**Spare Inventory:** 15% shelf allowance at no additional cost.

**Lost, Damaged, Stolen (LDS):** 5% lost and damaged allowance equal to 5% of the Agency's active units for offenders on an annualized basis. The inventory management system integral to our system provides detailed loss and repair data to the agency that provides accurate accounting of all reported lost and damaged hardware so that there are no surprises at the end of an accounting period. Attenti has a documented record of working closely with our customers to mitigate lost and damage issues.
