Hastings Premium Filters U.S. Price Sheet Effective July 10, 2018

Some products/services in this Contract may be available from one or more preferred sources.

Agencies are reminded to comply with the statutory requirements under Section 162 of the State Finance Law and the guidelines

issued by the State Procurement Council to afford first priority to products/services

available from preferred sources which meet your Form, Function, and Utility.

Hastings Premium Filters U.S. Price Sheet Effective July 10, 2018

Some products/services in this Contract may be available from one or more preferred sources.

Agencies are reminded to comply with the statutory requirements under Section 162 of the State Finance Law and the guidelines

issued by the State Procurement Council to afford first priority to products/services

available from preferred sources which meet your Form, Function, and Utility.

Hastings Premium Filters U.S. Price Sheet Effective July 10, 2018

Some products/services in this Contract may be available from one or more preferred sources.

Agencies are reminded to comply with the statutory requirements under Section 162 of the State Finance Law and the guidelines

issued by the State Procurement Council to afford first priority to products/services

available from preferred sources which meet your Form, Function, and Utility.

Hastings Premium Filters U.S. Price Sheet Effective July 10, 2018

Some products/services in this Contract may be available from one or more preferred sources.

Agencies are reminded to comply with the statutory requirements under Section 162 of the State Finance Law and the guidelines

issued by the State Procurement Council to afford first priority to products/services

available from preferred sources which meet your Form, Function, and Utility.
