	Virtual Reality and Augmented Reality Equipment and Supplies		
7	Packaged Virtual Reality Products and Simulation Equipment
