

Bidder's Name:	Carolina Biological Supply Company
-----------------------	------------------------------------

For each Product Category being bid, Bidder shall offer a single category discount percentage (must be greater than 0%) from their regularly published commercial price list which shall apply to all items within the product category.

The category discount entered on this tab (yellow highlighted fields below) will populate the appropriate spreadsheet related to the product category.

If Bidder is not bidding a specific product category, Bidder may leave category discount blank on this tab.

Product Category		Lot 1 'Non-Information Technology Based STEM/STEAM Products' Category Discounts	Lot 2 'Information Technology Based STEM/STEAM Products' Category Discounts
