77-8157-0000	Intelitek - LM7 Content, Intro to 3D Printing - Perpetual version (Requires LMS 77-1201-0000)	\$1,595.00	2.00%	\$1,563.10
00-3087- LE	Laser Engraver Package	\$12,718.94	2.00%	\$12,464.56
Automation & Process Control				
00-1300-0003	Intelitek - JMTS - Double Sided Mounting Panel - Double sided T-slot training panel for table mounting (47.3" x 31.5")	\$2,421.00	2.00%	\$2,372.58
00-1300-0008	Intelitek - JMTS – Mobile Bench Base Basic - Mobile cabinet base for training station (work area used to mount the double sided mounting panel 00-1300-0003) without drawers and cabinets.	\$2,179.00	2.00%	\$2,135.42
22-0004-0001	Intelitek - Hydraulic pump, 110V - Assembly, Hydraulic Power pump Unit w/Switch, 110V	\$2,289.60	2.00%	\$2,243.81
00-1300-0007	Intelitek - JMTS - Hydraulic pipes storage bracket - Optional equipment storage bracket for hydraulic pipes - mounts on side of the training station	\$143.10	2.00%	\$140.24
00-1300-0006	Intelitek - JMTS - Monitor Mounting Arm - Optional bracket to mount monitor or all-in-one computer in the edge of the double sided mounting panels - up to 2 units can be installed	\$227.90	2.00%	\$223.34
Intelitek - Electrical Modules				
10-2550-2000	Intelitek - JMTS - Relay Module - Modular Electronics Add-on for JMTS with three (3) electrical relays for training and project use	\$631.76	2.00%	\$619.12
10-2550-3000	Intelitek - JMTS - Operational Module - Modular Electronics Add-on for JMTS with switches, indicators, buzzer and push buttons for training and project use	\$621.16	2.00%	\$608.74
10-2550-4000	Intelitek - JMTS - PLC Module (Siemens S7-1200) - Modular Electronics Add-on for JMTS with a Siemens S7-1200 PLC unit for training and project use	\$1,997.04	2.00%	\$1,957.10
00-1904-1000	Intelitek - JMTS - P1 Kit - Pneumatic training kit for Pneumatics 1: conditioning unit, 5/2 double air pilot valve, 3/2 mushroom push button valve, 3/2 Lever valve and all components as listed in the catalog. Prerequisite: JMTS station	\$2,357.44	2.00%	\$2,310.29
00-1905-1000	Intelitek - JMTS - P2 Kit - Pneumatic training kit for Pneumatics 2: Double acting cylinder, 5/2 double air pilot valve, (2) Single air pilot valves, 3/2 double roller lever valve, pneumatic time delay device, manifold. Prerequisite: JMTS station and P1 kit	\$1,664.20	2.00%	\$1,630.92
00-1906-1000	Intelitek - JMTS - P3 Kit - Pneumatic training kit for Pneumatics 3: 5/2 double solenoid valve, (2) inductive proximity sensor, magnetic sensors (pair), (14) banana plug cables. . Prerequisite: JMTS station, P1 kit and P2 kit	\$1,706.60	2.00%	\$1,672.47
00-2105-1000	Intelitek - JMTS - H1 Kit - Hydraulics training kit for Hydraulics 1: Double-acting cylinder 1-1/8", 1 4/3 selector valve (closed center), Two-way control valve, (2) one-way control valves, Pressure relief valve, flow meter, (2) pressure gauges, (2) T-connectors, (10) Hydraulic hoses, Hex wrench, funnel. Prerequisite: JMTS station HYDRAULIC PUMP NOT INCLUDED, if customer is not supplying please add 22-0004-0001 to the quotation.	\$3,542.52	2.00%	\$3,471.67
00-2106-1000	Intelitek - JMTS - H2 Kit - Hydraulics training kit for Hydraulics 2: Double-acting cylinder (diameter 3/4"), 4/3 selector valve (open center), Pressure reducing valve, (2) Manifold, coiled hoses, temperature gauge, (2) 80cm hoses. Prerequisite: JMTS station and H1 kit	\$2,537.64	2.00%	\$2,486.89
00-2107-1000	Intelitek - JMTS - H3 Kit - Hydraulics training kit for Hydraulics 3: 4/3 double solenoid valve, 2/2 solenoid valve, (3) magnetic sensors, (14) Banana plug cables (24" and 48"), electric distributor. Prerequisite: JMTS station, H1 kit and H2 kit	\$1,416.16	2.00%	\$1,387.84
00-3075-1000	Intelitek - JMTS -(revised) PLC1 Kit - PLC Hardware Kit for PLC Technology 1: Includes 4VDC Servo Motor, Optical encoder unit, Lead screw, Inductive proximity sensor, and banana plug cables. Prerequisite: JMTS Station	\$2,625.00	2.00%	\$2,572.50
Intelitek - JMTS Curriculum				
63-9239-0000	Intelitek - PneuMotion Software - PneuMotion virtual pneumatics software; single seat license	\$500.00	2.00%	\$490.00
63-9240-0000	Intelitek - Hydra Motion Software - HydraMotion virtual hydraulics software; single seat license	\$500.00	2.00%	\$490.00
77-8070-0010	Pneumatics 1 JMTS LM7 - 15 hours of lab & virtual instruction in the Fundamentals of Pneumatics- LearnMate® Content . Includes PneuMotion pneumatic simulation software classroom license launched within LearnMate. Works with Lab Hardware JMTS and P1 Kit.	\$2,995.00	2.00%	\$2,935.10
77-8070-0020	Pneumatics 2 JMTS LM7 - 15 hours of lab & virtual instruction in Advanced Pneumatics - LearnMate® Content . Prerequisite - Pneumatics Technology 1: Works with Lab Hardware JMTS and P2 Kit	\$2,495.00	2.00%	\$2,445.10
77-8070-0030	Pneumatics 3 JMTS LM7 - 15 hours of lab & virtual instruction in Electro-Pneumatics-LearnMate® Content . Prerequisite - Pneumatics Technology 2. Works with Hardware JMTS and P3 Kit	\$2,495.00	2.00%	\$2,445.10
77-8071-0010	Hydraulics 1 JMTS LM7 - 15 hours of lab & virtual instruction in the Fundamentals of Hydraulics-LearnMate® Content Includes HydraMotion hydraulics simulation software classroom license launched within LearnMate. Works with Lab Hardware JMTS and H1 Kit	\$2,995.00	2.00%	\$2,935.10
77-8071-0020	Hydraulics 2 JMTS LM7 - 15 hours of lab & virtual instruction in Electro-Hydraulics- LearnMate® Content . Prerequisite - Hydraulics Technology 1- Works with Lab Hardware JMTS and H2 Kit	\$2,495.00	2.00%	\$2,445.10

JM-CMPL-ELEC	Intelitek - Complete Industrial Electronics Program 110V - Mobile training bench with two (2) single phase power controls and two (2) three phase power controls, accommodates 4 students at once. LearnMate Content and all panels for: - Basic Electric, - Electrical Control Systems - Industrial Power Electronics Also includes two (2) storage rack for placement of panels not currently in use. This bundle includes all 3 bundles in one package	\$156,674.36	2.00%	\$153,540.87
Intelitek - Basic Power Electricity				
JM-BASE-EA01A	Intelitek - Electrical Circuits - Electrical Circuits teaches 14 skills in 21 hours of LearnMate® lab instruction, includes 5 Flexponent Panels: Switch, Lamp & Buzzer (E040); Sources of Electricity (E045); Heat & Light Source (E047); Series/Parallel Lamp Circuits (E151); Adjustable Power Supply (E152).	\$4,337.52	2.00%	\$4,250.77
JM-BASE-EA01A-AP	Intelitek - - Additional EA01A Panels	\$3,595.52	2.00%	\$3,523.61
JM-BASE-EA01B	Intelitek - Resistors & Conductors - Resistors and Conductors teaches 9 skills in 15 hours of LearnMate® lab instruction, includes (1) Flexponent Panel: - Resistance (E042). Prerequisite Electrical Circuits (EA01A)	\$1,802.00	2.00%	\$1,765.96
JM-BASE-EA01B-AP	Intelitek - - Additional set E042 Panels.	\$1,060.00	2.00%	\$1,038.80
JM-BASE-EA01C	Intelitek - LCR Circuits - LCR Circuits teaches 14 skills in 21 hours of LearnMate® lab instruction, includes (5) Flexponent Panel: Magnetism (E029); Capacitance (E043); Inductance (E044); Motor/Generator (E057); Relay/Contactor (E150); Prerequisite Resistors & Conductors (EA01B).	\$4,231.52	2.00%	\$4,146.89
JM-BASE-EA01D	Intelitek - Motors & Generators - Motors & Generators teaches 8 skills in 15 hours of LearnMate® lab instruction. Prerequisite LCR Circuits (EA01C)	\$1,372.70	2.00%	\$1,345.25
Intelitek - Electrical Control Systems				
JM-CTRL-EA02	Intelitek - Electric Circuit Protection & Monitoring - Electric Circuit Protection & Monitoring teaches 10 skills in 15 hours of LearnMate® lab instruction, includes (2) Flexponent Panel: Manual Starter (E022); Circuit Overload Protection & Monitoring (E030). Prerequisite Electromagnetic Motor Starters (EA07) & Electric Motors (EA04).	\$3,322.04	2.00%	\$3,255.60
JM-CTRL-EA02-AP	Intelitek - - Additional EA02 Panels.	\$2,580.04	2.00%	\$2,528.44
JM-CTRL-EA03	Intelitek - Three-Phase Transformers - Three-Phase Transformers teaches 8 skills in 15 hours of LearnMate® lab instruction, includes (1) Flexponent Panel: Three-Phase Transformer (E003)	\$1,696.00	2.00%	\$1,662.08
JM-CTRL-EA03-AP	Intelitek - - Additional EA03 Panels.	\$954.00	2.00%	\$934.92
JM-CTRL-EA04	Intelitek - Electric Motors - Electric Motors teaches 14 skills in 21 hours of LearnMate® lab instruction, includes (10) Flexponent Panels: SCR Speed Controller (E007); Transformer (E012); Shaded-Pole Motor (E027); Lamps & Switches (E154); Dissectible Motor (E156); Three-phase motor (E010); Capacitor-Start Motor (E019); DC Motor (E034); Split-Phase Motor (E065); Adjustable Motor Load (E066).	\$10,740.98	2.00%	\$10,526.16

JM-POWR-EB01B	Intelitek - Digital Multimeter - Digital Multimeter teaches 17 skills in 26 hours of LearnMate® lab instruction, includes Digital Multimeter and (2) Flexponent Panels: Resistors (E052); Filters/Capacitors (E055). Prerequisite Oscilloscope (EB01A)	\$2,535.52	2.00%	\$2,484.81
JM-POWR-EB01B-AP	Intelitek - - Additional EB01B Panels	\$1,793.52	2.00%	\$1,757.65
JM-POWR-EB01C	Intelitek - Hand Held Digital Oscilloscope - Hand Held Digital Oscilloscope teaches 8 skills in 15 hours of LearnMate® lab instruction, includes Hand-held Digital Oscilloscope and (2) Flexponent Panels: Adjustable Power Supply (E087) and AC/DC Circuit (E153). Prerequisite Digital Multimeter (EB01B)	\$3,724.84	2.00%	\$3,650.34
JM-POWR-EB01C-AP	Intelitek - - Additional EB01C Panels	\$2,982.84	2.00%	\$2,923.18
JM-POWR-EB02A	Intelitek - DC Power Supplies - DC Power Supplies teaches 11 skills in 17 hours of LearnMate® lab instruction, includes (3) Flexponent Panels: Single-Phase Bridge Rectifier (E039); Low-voltage Transformer (E061); Diode Rectifiers (E062). Prerequisite Hand Held Digital Oscilloscope (EB01C)	\$2,469.80	2.00%	\$2,420.40
JM-POWR-EB02A-AP	Intelitek - - Additional EB02A Panels	\$1,727.80	2.00%	\$1,693.24
JM-POWR-EB02B	Intelitek - Single Phase & Three Phase Power Supplies - Single Phase & Three Phase Power Supplies teaches 13 skills in 20 hours of LearnMate® lab instruction, includes (3) Flexponent Panels: Zener Diode (E049); Regulated Power Supply (E050); Three-Phase Bridge Rectifier (E053). Prerequisite DC Power Supplies (EB02A)	\$2,295.96	2.00%	\$2,250.04
JM-POWR-EB02B-AP	Intelitek - - Additional EB02B Panels	\$1,553.96	2.00%	\$1,522.88
JM-POWR-EB03	Intelitek - Thyristor Electric Motor Drives - Thyristor Electric Motor Drives teaches 15 skills in 23 hours of LearnMate® lab instruction, includes (8) Flexponent Panels: DC Motor (E034); SCR (E081); Full-wave SCR Drive (E082); TRIAC (E083); DIAC Adjustable Resistors (E084); TRIAC with Schmidt Trigger (E085); Pulse Width Modulation (PWM) Motor Driver (E088); Universal AC/DC Motor and PMDC Motor. Prerequisite Single Phase & Three Phase Power Supplies (EB02B)	\$6,447.98	2.00%	\$6,319.02
JM-POWR-EB03-AP	Intelitek - - Additional EB03 Panels	\$5,705.98	2.00%	\$5,591.86
JM-POWR-EB04	Intelitek - Electronic Timers & Triggers - Electronic Timers & Triggers teaches 7 skills in 15 hours of LearnMate® lab instruction, includes (1) Flexponent Panel: Timers & Triggers (E089). Prerequisite Thyristor Electric Motor Drives (EB03)	\$1,802.00	2.00%	\$1,765.96
JM-POWR-EB04-AP	Intelitek - - Additional EB04 Panels	\$1,060.00	2.00%	\$1,038.80
JM-POWR-EB05	Intelitek - Stepper Motors & Drivers - Stepper Motors & Drivers teaches 7 skills in 15 hours of LearnMate® lab instruction, includes (1) Flexponent Panel: Stepper Motor and Drive (E090). Prerequisite Electronic Timers & Triggers (EB04)	\$2,438.00	2.00%	\$2,389.24
JM-POWR-EB05-AP	Intelitek - - Additional EB05 Panels	\$1,696.00	2.00%	\$1,662.08
JM-POWR-EB06	Intelitek - Servo Motor Drives - Servo Motor Drives teaches 7 skills in 15 hours of LearnMate® lab instruction, includes (1) Flexponent Panel: Servo Motor and Drive (E091). Prerequisite Stepper Motors and Drivers (EB05)	\$1,555.02	2.00%	\$1,523.92
JM-POWR-EB06-AP	Intelitek - - Additional EB06 Panels	\$813.02	2.00%	\$796.76

10-PC06-0000	Intelitek - Power Supply - Three-phase power control panel 240V. A 3-phase 240V power supply is required for the following modules: All of Electrical Control Systems (EA02; EA03; EA04; EA07; EA09; EA11; EA12 except EA16), and EB02B from Industrial Power Electronics	\$1,343.02	2.00%	\$1,316.16
10-PC09-0000	Intelitek - JM, PC09, Inter. Transformer Pack, LS200 Bench - Step Down Transformer Pack for 220V power conversion of the JobMaster Electrical Series	\$4,594.04	2.00%	\$4,502.16
Intelitek - JobMaster Mechanical Series - Requires LMS 77-1201-0000				
JM-EMMC-1600	Intelitek - Electro-mechanical Maintenance cell KIT 110V - Electro-mechanical Maintenance cell KIT teaches 79 skills in over 120 hours of LearnMate® lab instruction, includes Basic Maintenance cell, Industrial Lighting, Plant Infrastructure, Conveyor, Drive and Control, Part Manipulator, Paint, Bake and Cool, Variable Frequency Drive, Advanced Infrastructure and Fault Insertion, Instructor Fault Insertion, DC Motor and Drive. Students receive 'work orders' to completely build the Maintenance cell.	\$78,611.72	2.00%	\$77,039.49
JM-MBL1-0001	Intelitek - JM Mechanical Series Training Level 1 One Side - Mechanical Training Level 1 Bundle - Training for Basic Machines, Machine Statics & Dynamics, Shafts & Keys, Bearings. Bundle includes Base Working Surface (Benchtop), required hardware and eLearning Curriculum (4 modules). Single bench setup for two students (Bench not included)	\$5,509.38	2.00%	\$5,399.19
JM-MBL1-0002	Intelitek - JM Mechanical Series Training Level 1 Two Sides - Mechanical Training Level 1 Bundle (Double) - Training for Basic Machines, Machine Statics & Dynamics, Shafts & Keys, Bearings. Bundle includes Two (2) Base Working Surfaces (Benchtop), required hardware and eLearning Curriculum (4 modules). Double bench setup for four students (Bench not included)	\$9,993.75	2.00%	\$9,793.88
JM-MBL2-0001	Intelitek - JM Mechanical Series Training Level 2 One Side - Mechanical Training Level 2 Bundle - Training for Belt Drives, Chain Drives, and Machine Shaft Coupling. 77-BA04-0001	Intelitek - Mechanical Fasteners - 15 hours of virtual instruction. Fasteners play a key role in countless industries. Through virtual and hands-on activities, students identify and work with the many types of fasteners used in industrial environments. Mechanical Fasteners features skills-based curriculum (Optional accessories for the lab course: 10-BA04-0000)	\$2,495.00	2.00%	\$2,445.10
77-3202-0000	Intelitek - Safety Fundamentals (NEW) - 15 hours of virtual instruction. Covers one of the most important aspects of an industrial training program. This dedicated safety module explores all aspects of manufacturing and workplace safety with the objective of educating students about safety norms, procedures and laws. Students will have a high level of regard for safety practices after completing this course.	\$2,495.00	2.00%	\$2,445.10
77-3097-0000	Intelitek - Career Skills/Employability - 15 hours of virtual instruction. The course delivers 21st Century career skills that ensure success in the workforce. Students develop essential qualities such as a positive attitude, communication skills, leadership skills and work ethics. The Career Skills Education Program is designed to ensure students obtain these essential personal and employability skills.	\$2,495.00	2.00%	\$2,445.10
77-8014-0001	Intelitek - Mechanical Measurement & Quality Control (Imperial) - Imperial Version. 15 hours of lab and virtual instruction. Mechanical Measurement and Quality Control delivers a solid foundation in precision measuring principles and statistical analysis. Students gain proficiency in reading mechanical drawings, in selecting the proper tools for inspecting parts and in preparing quality control/inspection reports. (Optional accessories for the lab course: 10-9410-0000).	\$2,495.00	2.00%	\$2,445.10
77-3022-0000	Intelitek - FMS Curriculum - 15 hours of virtual instruction in Flexible Manufacturing Systems including virtual experience with robots and CNC machines. The course exposes students to automation and industrial applications. Students develop and edit programs, record precise robotic positions, accurately mill parts, and synchronize mill and robot operation. Students gain "virtual hands-on" experience in CNC and robot programming, especially in I/O commands.	\$2,995.00	2.00%	\$2,935.10
